Bancroft CLEANERS

ALL RIGHTS

Bluefield, W. Va. — It must have been a disappointed thief, who stole seven cases of shoes from the automobile of E. L. Noell, shoe salesman, of Lynchburg, Va. All of the stolen shoes were for the right foot. Police recovered them shortly.

MISCELLANEOUS SHOWER

Mrs. Earl Beevers entertained at a miscellaneous shower Wednesday afternoon, September 26, honoring her granddaughter, Miss Phyllis Thorpe whose marriage to George Hensler was an event of Saturday in Toledo. Mrs. Dorothy Thornton, mother of Miss Thorpe, assisted Mrs. Beevers. Games were played and prizes won were presented to the honored guest who also received a shower of miscellaneous gifts. Refreshments were served by the hostesses.

DEFENSE SPENDING

The Defense Department reports that most of the $24,600,000,000 appropriated for the fiscal year, which ended on June 30th, went for major equipment, supplies, construction and production expansion and that most of that, $23,800,000,000, went for "hardware," such as planes, ships, tanks, weapons and other combat tools. "Housekeeping" — clothing, food and fuel, — accounted for $3,400,000,000, and the remainder — $2,300,000,000 — went for military construction and expansion.

How does it feel to drive a Buick?

If you think perhaps we're hinting that it would be a good idea for you to try out a Buick—mister, you've never been so right.

It does a lot of things for you and to you that will be something new in your driving experience.

Take the way it feels beneath your hands on the wheel—eager and willing and anxious to please.

It spurts when you want to spurt—rolls with effortless momentum when you want to cruise.

When you take a curve, it snugs down to the road with sure-footed confidence.

After you make a turn, the front wheels instinctively seek a straight course. This car seems to guide itself.

When you come to a bumpy stretch, each separate wheel on its own coil spring steps you smoothly along on a level keel.

Then there's power that surges into action at a nudge of your toe—sends your speedometer needle soaring up to any speed the law allows, in a matter of seconds.

And there is also thrift—the gas-saving thrift that comes from a high-compression valve-in-head Fireball Engine found in no other car.

To top all this, there is Dynaflow Drive*—that feeds power in a steady, falterless flow—lets you ride relaxed in busy traffic or on a day-long cross-country drive.

We're willing to stand on the statement that no other car rides, performs or drives like a Buick.

But why take our word for it? Come in—take over one of these lively lovelies—and see for yourself.

NO OTHER CAR PROVIDES ALL THIS:

DYNAFLOW DRIVE • FIREBALL ENGINE*
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING
BODY BY FISHER

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Equipment, accessories, trim and models are subject to change without notice.
**Standard on ROADMASTER, optional at extra cost on other Series.*

LEGAL NOTICE

0.98 MILES OF BITUMINOUS AGGREGATE SURFACE ON COUNTY ROAD FROM SOUTHWEST CORNER OF SECTION 33, T. 5 S. R. 4 E. EASTERLY AND NORTHERLY, LENAWEE COUNTY.

PROJECT: CS 46-46, 03 (S-254 (3)).

Net classification required for this project is 1-Cbb.

Sealed proposals for the construction of this project located in Raisin & Tecumseh Twps., Lenawee County, will be received from contractors having 1951 Michigan State Highway Department prequalifications, in the Veterans' Memorial Bldg., 213 South Capitol Avenue, Lansing, Michigan, until 11:00 A.M., Eastern Standard Time on Wednesday, October 10, 1951, and will then and there be publicly opened and read. Proposals may be mailed to Contract-Estimate Office, 222 Townsend St., Lansing, Michigan.

The work will consist of placing 20 ft. Bituminous Aggregate Surface Course, Class F-1.

Completion date for entire project July 31, 1952.

The Department's Standard Specifications (1950 Edition), its current Soils Mutual, the plans for this project, the special provisions governing subletting and assigning the contract and the employment and use of labor, and the proposal blanks (all of which are essential parts of the contract) may be examined at the district office of the Department at Redford, Michigan, at the County Road Commission, Adrian, Michigan, and at the Michigan Road Builders Association, Lansing, Michigan, but may be obtained only at the office of the Contract-Estimate Engineer, 222 Townsend Street, Lansing, Michigan, up to 5 P.M. of the day preceding the opening of bids. A fee of three dollars will be charged for furnishing plans or proposal blanks, which will not be refunded.

Full cooperation in carrying out the special provisions will be required. Minimum wage paid to labor employed on this contract shall be as follows: Skilled labor $0.95 per hour. Intermediate labor $0.85 per hour. Unskilled labor $0.75 per hour.

A certified or cashier's check on an open, solvent bank, in the sum of $500.00, payable to Charles M. Ziegler, State Highway Commissioner, must accompany each proposal. All such checks will be returned promptly after the bidding, except that of the lowest bidder will not be returned until execution and delivery of the contract to the State Highway Department.

The right is reserved to reject any or all proposals.

CHARLES M. ZIEGLER,
State Highway Commissioner.
DATED: 9-20-51
Lansing, Michigan
MHF: Oct. 4

HISTORICAL SOCIETY TO MEET OCTOBER 11

The Lenawee County Historical Society will hold its regular meeting at Croswell House, Adrian, on Thursday, October 11. Luncheon will be served at 12:30. Any interested person is welcome to attend.

Mrs. Frank Rawson will speak on "Indian Lore in Lenawee County," and there will be a display of Indian relics in charge of Mrs. Charles Seiffer. Each member will bring an Indian relic to be displayed.

Reservations for the luncheon should be made with Miss Edith Ingersoll, Tecumseh, or Mrs. H. Wilson, 448 State street, Adrian.

BRITTON

The annual church fair at the Congregational Christian church will be held Friday, October 5, with Mrs. Lillian Rogers as general chairman.

Mr. and Mrs. Clay Croll were in Camp Chaffee, Ark., over the week-end to visit their son, Robbert, who is in service training there.

Mrs. Delbert Jackson was host Wednesday afternoon to the Methodist W. S. C. S. at her home. The program opened with devotions led by Mrs. Merle Crutchfield, followed by an interesting program led by Mrs. F. B. Clifford. At the business session, conducted by president, Mrs. Edward Kanous, plans for the fall program were discussed including the annual church fair, Nov. 2. The Society planned to observe the week of prayer and self-denial in October. The afternoon also included the folding of dressings. The October meeting will be held at the home of Mrs. Neal Judkins with a co-operative dinner at 12:30.

Miss Alice Moore entertained in her home in Toledo at a personal bridal shower honoring Miss Ardath Gripton. Miss Gripton's marriage to Ronald Frayer is an event of October 21. The group of young women, mostly friends from Toledo, enjoyed games and prizes were presented to the guest of honor who also received an array of lovely gifts from her friends. Those from here attending were Mrs. Walter Frayer, Mrs. Glen Gripton and Mrs. Bert Moore.

The Britton Branch Library will remain open Monday, Wednesday and Saturday afternoons from 12 to 6 p.m., from this week on.

The Congregational Philathea Class met Wednesday at the church. After a potluck dinner at noon, the afternoon session opened with devotions led by Mrs. Doris Forsyth. A sewing project of making capes for the Booster Classes was well under way at this meeting. The time and place of next meeting to be announced later.

Mrs. Leona Herford entertained Wednesday evening in her home at a cradle shower honoring Mrs. Dorothy Beach. Twelve guests enjoyed games. Refreshments were served by Mrs. Herford assisted by Mrs. Olive Henckel after which the guest of honor unwrapped many lovely gifts.

Mr. and Mrs. Earl Smith entertained at dinner Sunday honoring their son, Billy, on his eighteenth birthday anniversary. The guests seated were Mr. and Mrs. Herbert Maynard and children of Tecumseh, and Mrs. Tina Smith and Pearl.

The North East Britton Extension Club held a regular meeting Friday evening at the home of Mrs. Harold Prielipp. Mrs. Earl Smith conducted the business session. The Ridgeway club extended an invitation to the club for October 16, and it was accepted. The next meeting will be held with Mrs. Emery Downing. The remainder of the evening was enjoyed as Mrs. Leland Downing demonstrated candle making. Refreshments were served by the hostess.

RUMMAGE, DISH SALE PLANNED BY GUILD

The Florence Weld Mission Guild will meet Monday evening, October 8, at 8 o'clock in the Fellowship Center of the Presbyterian church. The officers will be the hostesses and Mrs. Lee Purkey will be the leader. Mrs. Margaret Kidman will be in charge of devotions.

The Guild has completed plans for a rummage and dish sale to be held in Don's Garage, formerly known as Weatherman's, on October 12 and 13, with a bake sale on Saturday the 13, at 10 a.m. Presbyterians and friends are urged to search cupboards and closets for dishes and clothing that may be used to some good advantage, and call Mrs. F. C. Dickinson or Mrs. Lynn Harris who will see that they are collected. Articles may be left at the garage Thursday evening, October 11.

ANTIQUE GLASS PROGRAM IS PLANNED BY D. A. R.

The regular meeting of the Abi Evans Chapter, D. A. R., will be held Friday afternoon, October 12 at 2:30 at the home of Mrs. Chas. Branigin. Mrs. Roy Whiting will be the leader and the program will be on antique glass. Miss Alice Johnson of Ann Arbor will be the guest speaker and will have a display of antiques. Each member has been asked to bring a piece of antique glass for exhibit. The co-hostesses will be Mrs. Floyd Elliott, Mrs. James Artman, Mrs. Blaire Basbore, Miss Edith Ingersoll and Mrs. Frederick Terry.

TO CHOOSE OFFICERS

The regular meeting of the Order of Eastern Star will be held tonight (Thursday) with election of officers. After the meeting, Mr. and Mrs. Jennings Frayer will entertain the group by showing pictures.

CHILD STUDY CLUB

The Child Study Club will meet Monday evening, October 8 at 8:30 at the home of Mrs. Donald Wilson on West Logan street. The co-hostesses are Mrs. Delbert King, Mrs. LeRoy Titley and Mrs. Robert Williamson. The program will be on "Religious Trailing," with the Rev. B. O. Bashore, speaking. Mrs. George Green is the leader. Children's favors will be in charge of Mrs. David Dick, Mrs. Elven Duvall, Mrs. Wiley McCann and Mrs. Virgil Tucker.

Community Fund

(Continued from page 1)

studied by the budget committee before it is presented to the board for consideration.

5. A vote of the majority shall determine a grant of the petition or a modification of same.

6. No further sum shall be granted to any group during the year without following the same procedure indicated in sections four and five.

In some instances allocations this year to the participating organizations were the same as a year ago. In other instances they were increased or decreased. The Service Club was granted a $50 increase over 1950, the Cancer Society a $150 increase, and the Recreation Center a $400 increase. Girl Scouts received a decrease of $100, the Boy Scouts and Cubs were reduced $100. The Health Education Committee is a new organization to participate. This committee, it was explained, cares for emergency health problems in the community.

The greatest increase in the budget was granted to the United Fund Campaign with its 29 participating organizations, including the U. S. O. Last year Tecumseh gave $600 to the United Fund as against a proposed $2,000 this year. It also was explained that of all of the money given to the United Fund, 40 per cent or more of the amount goes to the U. S. O.

The emergency fund, a reserve set up by the Community Fund for local emergency needs, and which a year ago was $2,500, this year was reduced to $1,500.

The budget boost, it was pointed out, is more than absorbed in the $1,400 granted increase to the United Fund. This year's budget is $1,150 more than in 1950 when the total was $7,025.

It is entirely probable that a breakfast for workers will be announced prior to the opening of the campaign. Mr. Harris also is expected to announce his committees and chairmen within a week.

Club Women Enjoy Luncheon

PAST PRESIDENTS' DAY OBSERVED BY MONDAY CLUB; 85 MEMBERS, GUESTS ATTEND

The Tecumseh Monday Club launched its fifty-seventh year on Monday with a luncheon in the parlors of the Methodist Church. Past Presidents' Day was observed, and 85 members and guests were seated at the long tables, decorated with fall flowers and lighted tapers.

Mrs. William O. Merrill of Birmingham, president of the State Federation of Women's Clubs, was the guest speaker. She was introduced by Mrs. Guy T. Pocklington, program leader. Other numbers included the singing of "The Lord's Prayer," by Mrs. Murray Day, accompanied by Mrs. Wilfred Waldron, and several selections by a trio from Dundee composed of Marjorie Weghorst, Ruth Reynolds and Margaret Newcomb. Mrs. Waldron also played a piano solo, "The Volga Boatman."

Mrs. Margaret Aebersold, the new president, presided at the luncheon and at the business meeting. Year books were distributed. Decorations for the luncheon were in charge of Mrs. Herbert Murphy and Mrs. Ruth Rentschler.

Out-of-town guests at the meeting and luncheon included Mrs. Merrill, Mrs. Lysle Pickfrod, president of the Lenawee federation, Mrs. Harold Cole, treasurer, Mrs. Elmer Rockwell, president of the Walworth Woman's Club, and Mrs. Zola Rufner, president of the Manitou Beach Woman's Club.

The October 15 meeting will be observed as Gentleman's Night, and will be held at the Grange Hall, with dinner at 7 o'clock. Members of other clubs from Tecumseh and the county will be guests. A travelogue program will be presented with club officers as hostesses.

HAPPY HOME BUILDERS CHOOSE NEW OFFICERS

The Happy Home Builders Class of the Baptist church met at the home of Mr. and Mrs. C. O. Bally at Holloway, Monday evening, for a potluck supper at 7 o'clock, with a large attendance. During the election of officers, Harold Black was named as the new president; Lawrence Holdridge, vice-president; Mrs. Harold Black, secretary; Mrs. Leslie Becker, treasurer, and Mrs. George Green, flower fund. Mrs. Nona Reasoner was in charge of devotions. A social time was enjoyed after the meeting.

A Hallowe'en party is being planned by the class "in a haunted house."

LOCALS AND PERSONALS

Mrs. Ray Herrick has returned home after a two week's vacation with her mother and sister in Des Moines, Iowa.

Mr. and Mrs. Walter O'Brian and Mr. and Mrs. John Lee O'Brian and daughter, Deborah Kay of Saratoga, Ind., were week-end guests of Mr. and Mrs. Paul Hadsell. Miss Beverly Hadsell of Ypsilanti Normal also spent the week-end with her parents.

Knox Warns Of

(Continued from page 1)

tee, of which Mr. Conlin is a member, has been named to study the problem.

Commissioner Ziegler spoke briefly, telling how it is next to impossible to catch up with the state's road building and maintenance program with the limited funds available. He said that during the war years, 1941 through 46, it was impossible to build roads, while at the same time they were being pounded out by war traffic. The tax dollar now has shrunk to a 45-cent value, and there is a threat of removing the new 1½ cent gas tax hike. If this is done, Ziegler said, the state's road program will be completely demoralized.

After the speaking program, John McColl, local fisherman who annually visits Florida, showed several reels of very interesting movies he had taken on [illegible] trips. He was the guest of Delmar Crisp. J. Floyd Elliott, village president, was a guest the meeting.

ABOUT $60 CONTRIBUTED

The Crusade For Freedom drive in Tecumseh is moving slowly, Charles O. Butler, coordinator said today. About $60 has thus far been subscribed and the campaign has been extended throughout October. Contributions may be made at Butler Motor Sales or through the local postmaster.

PLAN "FAMILY PARTY"

The Tecumseh Farm Equipment's annual "Family Party," will be held this year on Wednesday evening, Oct. 10, at the Central School auditorium, starting at 8 p.m. There will be two hours of entertainment for the entire family, including movies and vaudeville.

AUXILIARY TO MEET

The Herrick Memorial Hospital Auxiliary will meet Tuesday evening, October 9, at 8 o'clock in the Fellowship Center of the Presbyterian church. Dr. W. T. Claxton of Britton will be the guest speaker.

Seven School Buildings Are Visited By Thieves

Seven county school buildings were robbed, including the West Branch building in Tecumseh, on Monday night, police said today. Clinton state police, working in connection with local authorities, believe that all of the robberies were committed by the same group of thieves.

At West Branch, entrance was gained through a basement window. All three classrooms were ransacked, and about $30 was taken from teachers' desks. The children had brought their money on Monday for their weekly supply of milk.

A radio and record player were stolen from the Birdsall school, as well as $10 in cash. Electric clocks were missing from the Clinton Community School and three rural schools on US-112, east of Clinton. The rural schools included Lancaster, Benton and Dell districts. Officers were checking to see what other things of value have been taken.

Curtis School, near the Girls' Training School at Adrian, also was robbed. About $2 was taken from the teacher's desk. A dollar bill was dropped there by the thieves as they left.

Program For BETTER LAWNS

Late summer – early fall is the ideal time to beautify your lawn. A beautiful, sparkling Scotts LAWN costs no more than the ordinary kind. Here is all you do:

1 Apply Scotts 4-XD to dispose of broad-leaved weeds.

2 If Crabgrass is present, wait 2 or 3 days, then apply SCUTL to stop further growth. Repeat SCUTL in a week.

3 If weather is dry and lawn cannot be watered, delay further treatment until after a soaking rain.

4 Apply TURF BUILDER lawn food.

5 Seed sparingly - you need so little when you use Scotts.

Autumn is also the best time to build a NEW LAWN.

Scotts LAWN SEED

Economical - 3,000,000 seeds per pound so you need sow only a third as much as ordinary seed to get a permanent lawn.
1 lb - $1.55 5 lbs - $7.65

TURF BUILDER

Autumn feeding restores sparkling color and vigorous health to lawns. Turf Builder feeds grass better for less. Use only 1 lb to 100 sq ft. 25 lbs feeds 2500 sq ft - $2.50 100 lbs, 10,000 sq ft - $7.85

SCUTL Crabgrass Control - 79c $1.95 $5.85

4-XD eliminates Plantain, Dandelions - 49c $1.75 $4.85

Baldwin Hardware Co.

Chicago Blvd., Tecumseh, Phone 88

BRITTON

Mr. and Mrs. Ronald Cheever entertained Saturday evening a group of friends in honor of her parents, Mr. and Mrs. George Issen who were celebrating their 40th wedding anniversary. Cards were enjoyed by the group. Refreshments were served by the hosts &who were assisted by Mr. and Mrs. Josephh Boxwell of Toledo. A gift from the group was presented the honored couple.

Louis Downing was moved home from Herrick Memorial Hospital, Sunday. His condition continues to improve.

LOCALS AND PERSONALS

E. M. Campbell has returned from several days visit with his brother and other relatives in Iowa.

Mr. and Mrs. Otto Baaske were dinner guests Friday evening of Mr. and Mrs. George Chase of Adrian in honor of her sister, Mrs. Alvin Prielipp of Deerfield, who was celebrating her birthday. Sunday, Mr. and Mrs. Baaske were guests of Mr. and Mrs. Prielipp of Deerfield at a family gathering.

Mr. and Mrs. Ernest Gregory spent the week-end with relatives in Knoxville, Tenn.

LEGAL NOTICE

Order of Hearing—
Probate of Will

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 24th day of September in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of WILBUR L. WILSON, Deceased.

On reading and filing the petition, duly verified, of Milburn W. Brooks, nephew and heir at law of said deceased, praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to William L. Russell the executor named in said instrument, or to some other suitable person.

It Is Ordered, That Monday, the 22nd day of October next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

BERNARD N. WILLIAMSON,
Judge of Probate.

(A True Copy)
Hazel D. Gregg, Probate Register.

LEGAL NOTICES

Order of Hearing—Probate of Will

STATE OF MICHIGAN,

County of Lenawee.—ss.

Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 21st day of September in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of ALAN D. BELL, Deceased.

On reading and filing the petition, duly verified, of William A. Wright, legatee of said deceased praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to petitioner, one of the executors named in said instrument, or to some other suitable person.

It Is Ordered, That Monday, the 19th day of November next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And it Is Further Ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulated in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

BERNARD N. WILLIAMSON, Judge of Probate.

Martin Slaps At Corruption

SAYS HIGH MORAL LEADER SHIP IS LACKING; TALKS TO GOP WOMAN'S CLUB

"Corruption in government is no more necessary than in business or professional life," John B. Martin, Jr., Michigan's auditor general, told members of the Womans Republican Club of Tecumseh, when he addressed that group at a luncheon meeting, Thursday afternoon at the Country Club. Nearly 100 women attended the meeting.

"It is an axiom of government," Mr. Martin said, "that a man at the top sets the pattern for those below him. If he expecst his subordinates to observe their public trust strictly, that's the kind of government you get. If the man at the top does not distinguish clearly between loose and strict moral conduct, his attitude spreads through the levels of employees. The difficulty in Washington today and the reason why we have had repeated waves of scandal is because there is no strict moral leadership at the top of the structure. That failure rests squarely with President Truman. There is no question but what there is a deep consciousness of this fact among the public, regardless of party affiliations.

"We don't have corrupt government in Michigan because we have a wide-awake electorate who won't tolerate for a minute the kind of stench that has been coming out of Washington for several years. Generally speaking, people get what they want in the way of government. Occasionally, they may elect a man whom they think is straight and honest and who simply doesn't have those characteristics. When that happens the voters can always get rid of him in the next election.

"We have an opportunity coming," Martin declared, "to effect a general housecleaning of those

RNA Officers Are Installed

TECUMSEH HOST TO DISTRICT MEET AT GRANGE HALL; 130 IN ATTENDANCE

Members of Ivy Leaf Camp No. 4069, Royal Neighbors of Tecumseh were hostesses to the Daisy Heath convention of the organization, Wednesday at the Tecumseh Grange Hall. Some 130 women from Ann Arbor, Adrian, Belleville, Clinton, Hudson, LaSalle, Morenci, Ypsilanti, Jackson and Tecumseh attended. The group from Jackson were guests of the convention.

During the morning session new officers were elected with Minnie Clegg of Adrian as president; Clara Smith of Ann Arbor, vice president; Flora Green of LaSalle, chancellor; Marie Riebe of Adrian, secretary-treasurer; Mabel Duncan and Mae Sarvey of Tecumseh, marshalls; Bernice Mahrle of Clinton, inner sentinel; Hattie Grannis of Ypsilanti, outer sentinel; Hazel Akans of Belleville, flag bearer. Mrs. Tillie Tuckey presided at the meeting and Daisy Heath, state supervising deputy from Essexville, and Clara Bradley, district deputy from Ypsilanti, were presented by Marie Riebe and Minerva Riley of Adrian, marshals. The

(Continued on page 6)

NEED NAMES, ADDRESSES OF OVERSEAS PERSONNEL

The Auxiliary members of Hall-Slater Post, V.F.W., is requesting the names and addresses of local men in service overseas so that Christmas boxes may be prepared and mailed to them in time for the holiday. It was pointed out that this must be done within a short time if the packages are to reach their destination in time for the arrival of St. Nicholas.

Addresses of the boys overseas should be given to Mrs. Max Brandt or Mrs. Waldo Mohr, the Auxiliary announced.

EXCHANGE CLUB MEETS

The Tecumseh Exchange Club met in the V.F.W. hall, Monday evening with 45 members and guests in attendance. K. D. Hall, past president, presided in the absence of Clarence Beach, president, and Geo. McCombs, vice-president, who are in Miami, Fla., attending the National Exchange Convention. Orval Minney gave an interesting talk on atomic energy. P. C. Satterthwaite and the Rev. Ronald Brunger were guests.

Blame Bad Wiring In $3,000 House Fire Here

Fire, believed to have been started by defective wiring, did between $3,000 and $4,000 damage to the home of Mr. and Mrs. Fred C. Dickinson, 213 N. Malden Lane, at 11:30 a.m., Saturday. The blaze was discovered by Mrs. Dickinson who summoned the fire department.

The fire started in the partitions of the second floor of the house and spread rapidly. There also was heavy damage from smoke and water. Local firemen said that damage would run well over $3,000.

Most of the furnishings on the first floor of the dwelling were removed by the Dickinsons and their friends and neighbors. A troop of Girl Scouts, passing by at the time of the blaze, also gave assistance.

Mr. and Mrs. Dickinson are staying at the home of Mrs. Earl Lindsley pending the repair of the house.

HOME NURSING CLASS

The Herrick Memorial Hospital Auxiliary is again sponsoring a series of Red Cross Home Nursing classes. The evening classes will be under the direction of Miss Elisa Simonson. Anyone interested in this course is asked to contact Mrs. Don Heesen, phone 392W.

Fund Drive To Open Oct. 17

HARRIS URGES COOPERATION IN EFFORT TO PUT CAMPAIGN OVER TOP

Scores of volunteer workers will start next Wednesday to call upon Tecumseh residents and business places for the 1951 Community Fund, it was announced today by Ronald Harris, chairman of this year's drive.

"We earnestly request people to be ready for these volunteers," Mr. Harris stated. "We must remember that all of these workers are not only giving their money, but they are also giving many hours of their time and are expending a great deal of effort for their community. Their task can be made much easier by the rest of us."

Mr. Harris pointed out that this year's Fund budget was the highest ever adopted locally. More services have been added so that Tecumseh can hold up its head with the rest of the state as a supporter of those agencies which benefit us all. The present Korean conflict also means that our armed force are greater than at any time since World War II, and that these boys need agency help from such organizations as the USO.

"Our budget is therefore up about 15 per cent over a year ago. We will need that much more from each contributor to attain this quota. By arriving at this goal, we will not be unduly burdening ourselves, but will be meeting our just responsibilities," Mr. Harris concluded.

INJURED IN FALL

William Baldwin, Tecumseh, suffered injuries at 8:30 p.m., Friday evening, when he slipped and fell on the sidewalk on Union street near the Baptist church. He was removed to Herrick Memorial Hospital by police and was released after treatment.

BIKE SHOP ENTERED

Thieves, sometime Monday night, entered the Bike Shop at 101 W. Shawnee street, by breaking a window. Police investigated and said that three or four bicycle tires and tubes were stolen.

Narrow Bridge Is Blamed In Truck Accident Here

A ready-mix concrete truck, owned by Porter's Sand & Gravel Co., of Tecumseh, was wrecked beyond repair, Monday at 4:40 p.m., when it skidded and overturned at the narrow iron bridge over the River Raisin on M-52 near the north village limit. Glen Work, driver of the truck, escaped injury. The loss according to the Porter company, will run between $7,000 and $10,000.

The accident happened as the Porter truck was traveling north. Another truck was coming from the north, and was on the narrow bridge which is not wide enough to accommodate the two vehicles. Mr. Work applied the brakes and apparently the hydraulic line snapped. The truck skidded, overturned and halted several feet off the road and down the enbankment. It was not until 2:30 p.m., on Tuesday that it was finally removed. Fortunately, the cab on the truck did not crush and the driver was not hurt.

The truch, loaded with concrete, weighed about 26,000 pounds, the company said. Of that amount, about 11,000 pounds was cement.

SCHOOL OF CHRISTIAN LEADERSHIP PLANNED

A School of Christian Leadership will open Tuesday evening at 7 o'clock in the First Baptist church in Adrian. This will continue for six Tuesday nights, and will be helpful for Sunday School teachers, and others interested. The courses are "The New Testament," "Ways of Teaching," Understanding Children," "The Church's Program for Youth." The registration cost is 50 cents. The school is conducted by the Adrian Council of Churches, and people from Tecumseh are cordially invited to attend.

GETS 30-DAY JAIL TERM

Howard Lopekes, 20, of Wayland Mich., was sentenced to spend 30 days in the county jail and to pay a fine and costs of $108.60 when he was arraigned in Justice Robert Frenchs court on Monday, charged with contributing to the delinquency of a minor. The arrest was made by police.

My office will be closed October 15-25 incl. Stanley Beaverson. Adv. 10-18

CIVIC ORGANIZATIONS LAY PLANS FOR BIG HALLOWE'EN PARTY

Ghosts, Goblins To Strut Their Stuff On October 31

The advent of fall breezes and the appearance of colored leaves on the trees announce that the time is approaching for the spooks and goblins to make their annual Hallowe'en visit to Tecumseh. Already local committees have been making plans for the proper reception of these ghostly visitors.

Hallowe'en observance has become one of the annual major civic projects in Tecumseh. The festivities have become so popular that the planning and executing of the event call for considerable time and manpower from the Exchange and Rotary Clubs, veterans organizations, and the Chamber of Commerce.

Last year's party was the largest the town had ever seen, and the realization that these parties would continue to attract increasing numbers of youngsters forced this year's committees to make some decided changes in the nature of the evening.

There is no auditorium in Tecumseh of sufficient size to accommodate the hundreds of youngsters who will participate. Consequently, the committee plans the annual theatre party for grade school students in mask or costume. The high school students will hold a separate party, and members of the student council and officers of the classes are making their own plans for their first all-school Hallowe'en party.

The annual window-decorating contest will again be held. This event is becoming increasingly popular with everybody. It is expected that the youthful artists will be placing their pictures on store windows the week-end before Hallowe'en, so that all shoppers in the Tecumseh area will have a chance to see the pictures and to observe the students at their artistic labors.

Hoodlum Hunters Annoy Sportsmen

"ASK THE FARMER FIRST," IS SLOGAN OF CONSERVATION LEAGUE MEMBERS

"ASK THE FARMER FIRST"—That is the slogan of the Michigan United Conservation Clubs this fall in its campaign to encourage better respect for the farmer's property by all hunters, according to Roger Smith, president of the Tecumseh Conservation League, the local organization affiliated with MUCC.

"The state law forbids hunting on private farm lands without permission of the property owner and we want to see that law strictly enforced because lax law enforcement penalizes the real law-respecting sportman in favor of the irresponsible and lawless hunter," says Mr. Smith.

In its effort to prevail upon all hunters as well as organized sportsmen, to respect private property and to "ASK THE FARMER FIRST" before hunting on his land, Michigan United Conservation Clubs received full cooperation from the Conservation Commission which has ordered the slogan "ASK THE FARMER FIRST" and the notice—"Important,—It is unlawful to hunt on private property without permission of the owner," printed on all small game hunting licenses this fall.

The MUCC inaugurated this campaign after a survey of farmers revealed that the great majority would permit hunting on their lands if the hunter would but ask permission first and behave like a sportsman and a gentleman. The MUCC Farmer-Sportsman Relations Committee consulted with organized farmer groups who gave full approval of the campaign. "The organized sportsmen want the farmer land owners to know," says Mr. Smith, "that they realize his problem and will do everything in their power to help protect his property from the depredations of hoodlum hunters."

Band Festival Set For Oct. 17

ELEVEN BANDS WILL PARTICIPATE IN COLORFUL EVENT NEXT WEDNESDAY

With about 500 youthful musicians in attendance, Tecumseh's fifth annual music festival will be held "under the stars" at Recreation Field next Wednesday evening, October 17. Eleven bands from high schools in southern Michigan have been practicing for several weeks on the special music and formations which make up this colorful event.

The theme and title of this year's festival is "Seekers of Freedom," and the development will show the contributions made to America by the various nations and nationalities that have formed our own country.

The Tecumseh band under the direction of Clare Camburn will give its salute to England. Mr. Camburn is the originator of the Tecumseh band festival and developed the original idea for this year's program.

Friends Church Plans For Harvest-Home Sunday

The 18th annual Harvest Home Day of the Tecumseh Friends church will be held Sunday, October 14, and will be observed at the two services, 10 a.m. and 7:30 p.m. Dr. Byron L. Osborne, president of Cleveland Bible College, will be the speaker at both services, and special music will be by Miss Thomas and Miss Cosand of Cleveland Bible College.

As in previous years, the church will be decorated with flowers, fruit, vegetables and canned goods. This year, all of the produce will be given to the Cleveland Bible College. The motto for these Harvest Home Days is: "No gift too small—no gift too large." Contributions should be brought as early as possible on Saturday morning.

RIPE, RED STRAWBERRIES

No need to wait until next June or July for your ripe, red strawberries. Geo. Wittrup, N. Pearl street, has a patch of ever-bearing berries that he is picking this week. Monday, he picked three rows of the plants and harvested eight quarts of berries. He had 11 more rows to pick. The berries are extra large, many of them over an inch in diameter. And they're sweet, too. He brought a pint of them to The Herald office.

Scouts Do "Good Turn" At Saturday House Fire

Despite threatening weather, 78 Girl Scout and several leaders including Brownies and Intermediates, started on a hike Saturday morning at 10:30.

Lead by Mrs. Ben Stanlen, 18 girls started ahead of all of the others to lay the trail to their destination. Half way to their goal it rained so hard that they had to turn back from north Union and Bidwell to the Scout Cabin for their lunch. They spent the balance of the afternoon there.

At Malden Lane and Shawnee the Scouts were of real service when they discovered the Fred Dickinson house on fire. They were there before the fireman and assisted the Dickinsons in carrying out a great many of their treasures. Needless to say, the Scouts were thrilled to be at the scene of action and to be able to do a good turn.

At the cabin the Scouts were thanked by their leader for following orders and being so helpful. After lunch the afternoon was spent playing games. A song fest was held.

District Buys New School Site

SATTERTHWAITE PROPERTY ON N. UNION STREET CHOSEN; PRICE $9,000

The Tecumseh board of education, in meeting Tuesday evening, purchased four and a half acres of land on North Union street, immediately south of the W. J. Bruce property, as the site of a proposed new elementary school. The land, owned by Perry Satterthwaite, has been under option for some time. The price was $9,000.

Crowded conditions in both the elementary and secondary schools of Tecumseh prompted the board's action. It was pointed out that the public schools here will be crowded beyond capacity when the fall term opens in 1952, and that some steps must be taken immediately if the problem is to be solved.

At the present time there are 132 children in the kindergarten classes of the school. Next year, census figures show, there will be

(Continued on page 7)

Household Discards Are Goodwill Industry Needs

Heavier contributions of household discards from towns in southeastern Michigan are imperative if the Goodwill Industries of Detroit is to go ahead with its program of expansion in behalf of handicapped men and women.

This was explained by James Mitchell, representing Goodwill Industries, who was in Macon this week, stimulating greater interest in the Goodwill program providing employment and job training for disabled adults.

"Materials of every kind are badly needed at the present time if the Goodwill departments are to operate at capacity," declared James Mitchell.

"Clothing, including hats and shoes, are always particularly welcome, since the reconditioning of garments is one of the major operations of the Goodwill Workshop and accounts for a substantial part of the operating revenue. Furniture also can be used to particular advantage just now so the articles can be reconditioned for the usual fall upsurge of buying in the Goodwill Stores."

The Rev. R. Brunger, pastor of the Methodist church, will serve a volunteer coordinator for the Goodwill in Tecumseh, and the truck will arrive here for its annual pick-up on Wednesday, October 17. Persons having articles to donate are urged to call the Rev. Mr. Brunger at phone 694. The donations will be picked up at the giver's home.

Mr. Mitchell stated that Mrs. M. Travis has consented to serve as a volunteer co-ordinator for Goodwill in Macon. Housewives having articles to turn in are urged to telephone Macon 26 so that a pickup can be scheduled on the day the Goodwill truck is in this community. The articles will be picked up at the home of each contributor. The Goodwill truck is scheduled to pick up discards in the Macon community Monday, October 15.

ADDRESSES NEEDED

The American Legion Auxiliary is requesting the addresses of all men in service, so that Christmas greetings may be mailed. Addresses should be given to Mrs. Richard Eggleston, phone 501M.

Cub Scout Pack Meets At Church

FIFTEEN NEW CUBS ARE RECEIVED; MANY AWARDS PRESENTED

The October meeting of Tecumseh Cub Scout Pack 4 was held Monday evening at the Baptist church. As the Cub families arrived the boys took their dads along the "How to Become a Wolf" Achievement Trail. Dads who participated were given a badge to wear. The attendance award was won by Den Six with 88% of parents and cubs attending.

Den Number 7 conducted an opening ceremony consisting of the pledge of allegiance to the flag and the singing of America. Fifteen new Cubs were taken into the pack by the boys of Den Number 6. The induction ceremony stressed the importance of the parents part in the Cub program. The new Cubs were Charles Mueller, Michael Robison, Michael Tucker, Max Handy, Carl Martin, Michael Green, Jerry Breitenwischer, Jimmy Gordon, Clarence Champanois, Bernard Lapham, David Grigg, Tommy Barton, Jimmy Ripley, Billy Conklin and John Conklin.

Three boys received Cub awards which were presented by Den Number 3. Eddie Rozelle of Den Number 6 received his lion badge with a gold and two silver arrows, and Bobby and Billy Neal of Den 3 each received two silver arrows for wolf rank.

Leaders for the year were introduced by Chester Beach, cubmaster. They are as follows: Den 1—Mrs. Harold Hall, Den Mother; Mrs. Chester Beach, Assistant; Kenny Miller, Den Chief; John Curth, Den Dad. Den 2—Mrs. Cecil Fielder, Den Mother; Mrs. Kenneth Rutherford, Assistant; Laine Holden, Den Dad. Den 3— Mrs. Robert French, Den Mother; Barry Packard, Den Chief; Robert

Model House To Open, Saturday

WILL BE SHOWN THIS WEEK-END AND AGAIN ON OCTOBER 20 AND 21

Glenn H. Kohler, local real estate broker, is announcing an open house in a model home at 400 Outer Drive, Herrick Park, on Saturday and Sunday of this week and again next week Saturday and Sunday, October 20-21. The house will be open to visitors between 2 and 6 o'clock and from 7 to 9.

This model, Mr. Kohler said, features full basement, automatic heat, tiled bath, hardwood floors, picture windows and many other advantages. It is completely furnished by local merchants.

"We believe that there is much interest in the Herrick Park development," Kohler said, "and that is the reason for the open house at this time. We are offering six house styles in the Park, designed to suit the needs of the buyers."

Fifteen houses are now under construction in the subdivision.

Indians Ready To Meet Hudson

GAME HERE UNDER THE LIGHTS TOMORROW EVENING; GOOD CROWD EXPECTED

Still smarting from the stinging defeat handed to them last Friday at Morenci, Coach Elven Duvall's Tecumseh high school Indians will meet the Hudson high grid squad at Recreation Center here, Friday evening at 8 o'clock, under the lights. The Hudson gridders won their last Friday game from Pittsford, 12 to 6, for their second victory in LCAA play. The Indians were trounced by the Bulldogs at Morenci by a 33 to 13 score.

Although the Morenci score made the Indians look a trifle bad, observers said today that a different style of playing might be expected in the game here tomorrow night. Hudson, in the past, has not been too tough competition for

Be Sure To Do Your Rightful Share

Next week Wednesday morning, Tecumseh's Community Fund campaign will be formally launched. Again this year, Ronald Harris, secretary of the Chamber of Commerce, will direct the drive and, as a result of the Chamber's cooperation, there will be little or no expense connected with the campaign. This means that every nickel that is given by contributors will go to the several organizations participating in the Fund, and that nothing will be spent for administrative overhead.

In years gone by, some folk have objected to paying someone to direct the campaign, contending that the job should be done by a man or a woman who could spare the time, and who, also, was capable of handling such a task. Once or twice the directors of the Fund were unable to find such an individual and it was necessary to pay a nominal fee to the director. Each time that this was done the campaign was successful and the judgment of the directors was justified. However, last year Mr. Harris directed the campaign without salary and it was successful. Actually he was "drafted" for the office, and that is what has happened again this year.

The budget that is being sought by the Fund this year is about $1,150 more than it was a year ago. This year's total allocation to eleven participating agencies amounts to $8,175. Of this mount, $2,000 goes to the United Fund Campaign in which there are 29 participating groups, including the USO. Of the $2,000 locally allocated, forty per cent or more will be given to the USO, as Tecumseh's gift to its men and women in military service. Certainly, no one could object to such a contribution. The remaining $1,200 that the United Fund receives will be divided between 28 other groups, including the Heart Fund and many, many others so important to society.

Locally, home-operated and controlled grouns will receive the remainder of the money to be raised. There is the Herrick Memorial Hospital Auxiliary, the Tecumseh Health and Education Committee, the Cancer Society, the Girl Scouts, Boy Scouts and Cub Scouts, the Salvation Army and the Hallowe'en and Christmas parties, so much enjoyed by youngsters — and oldsters, too. And, in addition, $1,900 goes to the Recreation Center for the operation of a recreation program, most important when the summer school recess is on and the little folk need supervised play.

And finally, $1,500 is being set aside to meet emergencies that may arise during the coming year. Always, the board has learned from past experience, some unforseen problem is certain to confront the community. This year, the board believes that $1,500 will be ample for such an emergency Last year, the amount fixed was $2,500.

The grand total that is being sought this year from the community for ALL of the participating organizations is only $8,175. Certainly, such an amount is not large, and it should not be difficult for Tecumseh to reach its goal. When one thinks of the many, many tag days and personal solicitations that are avoided as the result of packaging all of the agencies into a single "give once and for all" campaign, no one could seriously object to doing his or her just share.

We would like to take this opportunity to express our appreciation to the board of directors of Tecumseh's Community Fund for their efforts in assembling the "package" program for the community. We know that long hours have been spent, and that much work has been done. Also, we would like to say thank you to Mr. Harris for a job well done last year, and to wish him well again this year. The job of directing a fund-raising program is not easy, at its best.

Once the actual campaign has been launched, as it will be next week, its success depends upon the community. If all of us give our just share, the success of the enterprise is certain and quick. However, if we lag in our giving, if we hold back our contributions, everyone connected with the drive will be forced to stimulate his or her efforts.

In the past, Tecumseh has never failed to reach its goal in any worthwhile community enterprise. We can conceive of nothing but success in this year's Chest Fund campaign. Spread over the community, the amount that is needed is small . . . . if everybody cooperates.

Here's hoping that Mr. Harris can report the Fund's "over-the-top" victory in less than the two weeks alloted to the drive.

New Officers Are Named At Annual O. E. S. Meet

New officers were elected at the annual meeting of the Order of the Eastern Star, Thursday evening with Mr. and Mrs. Charles Driffel of Tipton chosen as worthy matron and worthy patron. The Driffels suceed Mr. and Mrs. Warren Benham. Mr. and Mrs. Ray Schlegel were elected associate matron and patron and other officers named were, Mrs. Owen Partridge, conductress; Mrs. Lynn Harris, secretary; Mrs. Louis S. Schneider, treasurer. These officers will be installed at a semi-public meeting October 18.

Announcement was made of the Lenawee-Monroe County Association meeting in Monroe October 30, and reservations may be made with Mrs. Harris or Mrs. Benham. Mrs. Benham, Mrs. Driffel and Mrs. Glenn Driscoll are delegates to the Grand Chapter in Grand Rapids.

Mrs. Bertram Klappich and her committee served refreshments after the meeting. The tables were decorated with fall flowers.

ODD FELLOWS REBEKAHS TO BE BAPTIST GUESTS

Sunday morning, October 21, the Odd Fellows and Rebekahs will be guests at the Baptist church for the morning service at 11 o'clock, after which a potluck dinner will be served in the Temple. Grand Master W. George Bain of Wyandotte, will be the guest speaker and other Grand Lodge officers will be guests. Special music and entertainment is being planned for the afternoon. A large group of visitors is expected from southern Michigan lodges.

CLASS TO MEET

The Semper Fidelis class of the Methodist church will hold its regular meeting October 14, at 8:30 at the home of Mr. and Mrs. Delmar Crisp. Mr. and Mrs. Robert Bonner will assist and Mr. and Mrs. Elmer Bryan are in charge of the program.

IT'S A FIREBALL ENGINE

Some-where a Road is Call-ing

IF the purr of a great-powered engine is music to your ears —

If command of two tons and more of nimble-footed and beautifully balanced automobile can step up your pulse beat—

You are just the man for whom a ROADMASTER was engineered.

Whatever it takes to give you a sense of complete and carefree freedom behind its wheel, you'll find in this proud master of the highways.

Added to the breadth and length that any fine car can give you are four soft-action coil springs to cushion the wheels, and a torque-tube to banish rear-wheel wander.

Added to its high-compression, valve-in-head engine are eight exclusive Fireball combustion chambers that get extra power from each whirling charge of fuel.

Added to the convenience of clutch-free driving is the torque-converter principle of Dynaflow Drive — that feeds a steady flow of power without lag or falter ever.

Added to the light responsiveness of its steering wheel is a Buick-engineered "front-end geometry" that gives this phenomenal performer a sense of direction straight and true.

But no roll call of engineering accomplishments can tell you the feel of a ROADMASTER out on the road.

That's something that only firsthand acquaintance can bring. Not just a trip around the block — but enough time and enough miles to let you discover what a joyous companion this great car can be.

That's something that is easily arranged. If you're truly interested, a phone call will bring a ROADMASTER to your door.

Equipment, accessories, trim and models are subject to change without notice.

Gun Shoot Is Planned By Conservation League

A gun shoot, sponsored by the Tecumseh Conservation League, will be held on Sunday, October 14, at 1 p.m., at the Joe O'Pravil farm, near Macon. The public is invited to participate, and prizes will be awarded.

The League held its regular monthly meeting Thursday evening with 65 members and guests present. In cooperation with the National Wildlife Federation, the local organization is considering the sponsoring of a poster contest for high school students. Awards will be made and winning posters sent to the N. W. F. for competition.

Three high school students were named as publicity men. They are Raymond Sites, Ronald Reitz and Jerry O'Brien.

At the November 1 meeting of the League, to which the public is invited, an African hunting picture will be shown. It was taken in British East Africa by Mr. Hurd, son of an Adrian manufacturer. The time and place of the meeting will be announced soon.

Plans are also being made for a hunters' smorgasboard to be held in December.

At Thursday's meeting, Ira Manwaring showed movies of a fishing trip to the Lake of the Woods area, last summer.

Girl Scout Leaders Club Discuss Plans For Year

Mrs. Ben Standen opened her home Wednesday evening to the Girl Scout Leaders Club for its regular meeting. Mrs. Thomas Ingram and Mrs. George Waters, coordinators from the Ann Arbor Brownie Scouts, were present and gave their version of the scout work. Four women from Macon were also guests to receive information on starting two Girl Scout troops there.

Plans for the year's work in scouting were discussed. Six troops have been organized and leaders are needed badly for the Daffodil and Red Rose troops. The Daisy, White Rose, Star of Bethlehem and Carnation groups have combined into one group, the junior high Patrol, with Mrs. Standen, Mrs. R. G. Fuller and Mrs. Roma Waters as leaders. It is hoped to have all troops organized by November 3, when the investiture service will be held. Anyone desiring to serve as a leader may contact Mrs. Wallace Rutherford, president of the Girl Scout Association.

Refreshments were served at the close of the meeting.

RIDGEWAY

Mrs. J. E. Baker was a guest the past week-end of her daughter, Mrs. Lester McDonnell of Melvindale.

Miss Josephine Carter spent the week-end at her cabin at Sweezy Lake.

Mr. and Mrs. Robert Stone spent the week-end with friends near Columbus, Ohio.

Ed Smallidge of Crystal Lake visited his cousin, Mrs. W. E. Allen, Saturday.

Mrs. Dora Hardman and daughter of Detroit spent the week-end in town.

Mrs. James Crittenden and Mrs. Myrl Murray of Milan visited Mr. and Mrs. Elmer Linn, Friday.

The annual church fair and turkey supper will be held Friday evening of this week.

Mrs. Vie Mark spent the past week with her son Albert, at Ravenna.

Charles Peters and his son, B. A. Peters of Ogden, Ill., spent last week at Echo Bay, Canada, fishing.

The W.S.C.S. will meet Thursday of next week, wiht Mrs. Loraine Welker. Dinner will be served at noon.

Mrs. Marion Stone and Mrs. W. E. Allen attended the fair and supper at East church, Britton, Friday evening.

The Misses Julia and Lulu Gilmore visited Adrian friends Saturday.

Mr. and Mrs. Albert Flifter and Miss Alice Flifter were in Jackson, Sunday.

Mr. and Mrs. John Howe of Hudson visited his mother, Mrs. Martha Howe, Sunday.

William Spreeman and son, William, and Daniel Linn and son, David, and Raynor Spreeman were at Damon, Mich., bow and arrow hunting.

OCALS AND PERSONALS

The PETIT-Salon No. 127, 8-40, met with Mrs. Lucille DeRyke of Milan, Monday evening. Those from here who attended were Mrs. Iva Marsh, Mrs. O. W. Laidlaw, Mrs. Percy Bowen, Mrs. Ray Sluyter, Mrs. Chas. Howe and Mrs. Lyman Curtiss. The November 12 meeting will be held at the home of Mrs. Fred Westfall of Adrian.

Mr. and Mrs. James Hartsell and sons and Mrs. Iva Marsh were Sunday guests of Mrs. Marsh's daughter and husband, Mr. and Mrs. Harry Dernberger of Pontiac.

Herald classifieds pay big dividends.

BROOKLYN AUXILIARY OFFICERS INSTALLED

Members of the American Legion Auxiliary were in Brooklyn Friday evening where the drill team of the auxiliary installed officers for the Brooklyn unit. Mrs. Glenn Driscoll was the accompanist.

Those taking part in the installation were Mrs. Donald Woods, Mrs. Laine Holden, Mrs. Richard Eggleston, Mrs. Harold Green, Mrs. Warren Pack, Mrs. Vern Manwaring, Mrs. Harold Easton, Mrs. Dwight Drake, Mrs. Bart Aluto, Miss Marilyn Baaske and Mrs. Robert Lowe. Additional members and guests were Mr. and Mrs. Joe Russell, Mr. and Mrs. Otto Baaske, Mrs. Chas. Howe, Mrs. Louis Schneider, Mrs. L. E. Brown, and Mrs. Dale Tingley. Refreshments were served after the services.

RNA Officers

(Continued from page 1)

Adrian Camp extended an invitation for the 1952 convention which was accepted. The women of the grange served a chicken dinner at noon.

Ronald Harris, secretary of the Chamber of Commerce, welcomed the guests at the afternoon session. The LaSalle Camp, in white formals with orchid corsages, seated the officers and conferred the initiatory degree on a class of 17 candidates. Those initiated from Tecumseh were Alice Roe, Marie Tucker, Betty Jeffers, Marilyn Nebles, Abbie House, Lillian Murdock, Jean Golat and Jonadell Ousterhout. The incoming and retiring marches were presented by the Ann Arbor group in black and white costumes. Clinton Camp conducted a memorial service for the following members deceased during the year: Winnie Cottrell, Gerald Lash, Olive Webster and Mary Edna Mahnke of Adrian; Mary Schwab, Malina Sleigh and Rose Hockiner of Ann Arbor; Harry Dunham of Belleville; Catharine Manard of LaSalle; Ida Stokes of Monroe; Laura VanZandt of Ypsilanti; Martha Nye, Elizabeth Frost, Cassie Tea and Anna Dunbar of Tecumseh. During the ceremony Carrie Stark of Adrian sang, "Beautiful Isle of Somewhere," and "Queen of Love My Shepherd Is." Purple and white delphinium were placed on the altar.

Mae Sarvey as the organ grinder and Mabel Duncan and Joyce Colom as monkeys with tin cups, in costume, and all from the Tecumseh Camp, presented a penny march. The Jackson guests presented a hobo drill and a chorus of eight from Ann Arbor sang, "Old Fashioned Garden," "Whispering Hope," and "Let the Rest of the World Go By."

The new officers elected during the morning session were installed by deputies Heath and Bradley and officers were presented by Estella Vorce and Minerva Riley of Adrian. The LaSalle Camp, having 39% membership in attendance, was presented with the Royal Neighbor banner and Mrs. Ida Chapman of Ann Arbor received the RNA quilt.

The hall was decorated with the RNA colors, purple and white, and the tables were decorated with purple and white asters.

Fear Jump In Accident Toll

STATE POLICE WARN DRIVERS THAT EXTREME CARE MUST BE USED ON ROAD

The upward trend in Michigan traffic accidents which has prevailed since May of 1950 was halted in August, but state police warn that the highway toll this year will be one of the worst in history if drivers and pedestrians fail to be more careful.

Adverse weather conditions and longer periods of darkness during the final months of the year increase walking and driving hazards. Deaths and injuries usually rise sharply.

In addition to accidents, the number of persons injured during August also was slightly less than in the same month a year ago after having shown increases in each of the preceding five months. Deaths, however, were above last year's mark due to a passenger bus-truck collision near Alpena in which 11 persons were killed.

According to the state police monthly statistical report, there were 12,979 accidents which resulted in 4,449 injuries and 156 deaths. Compared to August of last year accidents decreased 329, or two per cent, from 13,308, and injuries decreased 145, or three per cent, from 4,594. There were 156 persons killed, an increase of four, or three per cent, over the 152 deaths in August of 1950.

The traffic toll in Michigan for the first eight months of this year includes 1,041 deaths, 31,406 injuries and 111,924 accidents. Deaths increased 75, or eight per cent, over the 966 killed during the same period last year. Injuries were up 3,463, or 12 per cent, over 27,943 and accidents gained 15,009, or 15 per cent, over 96,915.

Nationally the trend in fatalities is also upward and many authorities have predicted an all-time high this year. Fatalities recorded since the turn of the century will reach the one million mark before the close of 1951.

Travel in Michigan during July the latest month for which figures are available, was 2.2 billion miles an eight per cent increase over the 2 billion miles for the same month last year. Mileage for the first seven months of 1951 was up ten per cent, 13.6 billion miles over 12.4 billion, but the death rate per 100 million miles of travel was down four per cent, 6.38 as compared to 6.55.

SUBSTITUTES

Spokane, Wash. — Annoyed by cooing pigeons in the many gables of his house, Dennis J. Williams tried stuffed owls to scare them away. The pigeons left but now, instead of coos, Williams hears hoots—two live owls have moved in.

Cub Scout Pack

(Continued from page 1)

French, Den Dad. Den 4—Mrs. Wilbur Andrews, Den Mother; Mrs. Fred Randall, Assistant; Harold Robinson, Den Chief. Den 5—Mrs. Ralph Helzerman, Den Mother; Mrs. Charles Stephenson and Mrs. David Dick, Assistants; Gary Cameron, Den Chief; Charles Stephenson, Den Dad. Den 6—Mrs. Clair Rozelle, Den Mother; Mrs. David Locke, Assistant; Max Smith, Den Dad. Den 7—Mrs. Max Smith, Den Mother; Mrs. Al Williams, Assistant; Ross Hadley, Den Chief; Frank Lasky, Den Dad. Den 8—Mrs. Clarence Champanois, Den Mother; Mrs. Harold Green, Assistant; Clarence Champanois, Den Dad. Den 9—Mrs. Harold Morey, Den Mother; Mrs. Lester Munger, Assistant; Jim Hewey, Den Chief; Jerry Gordon, Den Dad.

The Den chiefs were presented with their Den chiefs cords and warrants by Mr. Beach, and Mrs. Harold Warren of the V.F.W. Auxiliary presented American flags to Dens Number 8 and 9. Eight dens now have an American flag given by the V.F.W. Auxiliary which also has presented a large flag to the Pack.

Plans are being made to add a den from Macon to the Pack and eleven interested boys attended with Mrs. Joseph Sheward and Mrs. William Underwood who will lead the new den. Charles Bigelow who will be the den dad was also present.

Announcement was made of a roller skating party for all Cub Scouts to be held at the Sand Lake Roller Skating Rink on Friday, October 26. The den mothers and their assistants will meet at the library at 1 p.m. on Thursday, October 11, to make final plans for the coming month's activities when the Theme of the Month will be "Strong For America."

Cubmaster Beach made a plea for assistance for Boy Scout troops No. 4 and No. 73. Men who are willing to assist in this worthy program should contact E. M. Campbell or Clair Rozelle.

The program closed with the singing of "Old Akela Had A Pack" by Den Number 2 with Mrs. Lester Munger accompanying at the piano. The next pack meeting will be held November 19.

Martin Slaps

(Continued from page 1)

who are unable or unwilling to give us the kind of moral conduct in government to which we are entitled as citizens. At the same time, we can hope to get rid of that group in Washington who have lived there so long that they think no problem can be solved except by Washington edict. This attitude, that Washington has the answers to everything, is a kind of disease which carries us steadily down the road toward government control of industry and agriculture. It is a course which gives government control of all of the smallest details of our personal lives. It is a kind of government which we don't want in this country because we have seen freedom snuffed out in too many other countries which followed the same road."

Others on the program included Mrs. Rae Hoxier, vice-chairman of the Republican National Committee; Mrs. Mary Streit, vice-chairman of the Republican State Central Committee; Mrs. Kathryn Gibson, president of the Federation of Republican Women's Clubs, and Mrs. Guy T. Pocklington, state membership chairman of the federation.

The Tecumseh women plan another meeting, to be held in November, at which time Rep. George Meader will be the speaker.

Church School

(Continued from page 1)

Dorothy Jean Nettleman, Mary Ellen Smith, Bobby Tallman and Timmy Tallman; kindergarten II to primary I are: Susie Davison, Beatrice Derr, Adelle DePuy, Mike Cook, Norma Grigg, Richard Carter, Billy Fisher, Donald Hooton, Roger Mikesell, Gene Martin and Michael Whelan; primary I to II are: Nancy Beland, Carol Bilby, Richard Cobb, Gene Creger, Roger Fox, Bobby French, Carol Green, Gary Honeycutt, Ronny Jordan, Kitty Mangrum, James Marsh, Ruth Ann Milosh, Jean Osworth, Anita Sebring, Brenda Whelan, Mary Wing and Raymond Yenor; primary II to III: James Bashore, Evelyn Beland, Mary Bird, Dennis Bryan, David Brooks, Betty Bishop, Karen Butler, Sharon Butler, William Conklin, Johnny Cook, Barbara Davison, Sharon Fielder, Camilla Grigg, David Grigg, Robert Fisher, Patrick Holdridge, Phyllis Honeycutt, Judy Mangrum, Nancy Nighswander, Wilma Shelhardt, Nancy Jean Smith and Paul Underwood; from junior I to junior II are: Lois Butler, Ronald Butler, Ruth Ann Bryan, Jerry Chase, John Conklin, Billy Fielder, Jerry Fox, Ricky Holdridge, James Mangrum, Mary Lou McConnell, Jimmy Nighswander, Janet Osworth, Carol Spangler, Donna Spangler, Harold Underwood, Donald Whelan, Joanie Wing and Johanna Young; from junior II to III are: Earl Bilby, Judy Ann Bird, Della Butler, Elaine Butler, Sharon Lee Chase, Diane Fox, Richard French and Judy Sharp; from junior III to intermediates: Terry Holdridge, Ronnie Mikesell, Thomas Underwood and Harlen Yenor.

Mrs. Clayton Mikesell, out going primary superintendent, was in charge of the promotion program.

Monday Club Plans For Gentlemen's Night Dinner

Gentlemen's Night will be observed by the Monday Club at the Grange Hall, Monday evening, October 15, with dinner at 7 p.m. All clubs that meet on Monday evenings are cooperating. During the program a travelogue by the North West Airlines will be presented and Billy Aebersold, who recently returned from Korea and has received his Army discharge will speak and show pictures he took while in Korea. Reservations are to be made with Mrs. Fred Marsh and Mrs. Herbert Murphy. Anyone desiring transportation may contact Mrs. Ed Aebersold, and also, anyone having extra room for passengers should notify Mrs. Aebersold.

ANOTHER CROP OF TITHING WHEAT PLANTED

Another cubic inch of "Dynamic Kernels" wheat was planted on the "World's Smallest Wheatfield" last week in Tecumseh. The tiny plot of land, four feet by eight feet in size, just east of the plant formerly known as the Ford Hayden Mill, was the seed bed.

David Locke, director of the Tecumseh Veteran's Institute for "on-the-farm" training of G.I.'s, was in charge of the planting. The soil was brought to the location from the farm of Murray Day, better known as the Occidental Farm, one mile west of Tecumseh.

Twelve members of the Veterans group were chosen each of whom planted 30 kernels in a row, as was done originally Sept. 26, 1940, when the late Henry Ford owned the ground.

BRITTON

At the regular Rebekah lodge meeting, held Wednesday evening, with Mrs. Anne Fairbanks presiding, it was voted to serve the Kiwanis dinners each Tuesday evening. Also, a fish supper is planned to be served to the public on 19. A guest of Highland Park lodge was present. The meeting concluded with a potluck supper.

The Britton Implement Co. is holding its free family party Saturday, Oct. 13, at 8 o'clock in the school gymnasium. There will be a stage show and colored movies.

Miss Alice Moore, bride-elect, was honored at a personal shower last Thursday evening at the home of Mrs. Richard Dence in Toledo. Misses Veda Ensign of Toledo and Ardath Gripton assisted Mrs. Dence. Miss Moore was presented with a corsage by the hostess and the evening of shower games and contests began. The guest of honor received many lovely gifts from her friends and co-workers. Lunch was served by hostess and assistants.

Miss Moore was further feted with a miscellaneous shower Wednesday evening given by Mrs. Lavon Tubbs, Misses Joyce McCarbery and Ardath Gripton held in the former's home. Many lovely gifts were presented to the honored guests and the hostesses served refreshments.

The L. and M. County Line Extension Club is meeting today at the home of Mrs. Albert Bailey. A potluck luncheon was to be served at 1 o'clock. The afternoon will be spent at basket weaving with leaders Mrs. Bernard Clement and Mrs. Chester Brown teaching.

Saturday afternoon, Miss Ardath Gripton was further complemented with a miscellaneous bridal shower given by Mrs. Gerald Benedict, Mrs. Ivan McCarbery and Mrs. Bernard Waterbury in the formers home. Thirty guests enjoyed games and each presented a favorite recipe to the honored guest who also in turn unwrapped an array of lovely gifts. A two-course luncheon was served by hostesses.

Mr. and Mrs. Kenneth Rice of Battle Creek, Mr. and Mrs. Fred Passow and daughter, Mr. and Mrs. John St. George and family, Mr. and Mrs. Al Egnash, William St. George, Mrs. Maud Bates, Mrs. Mabel Lawson, all of Ann Arbor, and Mr. and Mrs. William Beach of Ridgeway were Sunday dinner guests of Mr. and Mrs. Smith Pocklington.

Mr. and Mrs. Bert Moore entertained in their home Sunday evening at the Exelby-Moore rehearsal party. Twenty-seven members of the bridal party, their wives and husbands were served a buffet luncheon with Mrs. Lawrence Ehlert of Deerfield assisting her mother in serving. Miss Alice Moore will become the bride of Willard Exelby, Friday evening.

A week-end guest of Mr. and Mrs. Ray Smith was Miss Retta Freed of Detroit. On Sunday Miss Freed and Mr. and Mrs. Smith were dinner guests of Mr. and Mrs. Llewellyn Pilbeam in Tecumseh. Callers in the Smith home Sunday were Mrs. Wesley Bell of Milan and Mr. and Mrs. William Curry of Monroe.

Mr. and Mrs. Warren Filter and daughter of Tecumseh were guests Sunday of Mr. and Mrs. William Cundiff.

Sunday guests of Mr. and Mrs. Fred Fischer were Mr. and Mrs. Paul Rowland and family of Erie.

Week-end guests of Mr. and Mrs. Gerald Benedict were Mr. and Mrs. E. C. David of Lansing.

Mr. and Mrs. J. V. Ferman spent Sunday in Detroit at the home of their son and family, Mr. and Mrs. Richard Ferman. Richard Ferman who is employed by the United States Rubber Co. has been transferred to New York City and expects to take over his new duties October 15.

Mr. and Mrs. Guy Siedel visited Frank Siedel of Deerfiled who is a patient in Toledo hospital, Sunday.

Mrs. Raymond Auten and children are visiting her mother Mrs. Kathryn Chapman in Cassopolis.

A regular meeting of the Britton-Macon agricultural school P.T.A. will be held Monday evening in the school gymnasium at 8 o'clock.

Promotions Announced By Consumers Power Co.

The promotion of Louis D. McDowell, Consumers Power Company's local manager at Adrian, to the position of assistant to the division manager of Consumer's Bay City Division was announced today by Herman H. Koelbel, Jackson division manager.

Mr. Koelbel also announced that Consumers' local manager at Hudson, Glenn B. Avis, has been promoted to succeed Mr. McDowell as manager at Adrian. The Adrian office supervises company activities in Lenawee county, where Consumers has offices at Blissfield, Morenci and Tecumseh as well as Adrian and Hudson.

Mr. McDowell will go to Bay City to assist Division Manager Louis A. Vaupre, whose former assistant, Arthur H. Lee, has been appointed district manager of Consumers' South Oakland District, with headquarters at Royal Oak.

COMING FROM KOREA

WITH THE 7TH INF. DIV. IN KOREA: Sgt David D. Carr, Box 506, Tecumseh, Mich., is on his way home from Korea.

He recently left his unit, the 31st "Polar Bear" Infantry Regiment, on the fighting front for rotation processing.

The 31st has played an important role in every major action of the Korean War since it landed at Inchon in September, 1950. It is part of the 7th Infantry Division, which has been committed to action in the latest outbreak of fighting on the eastern front.

Carr, who wears the Combat Infantryman's Badge, is an enlisted recervist who was called back to active duty in October 1950.

TO HOLD JOINT MEET

The American Legion Auxiliary and Legion members will have a joint meeting and potluck dinner, October 18, at 6:30 p.m. in the Legion rooms. Baked ham and coffee will be furnished. All families are asked to bring a dish to pass, bread and their own table service.

Band Festival

(Continued from page 1)

Other bands which will be present and their directors and nations for portrayal are as follows: Brooklyn under Herbert Rowland, Spain; Addison under John Huffman, Netherlands; Onsted under Kendall Merlau, Ireland; Clinton under Richard Wegner, Italy; Blissfield under Gilbert Blanks, France; Morenci under Charles Winzeler, Scotland; Petersburg under Francis Jilka, Germany; Sand Creek under Norma Kirk, Poland; Hudson under Raymond Westgate, Switzerland; and Adrian under Alvin Bohns, Sweden.

The program will open at 7:30 with the National Anthem played by the Adrian band. At the conclusion, all bands will make a mass formation of "U. S," and will dismiss the audience with "America."

In the event of rain, the program will be postponed until Thursday.

JACK COLSON HURT IN AUTOMOBILE MISHAP

Mr. and Mrs. Homer Colson flew from Willow Run to Chicago, Sunday afternoon, where they were called by the serious illness of their son, Jack, who was injured in an automobile accident near Chicago Heights. Jack, in company with five other companions, was on his way home on a week-end pass from Scott Field, Ill. He is a patient in the Great Lakes Naval Hospital, Ill., suffering from multiple fractures of both legs below the knees, slight head injuries and bruises. He will be hospitalized for several months. His address is in Ward 73 N, U.S. Naval Hospital, Great Lakes, Ill.

The other two boys in the front seat of the car were badly injured and the three in the back seat suffered minor bruises. Mr. and Mrs. Colson returned home Tuesday morning. Jim Colson, a brother who is also stationed at Scott Field, has received a three day pass and expects to spend some time with his brother.

Indians Ready

(Continued from page 1)

Tecumseh. The Morenci group, boasting of the longest winning streak in the state, ran up their 29th consecutive victory, Friday and should stand ace high for the LCAA championship.

Last Friday's game was lop-sided from beginning to end. The Bulldogs ran up a 12-point score in the first frame to the Indian's seven, scored another six points in the second stanza and blanked Tecumseh in that frame. In the third quarter Morenci made 14 points while the Indians went scoreless, and in the final frame, each team scored six points.

A good crowd is expected to see the Hudson game tomorrow night. The Indians will play their next three games at home, next week meeting Summerfield and on the following Wednesday evening, October 24, meeting Clinton on the local gridiron.

The Clinton contest is the signal for a record breaking crowd as it marks Tecumseh's annual homecoming game. The afternoon before the game will see a huge parade and the crowning of a queen who will reign over the ceremonies. After the game a party with dancing is being planned.

HOSPITAL AUXILIARY MEETS

Herrick Memorial Hospital Auxiliary met in the Fellowship Center of the Presbyterian church, Tuesday evening with 60 members and five guests from Clinton. Mrs. Paul Keyser presided at the meeting. A report was given by Mrs. Ralph Helzerman, chairman of the dessert benefit card party and bake sale, to be held October 16 at the Legion Home. Dr. W. T. Claxton gave an interesting talk on "high blood pressure." Refreshments were served by Mrs. L. E. Brown, Miss Ardys Drewyor, Mrs. Gale Fisher, Mrs. Jennie Satterlee, Mrs. Yale Kerby and Mrs. Chester Beach.

MUSIC CLUB

The October meeting of the Tecumseh Music Club will be held Tuesday evening, October 16, at 8 p.m., at the home of Mrs. Wilfred Waldron. Chorus practice will be under the direction of Mrs. John McColl.

DEPENDABLE CIRCLE

The October meeting of the Temple Dependable Circle of the Methodist church will be held in the church parlors, Wednesday afternoon, October 17, at 2 o'clock.

Local—Clubs—Social ACTIVITIES

Perry Hayden will show the film "God Is My Landlord," at the Betzer United Brethren church, south of Pittsford, Sunday evening, October 14. On Saturday, October 20, he will fly to Freeport, Penna., where he will speak and show the film at the Annual Harvest Festival at the Transylvania Bible College. On Sunday, October 21, he will be the guest of Maxey Jarman and speak at the First Baptist Church in Nashville, Tenn., flying from Freeport.

Mr. and Mrs. Geo. H. Adamson left on Monday to visit relatives in California.

Patricia Damon, 16-months-old daughter of Mr. and Mrs. Wm. Damon, 509 Outer Drive, was taken to Herrick Memorial Hospital on Monday after she had accidentally swallowed some diluted Saniflush. She was released following treatment.

PLAN BAKE SALE

The Young Peoples Christian Youth Fellowship group met recently and completed plans for a bake sale to benefit the Camp Fund. The sale will be held at the M. E. church Saturday, October 13 from 1:15 to 4 p.m.

HERRICK MEMORIAL HOSPITAL NOTES

Born, October 2, to Mr. and Mrs. Joe Davila of Britton, a son.

Born, October 3, to Mr. and Mrs. Norman Kempf of Tecumseh, a son.

Born, October 4, to Mr. and Mrs. William A. Stout of Clinton, a daughter.

Born, October 4, to Mr. and Mrs. Lawrence Brunt of Petersburg, a daughter.

Born, October 5, to Mr. and Mrs. Lloyd Wagner of Britton, a son.

Born, October 5, to Mr .and Mrs. Jack Stull of Dundee, a son.

Born, October 6, to Mr. and Mrs. Ysabel Florez of Tecumseh, a son.

Born, October 6, to Mr. and Mrs. Bruce Osburn of Tecumseh, a son.

Born, October 7, to Mr. and Mrs. Carlton Stretch of Adrian, a son.

Born, October 7, to Mr. and Mrs. Guy Hoover of Clinton, a daughter.

Born, October 7, to Mr. and Mrs. Lloyd Hawkins of Tecumseh, a son.

Those discharged from the hospital October 2 were, Mrs. Charles Hyatt and Mrs. Harry Duncan of Tecumseh.

Those discharged October 3 were, Mrs. Martin Keasal and daughter, Debra, of Britton, Bert Filter of Tecumseh, and baby Keith Halstead of Clinton.

Those discharged October 8 were, Mrs. William Stout and daughter of Clinton, Mrs. Lawrence Brunt and daughter of Petersburg, Lawrence Packard and Mrs. Norman Kempf and son of Tecumseh.

District Buys

(Continued from page 1)

at least 160 youngsters in kindergarten. Other elementary grades also are crowded and the board is discussing the possibility of erecting a six or 12 room school to meet this condition. Also, it was said that the "pinch for room" already is being felt in the new $500,000 high school and that it may be necessary, perhaps during the coming spring and summer, to add at least two rooms to that building.

The great strain on the school system, it was said, is coming from the steady growth of the village and its fringe areas, particularly in the Tecumseh Acres section, which is District No. 5. Pupils from this district, not a part of the Tecumseh school district, are tuition pupils. District No. 5 does not operate a school of its own. At the present time it is sending 82 elementary pupils and 17 secondary or high school pupils to the Tecumseh schools. Next year, census figures show, this number will be increased by 25 or more, depending upon the growth of the area.

It appears that the board has two options. It may continue o accept tuition-paying pupils from other districts or it may refuse to accept them. This question is now being studied by the board.

At the present time the Tecumseh school district is charging a tuition fee of $100.75 for elementary pupils and $141 for high school pupils. In addition to this amount it receives $140 and $160 from the state for each pupil. However, after 1953 the tuition fee will be reduced, by legislative direction, to $52.79, but the $140 and $160 grant from the state still will be forthcoming. There is some thought that the mandatory reduction in tuition will make the further acceptance of tuition-paying pupils a "loss item" and therefore it may be necessary to discontinue the practice.

"The board has not made up its mind definitely as to a course of policy," James McDowell, superintendent, said. "It is studying the situation and has purchased the site for the new school in the event that it becomes necessary to build. However, there will be more study given to the problem before definite steps are recommended."

This much, however, appears certain. With Tecumseh's steady growth, the village itself is sure to be in need of more school buildings within a year or two, even though tuition-paying students are refused. Even next year it may be necessary to again hold some sessions in churches or other buildings, as was the practice before the new high school was constructed.

Fay Whelan and Archie Porter attended Tuesday's meeting and there was some discussion regarding the future control of Recreation Center, now under the direction of the Recreation Council. A joint meeting of the school board, the village council and the Council will be held at the future time to discuss the problem.

The board canvassed the current

C. E. NEWCOMB TALKS AT MEETING OF ROTARY

Charles E. Newcomb, Blissfield merchant, was the guest speaker at the dinner-meeting of the Rotary Club here, Tuesday evening at the Country Club. He discussed the program of Alcholics Ananymous. His talk was both interesting and instructive and was much enjoyed.

Guests at the meeting included the Rev. James VanPernis and Dr. Jack Schwabling of Blissfield, Max Steffens, Nate Gould and Otto Feldkamp of Clinton, Mr. McConkey and Mr. Richardson of Detroit, and J. Floyd Elliott and Clyde Eckler of Tecumseh.

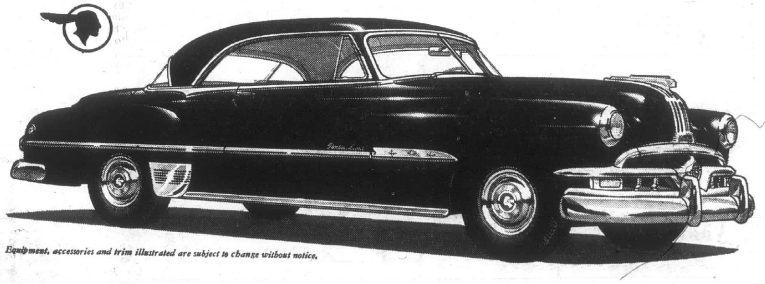
What a Wonderful Story the Price Tag Tells!



Equipment, accessories and trim illustrated are subject to change without notice.

WE would like you to come in and hear a wonderful story. First of all, it's the story of a great car—a car whose name is respected and admired everywhere in America. We are sure that the word "Pontiac" means something distinct and different from any other name in the motor car world.

The word Pontiac means a good solid citizen—a thoroughly good car—a beautiful car—a car with a reputation for delivering years and years and years of driving pleasure. But there's another important part of this story you should hear: *It's the wonderful story of Pontiac's price!* For this great car, desirable as it is, is one of the lowest priced automobiles in America—just one step above the very lowest. As a matter of fact, if you can afford *any new car* you can afford the pride and pleasure of a Pontiac!

Come in and get our deal—it's a wonderful story all the way around!

America's Lowest-Priced Straight Eight

RNA Officers

(Continued from page 1)

Adrian Camp extended an invitation for the 1952 convention which was accepted. The women of the grange served a chicken dinner at noon.

Ronald Harris, secretary of the Chamber of Commerce, welcomed the guests at the afternoon session. The LaSalle Camp, in white formals with orchid corsages, seated the officers and conferred the initiatory degree on a class of 17 candidates. Those initiated from Tecumseh were Alice Roe, Marie Tucker, Betty Jeffers, Marilyn Nebles, Abbie House, Lillian Murdock, Jean Golat and Ionadell Ousterhout. The incoming and retiring marches were presented by the Ann Arbor group in black and white costumes. Clinton Camp conducted a memorial service for the following members deceased during the year: Winnie Cottrell, Gerald Lash, Olive Webster and Mary Edna Mahnke of Adrian; Mary Schwab, Malina Sleigh and Rose Hockiner of Ann Arbor; Harry Dunham of Belleville; Catharine Manard of LaSalle; Ida Stokes of Monroe; Laura VanZandt of Ypsilanti; Martha Nye, Elizabeth Frost, Cassie Tea and Anna Dunbar of Tecumseh. During the ceremony Carrie Stark of Adrian sang, "Beautiful Isle of Somewhere," and "Queen of Love My Shepherd Is." Purple and white delphinium were placed on the altar.

Mae Sarvey as the organ grinder and Mabel Duncan and Joyce Colom as monkeys with tin cups, in costume, and all from the Tecumseh Camp, presented a penny march. The Jackson guests presented a hobo drill and a chorus of eight from Ann Arbor sang, "Old Fashioned Garden," "Whispering Hope," and "Let the Rest of the World Go By."

The new officers elected during the morning session were installed by deputies Heath and Bradley and officers were presented by Estella Vorce and Minerva Riley of Adrian. The LaSalle Camp, having 39% membership in attendance, was presented with the Royal Neighbor banner and Mrs. Ida Chapman of Ann Arbor received the RNA quilt.

The hall was decorated with the RNA colors, purple and white, and the tables were decorated with purple and white asters.

Fear Jump In Accident Toll

STATE POLICE WARN DRIVERS THAT EXTREME CARE MUST BE USED ON ROAD

The upward trend in Michigan traffic accidents which has prevailed since May of 1950 was halted in August, but state police warn that the highway toll this year will be one of the worst in history if drivers and pedestrians fail to be more careful.

Adverse weather conditions and longer periods of darkness during the final months of the year increase walking and driving hazards. Deaths and injuries usually rise sharply.

In addition to accidents, the number of persons injured during August also was slightly less than in the same month a year ago after having shown increases in each of the preceding five months. Deaths, however, were above last year's mark due to a passenger bus-truck collision near Alpena in which 11 persons were killed.

According to the state police monthly statistical report, there were 12,979 accidents which resulted in 4,449 injuries and 156 deaths. Compared to August of last year accidents decreased 329, or two per cent, from 13,308, and injuries decreased 145, or three per cent, from 4,594. There were 156 persons killed, an increase of four, or three per cent, over the 152 deaths in August of 1950.

The traffic toll in Michigan for the first eight months of this year includes 1,041 deaths, 31,406 injuries and 111,924 accidents. Deaths increased 75, or eight per cent, over the 966 killed during the same period last year. Injuries were up 3,463, or 12 per cent, over 27,943 and accidents gained 15,009, or 15 per cent, over 96,915.

Nationally the trend in fatalities is also upward and many authorities have predicted an all-time high this year. Fatalities recorded since the turn of the century will reach the one million mark before the close of 1951.

Travel in Michigan during July the latest month for which figures are available, was 2.2 billion miles an eight per cent increase over the 2 billion miles for the same month last year. Mileage for the first seven months of 1951 was up ten per cent, 13.6 billion miles over 12.4 billion. The death rate per 100 million miles of travel was down four per cent, 6.38 as compared to 6.55.

SUBSTITUTES

Spokane, Wash. — Annoyed by cooing pigeons in the many gables of his house, Dennis J. Williams tried stuffed owls to scare them away. The pigeons left but now, instead of coos, Williams hears hoots—two live owls have moved in.

WHY BE FAT?

YOU TOO CAN HAVE A LOVELY FIGURE!

NO STRENUOUS EXERCISE

NO THYROIDS

NO LAXATIVES, Concentrated or Otherwise

Cub Scout Pack

(Continued from page 1)

French, Den Dad. Den 4—Mrs. Wilbur Andrews, Den Mother; Mrs. Fred Randall, Assistant; Harold Robinson, Den Chief. Den 5—Mrs. Ralph Helzerman, Den Mother; Mrs. Charles Stephenson and Mrs. David Dick, Assistants; Gary Cameron, Den Chief. Charles Stephenson, Den Dad. Den 6—Mrs. Clair Rozelle, Den Mother; Mrs. David Locke, Assistant; Max Smith, Den Dad. Den 7—Mrs. Max Smith, Den Mother; Mrs. Al Williams, Assistant; Ross Hadley, Den Chief; Frank Lasky, Den Dad. Den 8 — Mrs. Clarence Champanois, Den Mother; Mrs. Harold Green, Assistant; Clarence Champanois, Den Dad. Den 9—Mrs. Harold Morey, Den Mother; Mrs. Lester Munger, Assistant; Jim Dewey, Den Chief; Jerry Gordon, Den Dad.

The Den chiefs were presented with their Den chiefs cords and warrants by Mr. Beach, and Mrs. Harold Warren of the V.F.W. Auxiliary presented American flags to Dens Number 8 and 9. Eight dens now have an American flag given by the V.F.W. auxiliary which also has presented a large flag to the Pack.

Plans are being made to add a den from Macon to the Pack and eleven interested boys attended with Mrs. Joseph Sheward and Mrs. William Underwood who will lead the new den. Charles Bigelow who will be the den dad was also present.

Announcement was made of a roller skating party for all Cub Scouts to be held at the Sand Lake Roller Skating Rink on Friday, October 26. The den mothers and their assistants will meet at the library at 1 p.m. on Thursday, October 11, to make final plans for the coming month's activities when the Theme of the Month will be "Strong For America."

Cubmaster Beach made a plea for assistance for Boy Scout troops No. 4 and No. 73. Men who are willing to assist in this worthy program should contact E. M. Campbell or Clair Rozelle.

The program closed with the singing of "Old Akela Had A Pack" by Den Number 2 with Mrs. Lester Munger accompanying at the piano. The next pack meeting will be held November 19.

Martin Slaps

(Continued from page 1)

who are unable or unwilling to give us the kind of moral conduct in government to which we are entitled as citizens. At the same time, we can hope to get rid of that group in Washington who have lived there so long that they think no problem can be solved except by Washington edict. This attitude, that Washington has the answers to everything, is a kind of disease which carries us steadily down the road toward government control of industry and agriculture. It is a course which gives government control of all of the smallest details of our personal lives. It is a kind of government which we don't want in this country because we have seen freedom snuffed out in too many other countries which followed the same road."

Others on the program included Mrs. Rae Hoobler, vice-chairman of the Republican National Committee; Mrs. Mary Streit, vice-chairman of the Republican State Central Committee; Mrs. Kathryn Gibson, president of the Federation of Republican Women's Clubs, and Mrs. Guy T. Pocklington, state membership chairman of the federation.

The Tecumseh women plan another meeting, to be held in November, at which time Rep. George Meader will be the speaker.

Church School

(Continued from page 1)

Dorothy Jean Nettleman, Mary Ellen Smith, Bobby Tallman and Timmy Tallman; kindergarten II to primary I are: Susie Davison, Beatrice Derr, Adelle DePuy, Mike Cook, Norma Grigg, Richard Carter, Billy Fisher, Donald Hooton, Roger Mikesell, Gene Martin and Michael Whelan; primary I to II are: Nancy Beland, Carol Bilby, Richard Cobb, Gene Creger, Roger Fox, Bobby French, Carol Green, Gary Honeycutt, Ronny Jordan, Kitty Mangrum, James Marsh, Ruth Ann Milosh, Jean Osworth, Anita Sebring, Brenda Whelan, Mary Wing and Raymond Yenor; primary II to III: James Bashore, Evelyn Beland, Mary Bird, Dennis Bryan, David Brooks, Betty Bishop, Karen Butler, Sharon Butler, William Conklin, Johnny Cook, Barbara Davison, Sharon Fielder, Camilla Grigg, David Grigg, Robert Fisher, Patrick Holdridge, Phyllis Honeycutt, Judy Mangrum, Nancy Nighswander, Wilma Shelhardt, Nancy Jean Smith and Paul Underwood; from junior I to junior II are: Lois Butler, Ronald Butler, Ruth Ann Bryan, Jerry Chase, John Conklin, Billy Fielder, Jerry Fox, Ricky Holdridge, James Mangrum, Mary Lou McConnell, Jimmy Nighswander, Janet Osworth, Carol Spangler, Donna Spangler, Harold Underwood, Donald Whelan, Joanie Wing and Johanna Young; from junior II to III are: Earl Bilby, Judy Ann Bird, Della Butler, Elaine Butler, Sharon Lee Chase, Diane Fox, Richard French and Judy Sharp; from junior III to intermeldates: Terry Holdridge, Ronnie Mikesell, Thomas Underwood and Harlen Yenor.

Mrs. Clayton Mikesell, out going primary superintendent, was in charge of the promotion program.

Monday Club Plans For Gentlemen's Night Dinner

Gentlemen's Night will be observed by the Monday Club at the Grange Hall, Monday evening, October 15, with dinner at 7 p.m. All clubs that meet on Monday evenings are cooperating. During the program a travelogue by the North West Airlines will be presented and Billy Aebersold, who recently returned from Korea and has received his army discharge will speak and show pictures he took while in Korea. Reservations are to be made with Mrs. Fred Marsh and Mrs. Herbert Murphy. Anyone desiring transportation may contact Mrs. Ed Aebersold, and also, anyone having extra room for passengers should notify Mrs. Aebersold.

ANOTHER CROP OF TITHING WHEAT PLANTED

Another cubic inch of "Dynamic Kernels" wheat was planted on the "World's Smallest Wheatfield" last week in Tecumseh. The tiny plot of land, four feet by eight feet in size, just east of the plant formerly known as the Ford Hayden Mill, was the seed bed.

David Locke, director of the Tecumseh Veteran's Institute for "on-the-farm" training of G.I.'s, was in charge of the planting. The soil was brought to the location from the farm of Murray Day, better known as the Occidental Farm, one mile west of Tecumseh.

Twelve members of the Veterans group were chosen each of whom planted 30 kernels in a row, as was done originally Sept. 26, 1940, when the late Henry Ford owned the ground.

BRITTON

At the regular Rebekah lodge meeting, held Wednesday evening, with Mrs. Anne Fairbanks presiding, it was voted to serve the Kiwanis dinners each Tuesday evening. Also, a fish supper is planned to be served to the public Oct. 19. A guest of Highland Park lodge was present. The meeting concluded with a potluck supper.

The Britton Implement Co. is holding its free family party Saturday, Oct. 13, at 8 o'clock in the school gymnasium. There will be a stage show and colored movies.

Miss Alice Moore, bride-elect, was honored at a personal shower last Thursday evening at the home of Mrs. Richard Dence in Toledo. Misses Veda Ensign of Toledo and Ardath Gripton assisted Mrs. Dence. Miss Moore was presented with a corsage by the hostess and the evening of shower games and contests began. The guest of honor received many lovely gifts from her friends and co-workers. Lunch was served by hostess and assistants.

Miss Moore was further feted with a miscellaneous shower Wednesday evening given by Mrs. Lavon Tubbs, Misses Joyce McCarbery and Ardath Gripton held in the former's home. Many lovely gifts were presented to the honored guests and the hostesses served refreshments.

The L. and M. County Line Extension Club is meeting today at the home of Mrs. Albert Bailey. A potluck luncheon was to be served at 1 o'clock. The afternoon will be spent at basket weaving with leaders Mrs. Bernard Clement and Mrs. Chester Brown teaching.

Saturday afternoon, Miss Ardath Gripton was further complemented with a miscellaneous bridal shower given by Mrs. Gerald Benedict, Mrs. Ivan McCarbery and Mrs. Bernard Waterbury in the formers home. Thirty guests enjoyed games and each presented a favorite recipe to the honored guest who also in turn unwrapped an array of lovely gifts. A two-course luncheon was served by hostesses.

Mr. and Mrs. Kenneth Rice of Battle Creek, Mr. and Mrs. Fred Passow and daughter, Mrs. and Mrs. John St. George and family, Mr. and Mrs. Al Egnash, William St. George, Mrs. Maud Bates, Mrs. Mabel Lawson, all of Ann Arbor, and Mr. and Mrs. William Beach of Ridgeway were Sunday dinner guests of Mr. and Mrs. Smith Pocklington.

Mr. and Mrs. Bert Moore entertained in their home Sunday evening at the Exelby-Moore rehearsal party. Twenty-seven members of the bridal party, their wives and husbands were served a buffet luncheon with Mrs. Lawrence Ehlert of Deerfield assisting her mother in serving. Miss Alice Moore will become the bride of Willard Exelby, Friday evening.

A week-end guest of Mr. and Mrs. Ray Smith was Miss Retta Freed of Detroit. On Sunday Miss Freed and Mr. and Mrs. Smith were dinner guests of Mr. and Mrs. Llewellyn Pilbeam in Tecumseh. Callers in the Smith home Sunday were Mrs. Wesley Bell of Milan and Mr. and Mrs. William Curry of Monroe.

Mr. and Mrs. Warren Filter and daughter of Tecumseh were guests Sunday of Mr. and Mrs. William Cundiff.

Sunday guests of Mr. and Mrs. Fred Fischer were Mr. and Mrs. Paul Rowland and family of Erie.

Week-end guests of Mr. and Mrs. Gerald Benedict were Mr. and Mrs. E. C. David of Lansing.

Mr. and Mrs. J. V. Ferman spent Sunday in Detroit at the home of their son and family, Mr. and Mrs. Richard Ferman. Richard Ferman who is employed by the United States Rubber Co. has been transferred to New York City and expects to take over his new duties October 15.

Mr. and Mrs. Guy Siedel visited Frank Siedel of Deerfiled who is a patient in Toledo hospital, Sunday.

Mrs. Raymond Auten and children are visiting her mother Mrs. Kathryn Chapman in Casopolis.

A regular meeting of the Britton-Macon agricultural school P.T.A. will be held Monday evening in the school gymnasium at 8 o'clock.

Promotions Announced By Consumers Power Co.

The promotion of Louis D. McDowell, Consumers Power Company's local manager at Adrian, to the position of assistant to the division manager of Consumer's Bay City Division was announced today by Herman H. Koelbel, Jackson division manager.

Mr. Koelbel also announced that Consumers' local manager at Hudson, Glenn B. Avis, has been promoted to succeed Mr. McDowell as manager at Adrian. The Adrian office supervises company activities in Lenawee county, where Consumers has offices at Blissfield, Morenci and Tecumseh as well as Adrian and Hudson.

Mr. McDowell will go to Bay City to assist Division Manager Louis A. Vaupre, whose former assistant, Arthur H. Lee, has been appointed district manager of Consumers' South Oakland District, with headquarters at Royal Oak.

COMING FROM KOREA

WITH THE 7TH INF. DIV. IN KOREA: Sgt David D. Carr, Box 506, Tecumseh, Mich., is on his way home from Korea.

He recently left his unit, the 31st "Polar Bear" Infantry Regiment, on the fighting front for rotation processing.

The 31st has played an important role in every major action of the Korean War since it landed at Inchon in September, 1950. It is part of the 7th Infantry Division, which has been committed to action in the latest outbreak of fighting on the eastern front.

Carr, who wears the Combat Infantryman's Badge, is an enlisted reservist who was called back to active duty in October 1950.

TO HOLD JOINT MEET

The American Legion Auxiliary and Legion members will have a joint meeting and potluck dinner October 18, at 6:30 p.m. in the Legion rooms. Baked ham and coffee will be furnished. All families are asked to bring a dish to pass, bread and their own table service.

Band Festival

(Continued from page 1)

Other bands which will be present and their directors and nations for portrayal are as follows: Brooklyn under Herbert Rowland, Spain; Addison under John Huffman, Netherlands; Onsted under Kendall Merlau, Ireland; Clinton under Richard Wegner, Italy; Blissfield under Gilbert Blanks, France; Morenci under Charles Winzeler, Scotland; Petersburg under Francis Jilka, Germany; Sand Creek under Norma Kirk, Poland; Hudson under Raymond Westgate, Switzerland; and Adrian under Alvin Bohns, Sweden.

The program will open at 7:30 with the National Anthem played by the Adrian band. At the conclusion, all bands will make a mass formation of "U. S," and will dismiss the audience with "America."

In the event of rain, the program will be postponed until Thursday.

JACK COLSON HURT IN AUTOMOBILE MISHAP

Mr. and Mrs. Homer Colson flew from Willow Run to Chicago, Sunday afternoon, where they were called by the serious illness of their son, Jack, who was injured in an automobile accident near Chicago Heights. Jack, in company with five other companions, was on his way home on a week-end pass from Scott Field, Ill. He is a patient in the Great Lakes Naval Hospital, Ill., suffering from multiple fractures of both legs below the knees, slight head injuries and bruises. He will be hospitalized for several months. His address is in Ward 73 N, U.S. Naval Hospital, Great Lakes, Ill.

The other two boys in the front seat of the car were badly injured and the three in the back seat suffered minor bruises. Mr. and Mrs. Colson returned home Tuesday morning. Jim Colson, a brother also is also stationed at Scott Field, has received a three day pass and expects to spend some time with his brother.

Indians Ready

(Continued from page 1)

Tecumseh. The Morenci group, boasting of the longest winning streak in the state, ran up their 29th consecutive victory, Friday and should stand ace high for the LCAA championship.

Last Friday's game was lop-sided from beginning to end. The Bulldogs ran up a 12-point score in the first frame to the Indian's seven, scored another six points in the second stanza and blanked Tecumseh in that frame. In the third quarter Morenci made 14 points while the Indians went scoreless, and in the final frame, each team scored six points.

A good crowd is expected to see the Hudson game tomorrow night. The Indians will play their next three games at home, next week meeting Summerfield and on the following Wednesday evening, October 24, meeting Clinton on the local gridiron.

The Clinton contest is the signal for a record breaking crowd as it marks Tecumseh's annual homecoming game. The afternoon before the game will see a huge parade and the crowning of a queen who will reign over the ceremonies. After the game a party with dancing is being planned.

HOSPITAL AUXILIARY MEETS

Herrick Memorial Hospital Auxiliary met in the Fellowship Center of the Presbyterian church, Tuesday evening with 60 members and five guests from Clinton. Mrs. Paul Keyser presided at the meeting. A report was given by Mrs. Ralph Helzerman, chairman of the dessert benefit card party and bake sale, to be held October 16 at the Legion Home. Dr. W. T. Claxton gave an interesting talk on "high blood pressure." Refreshments were served by Mrs. L. E. Brown, Miss Ardys Drewyor, Mrs. Gale Fisher, Mrs. Jennie Satterlee, Mrs. Yale Kerby and Mrs. Chester Beach.

MUSIC CLUB

The October meeting of the Tecumseh Music Club will be held Tuesday evening, October 16, at 8 p.m., at the home of Mrs. Wilfred Waldron. Chorus practice will be under the direction of Mrs. John McColl.

DEPENDABLE CIRCLE

The October meeting of the Temple Dependable Circle of the Methodist church will be held in the church parlors, Wednesday afternoon, October 17, at 2 o'clock.

It is amazing how many successful novelties are convinced that every best seller must contain a liberal wordage of common, ordinary dirt.

Those discharged October 8 were, Mrs. William Stout and daughter of Clinton, Mrs. Lawrence Brunt and daughter of Petersburg, Lawrence Packard and Mrs. Norman Kempf and son of Tecumseh.

District Buys

(Continued from page 1)

at least 160 youngsters in kindergarten. Other elementary grades also are crowded and the board is discussing the possibility of erecting a six or 12 room school to meet this condition. Also, it was said that the "pinch for room" already is being felt in the new $500,000 high school and that it may be necessary, perhaps during the coming spring and summer, to add at least two rooms to that building.

The great strain on the school system, it was said, is coming from the steady growth of the village and its fringe areas, particularly in the Tecumseh Acres section, which is District No. 5. Pupils from this district, not a part of the Tecumseh school district, are tuition pupils. District No. 5 does not operate a school of its own. At the present time it is sending 82 elementary pupils and 17 secondary or high school pupils to the Tecumseh schools. Next year, census figures show, this number will be increased by 25 or more, depending upon the growth of the area.

It appears that the board has two options. It may continue o accept tuition-paying pupils from other districts or it may refuse to accept them. This question is now being studied by the board.

At the present time the Tecumseh school district is charging a tuition fee of $100.75 for elementary pupils and $141 for high school pupils. In addition to this amount it receives $140 and $160 from the state for each pupil. However, after 1953 the tnition fee will be reduced, by legislative direction, to $52.79, but the $140 and $160 grant from the state still will be forthcoming. There is some thought that the mandatory reduction in tuition will make the further acceptance of tuition-paying pupils a "loss item" and therefore it may be necessary to discontinue the practice.

"The board has not made up its mind definitely as to a course of policy," James McDowell, superintendent, said. "It is studying the situation and has purchased the site for the new school in the event that it becomes necessary to build. However, there will be more study given to the problem before definite steps are recommended."

This much, however, appears certain. With Tecumseh's steady growth, the village itself is sure to be in need of more school buildings within a year or two, even though tuition-paying students are refused. Even next year it may be necessary to again hold some sessions in churches or other buildings, as was the practice before the new high school was constructed.

Fay Whelan and Archie Porter attended Tuesday's meeting and there was some discussion regarding the future control of Recreation Center, now under the direction of the Recreation Council. A joint meeting of the school board, the village council and the Council will be held at the future time to discuss the problem.

The board canvassed the current

C. E. NEWCOMB TALKS AT MEETING OF ROTARY

Charles E. Newcomb, Blissfield merchant, was the guest speaker at the dinner-meeting of the Rotary Club here, Tuesday evening at the Country Club. He discussed the program of Alcholics Ananymous. His talk was both interesting and instructive and was much enjoyed.

Guests at the meeting included the Rev. James VanPernis and Dr. Jack Schwabling of Blissfield, Max Steffens, Nate Gould and Otto Feldkamp of Clinton, Mr. McConkey and Mr. Richardson of Detroit, and J. Floyd Elliott and Clyde Eckler of Tecumseh.

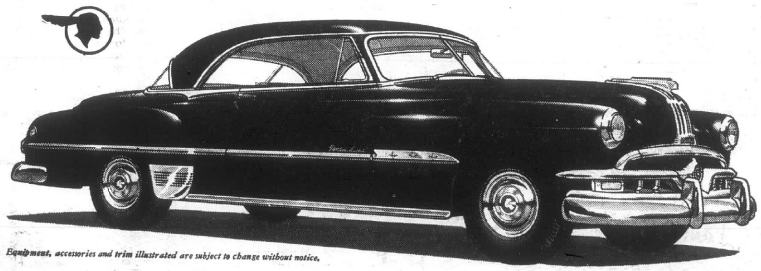
THE WELCOME MAT IS ALWAYS OUT

Yes, at Anderson's the Welcome Mat is always out for our customers. Every man and woman in our store is sincerely ready and eager to help make your shopping more convenient, more pleasant, and easier on your time, energy and money.

Whether you shop during the busy hours or evenings, you'll find the same friendly service. You'll really feel at home at Anderson's—and you'll find that your food money goes much farther when you buy our Quality Foods.

ANDERSON GROCERY We Deliver Phone 91

What a Wonderful Story the Price Tag Tells!



Equipment, accessories and trim illustrated are subject to change without notice.

WE would like you to come in and hear a wonderful story. First of all, it's the story of a great car—a car whose name is respected and admired everywhere in America. We are sure that the word "Pontiac" means something distinct and different from any other name in the motor car world.

The word Pontiac means a good solid citizen—a thoroughly good car—a beautiful car—a car with a reputation for delivering years and years and years of driving pleasure. But there's another important part of this story you should hear: *It's the wonderful story of Pontiac's price!*

For this great car, desirable as it is, is one of the lowest priced automobiles in America—just one step above the very lowest. As a matter of fact, if you can afford *any new car* you can afford the pride and pleasure of a Pontiac!

Come in and get our deal—it's a wonderful story all the way around!

America's Lowest-Priced Straight Eight

HOLLOWAY

Holloway Presbyterian Church. Dr. Thomas Rogers, acting pastor. Morning worship 10 a.m., baptism of infants; organ prelude at 9:45. Mrs. Roger Richards, organist; Sunday School 11 a.m., Lyle Calhoun, superintendent.

Mr. and Mrs. Elmer Harper and Mr. and Mrs. Lyle Harper returned Friday evening from Camp Fort Leonard Wood, Miss., where they visited Pvt. Ronald Harper who is stationed there.

Mr. and Mrs. Floyd Graham and son Paul were week-end guests of Mr. and Mrs. Clifford Graham of Monroe.

Sunday guests in the home of Mr. and Mrs. Marshall Drouillard were Mr. and Mrs. Floyd Laney, Mr. and Mrs. Harry McNutt and Mr. and Mrs. Henry McNutt of Toledo, Mr. and Mrs. Ben Steele and Mrs. Ida Stoner of Sylvania, Ohio.

Mr. and Mrs. M. T. Fairbanks met Mr. and Mrs. Leon Stautz in Stanton and both couples spent the week-end with Mr. and Mrs. Allen Blouch and family in Elk Rapids.

Karen Mitchell, daughter of Mr. and Mrs. Dale Mitchell, celebrated her fourth birthday Saturday evening in the home of her parents. A cake decorated with candles and ice cream was served to Mr. and Mrs. Carl Buehrer and son Tom, Mr. and Mrs. Ed Ventz of Adrian and Mr. and Mrs. Robert Mitchell and daughter Betty. Karen received many lovely gifts.

Mr. and Mrs. Dean Schnierla of South Bend, Ind., were week-end guests of Mr. and Mrs. Elmer Harper.

The Kelly School P.T.A. will meet Friday evening at the school with the newly elected president, Mrs. Howard Swift, presiding. The refreshment committee will be Mr. and Mrs. Howard Leveck and Mr. and Mrs. Bill Righter and the entertainment, Mr. and Mrs. Lawson and Mr. and Mrs. Gordon Satterlia. Cider will be furnished and members are asked to bring sandwiches, cookies or donuts.

There will be a special meeting Thursday afternoon at 2 p.m. of the Ladies Aid of the Holloway Presbyterian church in the church dining room to plan for a baked ham supper to be held October 18 with serving to start at 5:30. This supper is open to the public.

Mr. and Mrs. Lloyd Murphy left the home of Mrs. Bertine Comfort where they have been recovering from an automobile accident for their home in Walkertown, Ind., on Friday.

The Rainey sisters entertained eight members of the Raisin Sewing Circle in their home on Friday afternoon. Plans were made to hold a family night October 26 in the Palmyra Fire Hall with a pot-luck supper and entertainment. Members are asked to bring their own table service, dish to pass and dessert. Ice cream and coffee will be furnished.

Mr. and Mrs. Elwyn Green and children spent the week-end with Mr. and Mrs. Joe Glenn and family of Wayne.

Mr. and Mrs. Ed Mitchell and daughter had as their Saturday evening guests Mr. and Mrs. Elmer Struyk of Port Huron and Mrs. Ethel Haynes of Detroit. Sunday they were joined by Mr. and Mrs. Chet Haynes and children of Plymouth. The celebration marked the birthday anniversary of Mrs. Ethel Haynes.

Mr. and Mrs. Paul Kopke and family entertained Sunday, Mr. and Mrs. Roy Houston and Mrs. A. L. Houston of Coldwater.

Mr. and Mrs. Leon Stautz have moved from their home on the Holloway Road to their new home in Stanton, Mich.

Mrs. Bertine Comfort will accompany friends and leave Wednesday for a stay this winter in Florida. During her stay there, Mrs. Ida Rogers will live with Mr. and Mrs. M. T. Fairbanks.

FELLOWSHIP ELECTS

The Junior Fellowship, a combined group from the Baptist and Methodist churches, met in the Baptist church Sunday evening with eight present and elected the following officers: Donna Spangler, president; Louise Anderson, vice president; Joan Wing, secretary; Janet Osworth, treasurer; Jane Dillon, social chairman; publicity, Carol Spangler and membership, Sally Hunt. Mrs. B. O. Bashore was the leader and plans were made for the Youth meeting at Temperance, which was held Monday evening.

WESTMINSTER LEAGUE HOLDS REGULAR MEET

The Westminster League of the Presbyterian church met recently at the home of Mrs. Charles Stephenson with Mrs. James Barton assisting. Some 31 members and guests were present. Mrs. Wellington Wotring was in charge of devotions. During the business meeting Mrs. Jack Metcalf was re-instated as a member and Mrs. Douglas Murdock, Mrs. Marlin Clark, Mrs. Douglas Hall and Mrs. Don Covell were accepted as new members. Work on the Fall Festival, November 1, was discussed, and the League voted to continue the presentation of the annual Christmas candlelight service.

A musical program was presented which included piano solos by Beverly Champanois, Richard Stephenson, Donna Parrett, Joan and Judy Kempf; accordion solo by Richard Baker, and the highlight of the evening, two songs, "Glue in My Saddle" and "Too Fat For Me" in pantomine, by Mrs. Stephenson and Mrs. Barton in costume. Refreshments were served by the hostesses.

LOCALS AND PERSONALS

Mrs. Jessie Ehlinger attended the wedding of Miss Phyllis David and Don Strob, in Lincoln Park Saturday evening.

J. Paul Ammer is recovering satisfactory at the University Hospital, Ann Arbor, where heu nderwent surgery on one of his knees.

Mr. and Mrs. Carl Stevens and sons, of Grosse Ile were recent guests of her parents, Mr. and Mrs. Percy Heidenreich.

Mr. and Mrs. Neil Pearson attended the funeral of Mrs. Pearson's cousin, Dr. Bernard Blashill of Detroit, Tuesday.

Mr. and Mrs. Clyde Bailey were Sunday guests of their daughter and family, Mr. and Mrs. Royce Beal of Adrian.

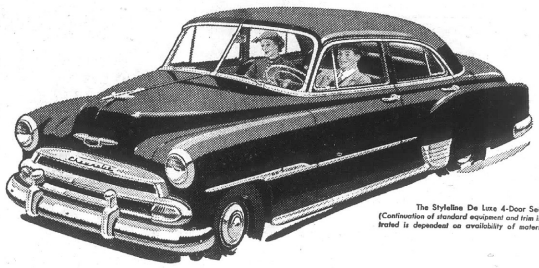
Margaret I. Halley of Rt. 1, Tecumseh, is attending the conference of Rural Youth of the U.S.A., at Jackson's Mill, Weston, W. Va. Some 250 delegates from 17 states are in attendance.

Mr. and Mrs. C. B. O'Neil have moved to Minneeapolis, Minn., and Mr. and Mrs. Eldon Colthurst have moved into the O'Neil home north of town.

The condition of Mrs. Wesley Handy who is a patient in University Hospital, room No 4, wset, remains unchanged. Sunday, Mr. Handy and son, Wilson Handy of Adrian, called on Mrs. Handy.

Size it up and you'll see why

More People Buy Chevrolets Than Any Other Car!



The Styleline De Luxe 4-Door Sedan
(Continuation of standard equipment and trim illustrated is dependent on availability of material.)

Longest of the Lot
Chevrolet looks longest, Chevrolet *is* longest . . . a swank and sweeping 197¾ inches over-all that tops any other car in the low-price field. Size up Chevrolet's greater length, and you'll find it hard to settle for less.

Most Road-Hugging Weight
Gives you more road-hugging, road-smoothing weight . . . a hefty 3140 pounds† in the model illustrated that no comparable car in the field can match. Get the feel of this big car, and you won't settle for less. (†Shipping weight.)

Widest Tread in Its Field
Here's the steadiness of the widest tread in the field . . . 58¾ inches between centers of rear wheels. Once you've known the better roadability of Chevrolet's wider tread, you wouldn't settle for less.

Finest Comfort Features
Luxury of Body by Fisher . . . *cradled ease* of unitized Knee Action . . . *smooth control* of Center-Point Steering!

Biggest Brakes of Any Low-Priced Car
Big, powerful Jumbo-Drum brakes—*largest* in the low-price field! Use the car's own momentum to increase stopping power.

Way Ahead with Valve-in-Head
The trend's to valve-in-head. And Chevrolet's had it for nearly 40 years! Get sparkling performance and real over-all economy.

America's Largest and Finest Low-Priced Car

CHEVROLET

Join the Shift to No-Shift POWERGlide Automatic Transmission*
Sensationally smooth! Excitingly easy! It's a new experience in driving, the *modern* way to drive. Costs little more—or even less than many a car with standard gearshift!
*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

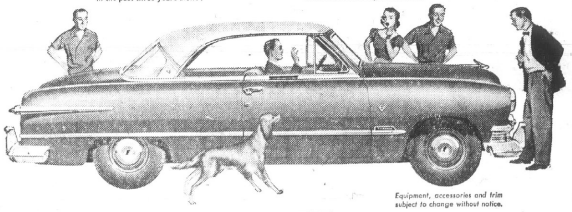
Ford leads the V-8 parade

"3 more makers have switched to V-8's in the past three years alone!" "It's the same type of engine powering America's most expensive cars!" "4 out of 5 V-8's are Ford V-8's!"



Equipment, accessories and trim subject to change without notice.

With the lowest priced V-8 of all!

Yes, Ford's V-8 is America's lowest priced V-8, priced hundreds less than most makes of Sixes. Yet it's the same type of engine you find in America's highest priced cars!

With the savingest V-8 in America!

Ford's V-8 (like Ford's Six) has the Automatic Mileage Maker to bring you more "go" for less money than any other car in America!

With the only V-8 in the low-price field!

Ford alone offers you V-8 power in the low-price field. No other manufacturer can match Ford's 19 years' experience building nearly 12 million V-8's!

RIDGEWAY

A zone Sunday School workshop was held at the church Friday evening at 7:30. Several outstanding Sunday school workers of the East Michigan district were in charge.

The Young People's department of the church of the Nazarene Sunday School and teachers enjoyed a hayride recently. Thirty attended and after the ride enjoyed a weinie roast at the home of Merle and Marilyn Baker.

Mr. and Mrs. Floyd Shirley entertained the young married people's class of the Church of the Nazarene Sunday School, recently at their new home near Tecumseh. The group enjoyed a "Backwards Party" of games and stunts and refreshments were served.

Mrs. Will E. Allen was hostess to eleven of her past grand sisters of the Rebekah Lodge No. 386 at Britton.

Ice cream, cake, wafers and coffee were served.

Lester Edelbrock of Ridgeway and Miss Loraine Kniffin of Britton were married on Friday September 27 by the Rev. Lorne Carter. After a week's honeymoon they returned to their newly built home.

CLUB SMORGASBOARD

The Tecumseh Country Club smorgasboard which was scheduled for October 7, will be held Sunday, October 14. Mr. and Mrs. Clyde Giltner are chairmen and will be assisted by Mr. and Mrs. Lloyd Rhein and Judge and Mrs. George A. Rathbun.

LUNCHEON HOSTESSES

Hostesses for the one o'clock luncheon at the Tecumseh Country Club Wednesday, October 17, are Mrs. Ralph Hodges, phone 101M, and Mrs. Ford Mudgett, phone 216J. Reservations are to be made not later than Tuesday noon.

If you want your eyes opened, and haven't been around much, go to the newsstand and glance through some of the publications that the youngsters are buying.

From where I sit ... by Joe Marsh

Our Bank Says "Help Yourself"

People around here need lots of small change these days — what with candy, gum, cigarette and soft drink machines ... pay phones ... and those penny sales taxes.

Used to put a strain on our bank. Changing money took up a lot of time. Then the Chief Teller Happy Wilson, read about another bank using a "help yourself" change system. The directors decided to see if it would work here.

They set out some big shallow bowls full of nickels, dimes and pennies with a sign saying "MAKE YOUR OWN CHANGE." Works fine, too. At the end of the day the totals are never more than a couple of cents under—or over—the right amount.

From where I sit, folks everywhere are pretty much alike, although they may *seem* different. Farmers and city folks, Republicans and Democrats, those who enjoy a glass of beer occasionally and those who prefer something else—we all usually try to live up to the trust others have in us.

Joe Marsh

COUNCIL PROCEEDINGS

NOTICE OF SPECIAL ELECTION

TO THE QUALIFIED ELECTORS OF THE VILLAGE OF TECUMSEH, MICHIGAN:

BY ORDER of the Village Council in resolution adopted on September 13, 1951, there will be submitted to vote of the qualified electors of said Village at a special election to be held on October 31, 1951, in the Village of Tecumseh the following propositions:

I. BONDING PROPOSITION

Shall the Village of Tecumseh, Lenawee County, Michigan, borrow the sum of Two Hundred and Eighty-five Thousand ($285,000.00) Dollars and issue its general obligation bonds therefor, for the purpose of paying the cost of constructing improvements to the sewage disposal system of the Village, consisting of sanitary sewers and a sewage treatment plant.

YES [ ]
NO [ ]

II. CHARTER AMENDMENT PROPOSITION

Shall Section 22, Article IX Section 22, Article IX, Act 3, Public Acts 1895, as amended) of the charter of the Village of Tecumseh be amended to provide as follows:

"Should any greater amount be required in any year for the purchase of grounds for erecting public buildings, or for other necessary corporate purposes, than can be raised by the council under the foregoing provisions, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds (2/3) vote of the electors voting thereon at any general or special election; provided, that the total of all taxes levied by the Village for municipal purposes whatsoever, in any year, shall not exceed two (2) per centum of the assessed value of all real and personal property in the Village; provided further, that the total Village indebtedness outstanding at any one time, whether incurred by the issue of bonds or otherwise, shall not exceed seven (7) per centum of the assessed valuation of real and personal property in the Village subject to taxation, as shown by the last preceding assessment roll of the Village."

The polls will be open from 7:00 o'clock, A.M. to 8:00 o'clock, P.M., Eastern Standard Time. The place of election will be the regular voting places in each election precinct in the Village.

Only those qualified electors owning property in the Village assessed for taxes or the lawful husband or wife of such an owner are entitled to vote on the bonding propostion.

All duly qualified electors may vote on the charter amendment propostion.

TAKE FURTHER NOTICE that the Village Council deems it necessary to amend Section 22, Chapter IX of the Village Charter (Acts 3, Public Acts 1895, as amended).

Section 22, Chapter IX, now provides as follows:

"Should any greater amount be required in any year for the purchase of grounds for erecting public buildings, or for other necessary corporate purposes, than can be raised by the council under the foregoing provisions of this chapter, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds (2/3) vote of the electors voting upon the question at an annual or special village election. The amount that may be voted or raised, in any year, under the provisions of this section shall not exceed two (2) per cent of the assessed valuation of the property in the Village, as shown by the last preceding tax roll made therein."

The proposed amendment would alter Section 22, Chapter IX, to provide as follows:

"Should any greater amount be required in any year for the purchase of grounds for erecting public buildings, or for other necessary corporate purposes, than can be raised by the council under the foregoing provisions, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds (2/3) vote of the electors voting thereon at any general or special election; provided, that the total of all taxes levied by the Village for all municipal purposes whatsoever, in any year, shall not exceed two (2) per centum of the assessed value of all real and personal property in the Village; provided further, that the total Village indebtedness outstanding at any one time, whether incurred by the issue of bonds or otherwise, shall not exceed seven (7) per centum of the assessed valuation of real and personal property in the Village subject to taxation, as shown by the last preceding assessment roll of the Village."

This Notice is given by authority of the Village Council of the Village of Tecumseh.

Robert L. Kroner,
Village Clerk.

LEGAL NOTICES

Order of Hearing—Probate of Will

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 21st day of September in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of ALAN D. BELL, Deceased.

On reading and filing the petition, duly verified, of William A. Wright, legatee of said deceased praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to petitioner, one of the executors named in said instrument, or to some other suitable person.

It Is Ordered, That Monday, the 19th day of November next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulated in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

STATEMENT OF THE OWNERSHIP, MANAGEMENT, CIRCULATION, ETC., REQUIRED BY THE ACT OF CONGRESS OF AUGUST 24, 1912, AS AMENDED BY THE ACTS OF MARCH 3, 1933, AND JULY 2, 1946

Of The Tecumseh Herald published every Thursday at Tecumseh, Michigan, for October 1, 1951.

STATE OF MICHIGAN,
COUNTY OF LENAWEE. ss.

Before me, a Notary Public in and for the State and county aforesaid, personally appeared the publisher of the Tecumseh Herald and that the following is, to the best of his knowledge and belief, a true statement of the ownership, management (and if a daily, weekly, semiweekly newspaper, the circulation), etc., of the aforesaid publication for the date shown in the above caption, required by the act of August 24, 1912, as amended by the acts of March 3, 1933, and July 2, 1946 (section 537, Postal Laws and Regulations), printed on the reverse of this form, to wit:

1. That the names and addresses of the publisher, editor, managing editor, and business managers, are:

Publisher, Earl L. Wickwire, Tecumseh, Mich.; Editor, Earl L. Wickwire, Tecumseh, Mich.; Managing editor, Earl L. Wickwire, Tecumseh, Mich.; Business manager, Earl L. Wickwire, Tecumseh, Mich.

2. That the owner is: (If owned by a corporation, its name and address must be stated and also immediately there-under the names and addresses of stockholders owning or holding one percent or more of total amount of stock. If not owned by a corporation, the names and addresses of the individual owners must be given. If owned by a firm, company, or other unincorporated concern, its name and address, as well as those of each individual member, must be given). Earl L. Wickwire, Tecumseh, Mich.

3. That the known bondholders, mortgagees, and other security holders owning or holding 1 percent or more of total amount of bonds, mortgages, or other securities are: (If there are none, so state). None.

4. That the two paragraphs next above, giving the names of the owners, stockholders, and security holders, if any, contain not only the list of stockholders and security holders as they appear upon the books of the company but also, in cases where the stockholder or security holder appears upon the books of the company as trustee or in any other fiduciary relation, the name of the person or corporation for whom such trustee is acting, is given; also that the said two paragraphs contain statements embracing affiant's full knowledge and belief as to the circumstances and conditions under which stockholders and security holders who do not appear upon the books of the company as trustees, hold stock and securities in a capacity other than that of a bona fide owner; and this affiant has no reason to believe that any other person, association, or corporation has any interest direct or indirect in the said stck, bonds, or other securities than as so stated by him.

5. That the average number of copies of each issue of this publication sold or distributed, through the mails or otherwise, to paid subscribers during the twelve months preceding the date shown above is 1,868. (This information is required from daily, weekly, semiweekly, and triweekly newspapers only).

EARL L. WICKWIRE.

Sworn to and subscribed before me this 1st day of October, 1951.

Marie E. Greiman.

(My commission expires Aug. 6, 1954.

Order of Hearing—Probate of Will

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 24th day of September in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N WILLIAMSON, Judge of Probate.

In the matter of the estate of WILBUR L. WILSON, Deceased.

On reading and filing the petition, duly verified, of Milburn W Brooks, nephew and heir at law of said deceased, praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to William L. Russell, the executor named in said instrument, or to some other suitable person.

It Is Ordered, That Monday, the 22nd day of October next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

CARD OF THANKS

Fred and Hazel Dickinson wish to thank all the good friends and neighbors who so efficiently helped Saturday, Oct. 6, when their house burned. The whole lower floor was emptied in a matter of minutes with almost no breakage. By some miracle a troop of Girl Scouts with Julia Titley and Jean Merz, leaders, was passing by and broke all records for speed and helpfulness. The firemen got there "in nothing flat" and did a noble job in saving the house. The Dickinsons will never forget those lines of people carrying their precious possessions to safety, and for all the other kind deeds they say "Thank You," from the bottom of their hearts.

Is Yuh Going To Floridy This Winter?

Yuh Ain't, Wa'al Then Yud Better Git Yuhr Nag Anti-Freezed

'taint gonna be long now 'for the winter winds'll howl, there'll be snow and ice and sub-freezin temperatures. If yuhr goin to Floridy or some other hot klimit yuh won't need t'git yuhr Nag fixed up fur sich weather but if yuh ain't yuhd bettir git bizzy.

Yuhd better check up on yuhr anti-freez, on yuhr battery, the ignishun, yuhr heater and desfroster, an at the same time find out about yuhr tires, etc. Also, yuh hafta switch lubrikants in the krank case, differenshul and transmishun. Yuh kan't spekt th old Steed to operate like'a Kolt if yuh don't give 'er some kare.

Don't wait . . . fur some mornin it's gonna be too late. A busted radiator, a kracked cylinder head or sumpin is spensive.

State Watches Vote On Bonds

IF SEWAGE TREATMENT PLANT PROPOSAL FAILS, COURT ORDER MAY BE COMING

That the Michigan Water Resources Commission is keeping a weather eye on Tecumseh and the election on Wednesday, October 31, when the voters will decide the fate of a bond issue for the building of a sewage disposal plant, is indicated in a letter to J. Floyd Elliott, village president, from Milton P. Adams, executive secretary of the commission. The letter was read to the council, in regular session, Monday evening.

"At its meeting last week the commission received a report from its chief engineer that plans have been submitted to the health department and a construction permit issued to the village for the construction of a local sewage treatment plant," Mr. Adams wrote. "The commission was also notified that a vote on general obligation bonds is scheduled for October 31.

"Since the municipality is already operating on borrowed time, please notify this office of the outcome of the vote in order that the situation may be reported to the commission at its November meeting."

E. C. Heilman, chairman of the council's sewer committee, said today that the letter could mean but one thing, that the Commission would order, through the courts, the building of the disposal plant if the electors turn down the bond issue the last of the month.

"It is true," Mr. Heilman said, "that Tecumseh is operating on borrowed time. We are in violation of the Commission's order at the present time and if we refuse to

Clifford E. McClure, 50, Dies of Heart Attack

Clifford Edward McClure, aged 50 years, of 215 N. Maumee street, was found dead at 10 a.m., Tuesday, in the basement parts store room of Philco at the plant of the Tecumseh Products Co. Death is believed to have occurred sometime on Monday afternoon. It was Mr. McClure's first day back to work after a two months' layoff. It is understood that he had complained about noontime of not feeling well and fellow workers thought that he had gone home. When he failed to return home a search was started that led to the discovery on Tuesday. Death resulted from a heart attack, according to Coroner Ed Braun of Adrian.

Mr. McClure, a Products employee for about one and a half years, came to Michigan from Ohio with his parents at the age of 12. He was preceded in death by his father, Edward J., and a sister, Marjorie.

Survivors are the widow, Serena; three sons, James of Marne, Mich., Daryle of Brooklyn, and Darwin at home; two daughters, Mrs. Amiel Lewandowski of Toledo, and Carol at home; his mother, Mrs. Ann McClure, and two brothers, Herbert of Franklin township, and Donald of Arizona; six sisters, Miss May McClure of Cincinnati, Mrs. Marvin Moody and Mrs. Howard Upson of Kalamazoo, Mrs. William Hicks of Monroe, Mrs. Frank Hoekstra of Tecumseh, and Mrs. John Snyder of Springfield, Ohio.

Funeral services will be held on Friday afternoon at 2:30 from the Collins Funeral Home, the Rev. Edward Escolme officiating. Burial will be in Brookside cemetery.

MRS. C. F. VREELAND TO BE BURIED FRIDAY

Mrs. W. J. Morse was notified on Wednesday by Wendall Vreeland of Detroit of the death of his mother, Mrs. C. F. Vreeland, in Detroit. The burial service will take place Friday afternoon at 3 o'clock in Brookside cemetery. Mrs. Vreeland was the wife of the late Rev. C. F. Vreeland, former pastor of the Baptist church in Tecumseh.

GETS POSTAL JOB

Gerald G. Foote, 310½ N. Maiden Lane, has been appointed a regular carrier out of the Tecumseh postoffice, effective October 16. He began his duties as a sub-carrier on November 30, 1949. Mr. Foote is a graduate of Deerfield high school, class of 1944, and is a veteran of World War II, seeing service in the Philippines, Okinawa and Korea. Foote's wife is the former Miss Doris LaPointe of Toledo. They have one daughter, Patricia May.

Nov. 7 is a date for men. adv. 11-1

Friends Family Night Program Is Tonight

Family Night will be observed this evening (Thursday) at 7:45 at the Tecumseh Friends church.

Two motion pictures with sound will be shown. "Bruin's Great Adventure" will make a special appeal to children. "The First Step" raises the question as to whether parents can afford to be indecisive about their own religious faith when engaged in the task of rearing children. A film presents the drama of everyday living. Some interesting plans will be announced at this Family Night gathering. Light refreshments will follow the program.

Fund Workers At Breakfast

COMMUNITY EFFORT TO RAISE $8,175 IS OFFICIALLY IN MOTION TODAY

Although the campaign to raise $8,175 for Tecumseh's Community Fund got under way on Wednesday, it was not until this morning that the workers actually launched the drive that Ronald Harris, its director, hopes to conclude with success on Wednesday, October 31.

The fund workers, about 110 of them, and all of whom are contributing their time without renumeration, were to be guests at a kick-off breakfast at 9 a.m., today at the American Legion Memorial Home. The United Products Workers Union contributed $50 to defray the cost of donuts and coffee for this affair and the serving is being done by the Drill Team of the Legion Auxiliary.

"We are indeed grateful to the United Union for making this breakfast possible, and to the Auxiliary women for their efforts," Mr. Harris said, in making the announcement. "These kick-off breakfasts are of vital importance to the success of a drive, and we believe that Tecumseh's efforts this year will be well rewarded."

At the breakfast this morning, Harris said, Dr. E. H. Babbitt, vice president of Adrian College and chairman of the United Health and Welfare Campaign in Lenawee county, will be the principal speaker. Howard Diedrich, president of the Tecumseh Community Fund, also will speak, and Harris will issue final, last-minute instructions to the team captains and workers.

GRAVESIDE SERVICE HELD FOR HELEN H. STEVENS

Graveside services were held Saturday afternoon at 2:30 in Brookside cemetery for Mrs. Helen Hull Stevens who passed away in San Francisco, Calif., September 27, 1951. She was born November 11, 1864 in Tecumseh. The body was cremated and the ashes sent to the Collins Funeral Home. Mrs. Stevens was the daughter of the late John and Harriet Smallidge Ream.

Survivors are two brothers, G. B. Ream and F. S. Ream of San Francisco, Calif., two cousins, Mrs. K. D. Sheldon of Tarrington, Conn., and F. E. Smallidge of Crystal, Michigan.

Graveside services were in charge of Mrs. Arthur Newman, Christian Science reader, of Holloway.

HOME FROM CONVENTION

The Tecumseh Exchange Club met in the V.F.W. Hall for its regular meeting Monday evening. Clarence Beach, president, and George McCombs, vice president, gave reports of the National Exchange convention in Miami, Florida, which they attended, as well as highlights of their trip.

THE NEW CHURCH of the Tecumseh Assembly of God, located on West Bidwell street, will be formally dedicated at a program on Sunday afternoon at 2:30. Churches in this area have been invited to join in the service. The new edifice, with seating capacity for 250, replaces a church that the Assembly has outgrown.

Parents Hear Police Officer

CHIEF OF POLICE PRINCIPAL SPEAKER AT P. T. A. MEETING ON THURSDAY

The October meeting of the Parent-Teacher Association was held Thursday evening at the high school study hall with a good attendance. After a short business meeting with Mrs. Ronald Harris presiding, Chief of Police M. E. Clark, was introduced and gave an interesting talk on "The Police and Your Child." Mr. Clark emphasized the fact that children should be taught to think of a police officer as a friend, and that they should cooperate with the officer. He said that the curfew law in the village has been very successful. "We can't say we have delinquent children, but rather delinquent parents. We need more and a better association between the parent and child," the chief said. The program also included accordion selections by Bob Hadley. Refreshments were served in the cafeteria by the room mothers of the fourth grade assisted by other parents.

A membership drive is being conducted from October 10 to November 4 with Mrs. Robert Hanna and Mrs. Ray Sluyter as co-chairman. Mrs. Lee Purkey is chairman and Mrs. C. R. Henkel, co-chairman of the used clothing project, and they will be at the Central building each Wednesday afternoon from 1-4 p.m., to receive used clothing.

National Education Week will be observed at the November 8 meeting when several local teachers will take part on the program on "Understanding the Education Program of Our Schools."

Homecoming Queens To Be Crowned, Wednesday

Clinton and Tecumseh high schools will crown two queens, next week Wednesday evening, at intermission time, at the Homecoming Day dancing party to be staged at the Central school gym, following the annual grid game between the two schools. The game-time is 8 p.m., and the dancing party, at which the Tecumseh Products Company's orchestra will furnish the music, is scheduled to start about 10 p.m.

The two schools are naming queens this week at an election here and in Clinton. The votes will be counted next Wednesday.

The schools also plan a parade through the business districts on Wednesday afternoon, and again at half-time on the Recreation field, Wednesday evening.

Funeral Services Held For George W. Hoag, 74

George W. Hoag, aged 74 years, lifelong resident of Tecumseh died Thursday evening, October 11, at the Roberts Rest Home in Parma, Michigan, where he had been a patient for the last eighteen months. He was born in Tecumseh, February 13, 1877, and made his home at 411 East Chicago boulevard.

Mr. Hoag was an honorary life member of the Tecumseh Fire Department, a member of the Tecumseh Odd Fellows and a former Tecumseh Products employee. He is survived by one son, Clifford G. Hoag, Chicago, Ill., four daughters, Mrs. Margaret Brown, Jackson, Mrs. Katherine Monagin, Macon, Mrs. Francis Silvens, Munith, and Mrs. Doris Wood Adrian. Also by twenty-three grandchildren, and eleven great grandchildren. He was preceded in death by his wife, Katherine, in 1946, two daughters, Marion and Jennie, and two sons, Frederick and Charles.

Funeral services were held Monday at the Green Funeral Home at 2 p.m., with the Rev. Alvin Brazee officiating. Burial was in Brookside cemetery.

The bearers were members and former members of the Fire Department; Cecil and Leo Alderice, Charles Manley, Robert Mohr, Irving Shaw and J. Floyd Elliott. Friends and relatives attended from Chicago, Ill., Jackson, Macon, Munith, Adrian, Ridgeway, Britton and Tecumseh.

ALLAN PARK HUNTER IS SHOT IN THE LEG

John T. White, 25, of Allan Park, was shot in one of his legs, Monday at 10:10 a.m., by his hunting partner, Ben Frayer, 36, of Wayne. The accident happened on the Mark Randall farm in Macon township. Frayer was shooting at a rabbit and some of the shot hit White in the leg. He was treated at Herrick Memorial Hospital here and then released.

HALLOWE'EN FROLIC

A Hallowe'en Frolic will be observed by the Business and Professional Woman's Club, Monday evening, October 22, in the Fellowship Center of the Presbyterian church, with dinner at 6:45. Mrs. Martha Artman will be in charge of devotions. The program committee is composed of Ruth Biddix, Mrs. Marguerite Garlick and Mrs. Lucille Hawley. Hostesses are Mrs. Pearl Elliott, Mrs. Hazel Creger, Miss Elizabeth Chase and Mrs. Hilda Will.

Don't forget Presbyterian Fall Festival, Nov. 1. Gifts for all. adv. 11-1

Dedicate New Church, Sunday

ASSEMBLY OF GOD ON WEST BIDWELL STREET, TO BE FORMALLY OPENED

The new church of the Tecumseh Assembly of God, located on West Bidwell street, will be formally dedicated on Sunday, October 21, the Rev. A. S. Dimbat, pastor, announced today. The service will start at 2:30 p.m., and the Rev. Charles W. H. Scott, district superintendent, will be the guest speaker. All churches in this area have been invited to participate in the event.

The local church became affiliated with the Assemblies of God about ten years ago under the direction of Mrs. Harold Speer. The Rev. and Mrs. Speer pastored the church for several years and were succeeded by the Misses Wilma Jackson and Gladys Burger. Later the Rev. Geno Cecchini took over the pastorate.

The Rev. and Mrs. Dimbat were appointed pastors in March of 1949 and they immediately began to lay plans for the erection of a new church. The site was purchased in May of 1950 from Maynard Mul-

(Continued on page 6)

ROTARY WILL HOLD JOINT MEET IN ADRIAN

Members of the Tecumseh Rotary Club will join with other clubs in Lenawee in an inter-county Rotary meeting on Thursday evening, October 25, at 7 o'clock, at the Eagles Home in Adrian. The Adrian club is acting as host. There will be no meeting of the local club here next week.

Tuesday evening the club met at the Country Club and following dinner Richard Beamer, local manager of Consumers Power Co., showed motion pictures of the company's properties that serve customers throughout the state.

PROGRAM IS POSTPONED

The program sponsored by the Tecumseh Conservation League and scheduled for last Friday evening, has been postponed to November 1, at Union Hall. Motion pictures will be shown of a hunting trip in the wilds of Africa. The program will start at 8 p.m.

My office will be closed October 15-25 incl. Stanley Beaverson. Adv. 10-18

Voters, Attention

The Village Council, through The Herald, is carrying a message to the electors of Tecumseh this week regarding the bonding proposal on Wednesday, October 31, when the village will decide on the issuance of $285,000 in general obligation bonds for the building of a sewage treatment plant.

The Council's message, brief but fully explaining the issue, will be found in another page of this issue. It should be read by every voter, so that he or she may be informed before going to the polls the last day of this month.

Indians Humble Hudson, 33 To 0

WILL PLAY SUMMERFIELD HERE ON FRIDAY EVENING; CLINTON ON WEDNESDAY

With another scalp dangling from its belt, the Tecumseh high school grid squad will go into skirmish tonight preparatory to meeting the Summerfield eleven at Recreation Center here tomorrow evening in another scheduled LCAA contest. If the Indians should be successful in their game here tomorrow, scouts are holding high hopes for a victory over Clinton when the two teams clash in the annual Homecoming Day event next week Wednesday.

Both the Summerfield game on Friday and the Clinton contest next Wednesday are scheduled to begin at 8 p.m., under the lights at Recreation. The Clinton event is played mid-week because of the Michigan Education Association convention in Lansing on Friday

Woman Killed As Cars Crash

ADRIAN WOMAN FATALLY HURT ON US-112; FIVE OTHERS ARE INJURED

An Adrian woman was killed and three other persons, including her husband, were injured, Saturday at 12:40 p.m., in a four-car traffic crash on US-112, just west of Saline.

The dead woman is Mrs. Ruth Tuttle, 38, wife of John Tuttle, jr., of Adrian. Mr. and Mrs. Tuttle were on their way to Ann Arbor to attend the Michigan-Indiana football game.

Mrs. Tuttle is believed to have died almost instantly. She suffered a broken neck. Mr. Tuttle received a broken jaw, broken right arm, deep shoulder cuts and internal injuries. He is a patient at St. Joseph's Mercy Hospital, Ann Arbor. He was purchasing agent of the Stearns Manufacturing Co., Adrian.

Others hurt in the crash are W. Joseph Stephens, 60, of Ypsilanti, fractured hip, jaw and internal injuries; N. J. Probst, 47, Ypsilanti, fractured knee, collar bone, internal injuries.

(Continued on page 6)

Methodists To Hold Quarterly Meet Here

The fall quarterly conference will be held this evening in the Methodist church here by District Superintendent Frank I. Fitch of Ann Arbor. This will be a group conference including the Methodist churches at Clinton, Springville, Devils Lake, Ridgeway, Britton and Wellsville.

The program will consist of devotions by the superintendent, brief reports by the pastors on achievements and goals for the year ahead, and two discussion groups led by district officers: (1) Evaluation and Program of the Church School, and (2) Missionary cultivation in the local church.

TWO FIRE ALARMS

The fire department answered two alarms this week. The first call, at 9:15 p.m., Monday, was to the home of Clarence Randolph, 601 So. Pearl street. An oil heater had overflowed. There was slight damage. The second call, at 11 a.m., Tuesday, was to the Purnell Osburn home, 209 N. Maiden Lane. A quantity of used lumber in the back yard was destroyed by a fire of unknown origin.

Turkey dinner, Presbyterian Fall Festival, Nov. 1, 5 p.m., $1.50 and 75c. adv. 11-1

Thousands See Band Festival

FIFTH ANNUAL PERFORMANCE PRESENTED BY 10 BANDS, LAST EVENING

With nearly 500 young musicians and ten high school bands participating, the 5th annual high school band festival was presented at Recreation Field last night. An enthusiastic crowd, numbering into the thousands, was in attendance.

Using as its theme the title, "Seekers of Freedom," the entire program was unified, with each of the bands developing one unit in the sequence. Each band was assigned to portray some nation which had contributed to the blood and institutions of the United States, from Spain from where the original discoverer had sailed, to Ireland, whose people have added to the color of our own institutions.

The entire program took slightly over an hour, and during that time ten nations were saluted by their national music while the narration explained how our own nation was enriched by the bloodstreams and talents of the peoples portrayed.

The flag was raised at the beginning of the program by members of Hall-Slater Post No. 4187 of the Veterans of Foreign Wars while the Adrian band played the National Anthem. The following schools then depicted the various nations:

Brooklyn, directed by Herbert Rowland, depicting Spain; Clinton, directed by Richard Wegner, depicting Italy; Sand Creek, under Norma Kirk, Poland; Petersburg, under Francis Jilka, Germany; Hudson, under Raymond Westgate, Switzerland; Blissfield, under Gilbert Blanks, France; Tecumseh, under Clare Camburn, England; Adrian, under Alvin Bohns, Sweden; Addison, under John Huffman, The Netherlands; and Onsted, under Kendall Merlau, Ireland.

The program concluded with all of the bands forming a huge "U. S.", while the massed bands played "America" under the direction of Mr. Camburn.

Narration was by the Rev. B. O. Rashore, while members of the Rotary and Exchange Clubs assisted with ticket arrangements.

Curbs, Gutters To Cost $2 Per Running Foot

New curbs and gutters, recently installed by the village on Pearl, Logan and Ottawa streets, will be assessed to abutting property owners at the rate of $2 per running foot, the council decided at its meeting, Monday evening. Sidewalks built will be charged at the rate of 40 per square foot, and driveways at the rate of 70c a square foot.

The council voted to give $50 to help defray the cost of the children's Hallowe'en party, and a similar amount for the Christmas party.

Purchase of a snow plow blade, a sand spreader and a quantity of rock salt, preparatory to the arrival of winter, was ordered at a total cost of about $1,200.

A change was made in the rate to be charged for the collection of commercial garbage. In the future, the charge will be 15c for every 20-gallon can or $6 an hour if it has to be loaded otherwise. For the collection of garbage outside the village the rate was set at $6 an hour.

Officials for the bonding election on October 31 were named as follows: Commissioners, P. C. Satterthwaite, James Artman and Ned Baldwin; inspectors, Rudy Mead, Edna Codling, Lester Rogers and E. J. Lowry; clerks, Ruth LaPrad, Freda Sisson, Tilly Dickey and Cecil Smith; gatekeeper, Arthur Harding and Harry Chilson.

Charles Spreeman Dies; Is Buried In Berkley

Charles Spreeman, who would have been 97 years old on November 19, died Sunday evening at the home of his daughter, Mrs. Elizabeth Day of Pontiac. The funeral was held Wednesday afternoon with a prayer service at the home at 12:30 and services at the Berkley church at 2:30.

Burial was in Berkley cemetery. Mr. Spreeman was the father of Mrs. Sam Preston of 506½ E. Chicago Blvd. and the only uncle of William Spreeman. Among those from here who attended the funeral were Mr. and Mrs. Preston, Mr. and Mrs. William Spreeman of Tecumseh, Mr. and Mrs. Henry Filter, Mr. and Mrs. Albert Filter, Mr. and Mrs. Charles Spreeman of Britton and Mr. and Mrs. Wilson Spreeman of Holloway.

PRIZES, THEATRE PARTY AND DANCE ARE HALLOWE'EN FEATURES

Civic Groups Cooperating To Make Spook Party Big Success

The glass in the store windows in the downtown district will be given over to the use of amateur artists in the Tecumseh public schools, next week, as this village again prepares a civic Hallowe'en celebration, even larger than the one staged a year ago.

"This year's party will be a three-way affair," Ronald Harris, secretary of the Chamber of Commerce, said today in making the preliminary announcement. "There will be paintings on the store windows, the parade of masked merry-makers through the business district and the theatre party and, finally, an all-school dance at the General school for students in secondary grades. All in all, we are anticipating the largest Spooks' Night celebration in Tecumseh's history."

Mr. Harris said that again this year, merchants had agreed to permit school students to use store windows for the drawing and painting of Hallowe'en pictures. A special crayon and water coloring is used, one that is easily washed off. The pictures are judged by a committee and prizes are awarded.

"Interest in this particular part of the program is growing," Harris said, "not only among the school children but the adults as well. Last year, it will be remembered, hundreds of persons toured the shopping area and inspected the pictures. This year, we hope that the pictures will be ready for showing on Saturday night, October 27."

Harris also said that the tentative program for Hallowe'en also called for the parade of masked merrymakers through the business district, starting at 7:30 in the evening, which will conclude with a free theatre party at the Strand. A group of judges will watch the parade and prizes for the funniest, most grotesque and most original costumes, both boys and girls, will be awarded from the stage of the theatre.

"We expect that several hundred youngsters will take part in the parade," Harris said, "and the theatre is the only place in town large enough to accommodate the group after the merrymaking is over."

And finally, for the older youngsters, who do not so much enjoy a theatre party, there will be an all-school dancing event at the gymnasium of the Central building.

"We shoud bear in mind," the Chamber of Commerce secretary said, "that the party with its many prizes is being sponsored by the Chamber, the village and the Rotary and the Exchange clubs, as well as the Community Fund. The purpose of the event is to reduce vandalism within a village to a minimum on Hallowe'en. In years gone by, there has been no vandalism here. We sincerely hope that the youngsters appreciate the effort that is being made to make the party a success again this year, and that there will be no vandalism here this year, either."

THE TECUMSEH HERALD

EARL L. WICKWIRE, Editor and Publisher

Lenawee county's oldest newspaper. Established in 1850. Member, Michigan Press Association.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, $2.00 per year, payable in advance. Advertising rates furnished on application.

The Chickens Are Coming Home To Roost

The Board of Education has announced the expenditure of $9,000 for the site of a new elementary school on North Union street. The building must be built within two or three years — or some make-shift classrooms must be provided — if Tecumseh is to continue to house the children who are pounding at its door for an education.

And in addition to the elementary school problem, it now appears that the new $500,000 high school which i only a couple of years old, is too small to meet Tecumseh's needs. School officials believe that at least two classrooms must be added if the ever-increasing enrollment in secondary education is to be accommodated. This addition should be built this coming spring and summer and ready for occupancy, if possible, by the time school reconvenes in September.

It will be remembered that when the new high school was built — it was occupied for the first time in January of 1949 — six classrooms and a gymnasium were excluded from the original plans for economic reasons. At that time Tecumseh felt that it did not have the money to build as elaborate a school as had been laid out on the architect's draft board. The result is that today we are feeling the pinch of our 1949 economy.

How much it will cost to build the proposed new school on North Union street — if it is built — no one knows. The cost, of course, will depend upon the market at the time of construction. It may be higher than it is today or it may be lower. Also, no one would desire to guess accurately at the cost of adding a couple of rooms and perhaps a gymnasium to the new high school. Of course, the bill would run into six figures and would probably be considerably higher than it would have been in 1949.

From an economic standpoint — thanks to gifts that were made to the district by the Tecumseh Products Company and members of its family — the Tecumseh school district is not bad off. The district will never own a cheaper building than its new $500,000 high school because these gifts paid nearly 40 per cent of its cost. Today, Tecumseh owes only $94,950 on the building and this will be paid off in two installments, one next year and the final one in July of 1953.

But what about the future? Where are we going, not only in the educational field but in the field of village government, village planning, etc.?

If we have said it once we have said it dozens of times in this column that Tecumseh has a very definite need for a planned future. We need close cooperation between village government and the school board. We need close cooperation between village government and industry. We need close cooperation between village government and the citizens of Tecumseh.

This close cooperation WE MUST HAVE if Tecumseh is to succeed and to continue to grow and to solve its civic and economic problems in the foreseeable future.

Already, before we get the most economical school building that we will ever build paid for, we are face-to-face with another school problem. It is quite all right, some folk may say, to let the school board worry about this problem. But it is not all right. It is not the children of members of the board of education who are overcrowding the schools, it is the public's children and the problem is a civic problem.

Within two weeks we are going to vote on a $285,000 bond issue, the funds to be used to build a sewage disposal plant in Tecumseh. This election will be held on October 31. How the public will react to this issue, no one knows. But this much is certain. Either we — the property owners of Tecumseh — will vote favorably on this issue and build the plant or the State of Michigan, through the courts, will step in and force us to build it. If the State forces the issue it probably will cost us several thousands of dollars more to do the work than it would have cost had we done it the "peaceful" way.

Anyone who doubts that Tecumseh is growing should now have definite proof of the fact. Our school enrollment this year is the largest in history. Next year we know that it is going to again increase sharply. Federal census figures show that Tecumseh, between 1940 and 1950, made the most rapid growth of any community in all of Lenawee county. We are now the second largest town in the county, with a greater-Tecumseh population of well over 5,000 people.

We can no longer continue, if we are to meet our responsibility as an up-and-coming town, to do things as we have been doing them in the past. We can't afford to do things by-guess-and-by-golly if we are to have a sound economic policy and a well-directed program for our future and our children's future.

For more than three years the Chamber of Commerce has been toying with a program to change Tecumseh's form of government. We believe that a large percentage of the folk who think believe that such a change is in order. We can no longer afford to operate our community under a program that was adopted more than 50 years ago, and which almost every town the size of Tecumseh in the state of Michigan has discarded as outmoded.

And neither can we permit the Board of Education to wrestle alone with our school problems. We need some long range planning; we need to discuss, openly, whether or not our school district should be enlarged and a consolidated district effected; we need to get the viewpoint of industry and the opinion of our citizens generally on the subject.

In a nut shell, we need — ALL OF US — to think about our town's future. If we own property here, we're interested vitally, and if we have a job here, if we are making our living in Tecumseh, we are equally interested.

From somewhere must come leadership in this program-for-the-future. We believe that every resident of Tecumseh is interested in his or her town if he or she is made to feel the importance of such interest. We don't know where the leadership is coming from, whether it will be the Chamber of Commerce, the Rotary Club or the Exchange Club or from some other organized group. But certainly there is a definite need — a need that we cannot afford to overlook.

We submit the need for such a program to organized society in Tecumseh. We sincerely believe that the answer is not impossible to obtain.

RIDGEWAY

The Misses Lulu and Julia Gilmore attended the Gilmore-Niblack wedding in Tecumseh, Saturday evening.

Mr. and Mrs. D. V. Sturtevant and granddaughter, Cynthia Frayer and Mr. and Mrs. T. M. Birdsall visited Mr. and Mrs. Dan Birdsall of Albion, Sunday.

Charles Bishop, son of Mr. and Mrs. Nilwyn Bishop returned home Saturday after spending several days in Kansas City, Mo., attending a convention.

The Men's Forum have elected the following officers: President, Paul Bailey; vice president, Edward Bailey; secretary, Jennings Frayer, and treasurer, C. H. Beach.

Charles Swick of Milan called on his cousin, Mrs. Elmer Linn, Thursday.

Mr. and Mrs. C. H. Beach visited his sister, Mrs. Malinda Joseph in Tipton, Thursday.

Mr. and Mrs. Charles Smith of Ann Arbor called at the Birdsall home Thursday.

Mrs. Ronald Marsh spent the week-end with relatives at Three Rivers, Mich.

Mr. and Mrs. Clare Pocklington and family of Royal Oak spent the week-end with his parents, Mr. and Mrs. E. T. Pocklington.

Mrs. Robert Stone of Macon called on Mrs. W. E. Allen, Sunday.

Marilyn Baker of Macon was a Sunday guest of Joyce Taylor.

Misses Lulu and Julia Gilmore accompanied Clarence Gilmore and Mrs. Alta Boyce of Tecumseh to Manchester to the home of Mr. and Mrs. Alvin Clark, Sunday, for a birthday dinner honoring Mr. Gilmore.

Mr. and Mrs. Walter Milligan were Sunday guests of Mrs. Vie Mark who returned with them to their home in Toledo for a week's visit.

Mrs. Stella Hite has returned from Leslie where she visited her sister, Mrs. Flower and husband.

Rev. Myrtle DeBo of Grand Rapids spent the week-end with Mrs. Hite and Mrs. Boss.

Dr. L. S. Hill of Sandusky, Ohio, Miss Vesta Wilson and Harriett Hill of Tecumseh, and Mr. and Mrs. Russell Collins and family of Macon were Sunday evening callers at the Howard Wilson home.

Mr. and Mrs. Frank Bartle of Flint were week-end guests of Mr. and Mrs. William Fletcher.

Mr. and Mrs. Walter Towler and Mrs. Fred Harrison of Saline called in town Friday night.

D. W. Linn and William Spreeman were Dundee visitors, Sunday.

Mrs. Lester Edelbrock returned to her school work in Dundee, Monday, after a two week's vacation.

James Wood of Britton visited his grandmother, Mrs. Hattie Wood, last week-end.

Mrs. Purnell Osburn of Tecumseh called in town, Friday evening.

Mrs. Ned Brown of Britton spent Monday with Mrs. Daniel Linn.

Mr. and Mrs. Chester Beach and Mrs. Gertrude Houseman of Tecumseh called on Mr. and Mrs. C. H. Beach, Sunday evening.

BEER AMERICA'S BEVERAGE OF MODERATION

The American Way

In Michigan, farming is a Number 1 activity at this time of the year. And after a hard day in the fields "The American Way" is to enjoy a glass of cold, refreshing, Michigan brewed beer.

For beer belongs . . . to pleasant living, to good fellowship, to sensible moderation. And our right to enjoy it, this too, belongs . . . to our own American heritage of personal freedom. *Beer Belongs . . . Enjoy It*

MBA **Michigan Brewers' Association**

CALL SAVES MAN.

Denver, Colo.—Worried because he had not heard from his brother for four weeks, Fred Shrum called Detective Jack Field from Mount Clemens, Mich., and asked him to investigate. Detectives broke down the door to Clifford Shrum's apartment and found him helpless from extreme malnutrition, having eaten only one potato for 24 days. Because of his weakened condition, Shrum was unable to explain the reason for his strange plight.

Ever stop to think

Your First Car can be a Buick!

THIS being a land where it is every man's right to dream of getting ahead—and the pursuit of happiness is guaranteed by the Constitution—it happens that a great many people aspire to own a Buick.

But too often they start with a lesser car first—from a feeling that Buicks are something you have to build up to gradually, as your take-home pay improves.

So—if you have any such notion—we'd like to set you straight, right here and now.

You don't have to hope and dream and wait. If you can afford a new car—the first car you buy can be the Buick SPECIAL pictured here.

Its price tag says so. Its low cost of operation says so too.

We know that it looks like a lot of money. That's what makes it such a buy.

We know that it has a long list of features found in costlier cars, and that it rides and handles like cars that sell for a great deal more.

But that simply means that—at its price—you're getting a very big money's worth.

All of which adds up to one conclusion: the smart thing to do is come in and give this neat and nimble new SPECIAL a thorough going-over.

Try out its power—the power of its high-compression, valve-in-head Fireball Engine.

Try out its ride and handling—and you'll discover it has the "big-car feel" that you'd expect from a Buick.

Try it out for size—for room—for comfort—for all the things that you've dreamed someday of having in a car—and you'll thank your stars that you found out the facts of life in time.

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.

NO OTHER CAR PROVIDES ALL THIS!

BRITTON

John Maschino of Flint is spending an indefinite time with his son and family, Mr. and Mrs. Ernest Maschino.

Mr. and Mrs. Erwin Baars of Detroit and Mr. and Mrs. Henry Filter have returned from a 10-day trip through the Smokey Mountains and other points south.

Mrs. Robert Irwin was the honored guest at a cradle shower held Wednesday evening in the home of Mrs. Fenton Barrett. Misses Margaret Barrett and Wilma Reau assisted. Thirty-eight guests enjoyed games with prizes presented to the guest of honor who also unwrapped an array of lovely gifts. Lunch was served by the hostess.

Miss Jessie L. Wolcott, a missionary who worked in China, will speak in the Britton Methodist church Tuesday, October 23, at 8 p.m. Her topic will be, "Conditions in China and church work there." This event is planned by the Woman's Society of Christian Service. The public is invited to attend.

Mr. and Mrs. W. S. Niblack visited her father, J. H. Miner of Hillsdale, who is a patient in St. Joseph hospital in Ann Arbor, Tuesday. He underwent surgery about ten days ago.

Mr. and Mrs. William McElroy were host to the Congregational Christian Duet Class, Wednesday evening, with a potluck supper at 7 o'clock.

Mr. and Mrs. Harold Osterhout entertained at dinner Friday evening honoring his mother, Mrs. Florence Osterhout, who was celebrating her birthday anniversary. Other guests were Mrs. George La Belle of Detroit, Mr. and Mrs. Thurlow Osterhout, Mrs. Minnie Sisson, Mr. and Mrs. Clarence Underwood and Mr. and Mrs. LaVerr Pocklington.

Mr. and Mrs. Robert McCarbery accompanied Mr. and Mrs. Charles Stocking on Sunday to Wyandotte where they were guests of Mr. and Mrs. John Finch.

Mrs. J. Morgan Reese is a patient in the Art Centre in Detroit where she underwent surgery last week.

William L. Cundiff of Detroit was a week-end guest of his parents, Mr. and Mrs. William Cundiff.

Mr. and Mrs. E. L. McCrate and Mrs. Alice Robins and son of Columbus Grove, O., spent Sunday with Mrs. Flora Exelby.

Miss Rosemary Gilmore Weds William Niblack

St. Peter's Episcopal church in Tecumseh was the scene of a fall wedding Saturday evening, at 8 o'clock, when Miss Rosemary Gilmore, daughter of Mr. and Mrs. Herbert Gilmore, and Stewart Niblack, son of Mr. and Mrs. William Niblack, all of Britton, were united in marriage. The Rev. Richard Petersen performed the double ring ceremony before an altar decorated with lighted tapers, vases of pompoms and baskets of chrysanthemums.

Dr. James Spencer played several organ selections before the ceremony and accompanied Mrs Gibbs Barber who sang, "O Perfect Love" and "The Lord's Prayer."

The bride approached the altar on the arm of her father. She wore a gown of white slipper satin with lace trimmed bodice and self-covered buttons down the back. The long tight-fitting sleeves ended in points over her hands, and her skirt fell into a long train. Her finger-tip veil of illusion was attached to a band of satin covered leaves. She carried an arm bouquet of white Killarney roses and strands of ivy.

The three attendants were gowned in matching dresses and carried basket-effect bouquets of bebe pompoms and sweetheart roses. Mrs. James Vallie of Chicago, matron of honor, wore a teal blue gown. Miss Eileen Carothers and Miss Marcella Niblack, bridesmaids, wore rose satin gowns. All three wore braided headbands to match their gowns.

Charles Beach of Clarkston was best man and Wesley Gilmore and Richard Bishop were ushers.

Mrs. Gilmore, the bride's mother, wore a royal blue dress and Mrs. Niblack, the groom's mother, wore a plum dress both with black accessories and an orchid corsage.

A reception was held in the Tecumseh Grange Hall immediately following the ceremony.

For her going away suit, Mrs. Niblack chose a dark brown suit with green accessories and wore a tiny yellow rose corsage. She will continue her teaching duties at the Britton-Macon Rural Agricultural school. Mr. Niblack will return to Bainbridge, Maryland, where he is stationed at the naval hospital corps school.

BUTLER HOME & AUTO SUPPLY
PHONE 45 OSCAR BRYAN, Manager

Fund Workers

(Continued from page 1)

"Everything is in readiness for the kick-off and the breakfast will be brief and to the point," Harris said. "The workers' kits of supplies have been packaged by the Girl Scouts of Troop 11, and everything is ready for the captains and the solicitors who will take over the campaign at this point." Harris also said that the V. F. W. Auxiliary had volunteered as a unit to aid in the house-to-house solicitations.

Harris said that he expected that about 125 persons would attend the breakfast this morning. All of the ministers in the village have been invited, as well as members of the Community Fund board of directors. At least 110 workers and captains have signed up to do the actual work of soliciting, in the residential areas and in the business and industrial districts.

"Folk should bear in mind that when they give this year they are giving to a 'packaged' fund because there are eleven agencies, including the United Fund with its 29 participating groups, sharing in the proceeds. Locally there are the Boy, Girl and Cub Scouts, the Hospital Auxiliary, the Recreation Center, the Hallowe'en and Christmas parties, and many other organizations that benefit. We are giving $2,000 to the United Fund but of that amount more than $800 goes directly to the USO, to help our youth in military service. All in all, it seems certain that once the public understands the importance of this packaged-drive, they will give and give generously."

Harris hopes to wind up the campaign by the end of this month. While the quota this year is about $1,150 larger than it was a year ago, he is optimistic as to the final outcome.

"I think that folk will give just a little more this year," Harris said, "when they realize that the United Fund, with its 29 participating groups, is sharing in the success of our effort."

CARD PARTY, BAKE SALE NETS AUXILIARY $353

The dessert card party and bake sale, staged by Herrick Memorial Hospital Auxiliary at the Legion Home, Tuesday evening, netted more than $353, it was announced today. Some 50 tables were filled for canasta and bridge. The buffet table was centered with bouquets of chrysanthemums and arrangements of fall leaves. Mrs. Paul Keyser, president, and Mrs. Vincent Haight, finance chairman, poured. Mrs. Herbert Dillon and her committee had charge of the bake sale. Four large baskets of mums, the contribution of Tresco, were used in the decorations.

Door prizes were contributed by Mesdames Jens Touborg, Clyde Giltner, Ralph Hodges, Wm. Wright, Ray Sluyter, G. A. Rathbun, Leo Bishop, Al Musch, Orville Laidlaw, Ned Baldwin, Al Pope, E. C. Hellman, Glen Gripton and W. T. Claxton. They were awarded to Mesdames La Rue Hart, Oley Mahrle, Herbert Dillon, Lillian Rogers, Marvin Watkins, Clark Vincent, Wesley Erlenbush, Don Gehringer, Robt. Manchester, Wm. Fury, Sam Sisson, Connie Farver, Blanche Farver, Wellington Wotring, Henriette Lindsley, Lois Fury, Francis Wallace, Laine Holden and LeRoy Titley.

A beautifully decorated cake, baked by Mrs. Watkins, was sold at auction by Mrs. Sluyter.

The Auxiliary has a membership of 262. As its project it plans to remodel the hospital lobby.

The next Auxiliary-sponsored event will be the annual Christmas party to be held in December.

LEGAL NOTICE

Order of Hearing—Claims

STATE OF MICHIGAN,
County of Lenawee,—ss.

Probate Court for said County.

At a session of the said court, held at the probate office, in the city of Adrian, on the 10th day of October, A. D. 1951.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of FRANCIS M. SMOKE, deceased.

IT IS ORDERED, that the 16th day of January, A. D. 1952 at ten o'clock in the forenoon, at the probate office in the city of Adrian, be and is hereby appointed for the hearing, examination and adjustment of all claims and demands against said estate; creditors of said estate are required to present their claims in writing and under oath at this court and serve a true copy thereof upon Richard A. Ansted, administrator upon said estate whose address is 731 Hoch Avenue, Adrian, Michigan not less than twenty days prior to the date set for said hearing.

IT IS FURTHER ORDERED, that notice thereof be given by publication of a copy of this order for three consecutive weeks, within thirty days from the date hereof, in The Tecumseh Herald, a newspaper printed and circulating in said county.

BERNARD N. WILLIAMSON,
Judge of Probate.

Harris Takes Part In Drawing For Gas Service

Capsules containing numbers were drawn in Consumers Power Company's Jackson Division office at 2 p.m. last week Wednesday to determine who among the nearly 2,000 applicants for gas space heating would be the 631 to receive it this fall.

The 631 quota, determined with the approval of the Michigan Public Service Commission in Lansing, includes gas space heating applicants in all the cities which are served gas for heating in the Jackson Division. The cities are Jackson, Tecumseh, Manchester, Blissfield and Clinton.

Mayor James N. House, of Jackson, drew the first five capsules and he was followed by Ronald Harris, secretary of the Chamber of Commerce in Tecumseh, representing the other communities included in the lottery, and by Miss Harriett Whiteman of the Jackson Business and Professional Women's Club.

Herman H. Koelbel, Jackson division manager, presdied at the ceremony and emphasized that the winners of the lottery cannot be notified until the company completes the processing of winning applications. This processing will probably be completed within four days, Mr. Koelbel said, and winners will be notified by mail this week.

Those applicants who do not win are assured by Mr. Koelbel that their names will head a priority list for space heating service. As soon as additional gas for space heating purposes is made available to the company, Koelbel said, the persons on the waiting list will be informed.

W. S. C. S. Will Entertain Adrian Group In November

The third of a series of benefit luncheons was held by the Woman's Society of Christian Service of the Methodist church for its members and church friends last Wednesday in the social room of the church. Mrs. Lenore West, Mrs. Bert Warren, Mrs. Ernest Robison, Mrs. Willis Porter, Mrs. Jennie Temple, and Mrs. Kitty Finch were the hostesses.

The president, Mrs. Robert Bonner, presided over the regular business meeting during which she appointed Mrs. George Greene, sr., Mrs. Charles Schoenholtz, and Mrs. T. Rentschler as hostesses for the potluck supper which preceded the "Family Night" program that was held last evening.

In accordance with the plans of the Ann Arbor District to get better acquainted with other societies, the Tecumseh Society will entertain the members of the Adrian Society at its regular meeting in November when Mrs. Wm. Phalen, the district secretary of Missionary Education, will be the guest speaker.

Mrs. George Greene, sr., chairman of the parsonage committee, revealed the necessary improvements needed at the parsonage immediately and the Society appropriated a sum of money in order to begin the repairs as soon as possible. Rev. Ronald A. Brunger related some of his plans as a full time minister of the church. Mrs. A. L. VanWinkle who had charge of devotions and program presented interesting facts on "Christian Relations and Human Rights." Mrs. VanWinkle and Mrs. George Wittrup then conducted an informative question and answer dialogue in conclusion.

For several consecutive Wednesdays, the Society will conduct a study class on "We Americans—North and South" in the home of Mrs. Wilfred Waldron. Those desiring transportation will meet at the church on that day at 1:50 o'clock.

Baptists In Convention At Battle Creek Today

The American Baptist State Convention will be held in Battle Creek this week, Thursday through Saturday. The Rev. B. O. Bashore will attend and he will be accompanied by Mrs. Fay VanValkenburg, Mrs. Ted McConnell, Mrs. Charles Williamson and Mrs. W. J. Morse.

The Rev. Mr. Bashore has urged all Sunday School teachers to try and attend the classes at the Adrian Baptist church in Adrian, a school of leadership Tuesday evening from 7 to 9 p.m. Those to attend from the Baptist church are Mrs. Fay VanValkenburg, Mrs. Harold Harper, Mrs. Harold Davidson, Mrs. C. O. Bailey and Mrs. Bashore.

CRADLE SHOWER

Mrs. Robert W. Laidlaw was the guest of honor recently at a cradle shower in the home of Mrs. R. J. Bowers. Games were played and prizes won were presented to the honored guest who also received a shower of green and yellow gifts. Refreshments were served by the hostess, from tables decorated with fall flowers.

Herald Classifieds pay big dividends.

Woman Killed

(Continued from page 1)

State police, investigating the crash, said that Stephens car, traveling west at a speed of 75 miles an hour, attempted to pass another car and lacked sufficient room. One car was forced off the road, Stephens skidded, struck another car a glancing blow and then crashed head-on with the Tuttle car.

Two men suffered painful injuries at 2:25 a.m., Saturday on US-112 west of Clinton in a head-on crash. Albert Barnes, 44, Tecumseh, and Maurice Floyd, 24, of East Peoria, Ill., were removed to Herrick Memorial Hospital here for treatment. They are to be questioned later by state police.

Bernard Everlove, Tecumseh, was given a summons for excessive speed, following an accident Saturday evening on M-50 near Tipton. State police said that Everlove's car skidded and turned over when he attempted to avoid hitting a tractor that was traveling in the same direction on the highway.

Dedicate New

(Continued from page 1)

vany and ground was broken for the new building on July 16 of that year. The cornerstone was laid on November 5 of last year.

The new church, of masonry construction, is 40 by 74 feet, and will accommodate about 250 worshipers. It is modern in design.

Since the incorporation of the church, many gifts have been received from local businessmen and for these the pastor today expressed his appreciation. He also said thank you for the assistance given by R. W. Herrick and the Tecumseh Products Co. It was the combination of gifts that made the new edifice possible and for the church to better take its rightful place in the life of the community.

A week of special services will begin next Sunday evening with the Rev. W. A. Hines of Toronto, Canada, as the speaker. Monday evening, local assemblies will join in a youth rally with the Rev. Charles Davenport of Albion as the speaker. The following ministers will speak on succeeding nights: Tuesday, the Rev. George Moore of Ann Arbor; Wednesday, the Rev. J. Traub of Garden City; Thursday, the Rev. Parvin Lee of Dearborn; Friday, the Rev. D. G. Foote of Ypsilanti.

The public is invited to attend any and all of these services.

State Watches

(Continued from page 1)

vote the bonds it is altogether likely that the village will be taken in to the courts and forced to build the plant anyway. If we are taken in to court, the plant probably will cost us several thousands of dollars more than it would have, had we built it in the regular way."

Heilman recalled that the City of Adrian refused to vote a similar bond issue and that the Commission, through the courts, obtained an order and forced construction.

"I don't think that Tecumseh is an exception," Heilman said, "in fact I am most certain that that is what will happen here."

GARDEN CLUB TO MEET

The Tecumseh Garden Club will meet Friday afternoon, October 19, at 2 o'clock at the home of Mrs. Joe O'Pravil, with Mrs. August Hoffmeister, Mrs. Henry Hamilton and Mrs. Fred C. Dickinson, assisting hostesses. The program will be a round table discussion on "My Favorite Flower." African violets by Mrs. Clarence Beach; mums, Mrs. Max Brandt; water plants, Mrs. Lyman Curtiss; iris, Mrs. Al Helzerman; dahlias, Mrs. Wesley Mast; tulips, Mrs. Leon Rosacrans; daffodils, Mrs. Neil Pearson; roses, Mrs. E. C. Boss; glads, Mrs. C. D. Branigin. The nominating committee includes Mrs. Robert McCoy, Mrs. Victor Voorhees and Mrs. Curtiss.

BAPTIST LEAGUE MEETS

The Baptist League met at the home of Mrs. Fred Bryan in Britton, Monday evening with ten members in attendance. Mrs. Charles Beland was co-hostess. The program included work on White Cross articles. Mrs. Carl Kempf was in charge of devotions. The league laid plans for a rummage sale to be held November 9 and 10. The November 12 meeting will be held at the home of Mrs. Harold Davidson.

LUNCHEON HOSTESSES

Hostesses for the Tecumseh Country Club luncheon, Wednesday, October 24, at one o'clock are Mrs. J. F. Furrey of Macon and Mrs. C. M. Brown, phone 57. Reservations are to be made not later than Tuesday noon.

Indians Humble

(Continued from page 1)

and Saturday. Teachers and coaches alike attend the Lansing meeting.

The Indians came out on the top side of a 33 to 0 victory over Hudson here last Friday night in a contest that found Tecumseh scoring in every quarter and the visiting eleven easy prey for their hosts.

Bill Benham, Indian quarterback, accounted for 15 of the 33 points that Tecumseh scored during the contest. In the first quarter, a pass from Jim Breitenwischer to John Sisson was good for a 40-yard advance and the first touchdown. It was then that the quarterback scored his first point by kicking the conversion.

In the second frame, Benham raced into the Hudson end zone for a 60-yard gain but an offside penalty called the play back. A second attempt took the ball to Hudson's 25-yard stripe and then Dick Whelan skirted the right end for the marker. Benham again kicked the conversion.

It was in the third stanza that Hudson made its only threat, moving the pigskin to Tecumseh's one yard line. The visitor's possible scoring opportunity was shortlived. Breitenwischer intercepted a pass by Bill Rupley and then began a march that carried Tecumseh back 99 yards and across the Hudson goal line for the third tally. Benham missed the third conversion but he did participate in the 38-yard drive that accounted for the touchdown.

In the same quarter, Breitenwischer broke into a pass by Rupley of Hudson on the guests' 40 yard stripe and then a series of plays put the ball on the 15-yard line. Benham climaxed the drive by dashing the distance for his second touchdown of the evening. Bob Marsh kicked for the extra point but failed. Later, another Hudson pass was intercepted. In the final period and the ball was downed on the Tiger's 43-yard stripe. Benham carried the ball to the goal line and he also booted the conversion for the extra point.

THE LINEUPS

Tecumseh

Hudson	0	0	0	0	— 0

Officials: H. Wagner, Adrian; N. Hughes, Detroit; L. Powers, Ida.

Thinks China To Agree To U. S. Terms of Peace

The Tecumseh Monday Club observed "Gentlemen's Night" in conjunction with the Tecumseh Business and Professional Women's Club and the Wit and Wisdom Club by holding a dinner meeting in the Grange Hall, Monday evening. Following the dinner, Mrs. E. J. Aebersold, president, introduced the program. John Neudeffer of Manchester sang a group of songs accompanied by Mrs. Kenton Hunt. Mr. and Mrs. Earl Wood of Brooklyn showed two films in color, "Detroit and Its 250th Anniversary," and "Hunting in Alaska." Bill Aebersold, son of Mr. and Mrs. E. J. Aebersold, gave an interesting account of his impressions of Korea where he had served recently with the 31st Infantry. His dry humor was pleasing throughout his talk. He also showed slides of Korea which he had taken personally.

A discussion followed with many of the audience asking questions, which Mr. Aebersold was able to answer satisfactorily. When asked what he liked most about the Koreans he said that it was the Korean's philosophy of life. He then proceeded to explain what he meant. His personal opinion is that Communistic China eventually will agree to U.S. terms of peace even though it has been promised many things by Russia.

Aebersold has returned to Adrian College this fall to complete his senior year in spite of the fact that his formal education has been interrupted twice due to military service.

LOCAL ARTIST TO SHOW HER PAINTINGS IN TOLEDO

Fifty Years of American Art will be on display at the Toledo Art Museum October 14, closing November 4. Main features at the art exhibit will be 35 water colors of out-door scenes, with buildings and boats as the principal subject.

Mrs. Edmond Childs of Monroe, daughter of Mrs. Charles Williamson, has exhibited at the art Museum during the last seven years. She has been interested in painting since she attended the Tecumseh public school. In 1939 she studied in the Toledo Museum school of design; one year under Betty Parker; two years from Frank Turner; two years from Mrs. Robert Ayers and she also studied under Carl Goertner, head of Cleveland Musium of Arts. She has also exhibited her paintings in several of the Toledo Artists Club shows.

The exhibit is open to the public.

DAUGHTER TO WED

Mr. and Mrs. Myron Derymer are announcing the engagement of their daughter, Mary Jane, to Jack Raymond Gibson, son of Mr. and Mrs. Lloyd Gibson of Clinton. The marriage date has not been set.

HERRICK MEMORIAL HOSPITAL NOTES

Miss Alice E. Moore Bride of W. W. Exelby

The Congregational Christian church of Britton was the scene of a colorful autumn wedding Friday evening at eight o'clock when Miss Alice Elleen Moore, daughter of Mr. and Mrs. Bert Moore, and Willard W. Exelby, son of Mr. and Mrs. Ford Exelby, all of Britton, spoke their marriage vows. The impressive double ring ceremony was read by the Rev. J. Morgan Reese, pastor of the church. Yellow and white pompom chrysanthemums were used in the altar vases.

Nuptial music was played by the organist, Richard Lower, and he accompanied Gene Mackey, who sang, "Because" and "O Promise Me," preceding the ceremony, and "The Lord's Prayer" during the ceremony. Myrlen Moore, brother of the bride, and LaVon Tubbs, were ushers.

The bride, given in marriage by her father, was lovely in a gown of ivory slipper satin with a lace yoke and trim. It had close-fitting button-trimmed sleeves and the full gathered skirt ended in a train. She carried a cascade bouquet of white pinnocio pompoms centered with a white orchid.

The maid of honor, Miss Joyce McCarbery, wore a gown of purple velvet basque with boat-shaped neckline, outlined by a fold of matching material. Points over the arm formed a cap sleeve. The skirt of matching net over taffeta was floor length as were those of all of the attendants. Her cascade bouquet was of harmonizing shades of purple and orchid mums with tricotine loops. The bridesmaid, Miss Ardath Gripton, wore an identical dress in autumn green and her bouquet was of yellow mums.

Virginia Ehlert and Susan Leighton, nieces of the bride and groom, were flower girls and wore dresses in gold velvet net and taffeta, similar to the other attendants. The rings were carried in tiny colonial bouquets of rust and yellow mums. All attendants wore matching net halos.

Dale McCarbery attended Mr. Exelby as best man.

Mrs. Moore, the bride's mother, wore a dress of purple crepe with rhinestone buttons and a corsage of tiny yellow rosebuds. Her accessories were grey and black. Mrs. Exelby wore a dress of irridescent wine taffeta with black velvet trim, black accessories and a white camelia corsage.

A reception was held immediately following the ceremony in the church parlors for 225 guests, who were registered by Miss Polly Eberhardt, at the guest book. Mr. and Mrs. Elmer Eberhardt acted as hosts. Mr. and Mrs. Moore and Mr. and Mrs. Exelby received the guests in the reception line with the bride and groom. Guests were from Urbana, Ill., Toledo, and Metamora, Ohio, Lansing, Grand Rapids, Jackson and nearby towns. Members of the Philathea Class were in charge of the refreshments and poured from a table centered with a crystal bowl of pompoms and lighted candelabra. Mrs. Mary Wirth assisted by Mrs. Kenneth MacEnroe, aunt and cousin of the bride cut and served the wedding cake. The wedding cake was surrounded by a wreath of plumosa and tiny yellow poms with burning yellow candles in crystal holders.

Mr. and Mrs. Exelby left later on a wedding trip to Florida and through the Smoky Mountains, the bride traveling in a charcoal gray dress with burnt orange and black accessories. She wore the orchid from her wedding bouquet. Mrs. Exelby was a graduate of Britton high school, class of 1948, and was formerly employed in the office at Bruce Foundry in Tecumseh. For the past two years she has been employed in the office of Plaskon Co., Toledo, where she will continue her work. Mr. Exelby is a graduate with the class of 1943 in Britton and spent two years in the Navy during World War II. He is associated in the Exelby Garage in Britton with his father.

The newlyweds will reside in an apartment in the home of his parents at 158 W. Chicago street, Britton.

Missionary From India To Speak Here, Sunday

Miss Norma Freer, of Moline, Ohio, will be the speaker at the workshop service at ten o'clock Sunday morning at the Tecumseh Friends church. Miss Freer returned to the United States last May after spending six years with the American Friends Mission in Bundelkhand, Central India. While in India she was associated with Mrs. W. E. DeVol who with her husband Dr. W. E. DeVol are now working in India. Previously the DeVols were missionaries to China, and it was while Dr. DeVol was in Japanese controlled China that Mrs. DeVol spent a year in Tecumseh where she has many friends. Miss Freer will also meet with members of the Welcome Class at an informal gathering to be held at 7:45 Saturday evening in the church parlors, at which time she will tell them about Hepzibah, a native Indian girl support-Christian commercial travelers and ed by the Welcome Class.

At the Sunday evening meeting held at 7:30 a representative of Gideons will speak of the work being carried on by that organization. The Gideons, an organization of Christian commercial travelers and other business men have distributed large numbers of Bibles and New Testaments to hotels, members of our armed forces, and public schools. The public is invited to the services on Sunday.

Friends Harvest Home Service Big Success

Harvest Home services were held morning and evening last Sunday at the Tecumseh Friends church, with a good attendance at both services. The church was decorated with arrangements of flowers, fruit, vegetables, canned goods and other produce. Mrs. Herbert Murphy as chairman, assisted by Mrs. Ned Kotts and others decorated the church.

Dr. Byron L. Osborne the president of Cleveland Bible College was the speaker at the services Miss Evelyn Cosand and Miss Norma Thomas, members of the faculty of Cleveland Bible College were the special singers. In addition to singing at the church services they also sang on the Quaker Gospel Hour at 8:30 a.m. on WABJ, and at the chapel service at the Girls' Training School on Sunday afternoon.

Cash offerings received for Cleveland Bible College amounted to over $370. Some items of produce were: a ton of flour; 267 quarts of canned fruit, 147 pounds of sugar, and five bushel of apples. All of the produce together with the cash offering was given to Cleveland Bible College.

D. A. R. Favors Return Of School Chapel Programs

Abi Evans Chapter, Daughters of the American Revolution, held its October meeting, Friday afternoon at 2:30 at the home of Mrs. C. D. Branigin, west of town.

Some 25 members and guests were in attendance. Mrs. Burtsel Claus presided at the business meeting, and thec hapter went on record as favoring the return of chapel exercises in the public schools. Interested citizens are urged to write their senators in Washington, favoring the program.

Mrs. B. O. Bashore and Mrs. Louis Schneider are in charge of the rummage sale and Mrs. C. H. Williamson the bake sale which are to be announced at a later date.

Mrs. Roy Whiting, leader, introduced Miss Alice oJhnson, a member of the Keziah-Cooley-Goss chapter in Ann Arbor, and former head of the graduate library of modern language of the University of Michigan. Miss Johnson spoke on "Antique Glass" and had several exhibits from her collection including rose and snow, early thistle and grape patterns.

Tea was served following the program from a lace covered table decorated with fall flowers. Mrs. H. E. Whelan poured. The assisting hostesses were Mrs. J. Floyd Elliott, Mrs. aBshore, Mrs. Lucy Terry, Mrs. James Artman and Miss Edith Ingersoll.

The November 9 meeting will be in the evening and the place will be announced later.

USES CLUB ON BOBCAT

Missoula, Mont. — Finding a large bobcat in his woodshed, Louis Albrecht, didn't go for a revolver or rifle, he just picked up a handy club and dispatched the animal with a solid blow to the head. The retired rancher has the pelt, more than three feet long, to prove his feat.

EVER READY CLASS

The Ever-Ready Class of the Baptist church is holding a surprise birthday party Thursday evening honoring the 89th anniversary of Mrs. Harriet Knikgt, at the home of Mr. and Mrs. Floyd Bryan. Potluck supper will be served.

Now is the time to order BIBLES FOR CHRISTMAS with names imprinted.

LOCALS AND PERSONALS

Mrs. M. G. Partridge visited her sister, Mrs. A. W. Marsh in Ann Arbor Wednesday and in the afternoon they visited Mrs. Partridge's son and family, Mr. and Mrs. Milton Partridge at Plymouth.

Mr. and Mrs. M. G. Partridge were dinner guests Wednesday evening of Mr. and Mrs. Lamont Simmons of Tipton.

Mrs. Owen Partridge, Mrs. M. G. Partridge, Mrs. Ernest Green, Mrs. Clair Rozelle, Mrs. Ray Schlegel, Mr. and Mrs. Vern Russell, Mrs. Myrtle Taylor, Mrs. Ruby Kniffen and Mrs. Kenton Hunt were among those who attended the Grand Chapter of the Order Eastern Star at Grand Rapids, Thursday. Mrs. Hunt attended all of the sessions.

J. Paul Ammer returned to his home Wednesday from University hospital in Ann Arbor where he underwent surgery on one of his knees. He is recovering satisfactory.

Mrs. George Monroe of Freemont, Mich., who has been spending several weeks with her daughters, Mrs. Jens Touborg and Mrs. P. G. Colgrove, and their families, returned to her home Sunday. She was accompanied by Mr. and Mrs. Touborg who returned Sunday evening.

Mr. and Mrs. P. G. Colgrove spent the week-end at Traverse City.

Frank Rice is recovering slowly at his home after several days' illness.

Mrs. Carl Glancy, Mrs. Rose Service and Mrs. Minnie Tate of Clinton were in Jackson recently and visited at the Odd Fellows Home.

Mrs. Carl Glancy, Mrs. William Cundiff of Britton, Mr. and Mrs. Ed Furgason and Mr. and Mrs. Lester Tucker were in Grand Rapids Monday attending the Rebekah assembly. Mrs. Glancy and Mrs. Furgason were delegates of the Rebekahs and Mr. Tucker a delegate for the Odd Fellows.

Robert Allen and daughter, Anita, flew to Bloomington, Ill., last week where he attended a business meeting. Later they flew to Champaign where they visited Mr. and Mrs. Robert Hoag and to Evanston they called on Mr. and Mrs. Roy Billington and their aunt, Mrs. Cecil Billington. The latter is recovering satisfactorly from a fractured hip.

SMART FIDO

Marion, Ill. — Answering a signal, a telephone operator asked, "Number, please?" and all she heard was "Woof, woof." Finally, she had the sheriff listen and the telephone woofed back at him, too. The sheriff drove to the telephone's location—a garage—and found it locked. Inside was a bird dog beside the telephone, which it had apparently knocked from a table. The sheriff called the owner, who unlocked the dog.

Now... driving's a joy!

LOCALS AND PERSONALS

Ronald Harris, secretary of the Chamber of Commerce, returned Saturday evening from Houghton Lake where he attended the Commercial Secretary's Association meeting. Wednesday afternoon he was in Jackson and took part in the drawing of capsules at Consumers Power Co., for gas heating.

Mr. and Mrs. Peter Knight and sons have moved from the O'Hara apartment to their newly purchased home at 3850 Kaiser Rd., north of Tecumseh.

Mr. and Mrs. F. C. Dickinson were Sunday dinner guests of their daughter, Mrs. Walter P. Lang and family of Monroe. Later they visited the Toledo Art Museum and saw the paintings of Marian Williamson Childs, of Monroe, daughter of Mrs. Naomi Williamson of Tecumseh. Thirty-five beautiful water paintings were on display in gallery 8, first floor.

Mr. and Mrs. Walter Morden, Mr. and Mrs. Russell Liddell, Mr. and Mrs. Gordon Greiman and Mr. and Mrs. John Riley of Adrian were in Detroit Sunday and attended the Detroit Lions-Los Angeles Rams football game.

Richard Boyd and Russell Steinke left last week for New York City. Mr. Boyd returned Saturday and Mr. Steinke remained to attend art school.

Mrs. Malinda Joseph has been taken to the home of her daughter, Mrs. Morris Pennington in Tipton, from the Beckman Nursing Home.

Mr. and Mrs. Duane Service returned Thursday from a week's visit at Houghton Lake with Mr. and Mrs. Don Goddard.

F. E. Smallidge of Crystal Lake spent the week-end in Tecumseh and attended the funeral services of Mrs. Helen Stevens of California whose burial was in Brookside cemetery. Mrs. Stevens was formerly from Tecumseh.

Mr. and Mrs. Ervin Schilling and son, David, have arrived here from El Paso, Texas, with her parents, Mr. and Mrs. Lynn Hubbard. Mr. Schilling has received his discharge from the service.

Mrs. Martha Rockwood has been visiting relatives in Ann Arbor and Flint.

Mr. and Mrs. Percy Hand and son have returned from a trip to Berea, Kentucky. They were accompanied by Mrs. Hand's sister, Miss Flora May of Detroit.

Norman C. McConnell has returned home from St. Joseph Hospital in Ann Arbor where he was hospitalized several days for treatment.

Guy Grieves was a recent guest of the Rev. and Mrs. E. R. A. Green in Dearborn and attended the installation of the Rev. Mr. Green as rector of Christ Episcopal church there. Mr. and Mrs. Lester Rogers also attended from Tecumseh.

Miss Joyce Bowen Is Bride of Eldon Service

The wedding of Miss Joyce Bower, daughter of Mrs. Roger Wilson of Tecumseh and Melvin H. Bower of Adrian, and Eldon Service, son of Mrs. Rose Service of Tecumseh was performed in the Chapel in the Garden at Angola, Ind., Oct. 3. The Rev. Glenn L. Utterbach read the double ring ceremony.

The bride wore a navy blue suit and navy shoes with a pink hat and matching gloves. Her flowers were sweetheart roses tied with pink ribbon. Miss Marianne Schook of Manchester was her attendant. She wore a black and red suit with red accessories and carried a colonial bouquet of red roses tied with silver ribbon. George Schook attended Mr. Service as best man.

A wedding dinner was served later at the home of the brides' mother, Mrs. Wilson on N. Democrat street, for the wedding party and immediate family. Mrs. Peter Knight, a daughter of Mr. Wilson, assisted in the serving.

ALTAR SOCIETY MEETS

The Altar Society of St. Elizabeth Catholic church met in the church, Wednesday evening. Mrs. Paul Breitenwischer presided at the business meeting and plans were made for a Hallowe'en party for the children at the church Monday evening, October 29. A discussion on linens for the church was held. Refreshments were served following the social hour by Mrs. Ted Golat and her committee.

ANTIQUE SHOW

The Toledo Woman's Club is holding an Antique Show at their club house, 2920 Cherry street, Toledo, October 26, 27 and 28. Twenty leading antique dealers from the Toledo territory will display many authentic and unusual antiques ranging from glassware to period furniture. The entire club house will be open to visitors.

A Message To The Voters and Taxpayers Of Tecumseh From Their Village President And Councilmen

On Wednesday, October 31, the qualified voters and taxpayers of the Village of Tecumseh, Michigan, will go to the polls to decide two important issues in Tecumseh's progress.

Both of these issues concern the building of a Sewage Disposal Plant in Tecumseh as ordered by the Michigan Stream Control Commission.

The first proposal to be considered by the voters is that of increasing the millage that may be raised by taxation for the retirement of bonds for general improvement.

Tecumseh, at the present time, is operating under the General Village Charter Law, enacted in 1896. Under this law, the Village may not issue bonds in excess of two per cent of its assessed valuation in any one year for general improvement purposes. Tecumseh's assessed valuation is $5,200,000 and two per cent of this amount is only $104,000. The sum of $285,000 is needed to construct the Sewage Disposal Plant and the necessary interceptor sewers, to the satisfaction of the Stream Control Commission.

Because the state law, therefore, makes it impossible for Tecumseh, under its present charter, to issue bonds in the required amount, it becomes necessary to submit an amendment to the charter to the voters, asking that the millage that may be assessed for the retirement of improvement bonds be increased from two per cent to seven per cent to fulfill the requirements of the law.

The seven per cent figure would permit Tecumseh, with its present assessed valuation, to issue bonds in the amount of $364,000. This is more than is needed to enable the $285,000 proposed issue but, your council believes—on the advice of consultant economists—that it is good business for the village to enjoy this small cushion of financial soundness.

The fact that the millage has been raised from two to seven per cent should give voters no immediate or future concern. Bonds can not be issued by the village without the voters' consent. ALWAYS, bonding issues are submitted to the voters.

The proposal to increase the millage rate is, therefore, the first step that must be taken in the issuance of the sewage disposal bonds. Any qualified elector may vote on this issue. (The voter need not be a property owner). However, this proposal MUST be approved by two-thirds of the electors who cast their votes.

The second issue before the electors will be the proposal that calls for the actual issuance of the bonds. On this issue, only persons owning property assessed for taxes in the Village of Tecumseh, or the husband or wife of such a property owner, may cast their ballots. A majority of the persons voting on this issue must give their approval before the bonds can be issued.

Your council desires to make these two, distinct steps clear to the electors. On the first proposal, that of millage, any qualified elector may vote. On the second issue, that of issuing the bonds, only property owners or the wives or husbands of such owners may vote.

The Sewage Disposal Plant Problem
Is Not a New One in Tecumseh, Michigan

The problem of whether or not Tecumseh shall install a sewage disposal plant and the necessary interceptor sewers is not a new one, in fact it is nearly 20 years old.

Your council has opposed, because of financial reasons, the building of such a plant in Tecumseh year after year. Tecumseh has been threatened with legal action by the state in the past, and has "begged off" because of problems of taxation.

It now appears that Tecumseh can no longer "beg off" and delay the installation. The state has issued a formal order, REQUIRING that the plant be installed and 1953 has been set as the date that the plant MUST be in operaion.

Tecumseh has in the past, and is at the present time, dumping its raw sewage into the River Raisin. This is in violation of the state law. The state says that the pollution of the river must be stopped. The state is prepared to enforce its order through the courts, if necessary.

It now seems to your council that Tecumseh has no alternative — the disposal plant MUST be built. It can no longer be delayed.

Your Council Believes That The Cheapest
Bonds Are General Obligation Bonds

Your council has studied the financing of the sewage disposal plant from many angles and it believes that, from the taxpayers' standpoint, general obligation bonds, such as will be issued in the event of voters' approval on October 31, are the cheapest bonds. Some folk have discussed the issuance of so-called revenue bonds.

Your council has investigated these two forms of financing and it finds that revenue bonds demand a higher rate of interest than general obligation bonds, and for that reason would be more expensive to the taxpayers. Over the full term of retirement years, it appears that the interest rate on revenue bonds would be between $25,000 and $30,000 higher than on general obligation bonds. Your council is interested in saving the taxpayers' dollars and does, therefore, for the reason of economy, recommend the general obligation bonds.

Bonds Would Be Retired Over 20-Year Period;
Tax Rate Would Be Increased About $1.50 Thousand

To retire the revenue bonds over a 20-year period, your council believes that it will be necessary to increase the tax rate in the Village of Tecumseh about $1.50 per $1,000 of assessed valuation, (1½ mills), to raise the necessary funds. Such an increase amount will return to the village in cash, on the present assessed valuation, about $7,800 annually. At the present time the village is assessing about four mills or $4 per $1,000 assessed valuation for sewers. This four mill assessment is raising about $20,800. Combining the $7,800 and the $20,800 makes a total available in the sewer fund of about $28,600, or a sufficient amount of money to pay the interest on the bonds, to retire the bonds when they become due, and to operate the disposal plant.

Here, then, is actually what the 1.50 per $1,000 assessed valuation will mean to the average taxpayer: If you own property assessed at $3,000 you will pay three times $1.50 or $4.50 more per year in taxes than you now are paying until the bonds are retired. Over the 20-year retirement period you would pay only $90.

Any taxpayer can determine the amount he would pay in taxes for the disposal plant by simply multiplying his assessed valuation in $1,000's by $1.50.

Your council does not believe that anyone will be injured, financially, as the result of the passage of this bonding issue and the building of the disposal plant.

Your council is frank in telling you that the Village of Tecumseh is, at the present time, violating the law by dumping raw sewage into the River Raisin. Your council knows that the practice must be stopped—as a health measure—and it also knows that the State of Michigan has the authority to stop the practice.

Your council believes that in the event that the electors disapprove of the bonding issue on October 31, that the State of Michigan will immediately take the village into the courts and force the building of the plant in accordance with the order of the Stream Control Commission.

Such a court order was made in the City of Adrian, and that community was required by law—after the voters there had refused to approve the bonding issue—to build a disposal plant.

Your council knows that if the bonding issue is disapproved, and that if the state forces construction of the plant here through the courts, that the cost will be higher—perhaps several thousands of dollars higher.

Your council dislikes spending taxpayers' money. Members of the council are taxpayers in Tecumseh. They understand that taxes should be kept to a minimum. But in this instance, there seems to be no other alternative.

The voters and taxpayers of Tecumseh should not confuse the disposal plant issue, and the need for the issuance of bonds with any other public improvement in Tecumseh. It is no way related to any other improvements—be they water, curb and gutter, streets or anything else.

And finally, your council urges you as voters and taxpayers to approve the issues at the polls, October 31. Remember, the first issue must be approved by two-thirds majority, the second one by a simple majority. If two-thirds of the voters fail to approve the first issue, both issues will be lost.

It is your duty, as an elector and a taxpayer, to vote on Wednesday, October 31, 1951. And we believe that it is to your best advantage, economically, to vote in favor of the issues as proposed.

Signed: J. Floyd Elliott,
President of the Village of Tecumseh,
acting on the authority of the Village Council.

COUNCIL PROCEEDINGS

NOTICE OF SPECIAL ELECTION

TO THE QUALIFIED ELECTORS OF THE VILLAGE OF TECUMSEH, MICHIGAN:

BY ORDER of the Village Council in resolution adopted on September 13, 1951, there will be submitted to vote of the qualified electors of said Village at a special election to be held on October 31, 1951, in the Village of Tecumseh the following propositions:

I. BONDING PROPOSITION

Shall the Village of Tecumseh, Lenawee County, Michigan, borrow the sum of Two Hundred and Eighty-five Thousand ($285,000.00) Dollars and issue its general obligation bonds therefor, for the purpose of paying the cost of constructing improvements to the sewage disposal system of the Village, consisting of sanitary sewers and a sewage treatment plant.

YES [ ]
NO [ ]

II. CHARTER AMENDMENT PROPOSITION

Shall Section 22, Article IX Section 22, Article IX, Act 3, Public Acts 1895, as amended) of the charter of the Village of Tecumseh be amended to provide as follows:

"Should any greater amount be required in any year for the purchase of grounds for erecting public buildings, or for other necessary corporate purposes, than can be raised by the council under the foregoing provisions, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds (2/3) vote of the electors voting thereon at any general or special election; provided, that the total of all taxes levied by the Village for municipal purposes whatsoever, in any year, shall not exceed two (2) per centum of the assessed value of all real and personal property in the Village; provided further, that the total Village indebtedness outstanding at any one time, whether incurred by the issue of bonds or otherwise, shall not exceed seven (7) per centum of the assessed valuation of real and personal property in the Village subject to taxation, as shown by the last preceding assessment roll of the Village."

The polls will be open from 7:00 o'clock, A.M. to 8:00 o'clock, P.M., Eastern Standard Time. The place of election will be the regular voting places in each election precinct in the Village.

Only those qualified electors owning property in the Village assessed for taxes or the lawful husband or wife of such an owner are entitled to vote on the bonding proposition.

All duly qualified electors may vote on the charter amendment proposition.

TAKE FURTHER NOTICE that the Village Council deems it necessary to amend Section 22, Chapter IX of the Village Charter (Acts 3, Public Acts 1895, as amended).

Section 22, Chapter IX, now provides as follows:

"Should any greater amount be required in any year for the purchase of grounds for erecting public buildings, or for other necessary corporate purposes, than can be raised by the council under the foregoing provisions of this chapter, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds (2/3) vote of the electors voting upon the question at an annual or special village election. The amount that may be voted or raised, in any year, under the provisions of this section shall not exceed two (2) per cent of the assessed valuation of the property in the Village, as shown by the last preceding tax roll made therein."

The proposed amendment would alter Section 22, Chapter IX, to provide as follows:

"Should any greater amount be required in any year for the purchase of grounds for erecting public buildings, or for other necessary corporate purposes, than can be raised by the council under the foregoing provisions, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds (2/3) vote of the electors voting thereon at any general or special election; provided, that the total of all taxes levied by the Village for all municipal purposes whatsoever, in any year, shall not exceed two (2) per centum of the assessed value of all real and personal property in the Village; provided further, that the total Village indebtedness outstanding at any one time, whether incurred by the issue of bonds or otherwise, shall not exceed seven (7) per centum of the assessed valuation of real and personal property in the Village subject to taxation, as shown by the last preceding assessment roll of the Village."

This Notice is given by authority of the Village Council of the Village of Tecumseh.

Robert L. Kroner,
Village Clerk.

Order of Hearing—Probate of Will

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 24th day of September in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of WILBUR L. WILSON, Deceased.

On reading and filing the petition, duly verified, of Milburn W. Brooks, nephew and heir at law of said deceased, praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved, and admitted to probate, and that administration of said estate may be granted to William L. Russell, the executor named in said instrument, or to some other suitable person.

It Is Ordered, That Monday, the 22nd day of October next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

BERNARD N. WILLIAMSON,
Judge of Probate.

THE TECUMSEH HERALD

ONE HUNDREDTH FIRST YEAR—NUMBER 4 | TECUMSEH, MICHIGAN, OCTOBER 25, 1951 | FIVE CENTS A COPY

Bond Issue To Voters, Oct. 31

FATE OF $285,000 SEWAGE TREATMENT PLANT TO BE DECIDED, WEDNESDAY

Voters in the Village of Tecumseh will go to the polls on Wednesday, October 31, to decide the fate of a proposed $285,000 bond issue, the funds to be used for the building of a sewage treatment plant. Voting, as usual, will take place at the Council Building, and the polls will be open from 7 a.m., until 8 p.m.

Actually, there will be two issues before the electors. The first one will be on a proposal to amend the village charter, making it possible to increase the percentage formula that is applied to assessed valuation in the case of bonding issues from two to seven per cent. It is necessary that this proposed amendment be ratified by two-thirds of the voters in the election. If this proposal fails, the bonding issue also fails.

The second issue is the proposal to issue $285,000 worth of bonds to cover the cost of the treatment plant. On this issue, only a majority of the electors voting need to approve.

On the issue to amend the charter, any qualified elector in the village may vote. On the bonding issue, only persons owning property that is assessed for taxes by the village, or the husband or the wife of such a property owner, may vote.

Electors should remember: On the first issue, that of amending the charter, a two-thirds majority must approve. On the bond issue, only a majority need approve. If either of the issue fail, both of them fail.

The election was brought about through the demands of the Michigan Water Resources Commission for the construction of a sewage treatment plant in Tecumseh. The building of the plant has been an

(Continued on page 4)

Roy Edgar Bowen, ... Is Buried In B...

Roy Edgar Bowen, aged 72 years, died Friday night at Highland Park hospital in Detroit after four week's illness. Mr. Bowen was a son of the late Edgar and Mary Bowen and was born October 20, 1879. He spent his entire life in this community and made his home on a farm northwest of Tecumseh.

October 4, he was taken to the home of his daughter, Mrs. Bond Bowman at Rosedale, and was later admitted to the hospital where he died.

Besides his daughter, Mrs. Bowman, he leaves a sister, Mrs. Zella Frost of Detroit; four grandchildren, Roy E., Don J., Beverly Ann and Roland Bowman, all of Rosedale and one nephew, Elmer Frost of Detroit.

The body was brought to the Green Funeral Home here where services were held Monday afternoon at 2 o'clock. The Rev. Parvin Lee of Dearborn officiated. James Pyle of Detroit sang, "I Will Pilot Thee" and "Great Is Thy Faithfulness," accompanied by Mrs. Florence Decker, also of Detroit. Burial was in Brookside. The bearers were Victor Gillespie, Irene Delano, Homer Prentiss, Calvin Stoner and Doc Edwards all of Tecumseh and Clarence Bowman of Manchester. Friends and relatives attended from Detroit, Rosedale, Dearborn, Manchester and Tecumseh.

Funeral Services Held For Mrs. Lilly Gray, 74

Mrs. Lilly Gray, aged 74 years, of 115 South Pearl street, died Saturday morning, October 20, at the Parrett Nursing Home after an illness of several months. She was born in Canada but had lived the past 52 years in Tecumseh. Mrs. Gray is survived by two sons, Frank of Tecumseh, and Lawrence of Ypsilanti; one brother, Roland Cook of Miami, Fla.; three sisters, Mrs. Edith Kent of Miami, Mrs. Alanta Art of Palmerston, Ont., and Mrs. Alice Lee of Los Angeles, Calif., and five grandchildren, Larry, Gary, Rickey and Joyce Gray and Mrs. Betty Fuller. Her husband, Claude Gray, preceded her in death in 1941.

Mrs. Gray was a member of the Methodist church, the Pythian Sisters and the Maccabees.

Funeral services were held Tuesday afternoon at the Green Funeral Home with the Rev. Ronald Brunger officiating. The bearers were Ernest Church, Lynn Hubbard, Charles Manley, Irving Shaw, Cecil Alderdyce and Earl Betser. Burial was in Brookside cemetery.

Members of the Pythian Sisters and the Temple Dependable Class attended the service in a body. Friends and relatives attended from Detroit, Ypsilanti, Ann Arbor, Pontiac, Carleton and Ridgeway.

THE TECUMSEH COMMUNITY FUND got off to a flying start at a kick-off breakfast last Thursday morning in Legion Memorial Home. Ronald Harris, director of the drive, hopes to reach the $8,175 goal by October 31. In the picture above, taken at the breakfast, Sam Shervino, representing the United Products Workers Union of Tecumseh Products Co., center, and Perry Hayden, left, president of the Hayden Flour Mills, are seen presenting their contributions to the Rev. Edward Escolme, right, treasurer of the Community Fund. The Union gave $300, the Hayden Mills $100.

Indians Dangle Another Scalp

SUMMERFIELD HIGH BOWS TO TECUMSEH GRIDDERS BY SCORE OF 33 TO 0.

In a lop-sided game under the lights at Recreation Center here last Friday evening, the Tecumseh high school gridders defeated the Summerfield high team by a score of 33 to 0. It was the Indians' fourth win in five LCAA starts. Summerfield played true to form, dropping their fifth game in as many tries.

Tecumseh scored two touchdowns in the first frame of the game. The first tally came after a 40-yard dash by Bill Benham placed the ball on the Bulldog's 5-yard line. Dick Whelan circled the end for the score and then kicked for the final point. The second marker was realized a few minutes later when Benham returned a Summerfield punt for 42 yards to the visitors' 23-yard stripe. Lynn Hunt carried the ball over for the marker. The conversion failed.

Two full touchdowns were chalked up by the Indians in the second stanza, the first when Jim Breitenwischer dashed around the end for a 38-yard gain with Benham kicking the conversion. A pass by Breitenwischer to John Sisson about mid-way of the quarter accounted for another 31-yard gain and a touchdown with Benham again making the extra point.

The Indians' final score came in the third quarter when Benham raced for 45 yards to the Bulldogs' end zone. The conversion failed.

Neither team scored in the last stanza.

Local fans now are eyeing the Blissfield game, the last one of the season for the Indians. This contest will be played Friday evening, November 9, on the Sugarboys' gridiron. Blissfield hasn't been going too well this year, dropping last week's game to Hudson by a 20 to 13 score. The Indians are hopeful of a victory over Blissfield to give them a shot at the LCAA title.

Norman M'Connell Dies

Norman Colvin McConnell, 66, life-long resident of this vicinity, died at 11:15 a.m., Wednesday, at his farm home, southeast of Tecumseh. He had been in failing health since June. He was born January 13, 1885, in Raisin township.

Mr. McConnell was a member of the Baptist church, the F. & A. M., of Tecumseh, and the Grange.

Surviving are the widow, Lulu, a son, Harley H., a daughter, Mrs. Lyle M. Grigg, five grandchildren, and a brother, Edward McConnell, all of Tecumseh. He was preceded in death by two sisters.

Funeral services will be held on Saturday afternoon at 2 o'clock from the Green Funeral Home, the Rev. B. O. Bashore officiating. Burial will be in Brookside.

Tecumseh Girl Scouts Plan Vesper Service

The Tecumseh Girl Scout Association announces that its second annual Brownies' and Girl Scouts' Own Vesper Service will be held in the Methodist church on Sunday afternoon, October 28, at four o'clock. Most of the service will be planned and presented by the girls themselves, according to the chairman, Mrs. T. Rentschler.

This service will open the observance of National Girl Scout Week, October 28 through November 3, and commemorates the birthday anniversary of its founder, Juliette Lowe. The leaders and co-leaders will attend the vesper service with their respective troops. Sally Rentschler who is assisting with a Junior High Girl Scout Troop in Ann Arbor will be present to play a flute solo during the service.

Parents are urged to be present. Cubs and Boy Scouts are invited to attend in uniform. Mrs. Howard Truesdale is the Juliette Lowe Lady for the Girl Scout Association this year. One of the downtown stores will have a display of Brownie and Girl Scout equipment during National Girl Scout Week.

INTER-CITY ROTARY MEET

Members of the Tecumseh Rotary Club will go to Adrian this evening for an inter-city meeting of Rotary clubs of Lenawee county to be held at the Eagles Hall. Adrian Rotarians will act as hosts. It is expected that more than 200 men will attend the meeting. There was no meeting of the Tecumseh Rotary Club on Tuesday of this week.

TEACHERS CLUB MEETS

The Tecumseh Teachers Club held a potluck supper for their families Monday evening at Recreation Center with Ben Standin as chairman. Sixty teachers had their families gathered around the campfire for a songfest after the supper.

OES Officers Are Installed

MORE THAN 200 WATCH AND PARTICIPATE IN CEREMONY HERE, THURSDAY

Mr. and Mrs. Charles Driffill of Tipton were installed as worthy patron and worthy matron of Tecumseh Chapter No. 51, O.E.S., at the Masonic Temple Thursday evening, before an audience of 200 members and guests. Mrs. Dwight Hodges was the installing officer and was assisted by Lawrence Hoagland, marshal; Mrs. E. M. Linger, chaplain; Mrs. Grace Simmons, organist. After Mrs. Driffill took her obligation at the altar, her niece, Mrs. Nora Jones, sang "The Lord's Prayer," accompanied at the piano by Mrs. Mae Wright of Port Huron. She was then escorted to the East by her daughter, Betty, through a Rainbow archway formed by a group of Rainbow Girls wearing multi-colored capes and with ribbons of rainbow colors. She was presented with yellow roses. Mr. Driffill was also escorted to the East by his daughter, after the men of the chapter had formed a square and compass around the altar. At this time, Mrs. Jones and Miss Patricia Wright sang, "Bless This House."

As Mrs. Ray Schlegal was escorted to her station as associate matron, an aisle was formed by the Rainbow Girls and as she passed through she was presented with a bouquet of pompoms. Other officers installed were Ray Schlegal, associate patron; Mrs. Lynn Harris, secretary; Mrs. Owen Part-

DINNER AND BAZAAR

The ladies of St. Peter's Episcopal church are serving a prime beef dinner, with a bazaar in connection, tonight, (Thursday) in the parish house. Dinner being served from 5 - 7 p.m.

Bond Issue Explained

VOTERS SHOULD READ COUNCIL'S MESSAGE ON PAGE 12 OF THIS ISSUE

The Village Council, through The Herald, is carrying a message to the electors of Tecumseh this week, regarding the bonding proposal on Wednesday, October 31, when the village will decide on the issuance of $285,000 in general obligation bonds for the building of a sewage treatment plant.

The Council's message explains the issue completely, in a concise and readable manner. Briefly, here is how the average taxpayer will be affected.

At the present time, the tax rate in Tecumseh is $14 per $1,000 of assessed valuation. Of that amount, $4 is set aside for the sewer department. The Council says that the tax rate, after the issuance of the bonds, must be increased to $15.50 per $1,000 of assessed valuation—or $1.50 per $1,000 more—to retire the bonds. This increase would continue over a 20-year period, because the bonds are 20-year bonds.

Some folk have raised the question that the $1.50 per $1,000 increase is not sufficient. The Council says that it is, and here is why: Taxpayers, as mentioned above, already are paying $4 per $1,000 to the sewer department. The $1.50 increase would bring the figure to $5.50. Tecumseh's assessed valuation is approximately $5,200,000. Applied to the assessed value, the $5.50 tax would raise a total of $28,600 annually for the sewer department. Such an amount, the Council says, is sufficient to retire the bonds and to maintain the plant.

(Continued on page 4)

John T. Reidy, 72, Dies; Was Former Resident

John T. Reidy, aged 72 years, of Encinitas, Calif., died October 22, at 7 p.m. at the home of his daughter and husband, Mr. and Mrs. Bruce Hoffman. Mr. Reidy was born October 12, 1879 in Long Island, N. Y., and lived in Tecumseh for ten years when he was employed at Meyers Aircraft Co. A year ago he went to live with his daughter in California.

His wife, Alice, preceded him in death in 1942.

Survivors are two sons, John, of Independence, Kansas, and Harry of Tecumseh; one daughter, Alice Hoffman of California, and five grandchildren and three sisters.

The body will arrive at Collins Funeral Home, Friday afternoon and Friday evening at 9 p.m. the Rosary will be recited. Funeral services will be held Saturday morning at 11 a.m., in St. Elizabeth Catholic church with the Rev. Father Michael Collins officiating. Burial will be in St. Dominics cemetery at Clinton.

DISCUSS BOND ISSUE

Mayor J. Floyd Elliott, E. C. Heilman, council member, and Clyde Eckle, village engineer, were guests at the regular meeting of the Exchange Club, Monday evening. There was a general discussion of the sewer treatment plant bonding issue, which comes before voters next Wednesday.

Sgt. Bernard J. Drouillard

Tecumseh Boy Korean Victim

SGT. BERNARD J. DROUILLARD LOSES LIFE IN HEARTBREAK RIDGE FIGHTING

Tecumseh's first casualty of the Korean war is Sgt. Bernard J. Drouillard, 20 year old son of Mr. and Mrs. Richard Drouillard of East Pottawatamie street, who was killed in action on Heartbreak Ridge, Korea, on Thursday, October 4. The Drouillard family received official notification of their son's death in a telegram from the War Department on Saturday.

Requiem High Mass will be said for Sgt. Drouillard at St. Elizabeth's Catholic church here on Saturday morning at 9 o'clock.

Teh Drouillard family had expected Bernard to return home from Korea during the latter part of this month or early in November. He had so advised his parents in a letter, written October 3. After a brief furlough he anticipated a reassignment in duty.

Drouillard was born May 11, 1931, at Holloway. He enlisted in August of 1949 and had been overseas since March of 1951. He was a member of Company I, 31st. Regiment. He received his early training at Camp Carson, Colo., and Fort Raleigh, Kan. He was a member of St. Elizabeth's church and of the Holy Name Society. Prior to entering service he was employed at Tecumseh Products Co.

Surviving besides his parents are one brother, Eugene, of Deerfield, and nine sisters, Mrs. Gertrude Golat of Tecumseh, Mrs. Doris Sauter of Deerfield, Mrs. Ruth Woller, Mrs. Auldeen Esterline, Mrs. Katherine Damon, all of Adrian, Mrs. Theresa Ruttofsky of Palmyra, and Yvonne, Garnet and Geraldine, at home.

CLIFFORD E. McCLURE BURIED IN BROOKSIDE

Funeral services for Clifford E. McClure, 215 N. Maumee street, whose death occurred sometime Monday afternoon, October 15, at Tecumseh Products Co., were held Friday afternoon at 2:30 at the Collins Funeral Home with the Rev. Edward Escolme, officiating. Burial was in Brookside cemetery. The bearers were Lester Reed, Cecil Anderson, Charles Manley, Kenneth Ives, Harry Schuch and Chauncey Harrison. Friends and relatives attended from Springfield, Cincinnati, McClure and Toledo, Ohio, Blissfield, Adrian, Fairfield, Beverton, Jackson, Marne, Brooklyn, Detroit, Kalamazoo, Monroe, Walled Lake, Manchester, Tipton and Tecumseh.

SERIES OF DANCES PLANNED BY LEGION

A potluck baked ham dinner was served to some 75 members at the joint meeting of the American Legion and Auxiliary, Thursday evening in the Legion Home. Laine Holden presided and plans were made for a fish supper November 6, with L. E. Brown as chairman. Mrs. Dwight Drake and Robert Custard were named co-chairmen of the entertainment committee for a series of dances, to be held in the Legion Home, the first to be Saturday, November 3.

COUNTRY CLUB PARTY

"Ye Old Time Barn Dance" and Hallowe'en party will be held at the Tecumseh Country Club, Saturday evening, October 27, from 9 til 1 a.m. Driscoll's orchestra will furnish music for dancing. The committee in charge include Mr. and Mrs. C. M. Brown, Mr. and Mrs. Jens Touborg, Mr. and Mrs. Earl Pennington, Mr. and Mrs. John Smith, Mr. and Mrs. Leo Bishop, Mr. and Mrs. Arthur Geisenhaver, Mr. and Mrs. William MacBeth and Mr. and Mrs. Richard Preston.

Community Fund Drive Under Way

NEED FOR "UPPING" CONTRIBUTIONS, DUE TO QUOTA BOOST, IS STRESSED

The need for a fifteen to twenty per cent increase in contributions to the Tecumseh Community Fund, over similar pledges of a year ago, was stressed today by block workers and area solicitors as they continued their task of making a house-to-house canvass of the village in an effort to put this community over the top in its $8,175 Red Feather Drive.

"We are not too worried about the success of the campaign at this point, but we would like to impress upon contributors that the quota this year is about one-fifth larger than it was a year ago and, therefore, that more funds are needed if we are to reach our goal," Ronald Harris, general chairman, said today. "We would also like to point out all of the solicitors and everyone connected with the drive are working that renumeration. Every nickel that is given to the Fund goes to the fund. There are no expenses and there are no salaries."

Mr. Harris said today that it is a little early to announce any figures in the campaign. Only a few of the block workers have thus far reported, and the men who are soliciting in the business and industrial areas still must make their reports.

"We have a great desire to put the drive over the top by next Wednesday, October 31," Harris said, "and we are shooting at that mark. However, some of the solicitors are finding many folk away from home and, as a result, callbacks are necessary. If we run into too many of these difficulties, it may be necessary to extend the final date."

The drive actually got under way last Thursday morning with a kick-off breakfast at the American Legion Memorial Home. The breakfast consisted of coffee and donuts and the United Products Work-

SPONSOR MOVIE PROGRAM

The Senior Class of Tecumseh high school is sponsoring a program of John McColl's Florida Movielog. The program will be held in the Central school building auditorium, October 29 at 8 p.m.

The program of movies of Florida will include "The Sarasota Jungle Gardens," "The Everglades and Semonles," "The Undersea Test of the Two-man Submarine," and many other interesting features in color.

USED CLOTHING NEEDED

Mrs. Lee Purkey and Mrs. Rhae Henkel will be at the Central School Building each Wednesday afternoon from 1 to 4 p.m., in room 19, to receive any good, clean used clothing. There is a great need for boots, shoes, stockings, mittens, hats and heavy coats, according to a committee from the Parent-Teacher Association.

2-DAY SCHOOL RECESS

The public schools in Tecumseh and throughout Lenawee county are in recess today and the youngsters are enjoying a holiday that will extend over the week-end. Teachers, however, are not as fortunate. They are in Lansing attending a meeting of the Michigan Education Association, today and Friday.

BROTHER DIES

Mrs. Richard Drouillard received word Tuesday of the death of her brother, E. T. Thaxton of Mobile, Alabama. His death occurred Monday afternoon. He had been in poor health for several months.

DOWNTOWN FIRE

When grease ignited on a grill at the Kerby Restaurant on W. Chicago boulevard, Friday afternoon at 2:15, the fire department was called. The blaze was quickly extinguished and without loss.

FINAL PROGRAM ANNOUNCED FOR SPOOKS' NIGHT CELEBRATION

All-Age Groups to Participate in Hollowe'en Fun

"The frost is on the punkin" and Hallowe'en is about to bring its annual merrymaking to the young folks of Tecumseh.

"Every year Hallowe'en seems to become a more important occasion in Tecumseh," stated Ronald Harris, secretary of the Chamber of Commerce. "This year it seems that the plans are greater than ever. We are more than pleased that such is the case," Mr. Harris continued. "In Tecumseh, Hallowe'en is for fun for everyone, not for a few while others must suffer. Moreover, hundreds of visitors come to our town to witness our activity, and Tecumseh always enjoys playing host.'

The downtown events next Wednesday evening will follow the pattern of previous years, except on a larger scale. When the store window decorating contest started will be held in the gymnasium, three years ago there were only a couple of dozen contestants. This year 77 students have signed to paint pictures—so many that several of the stores are giving up more than one of their windows—to accommodate the young artists.

The annual maskers parade is also expected to draw more participants. The parade will start at 7:30 from the corner of Chicago Blvd. and North Ottawa, and will tour the business district to permit the judges an opportunity to scan the various costumes. The procession will end at the Strand theatre where treats will be given and the youngsters will witness a free show which will be especially adapted to their ages.

Meanwhile the high school students will be inaugurating a new program for their part in the celebration. A cabaret movie dance. This unique event permits the students to dance and watch some of the great name bands of the country, while around the gym will be tables and soft lights. "Just like the big cities,' one teenagers exclaimed in ecstasy.

Among the name bands which will be presented are those of Larry Clinton, Stan Kenton, Sonny Dunham, Herbie Kay, Will Bradley, and Alvino Rey. To add still further to youthful pleasure, they will have entertainment by the Mills Brothers, Rudy Vallee, the Three Sons, Lanny Ross, and Gertrude Niesen.

The high school party will be under the leadership of the cheer leaders, the Student Council, and committees from the four upper classes. The program at the high school and at the theatre and downtown is made possible by the Chamber of Commerce, the Exchange Club, the Rotary Club, the Village of Tecumseh, and the Community Fund. The window pictures, which will be completed prior to Hallowe'en, will be judged by a committee composed of Mrs. Jack Morehouse, Mrs. Harold Kelso and Mrs. Leo Bishop.

It May Be Cheaper To Vote Yes

Next week Wednesday, October 31, the voters of Tecumseh will be called upon to decide whether or not $285,000 worth of general obligation bonds shall be issued by the village to pay for the construction of a new sewage treatment plant and the building of the necessary interceptor sewers.

Actually, there are two issues that the voters must decide. First, they must, by a two-thirds majority, elect to change the formula that is applied to the assessed valuation when bonds are issued in order to make the proposed loan legal. Second, they must, by a majority, approve the issuance of the bonds which will be retired over a 20-year period.

On the issue to decide the change in the percentage formula, any qualified elector may vote. On the second proposal, that of issuing the bonds, only persons owning property that is assessed for taxes within the village, or the husband or wife of such an owner, may vote.

It should be remembered that BOTH issues must be approved, one by a two-thirds majority, the second by a simple majority. If either of the issues fail, both of them fail.

It should also be remembered that the residents of Tecumseh—the property owners and the non-property owners—are "over the barrel," so to speak, when it comes to next Wednesday's election. It is our guess that it will do the voters no good to turn down the proposal because, if they do, the Water Resources Commission will immediately petition the courts for an order directing Tecumseh to build the treatment plant. The voters in the City of Adrian turned down a similar issue and the court petition followed. The result was that Adrian built its plant at a cost greater than it would have paid had the bonding issue been approved as submitted.

So that Tecumseh voters may be better informed, here is some of the background on the sewage treatment plant issue.

More than 20 years ago, Tecumseh was ordered by the state to prepare for the construction of a treatment plant During all of those years and before and today, Tecumseh has been and is dumping its raw sewage into the River Raisin. The Stream Control Commission says that the practice must stop.

About ten years ago the state again started to "put on the heat" for the building of the plant but World War II and the shortages of materials and manpower brought about a delay. After the end of the war, the Commission again politely advised the council that the plant MUST be built, forthwith. Again Tecumseh stalled, pleading a lack of finances.

Again and again Tecumseh has promised the state that it would act, but never has any of these promises been kept. Actually, the village had agreed to have the plant in operation a year ago.

It now appears that the Commission has run out of patience. The village has been given a definite order to have the plant in operation by 1953. The Commission is eyeing next Wednesday's election and, in all probability, if the voters refuse to approve the bonds, a court order will be sought immediately.

There is no doubt but that Tecumseh is violating the law by dumping its raw sewage into the River Raisin. And there is no doubt but that the Commission can FORCE Tecumseh to install a treatment plant if it takes the issue into the courts.

The Village Council has studied the issue from many, many angles. It believes that there is no legal way to avoid construction of the plant. It is, therefore, recommending that it be done, and that the bonds be issued. The mortgage notes will be retired over a 20-year period, and the increased cost to the taxpayers, according to the Council, will be about $1.50 per $1,000 of assessed valuation over the 20-year period.

In another page of this newspaper will be found a statement from the Council explaining that body's attitude toward the Commission's proposal. It is a frank, concise statement that every voter should read before he or she goes to the polls.

In the final analysis, Tecumseh truly is "over the barrel." Either we must build the plant "peacefully" or we will be forced to do it through the courts. It is our guess that it will be much cheaper to do it the "peaceful" way than to fight the Commission. That is why we say that "it may be cheaper to vote yes" on Wednesday, October 31.

RIDGEWAY

Observed 50th Anniversary

Mr. and Mrs. Wendell Birdsall and Mr. and Mrs. Howard Landin held open house Sunday afternoon at the home of Mr. and Mrs. Wendell Birdsall at Grosse Pointe Farms, honoring their parents, Mr. and Mrs. T. M. Birdsall who were observing their 50th wedding anniversary. Those attending from Ridgeway were the Rev. and Mrs. Lorne Carter and daughter, Josephine, Mr. and Mrs. Elmer Pocklington, Mrs. Emma Friedlander, Misses Lulu and Julia Gilmore, Mr. and Mrs. Warren Benham, Mr. and Mrs. Dewey Sturtevant, Mr. and Mrs. Jennings Frayer, Mr. and Mrs. Everett Exelby, Mr. and Mrs. Ellsworth Robison, Mrs. Marion Stone and Mrs. Irene Williams of Adrian.

Mr. and Mrs. T. M. Birdsall are spending several days in Detroit and St. Clair Shores.

The week of prayer and self-denial will be observed Thursday afternoon at two o'clock at the Gilmore home.

The United Workers Class will meet at the home of Mrs. Edith Southard Tuesday evening, October 30, with Mrs. Hattie Wood and Mrs. Marian Stone as co-hostesses.

Frank Gilmore and son, Donald, were recent guests of the former's sisters, Lulu and Julia Gilmore.

Mr. and Mrs. Charles Froelich are visiting two weeks with relatives at Bowling Greene, Fla.

Mr. and Mrs. Fay Hindes spent part of the week in Grand Rapids.

Mrs. J. H. Smith of Tecumseh visited Mr. and Mrs. Elmer Linn, Thursday.

Mrs. Mary Boss of Adrian and sister spent Wednesday evening with Mrs. Fannie Allen.

Mr. and Mrs. Lester Edelbrock spent Friday in Detroit on business.

Mr. and Mrs. R. A. Halladay of Macon called on Mr. and Mrs. Elmer Linn, Sunday.

Mr. and Mrs. C. H. Beach visited his sister Mrs. Malinda Joseph in Tipton, Sunday.

Miss Bonnie Francis of Milan spent Saturday and Sunday with her grandparents, Mr. and Mrs. Will Fletcher.

Mrs. David Taylor is ill at her home.

Wendell Birdsall of Detroit called in town, Saturday.

Mrs. D. W. Linn was a luncheon guest of Mrs. Ned Brown of Britton, Thursday.

HOLLOWAY

Mr. Harry Edwards had as his Sunday guests Mr. and Mrs. Wilson Edwards and family and Mr. and Mrs. William Gruenwald of Toledo. Sunday afternoon they called on Mrs. Harry Edwards, a patient in Herrick Memorial Hospital.

Mr. and Mrs. August Marks and son Lawrence and Mr. and Mrs. Arthur Golembiewski spent the week-end at Plymouth. Lawrence acted as guest soloist at the St. Paul's Lutheran church at Northville on Sunday.

Mr. and Mrs. Edward Mitchell and daughter Molly spent Sunday in Detroit where they attended a regimental meeting of the Patriarch Militant. Sunday evening they were guests of Mrs. Ethel M. Haynes.

Mr. and Mrs. Alton Wellnitz, Mr. and Mrs. Solon Daniels of Whiteford Center and Dr. and Mrs. Homer Isley visited friends in Washington, D. C., the last of the week.

There will be a regular meeting of the Holloway Ladies Aid on Thursday afternoon at 1 p.m. with Mrs. John Starkey.

Mr. and Mrs. Robert Graham, of Adrian R.R. entertained in their home Sunday for the second birthday of their daughter Jacquelyn. Guests were Mr. and Mrs. Floyd Graham, sr., and son Paul and Mr. and Mrs. Floyd Graham, jr., and daughter Linda of Tecumseh. Jacquelyn received many gifts.

Mr. and Mrs. Frank Laberdee of Toledo were Sunday guests of Mr. and Mrs. Alvin LaPointe.

Sunday evening guests of Mr. and Mrs. Paul Kopke and family were Allen Edwards and Mrs. Edith Caradet of Toledo.

Rally Day held Sunday at the Holloway Presbyterian church was observed with promotion certificates being granted to the Builders Class with Patricia Frost, Carol and Roger Finnegan and the Primary class with Janice Williams, Joyce Calhoun, Larry Green, Kenneth Kopke, Mary Holdridge, Ann Marie Haughn, JoAnn Frost, Kay Richard, Karen Richards and Joan Mumaw. It was the 48th wedding anniversary of Mr. and Mrs. Bert Wooten and the church and Sunday School presented them with a gift. Potluck dinner was served to 48 guests. Rev. Donald Wilson and five girls from Tecumseh gave the highlights on the Presbyterian Camp at Woodbeck. A social afternoon was spent.

Ken Kopke and Mr. and Mrs. Elwyn Green and children went to Mattoon, Ill., on Sunday and will return on Monday. Mrs. Kopke who has been there a week with relatives will return with them.

Future Farmer Notes

On October 15, 1951, the Tecumseh Chapter of the Future Farmers of America met in the agriculture room of the new high school. Fifteen candidates for the Green Hand Degree passed various tests, and were made members of the chapter. The Green Hand Degree is the first of four degrees awarded to FFA members. Other chapter business was discussed at the same meeting.

The Tecumseh FFA Chapter also took high honors at the County Fair. Richard Young, Fred Long, and Erwin Pennington won the county championship for the FFA. They won the Animal Husbandry Contest by making a total of 884 points out of a total of 900. The contest included the judging of Beef, Sheep, and Swine. Seven of the FFA boys exhibited corn at the fair, they received four blue, two red, and one white ribbon.

At a recent meeting the chapter decided to elect junior officers of the club. These officers are to assist the senior officers in their respective office. The following junior officers were elected. Phillip Young, jr., president; Leroy Betzoldt, jr., vice president; Edward DeLisle, jr., treasurer; Eugene Withrow, jr., secretary; and Jim Hargrave as jr., reporter.

Merlyn Wagner and Charles Bishop recently returned from the National FFA Convention which was held October 8 to 13. They will give a report of their trip to Kansas City at the annual Parent and Son Banquet.

On October 15 the FFA Mothers Club opened this year's activities by making plans for the Parent and Son Banquet. Mrs. Pennington, president of the Mothers Club, presided over the meeting. Mrs. Bishop is secretary-treasurer.

The Parent and Son banquet was set for the date of November 5. Mrs. Long was elected to act as chairman for the planning committee and Mrs. Will as her assistant. Mrs. Winzler gave important suggestions as to the planning since she has had experience in the past.

The meeting was fairly well attended with 12 mothers present; but Mrs. Pennington suggested that all of the FFA mothers should be present at the meetings to help in making their boys banquet a success.

OCALS AND PERSONAL

Frank Harris, on a week's vacation from State Police barracks at Jonesville spent Monday and Tuesday of last week with his parents Mr. and Mrs. Lynn Harris. He and his wife and children also spent the week-end here. Miss Barbara Schoeck of University of Michigan also spent the week-end in he home here and Mrs. Harris accompanied her to Ann Arbor Sunday returning in the evening.

Mrs. O. W. Laidlaw joined he husband in Detroit Friday an spent the week-end there. Mr. Laidlaw had an exhibit for his company at the Masonic Temple for the Region No. 6, M.E.A. meeting. This week-end they will be in Detroit for another meeting a which Mr. Laidlaw will have an exhibit.

Miss Elizabeth Chase has returned to her home from the University hospital in Ann Arbor where she was a patient recently.

Sunday guests of Mr. and Mrs. Glenn Driscoll were Mr. and Mrs. Rex Riley of Morenci.

Mrs. B. B. TurnBull has gone to Southgate, Calif., to spend the winter.

Mr. and Mrs. F. S. Anderson, Mrs. Tilly Tuckey and Miss Nerissa Fosdick spent the week-end in Kalamazoo. Mr. and Mrs. Anderson visited their daughter and husband, Dr. and Mrs. Edwin Williamson and Mrs. Tuckey and daughter visited Mr. and Mrs. Elliott Tuckey.

Mrs. Guy T. Pocklington and Mrs. H. H. Heffron of Adrian attended a luncheon meeting of the state board of the Republican Women's Federation in Lansing Friday.

Glenn L. Driscoll has received an award for an advanced training course in insurance, after six months of study.

The Robert G. Fullers moved to their new home at 707 W. Chicago Blvd. A new white fence marks the gate entrance just west of their old house.

Mr. and Mrs. Forest Louden and family and Mr. and Mrs. Wendell Louden and family have moved to Twin Lakes.

Mr. and Mrs. Leo Stoll and son have moved from Oreland, Penn., to Bedford, Indiana, where Mr. Stoll has been transferred by Philco.

Mr. and Mrs. George Brinks and sons of Marion, Mich., were week-end guests of Miss Ann Carson and her mother.

Herald Classifieds pay big dividends.

MISCELLANEOUS SHOWER

Mrs. Ray Sluyter entertained in her home Tuesday evening, at a miscellaneous shower honoring Miss Melva Allen whose approaching marriage to Richard Watkins will be an event of November 7. Five tables were filled for games and prizes won were presented to the honored guest who also received a shower of miscellaneous gifts. The rooms were decorated with fall flowers. Refreshments were served by the hostess.

HARVEST HOME SERVICE

"Harvest Home" will be observed at the 11 o'clock services at the Baptist church, Sunday morning. All donations and harvest products are to be brought to the church Saturday or Sunday morning. The proceeds go to the Gleis Memorial Center in Detroit, a day

ANOTHER FAMILY NIGHT

The second in a series of "family night" programs will be observed Thursday (tonight) at 7:45 at the Tecumseh Friends church. Motion pictures with sound entitled, "Acres of Diamonds," will be shown as well as a film for the children. The same committee that was in charge last week will have further plans to announce for the Sunday School contest. Light refreshments will be served after the services.

ENTERTAIN CLUB

Mr. and Mrs. Seymour Barritt entertained their bridge club Sunday evening. Two tables were arranged for dessert after which cards were the diversion with honors to Richard Eggleston and Mrs. Donald LaBounty.

CONSUMERS POWER COMPANY

Community Fund

(Continued from page 1)

ers Union contributed $50 to cover the expense of the food, so that not a cent would have to be taken from the Fund's treasury. The Legion contributed the use of the hall and the Drill Team of the Legion served.

At the breakfast, which opened with an invocation by the Rev. Richard O. Petersen, rector of St. Peter's Episcopal Church, Thomas C. Best, field representative of the United Health & Welfare Fund, of Lansing, was the principal speaker. Mr. Best recalled the urgent need for Community Chest and United Funds, and related briefly how some of the money which is given to the United Fund is distributed through its 28 participating agencies.

"Contributors should remember," he said, "that when they give to a campaign of this kind that they are giving to many participating groups."

It was said that this year, as the result of the campaign, there would be no industrial solicitation by the Red Cross.

Mr. Harris spoke briefly, giving the workers their last minute instructions. About 100 block captains and workers attended.

At the conclusion of the breakfast, Sam Shervino, representing the Tecumseh Products Workers Union, presented the Rev. Edward Escolme, treasurer of the local Fund, with the Union's check for $300. Perry M. Hayden of the Hayden Flour Mills, also presented a check in the amount of $100. The Union's check was in addition to the $50 that had been contributed for the breakfast.

Participating in the fund locally are the Tecumseh Service Club, the Herrick Memorial Hospital Auxiliary, the Tecumseh Health & Education Committee, the American Cancer Society, Girl, Cub and Boy Scouts, the Salvation Army, Recreation Center, the Hallowe'en and Christmas entertainments for the youngsters, the United Fund with its 28 agencies, and the emergency fund, a part of the Community Fund itself. It was also pointed out that of the $2,000 that goes to the United Fund about $800 goes directly to the USO to aid in caring for Tecumseh's young men and women who are in service.

"In all," Harris said, "some 39 different groups are participating in this year's fund. It is easy to see, therefore, that every dollar given will be divided 39 ways, so that all may share. Actually, when one looks at it from that angle, a gift of $5 or $10 means a much smaller gift to any of the participating groups. That is why we say that this year we are giving once and for all of the agencies sharing in the drive. No matter how large or how small the gift, all of the groups within the fund will receive their alloted proportions."

OES Officers

(Continued from page 1)

ridge, conductress; Mrs. Clair Rozelle, associate conductress; Mrs. Marian Hunt, chaplain; Mrs. Henry Kempf, marshall; Mrs. Glenn Driscoll, organist; Mrs. Gordon Garlick, Adah; Mrs. Ernest Green, Ruth; Mrs. Joe Rice, Esther; Mrs. Norris Morehouse, Martha; Mrs. Lawrence Hoagland, Electa; Mrs. Clifford Deaner, Warder; Don Hunt, sentinel; Mrs. Kenneth Johnston, Mrs. Tom Boyd and Mrs. George Hay, flag bearers; and Mrs. Edward Beal, soloist.

The Star points were escorted to their stations by five of the Rainbow Girls who heralded them in verse and presented them with small lapel corsages.

After the installation, the assisting Rainbow Girls and their Mother Advisor, Mrs. Frank Mansfield of Adrian, were escorted to the East and presented with a gift for the assembly.

Mr. and Mrs. Warren Benham were then escorted to the East and presented with a gift from the chapter. Mrs. Driffill was presented with a ritual from the Past Matrons after which Mrs. Benham was welcomed into their club by the Junior Past Matron, Mrs. Kenton Hunt, and presented with flowers by the president, Mrs. John Smith.

Lunch was served by Mrs. Bert Warren and her committee. Guests were present from Adrian, Clinton, Jonesville, Port Huron, Fairfield and Metamora.

Bond Issue To

(Continued from page 1)

issue here for more than 20 years and, in the past, the village always has pleaded a lack of finances. About a year ago, however, Tecumseh was given until 1953 to complete the construction. At hearings, the state has indicated that, in the event the issue fails here next week, a court order will be sought immediately, forcing Tecumseh to conform to the Commission's ruling.

Members of the Village Council say that there is no way for the village to dodge the issue, that actually Tecumseh is "over the barrel" and must comply with the ruling.

Tecumseh is now and has for many, many years been dumping its raw sewage into the River Raisin. This practice, the state says, is in violation of public health laws and must be stopped. In other communities, similar steps have been taken by the state and construction of treatment plants forced, even at the end of a court trial. Such was the case in the City of Adrian, where the plant was built after voters had refused to approve the bonding issue. A court order finally was issued.

It was said locally that it would be cheaper for the voters to approve the issues at the polls next Wednesday than it would to attempt to fight the case in the courts. One councilman said he believed that it would cost $10,000 or more to do the work after a lawsuit and as a result of a court ruling, than it would to do it in the normal way.

The bonds that the village proposes to issue would be retired over a 20-year period. The estimated cost to taxpayers would be about $1.50 per $1,000 of assessed valuation during the period. That would mean that a person owning property assessed at $2,000 would pay only $3 more in taxes annually than he does at the present time during the period that the bonds are outstanding.

Bond Issue

(Continued from page 1)

The Council also has pointed out that during the past year it has spent about $22,000 in preparation for the building of the plant. This money went for the purchase of the land along the River Raisin near the old Ford Mill, as the site for the treatment plant, and for engineering and other costs. All of this money came from the present $4 sewer tax, which the average taxpayer, apparently, did not realize that he was paying.

That, briefly, is why the Council says at this time that the $1.50 increase in taxes is sufficient to retire the bonds and operate the plant.

Two issues will confront the voters next Wednesday. The first one is an amendment to the Village Charter, changing the charter to legalize the issuance of the bonds. The second issue is for the approval of the issuance of the bonds.

The first issue, that of amending the charter, must be approved by two-thirds of the voting electors. The second issue, the approval of the bonds, must be endorsed by a majority of the voters. If either of the issues fail, both of them will fail.

The Council's message, explaining the mechanics of the sewage treatment plant program, should be read by every voter before he or she goes to the polls. Only in that way will they be fully informed on the issues.

Turn now, before you forget it, to page twelve of this issue and read the Council's message. It concerns YOU as a resident and as a voter.

CHORUS PRACTICE

The Tecumseh Music Club will hold a chorus practice Tuesday evening, October 30, at 7:30 at the home of Mrs. Maynard Mulvaney, West Chicago Blvd.

REFORMATION SUNDAY

It will be 474 years ago next Wednesday, October 31, 1517, that Martin Luther nailed his theses to the door of the Castle Church, Willenberg, Germany. The Protestant Reformation is dated from that time.

Next Sunday, October 28, is Reformation Sunday, and it will be observed by the Presbyterian church at the morning service at 11 a.m.

RECOVERING FROM INJURY

Billy Atkinson, 17, of 415 E. Kilbuck street, is recovering from burns suffered last week when an overturned pail of boiling water scalded one of his feet. The accident happened in the Atkinson home when Billy accidentally knocked over the pail of water. He was treated at Herrick Memorial Hospital.

UNION TO MEET

The Baptist Ladies Union will meet Thursday, November 1, at 2 o'clock at the home of Mrs. Clare Beland. Mrs. Ray Herrick will tell of her recent European trip.

Four Cars And Tractor Damaged In Accident

Four cars and a tractor were damaged here this week in two accidents investigated by the police.

At 3:30 on Saturday afternoon, a truck driven by Lyle Reinhart, Onsted, going north on Mill street, struck a farm tractor at the iron bridge over the River Raisin. The tractor was driven by Wm. Ost of Dundee. Police said that the truck damage amounted to $300, the tractor damage, $500. Reinhart told officers that his brakes locked, causing the vehicle to swing into the south-bound traffic lane. Reinhart was given a summons for not having his vehicle under control.

A car driven by Robert Hamilton, 501 N. Pearl, struck a parked car, owned by Jerry DuFour, causing it to be pushed into a parked car owned by Duncan Oliphant. Hamilton's car suffered $250 damage, DuFour's $200, and Oliphant's, $50. Hamilton was given a summons for failing to have his car under control. The accident happened in the 100 block on N. Pearl at 9:35 Saturday night, police said.

OVERHEATED OIL STOVE

The fire department was called to the Bob Neister home, 409 W. Pottawatamie street, at 6:20, Tuesday evening, when an oil stove overheated. It was quickly extinguished. There was some smoke damage.

Our Garden-fresh Produce Helps You to Build Your Menus

True, garden-fresh produce is all-important today in building health-giving menus for the family—regardless of age.

The youngsters need the vitamins and the minerals that are found in fresh fruits and vegetables—and so do the oldsters.

And for the finest, freshest fruits and vegetables, you'll find them in our produce department.

If you can't shop personally, you are welcome to phone your orders. Dozens and dozens of Tecumseh housewives shop with us the telephone way every day.

Business Women Enjoy Pre-Hallowe'en Party

The Tecumseh Business and Professional Woman's Club met Monday evening in the Fellowship Center of the Presbyterian church. Devotions included the recitation of The Lord's Prayer. Dinner was served to 31 members and guests by the Presbyterian League. Mrs. Coleman was a guest of Mrs. Irene Hay.

Decorations were in keeping with Hallowe'en and large bouquets of chrysanthemums centered the tables. The decorations were made by Jimmy Creger. A communication was read from the Lenawee County Federation of Woman's Club inviting the local club to be represented at the art exhibit which will be held in the Tower Room of the Library in Adrian, Wednesday, November 7 at 10:15. Mrs. Howard Truesdale will represent the club.

The program, in charge of Ruth Biddix, Marguerite Garlick and Lucille Hawley opened with group singing accompanied by Edna Staulter at the piano. Hallowe'en frolics were enjoyed.

The hostesses were Pearl Elliott, Hazel Creger, Elizabeth Chase and Hilda Will. The next meeting will be held November 26.

Good Idea

"That's a good idea, ma'am, having soda and water in them bottles with squirts. I've done the kitchen floor with them in no time, and there's three left out of the dozen."

Miss Mary McWilliams Garden Club President

The Tecumseh Garden Club met Friday afternoon at the home of Mrs. Joe O'Pravil northeast of town, with twenty-three members in attendance. Election of officers were held and Miss Mary McWilliams was re-elected president; Miss Ann Carson, vice president; Mrs. Wesley H. Mast, secretary; Mrs. Clarence Beach, treasurer; Mrs. Charles Kempf, corresponding secretary. The program included a round table discussion of "My Favorite Flower" by eight of the club members. Refreshments were served by Mrs. August Hoffmeister, Mrs. Henry Hamilton and Mrs. F. C. Dickinson with Mrs. R. J. McCoy and Miss McWilliams pouring. Fall flowers and Hallowe'en decorations were used.

BRITTON

The U. D. Club meets this afternoon at the home of Mrs. Camilla Downing.

Brenda and Larry Pawley of near Oxford are visiting their grandparents, the Rev. and Mrs. E. H. DuBois.

Mr. and Mrs. Joseph Boxwell and family of Toledo called at the Ronald Cheever home, Sunday.

Guests at dinner Sunday in the home of Mr. and Mrs. Fay Wiggins were, Mr. and Mrs. Robert Mayfield and children of Ann Arbor, Mr. and Mrs. Richard Wiggins and Nancy of Ypsilanti, Mr. and Mrs. Clyde Exelby and family and MiMss Nenna Keyes of Lansing, James Taylor and Helen Linn of Detroit and Mrs. Flora Exelby.

Mrs. Virgil Bortel and Mrs. Forrest Barrett entertained Saturday afternoon in Mrs. Bortel's home at a cradle shower honoring Mrs. Valden Bidle. Twenty guests enjoyed games with duplicate prizes going to winner and guest of honor. Many lovely gifts were unwrapped by Mrs. Bidle. Dainty refreshments were served by the hostesses.

Mr. and Mrs. George Beale and son Peter of Richmond were visitors in Britton, Thursday and Friday.

Disappointed

"Don't be afraid!" said the burglar to the young widow. "I am not after you. I want your money."

"Oh, go away," came the petulant reply, "you're just like all the other men."

LOCALS AND PERSONALS

Recent guests of Mr. and Mrs. Ralph Wesgate were Mrs. Herbert Corbett and Mrs. Cleveland Wanamaker of St. Matthews, South Carolina, and Mr. and Mrs. Jack Wilson of Detroit.

Mr. and Mrs. Gordon Garlick have returned from Westlorne, Ont., Canada, where they were called by the sudden death of Mr. Garlick's father.

Mrs. Lyman Curtiss has returned from Detroit where she spent several days with her daughter and family, Mrs. Thomas Morton.

Mr. and Mrs. H. R. Hunt have returned to their home in Niagara Falls, New York, after several days visit with Mr. and Mrs. Donald Nixon and family.

Mrs. Bert Filter and Mrs. Rhae Henkel in company with Mrs. Hiram Theeke, Mrs. Ted Keebler and Mrs. Lavern Theeke of Clinton, were in Deerfield, Friday evening, and attended a miscellaneous shower in the home of Mrs. Mary Ellen Spreeman honoring Miss Mary Beth Hendershot, whose approaching marriage to Harold Amstutz will be an event of October 27. Mr. Amstutz is a grandson of Mrs. Hiram Theeke.

Sunday, October 28, Perry Hayden will fly to Toronto, Ohio, where he will show the film, "God Is My Landlord." On Sunday, Nodrive to Lexington, Kentucky, dive to Lexington, Kentucky, where he will be the guest speaker at the Selix Memorial Baptist church.

Mr. and Mrs. Rhae Henkel and son, Corby, and Mr. and Mrs. M. Gillin visited their sons, Ronald and Jack, at the Great Lakes Naval Training Center, Great Lakes, Ill., Sunday.

PINK, BLUE SHOWER

Mrs. Jack Curtiss entertained at a "ping and blue" shower, Wednesday evening at her home on South Pearl street assisted by Mrs. R. J. Bowers, honoring Mrs. Alfred Pope. After a dessert luncheon, games were played and prizes won by Mrs. James Gabler, Mrs. Donald LaBounty and Miss Pat Page and the honored guest who also received a shower of gifts. Out of town guests were from Sand Lake and Clinton.

Eye-Opener

Landlord: "How did you find the room?"

Guest: "Terrible! I didn't close an eye all night!"

"That's your own fault, sir. If you want to sleep you must close your eyes."

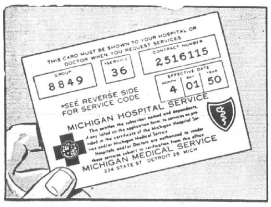
HOW MICHIGAN'S MOST POPULAR HEALTH PLAN WORKS

It protects 2,400,000 people in this state against hospital and surgical bills for a few cents a day per person. Here are the facts:



1 When sickness or accident strikes . . . If you are a member of Blue Cross-Blue Shield Comprehensive Group Plans, you need only to show your membership card to be admitted to any one of 192 Michigan hospitals participating in these plans. There's no delay—no red tape—no advance deposits. You are free from financial worry—and all because you have paid just a few cents a day.

2 You get more benefits with Blue Cross-Blue Shield Comprehensive Group Plans. For example, Blue Cross covers up to 120 days of hospital care . . . no cash limit for a wide range of hospital "extras" including drugs and dressings, physical therapy, etc. Blue Shield pays liberal stated amounts to your doctor for more than 480 surgical procedures.

● This year one out of every nine persons will go to the hospital. Unexpected bills can mean the end of hard-won family savings. Often it's necessary to go into debt to meet them. That's why no one can afford to be without Blue Cross and Blue Shield protection—protection that costs so little and can save you hundreds, yes, even thousands of dollars.

Ask your employer today about installing the Blue Cross - Blue Shield program where you work. No physical examination or health statement required. Companies with as few as five employees may be eligible for Blue Cross - Blue Shield Comprehensive Group Protection.

3 Michigan's hospitals and doctors themselves run Blue Cross - Blue Shield. Guard against today's high cost of sickness—with Blue Cross - Blue Shield. It's the best protection at lowest possible cost—the hospitals' and doctors' own NON-PROFIT HEALTH PLANS for the welfare of the public.

COUNCIL PROCEEDINGS

NOTICE OF SPECIAL ELECTION

TO THE QUALIFIED ELECTORS OF THE VILLAGE OF TECUMSEH, MICHIGAN:

BY ORDER of the Village Council in resolution adopted on September 13, 1951, there will be submitted to vote of the qualified electors of said Village at a special election to be held on October 31, 1951, in the Village of Tecumseh the following propositions:

I. BONDING PROPOSITION

Shall the Village of Tecumseh, Lenawee County, Michigan, borrow the sum of Two Hundred and Eighty-five Thousand ($285,000.00) Dollars and issue its general obligation bonds therefor, for the purpose of paying the cost of constructing improvements to the sewage disposal system of the Village, consisting of sanitary sewers and a sewage treatment plant.

YES [ ]
NO [ ]

II. CHARTER AMENDMENT PROPOSITION

Shall Section 22, Article IX Section 22, Article IX, Act 3, Public Acts 1895, as amended) of the charter of the Village of Tecumseh be amended to provide as follows:

"Should any greater amount be required in any year for the purchase of grounds for erecting public buildings, or for other necessary corporate purposes, than can be raised by the council under the foregoing provisions, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds (2/3) vote of the electors voting thereon at any general or special election; provided, that the total of all taxes levied by the Village for municipal purposes whatsoever, in any year, shall not exceed two (2) per centum of the assessed value of all real and personal property in the Village; provided further, that the total Village indebtedness outstanding at any one time, whether incurred by the issue of bonds or otherwise, shall not exceed seven (7) per centum of the assessed valuation of real and personal property in the Village subject to taxation, as shown by the last preceding assessment roll of the Village."

The polls will be open from 7:00 o'clock, A.M. to 8:00 o'clock, P.M., Eastern Standard Time. The place of election will be the regular voting places in each election precinct in the Village.

Only those qualified electors owning property in the Village assessed for taxes or the lawful husband or wife of such an owner are entitled to vote on the bonding propostion.

All duly qualified electors may vote on the charter amendment propostion.

TAKE FURTHER NOTICE that the Village Council deems it necessary to amend Section 22, Chapter IX of the Village Charter (Acts 3, Public Acts 1895, as amended).

Section 22, Chapter IX, now provides as follows:

"Should any greater amount be required in any year for the purchase of grounds for erecting public buildings, or for other necessary corporate purposes, than can be raised by the council under the foregoing provisions of this chapter, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds (2/3) vote of the electors voting upon the question at an annual or special village election. The amount that may be voted or raised, in any year, under the provisions of this section shall not exceed two (2) per cent of the assessed valuation of the property in the Village, as shown by the last preceding tax roll made therein."

The proposed amendment would alter Section 22, Chapter IX, to provide as follows:

"Should any greater amount be required in any year for the purchase of grounds for erecting public buildings, or for other necessary corporate purposes, than can be raised by the council under the foregoing provisions, such amount may be raised by tax or loan, or partly by tax and partly by loan, if authorized by a two-thirds (2/3) vote of the electors voting thereon at any general or special election; provided, that the total of all taxes levied by the Village for all municipal purposes whatsoever, in any year, shall not exceed two (2) per centum of the assessed value of all real and personal property in the Village; provided further, that the total Village indebtedness outstanding at any one time, whether incurred by the issue of bonds or otherwise, ty in the Village subject to taxation, as shown by the last preceding assessment roll of the Village."

This Notice is given by authority of the Village Council of the Village of Tecumseh.

Robert L. Kroner,
Village Clerk.

LOCALS AND PERSONALS

Mr. and Mrs. Ben Hammack, Mr. and Mrs. Richard Butler and Mr. and Mrs. Waldo Mohr attended the V.F.W. 6th District meeting in Lansing, Sunday.

Mrs. Charles Howe spent the week-end visiting friends in Three Rivers and Niles, Michigan.

Week-end guests of Mr. and Mrs. Donald VanHook and daughter were Mr. and Mrs. Calvin Rushford and son, Calvin, jr., and daughter, Sally, of Iron Mountain.

Mr. and Mrs. Earl Haugh of Pontiac spent Sunday with Mrs. Haughn's sister, Miss Margaret Lowery.

Mrs. Cecile Smith was a Sunday guest of her sister and husband, Mr. and Mrs. Harmon Covell of Dundee.

Visitors in the Harold Wilson home are George Burke and Mrs. Claudia Findlay of Grayling.

Fifteen members of the Tecumseh Garden Club were guests of Mrs. W. J. Ingerson in Battle Creek, Monday, to view her chrysanthemum gardens. The women had dinner in Marshall and were entertained at a tea in the afternoon at Mrs. Ingerson's.

THE TECUMSEH HERALD

ONE HUNDREDTH FIRST YEAR—NUMBER 4 TECUMSEH, MICHIGAN, OCTOBER 25, 1951 FIVE CENTS A COPY

In Bed Is Best Place For Colds

AT LEAST THEY SHOULD BE TAKEN OUT OF CIRCULATION, DOCTORS SAY

The first seasonal wave of colds and other nose and throat ailments is now hitting Michigan, the State Health Department reported today.

If each person with a cold will take his cold out of circulation, go to bed and call a doctor if his symptoms persist, it will do more to cut down absenteeism from business, industry and schools in the next six months than any other measure, the Department said.

Colds are spread by people who have colds. No one is immune and there is no preventive; but a healthy body, given half a chance, will quickly fight off a cold. If a cold hangs on, call a doctor. Use of antihistamines or "cold cures" without a doctor's prescription can be dangerous.

To protect yourself from a cold and complications such as sinus, tonsil and ear infections, bronchitis, influenza and pneumonia, the Health Department recommends:

Try to avoid people with colds.

Keep your general health good by getting plenty of sleep; regular, well-balanced meals; plenty of liquids, and some out-of-door exercise each day.

Don't lower your resistance by getting too tired, over-heated, chilled or wet. Dress according to the weather and the temperature in which you must work.

Let some fresh air and sunshine into your home, school, office and factory. It's as bad to stay in dried-out, dust, chemical, or smoke-laden air as it is to sit in a draft.

Go to bed at the first sign of a cold and stay there if you can. If you can't, get as much rest as possible and do all you can to keep your cold out of circulation!

—o—

COAL IN ALASKA

The U. S. Geological survey has estimated that the Kenai coal field in Alaska contains more than 2,500,000 tons of coal in beds more than three feet thick.

Miss Ardath Ann Gripton Bride Of Ronald Frayer

Sunday afternoon, October 21, the Britton Congregational church was the scene of a lovely fall wedding at four o'clock, when Miss Ardath Ann Gripton, daughter of Mr. and Mrs. Glen Gripton, and Ronald Frayer, son of Mr. and Mrs. Walter Frayer, all of Britton, exchanged their marriage vows. The Rev. J. Morgan Reese, pastor of the church, performed the double ring ceremony before an altar decorated with lighted candelabra and white chrysanthemums. Potted palms and hampers of large chrysanthemums completed the setting.

Mrs. Stewart Niblack played nuptial music during which time the acolytes, Lee Benedict and Jack Patterson, lighted the candles. Mrs. Niblack accompanied Miss Carol Priest as she sang, "Through the Years," "With This Ring I Thee Wed," and "The Lord's Prayer."

The bride, given in marriage by her father, was charming in a white satin gown with French lace panel, dividing below the waistline and extending into a full length train. Her fingertip veil of illusion fell from a band of stiffened lace. She carried a bouquet of gardenias and ivy.

Mrs. Bernard Waterbury of Britton, sister of the bride, as matron of honor, wore a gown of fushia satin with French lace trim, matching the bride's dress. Mrs. Willard Exelby of Britton, and Mrs. Jon Balland of Flat Rock, were bridesmaids. They wore gowns of aqua, made identical to that of the matron of honor and all attendants wore small satin hats with veiling to match their gowns and carried colonial bouquets.

Nancy Wiggins of Ypsilanti, was flower girl. She wore mauve satin and carried a basket of matching flowers. Darryl Waterbury, nephew of the bride, was ringbearer. He wore a grey Eton suite and carried the rings on a satin pillow.

Norman Frayer of Tecumseh, attended his brother as best man. The ushers were Robert Osterhout and Willard Exelby.

Mrs. Gripton, the bride's mother, wore a candlelight taffeta dress with black velvet trim and Mrs. Frayer, the groom's mother, wore a charcoal gray dress. They both wore black accessories and corsages of talisman roses.

A reception for 200 guests was held in the church parlors immediately following the ceremony. The table decorations were carried out in a double ring effect. Mr. and Mrs. Ivan McCarthy of Dearborn and Mr. and Mrs. Gerald Benedict acted as hosts. Miss Joyce McCarbery was in charge of the guest book and Miss Betty Mitchell of Holloway was at the punch bowl. Mrs. Raynor Fraycour, sister of the bridegroom, served the wedding cake. Guests were registered from Lansing, Chelsea, Ann Arbor, Ypsilanti, Detroit, Deerfield, Tecumseh, Adrian, Flat Rock, Britton and Toledo, Ohio.

For traveling Mrs. Frayer chose an autumn shade suit of rust and green with black accessories and a corsage of sunburst shades of chrysanthemums. After a two weeks trip through the southern states the couple will reside in Britton.

Mrs. Frayer is a graduate of Britton high school with the class of 1948; a graduate of Davis Business College, Toledo, and is a charter member of Eta Rho Chapter, Alpha Iota International Business Sorority. She is employed by the Social Security Administration of Toledo. Mr. Frayer graduated with the class of 1946 in Britton and is employed at the Tecumseh Products Company.

—o—

Presbyterian Women In Meeting at Church

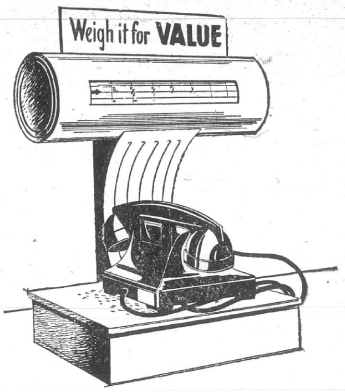
The Women's Association of the Presbyterian church met in the Fellowship Center Wednesday evening, October 15, with 35 in attendance. Charles D. Branigin and the Rev. Donald C. Wilson, represented the session. Mrs. Frank Smith presided at the business meeting and Mrs. Alta Boyce was in charge of the invocation.

Mrs. John Saling announced that prayer cells are being held every Thursday morning at 9 o'clock at the home of Mrs. Margaret Kidman on West Shawnee street. Mrs. Lee Purkey gave her report on the Fall Festival to be held in the church November 1, and asked that all individual contributions be delivered to the committee chairmen as soon as possible. Tickets for the turkey dinner are on sale in downtown stores.

Mrs. Ray Sluyter program chairman, presented a program of an "Old Fashioned Hallowe'en" in which everyone participated. A feature of the program was a pantomime by Mrs. James Barton and Mrs. Charles Stephenson entitled, "Glue in My Saddle" and "Too Fat Polka." Mrs. Clair Rozelle was in charge of devotions. Refreshments were served by Mrs. Homer Colson and her committee.

PAST CHIEFS CLUB

The Past Chiefs Club met Friday evening at the home of Mrs. Clark Vincent with Mrs. Rella Kring assisting. During the business meeting Mrs. Lynn Hubbard gave a report on the Minnie Mix Club which was held in Milan recently. Cards were the diversion with honors awarded to Mrs. Henry Kempf, Mrs. Iva Marsh, Mrs. Esther Beckman and Mrs. Dora Aten.



What else gives so much .....for so little?

Without stirring from your home, you can shop, run errands, visit with friends—get things done in a hurry—just by picking up the telephone receiver. The telephone is an invaluable business associate for Dad at work. And it's on call for emergency service 24 hours a day.

Weigh it for value and you'll find that nothing else is so high in service—so low in cost as your constant friend and servant—your telephone.

COUNCIL PROCEEDINGS

VILLAGE OF TECUMSEH
COUNCIL BUILDING
October 1, 1951

Present: President Elliott, Trustees Mensing, Fosbender, Truesdale, Heilman, and Porter.

Absent: Rohweder.

Minutes of meeting held September 17, 1951 read and approved.

President Elliott appointed Trustees Truesdale and Fosbender to act as members of the Finance Committee.

An itemized list of bills paid October 1, 1951, is recorded in the Village Clerk's Office and is open for public inspection.

Total disbursements for the period ending September 28, 1951, $6,446.57.

Moved and supported that bills as read be approved and orders be drawn up for the same.

Moved and supported that the Village purchase a car load of mechanical joint cast iron water pipe as recommended by the Village Engineer at an approximate cost of $3,500.00.

Ayes: Mensing, Fosbender, Truesdale, Heilman, and Porter.

Nays: None.

Moved and supported that the Village Engineer be authorized to contract for material to build a storage for village equipment. Estimated cost of $3,500.00.

Ayes: Mensing, Fosbender, Truesdale, Heilman, and Porter.

Nays: None.

Moved and supported that communication from Roland F. Mohr relative to the curb and gutter program and garbage collection be laid on the table.

Ayes: Mensing, Fosbender, Truesdale, Heilman, and Porter.

Nays: None.

Moved and supported that Chas. Kosarne proposal for garbage collection be rejected.

Ayes: Mensing, Fosbender, Truesdale, Heilman, and Porter.

Nays: None.

Moved and supported that the Village purchase a complete shell and record cabinets for the Village vault at cost of $373.58.

Ayes: Mensing, Fosbender, Truesdale, Heilman, and Porter.

Nays: None.

On motion Council adjourned.

J. Floyd Elliott, President
Robert L. Kroner, Clerk

Still Prominent

"Your public must not be permitted to forget you."

"I am attending to that matter," answered Senator Sorghum. "I have arranged to be photographed with a testimonial for cigarets I never smoked and my wife is sponsoring a beauty preparation for which, in my admiring opinion, she has not the slightest use."

Now You Know

Jack: "Who was the first man to start a 40-hour week?"

John: "Robinson Crusoe — he had all his work done by Friday."

A Message To The Voters and Taxpayers Of Tecumseh From Their Village President And Councilmen

On Wednesday, October 31, the qualified voters and taxpayers of the Village of Tecumseh, Michigan, will go to the polls to decide two important issues in Tecumseh's progress.

Both of these issues concern the building of a Sewage Disposal Plant in Tecumseh as ordered by the Michigan Stream Control Commission.

The first proposal to be considered by the voters is that of increasing the millage that may be raised by taxation for the retirement of bonds for general improvement.

Tecumseh, at the present time, is operating under the General Village Charter Law, enacted in 1896. Under this law, the Village may not issue bonds in excess of two per cent of its assessed valuation in any one year for general improvement purposes. Tecumseh's assessed valuation is $5,200,000 and two per cent of this amount is only $104,000. The sum of $285,000 is needed to construct the Sewage Disposal Plant and the necessary interceptor sewers, to the satisfaction of the Stream Control Commission.

Because the state law, therefore, makes it impossible for Tecumseh, under its present charter, to issue bonds in the required amount, it becomes necessary to submit an amendment to the charter to the voters, asking that the millage that may be assessed for the retirement of improvement bonds be increased from two per cent to seven per cent to fulfill the requirements of the law.

The seven per cent figure would permit Tecumseh, with its present assessed valuation, to issue bonds in the amount of $364,000. This is more than is needed to enable the $285,000 proposed issue but, your council believes—on the advice of consultant economists—that it is good business for the village to enjoy this small cushion of financial soundness.

The fact that the millage has been raised from two to seven per cent should give voters no immediate or future concern. Bonds can not be issued by the village without the voters' consent. ALWAYS, bonding issues are submitted to the voters.

The proposal to increase the millage rate is, therefore, the first step that must be taken in the issuance of the sewage disposal bonds. Any qualified elector may vote on this issue. (The voter need not be a property owner). However, this proposal MUST be approved by two-thirds of the electors who cast their votes.

The second issue before the electors will be the proposal that calls for the actual issuance of the bonds. On this issue, only persons owning property assessed for taxes in the Village of Tecumseh, or the husband or wife of such a property owner, may cast their ballots. A majority of the persons voting on this issue must give their approval before the bonds can be issued.

Your council desires to make these two, distinct steps clear to the electors. On the first proposal, that of millage, any qualified elector may vote. On the second issue, that of issuing the bonds, only property owners or the wives or husbands of such owners may vote.

The Sewage Disposal Plant Problem
Is Not a New One in Tecumseh, Michigan

The problem of whether or not Tecumseh shall install a sewage disposal plant and the necessary interceptor sewers is not a new one, in fact it is nearly 20 years old.

Your council has opposed, because of financial reasons, the building of such a plant in Tecumseh year after year. Tecumseh has been threatened with legal action by the state in the past, and has "begged off" because of problems of taxation.

It now appears that Tecumseh can no longer "beg off" and delay the installation. The state has issued a formal order, REQUIRING that the plant be installed and 1953 has been set as the date that the plant MUST be in operation.

Tecumseh has in the past, and is at the present time, dumping its raw sewage into the River Raisin. This is in violation of the state law. The state says that the pollution of the river must be stopped. The state is prepared to enforce its order through the courts, if necessary.

It now seems to your council that Tecumseh has no alternative — the disposal plant MUST be built. It can no longer be delayed.

Your Council Believes That The Cheapest
Bonds Are General Obligation Bonds

Your council has studied the financing of the sewage disposal plant from many angles and it believes that, from the taxpayers' standpoint, general obligation bonds, such as will be issued in the event of voters' approval on October 31, are the cheapest bonds. Some folk have discussed the issuance of so-called revenue bonds.

Your council has investigated these two forms of financing and it finds that revenue bonds demand a higher rate of interest than general obligation bonds, and for that reason would be more expensive to the taxpayers. Over the full term of retirement years, it appears that the interest rate on revenue bonds would be between $25,000 and $30,000 higher than on general obligation bonds. Your council is interested in saving the taxpayers' dollars and does, therefore, for the reason of economy, recommend the general obligation bonds.

Bonds Would Be Retired Over 20-Year Period;
Tax Rate Would Be Increased About $1.50 Thousand

To retire the revenue bonds over a 20-year period, your council believes that it will be necessary to increase the tax rate in the Village of Tecumseh about $1.50 per $1,000 of assessed valuation, (1½ mills), to raise the necessary funds. Such an increase amount will return to the village in cash, on the present assessed valuation, about $7,800 annually. At the present time the village is assessing about four mills or $4 per $1,000 assessed valuation for sewers. This four mill assessment is raising about $20,800. Combining the $7,800 and the $20,800 makes a total available in the sewer fund of about $28,600, or a sufficient amount of money to pay the interest on the bonds, to retire the bonds when they become due, and to operate the disposal plant.

Here, then, is actually what the 1.50 per $1,000 assessed valuation will mean to the average taxpayer: If you own property assessed at $3,000 you will pay three times $1.50 or $4.50 more per year in taxes than you now are paying until the bonds are retired. Over the 20-year retirement period you would pay only $90.

Any taxpayer can determine the amount he would pay in taxes for the disposal plant by simply multiplying his assessed valuation in $1,000's by $1.50.

Your council does not believe that anyone will be injured, financially, as the result of the passage of this bonding issue and the building of the disposal plant.

Your council is frank in telling you that the Village of Tecumseh is, at the present time, violating the law by dumping raw sewage into the River Raisin. Your council knows that the practice must be stopped—as a health measure—and it also knows that the State of Michigan has the authority to stop the practice.

Your council believes that in the event that the electors disapprove of the bonding issue on October 31, that the State of Michigan will immediately take the village into the courts and force the building of the plant in accordance with the order of the Stream Control Commission.

Such a court order was made in the City of Adrian, and that community was required by law—after the voters there had refused to approve the bonding issue—to build a disposal plant.

Your council knows that if the bonding issue is disapproved, and that if the state forces construction of the plant here through the courts, that the cost will be higher—perhaps several thousands of dollars higher.

Your council dislikes spending taxpayers' money. Members of the council are taxpayers in Tecumseh. They understand that taxes should be kept to a minimum. But in this instance, there seems to be no other alternative.

The voters and taxpayers of Tecumseh should not confuse the disposal plant issue, and the need for the issuance of bonds with any other public improvement in Tecumseh. It is no way related to any other improvements—be they water, curb and gutter, streets or anything else.

And finally, your council urges you as voters and taxpayers to approve the issues at the polls, October 31. Remember, the first issue must be approved by two-thirds majority, the second one by a simple majority. If two-thirds of the voters fail to approve the first issue, both issues will be lost.

It is your duty, as an elector and a taxpayer, to vote on Wednesday, October 31, 1951. And we believe that it is to your best advantage, economically, to vote in favor of the issues as proposed.

Signed: J. Floyd Elliott,
President of the Village of Tecumseh, acting on the authority of the Village Council.

NO OTHER CAR PROVIDES ALL THIS:

DYNAFLOW DRIVE* • FIREBALL ENGINE
PUSH-BAR FOREFRONT • WHITE-GLOW INSTRUMENTS • 4-WHEEL COIL SPRINGING
TORQUE-TUBE DRIVE • DUAL VENTILATION
DREAMLINE STYLING • BODY BY FISHER

When better automobiles are built BUICK will build them

Double Surprise for a lot of folks

EVERY time we publish the price of a Buick, it seems to surprise a lot of people, because they come in and tell us so.

They just can't believe that so little money buys such a lot of car—but it's a fact, as the prices published here will prove.

And that brings us to the second surprise—which is how much power and performance—how much comfort and room—what a long list of standout engineering features you get for the price.

Take power. You'll find that no other car at the price of the Buick SPECIAL pictured here delivers the horsepower you get from its high-compression, valve-in-head Fireball Engine.

Take comfort. The best thing to do is try the depth of its seats—their width—and the headroom you get in this Buick SPECIAL, and judge for yourself.

Take the ride. This Buick has big soft coil springs on every wheel, plus the solid firmness of a torque-tube keel—and the way this combination smothers the bumps is something that's hard to match in cars costing a thousand dollars more.

Take the way it steers. Buick engineers have given this light-handling beauty a special "front-end geometry" that almost does the steering for you—even brings the front wheels back to a straight line when you come out of a turn.

And you can add to all this Dynaflow Drive*—that puts magic smoothness into every mile you drive—and practically repays its extra cost by the way it protects the whole driving mechanism, and by the dollars it adds to trade-in value.

So if you have been hoping, some day, to own a Buick—what's holding you back? If you can afford any new car—better see us now.

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.*

HOLLOWAY

Mrs. Clara Hodgkins of Windsor, Ont., spent last week in the home of her daughter and husband, Mr. and Mrs. Dick Gallaway.

Dr. Thomas Rogers of the Holloway Presbyterian church officiated at a baptismal service when Gerald E. Fairbanks II, son of Mr. and Mrs. Gerald Fairbanks, and Connie Sue Frost, daughter of Mr. and Mrs. Raymond Frost were baptized.

Mrs. Emma Fluhrer celebrated her 79th birthday in the home of Mr. and Mrs. Clarence Hunt. Out of town guests were Mrs. Florence Parry of Vassar and Mr. and Mrs. Waldo Proctor of Walled Lake. Local guests were Mr. and Mrs. Harvey Lewis and Mr. and Mrs. Gail Austen and family of Holloway. Mrs. Fluhrer received many gifts and cards.

Pfc. Thomas Mitchell, son of Mr. and Mrs. Hugh Mitchell of Sheppard Field, Texas, is spending a 15 day furlough at home. Tom will report to Camp Stoneman in California on November 2.

Mrs. Alton Wellnitz and son Timmy have returned home after spending a week at the home of her sister and husband, Mr. and Mrs. James Cameron of Evansport, Ohio.

Rally Day was observed in the Holloway Presbyterian church on Sunday. A potluck dinner following the morning services.

Mr. and Mrs. Charles Stewart entertained last week-end Mr. and Mrs. L. L. Andrews of Detroit. Mrs. Andrews will remain for an indefinite visit with her daughter and husband.

Mr. and Mrs. Harold Johnston entertained 20 dinner guests in their home honoring the birthday anniversaries of Edward Ventz, Karen Mitchell, Steven and Ray Johnston and the wedding anniversary of Mr. and Mrs. Edward Ventz. The honored guests received gifts and decorated cakes and ice cream was served in the afternoon.

George Messler has returned home after visiting friends and relatives for the past three weeks in Kalamazoo, Battle Creek and Lansing.

DONUTS & CIDER
for Halloween

Hallowe'en — that great day for fun-making — is just around the corner and Hallowe'en is not Hallowe'en without cider and donuts.

And you've never really tasted home-made donuts until you tried ours. Truthfully, they're delicious.

Van's Pastry Shop

Phone 450J East Chicago Blvd.

Dick Powell and Paula Ray mond are principals in "The Tall Target," the unusual histor ical drama also stars Adolphe Menjou. Sun., Mon., Oct. 28 and 29 at teh Strand Theatre.

CRADLE SHOWER

Mrs. Robert Laidlaw was further complimented at a cradle shower Thursday evening when Mrs. Seymour Barritt entertained in her home at a dessert bridge. The rooms were decorated with fall flowers. Honors were won by Ms. Richard Eggleston, Mrs. June Green and Mrs. Laidlaw who also received an assortment of tiny gifts.

COUNCIL PROCEEDINGS

VILLAGE OF TECUMSEH
COUNCIL BUILDING
October 15, 1951

Present: President Elliott. Trustees Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Absent: Mensing.

Minutes of meeting held October 1, 1951 read and approved.

President Elliott appointed Trustee Fosbender to act as a member of the Finance Committee.

An itemized list of bills paid October 15, 1951, is recorded in the Village Clerk's Office and is open for public inspection.

Total disbursements for the period ending October 12, 1951, $7,940.74.

Moved and supported that bills as read be approved and orders be drawn up for the same.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

Moved and supported that abutting property owners be assessed at a cost of $2.00 per running foot of curb and gutter recently constructed in the Village. Drives will be assessed at 70c per sq. ft. and sidewalk at 40c per sq. ft.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

The following preamble and ordinance was offered by Councilman Rohweder and supported by Councilman Porter.

WHEREAS the rates presently being charged by the Villare for the collection of commercial garbage are not adequate to properly maintain the equipment and to compensate the employees; and

WHEREAS said rates must therefore be increased on commercial garbage pick-up in order to prevent an improper burden upon the general taxpayer;

NOW THEREFORE BE IT ORDAINED THAT:

1. The collection of commercial garbage which is in cans, shall be at the rate of 15c per 20-gallon can per pick-up.

2. The collection of commercial garbage which is in bulk, shall be at the rate of $6.00 per hour for time consumed in loading the garbage and for time utilized in transporting same to the place of disposal.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

ORDINANCE DECLARED ADOPTED.

Dated: October 15, 1951.

Attest, Roebrt L. Kroner, Clerk.

Moved and supported that Police report be accepted and placed on file.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

Moved and supported that the Village purchase a single blade snow plow at a cost of $505.80, and a salt and sand spreader at a cost of $236.00, and also a car load of Rock salt at an approximate cost of $504.00.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

Moved and supported that the Village purchase a single blade snow plow at a cost of $505.80, and a salt and sand spreader at a cost of $236.00, and also a car load of Rock salt at an approximate cost of $504.00.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

Moved and supported to extend the Al Reeves Franchise for picking up papers, card board boxes, etc. to April 15, 1952.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

President Elliott appointed the following to serve at the coming Special Village Election:

Commissioner: P. C. Setterthwaite, James Artman, Ned Baldwin.

Inspectors: Rudy Mead, Edna Codling, Lester Rogers, Ed Lowery.

Clerks: Ruth LaPrad, Freda Sisson, Tilly Tuckey, Cecile Smith.

Gate Keepers: Art Harding, Harry Chilson.

Moved and supported that the above appointments be confirmed.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

The following letter was received from the Water Resources Commission:

At its meeting last week the commission received a report from its chief engineer that plans have been submitted to the health department and a construction permit issued to the village for the construction of a local sewage treatment plant. The commission was also notified that a vote on general obligation bonds is scheduled for October 30, 1951.

Since the municipality is already operating on borrowed time, please notify this office of the outcome of the vote in order that the situation may be reported to the commission at its November meeting.

Moved and supported that the above communication be confirmed.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

Moved and supported that the Village contribute $50.00 to the Chamber of Commerce to help defray the expense for the Children's Hallowe'en Party and $50.00 for the Christmas Party.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

Moved and supported that Trustee Porter be appointed to serve on the Recreation Center Committee.

Ayes: Fosbender, Rohweder, Heilman, Truesdale, and Porter.

Nays: None.

On motion Council adjourned.

J. Floyd Elliott, President
Robert L. Kroner, Clerk

We have never understood why some people have to be driven to religion.

From where I sit ... *by* Joe Marsh

Guess They Felt Pretty "Sheepish"

My wife and I went to Central City Saturday for the football game and it was a top-notcher. But I began to wonder if it was worth the trouble when we got in a traffic jam coming home.

Traffic makes me mighty impatient. When I came to a side road that seemed to point towards the main highway, I turned onto it. This road bumps along for maybe a mile, then fetches up short by the railroad—a dead end.

So, I turned around and darned if there weren't twenty cars behind me! One driver had followed —figuring I knew a short cut—then a whole string of them swung after him, like sheep.

From where I sit, there's no sense in just "following along." Whether it's choosing a road, a movie star, or what beverage to drink at meal time, it's always better to make your own decisions. Personally, I often like a glass of beer with my dinner, but most of all, I like the freedom of making up my own mind about it!

When a man gets a few hundred miles from home, and his neighbors, how he can talk.

THE TECUMSEH HERALD

ONE HUNDREDTH FIRST YEAR — NUMBER 5 TECUMSEH, MICHIGAN, NOVEMBER 1, 1951 FIVE CENTS A COPY

Date Extended For Chest Drive

LITTLE MORE THAN HALF OF QUOTA SUBSCRIBED; NOVEMBER 10 IS LAST DAY

With a little more than one-half of Tecumseh's Community Chest Fund quota for 1951 subscribed, Ronald Harris, general chairman, announced today that the date for the closing of the drive had been extended to Saturday, November 10. When the campaign opened, October 31 was set as the final day.

"We are not pessimistic about the campaign in Tecumseh," Mr. Harris said, "although I can see that there still is considerable work that must be done if Tecumseh is to reach its goal. However, only a small percentage of the captains in the residential areas have reported, and we are very hopeful that when they do the grand total will rise sharply."

As of Wednesday morning, Harris said, figures at his office show that about $4,400 of the $8,175 total has been pledged. That means that about $370 must be returned every day during the next 10 days by the solicitors if the campaign is to succeed.

"We understand that the teams in the residential areas are working diligently, but they are finding it necessary to make many callbacks, and all such work takes time. Also, there are many callbacks in the business, industrial and township areas. For this reason some of the captains are waiting to make more complete reports and, consequently, total figures are held up."

Harris said that he was happy to report that an anonymous giver had again come to his office this year with a $50 contribution.

"I don't know who the man is, he didn't tell me his name. He didn't want a receipt, he just wanted to do his bit in helping a worthy cause. This is the second year that this man has made a similar contribution and each year he refused to identify himself. I would like to take this opportunity to say thank you to him, and to tell him that the Fund officers and the community generally appreciates his generosity."

Harris also urged that contributors realize that this year's Fund quota is a little higher than it was a year ago—between 15 and 20 per cent higher. This year, a total of 38 groups are sharing in the Fund, including the United Fund. The bulk of all of the money given remains, however, in Tecumseh and for use in Tecumseh.

"When you give to the Fund this year you are giving to many participating agencies," Harris said. "You give once, and you are giving to all."

Police To Guard Houses Of Winter Vacationists

Chief of Police M. E. Clark today urged that residents of Tecumseh who are planning extensive vacations this winter notify his department of their intended absence from home, so that officers may keep a more careful check on their houses.

"Residents may either call at the office personally, telephone us or drop us a letter. They should tell us when they are going, where they may be reached in the event of emergency, or who may be contacted locally should need arise. Officers will be instructed to keep a check on the houses during the residents' absence," Chief Clark said.

"The police department of Tecumseh is here to be of service to the residents," the chief said. "We are only too glad to cooperate."

CAMP DONATED BLOOD WAS MUCH APPRECIATED

During a convention at summer camp near Lansing, Seventh Day Adventists of Michigan broke all state records by giving 512 pints of blood for use on the Korean battlefields.

How much the blood was appreciated is told by Sgt. John Kopka, stationed in Korea, in a letter received this week by his parents, Mr. and Mrs. John Kopka of Tecumseh. The blood arrived at a much needed time, Sgt. Kopka said, and it certainly was appreciated.

Several Adventists from Tecumseh and Lenawee county attended the Lansing meeting.

Lloyd Collins

Lloyd Collins, president of the Michigan Synod Council of Presbyterian Men and past president of the Interdenominational Laymen's Club, of Detroit, will speak November 7 at the charter night program of the Presbyterian Men's Club. Mr. Collins was born in Canada, becoming an American citizen in 1928. He farms as a hobby and is a member of the Westminster Presbyterian church of Detroit. He is now vice president and general manager of Schroeder Machine Co. of Detroit, formerly with the Ex-Cello Corporation and before coming to Michigan from Canada was with the Bank of Nova Scotia. Wednesday's meeting will be in the Fellowship Center of the church.

Spooks Strut On Hallowe'en

THEATRE PARTY, DANCE AND WINDOW DECORATING CONTEST ATTRACT CROWDS

Ghosts and goblins strutted their stuff, several hundred children enjoyed a special theatre party at the Strand, and junior and senior high school students participated in a dance at Central School gymnasium, last evening, as Tecumseh observed another Hallowe'en. The civic party, traditional in this village, was again sponsored by the Rotary and Exchange Clubs the Chamber of Commerce, Community Fund and the Village Council.

The observance got under way at 7:30 with a parade of the masked merrymakers through the business district, headed by the high school band. After the costumes had been judged, the youngsters were treated to a special theatre party at the Strand where prizes were awarded. This section of the entertainment was for children through the eighth grade.

For the junior and senior students of the schools, a special

Rotary Club Hears Of Soldier's Life In Korea

William Aebersold, recently returned from the Korean fighting front, was the guest speaker at the regular dinner meeting of the Tecumseh Rotary Club, Tuesday evening, following dinner at the Country Club. He was the guest of George Green, Jr. Mr. Aebersold now a student at Adrian College, told some of his experiences as a member of the armed forces, and he also showed several colored pictures, taken while he was in service.

The club voted to give $50 to the Future Farmers of America to help defray the expense of sending two members of the group from here to the International Livestock Show at Chicago.

Mel Partridge, president, announced the intended visit of Gov. John Maynard to the Tecumseh club, next Tuesday. Mrs. Maynard will accompany the governor, and the wives of Rotarians are planning a dinner at the Country Club with Mrs. Maynard, Tuesday evening.

Guests at Tuesday's meeting included the Rev. Ronald Brunger, new pastor of the Methodist church; the Rev. Mr. Jarvis of Tipton; Dr. Bernard Patmus of Adrian, and Earl Green, elementary school principal of Tecumseh

FOOD IS INCLUDED IN CHRISTMAS BOXES

Mrs. Richard Eggleston, rehabilitation chairman, reports that the American Legion and Auxiliary have packed 28 Christmas boxes to be mailed to boys from Tecumseh and its area, who are overseas in the armed forces. At the request of one of the boys who is home from Korea, urging that food be included in the boxes, each box dispatched from here contained eight cans of food. The variety included shoestring potatoes, dates, sardines, marshmallows, date-nut bread, fruits, and a carton of dehydrated soup.

Rotary Leader Will Visit Here

JACK MAYNARD OF DETROIT, DISTRICT GOVERNOR, COMING NOVEMBER 6

The Rotary Club of Tecumseh, on November 6, will be host to John D. Maynard, governor of the 223 District of Rotary International, who is making his annual official visit to each of the 37 Rotary Clubs in Canada and Michigan. He will confer with President Melburn C. Partridge, Secretary Lester C. Rogers and other local officers of Rotary administration and service activities. He will address the club at its dinner meeting at the Country Club.

John D. Maynard

Mr. Maynard is president and general manager for Knorr-Maynard, Inc. in Detroit and is a member of the Rotary Club of Detroit. He is one of 203 Rotary District Governors supervising the activities of some 7,300 Rotary Clubs which have a membership of 350,000 business and professional executives in 83 countries and geographical regions throughout the world.

Wherever Rotary Clubs are located, their activities are similar to those of the Rotary Club of Tecumseh because they are based on the same general objectives—developing better understanding and fellowship among business and professional men, promoting community betterment undertakings, raising the standards of business and professions, and fostering the advancement of good will, understanding and peace among all the peoples of the world.

Each year, this world-wide service organization continues to grow in numbers and in strength. During the last fiscal year, for example, 257 new Rotary Clubs were organized in 35 countries of North South and Central America, Europe, Asia, Africa, and the Islands of the Pacific.

Mr. Maynard was a guest and spoke briefly last week Thursday at an inter-city meeting of Rotary at the Eagles Hall in Adrian. Members from Tecumseh, Clinton Blissfield and Adrian were in attendance. Joe Brady of Howell, former district governor, was the principal speaker.

V. F. W. AUXILIARY GIVES $30 TO COMMUNITY FUND

Three new members, Mrs. Grenval Spangler, Mrs. Warren Filter and Mrs. George Hay, were initiated into membership of the V. F. W. Auxiliary at its regular meeting, Thursday evening. Mrs. Frank Daehne presided and the auxiliary voted to give $30 to the Community Chest and $25 for the Veterans' Hospital Christmas party. The group also decided to purchase two more American flags for two additional Cub Scout Dens, making a total of 11 flags which have been presented to the Cub Scouts.

Mrs. Waldo Mohr and Mrs. Ben Hammack gave reports on the meeting and service school, respectively, which they attended in Lansing recently. Mr. Mohr, Mr. Hammack and Mr. and Mrs. Richard Butler also attended. Mrs. Daehne and her committee served refreshments.

NORMAN McCONNELL BURIED ON SATURDAY

Funeral services for Norman C. McConnell, who died Wednesday morning, October 24, at 11:15, were held Saturday afternoon at 2 o'clock at the Green Funeral Home with the Rev. B. O. Bashore officiating. The honorary bearers were Grangers, Ernest Harris, Fred Sheldon, Muls Swick, Charles Patterson, Harold Rohrback and Floyd Barrett. The bearers were Charles Cox, Eugene Rebottaro, Roy Cadmus, Clare Woodward, Bert Lanning and Fred Anderson. Burial was in Brookside cemetery. Friends and relatives attended from Detroit, Milan, Jackson, Britton, Macon, Clinton, Adrian and locally.

Parent-Teacher Meeting To Be Held November 8

The November meeting of the Parent-Teacher Association will be held in the high school study hall, Thursday evening, November 8 at 8 o'clock. As the following week will be National Education Week, the program will be entitled "Understanding the educational program of our schools." There will be short talks by local teachers on the guidance program, report card system, why and how social studies are taught, scholarships, teaching of reading in grades, and what is being done in the instrumental department.

15 Students On "A" Honor Roll

TOP GRADE PUPILS IN JUNIOR AND SENIOR HIGH SCHOOL ARE ANNOUNCED

Fifteen students in the junior and senior high schools of Tecumseh found their names on the "A" honor roll when it was issued this week from the office of Neville Hart, principal. The "B" honor roll also was issued at the same time. The report covers the first six weeks of the school year.

Students on the "A" roll are as follows: 12th grade, James Breitenwischer, Rosanna Niedermier, Richard Whelan and Nita Spangler. 11th grade, Irma Brollier, Lorissa Peotter, Joan Pfaus, Marian Titley and Ruth Tilton. 10th grade, Marie Boyce and Grace Moore. 9th grade, Phillip Stutesman and Phillip Young. 8th grade, Betty Day. 7th grade, Cathlyn Cornell.

The "B" students are as follows: 12th grade—Ilene Beach, Charles Bishop, Alfred Born, Nadine Carney, Alice Chapman, Janet Erbart, Shirley Fletcher, Ruth Goodacre, Robert Hadley, Barbara Handy, Larry Hart, Ruth Havens, Beverly Hay, Joan Hindes, Robert Kruger, Joan Judd, Beverly McLaury, Robert Marsh, Tiley Ogden, Jennie Phillips, Gloria Reed, John Sisson, Virginia Snyder, Donna Spencer, Steve Vargo and Diane Winfield.

11th grade—Jerry Barron, William Beardsley, Jack Betzoldt, Robert Bird, Melvin Boltz, Gail Claxton, John Deming, Mary Lou Dibble, Diane Dixon, Juanita Downard, Jack Greenwald, Nancy Kniletz, Ernest Kollar, James Lawson, Orindale Murphy, Lee Norcross, Gretta Porter, June Stuart, James Stutesman, Margaret Touborg, Nancy Treby, Merlyn Wagner, Marilyn Whelan, and Richard Young.

10th grade—Janet Bashore, William Benham, Ardyth Eaton, James Hartsell, Earl Kruger, Mary Nixon, Erwin Pennington, Patsy Purcell, Nancy Randall, Victor Shandley, Judy Sisson, Ruth Titley, Doris Tressler, and Tom Will.

7th Grade — Dean Andrews, James Armstrong, Sylvia Busche, Gary Cameron, Beverly Champanois, Rita Crosby, Marlene DeLisle, David Finnegan, Charles Foreman, Carol Glisson, Sandra Hall, Charles Hand, and Joan Handy.

7th Grade — Suzanne Hite, James Jackson, Linda Johnson, Jane Krebs, Ray Larned, Bonnie Mack, Janet Martin, Bruce McDowell, Ruth Meads, Kenny Miller, John Naser, Anne Rebottaro, Jerry Robinette, Judy Rudock, Patricia Rupp, NiCkey Touborg, Judy VanWinkle, Lee Vescellus, Helen West, and Judy Whiting.

Indian Snappers Club To Judge Photos, Monday

The Indian Snappers Camera Club will meet Monday, November 5 at 7:30 in the basement of the public library.

Members are asked to bring their contest entries, both black and white pictures and color transparencies. The winners will be selected at this meeting. The subject is animals.

Anyone interested in learning how to take better pictures is invited to attend any meetings of the club.

Former Sheriff Dies In Sleep

FUNERAL SERVICES HELD HERE SATURDAY AFTERNOON FOR WILLIAM J. HANNA

William J. Hanna, aged 69 years, former sheriff of Lenawee county and well known in the political and business life of the community, died in his sleep last week Thursday at the home of Mr. and Mrs. J. Floyd Elliott, South Evans street. Mr. Hanna had made his home with the Elliotts for 11 years. When he failed to arrive at his office at noon, James Hartsell, who had called to see him, and Mrs. Elliott went to his room at

William J. Hanna

about 12:40 p.m. Death had come a few hours previously.

Born in Geneseo, N. Y., November 5, 1881, Mr. Hanna moved to Tecumseh with his parents in 1887. He attended the Tecumseh public schools and gained a wide reputation for his ability as a baseball player. In 1910 he moved to Adrian and for some time was employed as a shop foreman for the Peerless Fence Company. Later, he sold automobiles in the county seat city.

In 1935, under the administration of Sheriff Arch Wilson, Mr. Hanna was named a deputy sheriff, serving in that capacity until 1938 when he was chosen as sheriff. He was re-elected in 1940 but was defeated at the polls when he tried for a third term in 1932. After leaving political office, Mr. Hanna was employed for a short time by the Ford Motor Company before he became associated with his brother, Fred C. Hanna, in the real estate and insurance business here in 1938. He kept that association until the time of his death. He also had served for the past 12 years as a deputy sheriff.

Surviving are a son, Richard of Adrian; two brothers, Hugh H. Hanna and Fred C. Hanna, of Tecumseh; two sisters, Mrs. Fred Marsh of Tecumseh, and Miss Elizabeth Hanna of Geneseo, N. Y.; three grandchildren, Richard, William and Mark Hanna, all of Adrian. His parents and a brother, Joseph, preceded him in death.

Mr. Hanna was a member of the Masonic Lodge of Tecumseh, and of the Elks of Adrian, the Tecumseh Club and the Tecumseh Country Club.

Funeral services were held Saturday afternoon at 4 o'clock from the Green Funeral Home, the Rev. Donald C. Wilson, pastor of the Presbyterian church, officiating. Burial was in Brookside cemetery. The bearers were J. Floyd Elliott, Paul Keyser, John C. Truesdale, and Lester Coller of Tecumseh, Wade Willet and Claude Lossing, sheriff and undersheriff, respectively, of Adrian. Members of the Tecumseh Police Department attended in a body.

Friends and relatives at the service came from Pontiac, Detroit, Clare, Adrian, Britton, Tipton, Clinton and Tecumseh. Included were Mr. and Mrs. Harry Dern berger of Pontiac, Robert Curry of Saginaw, the Misses Martha Jane Hanna and Isabelle Argue of East Lansing, Lester Stagg of Birmingham, Mr. and Mrs. Earl Haughn of Commerce, Mich., Mrs. Ethel McClelland of Coldwater, and Mr. and Mrs. William L. Allen of Grand Rapids.

HALLOWE'EN DANCE

A Hallowe'en dance, the first in a series of dances sponsored by the American Legion for members of both the Legion and Auxiliary and their friends, will be held on Saturday, November 3, at the Legion Home. Music will be by Driscoll's Orchestra.

Get your Christmas gifts at Presbyterian Fall Festival, Nov. 1. adv. 11-1

Bishop Hubbard

The Rt. Rev. Russell S. Hubbard, D. D., suffragan bishop of Michigan, will visit St. Peter's Episcopal church here on Sunday and administer the rite of holy communion and deliver the sermon at the 11:15 morning service. Bishop Hubbard also will be the celebrant at the communion service at 8 o'clock on Sunday morning.

Tecumseh Eyes LCAA Pennant

A WIN AT BLISSFIELD AND MORENCI'S DEFEAT WOULD BRING LOCAL VICTORY

With the Tecumseh high school Indian gridders in a possible tie position for top honors in the L.C.A.A., enthusiasts are looking forward eagerly to the Blissfield tilt on the Sugar Boys' field, Friday evening, November 9, the last game of the season. Should Tecumseh win from Blissfield and should Hudson defeat Morenci, the Indians would be tied with the Morenci school for the county trophy. Thus far, Tecumseh has won five of its six games. Morenci has enjoyed a 4-year winning streak, chalking up 32 consecutive victories.

"Morenci's luck just can't hold," was the way one Tecumseh fan put it today. "Their luck is bound to run out and should that happen next week, the Indians are almost certain to tie for the county pennant."

Blissfield is expected to prove an easy opponent for the Indians —unless they become too confident. Morenci, earlier in the season, defeated Blissfield, 39 to 0, and Tecumseh 38 to 13. Pittsford defeated Blissfield last week-end, and Hudson, with a much stronger line than in earlier contests, is expected to give Morenci a bad time.

The Indians clipped off their fifth win of the season last week Wednesday evening at Recreation Center by defeating their neighbor-rival, Clinton, by a score of 26 to 6. It was Tecumseh's homecoming game and a record crowd saw the contest.

Coach Duvall's men scored early in the game, making two touchdowns in the first stanza. Bill Benham accounted for the first tally with a 10-yard dash that climaxed a 43-yard drive. He also kicked the extra point. The second score came minutes later when Quarterback Jim Breitenwischer threw a pass to John Sisson, accounting for 18 yards. Benham again kicked the point.

In the second period the Indians scored again, but this time failed

(Continued on page 6)

FREE MOVIES TONIGHT

A regular meeting of the Tecumseh Conservation League will be held this evening at 8 o'clock in the United Products Workers Union hall. Free movies of jungle hunting in Africa will be shown by Mr. Hurd of Adrian. The League's recent gunshoot at the Joe O'Farrell farm was a success and largely attended.

RECEIVES DEGREE

L. W. Larsen received the degree of Knight York Cross of Honor, Saturday afternoon, October 27, at the Masonic Temple in Detroit. In order to receive the honorary degree the candidates must have presided in all four bodies of the York Rite of Masonry. After the degree was presented, 44 sir-knights and their ladies enjoyed a dinner at the Stockholm, in Detroit.

NAMED TO COMMITTEE

Roy Dahlke of Tecumseh, secretary of Tecumseh Conservation Club, has recently been appointed a committeeman to the Great Lakes Fisheries Committee. The committee functions under the Michigan United Conservation Clubs. The committee will meet somewhere in the state soon.

Tecumseh Leads In Cub Scouts

COMMUNITY COMPLIMENTED BY COUNCIL IN CHARTER REVIEW MEETING, MONDAY

A charter review meeting of the Cub Scout Pack Committee, Den Dads, Den Mothers and assistants was held Monday evening at the Baptist church. Twenty-two were present and Alvah Knight, representative of Wolverine Council, reviewed the work of the present charter year which ends November 30. Mr. Knight complimented Pack No. 4 on its parent cooperation, its advancement program and its membership. He told the group that the Pack is the largest in Wolverine Council which includes Monroe and Lenawee counties. During the charter year 119 boys have taken part in Tecumseh's cubbing program.

After the charter review Mrs. Robert French and Mrs. Maxwell Smith showed the Den Mothers and assistants the strip film, "How to Conduct a Den Meeting." The men of the Pack Committee selected their officers for the year which include Robert L. French, chairman of the Pack Committee; G. Maxwell Smith, Cubmaster; Le-Roy Titley, secretary; Virgil Tucker, treasurer; the Rev. B. O. Bashore, institutional representative; John H. Curth and Charles Stephenson, training co-chairmen; Laine Holden, property chairman; John H. Curth, handicraft chairman and Lawrence Holdridge, advancement chairman.

The next monthly planning meeting of Cub Scout leaders will be held November 12. The next Cub Scout Pack Meeting will be held November 19 at the Central School building auditorium when nine dens will take part in a tableau based on the theme of the month, "Strong for America."

Eight Cars Are Damaged In Series Of Mishaps

Eight automobiles were admaged here during the past week in a series of traffic accidents.

Last Friday, cars belonging to Russell Gott, Lake City, and Ralph H. Swane, Tecumseh, suffered minor damage in a mishap on North Mill street. The same day, cars driven by Frank Horton, Tecumseh, and Kenneth D. Barnard, Jackson, were damaged to the extent of $250. This accident happened in the Tecumseh Products Co., parking lot. Also on Mill street near Water street, a car driven by Melvin Haskins of Tecumseh, was damaged $300 when it left the road and struck a mail box. Haskins told police that he fell asleep momentarily.

Saturday, on North Mill street, cars driven by Frank Griswold, Tipton, and Mildred Green, Tecumseh, suffered minor damage in a collision. All of the mishaps were investigated by the police.

Funeral Services Held For John T. Reidy

Funeral services for John T. Reidy, a former resident, who died October 22 at the home of his daughter and husband, Mr. and Mrs. Bruce Hoffman, in Encinitas, California, were held Saturday morning at 11 o'clock in the St. Elizabeth Catholic church with the Rev. Fr. Victor Stefanac and Rev. Fr. Michael G. Collins, officiating. Music was by the men's choir of the church with Mrs. Richard Jennings at the organ. The bearers were Donald Clarke, Alfred Meyers, Joe Brown, Frank Bolke, Chester Beach and Roderick Welch. Burial was in St. Dominic cemetery at Clinton.

Friends and relatives attended from Encinitas, Calif., Ridgeway, Tecumseh and Romulus. His brother John from Independence, Kansas, and a sister, Mrs. Chris Sachs and Mr. Sachs of Long Island, New York, also attended the services.

INFANT IS BURIED

Graveside services were held Thursday afternoon at 2:30 at Brookside cemetery for baby Miller, infant daughter of Mr. and Mrs. Robert G. Miller, 3916 Russell Road, who died Wednesday night at birth. The Rev. B. O. Bashore officiated. Survivors besides her parents are one sister, Camilla, age 4, and grandparents, Mr. and Mrs. Charles V. Miller and John C. LaGore, all of Tecumseh, and several aunts, uncles and cousins.

WHELAN STORE ENTERED

Police are investigating the breaking and entering of the offices of the Whelan Implement Co., W. Logan street, last Thursday. Entrance was gained by breaking a rear window. A box of candy bars and $1.75 in cash were taken.

Turkey dinner, Presbyterian Fall Festival, Nov. 1, 5 p.m., $1.50 and 75c. adv. 11-1

Socialism Takes Another Setback

Socialism, as a system of government, last Thursday suffered defeat at the hands of British electors. This is the third defeat that left-wingers have suffered in the last few years in countries where the people still have the right to vote. In Australia and New Zealand, for example, strongly socialistic governments were turned out by decisive margins, after having been in power for prolonged periods of time.

The test at the English polls last week was perhaps the most important of all. The Labor government, with heavy socialistic leanings, had been in power for six years. Clement Attlee made a vigorous campaign to perpetuate his party but the 77-year-old Conservative Winston Churchill proved too powerful. Hence, the man who directed England's destinies during the war and was then cast aside is back in power with a comfortable working majority in Commons.

Although Churchill did not win the election by a landslide, the vote clearly indicates that a majority of the British people have become fed up with the fruits of the socialistic policy. The British standard of living had gone steadily down, during the Labor party's years, and further reductions had been indicated. The tax rate had risen to extremely high levels—it had been said that less than 100 Englishmen earn $25,000 a year after taxes—and fell with great weight on the small income as well as the large. There had been much unrest among the working people in the coal mines and other industries—in spite of Labor's promises, many of them were worse off now than they were under the much-denounced private ownership. The shortage of basic goods and services had grown more and more severe. The dollar situation was critical, and the government had been in eternal difficulties in trying to buy the raw materials British factories needed. In the last few months, splits within the ranks of the Labor government itself damaged the party's prestige and authority.

As we see it the Conservative victory is of immense world importance. It shows that a people who have had a full taste of socialism have had enough of it. Churchill's victory also should be of vital significance in strengthening the anti-communistic bloc. While Mr. Attlee had no sympathy for communism, and none of the characteristics of a Stalin-type dictator, some other men in the Labor government seemed to be of a different stamp.

The about-face by the British voters also should give the electors of the United States something to think about. For more than twenty years America has been courting socialism. We have nursed a paternalistic government—and we still are doing it.

There is not the slightest doubt but that England, economically, would have gone to the dogs long ago had it not been for the millions and billions of American money that was carried across the Atlantic. And even with all of the economic aid that America has given to England, her position today as a money power is extremely low.

The pattern that is being followed by the Truman administration in the United States is not so much different than that followed by Attlee and his government in England. Perhaps Mr. Attlee rushed his policies a little more than has Mr. Truman, but the policies of both leaders smack of socialism.

Mr. Churchill faces a giant's job in rebuilding the government of England. The fact that he has been elected as prime minister does not foreshadow any sensational change. It must be remembered that during the six years of the Attlee regime so much collectivism has gotten into the British economic bloodstream that it can only be purged slowly, if at all. The cost of England's six years under the Labor government will continue to be paid for by future generations.

One year from this month the voters in the United States will go to the polls in a national election. There are indications today that the Truman government with its socialistic leanings also will be turned out of office. Americans should watch carefully the political and economic happenings in England now and during the coming year. The next twelve months in England may reflect some of the difficulties through which we must pass should we waken up in November of 1952 and oust a form of government that has perpetuated itself for more than a decade.

Let us hope that neither England or the United States have waited too long to make the decision.

Arrests By State Police Show Gain In September

During the month of September Michigan State Police made a total of 8,583 arrests, an increase of 22 per cent over the 7,056 reported during the same month in 1950.

According to a monthly activity analysis compiled by the department, September arrests included 7,216 for traffic offenses, an increase of 23 per cent over 5,880 for the same period last year. Troopers also made 21,421 property inspections and 3,108 liquor inspections.

Total travel in all departmental activities, including patrol and complaints, was 865,483 miles.

The East Lansing headquarters identification bureau received 7,839 sets of fingerprints during the month to bring the total on file to 3,481,389. Of this number 1,799,228 are in the criminal file and 1,682,161 in the non-criminal.

Through fingerprints the bureau identified eight persons wanted by police as fugitives from justice. In checking fingerprints in connection with 569 applications for licenses to carry concealed weapons, 66 persons were found to have criminal records.

Future Farmer Notes

On October 15, 1951, the Tecumseh Chapter of the Future Farmers of America met in the agriculture room of the new high school. Fifteen candidates for the Green Hand Degree passed various tests, and were made members of the chapter. The Green Hand Degree is the first of four degrees awarded to FFA members. Other chapter business was discussed at the same meeting.

The Tecumseh FFA Chapter also took high honors at the County Fair. Richard Young, Fred Long, and Erwin Pennington won the county championship for the FFA. They won the Animal Husbandry Contest by making a total of 884 points out of a total of 900. The contest included the judging of Beef, Sheep, and Swine. Seven of the FFA boys exhibited corn at the fair, they received four blue, two red, and one white ribbon.

At a recent meeting the chapter decided to elect junior officers of the club. These officers are to assist the senior officers in their respective office. The following junior officers were elected. Phillip Young, jr., president; Leroy Betzoldt, jr., vice president; Edward DeLisle, jr., treasurer; Eugene Withrow, jr., secretary; and Jim Hargrave, jr., reporter.

Merlyn Wagner and Charles Bishop recently returned from the National FFA Convention which was held October 8 to 13. They will give a report of their trip to Kansas City at the annual Parent and Son Banquet.

On October 15 the FFA Mothers Club opened this year's activities by making plans for the Parent and Son Banquet. Mrs. Pennington, president of the Mothers Club, presided over the meeting. Mrs. Bishop is secretary-treasurer.

The Parent and Son banquet was set for the date of November 5. Mrs. Long was elected to act as chairman for the planning committee and Mrs. Wilt as her assistant. Mrs. Winzler gave important suggestions as to the planning since she has had experience in the past.

The meeting was fairly well attended with 12 mothers present; but Mrs. Pennington suggested that all of the FFA mothers should be present at the meetings to help in making their boys banquet a success.

MODEL . . . He might be a sculptor's model for a heroic statue, but he's a real hero—P.F.C. Robert Buyers of the U.S. marines—and the dried blood streaks and wounds are real. He was the victim of a Communist grenade in Korea.

Japanese Television To Start About April 1

Tokyo—The Japan Broadcasting Corporation will begin television broadcasts four hours daily beginning April 1, 1952.

Studios will be set up in the present JBC radio stations in Tokyo and Osaka. Programs will be transmitted on 10-kilowatt beams from towers constructed on top of the two stations. The decision to begin broadcasts next spring was made after an announcement that a commercial TV broadcasting station would be constructed by private interests early next year.

The JBC broadcasts will be strictly on an experimental basis. Tentative plans call for the use of mobile sets in various districts to give the people of Tokyo and Osaka a chance to see the programs. Only a few TV sets are privately owned in Japan now. Most of them were bought in anticipation of TV broadcasts in the near future.

Deer Hunters May Register To Get Emergency Messages

As in past years the Michigan State Police and the State Department of Conservation will cooperate during the 1951 deer hunting season in making a free registration service available to hunters who desire to be reached in camp if an emergency occurs at home.

Under the plan, a hunter registers at the state police post or conservation headquarters nearest his camp. Before leaving home he should inform his family or office of the station at which he is registering.

In the event of an emergency, those at home need only notify their nearest state police post or conservation headquarters and the message will be radioed to the specified registration station. Either a state police or conservation officer will then deliver the message to the hunter.

The plan also facilitates transmitting messages home if hunters are involved in accidents or reported lost.

Only mesages of an emergency nature will be handled. The service is not offered where regular communications facilities are available and can be used without delay.

All state police posts and conservation headquarters have supplies of registration cards. The cards also will be available on state ferries and can be handed to state police officers stationed at the docks.

In filling out the cards hunters are urged to make sure they give accurate locations of their hunting camps and if necessary diagrams should be drawn. Each member of a hunting party should register.

Bad Business

An old lady went up to the beggar. As she handed him a coin she said: "Oh, my poor man, it must be dreadful to be lame. But, you know, it would be much worse if you were blind.'

"You're telling me, ma'am," said the beggar. "When I was blind I got nothing but foreign coins."

He Does

My barber many yarns narrates;
His mouth he seldom shuts,
And some of them he illustrates
With unexpected cuts.

Home-School Relations Parent Institute Topic

Home-school relations will be a central topic for the twenty-second annual Parent Education Institute, to be held at the University of Michigan November 7 and 8.

Co-sponsors of this annual event, which brings several hundred delegates to the campus, are the University Extension Service and the Michigan Congress of Parents and Teachers.

Principal speakers at the opening day's session will be Dean James B. Edmonson, of the University's School of Education, whose topic will be "America's Faith in Public Education," and Stanley Dimond, professor of education, whose subject will be "Developing Good Citizens." Delegates to the Institute will also hear a panel of four high school exchange students from Germany discuss "Our High Schools and International Education."

Two topics bearing upon both education and the home will be discussed at the second day's meeting. Prof. Garnet Garrison, director of the University of Michigan Television Hour, will discuss the use of television in the home, while Mrs. Betty Kohler, of Western Michigan College of Education, will speak on "The Employed Mother."

Final speakers on the Institute program will be Dr. Edith Roach Snyder, principal of Webster School, in Pontiac, and Howard Y. McClusky, professor of education at the University.

Building Permits Off Over Year Ago Figure

New York—Building permits in 215 cities in August totaled $437,666,400, Dun & Bradstreet reported. This represented a seasonal increase of 5.3 per cent over the July figures of $415,571,892 but a drop of 20.6 from the $550,997,975 in August, 1950.

Permits for New York City alone amounted to $76,505,151, more than double the corresponding month a year ago and nearly 68 per cent greater than for July. For the remaining 214 cities, the August total was $361,161,249, or 19.6 below August of last year and 2.4 per cent less than for July.

A Bargain

The decrepit old car rattled and chugged to the toll gate and came to a stop with a mechanical gasp.

The attendant, after counting the passengers, requested the appropriate fee — "two dollars for the car?"

"Sold!" cried the happy driver.

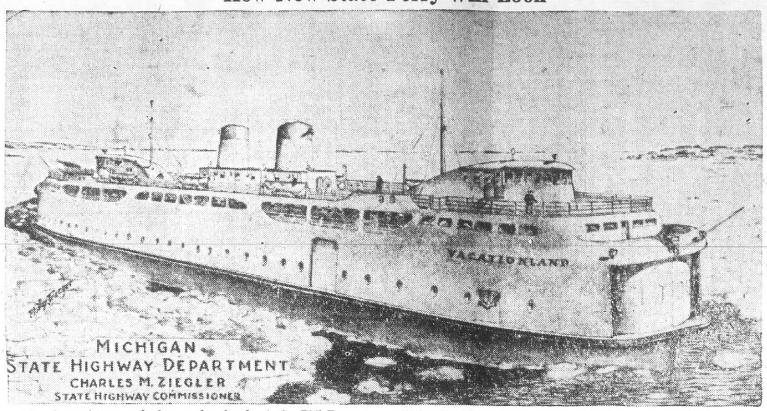
How New State Ferry Will Look



The above picture made from a drawing by Artist Phil Troeger, shows how the new Michigan State ferry, the ice-breaker Vacationland, will look when completed. The big ship, which will be one of the most powerful crafts ever built for its size, is now under construction at the Great Lakes Engineering Works at River Rouge, Michigan. Highway Commissioner Charles M. Ziegler has announced the vessel is expected to go in service across the Straits of Mackinac in time to handle part of the annual deer hunter traffic just ahead of the opening of the deer hunting season, November 15. The Vacationland will handle winter traffic across the Straits and will augment the present four State Ferries at other seasons of the year. It will be powered by four huge Diesel engines and will be 360 feet long and 73½ feet wide. It will load and unload at either end, which will cut some 20 minutes per round trip off the time of the four state boats now in service at the Straits. The Vacationland will handle some 150 vehicles and 650 passengers per trip. It will cost approximately $4,500,000. A new State Ferry dock is being built at St. Ignace and a new slip for the Vacationland at the Mackinaw City docks.

Herald classifieds pay dividends.

Corn Cobs Are Good Mulch

Corn cobs, twigs and small branches, vegetable garbage that is not greasy, and weeds can be thrown into the mixture.

"Don't worry about the weed seeds in this fertilizer, the weeds will come up in the garden anyway," he said.

In the spring dig or plow the compost into the ground. Use this about two inches thick, he reported. It can be used on top of the ground in summer around shrubs and trees to save watering and cultivating, then dig it into the ground in the fall for fertilizer.

By repeating the process every year the soil will be built up enormously, Professor Whittemore said.

Wow!

A burglar's wife was being vigorously cross-examined by the county attorney.

"Madam, you are the wife of this prisoner?"

"Yes."

"You knew he was a burglar when you married him?"

"Yes."

"May I ask how you came to marry such an individual?"

"You may," snapped the witness. "You see, I was getting old and had to choose between a burglar and a lawyer."

Circuitous Result

"Did you find a suitable wife through your matrimonial advertisement?"

"Yes, I had so many replies that I had to employ a typist and I married the typist."

THERE'S AN EASIER WAY, GIRLS!

B-THIN

Don't torture yourself with strenuous exercise, massage, or rigid dieting. Shed excess weight the easy, pleasant B-Thin way. B-Thin Condensed Food Tablets are drugless, harmless. They give your system all the nutritional elements required for abundant energy. Take B-Thin as directed—see how your Energy goes Up, your Weight goes Down! Try them for seven days. Your money back if not satisfied.

Poor Illustration

"What is your recreation, my boy?" said a banker to his caddie.

"I'm a Methodist, sir."

"No, no; that's your belief. I mean, have you any particular sport or hobby? Just as, for example, I myself am a golfer?"

"No, that's just your belief, sir," said the boy.

Burning Leaves Just Like Burning Money

"Burning leaves is burning money."

Leaves you rake up this fall can go to work for you in your garden producing stronger plants and bigger vegetables next year—saving fertilizer money and getting more from your gardening efforts.

A compost pile of decayed leaves is recommended by Professor Harlow O. Whittemore, chairman of the University of Michigan Department of Landscape Architecture, as an ideal mulch.

Wire screen can be set up to hold the leaves or, if you prefer a digging chore, a pot about four or five feet deep will serve, Professor Whittemore said. The enclosure or pit should be six to eight feet in diameter for large gardens and for small ones five or six feet across.

Pile the leaves about a foot deep in the enclosure. Scatter an inch of black soil over the leaves mixing them a little. The Michigan professor explained that the soil contains bacteria—the bugs that will work on the leaves and speed decay.

Next cover the leaves with a generous application of chemical fertilizer, use about 25 pounds for this layer. Then over this a thinner layer of finely ground limestone or sifted coal ashes. Eight to ten pounds of lime or ashes will be enough for each layer of leaves.

Repeat these layers until the pile is about four feet high. Dampen it down, but don't soak it too much, Professor Whittemore cautioned. After this wetting down the rains will keep it moist.

HOLLOWAY

District 3, P.T.A., Holloway school will hold its meeting Friday evening at the school with Mr. and Mrs. Glenn Mumaw and Mr. and Mrs. Rolland Fairbanks on the refreshments committee and Mrs. L. Rickard and Mr. and Mrs. John Starkey as entertainment. Members are asked to bring sandwiches and pie.

The Raisin Sewing Circle will meet Friday afternoon with Mrs. Florence Garner. Members are to bring materials for sewing.

There will be a congregational meeting following the morning services at the Holloway Presbyterian church on Sunday. Time of services to be voted on at this meeting.

Week-end guests of Mr. and Mrs. Alton Wellnitz and family were Mr. and Mrs. Larry Holmes and daughters of Fort Wayne, Ind. Sunday guests were Mr. and Mrs. Ron Beaverson of Detroit and Miss Vernia Beaverson of Toledo.

Mr. and Mrs. George Henry, sr., and Mr. and Mrs. George Henry, jr., and daughter Judy Ann spent Sunday evening with Mr. and Mrs. Frank Ley of Milan.

The South Holloway Extension Club will meet Tuesday evening with Mrs. Jay Isley. Mrs. Sam Mitchell and Mrs. Elwyn Isley will give the lesson.

Mr. and Mrs. Richard Vallie had their infant son baptized recently in the St. Joseph Catholic church in Adrian. The baby was named Mark Davis and the sponsors were Mr. and Mrs. Harry Johannas of Tipton, Ind. Dinner followed the service in the home of Mr. and Mrs. George Henry, sr. Places were laid for 12 guests. The baby received many gifts.

Mr. and Mrs. Harry Johannas of Tipton, Ind., have returned to their home after spending a week with Mr. and Mrs. George Henry, jr.

The Ladies Aid of the Holloway Presbyterian church met Thursday afternoon with Mrs. John Starkey. Plans were completed for the annual turkey supper and bazaar to be held November 6. Mrs. Ken Kopke is chairman of the kitchen and Mrs. Clark Sinclair for the dining room. Refreshments were served to 22 members by Mrs Starkey and her committee. The next meeting will be a farewell party for Mr. and Mrs. Leor Stautz who moved to Stanton. This will also be a family night with the men in charge of entertainment.

The Holloway Presbyterian church has been completely redecorated inside and will be open for church services Sunday at 10 a.m. with Dr. Thomas Rogers as acting pastor.

Mr. and Mrs. James Mitchell and son Bill entertained 23 guests Sunday in their home for their nephew, Pfc. Tom Mitchell, who left Wednesday for the west coast. The guests included Mr. and Mrs. James Derby of Adrian, Walter Schneider of Adrian, Allen Eccles of Tecumseh, Miss Ruth Procknow of Wellsville, Mr. and Mrs. Milton Opel and sons, Mr. and Mrs. Sam Mitchell and children, Mr. and Mrs. Edward Mitchell and daughter Molly, Ann Mitchell and Mr. and Mrs. Hugh Mitchell and son Ted. The day was spent socially.

Marcia Warner of Madison township was the week-end guest of Mrs. Florence Gafner. Sunday they were all guests of Mr. and Mrs. James Warner of Madison.

Mr. and Mrs. Joe Glenn and children of Wayne were Sunday evening guests of Mr. and Mrs. Ken Kopke.

Mr. and Mrs. Gail Austen and family were week-end guests of Dr. and Mrs. George Lewis and family of Grand Rapids. The baby Craig Lewis returned home with them.

Mr. and Mrs. Harold Johnston and family entertained 30 dinner guests in their home Sunday. Out of town guests included Mr. and Mrs. Claude Dickerson of Crissey, Ohio, Pfc. Robert Dickerson of Camp Breckinridge, Ky., Mr. and Mrs. Clare Johnston and family of Delta, Ohio, and Mr. and Mrs. Keith Matheny of Dearborn.

Approximately fifty persons enjoyed a social evening as guests of the Raisin Sewing Circle on Friday evening. Supper was served and games enjoyed during the evening.

Mr. and Mrs. W. E. Garrigan of East Lansing were Sunday guests in the home of Mr. and Mrs. John Gritzmaker.

Mr. and Mrs. Don Jaqua entertained recently Horace Herrmon of California.

Mr. and Mrs. Will Dawson had as their week-end guests, Mrs. Robert Cullin, Mrs. Albert Richardson of Belleville, and Mrs. Hattie Bliss of Adrian. Sunday Mr. Fred Schaffer of Belleville came to spend the day.

Mr. and Mrs. Ed DeGroot returned home after spending a week at the home of their daughter and husband, Dr. and Mrs. Dale Palmer and family of Wichita, Kansas. Sunday, Mrs. Laura Stradling, Mr. and Mrs. DeGroot and Mrs. Minnie Stradling of Muncie, Ind., called on Mr. and Mrs. Otto Merkle of Monroe.

Sunday callers in the home of Mr. and Mrs. Marshall Drouillard were Mr. and Mrs. Fred Travis of Millbury, Ohio, Mr. and Mrs. Henry Mominee of Toledo, Mr. and Mrs. Leon Thaxton of Detroit, Mr. and Mrs. Richard Drouillard of Tecumseh and Mr. and Mrs. Howard Swift of Holloway.

Sunday, Mr. and Mrs. Earl Bennington and daughter Joy and Mr. and Mrs. Paul Kopke and family visited Mr. and Mrs. Howell Tice of Toledo.

Mr. and Mrs. Paul Kopke and family entertained in their home Saturday evening for the wedding supper of Mr. and Mrs. Allen Edwards who were married that day in Angola, Ind. Mrs. Edwards formerly was Mrs. Edith Caradet of Toledo. Guests were Harry Edwards of Holloway, Miss Jean Edwards and Miss Angeline Daldwinski of Toledo.

Mr. and Mrs. Charles Stewart have named their new son Mark Edward. Mrs. Stewart and son are expected home on Monday from Bixby Hospital.

Miss Marilyn Sinclair of Fort Wayne was a week-end guest of her parents, Mr. and Mrs. Clark Sinclair.

Elmer Harper is on a business trip this week to Houston, Texas.

Mr. and Mrs. Arthur Cutler and family of Wayne were Sunday dinner guests of Mr. and Mrs. Allen Cutler.

PREDICTS RED H-BOMB . . . Kenneth DeCourcy (above), British science editor who predicted Russian explosion of A-bomb, says Russians will explode an H-bomb next summer. He said Red H-bomb production is under British A-scientist, Bruno Pontecorvo.

PLEASE, GENERAL! . . . No, the troops don't stink. General Ike is just pinching his nose as a friendly gesture. He is inspecting defense maneuvers near Hanover, Germany, in which a defense army is "attacked" by a supposedly enemy force.

LUNCHEON HOSTESSES

Hostesses for the one o'clock luncheon at the Tecumseh Country Club on Wednesday, November 7, will be Mrs. Howard Truesdale, phone 197M, and Mrs. Kenneth Hall, phone 283J. Reservations are to be made not later than Tuesday noon.

GOLDEN RULE MEET

The Golden Rule Division of the Presbyterian church will meet Tuesday evening, November 6, at the home of Mrs. Ronald Johnston, N. Oneida street. Mrs. Jack Morehouse, Mrs. Charles Howe, Mrs. Otto Thiel and Mrs. Ernest Green will be the assisting hostesses.

Students Enjoy Big Homecoming

ANNE IMERSON CHOSEN QUEEN; PARADE, GRID GAME, DANCE ARE FEATURES

By Marion Titley
Student Council Scribe

This last week was Homecoming Week at Tecumseh High School, under the co-sponsorship of the Student Council and Varsity Club. On Tuesday the high school students elected Anne Imerson, a freshman, queen of the Homecoming. The members of her court were Joan Pafford, a sophomore; Margaret Touborg, a junior; and Carolyn Comfort, a senior.

Wednesday at 3:00 p.m. the Homecoming parade was held in the downtown district. The freshman, sophomore, junior, and senior classes and the F.F.A. each made a float. Each class along with their advisors marched behind their own float. Leading the parade was the Tecumseh High School Band and a convertible driven by Mrs. Alice Randall. The car carried the queen and her court and the student council and varsity club marched behind. The faculty drove their own cars in the parade and the floats were judged by Mr. and Mrs. Yale Kerby and Mr. and Mrs. Ronald Harris.

Wednesday evening the Homecoming football game between Tecumseh and Clinton was played. During the halftime another parade was held. A prize of $20, contributed by the Student Council and Varsity Club, was presented by Ron Harris to the senior class for the winning float. A dozen red roses, compliments of Eggleston's Jewelry Store, were presented to the queen by Bev McLaury, president of the Student Council.

Following the game the annual Homecoming Dance was held from 10 - 1 in the high school gym, decorated in a fall scene with corn stalks, pumpkins, leaves, a large silver moon, and a sky of blue crepe paper and hanging stars. Music was furnished free of charge by the Tecumseh Products Orchestra, and approximately 300 students, faculty, and guests attended. The entire school board and faculty had been sent invitations to the dance.

At midnight the Homecoming Queen was crowned by Jim Breitenwischer, president of the Varsity Club. The crown was made of red roses and white carnations on a silver foil background, compliments of Ousterhout's Flower Shop. Miss Imerson was also presented a gift, a rhinestone necklace, by Bev McLaury, Student Council president.

The Varsity Club and Student Council wish to thank the following people for their help in making this event possible: Mr. and Mrs. Kerby and Mr. and Mrs. Harris, the judges; Mrs. Alice Randall, for the use of her convertible; James McDowell, for describing the parade at halftime; Green's Funeral Home for the use of their chairs; Dick Eggleston, for his gift of flowers to the Queen; the T.H.S. faculty; and The Products Orchestra, for furnishing the free music. Also Ousterhout's Flower Shop for their contribution of the Queen's crown.

WIT, WISDOM CLUB

The Wit and Wisdom Club will meet Monday evening, November 5, at 8 o'clock at the home of Rev. and Mrs. Alvin Brazee at Iron Creek. Miss Gertrude Spaulding and Mrs. Fred Rector are the assisting hostesses. A musical program has been planned, to be held in the Iron Creek church.

FEDERAL JOBHOLDERS

Jobholders in the executive branch of the Federal Government at the end of April totaled 2,408,000, an increase of 46,946 during the month of August, according to the Civil Service Commission.

Urges Children At Play To Wear Something White

If your children are walking on the street or playing out of doors after dark, see to it that they wear something white—something that may be easily seen after nightfall, Chief of Police M. E. Clark here urged today.

"The weather is nice, and children like to play out of doors after supper, and often they dart out into the street. If they are dressed entirely in dark clothing it is sometimes difficult for motorists to distinguish them quickly and accidents can happen," the chief warned. "We should realize that it is nearly dark at 6:30 or 7 o'clock in the evening."

The chief said that a white scarf, a white hat, or a light colored coat can be worn by children and they can be readily distinguished by motorists.

"If we give this matter of dress a little attention we may be able to avoid accidents. It is well worth some careful thought," Clark said.

Brownie and Girl Scouts Hold Vesper Service

The Brownie and Girl Scouts of Tecumseh held their second annual vesper service in the Methodist church, Sunday afternoon at four o'clock. The program was planned and conducted by the girls themselves and was impressive.

The Intermediate Scouts participated in a candle lighting ceremony which emphasized the ten Scout laws. The Brownies contributed thoughts of thankfulness which were incorporated in the litany. Judy Kemp paid a tribute to Juliette Lowe, and Sally Rentschler played a flute solo, "The Lord's Prayer," by Mellott, accompanied by Mrs. Kenton Hunt. Hymn singing by the assembly and prayer by the Rev. Ronald Brunger concluded the service.

Few parents attended the service according to the chairman, Mrs. Truman Rentschler.

The vesper service opened the observance of National Girl Scout Week which will continue through November 3. The Tecumseh Girl Scout Association acknowledges with thanks the privilege of a window display in the Palman Store during this week.

Pork and Pork Products Should Be Well Cooked

Cook all pork and pork products until they are thoroughly done.

The increased use of pork, pork liver and pork sausage these crisp fall days brought this warning today from the Michigan Department of Health.

Pork is a good food, an excellent source of vitamin B1 and perfectly safe if cooked properly, the Department said, but eating undercooked pork products may result in illness—trichinosis.

Pork chops, steak, liver, roasts, sausage, as well as meat patties, meat loaves, chop suey, meat pie or stew containing pork must be cooked until there is no pink tinge showing before they are safe, the Department said.

Don't even taste sausage, meat patties or meat loaves that contain pork while you are seasoning or cooking them. Wait until they are thoroughly done.

If you eat in restaurants, insist that your pork chops, or other pork be thoroughly done even in the thickest part, next to the bone.

Trichinosis is an illness caused by tiny parasites which may infest the meat of any meat eating animal. The parasites enter the human body in undercooked meats, usually pork, and then form cysts in the muscles and other parts of the body. The illness is painful and prolonged and may be fatal.

Home Building Seen Topping National Goal

Saranac Inn, N. Y.—Home building this year will exceed the national goal of 850,000 units by approximately 175,000 units, a field representative of the National Savings and Loan League said.

Herber C. Smith predicted a 1951 total of about 1,025,000 starts on new homes, in an address prepared for the 62rd annual convention of the New York State Savings and Loan League.

Norman Strunk, executive vice-president of the United States Savings and Loan League, predicted that mortgage lending will become increasingly competitive if savings continue to rise. Prospective home buyers, he added, will benefit as a result.

Mr. Strunk also said a strong recovery had been noted in savings since last spring. This, he said, followed a sharp decline in savings after the outbreak of the Korean war.

He attributed the decline to two waves of "scare buying" following the start of the conflict.

The establishment of a more competitive mortgage market, he contended, "is taking" place in spite of and not because of the harshly rigid interest rate structure of the government-aided mortgage programs."

When the Chinese Communists seek peace one may conclude that they have had enough.

Monoxide Death Warning Issued

FORTY PEOPLE IN MICHIGAN ARE EXPECTED TO LOSE LIVES THIS WINTER

Forty Michigan people will lose their lives to carbon monoxide poisoning in the next few months unless we all give more attention to its danger, the Michigan Department of Health warned today.

Every year about this time, the colorless, odorless and tasteless gas snuffs out the life of a businessman warming up his car in a closed garage, of a sleeping family unaware of a defective furnace, of transients in a poorly ventilated tourist cabin or a young couple parked in a car with its motor running.

It takes only ten parts of carbon monoxide in ten thousand parts of air to put a person to sleep in an hour and to kill him in four hours. As little as two parts per ten thousand will cause headache, nausea and dizziness. Greater proportions cause unconsciousness and death more rapidly.

These are the precautions which you must observe to protect yourself and your loved ones from the danger of carbon monoxide, the Health Department said:

1. Make sure that all heating appliances in your home are properly vented and that the vents are open and without cracks or leaks. Have the furnace lining inspected to assure that carbon monoxide cannot leak into the jacket and heating ducts, no matter whether you heat with coal, gas or oil. Remember that where there is smoke or smell there is usually carbon monoxide, and there may be carbon monoxide where there is no smoke or smell.

2. Be sure that the carburetor on your car is properly adjusted and that the exhause system is absolutely tight. Don't warm your car up by running the engine in a closed garage. Keep a window open when you drive long distances. Close the fresh air intake in congested traffic so that exhaust fumes from the car ahead are not drawn in. If you begin to feel drowsy, dizzy or slightly nauseated while driving or riding, stop the car, get out and open all the doors. Have the car checked before you drive it again.

3. Don't take chances on "parking" in an automobile with the engine running, even with a window open.

4. When you stay in a tourist or hunting cabin, make sure that the space heater is vented and that the vent is open, and for double security, raise the window before retiring. A bird nest or leaves may clog the chimney.

5. Don't use a gas or kerosene oven or the burners on your stove to warm up the kitchen these cool mornings. Remember, too, that the snug, drowsy feeling you get when you sit by the fireplace or over the hot air register may be due to carbon monoxide.

If you work in a garage or service station where cars are repaired, be sure that any motor running inside the building is vented to the outside of the building.

Don't take any stock in "ozone generators" or like equipment for the elimination of carbon monoxide dangers.

Open all the doors of a house, cabin, garage or car thought to have carbon monoxide contaminated air. If a person has been overcome by carbon monoxide remove him at once to open air, keep him warm; and call a doctor, and while waiting, apply artificial respiration, if necessary.

Tecumseh Eyes

(Continued from page 1)

to make the conversion. It was Benham who again made the six points, after a 20-yard dash.

Both teams scored six points in the third quarter when Lynn Hunt drove over from the 12-yard stripe Roger Waltz for Clinton dashed from the five yard line for the Redmen's only marker.

Sunday dinner guests of Mr. and Mrs. Earl Betser were Mr. and Mrs. Olin Betser of Hillsdale, Mr. and Mrs. Claude Betser and twins, Oris and Doris, of Cambra, Mich., and Mr. and Mrs. Ralph Mickel and daughters of Macon.

Mrs. Selma Kennedy, 201 Center Drive, Herrick Park, is ill in University Hospital, Ann Arbor, the victim of infantile paralysis. Mrs. Kennedy, wife of Robert Kennedy, was admitted to the hospital last Friday, and according to letters to the Lenawee County Health Unit her case has been diagnosed as polio. It is the fifth case to be reported in the county this year.

Mrs. Edward Heath of Chicago, daughter of Mrs. Roy J. Whiting and sister of Wallace Whiting, fell from her wheelchair and suffered a broken hip, recently. Mrs. Heath was stricken with polio several years ago but had improved so that she was about in a wheel chair. She is the mother of three children. The accident occurred as she was to be taken for a ride. As the chair was moved from the porch to the sidewalk it tipped over throwing Mrs. Heath to the ground. Mrs. Whiting is in Chicago to be with her daughter and family.

TWO BOOK REVIEWS ARE ENJOYED BY MONDAY CLUB

Mrs. Earl L. Wickwire opened her home on West Chicago Boulevard, Monday afternoon, for the regular meeting of the Tecumseh Monday Club. Some 50 members and guests were in attendance. The program was in charge of the Department of Literature and Arts with Miss Edith L. Ingersoll as leader. Duane Furbush, high school faculty member, interestingly reviewed two books, "The Presidency," and "Catcher In The Rye." Co-hostesses assisting Mrs. Wickwire were Mrs. Ellsworth Collins, Mrs. Glen Williams, Miss Gertrude Spaulding, Mrs. Roy Whiting and Mrs. E. W. Morse.

THE GREAT ATLANTIC AND PACIFIC TEA COMPANY

Quaker's Sales Show Nice Gain

BUT NET INCOME WAS CUT OVER $2,500,000, STATEMENT SHOWS

Dollar sales of The Quaker Oats Company for the year ended June 30, increased $35,083,054 over those of the previous year, while net income decreased $2,516,838, according to the company's annual report.

Net income for the year was $7,490,682 compared with $10,007,518 for the previous year. Sales for the year just ended totaled $229,081,207. This compares with sales of $193,998,153 for the comparable period ended June 30, 1950. While dollar sales for the recently ended year rose 18% over the previous year, the unit volume of business was approximately the same.

During the fiscal year, the net additions to Quaker Oats' plant and equipment after depreciation reserve amounted to $7 million.

During this time, The Quaker Oats Company purchased the Coast Fishing Company (processors of Puss 'n Boots, a nationally distributed cat food, and of canned tuna, mackerel and sardines for human consumption); opened a plant in Ogden, Utah, for the production of Ken-L-Ration, a nationally distributed dog food; and started construction of two new plants in Omaha, Nebraska, and Chattanooga, Tennessee.

According to the report, the Omaha plant will probably start production of furfural, a liquid chemical used in making nylon and synthetic rubber, in November. The Chattanooga mill, which will produce cornmeal, grits and pancake flour, is expected to be ready to store grain from the coming harvest and to start production early in 1952.

Commenting on the federal government's influence on business, the report states:

"With the imposition of controls, the National Production Authority issued orders restricting our use of tin cans. Our production of pet foods—Ken-L-Ration for dogs and Puss 'n Boots for cats—was curtailed.

"During the second half of the year, the government's price and wage controls were imposed. The selling prices of all of our items were put under ceilings. Many of our items of cost were not placed under effective controls. This meant that during the second half of the fiscal year our margins—that is, the difference between full costs and our selling prices—were reduced.

"During the year our income tax rates were increased from 38% to 47% and now it appears that they will be raised to 50% or 52%. Added to that are the complicated excess profits taxes. These steadily increasing taxes, added to the steadily decreasing purchasing power of the dollar, are making it very difficult for business, large and small, to pay the owners dividends that represent a reasonable return on their investment and have left sufficient cash to provide the necessary working capital and the money required to maintain and expand plant facilities as the business grows.

"Business, like the individual, finds that it needs practically two dollars to do what could be done with one dollar a few years ago. Most people forget these facts."

Little Six Conference Group Meets In Britton

The Little Six Conference Group, made up of Britton, Onsted, Ida, Sand Creek, Deerfield and St. Mary's schools, met Monday evening at the Britton high school for its annual gettogether and election of officers. Roy Munger of Sand Creek was named as president, and Frank Maple of Britton, secretary-treasurer.

The Little Six Conference Group governs all of the athletic affairs of the six schools. At Monday's meeting it was decided that the admission charge to students to all athletic events sponsored by the group should be uniform in all of the towns. There also was some discussion of the scheduled Little Six Basketball Tournament, to be held in Adrian, January 17 to 19.

The meeting at Britton was held at the high school. After the business session a luncheon was served. Coaches and principals of the several schools were in attendance.

Charter Night Program Plans Are Completed

Charter Night plans for the Presbyterian Men's Club of the Presbyterian church in Tecumseh to affiliate with the National Council of Presbyterian Men were announced today by the president, R. W. Ries.

Dinner will be served at 7 p.m. Wednesday, November 7, followed by a program with M. G. Partridge as master of ceremonies, featuring Michigan Synod Council president, Lloyd Collins of Detroit. Other Michigan officers expected to be present include N. S. Davis of Mason, Ruel VanWert of Jonesville, and Dale Kerr of Jackson. Group singing will be led by Fred Dickinson, the recently organized Men's Club Quartette will present special songs, and recognition will be given Presbyterian Men in service.

Committee chairmen in charge of preparations are: Harold Clark, dinner; Deyo Tallman and Dr. Wesley Mast, reception; Al Merz, service men recognition; Wayne Pence, program planning; Clair Rozelle, charter membership; Norris Morehouse, dinner tickets; John Saling, special honor presentation.

Spooks Strut

(Continued from page 1)

dancing party was held at the gymnasium. This part of the program, an innovation locally, was in the form of a cabaret dance, as the students watched, on film, some of the top name bands of the country. Cider and donuts were served.

Again this year, the store window decorating contest was participated in by an ever-increasing number of students. Some 77 store windows were given over to the youngsters for the painting of Hallowe'en pictures, and these were judged by a committee made up of Mrs. Jack Morehouse, Mrs. Harold Kelso and Mrs. Leo Bishop.

First prize in this contest was awarded to Vere Hart for his picture on the Baldwin Hardware Co., window. Second prize went to Anne Preston for her picture at Schneider Bros. Garage, and third, to Judy Rudoch for a picture at Wolf's. The first prize was $5, the second, $3, and third, $2. Five honorable mention awards of $1 each went to: Carol Rutherford for a picture at Tecumseh Dairy; Jane Colgrove for a picture at Hodges; Duncan Harris for a picture at Watkins Shop; Jim Dewey at Beach's Service, and Astride Freimanis at French's Market.

BRITTON

Logan—Underwood

Saturday evening at 6 o'clock, Karlene Shirley, daughter of Mr. and Mrs. Clifford Underwood of Britton, became the bride of Gordon Louis Logan, son of Mrs. Edith Logan of Petersburg. The ceremony took place in Adrian.

The couple were attended by the bride's sister and husband, Mr. Mrs. Dwight Knauss of Tecumseh.

The bride wore a winter white street length dress with black velvet trim and black velvet accessories. Her corsage was red roses. Mrs. Knauss wore a black crepe dress and a corsage of pink carnations.

After the ceremony the bridal party returned to the home of the bride's parents where a wedding supper was served from a lace covered table centered with a two-tiered wedding cake. Mrs. Kenneth Staup of Palmyra and Mrs. Alice Graf of Tecumseh, aunts of the bride, served the supper.

Later the couple left for a short wedding trip, the bride wearing a navy blue suit with black accessories and her bridal bouquet. On their return the couple will make their home with the brides' parents.

FIREWORKS FOR BRAZILIAN GOVERNOR . . . Governor Eugenio de Barros, his wife, two daughters and a son take refuge in a huddle on the floor of the "Lion's Palace" in Sao Luis, Maranhao, Brazil, when a rebel force of thousands greeted him with guns, knives and clubs on his return after a federal tribunal had confirmed his election. Four persons were killed in the demonstration and about 20 others were wounded. The opposition contends too many ballots were thrown out.

LOCALS AND PERSONALS

Pvt. Harvey Creger arrived home Friday night for a 30 day furlough with his father, Fred Creger and relatives after serving 2½ years in the Korean and Japan territory. Pvt. Creger will report to Fort Custer after his furlough.

The Misses Martha Jane Hanna and Isabelle Argue of Michigan State College, East Lansing, spent the week-end with Miss Hanna's parents, Mr. and Mrs. H. H. Hanna.

Mrs. Gerald Allen received word today that her uncle, Henry Willis who has been a patient for several weeks with a spinal injury at Clare hospital, was transferred to a Bay City hospital and is in a critical condition.

Mr. and Mrs. James Buck and son, Allen, and Mrs. Grace Brady of Toledo spent Sunday with Mr. Buck's father, Frank Buck.

Mr. and Mrs. Lawrence Drewyor and daughter Ardis, accompanied their son, Larry, to Flint where he has enrolled in the General Motor Tech School.

Miss Marjorie Boyce of St. Clair Shores spent the week-end with her mother, Mrs. S. W. Boyce. Mrs. Boyce and her brother, Clarence Gilmore will leave for Eustis, Florida, Thursday.

Mrs. Lynn Harris and Mrs. Ellsworth Collins spent the week-end at their cabins at South Branch.

Among those who attended the Tecumseh Grange Convention in Cadillac last week and took part in the singing contest with the Tecumseh or Pomona Grange chorus were Mr. and Mrs. Mills Swick, the Floyd Barretts, Charles Pattersons, Lawrence Hoaglands, Dow Bilbys, William Griggs, Carl Thomas, Clayton Bigelows, Richard Lauers and Glenn Driscoll and Mrs. Roma Waters.

Mrs. Neal Judkins was host to the Methodist W.S.C.S. Wednesday with a co-operative luncheon served to 22 members and seven guests. The business session was conducted by Mrs. Edward Kanous, president. Funds were voted to the Chelsea Home Friends. The two approved study courses were discussed under missions and social activities and the society decided to hold the course on "The family" a Christian Concern" first, with the time and place to be announced later. Final plans for the annual church fair and supper to be held Nov. 2 were made. Mrs. Merle Crutchfield, spiritual life leader, arranged the devotions and program for the afternoon in observance of the "Week of Prayer and Self Denial." Mrs. Robert Gibson acted as reader and Mrs. Harry Thornberry as soloist throughout the service. Mrs. Robert Gibson will be host for the next meeting and Mrs. Percy Cadmus program leader.

The Ridgeway township firemen were hosts Tuesday evening to the Lenawee County Fireman's Association. A short business session was conducted by Glen Forsyth and movies were shown by Earl Griffin. Lunch was served to conclude the meeting.

Newell Brown of Washington, D. C., visited in the Smith Pocklington home last week. Mr. Pocklington is still seriously ill.

Raynor Benedict attended the District Board of Supervisors meeting in Jackson, all day Thursday.

A Hallowe'en party was held in the home of Miss Barbara Steel, Thursday evening, with Miss Rosella Vallie assisting. A large group of classmates enjoyed contests and games after which refreshments were served.

Mr. and Mrs. Edward Rudel and son Donald of Lincoln Park spent Monday at the home of Mr. and Mrs. Valden Bidle.

Mrs. Clarence Exelby is a patient in St. Joseph Hospital at Ann Arbor after undergoing surgery on her eye last week.

The annual Methodist church fair and chicken supper will be held Friday, Nov. 2.

Mrs. Earl Smith will be host to the Sarah DuBois Past Noble Grand Club this evening.

Mrs. Ethel Steel accompanied Mr. and Mrs. LaVern Steel and family to Jackson, Sunday, where they were guests of Mr. and Mrs. Roy Steel.

Mr. and Mrs. Virgil Bortel spent Friday and Saturday at Warsaw, Ind.

Mr. and Mrs. Herman Tufts and George Hexmer of Port Colborne, Ontario, Canada, were guests last week in the Fred Rhora and Arthur Carothers homes.

Mr. and Mrs. Lenard Ramage were week-end guests of Lt. and Mrs. James Vallie in Chicago.

Mr. and Mrs. Charles Stocking left Tuesday for a trip to California and Hawaii.

Gary and Katherene McCarbery of Dearborn were week-end guests of their grandparents, Mr. and Mrs. Robert McCarbery.

Lighter Task

When a Scottish barber was engaging a new assistant he pointed out:

"I pay lower wages in the summer because the work's lighter."

"But surely people get their hair cut quite as often, if not oftener in the summer than in the winter?" protested the applicant for the job.

"Ay," agreed the barber, "but you dinna' ha'e help them on w'l their overcoat."

Just So

Propaganda is baloney so artfully disguised that it passes as food for thought. — Cincinnati Enquirer.

They Know Now

An elderly woman was taught bridge. One evening, while arranging her cards, she dropped one and picking it up, observed: "No one saw that king, did they?"

"Hush, Granny," said her partner, "you shouldn't mention which card it was."

"It's all right, my dear; I didn't say it was the king of diamonds."

Political and economic freedom are valuable but without freedom of thought and religion, men and women are still slaves.

Third of Americans Went Into Red In 1950

Washington—For every two Americans who saved money last year, one spent more than he earned, according to the Federal Reserve Board.

Only 7 per cent of the nation's wage earners spent just what they earned, the report said: 10 per cent of the buying public spent or went into debt 25 per cent more than they earned; 13 per cent plunged up to 10 per cent in the red.

The board said 17,000,000 consumers went into debt. But that was slightly under the 1949 figure. The greatest decrease in persons going into debt was found among those earning less than $3,000 a year.

Michigan's Tax Structure In Need of Streamlining

Administration of Michigan's property tax needs streamlining for more efficiency and greater use from the tax dollar, a study by the University of Michigan Institute of Public Administration shows.

The tax, which everyone pays in one way or another, is the largest single source of public funds amounting to about 45 per cent of total local and state revenues.

Real estate—land and buildings—are subject to the property tax, but it is also levied on such personal property as machinery and merchandise inventories. As far back as 1805 a property tax of $1.00 per wheel was imposed on all coaches, chariots and riding carriages in the Michigan Territory.

In the pamphlet "Property Tax Administration in Michigan" by Claude Tharp, research associate at the University, larger assessment districts are recommended, replacing the present use of the townships as the base.

Districts would consist of larger cities and the counties, Tharp suggests, and would be "the most important single improvement" in the administration of the tax. This would cut the number of assessors from 1,800 to 200 full time men.

Assessors should be appointed by the county board of supervisors on the basis of qualifying examinations, the University political scientist says. Assessment supervisors to train and assist local agents should be appointed by the State Tax Commission, he states.

Smaller tax allocation boards of three members and fewer school districts would improve the tax rate allocation, the pamphlet points out.

Tax collectors should be appointed rather than elected to put teeth in the collecting job, Tharp believes. Elected officials are afraid to antagonize taxpayers, who are the voters, consequently property taxes are usually "received" and not "collected."

More efficiency and economy would result if the county treasurer collected all county, school and township taxes, according to Tharp. City and village taxes, which are levied separately, should be collected by the city and village treasurers.

An installment plan for collections and use of modern office machines are suggested. Tharp reports "it is claimed that the city of Detroit, in the nine years after the installation of machines costing $174,000 saved more than $1 million in the preparation of assessments, tax rolls and statements."

Dissolution of the State Board of Equalization is recommended and its function left to the Tax Commission.

The pamphlet is published by the Bureau of Government, the research and service unit of the University's Institute of Public Administration, which studies government problems in Michigan and furnishes technical advice and assistance to public officials.

JET-PROPELLED BIKE AMONG NEW INVENTIONS

Paris — A jet-propelled bicycle and a helicopter to be strapped on the pilot's back were among the 350 inventions displayed at the Paris autumn exhibition.

Most of the inventors were French, but Sweden contributed a torpedolike device for cleaning water pipes, and a new kind of carpet sweeper.

A Swiss inventor displayed a watch with ball bearings and an Italian showed a model of a revolving garage to solve parking problems, in big cities.

A practical Frenchman solved the problem of the bicycle tire pump that is always getting lost—his pump is built into the back tube of the bicycle frame.

Would Be Fine

HUK SLAIN . . . Police bullets ended the bloody career of Nicasio Pamintuan, Huk haichetman, in Manila. He was wanted by Philippine authorities for a dozen murders. In the wild gun battle, he fatally shot three army officers. This battle followed a similar shooting incident in another part of the city. Death toll in the two clashes was six dead on the government side—and two Huks fatally shot. The Huks are aided and abetted by the Communists.

EAST MEETS WEST . . . Faris Glubb, son of Glubb Pasha, British head of the Arab legion, arrives in London to go to school. A blend of east and west is found in his garb. His father is one of the most powerful men in the middle east.

LEAGUE TO MEET

The Westminster League of the Presbyterian church will meet Tuesday evening, November 6, at 8 o'clock at the home of Mrs Carlyle Mason in Herrick Park. The co-hostesses will be Mrs. Robert Manchester, Mrs. James Gabler and Mrs. Wellington Wotring. Mrs. Donald C. Wilson will be in charge of devotions.

PAST MATRONS TO MEET

The Past Matrons of the O. E. S. will hold its annual meeting November 7, at the home of Mrs. Edna Codling. A potluck dinner will be served at 6:30 p.m. The business meeting and initiation will follow the dinner.

Atomic Nursing Course Is Planned In County

The Lenawee County Nurses Association is sponsoring an eight hour institute in Atomic Nursing for all registered nurses in the county. This institute will be held from 2-4 and 7-9 p.m. Tuesday and Thursday, November 6 and 8 in Adrian. The instructors will be Mrs. Hilda Will, R.N., of Tecumseh, and Miss Hazel Pray, R.N., who went to Ann Arbor and Grand Rapids for a three-day course in instruction last spring.

It is very important that all nurses should know just what will be expected of them, what their duties will be, what type of casualties they will be caring for—should a disasted occur such as only the atomic bomb can cause.

Lenawee county is in a vital area, being so close to Detroit, which produced over 50 per cent of the world's total war production during World War II, and Toledo, Ohio, which is listed as the third largest railway center in the United States. These two factors alone should make us more interested than ever in wanting to know what to do in case of a disaster. Also in the county are many factories already doing or will be doing, war work. If our county isn't bombed it will be a receiver of evacuties from Detroit and Toledo.

The institute has been divided into four two-hour sessions. One session will be conducted by three members of the Lenawee County Medical Society who will hold a round table discussion on radiology, treatment of burns and other injuries. They will try to give the nurses a clearer understanding of what radiation is, what effect is suffered from it, the treatment for people suffering from it; also what type of burns and other injuries there will be and just what the treatment will be for these. The names of the three doctors in charge of the discussion will be announced later.

The other three sessions will be about the atom bomb phenomena medical and surgical nursing problem and plan for mobilization and discussion time for the nurses. Also a film from Fifth Army Headquarters which will give a clearer understanding of just what is expected.

All nurses are urged to attend the full eight hours of instruction but if unable to do so, try to attend at least part of the eight hours. Cards have been sent to over 200 nurses in the county, but if any nurse who has not received a card would like to attend she may contact Miss Pray in Hudson or Miss Pearl Heist, president of Nurses' Association at the county health department in Adrian.

LOCALS AND PERSONALS

Mr. and Mrs. Ernest Harris spent Tuesday and Wednesday in Cadillac after attending the State Grange convention. Mrs. Ronald Harris accompanied them and visited Mr. and Mrs. Willis Cornwell

The condition of Mrs. Wesley Handy, who is a patient at University hospital in Ann Arbor, continues to improve. Mrs. Handy has been ill for several months.

Mr. and Mrs. Donald Filter and children of Celina, Ohio, spent the week-end with their parents, Mr. and Mrs. Harold Anderson and Mr. and Mrs. Bert Filter.

Harold Brady who returned to Fort Custer last week, after spending a furlough with his mother, Mrs. James Brady and Mr. Brady, has received his discharge from the Armed Services and returned home.

Robert J. Cooper, son of Mrs. Geneva Cooper has enlisted in the Navy and is taking his boot training at the Great Lakes Naval Training Center, Great Lakes, Ill.

Mr. and Mrs. Homer Colson spent last week-end with their son Jack, who is a patient at Great Lakes Naval Hospital. His condition is improving. He has been moved to Ward A, from Ward 73.

George Burks and Mrs. Cordia Findley returned to Grayling, Sunday, after spending several days with Mr. and Mrs. Harold Wilson.

Mrs. David Faling has received word from her husband in Germany that he has been promoted to the rank of corporal.

Mr. and Mrs. Ben Gillies and family of Adrian have moved into their new home in Herrick Park.

Sunday guests of Mr. and Mrs. Ronald Harris and family were Mr. Harris' mother, Mrs. E. G Harris and his brother and wife Mr. and Mrs. Harold Harris, all of Flint.

Mr. and Mrs. Charles William Hanna and daughter Linda of Clare returned home Sunday evening after spending several days with her parents Mr. and Mrs. M. H. Thielan. They attended the funeral of Mr. Hanna's uncle William Hanna, Saturday afternoon. Mr. and Mrs. Thielan entertained at a family dinner Sunday. Mr. and Mrs. Maynard Lucas and family of Wayne, Mr. and Mrs. Leo Seidel and family and Mr. and Mrs. Hanna and Linda.

Mr. and Mrs. Raymond Pask and sons spent the week-end at their cabin at South Branch.

Mrs. A. C. Hamaker returned home Sunday from Detroit where she underwent surgery at Art Center Hospital two weeks ago.

Mr. and Mrs. Paul Maves are visiting their son Don at Camp Chaffee, Ark., and attending the interantional trailer show at St. Petersburg, Florida.

Mrs. Percy Morgan returned to her home Thursday after spending several days with her daughter and husband, Mr. and Mrs. Percy Bowen.

Mr. and Mrs. Robert Fuller have returned to Toledo after spending several days with her parents, Mr. and Mrs. Frank Gray. Mrs. Fuller was called home because of the death of her grandmother, Mrs. Lilly Gray.

Mr. and Mrs. Harry Dernberger of Pontiac spent the week-end with her mother, Mrs. Fred Marsh. Dinner guests of Mrs. Marsh Saturday evening were Mr. and Mrs. Richard Hanna of Adrian, Miss Isabelle Argue of East Lansing and Attorney Robert Curry of Saginaw.

Mrs. Ethel McClelland of Coldwater and her daughter and husband, Mr. and Mrs. William L. Allen of Grand Rapids, spent the week-end with Mr. and Mrs. Jack Hanna.

Mrs. Fred Rector has received word of the death of Mrs. George Bell Hall, aged 76 years, wife of Cleo W. Hall, Lansing, which occurred October 16. The Halls were former residents of Tecumseh. Mrs. Hall was born at Okemos in 1875 and was the daughter of the late Mr. and Mrs. William H. Hopkins. She was one of the first co-eds at Michigan State.

Foreign Born Wives Are Organized In New Club

Lenawee county has one more club to add to its already long list. The latest club formed earlier in the year and named "The Globe-trotters Club," is composed of foreign born women who came to the United States as wives of G.I.'s after World War II. The women meet once a month and study American history and laws to help them in securing naturalization papers. Social activities such as picnics and white elephant auctions have also been enjoyed. It is hoped to arrange some first aid lectures at a later date.

Some of the coming events include a meeting at the home of Mrs. George Derby on West Kilbuck street, November 6. The members have also been invited to the home of Mrs. John Thompson, sr., November 13, to meet the members of the P.E.O. A Christmas party is to be held at the home of Mrs. Paul Linehan in Adrian, December 12.

Any person eligible to join the club is cordially invited to do so. They may contact either Mrs. William DePuy, 309 W. Pottawatamie, in Tecumseh, or Mrs. William Powell, 323 Merrick street, in Adrian, president and recording secretary, respectively.

90% For! 10% Against } Time to settle...

Railroad workers are represented by 23 standard unions. By mutual agreement, 20 of these unions—comprising about 1,200,000 men, or more than 90%—are working under wages and rules agreed to by them and the railroads. But leaders of three unions—with only about 130,000 men, or less than 10%—still refuse, after more than a year of negotiations, to accept similar wage and rules agreements. These are even more favorable than the terms recommended by the Emergency Board appointed by the President.

Yes, it certainly seems to be finally about time that the leaders of the three unions stop their delaying tactics—their quibbling. But the leaders of the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors continue to refuse. They continue a course of dillying and dallying. It is definitely time to

END THIS QUIBBLING!

On June 15, 1950, an Emergency Board appointed by the President under the terms of the Railway Labor Act—an Act largely fathered by the unions themselves—made its recommendations on certain wage and working conditions ("rules" in railroad language) which had been in dispute between employes and the railroads.

More Than 90% of Employes Accept

Since then, terms equal to or better than the Board recommendations have been accepted by about 1,200,000 railroad employes—more than 90% of the total of all workers. They are represented by 20 of the 23 standard railroad unions.

Less Than 10% Refuse

But three unions—with about 130,000 men, or less than 10% of the total—have refused to accept, even after months of negotiations. These three unions are the Brotherhood of Locomotive Engineers, the Brotherhood of Locomotive Firemen and Enginemen, and the Order of Railway Conductors. These are three of the so-called "operating" unions. Already the highest paid men in the industry, their leaders demand still further advantages over other workers.

In all, there are about 270,000 operating employes. But not all of them, by any means, are represented by BLE, BLF&E, or ORC. As a matter of fact, less than half—132,000 to be exact—are in these three unions. More than half—about 140,000—are in other unions, principally the Brotherhood of Railroad Trainmen. What makes the whole situation so hard to understand is that these 140,000 operating employes are working under wages and rules which the leaders of the other 130,000 say they cannot agree to.

What Do the Railroads Offer?

They offer these three unions the same settlement which was contained in a Memorandum of Agreement signed at the White House on December 21, 1950, by four brotherhoods and the railroads. Later these brotherhoods sought to repudiate this agreement. But on May 25, 1951, the Brotherhood of Railroad Trainmen signed a complete agreement carrying out the principles of the Memorandum Agreement of December 21. They have been working under this agreement since May 25.

What About Wages?

Under the terms of the agreement, yard engineers, firemen and conductors would now be receiving a wage increase of $.34 an hour ($2.72 a day) and road engineers, firemen and conductors would now be receiving an increase of 19½ cents an hour ($1.56 per day). Large sums of retroactive pay have already accrued and if the agreement is carried out, will be paid promptly.

What About "Cost of Living" Increases?

The White House Agreement includes an "escalator" clause under which wages will be geared to changes in the Government's cost-of-living index. Two such increases—April and July, 1951—have already been paid to the 90% of railroad employes covered by signed agreements.

What About the 40-Hour Week?

The White House Agreement calls for the establishment of the 40-hour week in principle, for employes in yard service. The employes can have it any time after January 1, 1952, provided the manpower situation is such that the railroads can get enough men to perform the work with reasonable regularity at straight time rates. If the parties do not agree on the question of availability of manpower, the White House Agreement provides arbitration by a referee appointed by the President.

What Else Do the Union Leaders Demand?

The continued quibbling of the leaders of the three unions has to do principally with rules changes, which have already been agreed to by the Brotherhood of Railroad Trainmen. Of these, the principal one seems to be that having to do with so-called "interdivisional service"—runs which take in two or more seniority districts.

The union leaders would bar progress and efficiency in the industry, and better service to the public, by maintaining a situation where they can arbitrarily stop a railroad from establishing such interdivisional runs. The carriers propose that if a railroad wishes to set up an interdivisional run, the railroad and the unions should try to agree on such run and the conditions which should surround its establishment, and if the railroad and the unions can't agree, the matter will be submitted to arbitration.

But the three union leaders still refuse.

Rules Can Be Arbitrated

The railroads have not only offered these three unions the same rules agreed to by the BRT and covered by the White House Agreement, but have even agreed to submit such rules to arbitration.

The Industry Pattern Is Fixed

With the pattern so firmly established in the railroad industry, it seems fair to suggest that the leaders of BLE, BLF&E, and ORC stop their quibbling and take action to make the railroad labor picture 100% complete. Certainly today's economic and international situation calls for a united front. And certainly no good reason has been advanced why these three unions should be preferred over all other railroad employes.

RIDGEWAY

Mr. and Mrs. Frank Bartle of Flint spent the weekend at their home here.

Mrs. Mildred McDonnell of Dearborn spent Saturday with her mother, Mrs. J. E. Baker.

Mr. and Mrs. Charles Froelick were Sunday dinner guests of Mr and Mrs. Wayne Keith and family.

Mrs. Daniel Linn, Mrs. Nilwyn Bishop and Mrs. Bernard Bishop were in Jackson, Tuesday.

Mr. and Mrs. Walter Milligan of Toledo were week-end guests of Mrs. Vie Mark.

Mr. and Mrs. Charles Froelick returned Saturday from a two week's trip to Florida to visit relatives.

Mrs. Ella M. Allison of Pontiac was a guest Sunday of Mr. and Mrs. Elmer Linn and daughter, Florine.

Newell Brown of Washington, D. C., was a recent guest of Mr. and Mrs. Smith Pocklington.

Mr. and Mrs. Charles Peters spent the week-end at the home of their son at Alma.

Mr. and Mrs. C. H. Beach were dinner guests Sunday of Mr. and Mrs. Frank Daehne in Tecumseh.

Mr. and Mrs. P. C. Allison and daughter, Betty Lou, of Pontiac, and Mrs. J. D. VanVleet of Tecumseh were callers in town Saturday.

The official board of the Methodist church will meet Tuesday evening, November 6, at 8 p.m.

Mr. and Mrs. Walter Towler of Saline were Sunday visitors in town.

Mr. and Mrs. John Howe of Hudson visited his mother, Mrs. Martha Howe the past week.

Mr. and Mrs. Nilwyn Bishop celebrated their wedding anniversary Sunday with a family dinner.

Mr. and Mrs. Gordon Smith of Battle Creek were Sunday guests of Mrs. Roy Mark.

Mr. and Mrs. J. O. Strong of Dearborn spent the week-end at their home here.

Mr. and Mrs. T. M. Birdsall have returned home after spending the week in Detroit with their son, Wendall Birdsall and family and their daughter and husband, Mr. and Mrs. Howard Landin, and son, Terry, at St. Clair Shores.

The Ridgeway Extension Club held its October meeting at the home of Mrs. Bertha Marks. During the election of officers, Doris Bishop was elected as chairman; Grace Linn, vice chairman; Dorothy Lembrick, secretary and treasurer; leaders, Ruth Hall, Wilma Godzina and Mrs. Truman Sisson; news reporter, Iva Bishop. Mrs. Ray Lembrick and Mrs. Norris Dart presented an interesting program on, "Color in the Home." A dollar limit was set for the auction in November. Refreshments was served by the hostess.

ANYONE WANT TO BUY EQUIPPED TROPICAL ISLE?

Brisbane, Australia — Want to buy a tropical island in the south seas?

Only thing wrong with it is its name. Dank Island.

The island, 80 miles off the north Queensland coast of Australia, is for sale by auction.

Despite its name, the brokers claim, the island is a cheery place with a hotel, dance hall, and cottages.

FOREST FIRES

Officials of the United States Forest Service are warning citizens against the forest-fire hazards of the fall season, particularly in the Southwest and Pacific Coast States, where a prolonged drought has made conditions favorable for burning quickly and rapidly. Campers, hikers and visitors to forest areas are particularly warned to be extra careful and to take all precautions against creating fire hazards.

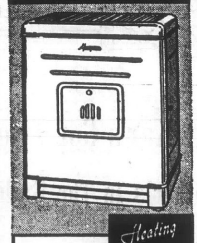
Monogram

WORLD'S BEST OIL HEATER



Heating Perfection

WITH THE SENSATIONAL NEW TWIN AIR FLUES

All new—Big, powerful furnace-like heating unit — beautifully designed cabinet done in the modern manner—all new except of course the MONOGRAM Patented "Vaporizing" Oil Burner, which has proved so successful in providing dependable, trouble-free oil heating service at the lowest possible cost.

Twin Air Flues is another MONOGRAM innovation and helps to squeeze even more heat from each gallon of oil by providing over 4,000 square inches of radiation surface to pick up the heat more readily and transfer it into the home.

Only MONOGRAM has TRIMATIC control which provides (1) forced circulation of heated air PLUS (2) forced draft and (3) positive control of oil flow to burner with ONE dial, assuring a proper balance of oil and air to produce a most perfect combustion.

CARD OF THANKS

The family of the late Sgt. Bernard J. Drouillard wishes to express sincere thanks to their many friends and neighbors for the kind and thoughtful deeds during their recent sorrow caused by the death of their son and brother. Sneefal thanks to the Rev. Fr. Michael Collins for his comforting words, to the ladies of the Altar Society, the choir, the telephone operators, the American Legion and V.F.W., and the Tecumseh Products coworkers.

Mr. and Mrs. Richard Drouillard and family.

CARD OF THANKS

We desire to express to our kind neighbors and thoughtful friends our heartfelt thanks for their many expressions of sympathy during our recent bereavement. The beautiful floral offerings were especially appreciated. We want to especially thank the Pythian Sisters and the Rev. Ronald Brunger for his comforting words.

The family of Mrs. Lilly Gray

CARD OF THANKS

We wish to thank the friends, neighbors and relatives for the floral tributes and the many acts of kindness which were shown to us during our recent bereavement. Special thanks to the Collins Funeral Home, pall bearers and the Rev. Father Collins and Rev. Fr. Stefanac for their comforting words.

The family of
John T. Reidy. 11-1

In The Winter Time Yuhr Kar's Got Two Hearts

One's In The Battery, The Other's In The Radiator

Yep, yuhr Iron Hoss has two very vital spots in kolt weather — an we mean's theyre vital. Furst, yuh gott'a have a goot battery if yuhr gonna start the kritter and, sekond, yuh gotta protekt yuhr radiator against freezin if yuhr gonna keep her runnin.

No use kiddin yuhrself, our Summer weather's gone. We may have a few nice days but boy, lookout fur kold mornin's. And that's when all the damage is done — and kostly damage, too.

Why don't yuh bring yuhr Iron Nag down to our stabul for winterizin? We got a $5.95 speshul on rite now that'll put her in running kondishun or find out the reasun why. And then let us anti-freeze yuhr radiator and yuhr set fur the kold.

Don't wait — busted radiators, kracked blocks and heads kost dough. And when the ol Nag fails to start some kold morning that ain't good fur yuhr religion, either.

3 Killed In Snow Storm

GRADE CRASH, HIGHWAY MISHAP BRING DEATHS DURING MONDAY'S BLIZZARD

Three persons were killed and half a dozen others were injured, some of them seriously, during Tuesday's blizzard that for a few hours paralyzed traffic throughout Lenawee county and left roads slippery and dangerous.

The most serious accident occurred at M-34, Beecher street, and Madison street, Adrian, at 4:42 Tuesday afternoon when a westbound New York Central train crashed into a car driven by Harlan Sunquist, 33, of Manitou Beach. In the car were Mrs. Sunquist and their three-year-old son, Harlan, jr., aged seven.

Mrs. Sunquist died instantly and Mr. Sunquist lived only a few minutes. The boy was taken to Bixby hospital, suffering from a fractured leg, possible fractured skull and cuts and bruises. Blissfield state police said that the crash happened during the blinding snowstorm that apparently obscured the driver's vision.

Paula Jeanne Bernstein, aged three, was dead on arrival at Bixby hospital, Adrian, as the result of an accident on M-52 at the Girls' Trianing School, at 12:45 p. m., Tuesday. Thec hild was riding in a car driven by her mother, Alice, aged 44, of Ann Arbor. The Bernstein car skidded and spun into a tanker truck, driven by Albert E. Bacon, Lincoln Park. Mrs.

Prize Winners Announced For Hallowe'en Costumes

More than 200 young folk, some accompanied by their parents, took part in the Hallowe'en parade last week Wednesday evening. The Tecumseh high school band lead the parade which formed at 7:30. The younger groups were presented with treats before entering the Strand Theatre where they were guests at a free movie. The older groups were entertained with dancing at the Central school gym.

Prizes in the window painting contest were awarded as follows: Vert Hart, eighth grade, first prize of $5, for a ghost pianist and dances painting on the window of the Baldwin hardware. Ann Preston, a fifth grader, won second prize of $3 for her "Ghost Ride" on Schneider Brothers Garage window. Judy Rudoch won $2 for a picture at Wolf's. Five honorable mention awards of $1 each went to: Carol Rutherford for a picture at Tecumseh Dairy; Jane Colgrove, a picture at Hodge's; Duncan Harris, a picture at Watkins Shop; Jim Dewey at Beach's Service, and Astride Freimanis at French's Market.

Prizes awarded for costume in the parade were presented from the stage of theatre to Kemberly Johnston, Ruth Ann Hagedorn, David Schmidt, Jimmy Bashore, Jimmy Osburn, Palema Muhn, Sandra Ross, Carol Spangler, Karen Ann Rumler, Linda Baldwin, Catherine West, Linda Wilson, Don McKenzie and Julia, Jane and Debbie Crawford.

The Hallowe'en party is given annually by the Chamber of Commerce, Rotary and Exchange Clubs, aided by the village council and Community Fund.

F.F.A. Father and Son Banquet Attended By 103

The annual Father and Son Banquet of the Future Farmers of American, (the banquet also included the mothers), was attended by 103 persons, Monday evening, in the cafeteria of the new high school.

Bill Broadstreet of Addison, American Farmer, was the principal speaker, telling the group how he attained his degree through activities in the F.F.A. Mr. Broadstreet, now 23 years of age, is operating a dairy farm near Addison in partnership with his father.

Marilyn Wagner and Charles Bishop who recently returned from Kansas City where they attended the Internatoinal Convention of F.F.A., told of their trip. Neville Hart, high school principal, spoke briefly and introduced members of the school faculty. James Hargrove acted as master of ceremonies.

Thirty-three boys are members of the F.F.A. group in the Tecumseh schools. Paul Burns is the advisor.

Mrs. Letha Irene Wells Is Buried In Morenci

Mrs. Letha Irene Wells, wife of Leighton Wells of 207 West Chicago Blvd., died Friday night in a hospital at Upland, Calif., where she had been a patient for four days. Mrs. Wells had gone to California and Tucson, Arizona, to visit her daughters.

She was born in Morenci, the daughter of the late Irving and Ida Youngs. Survivors besides her husband, Leighton, are three daughters, Mrs. Doris Coury of Tucson, Ariz., Mrs. Esther Smock of Duarte, Calif., and Mrs. Margaret Fellows of Grosse Point Woods; one son, Donald Wells of Route 1, Adrian; one brother, Lawrence Youngs of Flint; and ten grandchildren. Her parents preceded her in death.

Funeral services were held at the Green Funeral Home Tuesday afternoon at 2 o'clock. The Rev. B. O. Bashore officiated and burial was in Morenci cemetery.

Bearers were Lloyd Billington, Tipton, Amos Crane, Clinton, Victor Wells, Brooklyn, Richard Fellows, Grosse Point Woods, Harold Gloyd, Detroit, and Fred Arend, Saline. Friends and relatives attended from Duarte, Calif., Grosse Point Woods, Clinton, Adrian, Detroit, Flint, Saline and Tecumseh.

Big Armistice Parade, Nov. 10

LEGION UNITS OF LENAWEE COUNTY TO PARTICIPATE IN ADRIAN OBSERVANCE

After over a month of planning and preparation the American Legion Posts of Blissfield, Deerfield, Clinton, Hudson, Tecumseh, Morenci, Onsted, Britton and Adrian today announced a county-wide observance of Armistice Day, the feature to be the largest parade in the history of Lenawee county. This parade is to start at 2 p.m. on Saturday, November 10, in Adrian at North Main street and Albert street. The parade will move south on Main street to Front street, then west one block to Winter street, south on Winter to Church street and then east on Church to Locust street. It will go north one block on Locust to Maumee street and then west through the business section to the National Guard Armory. Every Legion Post in Lenawee county has made plans not only to have

(Continued on page 6)

Lester McCombs Dies; Is Buried At Clinton

Lester McCombs, aged 61 years, a life-long resident of Clinton, died at 2:15 Saturday afternoon in Herrick Memorial Hospital. He has been ill for two years and had spent several weeks in the hospital.

Mr. McCombs was born March 2, 1890, in Blissfield township, a son of the late Mr. and Mrs. John McCombs. He spent his entire life in farming and was an active member of the Farm Bureau for many years. July 27, 1910, he was married to Ivah Mahrle in Clinton. He was preceded in death by a son John, in 1918.

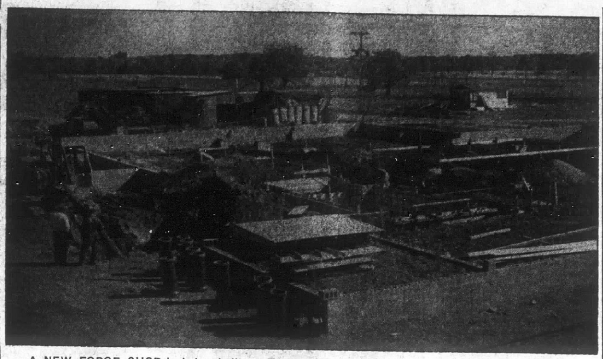
Survivors besides his wife, Ivah, are two daughters, Mrs. Charles Crane of Jackson and Mrs. Allen Brooks of Clinton; two sisters, Mrs. Grace Colson and Mrs. Frank Allen, both of Clinton; a brother Elmer of Detroit; four grandchildren and several nieces and nephews.

Funeral services were held Tuesday afternoon at 2 o'clock at the Proctor Funeral Home in Clinton. The Rev. Vaughn Whited officiated and burial was in Riverside cemetery. Flowers were omitted but donations for the cancer fund were received at the funeral home, at the request of the family.

MRS. HERRICK TELLS OF HER VISIT TO EUROPE

The Batist Ladies Union met at the home of Mrs. Clare Beland, Thursday afternoon, with Mrs. E. H. McConnell presiding at the business meeting. Announcement was made of a rummage sale, to be held at Don's Motor Sales, Friday and Saturday. Mrs. Ola Gray was named to receive contributions for the Maywood Home in Illinois, and it was announced that the White Cross quota for the Gies Memorial Center in Detroit had been filled. Mrs. Naomi Williamson and Mrs. Fay Van Valkenburg reported on the recent state convention of Baptists in Battle Creek.

Mrs. B. O. Bashore had charge of devotions and the program consisted of an interesting travel talk by Mrs. R. W. Herrick who told of her recent visit to Europe. Refreshments were served by the hostess.



A NEW FORGE SHOP is being built at Tecu seh Products Company as that concern prepares to convert a portion of its operations to defense pro uction. The new plant, southeast of the present Phili o building, will house hugh presses that will a rrive soon after the first of the year. Plans call fo not only the installation of presses but furnaces, heat treat lines, shot blast equipment and other ma chines to fabricate complete forgings. Construction of the new building became necessary when it was found that Products could not be supplied, by an outside source, with forgings in sufficient quantity o meet daily requirements. The new addition will be highly mechanized and raw materials will be brought to its door on railroad cars and moved inside with the aid of a hugh, powerful crane.

Who Owns The Scout Cabin?

WHO DECIDES WHEN IT NEEDS REPAIR AND WHAT REPAIR ARE UNANSWERED QUESTIONS

Who owns the so-called Boy Scout Cabin in Elliott Park?

That was the question that the Village Council couldn't answer, Monday evening, when representatives of the Girl Scout Association brought a few of their problems of the Village Fathers in quest of a solution.

It seems that the Rotary Club and perhaps the community generally had a hand in the financing and building of the Scout Cabin a few years ago. The Council remembered that it gave permission to build the building in the park. But aside from memory, there appeared to be nothing in black and white as to ownership of the property or who was to have the custody of it.

It also seems that the Girl Scouts as well as the Boy Scouts have been using the cabin for meetings. There are approximately 150 girls who are Scouts, and the organization is growing steadily. Now that winter is here, here are some of the Girl Scout leaders' problems:

The Cabin is insufficiently heated. There's a sizeable oil tank outside, but it's not piped to the stove. The old tank from which the stove is fed leaks, and the women say it is dangerous.

Storm windows are needed on the cabin, but there are none.

Janitor service is a problem, but the services of a part-time janitor cannot be afforded, because of a lack of finances.

Just how much value is placed upon the Cabin no one seems to know, but it appears that it is not insured.

Can anything be done to remedy some of these conditions to make the Cabin a better place in which to meet for both Boy and Girl Scouts? And if it can be done, who should do it, who has the guiding hand and authority to say yes or no?

The Council couldn't give the answers. In the meantime, Mrs. Owen Partridge, Mrs. Wallace Rutherford and Mrs. Victor Peterson, members of the Girl Scout organization, wondered just who to consult next to find out who is who.

The Council plans at a subsequent meeting to ask representatives of Rotary, Exchange, the Community Fund, Chamber of Commerce, Scout groups and others to confer with them and, if possible, to find the proper answers.

PLEADS NOT GUILTY

LeRoy Davis, Tecumseh, entered a plea of not guilty when he was arraigned in Justice Robert French's court, Monday, charged with operating a car while under the influence of liquor. He was later realesed on his own recognizance to appear for a hearing at a later date. The complaint in the case was signed by an auxiliary police officer.

CARS ARE DAMAGED

Two automobiles were damaged in the amount of $175, Saturday at 9:45 p.m., on Mill street, when they collided. They were operated by Howard Whelan, R. D., Tipton, and Emerson Witcher of Wayne. No one was hurt, according to police.

Miss Flora Bell Bowers Is Buried In Brookside

Miss Flora Bell Bowers of 922 Michigan Ave., died in Bixby Hospital at Adrian Thursday evening at 9 o'clock where she was admitted on Tuesday. Miss Bowers had been ill for several months.

Miss Bowers was born in Monroe county October 10, 1879, the daughter of the late Frederick and Charlotte Bowers. With the exception of three years Miss Bowers spent her entire life in Tecumseh and Adrian. She was employed at the greenhouse of the late Elmer D. Smith for 25 years. She attended the First Baptist church, and was a member of the Pythian Sisters and the Past Chiefs Club of that order.

Miss Bowers was preceded in death by her parents; three brothers, Philo, Jesse and Roy Bowers, and one sister Ida in infancy. Surviving are one sister Mary C. (Kitty) Bowers, 922 Michigan Ave., and one brother Ralph Bowers of Detroit.

Funeral services were held Monday afternoon at the Braun Funeral Home in Adrian with the Rev. Raymond Taylor officiating. Burial was in Brookside cemetery, Tecumseh.

Double Parking Must Stop Here

COUNCIL INSTRUCTS POLICE TO ENFORCE LAW; U-TURNS ALSO ARE ILLEGAL

The double parking of cars in the downtown district, U-turns in the same area, and the parking of cars against traffic in the business district must end, the Council instructed police at its regular meeting, Monday evening. There is an ordinance forbidding such practices, according to Robert Kroner, clerk, and he said that the Council ordered its enforcement.

Likewise, the council ruled that cars parked on streets outside the business district after sundown should display two lights in front, and a red light in the rear. Parking of cars for a period longer than 24 continuous hours in parking lots also was forbidden. Police were empowered to remove cars in violation.

Residents of E. Brown street advised the council that they were not interested in participating in a curb and gutter program. Permission was given for the use of a lot at 112 East Logan street as a used car lot.

T. L. Neill tendered his resignation of Civilian Defense director here.

Council granted an option to the State Highway Department for the purchase of land owned by the village south of M-50 near the River Raisin and extending to the corporation line. The land would be used in widening M-50 at the bridge over the river. The widening and paving program is scheduled for next year. At the bridge, it is understood, the new highway will be 120 feet in width, and the dangerous curve at that point will be eliminated.

HOUSE IS DAMAGED

Firemen were called to the Broadview Farm, near Macon, Saturday at 10:20 a.m., when fire that started under the floor of the bathroom in the dwelling threatened to get out of control. The blaze was confined to the one room, although the house suffered from smoke damage. No estimate of the loss was made by firemen.

Will Seek Bids On Sewage Plant

COUNCIL ENACTS RESOLUTIONS PREPARATORY TO ISSUANCE OF $285,000 BONDS

Resolutions necessary to proceed with the construction of a sewage treatment plant in the Village of Tecumseh and the issuance of $285,000 in general obligation bonds were approved by the Council, in regular session, Monday evening. Additional legal forms, incident to the issuance of the bonds, and approved by the Michigan Securities Commission are other technicalities to be considered before the bonds actually are marketed.

E. C. Heilman, chairman of the Council's sewer committee, said today that he could see no reason now why the treatment plant program could not proceed normally. Bids for the construction of the plant and the necessary interceptor sewers probably will be asked for later this month or early in December and a contract awarded.

"We are of the opinion," Mr. Heilman said, "that the sooner we are able to get a firm bid and a contract awarded, the cheaper we will be able to build the plant. Prices are rising every day, and materials are becoming more and more difficult to obtain. However, we already have obtained the necessary priorities, and we hope that the successful bidder will be able to get the job under way during the winter months." Heilman also said that a resident licensed engineer would be on the job during the construction period. It will take several months into 1952 to complete the sewer construction

(Continued on page 6)

GOVERNOR OF ROTARY CLUB GUEST, TUESDAY

John D. Maynard of Detroit, district governor of Rotary International, made his annual visit to the Tecumseh Rotary Club Tuesday and addressed that group in the evening, following dinner at the Country Club. Mrs. Maynard accompanied her husband to Tecumseh and also was entertained by the Rotary Anns at a dinner at the club. Despite the severe blizzard, about 30 Rotarians and 15 wives were on hand to greet Mr. and Mrs. Maynard. The governor discussed Rotary topics with the club. During the afternoon Mr. Maynard met with President Mel Partridge and club officers and committeemen at the Partridge home. Activities of the organization were topics considered and suggestions for future programs were suggested by the governor.

VAN'S BAKERY SOLD TO BLUFTON, O., FOLK

Don Norris, owner of Van's Pastry Shop, said today that he had sold his bakery to Edgar Conaway of Bluffton, O. Mr. Conaway and his son, Thomas, will take over the business about the 19th of November. Mr. Norris came to Tecumseh from Toledo, two years ago. He said that he had made no plans for the future.

DISPLAY FLAGS MONDAY

The Chamber of Commerce has requested a display of sidewalk flags by merchants in Tecumseh on Monday, November 12, in observance of Armistice Day. The day is being observed on Monday this year because November 11 falls on Sunday.

Charles R. Adams, 70, Is Buried In Missouri

Charles Richard Adams, aged 70 years, passed away at the home of his daughter and son-in-law, Mr. and Mrs. James Perrin, 104 Outer Drive, Friday night, November 2, at 8 o'clock. He was born September 29, 1881, in Dunklin county, Missouri, coming to Tecumseh five years ago. Mr. Adams was a member of the Presbyterian church at Patterson, Missouri, postmaster there for six years, and maintenance man at Patterson public schools until he came to Tecumseh. He is survived by his wife, Florence; two daughters, Mrs. Perrin of Tecumseh, and Mrs. Clifford Hunter of Dundee; eight grandchildren and several neices, nephews and cousins.

The body was taken to the Collins Funeral Home and sent to the Gish Funeral Home, Piedmont, Missouri, Saturday afternoon. Funeral services were held Monday afternoon at 2 o'clock at the Baptist church in Patterson with burial in Patterson cemetery.

Harris Certain In Chest Drive

COMMUNITY FUND GOAL IS EXPECTED TO BE REACHED BY FINAL DATE, NOV. 10

Although the Community Fund drive, locally, is today lagging nearly $3,000 behind its goal of $8,175, Ronald Harris, chairman, said that he is confident of success by Saturday, November 10, the closing date.

"I can see no reason for concern over the success of the campaign," Mr. Harris said. "We now have in pledges and in cash a total of $5,271.22, or about $2,900 short of our goal. Practically all of our industrial workers still must make their reports, and only one or two sections of the residential district have completed their jobs. Also, there are several business houses to report their gifts. When all of this has been done, and I am hopeful as get the job finished by Saturday, I feel certain that we will be over the top."

Harris urged that workers use every effort to finish their area solicitations by Friday and have the final reports in his hands on Saturday.

"This is important," the chairman said, "because we do not want to grant a further extension in the drive. We feel that with a little extra effort the job can be finished this week-end, and then we can make our final report to the board of directors of the Fund. An extension, in all probability, would only mean the work that should be done this week would be extended over another week."

This year's Fund total is the largest ever attempted in Tecumseh. This year the United Fund with its 28 participating agencies is sharing in the drive for a total of $2,000. Of this amount, more than $800 goes to the USO to be used n the care of young men and women in the armed services. The balance of the money raised is used locally, being divided among eleven participating organizations. These include the Boy and Girl Scouts, the Recreation Center, Herrick Memorial Hospital Auxiliary, and many others.

WINNERS ARE NAMED IN PICTURE CONTEST

The Tecumseh Camera Club met Monday evening in the basement of the library. During the meeting there was a discussion on the relation between aperture and the speed of a camera. Contest winners for black and white and colored slides were: color, first, to Don Hunt; 2nd., Ardis Drewyor, and third, Mabel Buckwood; black and white: 1st and 3rd., Mise Drewyor, and 2nd., Margaret Swift. Don Hunt showed colored slides of his recent trip south. The subject for the December meeting and the second contest in a series of three, will be "Children."

DOCTOR TO SPEAK

Herrick Memorial Hospital Auxiliary will meet Tuesday evening November 13, at eight o'clock in the Fellowship Center of the Presbyterian church. Dr. Steinberg of Toledo, will be the guest speaker and his topic will be, "The Modern Laboratory Role in Medical Treatment." The hostesses are Mrs. Joe Rohweder, chairman, assisted by Mrs. H. W. Dillon, Mrs. Virgil Tucker and Mrs. Albert Bagshaw.

Rummage sale at Don's Motor Sales, formerly Weatherman's, Friday and Saturday, by Baptist ladies. adv. 11-8

Indians Ready For Sugar Boys

TECUMSEH IS HOPEFUL OF GRID VICTORY, FRIDAY; HAVE EYE ON PENNANT

Can Tecumseh defeat Blissfield at football? That was the $64 question that was going the rounds of the public schools here this week as the Indians prepared to journey southward on Friday evening to meet the Sugar Boys on their own gridiron. The final game of the season will be played under the lights with the kick-off at 8 p.m.

"I'd hate to get my chin out too far," was the way that Coach Elven Duvall put it today. "However," he continued, "it would not surprise me one bit if we won the Blissfield game. I think that there is an excellent opportunity."

If Tecumseh can win from Blissfield on Friday, and should the Morenci high team lose the same evening to Hudson, the Indians would be tied with Morenci for pennant honors in the Lenawee County Athletic Association. Morenci has been on the top end of a winning streak that is four years old. They have not lost a single league game this season, and during the four years they have 32 consecutive wins to their credit.

Tecumseh has dropped only one game this year and, according to followers of the pigskin, they do not intend to lose the game Fri-

(Continued on page 6)

Trophy Day Observed At The Country Club

Trophy Day was observed at the Tecumseh Country Club with a one o'clock luncheon, Wednesday. The golf committee composed of Mrs. Hugh Andrews, Mrs. Dale Bowen and Mrs. Don Nettleman acted as hostesses. After the luncheon trophies were presented by Mrs. Bowen to Leo Bishop, who was a guest of the golf association.

Pat Wilson was winner of the championship with Mrs. Robert H. Moore as partner. Other awards were to Mrs. Hal Kelso, first flight; Mrs. L. W. Larsen, runner-up; Mrs. Fred Fischer, second flight; Mrs. Kenneth Herrick, runner-up; Mrs. O. W. Laidlaw, third flight; Mrs. A. Musch, runner-up. Ringers score prizes were awarded to Mrs. Frank Rice.

In the consolation flights, Mrs. Frank Purcell was awarded the championship; Mrs. M. R. Blanden, first flight; Mrs. Bert Oosterhout, second flight. No award was made in the third flight as the match was not played off.

Mrs. Paul Clauda presented the association with a scrap-book containing clippings of this year's events and pictures of the committee members.

Funeral Services Held For Stanley Darling

Stanley I. Darling, aged 61 years, formerly of Tecumseh, died suddenly Saturday morning at his home in Highland Park, Detroit. Mr. Darling was a son of the late Frank Darling and wife and spent his early life in Tecumseh. He had been employed as chief guard at the Wayne County Building for 30 years, and had been active in the American Legion baseball program in Detroit.

Survivors are his wife, Ann; two sons, Lynn and Pfc. Stanley H. Darling of the United States Marines; one daughter, Mrs. James Bastin of Detroit; two sisters, Mrs. Anna Hardenburgh of Tecumseh, and Mrs. Gladys Kuespert of South Bend, Ind., and one brother, R. W. Darling of Tecumseh. A brother Leslie preceded him in death last summer.

Funeral services were held Tuesday afternoon at the Haley Funeral Home, Hamilton and Puritan streets, Detroit, with burial in White Chapel cemetery.

TREE FRUIT GROWERS TO DISCUSS MARKETING

A meeting of tree fruit growers has been called for Monday, November 12, at 8:30 p.m., at the court house in Adrian by Louis G. Hall, county agricultural agent. The purpose of the meeting is to discuss apple surplus government buying by the Production Marketing Association. The Michigan Horticultural Society has requested all Horticultural Societies to send a candidate for Michigan Apple Queen to the state contest to be held December 5 at Grand Rapids. Selection of a queen also will be discussed at the county meeting.

Thursday, November 8, 1951

Hallowe'en Reflects Home Training

By and large, Tecumseh observed a sane and sensible Hallowe'en, last week Wednesday evening. Hundreds of youngsters participated in the festivities, including the theatre party at the Strand, the night-club-style dance at the Central School, and the parade of merrymakers through the business district. All in all everyone seemed to have a good time, and that was as it should have been.

However, there were a few — in fact there were several — incidents that reflected badly upon the funmakers. We realize that one should not condemn a group of youngsters for the acts of a few, any more than one should reject a barrel of choice apples because one or two were rotten but, nevertheless, there were incidents that should not have happened, and they probably reflected more seriously upon the parents than they did upon the children, themselves.

The incidents that we refer to were the obscene phrases that were written on some of the store windows, and on car windows in parking lots in the downtown area. Self-respecting people do not care to drive their cars around with such writings on them, but, nevertheless, because they lacked the necessary equipment with which to remove the soap-sayings, they were forced to do it.

We imagine that 99 out of every 100 youngsters who participated in the funmaking were innocent of these deeds. However, there were several hundred who took part in the celebration. There were a few "rotten apples."

We very much dislike to criticize the few so-called funmakers who were guilty of these obscene writings, because we sincerely believe that the acts of the few "rotten apples" cast a far darker shadow upon their parents than they did upon the community, itself.

Children away from home reflect the training that they have received from their parents. There are, of course, exceptions to all rules, but rules are more often right than wrong. And somewhere along the line, we cannot but feel that the parents of the youngsters who did the writing failed in their job.

Tecumseh went to considerable effort on Hallowe'en to see to it that the children of the community had a good time. The few hundred dollars that the affair cost the participating groups — Rotary, Exchange, Chamber of Commerce, Village Council and Community Fund — is beside the point. A genuine desire of the oldsters to see to it that the youngsters enjoyed themselves is what really counted.

Nobody gets seriously disturbed because he has to wash a little soap off his window after Hallowe'en. Most adults remember when they, too, were children and the pranks they played. But soap-sayings of the kind written by the youngsters last week were beyond the realm of "fun." They were disgusting, obscene and in very, very poor taste.

We don't know who the children were who did the writing and neither do we know their age. However, if we were to give their parents a little advice, we'd say that they should discuss such doings with their children, and tell them of the error. We don't believe that children desire to do things that are wrong any more than adults desire to make mistakes. But if children are never told the difference between right and wrong they certainly cannot be condemned for their misdeeds.

Tecumseh, as we know it, is a proud, progressive community. We'd like to keep it that way for the youngsters who enjoyed the Hallowe'en fun, last week.

—o—

Tecumseh Voters Acted Wisely

The overwhelming majorities given to the two proposals that make possible the issuance of $285,000 worth of bonds for the construction of a sewage treatment plant here showed clearly that the voters who went to the polls on October 31 understood the problem involved. The proposal to amend the charter to legalize the bond issue carried by a vote of about five to one. The bond issue, itself, was endorsed by an eight to one majority.

It is true that Tecumseh was, so to speak, "over the barrel" on the state's proposal to build a sewage treatment plant. There was no doubt but that Tecumseh was violating the law by dumping its raw sewage into the River Raisin and there was no doubt, also, but that the State of Michigan could, through a court order, force Tecumseh to build a treatment plant.

With the bond issue approved, Tecumseh now can proceed through regular channels to build its own treatment plant in an orderly manner. It will not be necessary for the state to take Tecumseh into the courts and force the construction. Had court action been necessary, the cost of the plant probably would have been several thousands of dollars higher than it will be in the normal way.

There is only one sad thing about last week's bond issue election. Only 316 people, or about one-sixth of the electors in the village, took time to vote. Of that number, less than 300 were property owners.

The right to vote is not God-given. It is a right that was bought on the field of battle in the United States back in 1775. And it is a right that we are going to lose, just as sure as the sun rises and sets, unless we protect it by voting. In the last national election, when Harry Truman was named as president, less than 50 per cent of the voters in the nation cast their ballots. The result is that Harry Truman is president, not by a majority vote but by a minority vote.

Another minority-vote can name a president in November of 1952 unless the people alert themselves and go to the polls.

Last week Wednesday's vote in Tecumseh showed clearly that this community is not an exception to the national rule. Only about 16 per cent of the voters cast their ballots on an issue that involved $285,000 in tax money. Maybe that explains, in part, why the Washington bureaucrats can vote billions in taxes upon the people without even incurring so much as a shrug of the shoulders.

Miss Joan Marie Clark Weds Wendall S. Porter

The Beverly Hills Lutheran church in Los Angeles, California, was the scene of a lovely wedding Saturday evening, October 27, at 8 o'clock, when Miss Joan Marie Clark, daughter of Mr. and Mrs. Bernard Clark of Burbank, Calif., formerly of Tecumseh, became the bride of Wendall S. Porter, son of Mr. and Mrs. E. F. Porter of Glendale, Calif. The Rev. Guy L. Hudson performed the double ring ceremony.

The bride was given in marriage by her father. She wore a floor length gown of pink faille with gathered skirt, a bertha collar and pink mitts of lace. Her jewelry was a three-strand pearl necklace. She carried an orchid corsage with pink streamers.

Mrs. William Clark, matron of honor and sister-in-law of the bride, wore a street length navy faille suit with white accessories and a pink carnation corsage. Bruce Porter, brother of the groom, was best man. The ushers were George Rockwood, William Clark, Robert Porter and Sam Dick.

Clifford E. McCormick, organist, played nuptial music and accompanied Dwight Adams, soloist, who sang, "Because," and "The Lord's Prayer."

Mrs. Clark, the bride's mother wore a navy crepe dress with pink accessories and Mrs. Porter, the groom's mother, wore a cocoa brown crepe dress. Both wore orchid corsages.

A reception for 150 guests was held in the church immediately following the ceremony. Mrs. Helen Dick cut the cake and was assisted by Mrs. Mary Rockwood and Jo Ann Porter.

For traveling the bride wore a navy blue semi-tailored suit with white accessories and an orchid corsage. After a trip to San Diego, Calif., Mr. and Mrs. Porter will reside in their new home at 6901 Tampa, Ave., Reseda, Calif.

Mrs. Porter is a graduate of Burbank high school in 1946 and is employed at Don Baxter, Inc., at Glendale, Calif. Mr. Porter also is a high school graduate from Truro, Calif., and is employed at Lockheed Aircraft Corp., Burbank, as an experimental mechanic.

Do You Remember?

1851

Married, November 1, George Fuller and Cynthia A. Bower, both of Franklin.

1881

The new Friends church will be dedicated, November 22.

Vincent Wood has purchased the old Friends Meeting House and will remodel it for a home.

Lizzie Beamish is the new bookkeeper at Bills Bank.

Several new sidewalks are being built throughout the village.

Taxes are the lowest in years, $6.44 per thousand.

A granite monument has been moved from the Cambridge cemetery to the Queal lot in Tecumseh cemetery and an iron fence built around it.

1891

Frank Rogers is teaching at the Lenawee Junction.

Dr. R. B. House has formed a partnership with Dr. O. Q. Jones of Hanover and their office will be in the rooms occupied by Dr. House. The Jones family will occupy the Sparks house on Maumee street.

Fred Rogers is teaching in the Remington district at Macon.

Laverne Ide is working at the Herald office, Clem Bramble is taking his place in the post office.

People go as far to see Slayton and Waring's new hay press as they would go to see an elephant, in fact they resemble each other.

1901

C. H. Field has been elected superintendent of schools at Hastings to begin January 1.

Nina McClure, Bessie Bates and Will Coller are clerking at the New York Store which opened in the Mills Block.

Norheis & Secklinger have opened a new meat market, here.

Naomi North, who attends the Kalamazoo College, has been chosen society editor of the college magazine.

1911

There are 53 Sundays this year, the last falling on December 31. This will not occur again for 1096 years.

1921

Beth Satterthwaite is home from a trip ranging from Mexico to Vancouver.

The new hydro power plant being built east of Hayden's Mill is nearly completed.

Some of the store windows are especially attractive since Hallowe'en.

Born, November 2, to Mr. and Mrs. Garland Osburn, a son.

Born, November 2, to Mr. and Mrs. C. D. Wilcox, a son.

A barn on the Abner Wilson farm was burned to the ground, Tuesday night.

1931

Hayden's are operating 24 hours a day with 44 on the payroll and Quaker Oats has 60 persons listed, and Cyclone Fence, 22 names on their payroll.

Merrick Dibble of Tipton and Shirley Wilson of Adrian were married November 4.

Mr. and Mrs. Benjamin Haight have moved here from Cone.

Born, October 29, to Mr. and Mrs. Raymond Potts, a daughter.

Born, October 30, to Mr. and Mrs. Ralph Mull, a daughter.

A clearing house has been established here for the accommodation of local merchants and others and will be in operation next week.

Lester Coller sprained his right arm and cut his face badly when he fell from a chair while fixing a fuse.

Stella Billings left today for Tillamook, Ore., to spend the winter.

1936

The village council has voted to extend the water mains on Cummings and north Division streets.

Born, to Mr. and Mrs. Ned Baldwin, a son.

Mrs. Stella Sheldon will observe her 91st birthday, November 10.

Miss Clover Guy and Walter Dunbar are announcing their marriage which took place July 5 in Toledo.

Flora Campbell of Tecumseh and Gerald Poley of Dundee were married November 5 in Monroe.

Married, November 5, Edward B. Blahford and Cleo Humphreys, both of Clinton.

Beatrice Semark of Clinton and Lavern Oliver of Detroit and Miss Ethelyn Middlebrook of Clinton and Raynor Oliver of Detroit are announcing their marriages which took place at a double ceremony October 17 in Angola.

1941

Mr. and Mrs. Elmer Hunter of Ypsilanti, observed their golden wedding anniversary, Sunday. The Hunters are former residents of Tecumseh.

Mrs. E. E. Berry has been named local Red Cross chairman of the annual drive.

McCann store here has been sold to Toledo parties and will be operated by Justin V. Mullaney, one of the owners.

Miss Florence L. Hunt and Stanley Miller were married October 30.

Ned Lanning arrived home Sunday on furlough from Camp Grant, Ill.

Born, November 1, to Mr. and Mrs. Charles Kempf, a son.

Mrs. Delmar Anderson suffered severe injury and a broken left arm when she fell down the cellar stairs at her home.

1946

Mr. and Mrs. Ernest Welch recently celebrated their 50th wedding anniversary.

B. B. Moon who has owned a trucking business for the past 24 years, has sold his business to Franklin Shea.

Roger Linger has opened his new store "Tecumseh Produce Company" in the VanAntwerp building at the rear of the Tecumseh Recreation.

Miss Mary Lou Boyd and James R. Feight were married Sunday, November 3, in the Presbyterian church.

Tecumseh's tax payment is 99.45 percent perfect.

Nearly 200 persons attended the International Tea given by Tecumseh Music Club in the Methodist church.

Born, November 3, to Mr. and Mrs. Harry Beland, a son.

Raynor Aylesworth is a patient in Tecumseh hospital the result of a fall from a scffold. He suffered a broken arm, dislocated shoulder, jaw injuries and minor bruises.

Born, October 31, to Mr. and Mrs. Richard Weir of Manchester, a daughter.

Gordon Tank, formerly with the Ford school at Macon, has been appointed director of the choir at St. Peter's church.

U-M PROF SAYS BANKS NEED MARKET RESEARCH

Bansk face problems in selling their services, just like any other business, Donald R. G. Cowan, professor of marketing at the University of Michigan School of Business Administration, contends.

In fact, because bankers sell intangible service, their selling problems are among the most difficult to solve, he reports in an article appearing in the current issue of Michigan Business Review, a bimonthly publication of the school.

Marketing research can be applied to the whole area of selling bank services, Professor Cowan contends, and a scientific analysis can increase markets, improve efficiency and provide greater assurance of profits.

HOSTESSES NAMED

Hostesses for the Tecumseh Country Club one o'clock luncheon Wednesday, November 14, are Mrs. Edward Boss, phone 539, and Mrs. Robert Sage, phone 337RX. Reservations are to be in not later than Tuesday noon.

Iran wants to get the oil properties of foreigners without much cost—evidently not believing in individual initiative and private enterprise.

It has a Way with Women

SOMETIMES we think that too little attention is given to the fair sex in automobile advertising.

After all, it's the woman of the house who has to do most of the shopping, which involves getting into tight places at the curb. And it's surprising what tight spots a Buick can fit into at a turn of the wheel.

It's the woman who likes complete freedom from things that it takes an engineer to operate—and a complete and utter freedom from mechanical complications is exactly what makes Dynaflow Drive* such a joy.

It's the woman who has an eye for style and fine fabrics—and a nose for economy. On both counts, a Buick is tops.

But we suspect something else. We suspect that a woman gets just as great a lift as a man from commanding this great-powered and trigger-quick bundle of vitality to bow to her will.

Here's a car to win any woman's heart—by its level-gaited stride—its willing response to her hand on the wheel—its smart style and its smart performance—its spaciousness and comfort—and its thrift.

How about taking time off, some afternoon, to boss around a Buick? It's a date that's bound to thrill you.

—NO OTHER CAR PROVIDES ALL THIS—

Changes Are Made In Phone Company Personnel

I. F. Krehbiel has been elected **vice president** of Michigan Associated Telephone Company, effective **November 1, 1951.**

Since April 3 of last year, Mr. **Krehbiel has** been president of **Inter-state** Telephone Company, a **smaller** company operating in Washington, Idaho and Montana. Both companies are subsidiaries of General Telephone Corporation.

Mr. Krehbiel started in the telephone business in Abilene, Kansas in 1921. He began his career in the General Telephone System in 1937 when he joined the General Telephone Directory Company. He had been with Interstate Telephone since 1939, first as commercial superintendent and, before his election as president, was vice president and general manager.

F. E. Norris, president of Michigan Associated said that the Company has grown to such an extent as to make desirable the placing of responsibility for handling day to day operations closer to the telephone user. To implement this objective, effective November first a division manager type of administration was placed into effect.

Under this arrangement, three divisions were established, each headed by a division manager who has direct authority over commercial engineering, plant and traffic operations and personnel in his division.

F. W. Hamper was appointed general plant superintendent. Mr. Hamper was formerly the personnel manager with an affiliated company, the Indiana Associated Telephone Corporation, with headquarters at Lafayette, Indiana.

R. E. Putnam, former commercial superintendent was named division manager, western division, with headquarters at Muskegon.

H. H. Randall, who, until his appointment as division manager, southern division, was area commercial manager located at Muskegon. Mr. Randall's new headquarters will be at Coldwater.

T. G. Sowers will be the new division manager of the eastern division with headquarters at Imlay City. He previously served the company at Central Office Equipment Engineer.

LOCALS AND PERSONAL

Mrs. Elona Barber has returned home after spending two weeks with her son and family, Mr. and Mrs. Berford Barber of Saginaw.

Robert Allen of Clinton flew to Clare, Michigan, for the week-end to assist Ernest Irwin in building a new barn. Mr. Irwin is also a left Saturday to attend the convention.

Dale Bowen, Robert Hanna, P. G. Colgrove and Hal Kelso left Sunday morning to attend a refrigeration convention in Chicago.

L. W. Larsen and Frank Purcell Walter Dalley, Mr. and Mrs. Thomas Judd and Mr. and Mrs. Gordon Greiman, all of Tecumseh. The evening was spent socially.

LEAGUE TO MEET

The Baptist League will meet Monday evening, November 12, with Mrs. Harold Davidson on East Brown street, instead of November 20, as planned. Mrs. Eddie Kirkland will be the assisting hostess. The program will be "Spirit Tree," with Mrs. Gilbert Nighswander as leader. Mrs. Delbert Tallman will be in charge of devotions.

It takes a tough physique to withstand the rigors of the picnic season.

TAX RETURNS

The Internal Revenue Bureau declares that American taxpayers make mistakes of $2 or more on one out of each four individual income-tax returns filed—and in nine cases out of ten, the taxpayer's mistake is in his own favor, not the Government's. Most errors consists of incorrect statements of income, personal deduction and exemptions for dependents.

Nothing is more discouraging than to listen to an "expert" who doesn't know that you are a more highly-informed expert.

BRITTON

The Methodist Youth Fellowship has elected officers as follows: President, Billy Bortel; vice president, Larry Kanous; secretary and treasurer, Barbara Siedel. A group of the Youth Fellowship and leader, Mrs. F. B. Clifford, attended a recent football game in Adrian.

Mr. and Mrs. Frank Maple, jr., of Willow Run Village, have moved into the DuBois residence. Mr. Maple is the history and physical education teacher in the Britton schools.

Recent guests of Mr. and Mrs. Carl Auten were Mr. and Mrs. Duane Auten and family of Athens.

Mrs. Cora Byers has moved to her new home on Maple street in Adrian. Mrs. Byers sold her house here to Fay Carney of Dundee.

Mr. and Mrs. Charles Benedict were hosts to the Congregational Duet Class Wednesday evening with a potluck supper served at 7 o'clock.

Mr. and Mrs. Earl Murphy of Tecumseh and Mr. and Mrs. Alexander Gibson were in Battle Creek last Wednesday, called by the serious illness of James Murphy of Albion who is hospitalized in Battle Creek. Mr. Murphy who is ill is a brother of Mrs. Gibson and Mr. Murphy.

Pfc. Wayne Filter who has spent ten days here with his wife and parents, Mr. and Mrs. Henry Filter, has returned to his training base at Fort Campbell, Ky. Mrs. Filter accompanied her husband.

Misses Julia and Lulu Gilmore of Ridgeway, Mrs. Hamilton Moore of Macon, and Mrs. John Gittus accompanied Mrs. Edward Kanous to Ann Arbor last week for an all-day meeting of the District W. S. C. S.

The North East Lenawee District Home Extension Tea will be held Friday, November 9, at 2 o'clock in the Britton Congregational church. A program will follow the election of officers and tea will be served to conclude the meeting.

Mrs. Chester Brown is host to the L. & M. County Line Extension Club today with co-operative luncheon served at 12:30. The leaders will present a lesson on 'Color in the home" during the afternoon.

Mr. and Mrs. Charles Herrick and family of Milan accompanied Mr. and Mrs. R. B. Kanous to Detroit, Saturday, where they visited Mr. and Mrs. Louis Allegrina and sons.

Mr. and Mrs. Richard Zeluff and son of Clinton were guests Sunday of Mr. and Mrs. Cass Zeluff.

Sunday, December 2, District Supt. Frank Fitch will deliver the sermon in the Methodist church.

Mr. and Mrs. Floyd Jones of Milford were over night guests Friday of Rev. and Mrs. F. B. Clifford.

Sunday guests of Mr. and Mrs. Byron Covell were Mr. and Mrs. Ray Covell of Plymouth.

X-MAS PARTY PLANNED BY MASONS, O. E. S.

The regular meeting of Tecumseh chapter, No. 51, O.E.S., was held Thursday evening with sixty members and guests in attendance. The new worthy matron, Mrs. Charles Driffill, and her officers, were in charge of the meeting.

A report of Grand Chapter session held in Grand Rapids was given by Mrs. Warren Benham junior past matron. The chapter voted to assist the Masonic lodge in sponsoring a Christmas party for members and their children.

The next regular meeting will be initiation, when four candidates will receive the degree of the order.

At the conclusion of the meeting refreshments were served by Mrs. Elmer Bryan and her committee.

D. A. R. TO MEET

Abi Evans Chapter, D.A.R., will meet Friday evening, November 9 at 8 o'clock at the home of Mrs. Clare Beland. Mrs. O. W. Laidlaw will be the leader and the program will be on "Conservation." Mrs. Francis O'Rourke of Hidden Lake Gardens, will show colored slides of the gardens. The co-hostesses will be Mars. Kenton Hunt, Mrs. E. T. Armstrong, Mrs. Charles Williamson, Mrs. Virgil Demming of Tipton, Mrs. Athol Brainard of Springville and Dr. Mary Swan.

MISSIONARY MEETING

The Women's Missionary Society of the Friends church will hold an all day meeting, today, at the church. A potluck dinner will be served at noon. Mrs. Walter Weimer is the hostess.

GUILD WILL MEET

The Florence Weld Mission Guild of the Presbyterian church will meet Monday evening, November 12, at the home of Mrs. John Lott with Mrs. Nina Heath assisting. Miss Edith Ingersoll will be in charge of the program.

(Continued from page 1)

and the building of the plant itself. Actual plant operation probably will not start until next fall.

Definite authority for the plant's construction came last week Wednesday when, in special election, the voters of the village approved a change in the charter to permit the issuance of the bonds, as well as bonds themselves. The $285,000 tax issue brought out only about one-sixth of Tecumseh's voting strength, and a total of 316 ballots were cast.

On the issue to amend the charter, legalizing the bonds, the vote was 256 to 56, or approximately five to one. On the issuance of the bonds—only property owners could ballot on this issue—the vote was 625 to 33, or approximately eight to one. Any registered voter could ballot on the first issue, and it was necessary that it carry by a two-thirds majority. Only a majority approval was necessary on the second issue.

The approval majorities for the bonding program were the largest in Tecumseh's history. Apparently the electors realized that Tecumseh was "over the barrel," so to speak, and was in violation of a state law which denies the village the right to dump its raw sewage into the River Raisin. Dumping of sewage into the river has been a practice here since the village first installed sewers.

More than 20 years ago the state warned Tecumseh that the practice must be stopped and several times during that period the village had promised the state that a treatment plant would be built. During World War II the state halted its program to force Tecumseh to build the plant because of a shortage of materials. However, about a year ago the Michigan Stream Control Commission threatened court action unless the plant was in operation by 1953. This threat brought the issue to a head, and last week's bonding election.

"I feel that the voters acted wisely in approving the bond issue," Heilman said. "There is no doubt but that the state could have forced us, by court order, to install the plant, and had we allowed the state to take us into court, the construction cost would have been far greater than it will be now. I feel that approval by the electors saved the village perhaps several thousands of dollars."

CLASS TO MEET

The Semper Fidelis class of the Methodist church will hold its regular meeting Sunday evening, November 11, at 8:30 in the social room of the church. Mr. and Mrs. Elven Duvall will be the hosts and will be assisted by Mr. and Mrs. Arthur Crawford. For the program Mr. and Mrs. John Cameron will show movies of some of their trips.

COMMUNION SERVICE

Communion will be observed at the Grace Lutheran Church here, Sunday, November 11, at the 10:30 service. The Saturday school choir and the junior choir will sing during the morning program. There are 34 members of the Saturday school.

HAPPY HOME BUILDERS

The Happy Home Builders class of the Baptist church met Monday evening with the Rev. and Mrs. B. O. Bashore. Some 47 were in attendance for a potluck supper at 6:30. The devotiones and program were in charge of Mr. and Mrs. Fred Bryan and Mr. and Mrs. George Green, jr. The December meeting will be held Monday, December 3, in the church. This will be the Christmas program for the children.

Big Armistice

(Continued from page 1)

their colors and Legion members in the parade but also to have the high school bands from each town participate. In addition to these units there will be a mechanized unit of over 40 vehicles from the National Guard Unit of Jackson, and the Signal Unit of National Guard from Ypsilanti, as well as a crack drill team from the American Legion Post in Wauseon, O., and the high school band from Metamora, Ohio.

Marching and drill units from the various lodges and civic organizations throughout the county have also announced a desire to participate and there will be two ladies drill teams of the American Legion Auxiliary, one from Tecumseh and one from Brooklyn.

Indians Ready

(Continued from page 1)

day to the Sugar Boys.

Blissfield played Onsted in a non-league game last Friday evening and won by a score of 27 to 6. However, this did not surprise the fans because Blissfield has a much stronger team than Onsted. Morenci played Camden last Friday night and won by a score of 52 to 6. The Indians rested last week-end.

It is evident that Coach Duvall is pinning his winning hopes upon the fact that Blissfield is weak in aerial play, and that Tecumseh is strong in the air. If weather conditions are right, the Indian's aerial game might mean the difference between a win and a loss. Also, followers of the game think that Morenci's luck is running out, and that Hudson, with some older men in play this week, may be able to break the winning spell.

In any event, a record breaking crowd is expected at Blissfield from Tecumseh. The Indian band is going to the game, as is the homecoming queen, crowned here last week, and her court. The game on the Sugar Boys' gridiron is Blissfield's homecoming game of the season.

LEAGUE OFFICERS NAMED

The Westminster League of the Presbyterian church met Tuesday evening at the home of Mrs. Carlyle Mason in Herrick Park with 20 members and three guests in attendance. Mrs. Robert Manchester, Mrs. James Gabler and Mrs. Wellington Wotring were the co-hostesses. During the business meeting, December 16 was set as the date for the annual Candle Light Ceremony.

New officers were elected with Mrs. Albert Williams as president; Mrs. James Barton, vice president; Mrs. Roger Linger, secretary, and Mrs. Charles Stephenson, treasurer. Mrs. Donald Wilson was in charge of devotions.

Mrs. Jean O'Neil, R.N., gave an interesting talk on "plastic surgery."

A surprise personal shower was given for Mrs. Donald Wilson. Strings lead her to the gifts.

The three guests were Mrs. Donald LaBounty, Mrs. Robert Peck and Mrs. Ben Gillies.

The December meeting will be held at the home of Mrs. Harold Clark. It will be the annual Christmas party.

3 Killed In

(Continued from page 1)

Bernstein was removed to Bixby, suffering from injuries.

Thelma Montgomery, Masselon, O., and Harley Evans, Lyons, O., were involved in a car crash at Madison Center, Tuesday at 4:15 p.m. Elizabeth Hartman, a passenger in one of the cars, was taken to Bixby for treatment to injuries.

A car driven by Hazel Feedman, 58, Milan, went out of control on M-50 east of Hendershot road and overturned, at 10:15 a.m., Tuesday. She was not injured.

Cybil Watkins, 48, of Lake Orion, Mich., Frank Kobacs, 55, Detroit, Mrs. Bertha Carter, 74, Pontiac, and Keith A. Carter, 45, Pontiac, were injured and removed to Herrick Memorial Hospital for treatment at 9:30 a.m., Tuesday as the result of an accident on US-112, near the Washtenaw line. The accident happened when the driver lost control of the Watkins car and it went off the road and hit a tree.

Joseph Mendel, 40, Detroit, and Benjamin Cox, 44, Detroit, were involved in a crash at 10:45 Tuesday morning on US-112, at Mull's Hill. Cox lost control of his car and it crashed into the Mendel car. No one was hurt. State police gave Cox a ticket for failing to have his car under control.

Two vehicles were damaged at 2:30 p.m., Tuesday, on US-112 near the east limits of Clinton. A car driven by Robert Deininger, San Pedro, Calif., skidded, went into a spin and struck a truck-trailer driven by M. T. Gilcrest of Independence, Mo. No one was hurt.

Local accidents as a result of storm included:

A three car accident at Kilbuck and Pearl streets, Tuesday afternoon involving cars driven by Vera Steele and Dale Campbell of Tecumseh, and Mildred Hoover, R. D. Clinton. Police estimated damage at $100.

A car-truck accident at W. Chicago and Adrian on Tuesday involving Madelyn Merrifield, Ferndale, and Wm. Ost, Dundee. Damage was estimated at $100.

Cars driven by Wm. J. Walker, Tecumseh, and Ernest Groed, Tipton, were involved in a mishap at the school parking lot on Maumee street at 4:15, Tuesday. Police estimated damage at $50.

Tuesday's severe blizzard that laid a seven or eight inch blanket of snow, started Tuesday morning and continued throughout the day and early evening. The snow was heavy and in some areas drifted badly. During Tuesday evening it started to rain, relieving somewhat the blocked conditions of the highways. Fortunately, the weatherman's prediction of freezing temperatures failed to materialize. Dozens and dozens of cars were stalled in the village, and wreckers and garages were kept busy throughout the day and most of the night.

Legion Auxiliary Votes $35 To Community Fund

The American Legion Auxiliary met in the Legion rooms Monday evening. During the business meeting, $35 was voted to the Community Fund. Mrs. Alice Schneider, a delegate to the national convention in Florida, gave an interesting report. A kitchen shower for the Legion kitchen was held and many needed articles were received. Mrs. B. B. TurnBull presented the Auxiliary with an oil painting of a winter scene, for benefit purposes.

Several members are planning to attend the Gift Shop, November 19, at the Veterans Hospital in Battle Creek. The mid-winter conference will be held in Lansing December 8 and 9, with Mrs. Charles Osburn, Mrs. Vern Manwaring and Mrs. Al Bagshaw as delegates and Mrs. Louis Schneider and Mrs. Charles Howe as alternates.

As November is "Americanism Month," Mrs. Charles Howe conducted a quiz on flag etiquette. Refreshments were served by Mrs. L. E. Brown and her committee.

The Legion members and their wives held a fish fry at the Legion Tuesday evening and after supper painted the auditorium.

TO GO TO ADRIAN

A caravan of members and friends of the Tecumseh Friends church will meet at the church this evening at 6:45 to go to Adrian where they will attend a Christ for Lenawee meeting at the Armory.

KEEP STOCK WATER TANKS OPEN!!
EVEN IN SUB-ZERO WEATHER

Just place a Smith-Gates FLOATING STOCK TANK WATER WARMER on the surface of any open water tank and plug the lead cord into an electric outlet. No matter how cold the weather there will always be warm water for stock to drink. The SG TANK WATER WARMER places 550 Watts of heat just below the surface of the water where it will be most effective with the least use of electricity. Built-in thermostat assures lowest operating costs. The heating unit is attached to the bottom of a heavy gauge, nickel plated, copper float by a spring clip . . . can easily be removed for use as an immersion heater. Keep your water supply open this winter, see the Smith-Gates FLOATING STOCK TANK WATER WARMER at your dealer today.

It's 100% SAFE and cannot start a fire because it's made of fusible wire encased in waterproof glass braiding.

SG Thermostats give automatic temperature control at all times . . . Save work and electricity.

WATER WARMERS

For poultry waterers and fountains. Keeps water at right temperature (50°F.) even in sub-zero weather.

ACT NOW!
Save time, work and money . . . increase production. Use THERMOTAPE to keep your water line from freezing, and other SMITH-GATES products to provide a constant supply of warm water.

Miss Josephine Carter was home from Monroe over Sunday.

WIT-WISDOM CLUB

The Wit and Wisdom Club met Monday evening at the Iron Creek Church with the Rev. and Mrs. Alvin Brazee as host and hostess, assisted by Miss Gertrude Spaulding and Mrs. J. Fred Rector. The Rev. Mr. Brazee was the leader of the program and he presented a group of Brooklyn high school girls in a musical program. Mr. Brazee also reviewed a recent book, "The Doolittle Raiders," which was enjoyed. At the conclusion of the program, ice cream, cake and coffee were served. Four new members were admitted, Mr. and Mrs. Fred Dickinson and Mr. and Mrs. Earl Wickwire.

TO MEET TUESDAY

The W.C.T.U. will meet Tuesday afternoon, November 13, at 2 o'clock at the Friends church.

If its news call The Herald.

When You Buy 'Brand Names'

You Are Certain Of Quality

Famous brand names in foods are just like famous brand names in clothing and shoes — they assure quality.

That is the reason why you'll always find our shelves stocked with famous "brand names"—names that were household words during your grandfather's time, and continue to be household words today.

We like to sell foods made by these famous makers because we know that our customers are assured of fine quality. And we also know that satisfied customers always come back . . . and back . . . and back.

Parents and Teachers May Confer Next Week

American Education Week will be observed in the Tecumseh Public Schools next week, November 12 through 14, it was announced today. Both the junior and senior high schools, as well as elementary students will be involved in the program.

Parents of school children are invited to visit their classrooms in any of the buildings from 3 to 5 p.m., on Monday, Tuesday and Wednesday of next week, and at that time consult with teachers or counselors regarding their children's progress. Teachers will be available to meet parents during the two-hour period each day, it was said, and they will be happy to learn of any special problems that the youngsters may have.

Earl Green, elementary principal, said that no attempt would be made to hold an "open house" during the period at the Central building because of remodeling work that is now in progress. In some years in the past, open house for parents has been held in the evening.

At the junior-senior high school, Neville Hart, principal, said that no "open house" was planned, only the program that makes it possible for parents and teachers to meet and discuss the youngsters, their subjects and their grades. However, on Tuesday evening, from 7 to 9 o'clock, junior and senior high teachers will be in their rooms to confer with parents who otherwise might be unable to come to the school during the daytime hours.

Parent-Teacher Assn. To Meet Here, Tonight

The November meeting of the Parent-Teacher Association will be held tonight (Thursday) in the cafeteria room of the high school.

As next week is National Education Week, the program topic is, "Understanding the Educational Program of Our Schools." Music will be furnished by 44 voices from the Central School Glee Club under the direction of Robert Peck, and the Wesleyan Singers under the direction of Arlene Swartz. Delmar Crisp will talk on the "Guidance Program;" Neville Hart, "Report Cards for 7th and 8th Grades; Social Studies, How They Are Taught and Scholarships." Mrs. Edward Boss, chairman of the scholarship committee for Herrick Memorial Hospital Auxiliary, will discuss the "Nursing Scholarship." James McDowell will discuss "How the Schools Will Take Care of the Influx of Population."

The second and third grade room mothers will be in charge of refreshments.

CONSERVATION LEAGUE PROGRAM DRAWS CROWD

The Tecumseh Conservation League presented an enjoyable evening's entertainment to the public and members last Thursday evening at the Products Workers Union Hall. Attendance was estimated at 425 persons.

The club's donation awards went to the following: Betty Macham, Tecumseh; Marilyn French, Tecumseh; E. Drouillard, Deerfield; Robert Hoover, Clinton; Chas. Sager, Sand Lake; Stuart McLean, Manchester; Marvin Miller, Jasper.

Edwin Hurd, of Detroit, showed his well-known full-length color movie of a hunting trip made by his father and himself into the interior of Africa. It was well received, and aroused much comment.

CHILD STUDY CLUB TO MEET MONDAY EVE

Family Night will be observed by the Child Study Club Monday evening, November 12 with a pot-luck supper at 6 o'clock at the Methodist church. The hostesses are Mrs. Norman Bailey, Mrs. Elven Duvall and Mrs. Gerald Osworth. They have requested that members bring a dish to pass, sandwiches, and silver. The drink will be furnished. Mrs. Robert Williamson is the leader and the program will be presented by the children.

What Is A Republican?

We Aren't Sure But We Think We Know. ANYWAY--Here Are A Few Things That We Feel Should Be Considered :

---

1 The country doesn't owe anyone a FREE living. It owes only an equal opportunity to EARN a living.

WHAT WE PROPOSE : Passage of state legislation to permit disclosure of the names of the recipients of public funds. We have a right to know whom we are supporting.

2 Maybe you figure you ".. never had it so good,"--but if the budget isn't balanced and Federal extravagances curbed, the inevitable aftermath will make the depression of '31 seem like the height of prosperity.

WHAT WE PROPOSE : The election of only those candidates who guarantee to exert themselves to balance the budget---and the supervision of those elected to see that they are sticking to it.

3 The economy of this country is founded on the proposition that the harder a person works, the more he gets. No matter what the Fair Dealers and Left Wingers say, the proposition is unbeatable and is the best yet discovered by humanity. We MUST keep initiative and incentive in the foreground.

WHAT WE PROPOSE : A ceiling on individual income tax rates of 25%.

4 The American heritage, financial, moral and political, has become a grab-bag for moochers, do-gooders, and indigents.

WHAT WE PROPOSE : That we examine - - and that we insist that our candidates examine - - every legislative item in the light of the America of 1975 and that we cease favoring ourselves at the expense of posterity. We want to leave America BETTER than we found it.

The above are a few random thoughts that come to mind as we are trying to get squared away tor 1952. You will be hearing further from us.

There's Nothing Scotch About Being Thrifty--

Don't be mistaken . . . there's nothing Scotch or "tight fisted," so to speak, about being thrifty.

Being thrifty is just good sense. To save a part of what you earn, and do it regularly, is just good business.

And it is also good business for you to open an account in this bank. Pay your bills by check, budget your income, put away a little each pay-day for that "rainy day."

A few dollars will open an account. Drop in . . . do it NOW.

Diana Lynn and Spencer Tracy co-star in the drama of a fighting attorney "The People Against O'Hara." Sun., Mon., Nov. 11, 12, at the Strand Theatre.

Miss Marybeth Hendershot Bride of Harold Amstutz

Miss Marybeth Hendershot, daughter of Mrs. Beasie Hendershot of Macon, and Harold J. Amstutz of Macon, son of Mr. and Mrs. Harry Amstutz of Deerfield, were married Saturday afternoon at 2:30 in the home of the Rev. O. E. Priest, also of Macon, who performed the single ring service.

The bride wore a Copenhagen blue dress of lace over taffeta. Her pearl necklace was a gift of the bridegroom, and her corsage was of rosebuds and gardenias. Miss Ruth Hendershot of Macon, attended her sister and wore a silk dress in a champagne shade with navy accessories and a corsage of red rosebuds. Samuel Amstutz of Deerfield attended his brother as best man.

A wedding dinner was served at Tamerlane Terrace in Clinton for the immediate families. The table was centered with a 100-year-old pedestal cake dish, loaned by Mrs. Clyde Burleson, and held the traditional wedding cake. The date also marked the 80th birthday anniversary of Samuel Amstutz of Britton, grandfather of the bridegroom, who also was present.

After a week's wedding trip to Washington, D. C., Mr. and Mrs. Amstutz will make their home on Pennington Road, near Macon.

The bride graduated from Edison Institute at Macon in 1943 and is employed by the Ford Motor Co., at Manchester. Mr. Amstutz graduated from Deerfield high school in 1942 and is engaged in farming near Macon.

LOCALS AND PERSONALS

Pvt. Wayne Filter has returned to his training base at Fort Campbell, Ky., after spending a ten-day furlough with his wife and his parents, Mr. and Mrs. Henry Filter. Mrs. Filter accompanied her husband to Fort Campbell.

Perry Hayden will show the film, "God Is My Landlord," Thursday evening, November 8, at the Glenwood Lutheran church, corner Monroe and Glenwood Ave., in Toledo. Sunday, November 11, he will speak at Crystal church of the Brethren, in Carson City, Michigan.

Mr. and Mrs. Herbert Murphy entertained at a family dinner Sunday honoring the birthday anniversary of her father, Reuben VanWinkle. The guests included Mr. and Mrs. A. R. Wonder and Mr. and Mrs. LaVern Wonder of Adrian, Mr. and Mrs. A. L. VanWinkle and family, Mr. and Mrs. Hugh Marks of Manchester, Mrs. Naomi Sallows and Mrs. Minnie Snellenberger.

Paul Branigin of Great Neck, Long Island, N. Y., spent the weekend with his parents, Mr. and Mrs. C. D. Branigin. He left Sunday for Chicago.

Mrs. Vira Bancroft spent several days in Chicago with her son, Charles Bancroft, recently.

Mrs. Robert Bonner, Mrs. Truman Rentschler, Mrs. Luther Wood, Mrs. Jennie Temple, Mrs. Lenore West and the Rev. Ronald Brunger were in Ann Arbor last week and attended the promotional meeting of the Woman's Society of Christian Service of the Methodist churches of the Ann Arbor District.

Mr. and Mrs. Forest Louden entertained at a co-operative chicken dinner Saturday evening the members of the tool room at the Tecumseh Products Co., at their home at Twin Lakes. The guests were Mr. and Mrs. Guy Seidel of Britton, Mr. and Mrs. Thomas Bridges of Adrian, Mr. and Mrs. farmer that does a considerable amount of flying.

From where I sit ... by Joe Marsh

"Talks Turkey" -Long Distance

Some people chuckled when Sonny Fisher rented a home recording machine to record the noise his flock of turkeys make.

"I sent the recording to a buyer for a super-market chain," Sonny said. "I told them 'My turkeys speak for themselves—listen to this record!' They not only took my birds, but bought the record!"

"Why did they want the record?" I asked him. "Very simple," he says. "They're going to play it over the loud speakers in their stores—and then an announcer on another record reminds the customers that turkeys are plentiful and a good buy."

From where I sit, it's not always smart to make fun of someone just because he does things a little differently. I think a glass of beer is the most refreshing beverage there is. You — or Sonny — may prefer something else. But who's to decide one's right and the other's wrong? Let's stay "on record" that everyone's entitled to his own tastes and opinions.

Joe Marsh

THE TECUMSEH HERALD

ONE HUNDREDTH FIRST YEAR—NUMBER 7 TECUMSEH, MICHIGAN, NOVEMBER 15, 1951 FIVE CENTS A COPY

Two Boys Admit Five Robberies

BURGLARIES AT DAIRY, HIGH SCHOOL AND THREE OTHERS NETTED OVER $500

Two teen-age boys, one 13, the other 14, were detained by police here Tuesday and confessed to five recent robberies that netted them more than $500.

The burglary that proved to be their downfall occurred Monday night at Tecumseh Dairy, West Logan street. There, entrance was gained by breaking a window. Over $500 in cash was taken from a drawer, police said.

The other robberies included: The Tecumseh high school on Sunday. John's Service Station, North Evans street, Sunday night. The Whelan Implement Co., and the Bike Shop. The latter two robberies occurred a few weeks ago.

Police Chief M. E. Clark said that one of the boys admitted the Dairy robbery, the high school, Whelan's and a fourth at the Bike Shop. The other lad, he said, confessed that he was involved in all of the robberies.

Police said that with the exception of a few dollars, all of the cash taken in the robberies had been recovered. Some of the tires and tubes stolen from the Bike Shop also were found. Candy taken at Whelan's was not found.

Police said that entrance to the high school was gained on Sunday by "picking" one of the locked doors. Once inside the boys found a pass key in one of the teacher's desks and from then on it was easy. Practically every room in the building was entered and ransacked. In one room, a Coca Cola machine was badly damaged, probably to the extent of $200.

The master key that the lads found unlocked all of the doors in the building except the superin-

(Continued on page 6)

To Study Scout Program Locally

LEADERS CONFER TONIGHT WITH NATIONAL REPRESENTATIVE FROM CHIGAGO

Forrest White, member of the field operations staff of the National Council, Boy Scouts of America, and Alvin E. Jones, Scout executive of Wolverine Council, will confer with a group of men interested in Boy Scouting in Tecumseh, this evening at 7:30, at the Fellowship Center of the Presbyterian church. Approximately two dozen men, some from Adrian and Monroe as well as Tecumseh, are expected to attend.

"Tecumseh has reason to be proud of its community spirit and especially its interest in its youth," Mr. Jones writes in a letter to the men urged to attend the meeting. "In order that we may continue what has so nobly been started and make available to more boys the program of Cubbing, Scouting and Exploring, we have invited Mr. White to be with us, so that we may better understand the program."

It is expected that Mr. White will present the program of Scouting, answer questions and lead in any discussions that the group may decide. There will be displays of Scouting literature and materials and a motion picture dealing with program planning will be shown.

Persons who have not received a personal invitation, but who are interested in the Scouting program locally, are welcome to attend.

Scout Cabin Ownership May Be Decided Soon

Who owns the Boy Scout cabin in Elliott park? Who is responsible for its care and maintenance and who decides for what purposes it may or may not be used?

These and some other questions regarding the cabin may be decided next Monday evening when a representative group from several clubs and civic organizations meet with the Village Council. It is understood that representatives from Rotary, Exchange, the Chamber of Commerce and the Community Fund have been asked to attend.

The issues regarding the cabin were raised a week ago when representatives of the Girl Scout Association of Tecumseh visited Council and asked that the cabin be repaired and properly maintained. At that time, ownership could not be established.

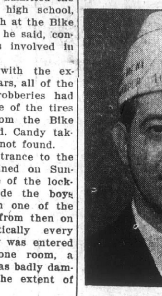
BROTHERS MEET IN KOREA . . . Three brothers meet in Korea for the first time in 17 months. All three are in the army and had a reunion near the battle zone. Left to right are Sgt. Robert A. Lambert, 25; Sgt. Richard E. Lambert, 20, of a heavy tank battalion with 15 months in Korea; and Fred A. Lambert, 23, from an infantry division. All are from fronton, Ohio. The site of their meeting was not disclosed by military authorities for security reasons.



THOMAS ROUMELL, department commander of the American Legion in Michigan, will be the speaker at the regular meeting of the Rotary Club, Tuesday evening at the Country Club. Mr. Roumell, a Dearborn lawyer, will be the guest of Vance Ogden. Born in Greece, Roumell distinguished himself in World War. II by participating in the initial assault landings at Leyte and Okinawa. He was a major in the infantry.

Mrs. Bert Lawrence, 76, Buried In Brookside

Mrs. Nellie Lawrence, aged 76 years old, wife of Bert Lawrence, died early Sunday morning at their home at 215 West Pottawatamie street, after four years illness. She entered Herrick Memorial Hospital November 2, but was returned to her home two days later and since that time had been critically ill. Mrs. Lawrence was the daughter of the late John and Mary Hastings, and was born in Tecumseh where she spent her entire lifetime. On January 19, 1898, she was married to Mr. Lawrence, who survives.

Mrs. Lawrence was a member of the Presbyterian church and of various societies as long as her health permitted. She also was an honorary member of the Maccabees.

Survivors besides her husband, Bert, is one sister, Mrs. Mary Miller of Coldwater. Her parents, three brothers, James C., Charles and John Hastings, and a sister, Mrs. Mattie Mosher, preceded her in death.

Funeral services were held Tuesday afternoon at 2 o'clock at the Green Funeral Home with the Rev. Donald C. Wilson officiating. Burial was in Brookside cemetery. The bearers were Clyde Bailey, LeRoy Titley, Glenn VanDenbergh, Duane Service, Thomas Hamilton, sr., and Frank Gray.

Chest Fund Is Lacking $1,400

COMMERCIAL AND INDUSTRIAL GIFTS EXPECTED TO PUT DRIVE OVER THE TOP

Although figures in the Community Fund books show that this year's drive still needs about $1,400 to put the campaign over the top, Ronald Harris, its director, said today that he could see no reason why the goal should not be reached.

"At the present time," Mr. Harris said, "we have $6,847 subscribed. Our goal here this year is $8,175, which means that we are lacking about $1,400. We still have industrial and commercial contributors to hear from and when these are reported I feel confident that we will be over the top."

Mr. Harris pointed out that the "wind up" of a fund drive usually lags as the clean-up squad gets under way. There are always call-backs, and this year, particularly in the residential sections, there were many. However, practically all residential block chairmen have reported, he said.

This year's Fund total was slightly larger than the one of a year ago. This was because the Fund's board this year allocated $2,000 to the United Health and Welfare Fund with its 28 participating agencies. A year ago, this Fund received only $600.

It was pointed out that more than 40 per cent of the $2,000 to be given to the United Fund will this year go directly to the USO to help care for young men and women from this area who are in service. The remainder of the money will be allocated to the other 27 participating groups.

At the local level, eleven agencies participate in the fund, including a $1,500 reserve that has been set up to care for future emergencies.

Elementary School Band Rehearsals Start Today

The elementary school band will hold its first meeting of the year on Thursday of this week, when a rehearsal schedule will be set up. Interest in the band is high among elementary students, who are looking forward to the time when they can join the high school band.

The band is part of the elementary music program under the direction of Robert Peck. A beginners' class in band instruments will be organized shortly as another feature in the program.

HERALD TO PUBLISH TUESDAY, NEXT WEEK

As has been its custom for many years, The Herald next week will be published on Tuesday instead of Thursday, because of the Thanksgiving Holiday. The early publication permits distribution of the newspaper before the holiday, and allows The Herald "family" to enjoy Thanksgiving at home.

Correspondents are urged to bear in mind the early publication date. Advertisers, too, are asked to cooperate by having their copy in the office not later than noon on Monday.

Tecumseh Tied For Grid Honor

INDIANS AND HUDSON SECOND IN LEAGUE PLAY; MORENCI IN FIRST PLACE

The second upset of the season for Coach Elven Duvall's Tecumseh high grid squad came last Friday evening at Blissfield when the Sugar Boys defeated the Indians by a score of 12 to 7 on a muddy, water and snow covered field. As a result of the loss, Tecumseh dropped into a tie with Hudson for second place honors in the Lenawee County Athletic Association.

Morenci high's Bulldogs won their 34th consecutive game and the fourth county title, Friday evening, by defeating the Hudson Tigers on a mud-soaked field at Hudson, 13 to 7. Hudson had been expected to show greater strength against Morenci but Marcus Cisco, highpowered sophomore for the Bulldogs, came through with two touchdowns for his school. This year, Cisco has scored a total of 162 points in grid play. He has a total of 26 touchdowns to his credit, and has added six extra points. His record is believed to be one

(Continued on page 6)

Rotary Club Hears of Need For Boy Scouts

The important role that Boy Scouting plays in the life of American youth and society was discussed, Tuesday evening, when Forrest White of Chicago, a member of the field operations staff of the National Council, spoke to the Rotary Club here. The program followed the club's dinner meeting at the Country Club.

Mr. White, in a 45-minute address, told of the growth of Scouting in America and declared that its function in any community largely depends upon the support and guidance it receives at the local level.

Guests at the meeting included Howard White of Monroe, a member of the Wolverine Council, and Al Knight of Adrian, also a Council member. Howard Diedrich, president of the Tecumseh Community Fund, and Mrs. F. K. Smith and Mrs. Richard Preston, members of the Fund board, also were present, as was Al Jones, Wolverine Scout executive.

CAR CATCHES FIRE

The fire department answered a call at 6:55 Wednesday morning to 739 N. Union street, when a car in the highway in front of that address caught fire. There was small damage. Firemen said that the blaze started from a short circuit.

School Hours Are Changed

HIGH SCHOOL AND ELEMENTARY STUDENTS GO ON NEW SCHEDULE, NOV. 12

A change in hours for the Tecumseh public schools was announced today by James McDowell, superintendent.

The new hours which become effective on Monday, November 12, are as follows:

Junior and senior high school students will report for their morning classes at 8:30 and the noon-recess will begin at 11:30. Afternoon sessions will start at 12:30 and will end at 3:30. Formerly, the high school hours were from 9 to 12, and from 1 to 4.

Earl Green, elementary principal, said that effective on Monday of next week, all grade students would observe these hours:

Morning sessions will start at 8:45 and end at 11:45. Afternoon classes will begin at 1 o'clock and end at 3:45. The only exceptions are the kindergarten, and grades one, two and three. For students in those grades, classes in the afternoon will be dismissed at 3:15.

Mr. Green asked that parents cooperate with children in the elementary grades by not sending them to school in the morning before 8:30, and not before 12:45 in the afternoon.

Mr. McDowell explained that the hour change was made for several reasons. First, he said, students in the high school participating in athletics found it very advantageous for classes to end at 3:30. This gives them an opportunity for practice sessions of two hours and still be able to get home in time for dinner.

Another compelling reason, McDowell said, was a desire to eliminate the crowding of the cafeteria during the noon recess. Under the new schedule, high school students will be able to go to the cafeteria at 11:30. Most of them will be through with their lunch before elementary students get there, about 12 o'clock. The superintendent said that the cafeteria is now feeding about 300 children each school day at noon.

Rural students also like the hour change, McDowell said, as do some village students who are working after school. In both instances it gets the children home or to their work half an hour earlier than at the present time.

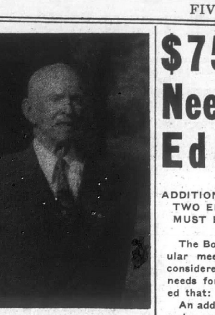
32 Christmas Boxes Sent To Men Overseas

The regular meeting of the V.F.W. Auxiliary was held Thursday evening with Mrs. Frank Daehne presiding. Mrs. Max Brandt, chairman of the overseas gift boxes, reported sending 32 Christmas boxes to service men overseas. Greeting cards also will be sent.

The auxiliary voted to send $5 to the Nation Home for the children's Christmas party and to furnish a Thanksgiving basket for a needy family through the Tecumseh Service Club, if needed. Mrs. John Braden was named chairman from the auxiliary for the joint Christmas party with the post. White material for cancer pads will be furnished to the Scout troop, sponsored by the Auxiliary. Mrs. Robert French served refreshments after the meeting.

THANKSGIVING SERVICE

St. Peter's Episcopal church will observe Thanksgiving Day with two celebrations of the holy communion, one at 7:00 a.m., and the other at 9:00 a.m. At those services the worshippers will render a Thanksgiving to Almighty God for the fruits of the earth and all the other blessings of His merciful providence, to them and all men.



CHARLES F. KEMP, aged 93 years, oldest member of the Presbyterian congregation in Tecumseh, was honored last week by being presented with a life membership in the Men's Club. Mr. Kemp is now in Florida, enjoying his annual winter vacation.

Aged Resident Gets Club Honor

PRESBYTERIAN MEN'S CLUB GIVES LIFE MEMBERSHIP TO CHARLES F. KEMP

Charles F. Kemp, 115 South Maumee street, a member of the Tecumseh Presbyterian church since 1896, was honored last week Wednesday evening by the Men's Club when he was presented with a life membership in the organization. Mr. Kemp was not present at the meeting, held in the Fellowship Center. He left a few days earlier for his annual winter vacation in Florida.

Mr. Kemp, aged 93 years, is the oldest member of the Presbyterian congregation. He was active as an elder of the church until 1947. Mr. Kemp has lived in Tecumseh for more than half a century, having moved here from a farm near Tipton. He is a graduate of Adrian High School and for a time taught school at what is now known as the Pink School west of Tecumseh.

The award to Mr. Kemp was presented by John Saling as a highlight of the program that included the receipt of the Men's Club charter, making the local

(Continued on page 7)

Unlocked Jail Door Fails To Hold Prisoner

There's nothing wrong with Tecumseh's jail—if the door is locked.

That is one of the reasons why police here will, in the future, be sure that the door is locked when a prisoner is inside.

Last Sunday evening, it seems, Silas Smith, 21, of Adrian, was detailed by local officers and held for Adrian police for investigation. He was locked in the jail at police headquarters—that is, the front door was locked.

But someone had forgotten to lock the other door on the cell block. The cell recently had been repaired and redecorated, police said, and had not been carefully inspected after the work had been finished.

In any event, Silas discovered that the door was not locked. In ten minutes after he had been jailed, he was a free man.

And, according to Chief M. E. Clark, he's still a free man. At least his whereabouts in this area are unknown.

Scouts To Baby Sit While Mothers Shop

The Girl Scout Association met Wednesday evening in the Scout Cabin with 18 members present. The meeting opened with an investiture service for new leaders, co-leaders nad committee-women conducted by the president, Mrs. Wallace Rutherford. Those invested were Mrs. Gilbert Nighswander, Mrs. Gerald Griffin, Miss Pat Davis, Mrs. Albert Mers, Mrs. Harry Crosby and Mrs. Elmer Buehrer.

It was announced that the Girl Scout Nursery for Christmas shoppers will again be open this year, December 21 and 22 at the Methodist church under the direction of Mrs. Wellington Wotring. This is a community project begun by the Girl Scouts last winter. It is hoped that women will take advantage of the girls' offer to care for children at the church while their mothers shop.

Association officers will entertain leaders and committee-women at a potluck supper at their next meeting in February.

Gone deer hunting Nov. 14-29 incl. Office open for collections and refills. R. F. Helzerman, M.D. adv. 11-29

$750,000 Needed For Education

ADDITION TO HIGH SCHOOL, TWO ELEMENTARY SCHOOLS MUST BE BUILT HERE

The Board of Education, in regular meeting Tuesday evening, considered Tecumseh's school needs for the future and decided that:

An addition of four class rooms and a gymnasium should be added to the new $500,000 high school and completed by the fall of 1952.

Construction of a seven-room elementary unit on the site recently purchased on North Union street should be completed by the fall of 1953.

The Central School, (formerly the high school), should be completely converted to elementary school purposes by the fall of 1952.

Sanitary conditions at the Brownville school should be improved by the fall of 1952.

A seven-room elementary school should be built, probably on South Adrian street, and completed by the fall of 1954.

Brownville school then should be closed if there is no further increase in enrollment.

What the cost of these projects would be, the board could not say. Accurate plans, specifications and estimates from architects have not yet been obtained. In round figures, however, it was estimated that the expansion program probably would cost $750,000.

The board's serious consideration of the building program fol-

(Continued on page 7)

Union Thanks Services Here

PROGRAM WILL BE FROM 10 TO 11 A.M., AT METHODIST CHURCH, THURSDAY

Tecumseh's Union Thanksgiving Service will be held this year in the Methodist church from 10 to 11 a.m., Thanksgiving morning. The preacher this year is the Rev. Edward Escolme. Rev. Ronald Brunger will preside, assisted by Rev. Donald C. Wilson and the Rev. A. S. Dimbatt.

The participating churches are the Baptist church, St. Peter's Episcopal, Presbyterian, Assembly of God, Friends and the Methodist. The offering will be used for the work of the local ministerial association.

The public is cordially invited to attend the service of worship on Thanksgiving Day, in keeping with the original spirit of Thanksgiving.

Methodist Men Plan To Organize New Club

A men's supper was served by the Women's Society of Christian Service at the Methodist church, Wednesday evening, November 7, to twenty-one men. The program included round-the-table singing led by the Rev. Ronald Brunger, and the showing of three conservation films, "Michigan Moose," "Timber Harvest," and "The Porcupine Mountains State Park." A discussion followed.

The men expressed their desire to have a men's Bible class in the Sunday School and voted to organize a Men's Club. A nomination committee was appointed composed of George E. Green, Edward Beal, and Wilfred Waldron to report at the next meeting, which will be held on December 5.

TONNEBERGER ON TV

Thomas J. Tonneberger, organist and director of music at Augsburg Lutheran church, Toledo, will be in charge of music for Television Chapel Sunday, November 18, at 1:30 in the afternoon over channel WSPD. The program will include mixed and male quartettes accompanied by Mr. Tonneberger at the piano. He also will play several solo numbers. This will be one-half hour program.

GETS JAIL SENTENCE

LeRoy Davis, Tecumseh, who a week ago pleaded not guilty to a drunk-driving charge in Justice Robert French's court, changed his plea to guilty on Saturday. He was sentenced to pay a fine of $50, costs of $8.60 and to spend 10 days in the county jail. The arrest was made by local police.

IT MIGHT INTEREST YOU TO "LOOK UP" ON YOUR EVENIGS OUT

If You Are A Star-gazer, November Nights Holds Lots Of Thrills

Jupiter, which has been the bright spot in the eastern sky each evening for the past two months, will get ever brighter during November.

The largest of all our planets will reach the closest point to the sun which it attains during the eleven years Jupiter requires to circle that flaming body, according to Hazel M. Losh, assistant professor of astronomy at the University of Michigan.

Jupiter has gained added interest this year since its twelfth satellite was discovered on Sept. 29 with the 100-inch telescope at Mt. Wilson. The new satellite is so faint that it appears only one four-hundred-millionth as bright as the planet itself, Professor Losh reports.

White Jupiter will command attention for those who confine their observation of the sky to the evening hours there will be an interesting array of planets for anybody who chooses to take a look between 3 and 4 a.m. Mars, Venus and Saturn will stand almost in a vertical line, Professor Losh says.

Mars, a red planet, will be the first to peer over the horizon almost exactly at the east point, followed shortly by the rising of the brightest of the planets, Venus, which in turn will be followed by Saturn. After 5 a.m. on Nov. 21, however, the order will change and Saturn will precede Venus. At that hour and on that day, Venus will pass only one-half of a degree south of Saturn and this conjunction should be a notable planetary sight in the morning sky.

By the end of November, the sun will have reached within two degrees of its most southerly position south of the equator and the length of the daytime hours will be cut to approximately nine hours.

The eastern sky will be full of interesting constellations during the month. Among these will be Perseus, really an easy one to identify and yet not too well known, according to Professor Losh. This constellation starts with a small triangle near Cassiopeia, the great "W" in the high northeast sky, and continues as a zig-zag row of stars extending to the Pleiades, a smaller cluster of stars which rise almost at the east point.

The central and most prominent star of Perseus lies in the curving line of stars and may be quickly spotted, the University astronomer reports. But one of the most famous and best known of all the stars, Algol, or The Demon, lies out to the right of this brightest spot in Perseus.

The Arabs, who named The Demon, regarded it as a sign of evil since the star appears to blink. Actually the change in brightness is now believed to come from a less bright companion star of The Demon which revolves around it and thus periodically comes between it and the earth, shutting off part of its light.

The change in light is visible with the naked eye, Professor Losh says. The light remains constant for about two and one-half days, then it grows dimmer for four or five hours and requires an additional four or five to regain its former brightness.

What Is Your Interest In Taxes?

Maybe you are an "average" wage-earner, making a salary of $5,000 or less a year. If you are in that class—and there are millions who are—what is your interest in taxes? Do you have a personal interest in government economy?

If you think that the new tax law that went into effect the first of November was a "soak the rich" piece of legislation, you have another guess coming. You may be one who has held that you can always "soak the rich" more and more, and so it won't hurt the average fellow very much, even though government costs keep on climbing and new schemes to "give something for nothing" are inaugurated.

But here is a surprising thing. The U. S. News & World Report says that "government . . . would reap less than $11,000,000,000 more if it expropriated all personal incomes over $25,000." That means that there is only eleven billion dollars more in cash to be drained off through taxes even though the government took every cent that anyone made over $25,000 annually.

"It is to levels below $25,000 that tax planners are looking for any new revenues that are proposed after the 1951 increase," the Report says. "Individuals who earn $10,000 to $25,000 a year have a total of more than $16,000,000,000 left after Federal taxes. People with incomes of $5,000 to $10,000 have an aggregate of nearly $32,000,000,000 left. And individuals with incomes of less than $5,000 have a total of more than $90,000,000,000 left over."

Read that statement once more. About two-thirds of all the money left after taxes is in the under-$5,000 income bracket. And it is that money which new taxes must bite into deeply if the government is to increase its income.

The old theory that it is all right to "soak the rich" by way of taxes is truly an "old" theory. There's not enough money left in the "rich" incomes to make it worthwhile for the government to "soak" that class. The real money is in the under-$5,000 group—that's where there is $90,000,000,000.

If you are a so-called small wage earner—if you earn $5,000 or less a year—think it over. Do you think that it is time for government to economize? Do you think that the crack-pot schemes of handing out free money for this or for that—or for not doing this or that—should be perpetuated?

There's only one way that this condition can be corrected. There must be a change in top government. Voters will be given that opportunity in 1952.

Who Cleans The Snow Off Your Sidewalk?

How much would it be worth to you to have the snow cleaned off your sidewalk after every snowstorm?

Do you think that pedestrains are as good as motorists, and that they should be given equal consideration with the motorists?

If you do think so, then we'd like to say to you that the pedestrians are not getting an even break—come ice or snow. Last week's snowstorm was an outstanding example of what we mean.

As quickly as a few inches of snow had fallen, trucks and scrapers from the State Highway Department and the Village Street Department were on the job cleaning the highways.

Did you see any State or Village trucks or scrapers cleaning the sidewalks?

We realize that it is important that the highways and the streets be kept open to traffic. We understand full well the importance of snow-free streets. However, we also believe that it is important that the sidewalks be kept clean, and we can see no reason why the government should take it upon itself to clean the highways and neglect the sidewalks.

Some folk may say that trucks and cars pay taxes to maintain and repair the roads. So what? Don't property owners pay taxes for public services?

In some communities, sidewalks are kept free of snow by local government. We don't know how much it costs to do the job in these towns, but in Tecumseh we doubt that the expense would be more than four or five thousand dollars a year, perhaps less. If this amount was added in taxes, it would cost the average homeowner less than $5 a year..

The average pedestrian, it has been said, is a motorist who has found a place to park his car. All of us, at some time or another, are pedestrians. And few of us like to wade snow and water up to our knees as we walk along the sidewalks.

The Village Council probably will do nothing about sidewalk cleaning unless residents, themselves, demand the service. But we truthfully think that it is a service that should be had, and one that could be had economically.

When we're a pedestrian we're just old-fashioned enough to believe that we are just as good as the fellow in a car. And we can't see why his path should be cleaned and our's neglected.

Michigan State Police Looking For Recruits

Young men intereste in joining the Michigan State Police will have an opportunity for an interview with Sergeant Claude Bartell, commander of the Clinton post, in his office between 8 a.m. and 8 p.m., Monday, November 19.

"This time is being set aside especially to answer questions and help candidates fill out their application blanks," Sergeant Bartell said.

"Candidates may apply for enlistment at any time, but a special recruiting effort is now being made in preparation for a State Police training school session which will open in the near future. It is an excellent opportunity for young men to join the department."

Applicants must be between 21 and 30 years of age, inclusive, physically fit and have a high school education or its equivalent. Married men as well as single are accepted.

The purpose of this campaign is to fill present vacancies and to provide a basis for an employment register in the future.

The State Police is regarded as a career service and offers subsistence in addition to salary, civil service employment security, paid vacations, sick leave and a pension. In addition, the State Civil Service Commission is meeting this month to decide upon a salary increase. State Police work is not only interesting, but promotions are based on merit.

Candidates will find it advantageous to call at the post, Sergeant Bartell said, but if this is not possible they can also obtain information and application blanks by writing to the State Civil Service Commission or the Michigan State Police at Lansing.

CHURCHILL NAMES WOMAN TO CABINET

London—Winston Churchill has named the only woman minister in his new administration—Miss Florence Horsbrugh, who becomes Minister of Education.

Miss Horsbrugh, a member of Parliament for 21 years, made history when she became the first woman member of Parliament to move the vote of thanks for the throne speech when King Edward VIII (now Duke of Windsor) opened his first and only Parliament in 1936.

She was a junior minister in Mr. Churchill's wartime coalition. No reference book gives her age, but she was an ardent social worker in World War I.

GI HOSPITALS WARNED OF SOCIALIZED MEDICINE

Frenche Lick, Ind.—The Association of American Medical Colleges urged that veterans hospitals stop treating veterans who are able to pay for nonservice-connected illnesses.

The association composed of deans of medical schools, expressed concern that the practice of providing hospitalization to all veterans in bringing in "socialized medicine" through the back door.

Low-Down on a high-powered Performer

Let us tell you this:

The Buick pictured here packs more power than you find in any other car of its size and room and price.

That's the power of Buick's newest high-compression valve-in-head eight—the F-263 Fireball Engine, that really gets miles from a gallon of gas.

Add to this the fact that it tips the scales at 3817 pounds curbside—and you begin to see why this big-powered beauty is such a nimble-footed number out on the road.

But that's only Chapter I of the performance story.

There's a big-car feel to the way this trim traveler covers the ground—hugs the curves—holds its course on the straightaway—smothers the bumps with its big soft coil springs on all four wheels.

There's big-car room inside—six-passenger room—headroom, hiproom, shoulderroom, kneeroom, front and back.

Come in, look it over, and we think you'll agree—it's big in everything but price.

And that's where it really shines. If you've shopped around you'll know what we mean when you read the price tags, and what they include in the way of standard equipment that shows up as "extras" on so many others. Such things as an oil filter, air cleaner, vacuum booster, built-in summer ventilation are all yours at no extra charge.

It's hard to believe but it's true. If you can afford a new car, you can afford this Buick at the prices we're quoting today.

Better come in and look this smart buy over.

Equipment, accessories, trim and models are subject to change without notice.
**Standard on ROADMASTER, optional at extra cost on other Series.*

HOLLOWAY

The Kelly School P.T.A. invited the Holloway School P.T.A. to their meeting last Friday evening. The entertainment committee included Mr. and Mrs. Arthur Lewis, Mr. and Mrs. Howard Swift and refreshments were served by Mr. and Mrs. Clarence Haughn and Mrs. Annabelle Finnegan. Kelly School members furnished sandwiches and donuts.

The West School P.T.A. District 9 held their meeting Nov. 12 instead of Nov. 9. The refreshment and entertainment committee included Mrs. Sam Mitchell and Mrs. Milton Opel.

The Holloway Mothers Club met Wednesday, Nov. 14 instead of Tuesday, Nov. 13 as announced. The meeting was held with Mrs. Gail Austen.

At the special congregational meeting at the Holloway Presbyterian Church, it was voted to continue church services at 10 a.m.

The Raisin Sewing Circle met Friday afternoon with Mrs. Florence Gafner with 22 members present. Plans were made for the next meeting which will be a Christmas party with dinner, exchange of gifts and revealing of the secret sisters and will be held with Mrs. August Marks. Refreshments were served by Mrs. Gafner to those present.

Mr. and Mrs. Hugh Mitchell and son Ted, Mr. and Mrs. Sam Mitchell and Miss Ruth Procknow of Wellsville accompanied Pfc. Tom Mitchell to Niles where he left for the West Coast last week. Tom had been at home for a 15 day leave from Sheppard Field, Texas.

Mr. and Mrs. Leroy Andrews have returned to their home in Detroit after spending a month with their daughter and family, Mr. and Mrs. Charles Stewart.

Mrs. Elmer Harper has received a call from her son Pvt. Lyle Harper who was inducted into service that he is stationed at Fort Custer.

TO MEET WEDNESDAY

The Woman's Association of the Presbyterian church will meet Wednesday evening, November 21, at 8 o'clock in the Fellowship Center of the Presbyterian church. Mrs. James Barton is chairman of the program and Mrs. Winifred Bates the devotions. Mrs. Ralph Helzerman is to be hostess chairman.

LOCALS AND PERSONALS

Mrs. Grace Coffey who is visiting her son and wife, Mr. and Mrs. Robert Coffey in Detroit, fell last week and broke her left arm at the wrist.

Mrs. Susie McHenney of Daytona Beach, Fla., is recovering from virus pneumonia at the home of her daughter and husband, Mr. and Mrs. James Tonneberger.

Mr. and Mrs. William Rhoades of Macon entertained at a birthday dinner Sunday evening honoring their son, Jerry, who was observing his 9th birthday. A decorated birthday cake centered the table. Guests were Mr. and Mrs. Harvey Dinse, Mr. and Mrs. Bert Filter, Mr. and Mrs. Gordon Greiman and family and Mr. and Mrs. John Riley and sons of Adrian. Jerry was presented with gifts.

Mr. and Mrs. Wellington Wotring and daughter Carol Ann and his parents, Mr. and Mrs. Ruhl Wotring of Palmyra left Wednesday for a few days hunting at Farwell, Mich.

Waldo Mohr, Robert Mohr, George Bailey and Lynn Lewis left Monday for the north woods, deer hunting.

Week-end guests of Mr. and Mrs. Joe Springer were Mr. and Mrs. William Septrion and Mr. and Mrs. Walter Simon of Detroit.

MUSIC CLUB TO MEET

The regular meeting of the Tecumseh Music Club will be held Tuesday evening, November 20, at 8 o'clock at the home of Mrs. Thomas Gallant on South Adrian Road.

BEING AHEAD IS AN OLD HAYDEN HABIT...

Through the years Hayden's have introduced many advances and services for the farmers of Lenawee County.

Paper Bags are just one example. Yes, 50 lb. paper bags for poultry and stock feeds have made chores much easier—the children can now handle chicken feeding.

Constant advancement in all feeds — being one of the first to include Vitamin B 12 and antibiotics — is indelibly a part of the Hayden record. Hayden's patrons have benefitted and prospered thereby.

Hayden's are open 6 days a week — closed Sundays.

Miss Melva M. Allen Is Bride of Richard Watkins

St. Elizabeth Catholic church was the scene of a lovely fall wedding, Friday, November 9, at high noon when Miss Melva Margaret Allen of Ann Arbor, daughter of Mr. and Mrs. Melvin Allen of 1900 Davitt St., Saulte Ste. Marie, and Richard Duane Watkins, of Ann Arbor, son of Mr. and Mrs. Marvin Watkins of Tecumseh, spoke their marriage vows. The Rev. Father Michael Collins performed the double ring ceremony before an altar decorated with baskets of yellow and white mums and lighted candles.

The bride, given in marriage by her father, chose a Chantilly lace gown with illusion neckline and tucked bodice. Chantilly lace over the double net skirt formed the train, and the long sleeves, also of lace, extended in points over the wrists. She carried a colonial bouquet of white gardenias. Joan Beyreuther, as maid of honor, and Barbara Bray, as bridesmaid, wore identical gowns of white Chantilly lace with illusion neckline, fitted bodice, and double skirt of white net. Their headbands were of hand rolled net and each carried a colonial bouquet of yellow and white daisies and mums centered with yellow rosebuds. Avetta Porretta was the flower girl. She wore an all-white gown with a taffeta bodice, and net-over-taffeta skirt. She carried yellow daisies centered with white gardenias.

Mrs. Richard Watkins

Mrs. Richard Jennings, organist, played nuptial music and accompanied Beverly Pioch who sang, "Ave Verum Corpus," and "On This Day, Oh Beautiful Mother." James Grost attended Mr. Watkins as best man and James Bologna was an attendant. The ushers were George Porretta and Kenneth Maves.

Mrs. Allen chose for her daughter's wedding, a floor length gown of light blue with lace bodice and crepe skirt. Her corsage was of pink roses. Mrs. Watkins, the groom's mother, wore a floor length gown of rose beige lace and a corsage of pink roses and violets.

A reception was held from 2 to 4 p.m. at the Tecumseh Country Club for 150 guests. Mr. and Mrs. Ray Sluyter and Mr. and Mrs. Archie Porter were hosts and hostesses at the Club. Decorations were carried out in yellow and white and the bridal table was centered with a four-tiered wedding cake topped with a colonial bouquet of gardenias and roses. The cake was encircled with yellow net, satin ribbon and irridescent green fern. Inge Kuehl cut the cake, Barbara Lockridge and Beverly Carmon were at the punch bowls. Mrs. Gertrude Golat and Patsy McIntosh poured coffee. Mrs. Ralph Helzerman assisted in serving. Mrs. Edward Solarski was at the guest book. Guests were registered from Saulte Ste. Marie, St. Ignace, Detroit, Toledo, Adrian, Ann Arbor, Kalamazoo, Ypsilanti and Tecumseh.

For traveling the bride changed to a powder blue crepe dress with navy and white accessories and a corsage of pink rosebuds. Mr. and Mrs. Watkins spent the week-end in Toledo and are residing at their home, 3331 Dixboro Rd., Ann Arbor. Mrs. Watkins is a graduate of Saulte Ste. Marie high school, the University of Michigan School of Nursing and is employed at the University hospital. Mr. Watkins is a graduate of Tecumseh high school and Albion College and is now a medical student at University of Michigan.

Self Employed Face New Taxes

MUST PAY 2¼ PER CENT ON $3,600 OF INCOME FOR SOCIAL SECURITY

Self-employed persons were urged today to check up on their social security cards. Those who have never had social security numbers, or who have lost their cards, should get in touch with the nearest social security office without delay, according to Sidney Laurens, Jackson manager.

Laurens pointed out that the law passed by Congress in 1950 brought self-employed under the provisions of old-age and survivors insurance this year for the first time. Coverage for self-employment is mandatory, not optional. Unlike the employed person, the self-employed reports his own earnings on an annual basis. Most of them will make their initial social security returns with their 1951 income taxes. The 2¼ tax will apply to the net earnings up to $3,600, making a maximum tax of $81.

"The social security number will be extremely important," Laurens said, "since that will enable us to credit the earnings to the individual's account. Otherwise, he will lose out on the credits which will later qualify him and his family for old-age and survivors insurance benefits."

Those self-employed who have numbers issued in connection with previous employment should use the same numbers. If they have lost their cards, they should apply for duplicates. Nobody should have more than one number.

Laurens stated that all self-employed are now covered except the following specified occupations: farm owners and operators, physicians, lawyers, dentists, osteopaths, chiropractors, naturopaths, optometrists, veterinarians, architects, public accountants (certified, licensed, registered, or full-time), Christian Science practitioners, professional engineers, and funeral directors.

Public Health Magazine Answers Many Questions

Who is responsible for sending the sick child home from school? Who is responsible for his isolation and quarantine? What do you do when impetigo, ringworm, itch headlice or pink eye break out in a school?

These are some of the questions discussed in the October issue of Michigan Public Health, official magazine of the Michigan Department of Health, now being distributed.

Suggestions for making high school football a safer game; for teaching gun safety to youngsters; for recognizing heart disease in youngsters, for formation of a school health council, and for the observation of health conditions of boys and girls are also included.

An article by the Michigan State Police tells that school children are in greater danger from traffic accident after school in their free time than they are enroute to or from school or while they are at school.

Colds, posture, first aid, cerebral palsy, mental health and educational motion pictures are among other topics discussed.

Copies of the October issue or a year's subscription to the magazine can be obtained from the Michigan Department of Health at Lansing.

ISRAELI CABINET SHELVES CONSCRIPTION OF WOMEN

Jerusalem—The Israeli Cabinet has decided to shelve the controversial women's conscription bill amendment. It provided that girls who object to military service on religious grounds would have to serve for a corresponding period in such nonmilitary work as agriculture, nursing, or teaching. This proposal provoked strong protest in Jewish orthodox circles in Israel and abroad and led to the breakup of the previous coalition cabinet.

The Tecumseh Herald

P.T.A. Considers Busy Program

PARENTS HEAR OF SCHOOL'S GRADING SYSTEM AND PLANS FOR FUTURE EXPANSION

The Tecumseh Parent-Teachers Association met Thursday evening in the cafeteria of the new high school.

Mrs. Ronald Harris presided at the business meeting. The committee reported 331 paid memberships when the drive closed last week. Mrs. Lee Purkey and Mrs. Rhae Henkel in charge of a used clothing project, (shoes, footwear and underwear) reported that there is still an urgent need here for these articles. The committee members are at the Central building each Wednesday afternoon to receive the clothing, and with the teachers' assistance it is distributed to the needy.

Mrs. George Anderson, program chairman presented the program the topic of which was "Understanding the Educational Program of Our School." Delmar Crist of the high school faculty, introduced Arthur Swartz, ninth grade teacher; Benjamin Standen, tenth, and David Dick, twelfth, who explained the aptitude and personality tests. Mr. Crisp, in the absence of Douglas Murdoch, eleventh grade teacher, gave Mr. Murdoch's report.

The fusian method of teaching English and social studies was then explained by Mrs. Annabel Finnegan, who was introduced by Neville L. Hart, high school principal. She explained that while this system is still in the experimental states, pupils show much enthusiasm. Mr. Hart spoke briefly on the specifications and eligibility for scholarships and on the new type report cards being used in the junior high school. Letters were sent to parents and were returned showing 89 per cent in favor of the new system, he said. Blanks were sent out for each study, including scholastic marks according to position in total class membership. These are based on the scale of A, for superior; B, above average; C, average; D, below average; E, failure, and I, incomplete. The forms also give a description of the child's progress in grade relationship and fundamental knowledge and skills. The scale is: O, for outstanding, more than expected; S, for satisfactory, all expected; and U, for unsatisfactory, not all expected. These cards are issued at six-week intervals.

James McDowell, superintendent, spoke on "How the Schools Will Take Care of the Influx in Population." The building of the new elementary school on North Union street was discussed and a recommendation read from the state superintendent. The board of education recently voted to purchase land for the new school.

The program included selections by the Central school glee club of 44 voices under the direction of Robert Peck, and the Wesleyan Singers of the Methodist church, directed by Mrs. Arthur Swartz. Refreshments were served by the room mothers of the second and third grades. Those assisting were Mrs. George Elliott, Mrs. James Gabler, Mrs. Ellis Honeycutt, Mrs. Leo Bishop, Mrs. Gerald Osworth, Mrs. Richard Roe, Mrs. Floyd Shirley, Mrs. Clyde Locker, Mrs. Harlan Dicks, Mrs. Robert Bonner, Mrs. W. S. Britton, Mrs. Joseph Poley, Mrs. Lee Irelan, Mrs. Victor Peterson, Mrs. John Harrison, Mrs. R. VanValkenburg, Mrs. Robert Smith, Mrs. Harold Green, Mrs. Gerald Dunn, Mrs. C. O. Squires and Mrs. Robert Grigg.

LUNCHEON CANCELLED

Next week's one o'clock luncheon at the Tecumseh Country Club, Wednesday, November 21, has been cancelled because of Thanksgiving week. Hostesses for Wednesday, November 28, are Mrs. Allen Russell, phone 662J, and Mrs. Donald C. Cobb, phone 350. Reservations are to be made not later than Tuesday noon.

Peace Topic Discussed At Monday Club Meet

Mrs. Thomas O'Hara was host to the Tecumseh Monday Club in her home, Monday, with 40 members and guests in attendance. Mrs. John Quigley, Mrs. Lillian Cannon and Mrs. Floyd Barrett were accepted into membership.

Mrs. R. W. Bonner was the program leader and introduced Orval Minney who gave an interesting talk on the topic, "We Cry for Peace." Neil O'Hara played two piano solos and Raymond Puffer entertained with trumpet solos.

After the program tea was served from a lace covered table centered with chrysanthemums with Mrs. Lynn Hubbard pouring. The co-hostesses were Mrs. Clarence Beach, Mrs. Ronald Harris, Mrs. Clare Beland, Mrs. Sidney Wilson, Mrs. Robert McCoy and Mrs. Percy Hand.

The November 26 meeting will be held at the home of Mrs. Will Swick.

DAUGHTERS TO MEET

The Daughters of St. Peters of St. Peter's Episcopal church will meet on Tuesday, November 20, with Mrs. Glenn Driscoll. Dessert will be served at 8 p.m.

Tecumseh Tied

(Continued from page 1)

of the highest in the state if not the highest.

The first half of the Blissfield game was definitely in favor of the Sugar Boys. During the first quarter neither team scored but in the second stanza the hosts marked up two touchdowns. Dee Stucker was the aerial artist that accounted for the first marker. He tossed a pass that was good for 22 yards, leaving the ball on Tecumseh's 18. An end play completed the action. The Sugar Boys second marker also was made on a pass-play. The conversion failed.

Tecumseh scored its lone touchdown during the last 10 seconds of play in the final quarter. The ball was at midfield when Blissfield attempted to pass. Lynn Hunt, Indian fullback, intercepted and dashed through for the touchdown. Wayne Patton, with a second to go, ran the extra point.

Two Boys Admit

(Continued from page 1)

tendent's office, which has a specby breaking a window, and $5 in ial lock. This office was entered cash was taken. The vault in the office was not molested. A special key that controls the public address system was taken.

At John's Service Station entrance was gained on Sunday night. In this robbery, $40 was stolen. This robbery happened after 8:30.

Police released one of the lads to relatives and the other was taken to the detention home in Adrian. Both will appear before the probate court for a disposition of their case.

Chief Clark said that the Dairy robbery proved the boys' downfall because one of them returned to the Dairy on Tuesday morning. He ordered ice cream and acted strangely. Officers followed him and finally took him into custody for questioning. He confessed.

State Police from Clinton assisted local police in the robbery investigation.

CUB PACK SPONSORS GOOD WILL PROJECT

Pack committeemen and den mothers met Monday evening in the Baptist church and completed plans for the pack meeting Monday evening, which will be held in the Central building auditorium. The pack is again this year continuing the Christmas good will project, and has asked all Cub Scouts to bring a discarded toy Saturday afternoon to play rehearsal, Monday evening to the pack meeting or to their den meeting next week. The toys will be repaired if needed and given to needy families at Christmas.

W. C. T. U. MEETS

The W. C. T. U. met in the Friends church, Tuesday afternoon. Mrs. Jessie Brown presided at the business meeting. One new member was accepted. Mrs. Howard Everhart, program chairman gave a report on the convention held in Ann Arbor in October. She attended all of the sessions. The county convention will be held November 27 at the Rollins Friends church with sessions in the morning and afternoon. The Union is again sending Christmas gifts to soldiers in service.

GOOD CHEER CLASS

Mr. and Mrs. Floyd Bryan entertained 31 members of the Good Cheer Class of the Baptist church, in their home, Friday evening. The class voted to furnish candy for the church Christmas tree. For the program, E. H. McConnell entertained the group with colored pictures of a recent trip through the New England states and Canada. Refreshments were served following the program.

DEPENDABLE CIRCLE

The Temple Dependable Circle of the Methodist church will meet in the church parlors Wednesday afternoon, November 21, at 2 o'clock for its regular meeting.

Local—Clubs—Social ACTIVITIES

Mr. and Mrs. Vic Humble left Tuesday for the northern woods, deer hunting.

Mr. and Mrs. Walter Dailey in company with relatives left Saturday for Drummond Island for three weeks deer hunting.

Salon 127 of the 8 & 40 met Monday evening in Adrian with Mrs. Fred Westfall. Members from Tecumseh who attended were Mrs. Albert Bagshaw, Mrs. O. W. Laidlaw, Mrs. Lyman Curtiss, Mrs. Charles Howe and Mrs. Ray Sluyter. The next meeting will be the Christmas party and will be held December 10 in the Tecumseh American Legion Home.

Jens Touborg, C. M. Brown and C. O. Butler will leave tonight for a brief hunting trip at Spider Lake, Hayward, Wisconsin.

Week-end guests of Mr. and Mrs. Kenneth Davison were Miss Margaret Case and James Case of Detroit. Sunday morning they left for Howe, Ind., to visit Cadet Kent Davison. Cadet Davison is planning to spend the Thanksgiving recess with his parents, Mr. and Mrs. Kenneth Davison.

Wednesday guests of Mrs. Kenneth Davison were Mrs. Kenneth Rumohr and Mrs. Jack Parsons from Addison who were guests of Mrs. Davison at the Tecumseh Country one o'clock luncheon. Mr. and Mrs. Rumohr recently moved to Addison from Detroit.

Dr. E. E. Davis is a patient in University hospital, Ann Arbor, where he was taken Thursday, after suffering a gall bladder attack. His condition is improving.

Mrs. Don Wright fell on the front porch of her home, Saturday morning, and sprained one of her ankles. She and Mr. Wright, who is ill, were taken to Herrick Memorial Hospital. She is convalescing satisfactory.

Tecumseh Cub Scouts Will Present Tableau

Pack No. 4 of the Tecumseh Cub Scouts will meet Monday evening, November 19, at 7:30 in the auditorium of the Central building instead of the Baptist church. A tableau, "Strong For America," will be presented with nine dens taking part. Girl Scouts and Brownies also have been asked to participate in the program.

An attendance award will be presented for the den having the highest percentage of parents present. Each den will have a display section in the hall.

There will be a rehearsal for Cub Scouts taking part in the program for the Pack meeting Monday evening. Scouts are to meet in the Central building auditorium Saturday afternoon at 2 o'clock. It is very urgent that all Cub Scouts be present for rehearsal.

Aged Resident

(Continued from page 1)

chapter a part of the National Council of Presbyterian Men. The charter was presented by Ruel VanWert of Jonesville, and was accepted by Albert Williams, vice-president of the club.

The guest speaker was Lloyd Collins, president of the Michigan Synod Council of Presbyterian Men and past president of the Interdenominational Laymen's Club of Detroit. He discussed the work of the council in its effort to bring men into a closer relationship with the church.

Twenty service men were made charter members of the club at another ceremony in charge of Al Merz. Two of these men, already discharged, were present at the meeting. They were William Aebersold, who returned last fall from Korea, and James Gabler, who had been in a camp in California.

The local Men's Club is now in its fourth year. The Presbyterian church here dates back to 1828, with 120 years of elderships in the church. Robert Ries is president of the club, and past presidents are Albert Williams, Ernest Green and J. C. Beardsley. Other officers now are Mr. Williams, vice-president; Clair Rozelle, secretary; Ray Puffer, treasurer; Wayne Pence and Al Merz, members of the executive board.

Last week's program also included: The invocation by Mr. Rozelle; welcome by Mr. Ries; song service with F. C. Dickinson in charge with Garth Hall as accompanist; M. G. Partridge as master of ceremonies; quartet selections by Mr. Dickinson, Mr. Williams, Mr. Hall and Arthur Swartz; benediction by Rev. Donald Wilson.

Christmas Meeting of D.A.R. To Be Held December 14

Mrs. Claire Beland entertained 28 members and guests when Abi Evans Chapter, Daughters of the American Revolution, met in her home, Friday evening. Mrs. Burtsel Claus, regent, presided at the business meeting and Mrs. Francis Stone acted as chaplain.

The Chapter voted to furnish two Norway maples to be planted on the lawn at Herrick Memorial Hospital. Mrs. Fred C. Dickinson was named as chairman of a committee to choose a Good Citizenship Girl from the Tecumseh high school.

Mrs. O. W. Laidlaw acted as program leader in the absence of Mrs. Hoyt Whelan. She introduced Mrs. Francis O'Rourke of Hidden Lake Gardens, who gave an interesting illustrated talk on the gardens.

Mrs. Winifred Bates, Mrs. Stone and Mrs. J. M. Artman were named as a nominating committee, to report at the next meeting.

After the program tea was served from a lace-covered table, centered with yellow and white chrysanthemums and lighted candles. Mrs. Kenton Hunt poured. Cohostesses were Mrs. Hunt, Mrs. E. T. Armstrong, Mrs. Charles Williamson, Mrs. Virgil Deming, Mrs. Athol Brainard and Dr. Mary Swan.

The December 14 meeting will be in the form of a Christmas program and will be held at the home of Mrs. Louis Schneider. It also will be guest day. Mrs. Arthur Brown will be the leader and Mrs. Francis Stone will be in charge of the Christmas music. Members will bring gifts which later will be sent to one of the D. A. R. approved schools.

Hospital Auxiliary Gives $300 Toward Inter-Com. Set

Herrick Memorial Hospital Auxiliary held its regular meeting Tuesday evening in the Fellowship Center of the Presbyterian church. Fifty members and guests were in attendance. Mrs. Laine Holden was in charge of devotions.

Mrs. Paul Keyser, president, presided at the business meeting. The finance committee reported $879.55 net profit on the recent card party and bake sale. Plans were completed for the holiday ball, to be held December 1 at the Country Club. The "Jackson Sophisticates" have been engaged to furnish the music. The Auxiliary voted to give $300 toward the installation of an inter-communication system at the hospital. This sum is needed in addition to the original $350 which was given some months ago by the Tecumseh Exchange Club for the purchase of the equipment.

Mrs. Hoyt Whelan gave a brief report of a visit which she and Mrs. Keyser made to the Tipton Pythian Sisters Past Chief Club. This group is interested in earning money for the hospital. Mrs. Keyser reported the receipt of $168 from the Clinton Royal Neighbors for the hospital in addition to the $50 given earlier in the summer.

Dr. and Mrs. Bernard Steinberg of Toledo weregi nests. Dr. Steinof Toledo were guests. Dr. Steinstories of a Toledo hospital, gave an interesting talk on "The Modern Laboratories Role in Medical Treatment." He also spoke briefly on his research work for which he is widely known.

Refreshments were served by Mrs. Joseph Rohweder, Mrs. Herbert Dillon, Mrs. Virgil Tucker, Mrs. Albert Bagshaw, Mrs. Lawrence Blum and Mrs. Donald LaBounty. Mrs. Ed Rodgers and Mrs. Ford Exelby of Britton, poured.

Richardson and daughter, Brenda, of Milan.

Those discharged November 12 were, Mrs. J. L. McClelland and daughter, Nina, of Hudson, Joseph Puckley of Clinton, Mrs. Warren Brunnel of Tecumseh and Mrs. William Vollmer and daughter of Tipton.

$750,000

(Continued from page 1)

lowed a visit here a week ago by W. F. Clapp, assistant superintendent of public instruction. Mr. Clapp surveyed Tecumseh's present buildings, the community generally, and studied trends for enrollment growth.

He recommended that the Board dispose of the East Branch school property, which has not been used for several years, because, he said, the site is not suitable for school purposes.

Mr. Clapp also advised that the board seriously consider the abandonment of the West Branch school, built in 1869, because the site is not adequate for future expansion.

The state officer also advised the annexation of School District No 5, (the Tecumseh Acres area, running as far west as Billington's Corners), which district now is sending 99 pupils to the Tecumseh schools.

Tecumseh's growth since 1945 and the fact that its future growth probably will be steady has both the local Board of Education and the State Board worried about buildings needs. Best available figures show that Tecumseh has grown from a 2,500 population in 1945 to 5,500 in 1951. Further increases, the board believes, are limited only by the lack of available housing and the shortage of building materials.

A graph, studied by the board, shows that the public school enrollment here has increased 175 per cent since 1945. This decided gain has been little affected by increased tuition enrollments. Only 57 more children are enrolled as tuition pupils today than were enrolled three years ago.

The 1951 pre-school census indicates that additional children will be attending the Tecumseh schools for some time to come. There are now 132 pupils in kindergarten, of which 112 are from District No. 7, and 20 are from District No. 5. The census idicates that there will be a kindergarten enrollment in the Tecumseh district, (No. 7), in the fall of 1952, of at least 127, and 25 from District No. 5, or a total of 152. At least one new kindergarten room must be opened next fall.

Already the crowded condition of the new high school has forced make-shift classrooms to become necessary in that building. If the Central Building is to be given over entirely to elementary grades —and it must be, it was said, to meet the increased grade-student enrollment by next fall—the addition to the high school building becomes imperative immediately. The Central gymnasium would have to be used for classroom purposes, and state law requires that physical education be taught. Therefore, it was said, a gymnasium at the new high school becomes a must on the building program.

To care for the desperate need for elementary classrooms the Board considered this program:

The modernization and remodeling of the Central school, making all of its rooms available for classroom purposes.

The building of a seven-room unit on the Union street site available for use in the fall of 1953, and another seven-room unit on South Adrian street, available for use in 1954.

After the Board had studied the charts and graphs, it was decided to begin at once a study of the building program with architects, in an effort to obtain definite costs on the construction program. Those close to the board indicated that it might be possible to get the addition to the high school under way early in the spring, making the new classrooms available for use by the opening of the fall term in September. This addition would be built above the superintendent's offices. Original plans called for the building of these rooms but they were cut off when the building contract was awarded, for economic reasons.

The board spent several hours Tuesday evening studying the expansion program. With the board were K. D. Hall, Clarence Beach and Ralph Comfort, who offered to lend any assistance possible.

Except for the building program, there was little other business before the board. Current bills were audited and ordered paid, and reports of the superintendent were read and placed on file.

BAPTISTS ARE HOSTS TO 200 FROM GRANGE

The Baptist church was host to some 200 Grangers at the Sunday morning service. Dinner was served in the Grange hall at noon to nearly 100. Mrs. Barrows, lecturer of Lenawee Pomona Grange, was the guest speaker. The local Baptist church is one of the founders of a plan for Grangers to attend church services in a body, a practice that is still followed here.

BAPTIST LEAGUE MEETS

The Baptist League met Monday evening at the home of Mrs. Harold Davidson with twelve in attendance. Mrs. Eddie Kirkland was the assisting hostess. During the business meeting the league voted to sponsor a Brownie troop. Mrs. Charles Williamson gave a book review on, "The Spirit Tree."

The December 10 meeting will be held at the home of Mrs. Clifford Curran with Mrs. Albert Hooton as co-hostess. Mrs. Ellis Honeycutt will be in charge of the program entitled, "There is room for Christ."

Conservation Men To Study Teeth of Deer

Deer hunters coming back across the Straits with their deer, may wonder why they are being stopped for a check. The Conservation League feels that perhaps the following excerp from the current AAA magazine, "Motor News" in the article entitled "Teeth Will Tell" by Len Barnes; may answer the question.

"Certain kinds of horses shouldnt be looked in the mouth, the old saying goes. But Michigan's Conservation Department will reverse that adage this fall with reference to deer.

"Each hunter crossing the Straits of Mackinac with a deer lashed to his car will be asked to open his buck's mouth so Conservation men can take a look at its teeth. The teeth will be compared with sample deer jaws on portable boards by three crews of men. From this comparison will come several facts, including approximate age of each deer.

"Teeth-checking is part of a larger research program begun recently in both Lower and Upper Peninsulas to gather facts on Michigan deer life and the deer's requirements in food, acreage and climate—and how these affect reproduction rate."

Further informative data is advanced in the article which should be of interest to all deer hunters.

BRITTON

The Congregational Dorcas class will meet today in the church to observe "Friendly Service Day" with all women of the church attending. A potluck dinner will be served at 12:30. An afternoon session will be devoted to folding bandages.

Mrs. Kenneth Rice of Grand Rapids spent several days last week in the Smith Pocklington home. Mr. Pocklington is still seriously ill.

Mrs. J. Morgan Reese, who underwent surgery in a Detroit hospital several weeks ago, is slowly improving at her home here.

Mr. and Mrs. Clay Croll were in Dayton, Ohio, Sunday through Wednesday where Mr. Croll attended the National Milk Producers Convention.

Mr. and Mrs. Forrest Barrett, Carol and Allan, spent Sunday afternoon and evening with Mr. and Mrs. L. A. Davis near Dundee.

Mr. and Mrs. Carl Johnson of Sparta spent last week in the home of Mr. and Mrs. Lawrence Ash. Week-end guests in the same home were Mr. and Mrs. C. W. Reed of Grand Rapids. On Monday morning Mr. and Mrs. Johnson and Mr. and Mrs. Reed left for a winter's stay in Bradenton, Florida.

A cradle shower honoring Mrs. Gordon Barrett was held Friday evening in the home of Mrs. Forrest Barrett. Mrs. Ronald Barrett and Miss Margaret Barrett assisted. Seventeen women enjoyed contests and games with duplicate prizes going to winner and honored guest, who also unwrapped an array of lovely gifts. Refreshments were served by the hostess.

The Methodist Youth Fellowship will enjoy a skating party next Sunday afternoon, Nov. 18.

The annual drive for canned fruits and vegetables, jams, jellies, or produce will be completed this week with all to be at the Methodist church by 9:30 a.m., Sunday. Next week the drive's proceeds are to be taken to Chelsea Home.

This morning the Methodist W. S. C. S. is starting the approved Study Course, "The Christian Family" at a meeting to be held at the home of Mrs. Forrest Barrett. Mrs. Barrett as leader will be assisted by Mrs. Clay Croll.

The new officers elected at the recent L. and M. County Line Extension Club meeting were: Chairman, Mrs. Albert Bailey; vice chairman, Mrs. Stephen Ball; secretary and treasurer, Mrs. Charles Benedict; leaders are Mrs. Bernard Clement and Mrs. George Price; program chairman, Mrs. Leslie Downing; recreation chairman, Mrs. Chester Brown; transportation chairman, Mrs. Charles Downing; community chairman, Mrs. William McElroy; flower chairman, Mrs. Carl Henning; publicity, Mrs. John Gittus. The next meeting to be held at the home of Mrs. Stephen Ball for annual Christmas party. A lesson on candle making will be presented. Also good used clothing to be brought to this meeting.

Harold Craig and children entertained at dinner Sunday, Mr. and Mrs. Roy Porterfield and family of Ypsilanti, Mr. and Mrs. Lee Walden and son of Clinton, Mr. and Mrs. Bud Montry of Deerfield, Miss Shirley Ernst of Ann Arbor, and Mr. and Mrs. John Kearn and Katherine.

Sunday dinner guests in the home of Mr. and Mrs. Glen Gripton were Mr. and Mrs. Ivan McCarbery and children, Mr. and Mrs. Edward Gripton and son of Dearborn, Mr. and Mrs. Stanley Beal and son Paul of Chelsea, Mr. and Mrs. Ronald Frayer, Mr. and Mrs. Bernard Waterbury and sons and Mr. and Mrs. G. L. Gripton. The occasion marked Mrs. G. L. Gripton's birthday.

Miss Roxanna Pilbeam of Tecumseh is visiting her grandparents Mr. and Mrs. Ray Smith this week while her parents are north on a hunting trip.

Mr. and Mrs. Lee Taylor left Tuesday for a week's stay in northern Michigan deer hunting.

Stewart Niblack, who has spent the last two weeks here with his wife and parents, Mr. and Mrs. W. S. Niblack, has reported to the Naval Hospital base in Memphis, Tenn., where he will be on the hospital staff.

Mrs. Fred Rieve and daughter Marion entertained Sunday at dinner: Mr. and Mrs. Walter Bale and family of Tipton, Mr. and Mrs. Robert Brady and family of Whitmore Lake, Mr. and Mrs. Richard Mattis and family of Adrian, Mrs. Emma Rudel of Detroit, and Mr. and Mrs. Edward Rudel and son of Lincoln Park. Afternoon callers were Mrs. Kenneth Beebe and Mr. and Mrs. Elmer Miller and son of Lincoln Park, Mr. and Mrs. Harry VanDam of New Hudson, and Mr. and Mrs. Stanley Heiss of Carleton.

Mrs. Martha Brady of Ann Arbor visited relatives here Sunday.

RIDGEWAY

Mr. and Mrs. J. M. Mulvaney of Tecumseh called in town Sunday.

Harry Bishop of Saline called on Mr. and Mrs. Nilwyn Bishop, Sunday.

The M. Y. F. met with the Kruger brothers, Sunday evening.

Mr. and Mrs. Juman Strong of Melvindale spent Sunday at their home here.

Miss Josephine aCrter was in Detroit, Saturday.

Dinner guests Sunday of Mr. and Mrs. D. V. Sturtevant were Mr. and Mrs. Dan Birdsall and Mrs. Alice McKinney of Albion and Mr. and Mrs. T. M. Birdsall.

Mr. and Mrs. R. W. Atchison of Tecumseh called on friends in town Sunday.

Wilson Spreeman of Palmyra was in town on business, Friday.

Mr. and Mrs. C. Cook of Belleville called in town, Sunday.

We never try to convince anybody to agree with us; what a world it would be without more intelligence than we possess!

William Holden and Nancy Olson find time for love in this scene from the World War II drama, "Force of Arms." Thurs., Fri., Nov. 22 - 23 at the Strand Theatre.

HOLLOWAY

The Ladies Aid of the Holloway Presbyterian church will meet for a family night on Thursday at 6:30. The committee in charge will be Mrs. Clark Sinclair, Mrs. Carl Gritzmaker, Mrs. Bert Klappich, Mrs. John Gritzmaker and Mrs. Claude Walters. Each family is asked to furnish their own table service and food to pass. The entertainment is being provided by Bert Klappich, Paul Kopke, Raymond Frost and Gail Austen.

The Holloway Volunteer Fire Department will hold a public card party in the fire hall on Saturday evening at 8 p.m. There will be refreshments.

Harry German of Carleton was a Sunday caller in the home of Mr. and Mrs. Walter German.

Among those that will leave this week for hunting in the north woods are John Youngs, who will be near Indian River, Floyd Graham, jr., near Marion, Claren Bates, Alvin LaPointe, Robert LaPointe and Harold Millyard, who will be at Iron River.

Pfc. Tom Mitchell called his parents from San Francisco where he was spending a four-day leave from Camp Stoneman, Calif. Tom is the son of Mr. and Mrs. Hugh Mitchell.

Marilyn Sinclair returend to Fort Wayne International College after spending the week-end with her parents, Mr. and Mrs. Clark Sinclair.

Mr. and Mrs. Virgil Lowery and son Darrell called on Mrs. Leon Lowery who is a patient in Parkview Hospital in Toledo on Sunday afternoon.

Mr. and Mrs. Elmer Harper called on their son Pvt. Lyle Harper who is stationed at Fort Custer on Sunday.

Mr. and Mrs. Allen Schmid of East Lansing have a new daughter born early Monday morning in East Lansing. Mrs. Harvey Lewis spent Monday in Lansing with her daughter.

Mrs. Maude Wilson of Atlanta, Ga. and Mrs. Allie Doyle of Adrian came Thursday to the home of Mr. and Mrs. Harvey Lewis and will return to their homes on Tuesday.

Mr. and Mrs. Harold Johnston and sons and Mr. and Mrs. Robert Mitchell were Sunday guests of Mr. and Mrs. Claude Dickerson and family at Crissy, Ohio.

Pvt. James Brooks, son of Mr. and Mrs. James Brooks, spent Sunday and Monday with his parents. James is stationed at Fort Leonard Wood, Miss.

Mrs. Leon Stautz of Stanton spent the week-end with her son Bud Stautz.

Mr. and Mrs. Ken Kopke spent the week-end with Mr. and Mrs. Joe Glenn and children in Wayne.

Evangelistic Services To Be Held at Ridgeway

Evangelists G. W. and Pearl Hoot of Olivet, Mich. have been engaged to conduct a series of special meetings in the church of the Nazarene at Ridgeway, according to the Rev. C. A. Bearinger, pastor of the church. Beginning Tuesday, November 20, and continuing through December 2, services will be held each evening at 7:45. The public is invited.

In addition to an effective preaching ministry, the Hoots present an excellent musical program. Mrs. Hoot is a talented musician and radio artist, having played the organ on station WOWO, Fort Wyne, Ind., for several years. A special feature of the service is given by their daughter, Geneene Hoot, who plays the bass violin and sings. The Rev. Mr. Hoot is a former student of Olivet College, Kankakee, Ill., and has spent over 20 years in the field of evangelism.

LOCALS AND PERSONALS

Sunday guests of Mr. and Mrs. Thomas Brooks and family were Mr. and Mrs. Oscar Brooks and daughter of Toledo, Mr. and Mrs. Troy Clawson and daughters and Mr. and Mrs. Thomas H. Brooks and family of Monroe.

Mr. and Mrs. George Wright and son, Charles DesErmia, left Tuesday for two weeks of deer hunting in the northern woods. Mrs. Lida Spauldings of Tipton is spending two weeks in the Wright home.

Mr. and Mrs. Leo Robison are spending two weeks at their cabin at Atlanta.

Mr. and Mrs. Paul Sheldon and sons of Dundee were Sunday guests of her parents, Mr. and Mrs. Sam Clough.

Mrs. Frank Turner and Mrs. Lucy Terry left Saturday to spend the winter months in St. Petersburg, Florida.

David Lott and Douglas McDowell spent a few days recently with their parents, after completing their boot training at Camp May, New Jersey.

Perry Hayden will fly to Houston, Texas, Friday night, November 16, to be the guest speaker at a kick-off dinner at the First Baptist church.

Tecumseh Cub Scouts of Den No. 2, with Mrs. Kenneth Rutherford and Mrs. Cecil Fielder, den mothers, and Den No. 6, Mrs. Clair Rozelle, den mother, were guests of the "Kiddie Cappers" program at the Eagles Auditorium in Adrian Saturday morning. The Scouts were accompanied by Mrs. Rutherford, Mrs. Fielder and Mr. and Mrs. Rozelle.

CRADLE SHOWER

Miss Nerissa Fosdick entertained at a cradle shower in her home Wednesday evening honoring Mrs. Gabe French, jr. She was assisted by Mrs. Jane Anderson, Mrs. Priscilla Brown and Miss Audrey Logan. Twenty-five guests were present and games were played and prizes won presented to the honored guest who also received a shower of pink and blue gifts. Refreshments were served from long tables candle-lighted and centered with white bebe chrysanthemums. Guests from out of town were from Grosse Ile, Ida, Dundee, Clinton, Deerfield, Tipton and Irish Hills.

WIT, WISDOM CLUB

Live-Water Action

washes clothes really clean!

Only Frigidaire has it!

Live-Water Action puts currents of hot, sudsy water *through* the clothes. These currents—created by Frigidaire's exclusive Pulsator—lift dirt out *gently*, no rubbing or twisting. Live-Water Action rinses clothes twice—each time in fresh water.

The Washer That Has Everything!

- The only washer with Lifetime Porcelain finish, inside and out.
- New Select-O-Dial lets you pre-select proper washing time.
- Underwater Suds Distributor.
- Rapidry-Spin gets clothes so dry some can be ironed at once.
- Needs no bolting down.

COUNCIL PROCEEDINGS

VILLAGE OF TECUMSEH COUNCIL BUILDING SPECIAL MEETING
November 3, 1951

Present: President Elliott, Trustees Rohweder, Mensing, Truesdale and Porter.

Absent: Hellman and Fosbender.

Special meeting called for the confirmation of the Special Election held October 31, 1951.

Bonding Proposition — 265 yes votes; 33 no votes.

Charter Amendment Proposition —256 yes votes; 56 no votes.

Moved and supported that the votes as set forth be confirmed.

Ayes: Rohweder, Mensing, Truesdale, and Porter.

Nays: None.

On motion Council adjourned.

J. Floyd Elliott, President
Robert L. Kroner, Clerk.

VILLAGE OF TECUMSEH COUNCIL BUILDING
November 5, 1951

Present: President Elliott, Trustees Mensing, Truesdale, Hellman, Fosbender, and Porter.

Absent: Rohweder.

Minutes of meeting held October 15, 1951 read and approved.

President Elliott appointed Trustee Truesdale to act as a member of the Finance Committee.

An itemized list of bills paid November 5, 1951, is recorded in the Village Clerk's Office and is open for public inspection.

Total Disbursements for the period ending November 2, 1951, $1,555.20.

Moved and supported that bills as read be approved and orders be drawn up for same.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

Moved and supported that representatives from the Rotary Club, Exchange Club, Chamber of Commerce, Girl Scouts, Boy Scouts, and Community Chest be requested to attend the next Village Council meeting to be held November 19, 1951.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

Moved and supported that the Village of Tecumseh grant an option to the State Highway Department to purchase a strip of land lying adjacent to and South of M-50, East from the Mill Race to the Corporate limits, station 16+05 to 24+00.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

RESOLUTION AUTHORIZING SUPERVISION OF CONSTITUTION OF SEWAGE DISPOSAL SYSTEM.

WHEREAS, by a vote in an election on October 31, 1951, the Village of Tecumseh is authorized to issue general obligation bonds in the amount of $285,000 for the construction of a sewage disposal plant and intercepting sewers and,

WHEREAS, plans and specifications have been completed for the sewage disposal system in accordance with Article I, Section 2 of a contract dated October 3, 1950 for engineering services with Drury, McNamee and Porter, consulting Engineers and,

WHEREAS, it is the desire of the Village that the above engineers undertake the engineering supervision of construction of this project.

BE IT RESOLVED, that said Engineers are hereby authorized to proceed with the supervision of construction of this project in accordance with the terms of Article I, Section 3 of the above contract and under the terms of payment set forth in Article II, Section 2.

Moved and supported that above resolution be passed.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

RESOLUTION SETTING DATE FOR RECEIVING BIDS FOR SEWAGE DISPOSAL PLANT AND AUTHORIZING ADVERTISEMENT OF SEWAGE DISPOSAL PLANT CONSTRUCTION

Moved by Mensing Second by Porter that bids for Contract No. 1, for sewers and Contract No. 2, for sewage treatment plant and pumping station be received on December 10, 1951 in the Council Room at 8:00 P.M., Eastern Standard Time, and that advertisements for bids for Contracts No. 1 and No. 2 be inserted in the Michigan Contractor and Builder in the issues of November 10 and 17 and elsewhere as required by law.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

An Ordinance to amend Section 21 of the Village Traffic Ordinance to read as follows:

(A) The Village Council may, by proper signs and notices, establish time limits for the parking of vehicles on any street or highway. No motor vehicle shall be parked on any street, alley, or any public property within the village limits for a longer period than twenty-four (24) continuous hours, and when so parked between the period of one-half hour after sunset to one-half hour before sunrise there shall be displayed at least two lights in the front, also a red light visible from the rear. The operator of any vehicle which may be parked contrary to such established spaces or limits or for a longer period than the time limit so established, shall be guilty of a violation of this ordinance.

(B) Police shall have the power to remove any vehicle violating the above section and to impound the same, the owner being liable for all expenses incurred.

Moved and supported that the above amendment be adopted.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

Resolved that Blocks M-50, M-52 between Pearl and Oneida, Logan & Chicago on Evans be closed to traffic December 15, 1951 between the hours or 6:00 P.M. to 10:00 P.M.

Moved and supported that the above resolution be adopted.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

Moved and supported that Police report be accepted and placed on file.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

Moved and supported that Engineers report be accepted and placed on file.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

Moved and supported that petition from residents on East Brown Street stating that they do not wish to participate in the Village Curb & Gutter program be accepted and placed on file.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

Moved and supported that petition from Jack Osburn to use a lot located at 112 E. Logan St. as a "SO MOTORS" used car lot be granted.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

The following preamble and resolution was offered by Councilman Truesdale and supported by Councilman Mensing.

WHEREAS the Village Council did on the 20th day of August, 1951 resolve to improve by curb and gutter installation the following described realty: Pearl Street between Chicago Boulevard and Logan Street; Logan Street from Pearl Street to Ottawa Street; and Ottawa Street from Logan Street to Chicago Boulevard; and

WHEREAS said resolution was published two successive times in The Tecumseh Herald, and the prospective cost of same was stated to be not in excess of $3.50 per linear foot, to be charged to abutting property owners; and

WHEREAS the cost of the abutting property owners for this project is determined to be $2.00 per linear foot;

NOW THEREFORE BE IT RESOLVED THAT:

(1) The Village Board of Assessors is directed to assess against the property abutting the above described improvement at the rate of $2.00 per linear foot.

(2) The Board of Assessors shall cause the proper amount to be levied thereon and a report describing the names of the persons assessed and the amount thereof shall be reported to the Village Council as the findings of the Board.

(3) The Village Clerk, upon the return of the report of the Board of Assessors is directed to publish the same for two successive weeks in The Tecumseh Herald, and shall designate a time and place for the hearing of objections to the assessment as levied.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

ORDINANCE DECLARED ADOPTED.

Dated: November 5, 1951.

Robert L. Kroner, Clerk.

President Elliott accepted the resignation of T. L. Neill as Civil Defense Director.

Moved and supported that the above resignation be accepted.

Ayes: Mensing, Truesdale, Hellman, Fosbender, and Porter.

Nays: None.

On motion Council adjourned.

J. Floyd Elliott, President
Robert L. Kroner, Clerk.

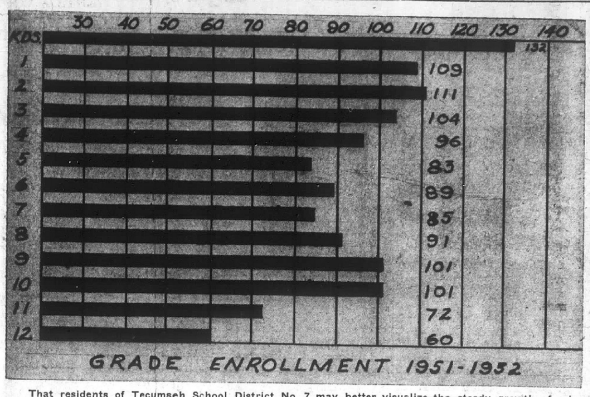
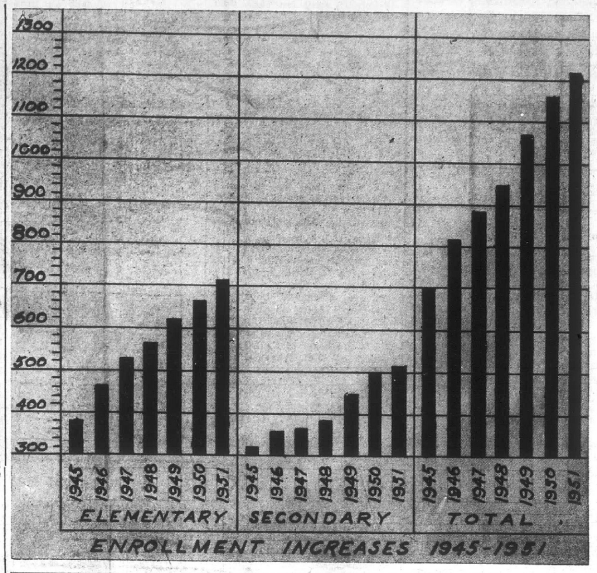
THE TECUMSEH HERALD

ONE HUNDREDTH FIRST YEAR—NUMBER 8 TECUMSEH, MICHIGAN, NOVEMBER 20, 1951 FIVE CENTS A COPY





That residents of Tecumseh School District No. 7 may better visualize the steady growth of school enrollment here, The Herald has reproduced two graphs prepared by James McDowell, superintendent showing the gain since 1945. The graph at the right shows the increase in elementary, secondary and total enrollment, a gain of more than 500 students in six years. The graph at the left shows the enrollment today, kindergarten through the twelfth grade. It will be noted that this year's graduating class, (12th grade), numbers sixty. This year's kindergarten class numbers 132, the largest in history. Next year's kindergarten group is expected to exceed 150. School officials point out that this year's kindergarten group will graduate from high school in 12 years. The senior-junior high school is now crowded to capacity with an enrollment of about 500. To cope with this growth the board is studying a $750,000 building program to be launched early in the spring.

Steady Enrollment Growth Presents Big School Problem

Why is Tecumseh worrying about an educational problem? Why is the Board of Education considering a $750,000 building program, to be completed within the next five years? What has brought about this problem? Is it a condition that has come upon us suddenly?

The answer is NO. It is a condition that has been creeping up on the community for half a dozen years, and one that has been acute for about two years. Today, the Board of Education is face-to-face with facts that force a decision. Either the community will provide the school buildings necessary for the education of its youngsters or, within a year or two at the most, it must say to these children and their parents, we have no place for you in our school system. The only alternative, then, would be to turn to the churches and a railroad depot—as was done in the past—to provide housing for the classes that even today are outgrowing existing facilities.

There are those in Tecumseh who feel that the latter possibility is foolhardy. Education, today, costs too much money to offer it in a make-shift manner. Proper training, without the proper tools, cannot be given.

Tecumseh, it seems, is paying the penalty for growth, if growth is to be penalized. In the period between 1940 and 1950 Tecumseh made the most rapid growth of any community in Lenawee county, according to the U. S. Census. Tecumseh is still growing and probably will continue to grow in the future.

A graph prepared by James McDowell, superintendent of schools, shows clearly what has happened to the Tecumseh public school enrollment since 1945.

Seven years ago, in 1945, Tecumseh had a total school enrollment of a little less than 700. Of that number, there were a few less students in the secondary (high) school than in the elementary. In 1946 the enrollment jumped about 125, and in 1947 and 1948 another hundred students were added. The 1949 enrollment reached 1,050, or a gain of about 350 over the 1945 figure. In 1950 the enrollment continued to climb to about 1,150 and this year's enrollment is well above the 1,200 mark. That was an increase of between 500 and 600 students in the span between 1945 and 1951, not quite double the 1945 figure.

Today, Tecumseh has more students enrolled in its elementary school than it had in both the elementary and high school in 1945. It has more than 500 students enrolled in the high school alone at this time, as compared to a little more than 300 in 1945. It was this sharp up-turn in secondary enrollment four years ago that brought about the building of the new $500,000 high school which, today, is bursting at the seams.

What is the picture for the future? It is far, far more critical than it was between the years of 1945 and 1951, when the new high school building program became necessary.

Today, there are 132 children enrolled in the kindergarten of the public schools in Tecumseh. This number is expected to exceed 150 in 1952. If the birth rate and the steady growth of Tecumseh continues in the next five years as it has in the last five years, the 1957 enrollment should be far greater.

This year's high school senior class is small—60 members. Next year's class will exceed 70 and the classes in 1953 and 1954 will exceed 100.

The kindergarten class of today will be the senior class in high school in 12 years, or 1964. That will mean a graduating class at that time of 432 and, if the kindergarten next year exceeds 150, it will mean a graduating class in 1965 in excess of 150.

It is to care for this steady growth in school enrollment that the Board of Education is thinking about when it plans for the future. Today, the new $500,000 high school, with a total secondary school enrollment of a little more than 500, is bursting at the seams. That being true, consider this:

Annexation of District 5 Would Not Make It Part Of Village of Tecumseh

Discussion by the local Board of Education and the State Department of Public Instruction of the possibility of annexing School District No. 5, (including Tecumseh Acres and an area lying west of Tecumseh as far as Billington's Corners), to the Tecumseh School District No. 7, has some folk confused. Many think that such an annexation would make School District No. 5 a part of the Village of Tecumseh.

Such is not the case. School districts and the Tecumseh village boundary have no relation to each other. They are separate and distinct areas, in fact a portion of Tecumseh School District No. 7, which includes Tecumseh village, is not now within the corporate limits of Tecumseh.

Should the two school districts reach an annexation agreement, and School District No. 5 and School District No. 7 be joined together, School District No. 5 still would be outside the corporate limits of Tecumseh, just as a portion of District No. 7 now is outside the village.

It is understood that meetings between officials of the two districts are scheduled after the Thanksgiving holiday, looking toward the consolidation of the two areas.

The secondary school is made up of grades seven through 12. In seven years, today's kindergarten pupils will be in the secondary school. That means that today's sixth grade students will be high school seniors in six years, and

Local Gambling Hit By Pastors

MINISTERIAL ASSOCIATION ADDRESSES RESOLUTION TO COUNCIL AND CHAMBER

The Tecumseh Ministerial Association, composed of representatives of half a dozen churches in the community, today let it be known that copies of a resolution, adopted by the Association, opposing gambling, had been forwarded to the Village Council and the Chamber of Commerce. The resolution, according to the secretary, the Rev. Donald C. Wilson, was adopted on October 22, 1951.

The resolution, a copy of which also was received by The Herald, reads in its entirety:

WHEREAS, gambling has become alarmingly prevalent among the people of our community, and

WHEREAS, visiting road-shows and carnivals have fostered the spirit of gambling through games of chance, and

WHEREAS, Christian conscience is outraged by the advocacy of lotteries and other forms of gambling to provide funds for charitable, educational institutions and even churches, and

WHEREAS, recent federal crime investigation has illustrated that organized gambling has its foundations deep in the "grass roots" of

Legion Commander To Speak Here, Tonight

Thomas Roumell, Michigan commander of the American Legion, will be the guest speaker at the regular dinner-meeting of the Rotary Club, this evening at the Country Club. Mr. Roumell will be the guest of Vance Ogden, a member of the club.

Roumell is a Dearborn lawyer and distinguished himself during World War II by participating in the initial assault landings at Leyte and Okinawa. Born in Greece, he was a major in the infantry.

FORMER RESIDENT DIES

Burial services for Mrs. Lillian Hunt Keller, former local resident, whose death occurred in Ft. Wayne, Ind., will be held at Brookside Cemetery, Wednesday afternoon at 2 o'clock. Mrs. Heller's former husband, O. G. Hunt, was a Tecumseh barber. She is survived by two sons, Ralph Hunt of Ypsilanti, and Paul Hunt of Davenport, Ia., also three grandchildren.

TUESDAY PUBLICATION

Because of the Thanksgiving holiday, The Herald this week is published on Tuesday instead of Thursday. Normal Thursday publication will be resumed next week Thursday, November 29.

St. Nick Is Coming

SANTA AND HIS REINDEER TO ARRIVE IN TECUMSEH ON DECEMBER 15

"I will be in Tecumseh on Saturday, December 15, at 7 p.m. with my reindeer. Please tell all of the boys and girls I'll be looking for them, and that I'll have a gift for every youngster." Signed, Santa Claus.

That was the message Ronald Harris, secretary of the Chamber of Commerce, received today from the North Pole, advising that St. Nick will make his annual pre-Christmas visit to this village 10 days before Christmas.

As has been customary in the past, Santa and his sleigh and reindeer will tour the business section and finally stop at the main intersection, where he will distribute his gifts and chat with the children. Streets will be holiday dressed, with evergreen and thousands of twinkling multi-colored lights.

Santa's visit will signal the beginning of the evening shopping season for downtown stores. The places of business will be open each evening, the week before Christmas.

Edward Clifford Saley Buried At Manchester

Edward Clifford Saley, aged 62 years, died at 6:30 Saturday morning in Herrick Memorial Hospital where he had been a patient. He had been ill with pneumonia.

Mr. Saley was born January 2, 1889, in Manchester township, Washtenaw county, and was the son of the late Mathais and Mary Lanning Saley. He was a manager of Macon gas station and lived in Macon two years, moving there from Hale. He was a member of the Manchester Methodist church.

Survivors besides his wife, Lena, are a foster daughter, Sandra Cooke who has made her home with them since she was two years old, of Macon; a sister, Mrs. Flora Bauer of Ann Arbor; two nieces, Mrs. Alvin Sodt and Mrs. Carl Rochte and a grand nephew, Rosell Rochte, all of Ann Arbor; also several cousins. He was preceded in death by his first wife, Clara, in August, 1929.

Funeral services were held Tuesday afternoon at 2:30, at the Collins Funeral Home with the Rev. Vaughn Whited officiating. Burial was in Manchester cemetery. The bearers were Bud Gorton, Douglas Monagin, Lee Smith, John Sachu, Carl Thomas and William Goetz.

Friends and relatives attended from Lansing, Manchester, Ann Arbor, Macon and Tecumseh.

Francis Samuel Baird Dies In U. of M. Hospital

Francis Samuel Baird, age 28 years old, died at University Hospital, Ann Arbor at 5 p.m., Friday, after an extended illness. He was born in Clinton, January 19, 1923, the son of Francis and the late Mrs. Baird. He lived in Clinton his entire lifetime and served in the U. S. Army in World War II for three years. Of that time, two and half years were spent overseas in the Pacific area.

He married Patricia Ott of Clinton, September 20, 1946. He was a member of the Congregational church and the V.F.W., and was employed by the Ford Motor Co. in Manchester.

Survivors besides his wife Patricia, are two children, Michael and Julie; his father, Francis Baird; two brothers, Robert and William of Tecumseh; two sisters, Mrs. Howard Hintz of Clinton and Janet Baird of Ann Arbor; also several nephews and cousins.

Funeral services were held at the Congregational church in Clinton Monday afternoon at 2 o'clock. The Rev. Murray Hewgill officiated. Burial was in Riverside cemetery with the V.F.W. in charge of military services at the grave.

Community Fund Is Over The Top

LOCAL QUOTA OF $8,175 IS EXCEEDED BY MORE THAN $600, CHAIRMAN SAYS

While other communities have been falling down in their Community Chest drives, Tecumseh went over the top in its campaign by exceeding its quota by more than $600, Ronald Harris, chairman, said today.

Tecumseh's Community Fund quota this year amounted to $8,175—an increase of more than 15% over a year ago. Cash and pledges as of Monday of this week, Mr. Harris said, amounted to $8,793.25.

"We are very happy to announce that we have exceeded our quota by nearly 10%," Harris said. "It is a genuine pleasure to make such an announcement, because in many communities similar drives are having a terrific time to reach their goals. Tecumseh, again this year, held to its old rule that no worthwhile drive in this community ever fails."

Harris expressed his appreciation and the appreciation of the directors of the Community Fund to workers for the excellent job accomplished. He said that workers had spent hours of their time in calling upon residents, but he pointed out, such effort "pays genuine dividends."

The chairman will submit his report at a meeting of the Fund board, perhaps late this week, that a final canvas of the drive may be made.

This year, as was the case a year ago, Harris and all of the workers connected with the campaign, operated without any renumeration. That meant that practically every dollar given to the fund is allocated to the several participating organizations.

Union Church Service Here

SPECIAL THANKSGIVING PROGRAM TO BE HELD ON THURSDAY MORNING

As has been customary in the past, a Union Thanksgiving church service will be held here on Thursday morning. This year, the service will be held in the Methodist church from 10 to 11 o'clock. The Rev. Edward Escolme, pastor of the Friends church, will deliver the sermon. The Rev. Ronald Brunger, Methodist pastor, will preside, assisted by the Rev. Donald Wilson of the Presbyterian church, and the Rev. A. S. Dimbat, of the Assembly of God.

The offering taken will be used for the work of the ministerial association. Participating churches are the Baptist, St. Peter's Episcopal, the Presbyterian, Methodist, Presbyterian and the Assembly of God.

As is customary in all Christian Science churches, a special Thanksgiving service will be held in Tecumseh this year on Wednesday evening at 8 o'clock. Follow-

(Continued on page 6)

75 Traffic Tickets Are Issued By Police

Police estimated today that they had issued 75 traffic tickets to violators of the double parking law and for other traffic violations. These included parking opposing traffic, blocking driveways and too close to street intersections.

The department launched a campaign last week, at Council's request, to end double parking in the downtown area, and to halt other infractions of the traffic regulations.

Chief M. E. Clark said today that when violators report to the clerk's office within the requested time, noted on the ticket, fines levied are $1.

"The longer the violators wait, the more it costs," the chief said. "If they make it necessary for us to write letters or issue summonses, then the cost will advance."

George Nisle, 83, Dies; Buried At Manchester

George Nisle, aged 83 years, of Manchester, a former resident of Tecumseh, died Wednesday night, November 14, in Mercy hospital, Jackson, the result of a cerebral hemorrhage, suffered three weeks earlier. Mr. Nisle was a native of Manchester. He purchased the Farm Hotel and dance pavilion at Wamplers Lake which he operated for many years.

He is survived by one sister, Mrs. Carrie Blosser of Manchester with whom he made his home. He was preceded in death by his wife, a son, Romeyne, and a daughter, Irene.

Funeral services were held Saturday afternoon in the Jenter Funeral Home in Manchester and burial was in Manchester cemetery.

NOTICE

My office will be closed from Sat., Nov. 3 to Dec. 2, incl. H. H. Hammel, M. D. 11-29

Tecumseh Gets Sales Tax Gains

WILL RECEIVE OVER $4,000 IN ADJUSTED PAYMENT, AS RESULT OF GROWTH

Tecumseh's rapid growth in population between the years of 1940 and 1950—the most rapid of any community in Lenawee county, according to the Federal Census—will pay off in cash this month, to the tune of more than $3,000. Of this amount, $4,151.98 will come to the village in adjusted sales tax payment, and $4,114.55 will go to the township.

In the Village of Tecumseh, the population gain amounted to 38% from 2,921 residents to 4,020, an increase of 1,099. In the township the increase was 102%, from 463 to 1,032, a gain of 563.

Both Tecumseh and Tecumseh township showed the most rapid growth of any communities in Lenawee county.

According to figures released by the Michigan Department of Revenue, Lansing, six townships and five cities and village will benefit as a result of population increase, while some others will find themselves with less cash than before.

The cause of the change in sales

(Continued on page 6)

Catholic Church To Open Sunday

$100,000 EDIFICE MAY BE VIEWED BY PUBLIC, SATURDAY; TWO SUNDAY MASSES

The new $100,000 St. Elizabeth Catholic Church, North Union street, will be opened for services on Sunday morning, the Rev. Fr. Michael Collins announced today. Sunday masses will be at 8:30 and 11 o'clock.

The church, located on a site purchased by the St. Elizabeth parish some time ago, is of brick, steel and cement construction, in modern design. The auditorium will seat 700 worshippers.

There will be no formal opening or dedication of the church now, the Rev. Fr. Collins said. That will wait until spring, he said, because His Eminence Edward Cardinal Mooney of Detroit, will be unable to participate in a dedication program before that time. Because of the delayed dedication, Fr. Collins has requested that expressions of congratulation wait until the formal service is announced.

The new church will be open for public inspection on Saturday,

(Continued on page 6)

Cecilian Group Will Sing Here

SIENA HEIGHT CHORISTERS WILL PRESENT PROGRAM ON DECEMBER 17

The Cecilian Choristers of Siena Height College, Adrian, will present a Christmas concert to Tecumseh residents on Monday evening, December 17, it was announced today. Robert Hayes, Adrian business man, and Ronald Harris, secretary of the local Chamber of Commerce, have made arrangements for the concert which will be held in the Central school auditorium.

This colorful musical organization, under the direction of Sister Marie Paul, last appeared in Tecumseh two years ago when a similar concert was presented. There are about fifty voices in the group which is nationally known for the excellence of its music and the highly effective way in which the programs are staged.

Mr. Hayes is organizing a caravan of Adrian business men to bring the group to Tecumseh. The concert will be at eight o'clock and there will be no admission charge.

Local Donors Give Blood For Wounded In Korea

A caravan of Tecumseh blood donors went to Detroit Tuesday night to contribute their pints of blood for Korean wounded.

The group was organized by members of the Hall-Slater Post of the Veterans of Foreign Wars. Members of the Post and others from the surrounding area made up the caravan. The trip was planned locally and was in response to urgent pleas the Red Cross is currently making through the press and radio for donors.

We're All In The Same Boat, Economically

Housewives, salaried and hourly workers, heads of business and retired men and women—in fact the country, generally—all are confused as to what must be done if the danger of still more inflation is to be prevented. This danger grows increasingly critical as the expanding armament program progresses.

We have been led to believe, by the Administration and Washington politicians, that the whole answer, practically speaking, lies in economic controls and laws which say that the producer and manufacturer and retailer can charge only so much for this article or that. Here is a perfect example of putting the cart ahead of the horse. Controls, no matter how wisely administered, deal only with symptoms and never with the disease itself.

The best economists are in general agreement that the fight against inflation must be carried on on a broad base. The primary weapons, they believe, must include a sound financial policy; iron-fisted economy in government; increased production; stimulated savings, and sensible restraints of credit. This program, it is clear, is only partially in effect now. The very magnitude of non-essential government spending alone is the best friend inflation has. And the Administration has stubbornly battled every effort to cut costs, no matter how modestly.

It is futile and dangerous to seek scapegoats for inflation—manufacturers or distributors or farmers or workers or any other group. It is easy to alibi and pass the buck, but that solves no problems. Every element of the country must share in the task of fighting inflation and accept the inevitable financial sacrifices involved. And the government must take the lead—a thing it has disgracefully failed to do up to this time.

And while we remain confused, prices continue to soar. The cost of living continues to advance as the cost of fabricating and producing keeps on rising. Where will it end? It ended in China when the housewife found it necessary to take a wheelbarrow load of bills to the store to buy a loaf of bread.

Money—lots of money—no longer buys security. It never did buy happiness, and it never will.

It is time that we learned that the love of money is the root of all evil; that we must live and let live. That is a basic law.

— o —

Your Employer Pays For Your Job

It costs a lot of money to create a job for an industrial worker, or any other worker who earns wages.

Back in 1939, when a dollar was worth a dollar, an average of about $6,000 was invested in industry for each employed worker. Today the figure is in the neighborhood of $10,000. This is the money that was spent for the "tools" which make jobs and high wages and production possible.

And don't think that a similar figure does not apply in business, generally, as well as in industry. The store clerk, the garage mechanic, the stenographer and the bookkeeper, they wouldn't have jobs, either, unless money had been previously invested in stock, buildings and equipment, tools, etc., for them to sell or use.

Invested money is known as capital. It is the savings of people who put it into industrial stocks and bonds, or into their own business, hoping to earn a little return over the years. It is the money which makes America rich and strong, and which is the very root of our unprecedented living standards.

Keep that in mind next time you read a left-wing denunciation of "Wall Street" or the fellow who happens to be your employer. According to the communist, the so-called capitalist is the enemy and the oppressor of the worker.

The fact is, as any American can see for himself in his every day life, that the capitalist—the fellow with the invested money—is the person who creates employment and maintains employment.

How many of us would have jobs today if someone had not invested their savings in business or industry? Suppose, next month of next year, men and women with invested money decided to withdraw their funds from these investments. What would happen? How many of us would have jobs? Who would meet the payrolls? If industry and business decided to go out of business, where would we look for employment?

We hear communistic and socialistic blabbermouths spouting about the capitalists. Who are they? The answer is that they are a cross-section of America. About 15,000,000 men and women, for example, are owners of industrial stocks. They include manual workers, executives, farmers, professional men, housewives, operators of little business, etc. They represent every creed and calling and color—and every income level. They are, in short, people who have faith in America and confidence in the American economy. And the number of these capitalists is growing daily.

The Services You Need

Our services are conducted according to your precise wishes — and no matter what your income, you are assured of a ceremony both beautiful and distinctive.

Piggy Banks To Get Squeezed

UNCLE SAM WOULD BRING PENNIES AND NICKLES OUT OF HIDING

Denver — Pennie and nickles won't get you much these days, but Uncle Sam wishes you'd take them out of those piggy banks and spend them.

The reason is that there is a severe shortage of small coins.

Banks throughout the nation are calling for more pennies and nickles, and in some cases, dimes. The shortage is particularly acute in eastern states, and in New York small coins are being rationed at 25 to 50 per cent of demand.

What's the reason for the shortage?

Piggy banks, old-fashioned as they may be, are holding a lot of coins even in these days of free spending.

There's a general impulse to drop small coins in the piggy banks and quart jars. This practice contributes much to the scarcity, is the belief of F. H. Larson, cashier of the Denver Federal Reserve Bank.

Sales taxes, parking meters, vending machines of all kinds, and odd-cent prices increase the demand for the coins, Mr. Larson added.

"We've never had a situation like this," he said.

Also figuring in the dearth of pennies and nickels, according to the official, is the fact that most United States mints decreased production before their congressional operating appropriations ran out last June.

Moses Smith, superintendent of the Denver Mint, agreed with Mr. Larson that parking meters and vending machines have made the tremendous demand for his humbler products.

"Every city and town which has parking meters," Mr. Smith said, "has tied up a tremendous amount in pennies and nickels."

Women Cannot Find A Needle In Warsaw

London—Warsaw housewives—already worried by a drastic shortage of meat and potatoes—have another problem right now.

Their men wait vainly for their pants and shirts to be patched; their babies for clothes they can't stitch. For, with top priority being accorded to heavy industry production, sewing needles have vanished completely from the stores of the Communist-ruled Polish capital.

As Warsaw radio pointed out, if women want a piano, table or chair, they walk straight into a store, put down the cash and get what they want. But sewing needles?

It would be simpler to find one in a haystack.

Warsaw radio, which runs a "complaint corner," has received many protest letters from which it quoted a few evenings ago.

The most pathetic complaint came from a Pole, who, at the bidding of his wife, tramped the main streets and the side streets seeking a shop that still had a stock of needles. He returned from his vain quest to face an irate spouse.

"Something must be done about it," he demanded. The radio underlined the demand, though it failed to indicate either the reason for a needle shortage or how supplies could be obtained.

GIVE A
ROCK-OR-LOCK
FOR
Christmas

There's nothing that would please Dad or Mother or, as a matter of fact, the entire family, any more than one of these fine Rock-or-Lock Chairs for Christmas.

$69.50

Rock-or-Locks are made right here in our own factory. They're priced at a factory price. We have them in tapestry upholstering or, should you prefer, the new Coronet Luxertone, in red, gray or green. If you desire the ottoman, that is priced at $12.50 extra.

1-2 Price Sale Continues

On Living Room Suites

We still have three or four Living Room Suites for sale in our ONE-HALF PRICE event. These are showroom models that we're moving to make room for new furniture. Here's how our half-price sale works: You buy the davenport, we'll sell you the matching chair at one-half its regular price.

YOUR CROSLEY DEALER

Do You Remember?

1951

Raisin is a fortunate town. It has no constable. The only lawyer sold out and went to Madison. The Quakers elect only justices because their assistance is needed occasionally in splicing those who don't belong to the meeting.

1881

L. C. Davenport has sold his farm in Macon to Smith McCarbery.

Thos. Maynard has sold his farm to Abe Harrington.

George Cadwell has sold his dray to John Tansley.

Floyd Bostwick has purchased a half interest in J. A. Curry's barber shop.

Delos Whitenack is building a new home on Pottawatamie street.

Ridgeway village school now has 70 pupils.

1891

S. J. Miller is the new night operator at Britton. He plays the guitar for the girls.

Robert Johnston is the latest addition to the eighth grade.

The storm this week was the worst in this latitude in several months.

Dr. Hendershot has a new barn.

Skating is excellent on the Globe Pond.

H. J. Williams has sold his store in Ridgeway to Mr. Shepherd of Macon.

1901

The library now has a complete set of Michigan Pioneer and Historical Collection in 29 volumes.

Cash receipts at the Baptist supper and fair were $34.

An association of 15 members has organized a basketball team.

Marie Dunseath is clerking at B. J. Pulver's store.

1911

F. W. Hall, engineer, is looking over the cemetery site for a community mausoleum.

Richard Mead and Don Wright are up north hunting deer.

Checks received by farmers for sugar beets purchased in October were $186,000 more than last October.

Edith Gray has gone to New York City to spend the winter.

1921

Born, November 14, to Mr. and Mrs. Ronald Crane of Evanston, Ill., a son.

Born, November 16, to Mr. and Mrs. Archie Boyd, a daughter.

Thelma Puryne and Forrest Mossing were married November 16, at St. Mary's church in Caragher, Ohio.

Married November 19, Blanche Hendershot and Elton Osborn.

The Methodist Ladies Aid cleared $83 on their annual chicken pie supper.

Born, November 18, to Mr. and Mrs. Robert Welch, a son.

C. E. Ridgeway has been transferred to Dennison, O., and will have charge of the Toledo Western and the D. T. & I. telegraph office.

1931

1932 license plates, now on sale, are black and white.

Mr. and Mrs. Henry Karcher will celebrate their 50th wedding anniversary and Mr. and Mrs. Otto Bach their 30th wedding anniversary on Thanksgiving.

Born, November 15, to Mr. and Mrs. Oba Grady of Ridgeway, a daughter.

Born, November 14, to Mr. and Mrs. Leland Downing, a daughter.

Howard Brooks has purchased the Emma Day property, corner of Maumee and Burt streets.

Bertram Klappich of Tecumseh and Hazel Philo of Adrian were married November 6.

The Raisin Valley Friends Meeting will observe its 100th anniversary, November 22, in the Raisin Valley church.

October was the largest month for circulation in the history of the Tecumseh Public Library. Some 2,839 books went out on cards. The 1930 circulation was the largest ever recorded and so far, this year has been exceeded by 5,589 books.

1936

Howard Higgins and Donald Gieske have opened a new Hudson-Terraplane agency. William Feebles of Morenci succeeds Mr. Higgins as manager of the local A & P store.

Nadine Marsh fell at her home November 12, and broke her wrists.

Mr. and Mrs. Leon Withee have moved from Detroit and opened the Boston Lunch this week.

A Past Chief's Club of Josephine H. Hall Temple of Pythian Sisters was organized here November 19.

Born, November 15, to Mr. and Mrs. Lowell Monigan of Onsted, a son.

Born, November 19, to Mr. and Mrs. Silas Berry, a son.

Twenty-two rural schools in Tecumseh, Raisin and Franklin townships have been presented with American flags by Underwood-Orr Post, American Legion.

A singing club has been organized by a group of 56 persons from the English and West Clinton rural school districts. Mrs. Maurice Martin is president and Mrs. Kenneth Lemm is vice president.

1941

Tecumseh Friends church will celebrate its 50th anniversary, Sunday, November 23. The first service in the present church was held November 22, 1891.

The former McCann Clothing store will be known as The Toggery Shop.

Dick Beasley suffered severe injuries Monday night when he fell at Tecumseh Products Co., while repairing a motor near the ceiling, and is in Tecumseh Hospital.

How to make old roads seem NEW

PICK a road that you know by heart. Not too good a road. One that has some bumps—some unbanked turns—a tough hill or two.

Then get in touch with us, and let us put you behind the wheel of a Buick, with Dynaflow Drive.*

Now you're all set for a new experience. You'll find out this:

Those bumps seem to lose their bobble. You just take them with a smooth and level stride.

Those unbanked turns don't seem so sharp, and those hills seem almost to flatten out.

How come? Well, a lot of things are different when you travel in a Buick.

You're riding on big, soft coil springs that let every wheel dance beneath you, without passing on the jolts to you in the car.

You're driving a car that's plenty inches broader than it is high—a sure-footed road-hugger if there ever was one.

And you're riding behind a Fireball Engine — Buick's time-tested version of a high-compression valve-in-head—an engine that packs more power than most people ever need to use.

With this power — and Dynaflow Drive* — you don't have to "rush" a hill at the bottom to soar serenely over the top. You just feed the power as you need it — climb with a sure, steady swoop without buck or bobble all the way up.

There's a lot more that we could tell you about a Buick. But such things as room, and comfort, the confident way it steers, and the way it shortens the miles are things you can best discover from personal experience.

So why not follow the routine already suggested? You supply the road—we'll supply the car — and let it speak for itself.

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.*

37,500 Unknown Diabetics Estimated In Michigan

Thousands of Michigan people have diabetes and don't know it. Unless these people are found and treated, they may develop serious complications, the Michigan Department of Health said today.

People of all ages are urged to have examinations for the disease. There are an estimated 37,500 unknown diabetes in the state.

Diabetes occurs in children and in adults, at any age, in either sex. It occurs most frequently among blood relatives of diabetes, among those who are overweight, and among those who are past 40. It is more common in women than in men, the Health Department said.

Symptoms include unsual thirst and frequent irritating urination; increased appetite and loss of weight; fatigue; and, possibly, boils and carbuncles or slow healing of cuts and bruises.

A diabetes examination is a must for anyone who is a member of a family with a history of diabetes or who has any of these symptoms.

The first step in examination for diabetes is the analysis of a by the physician or by the individual sample of urine. This may be done using a urine testing kit. Where this examination shows the presence of sugar in the urine, further examination by a physician is of the utmost importance. Only a physician can determine whether the person actually has diabetes and make recommendations for its treatment.

Diabetes can be controlled by a pattern of living including regulated diet, exercise and possibly insulin. Uncontrolled diabetes may result in complications such as diabetic coma, increased infections, loss of eyesight, hardening of the arteries and gangrene.

B. & P. W. CLUB TO MEET, NOVEMBER 26

The November meeting of the Business and Professional Woman's Club will be held Monday evening, November 26, in the Fellowship Center of the Presbyterian church. Dinner will be served promptly at 6:45. Miss Gertrude Spaulding will be in charge of devotions.

The program will be in charge of Mrs. Howard Truesdale, Mrs. Robert Williamson and Miss Alice Seger. The hostesses are Mrs. Gordon Greiman, phone 587M, and Mrs. Barton Meyer, phone 346J after 5 p.m., Mrs. Paul Mayes, 1020W, and Mrs. Arlene Gibson. The club has requested those not having phones to contact one of the hostesses in regard to reservations.

LUNCHEON HOSTESSES

Hostesses for the one o'clock luncheon at the Tecumseh Country Club on Wednesday, November 28, will be, Mrs. Allen Russell, phone 662J, and Mrs. Donald C. Cobb, phone 350. Reservations are to be made not later than Tuesday noon.

MONDAY CLUB WILL MEET NOVEMBER 26

Mrs. Will Swick will be host to the Tecumseh Monday Club in her home near Macon, Monday afternoon, November 26. Mrs. J. W. Beardsley, chairman of International Relations Department, will be the program leader. Movies of Mexico will be shown by Mrs. Earl Wood. The assisting hostesses will be Mrs. Mills Swick, Mrs. Guy Pocklington, Mrs. Louis Schneider, Mrs. H. H. Hammel and Mrs. Ben Hammack.

TRAFFIC TOLL

This year's traffic fatility rate threatens to produce the highest death toll in ten years, according to the National Safety Council, which points out that if the present pace continues, 37,000 persons will lose their lives in 1951 traffic crashes. Up to June 1st, the total was 13,240—up 6 per cent over the same period of 1950.

LOCALS AND PERSONALS

Mrs. Francis Rathbun of Fowlerville has returned home after spending several days with Mr. and Mrs. Al Pope. The condition of Mr. Pope, who has been ill for three weeks, is much improved.

Miss Joyce Hadsell spent the week-end in Ypsilanti with her sister, Beverly Hadsell who is a student at Ypsilanti Normal, and attended an open house. Beverly will spend the Thanksgiving holiday with her parents, Mr. and Mrs. Paul Hadsell.

Mrs. Anna Hardenbergh fell on the ice Saturday morning on her way to work at Palman's store. Her glasses broke and ten stitches were required to close the cut over her right eye. She was taken to Herrick Memorial Hospital for treatment. Mrs. Hardenbergh returned to work Monday.

Russell Hall and son, Douglas, returned Friday from Harrison where they were deer hunting. Both brought back a deer.

Mr. and Mrs. Lynn Harris have returned after several days at their cabin at South Branch deer hunting.

Carol Ann Beal of Adrian spent the week-end with her grandparents, Mr. and Mrs. Clyde Bailey.

Mr. and Mrs. Ned Baldwin spent Sunday with his brother and wife, Mr. and Mrs. Mark Baldwin of Albion.

Kenneth Dawson, former village engineer here nad now city engineer and assistant manager at Sturgis, has accepted a position as city manager of Galene, Ill. He will assume his new duties on December 5, and will move with his family to Galene as soon as housing is available. Mr. Dawson's wife is the daughter of Mr. and Mrs. Yale Kerby.

Gordon La Lande of Tecumseh and Albert Rasmussen of Clinton returned Sunday evening from near Atlanta, where they had been hunting deer. They had bagged a 5-point buck and a 275-pound bear. Mr. Rasmussen shot both of the animals.

Mrs. Don Blesing returned home Thursday evening after spending several days in Detroit with her son and wife, Mr. and Mrs. Clarence Walter and daughter.

Thomas B. Everlove, son of Mr. and Mrs. B. A. Everlove, of 109 N. Ottawa, was cast as "Tony Lumpkin," Mrs. Hardcastle's son in Oliver Goldsmith's, "She Stoops To Conquer" as produced by the Hillsdale College Tower Players. The play was presented November 14, 15, and 16 in Dickerson Union on the campus.

Retail Food Prices At New Record High

Washington — The government has reported that food prices jumped .7 per cent between Sept. 26 and Oct. 15 to a new record high.

The Bureau of Labor Statistics said its index rose to 229.5, figuring average prices for the 1935-39 period as 100.

The bureau said its eight-city survey showed that retail food prices rose 1 per cent above Sept. 15 and 13 per cent above the pre-Korean level.

Most important price rises were for fresh fruits and vegetables, beef and veal, dairy products and eggs.

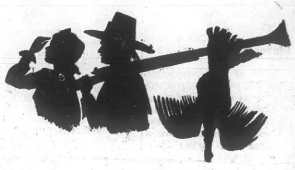
The bureau said fruits and vegetables rose 2.6 per cent from Sept. 26 to Oct. 15. A 4.4 per cent increase for fresh items more than offset fractional decreases for frozen, canned, and dried items.

FIVE ANCIENT TOMBS UNCOVERED IN CYPRUS

Nicosia, Cyprus — A sword 31 inches long was found in one of five ancient tombs, dating from the seventh century B.C. It was accidentally unearthed in the center of Nicosia.

Workers digging foundation trenches for the town's new municipal baths uncovered the tombs. Bones and earthenware pots decorated with geometric designs were found with the sword in the tomb. Museum experts are supervising the opening of the tombs. The seventh century B.C. corresponds roughly to the period during which Cyprus was under Assyrian domination.

Courtesy is gradually appearing among those who drive automobiles on the highways.



Thanksgiving - -

ON THIS GLORIOUS AMERICAN HOLIDAY

we ail pause from our daily activities to render our appreciation for the many blessings He has delivered us, for the freedoms we enjoy, for the richness of our fields and factories, for the promising future we face together.

The thanks we offer are indeed from deep in all our hearts.

(Continued from page 1)

tax payments is because Lenawee county has grown—unevenly, and, as a result, the state is now forced to adjust its tax returns to fit the new Federal Census. Lenawee county's growth in the 10 years, between 1940 and 1950, amounted to 11,519, to a total of 64,629. It is slightly higher than the state average of 20%.

As a result of the population shift, 22 townships, cities and villages face a lower payment in sales tax kick-back. In many instances, these areas receiving less money did not necessarily show a population loss but rather their ratio of increase was less than in other Lenawee townships, cities or villages. Actually, only two townships showed a loss in population during the 10 years. One of these townships was Adrian, the other was Ogden. Adrian township's population dropped 128 and Ogden's 123. Adrian township is contesting the Federal Census report, claiming that it is short. Unless it is able to prove an error, Adrian township must return $6,419.65 in sales tax it has received since April of 1950. Other townships that must make refunds for adjustment losses include Blissfield, Clinton, Deerfield, Fairfield, Hudson, Macon, Medina, Ogden, Palmyra, Ridgeway, Riga, Rome, Seneca and Woodstock. Cities and villages showing a loss are Addison, Blissfield, Clinton, Hudson, Morenci and Onsted.

The total sales tax refund to be made by the state to the local branchs of government this month amounts to $101,000 for the quarter. Of this amount the City of Adrian will receive the lion's share or more than $9,000 in addition to its regular payment. Adrian followed Tecumseh in percentage of population gain during the 10-year period, from 14,230 to 18,393, an increase of 29%.

Catholic Church

(Continued from page 1)

Fr. Collins said. The public is welcome to visit the edifice at any time after 9 a.m., Saturday, he said.

The church is unique in that there is no statuary. Instead, there are several paintings, including the 14 Station of the Cross, and a 9-foot crucifix over the main altar. The paintings were done by Matthew William Boyhan, former resident artist at Siena Heights College, Adrian, under the direction of Sister Helene, the College's art director.

The new church will replace the present St. Elizabeth church on East Chicago Boulevard, built in 1913. The steady growth of the parish here, especially during the past few years, has made the present church inadequate in size. It seats only about 100 worshippers. After Saturday of this week, Fr. Collins said, the East Chicago Boulevard church will serve the parish as a church hall.

The site on which the North Union street church is located is of sufficient size to accommodate the building of a school and a rectory. This construction is on the church's calendar for a later time.

The new church architect was Francis Faulhaber of Adrian. The builder was Lee Allshouse, also of Adrian.

THANKSGIVING DANCE

A Thanksgiving Dance will be held at the Tecumseh Country Club Thursday evening, November 22. Dancing will be from 10 til, and guests are welcome. Reservations may be made with Mr. and Mrs. Carl Fosbender, phone 485, Mr. and Mrs. Gerald Osworth, phone 584W, Mr. and Mrs. Ollie Musch, phone 1032J, or Mr. and Mrs. Walter Pfaus, phone 162M.

ENGAGEMENT ANNOUNCED

Clifton Holmes has announced the engagement of his daughter, Roberta, to Richard Roost, son of Mr. and Mrs. William Roost of Camden, Mich. The wedding will take place in February.

Many Remarkable Things

Scientists have done many remarkable things for the world, but have given up trying to explain human nature.

Bones of Contention

There may be no skeltons in the administration's closet, but the Republicans are finding bones of contention.

Scout Council Activities Explained By Speaker

The functioning of Wolverine Council, Boy Scouts of America was explained to about two dozen interested folk, last Thursday evening, when Forrest White of Chicago, a member of the field operations staff of the Boy Scouts of America, addressed the group. With Mr. Jones was Al Jones of Monroe, Wolverine Scout executive. The meeting was held at the Fellowship Center of the Presbyterian Church.

Mr. White explained the origin of Scouting in America, told how the national council assists local councils and then, briefly but clearly, told how Scoutleaders commissioners and others affiliated with community scouting must keep in close contact with their Council if they are to get the most out of the program.

Several members of the Tecumseh Community Fund were in attendance at the meeting. Many questions were asked regarding problems peculiar to this village.

Mr. Jones, at the outset of the meeting, spoke briefly and showed a film further explaining the Scouting program.

Local Gambling

(Continued from page 1)

local apathy, indulgence, and petty gambling practices, and

WHEREAS, gambling is specifically contrary to the Statutes of the State of Michigan.

THEREFORE, BE IT RESOLVED THAT:

1. We call upon the individuals and organizations of this community to put an end to all forms of gambling, professional as well as the so-called friendly gambling, in order that a beginning may be made toward rebuilding the integrity of public and private conscience.

2. We believe this community and its members permitting and participating in gambling both publicly and privately set forth a poor example of adult conduct to our youth who already have more than enough temptations to cope with in our materialistic age.

3. We also believe that this community's moral and ethical standards in general are lowered when it permits gambling which always tends to the demoralization of groups and individuals participating in it.

4. We deplore the attitude of resignation assumed by the community in its tolerance of gambling.

5. We request that sponsors of all organizations imported into the community for entertainment or money-raising purposes (shows, carnivals, etc.) recognize their responsibility regarding that organization's operation of illegal games for the duration of its stay in the community.

6. We oppose all efforts to legalize the practice, so directly counter to our American tradition—of trying to get something for nothing.

The resolution is signed by the Rev. Edward Escolme, pastor of the Friends church; the Rev. B. O. Bashore, pastor of the Baptist church; the Rev. Ronald A. Brunger, pastor of the Methodist church; the Rev. Richard O. Petersen, rector of St. Peter's church, and the Rev. Albert S. Dimbat, pastor of the Church of God Assembly.

Mrs. Carroll Kuder, 69, Is Buried At Macon

Mrs. Carroll Kuder, aged 69 years old, died suddenly at her farm home, one mile west of Macon, Thursday morning at 8:30. She had made her home here for the past 45 years. Born, June 20, 1882, in Ann Arbor, Mrs. Kuder was the daughter of the late Peter and Abigial Carvin Snauble. She was a member of the former Macon Presbyterian church.

Survivors besides her husband Carroll, are a sister, Mrs. Rayno Scudder, and a brother, Fred Snauble, and one nephew, Wade Scudder, all of Saline township, as wel as several cousins. A son, Paul died in infancy.

Funeral services were held Sunday afternoon at 2:30, at the Collins Funeral Home with the Rev Vaughn Whited of Clinton, officiating. The bearers were Earl Pennington, Wade Scudder, William Rhoades, Ellsworth Lindsley, William Service, jr., and Willis Davenport. Burial was in Macon cemetery.

Friends and relatives attended from Detroit, Ann Arbor, Lansing, Hale, Saline, Ridgeway, Waltz, Adrian, Ridgeway, Clinton, Macon, Franklin township and Tecumseh.

$1,100 DAMAGE IN CAR-TRUCK CRASH

A car and a truck suffered $1,100 damage in a head-on crash on the Iron Bridge over the River Raisin, N. Mill street, Thursday afternoon. The car was driven by Welda Kinenerer, Rt. 2, Tecumseh, and the truck by Theodore Frolich, Rt. 1, Tecumseh. Police gave Frolich a summons for failing to yield right-of-way. Mrs. Kinenerer suffered slight cuts and bruises.

Folk Over Fifty Enjoy Luncheon

"LIVING IN LATER YEARS," TITLE OF SERIES OF PROGRAMS FOR FUTURE

The first of a series of programs on "Living in Later Years," was presented on Thursday when fifty-two persons from Tecumseh, Tipton, and Ridgeway assembled for a potluck luncheon at twelve o'clock in the Tecumseh Methodist church. The Temple Dependable Circle of the church took the initiative in calling together all those who claim to be fifty years of age or older. However, subsequent meetings will have no tie-up with the Methodist church and they will be open to all in Tecumseh and vicinity who are interested in the subject.

Those present were seated in table groups such as the "Clementine Clan," the "Jesse James Gang," the "Kit Carson Crowd," the "John Sutter Settlers," and "Buffalo Bill's Friends." Rev. Mr. Burch of Adrian invoked the devine blessing and after the luncheon, the Rev. Ronald A. Brunger led the assembly in singing old favorite songs from the School Knapsack accompanied by Mrs. W. G. Waldron at the piano. The Rev. Mr. Brunger than sang a solo which was popular in the gay nineties, "While Strolling in the Park One Day," and Mr. Burch sang a solo, "Abide With Me."

Mrs. T. Rentschler conducted a questionnaire which revealed the following: Three present were eighty-five years old or older; that six present were between eighty and eighty-five, that several were between seventy-five and eighty, many others between seventy and seventy-five, and two present had had the experience of being baptized in rivers. Ten had "forded" rivers, that 15 had attended camp meetings, others had enjoyed quilting parties, taffy pulls, oyster suppers, square dancing in the homes, and all kinds of "sociables."

Upon invitation, Elmer Pocklington read some of his poetry. Writing verse has been his talent for many years. Mrs. R. S. Moore told about the Three Quarters Century Club in St. Petersburg, Florida. In conclusion a short business meeting revealed that the group had enjoyed the informality of the day well enough to want to hold similar meetings in the future. They agreed to meet again on Thursday, December 13th, in the Tecumseh Methodist church at 12 o'clock for another potluck luncheon and program. Miss Ann Carson and Mrs. T. Rentschler will set up the program. Anyone having a favorite recipe for a holiday dish which was popular fifty years or so ago, should copy it on a postcard and send it to Mrs. Rentschler and wait to see what will happen.

Those who assisted with the luncheon were Mrs. Carl Burch, Mrs. Pearl Martin, Mrs. George Wittrup, Mrs. W. G. Waldron, Dr. and Mrs. Rentschler.

WIT AND WISDOM CLUB ENJOY THANKS PROGRAM

Mr. and Mrs. Wilfred Waldron entertained the Wit and Wisdom Club, Monday evening, in their home. They were asisted by Mr. and Mrs. Fay Van Valkenburg.

Tecumseh Music Club members were guests and the musical program was entitled, "Fall Frolics," under the direction of Mrs. John McColl. Miss Ardis Drewyor presented two whistling solos, "Indian Love Call," and "I Wonder," accompanied by Mrs. Herbert Dilon; Mrs. McColl and Mrs. Waldron played a piano duet; the chorus that sung at the County Federation meeting presented two numbers, "When the Banjo Played," and "The Owl;" Mrs. Murray Day gave a reading; "Grenlin," and "Balse Trieste," were sung by the Music Club chorus; all guests took part in the singing of a Thanksgiving hymn; the prayer was by the Rev. Ronald Brunger, Mrs. Fred Sheldon gave a Thanksgiving reading; Mrs. Day sang a Thanksgiving solo; Wilfred Waldron gave a brief history of Plymouth, and Mrs. Waldron and Mrs. McColl closed the program with a duet, "Dance of the Flowers."

Later, refreshments were served.

FREAK STORM.

Newport News, Va. — A small twister which recently visited the farm of Mrs. P. A. White, demolished a garage in which a truck was parked but left the truck practically untouched. The back end of the garage was buried about 100 feet, the sidewalls were blown in opposite directions and the roof was scattered about the ground.

PAYS FINE, COSTS

Robert Rogers, 32, Tecumseh, paid a fine and costs of $18.60 in Justice Robert French's court, Thursday, after pleading guilty to a drunkenness charge. He was arrested the day before by local police.

Globe Trotters Guests At Meeting of P. E. O.

Chapter AJ, P.E.O., met last week at the home of Mrs. John R. Thompson. Mrs. C. W. Allen presided at the business meeting in the absence of Mrs. Earl Pennington, who is in Florida.

Twelve members of the Globe Trotters Club were guests at the meeting and were introduced by Mrs. Thompson. Each responded by telling something concerning her homeland and its contrast with American customs. The twelve members represent Australia, England, Greece, Germany, France and Scotland. Anyone in the vicinity with the necessary qualifications is eligible to membership. The Globe Trotters meet the second Wednesday of each month to study American history and laws to assist them in obtaining naturalization papers. All are wives of returned American soldiers.

During the social hour refreshments were served by Mrs. John Keeney, Mrs. Walter Pfaus, Mrs. John Lott and Mrs. Lavern Russell. The next P.E.O. meeting will be held November 27, at the home of Mrs. Pfaus. Mrs. Lavern Russell will be in charge of the program.

Union Church

(Continued from page 1)

ing the usual order, there will be a brief period in which members may express their gratitude for beatings and other help they have received during the year.

The Rev. Richard O. Petersen, rector of St. Peter's church has announced that St. Peter's will observe Thanksgiving Day with two celebrations of the holy communion, one at 7:00 a.m. and the other at 9:00 a.m. At these services the faithful will render a Thanksgiving to Almighty God for the fruits of the earth and all the other blessings of His merciful providence to them and all men.

Thanksgiving Day services will be held at the Grace Lutheran church at 10 a.m., Thursday morning. Saturday pre-confirmation instructions will be held from 9:30 to 11:30 each Saturday, and Saturday school in the afternoon from 1:30 to 3:30. The Saturday school children already have started to practice Christmas hymns.

Thanksgiving Rally Planned By Friends

A Thanksgiving Rally will be held this week at the Tecumseh Friends church with Evangelist Bert Turner as the preacher. Services will be held Friday, Saturday and Sunday evenings at 7:45, and on Sunday morning at 10 o'clock.

Sunday, November 25, marks the closing day of a Sunday School contest in which the Friends Sunday School has been engaged for six weeks. It is hoped that all previous records will be broken at the Sunday School hour, which is held at 11:45 a.m.

This will be the fourth visit of the Rev. Mr. Turner to the local Friends Church.

HAPPY HOME BUILDERS

The Happy Home Builders Class of the Baptist church has sent three Christmas boxes to boys of that church who are in service They are Cpl. Donald Stevens, Korea, Cpl. Conrad Fosbender, Korea, nad Cpl. Richard Pearson, Alaska.

Steady

(Continued from page 1)

that today's fifth graders will be juniors, etc. The total enrollment today of students in kindergarten through the sixth grade is more than 725, or more than 200 greater than today's secondary enrollment.

Today, the new $500,000 high school, (for junior and senior students, grades seven through 12), is taxed to its capacity. A few more than 500 students occupy the building. How, then, in 1959, when more than 700 students will be knocking at Tecumseh's door for secondary education can the task be done without expansion?

And, should Tecumseh continue to grow as much in the next seven years as it has in the last seven, there will be the additional elementary students be housed without expansion of the buildings?

To meet this problem the Board of Education has proposed that:

An addition of four class rooms and a gymnasium be built at the new high school and completed by the fall of 1952.

A seven-room elementary unit be built on the site recently acquired as school property on North Union street. This building should be completed by the fall of 1953.

The Central School, formerly the high school, should be completely converted to elementary school purposes by the fall of 1952.

A seven-room elementary school building be built, probably on South Adrian street, and completed by the fall of 1954.

Immediate steps should be taken to annex school district No. 5, (including Tecumseh Acres and the area running west of Billington's Corners), which district is now furnishing about 100 students in the Tecumseh schools.

The sanitary conditions at Brownville school be immediately improved to permit its use for three or four years, when, unless added growth demanded its use, the building be abandoned.

The East Branch school building on East Chicago Boulevard, long ago abandoned, be sold. The State Department of Public Instructions frowns upon the use of the site for a school building, because of its location on a busy thoroughfare.

The State Department frowns upon the expansion of the West Branch school building, pointing out that ultimately the school, built in 1886, should be abandoned.

The thing that is worrying the Board of Education is how to finance such a school expansion program. While plans, specifications and architect's estimates of costs have not yet been obtained, those close to the situation predict that the carrying out of the program would entail the spending of some $750,000. The money would have to be raised through bond issues, payable possibly over 10, 15 or 20 years.

The new $500,000 high school is nearly paid for as of today. The district still owes only $90,000 on the building and this well be retired in 1953. There is, at the present time, about $40,000 in the retirement fund.

It is known that Superintendent McDowell plans to meet in the near future with members of the board of School District No. 5 to discuss plans for the consolidation of that district with Tecumseh's district No. 7.

The Tecumseh Board of Education, probably immediately after the Thanksgiving holiday, will convene and put into motion its program for the building program. This will mean sessions with the State Department, with architects and school planners. The State Department already has completed a tentative survey and has its recommendations ready.

'Dream House" Designed At MSC Building Confab

East Lansing—A composite picture of the kind of home most Americans would like to build was painted by a Detroit designer at the Michigan Home Building conference at Michigan State College's Kellogg Center for Continuing Education at East Lansing.

The picture was formed from statistics gleaned in a recent survey of more than 100,000 potential home builders.

Painter of the "dream home" was Arvid G. Petersen, president of Homograf Co., Detroit, a designing firm.

Here is what the ideal home would be like, according to the survey:

It would be a one-story structure, containing three bedrooms and no basement, planned so that it would be open to as much light as possible through big windows, porches and openings to the out-of-doors.

The home would be built of brick or masonary and would have no garage. The heating system would be either circulatory or forced hot air. Petersen said gas would be preferred over other fuels in areas where it is available.

Most people desire that dining and living room space be combined and kitchen eating space would be an absolute "must."

Tastes are running toward what the builders call "modular" planning. This is a system in which each part of a structure is in mathematical proportion to other parts to achieve harmony of design.

Added attractions would be built-in cabinets for china and many general purpose uses. The survey indicated that built-in snack bars and book shelves are becoming more popular.

Petersen said the survey definitely indicated that "functionalism" in home design is here to stay. "Functionalism," he said, "means that the atmosphere of a room should be in keeping with the room's use."

New Officers Chosen By Past Chief's Club

Mrs. Luther Wood, assisted by Mrs. Harry Schuch, entertained the Past Chief's Club, Friday evening, for its regular meeting. A short memoriam was held for Lilly Gray. During the business meeting new officers were elected with Mrs Ed Swift as president; Mrs. Fred Whelan, first vice president; Mrs. Clark Vincent, second vice president; Mrs. Wood, secretary; Mrs. Schuch, treasurer; Mrs. Iva Marsh, press correspondent.

The December 21 meeting will be the Christmas party with the exchange of $1 gifts, at the home of Mrs. Henry Ehlinger.

Cards were the diversion for the social time with honors to Mrs. Bert Aten, Mrs. Ervie Raymond, Mrs. Henry Kempf and Mrs. Marsh the guest prize.

Herald classifieds pay big dividends.

Taft Is Sure Of Nomination

SAYS HE HAS ASSURANCES OF APPROVAL ON EARLY REPUBLICAN BALLOT

Chicago — Senator Robert A. Taft says he has been given assurances in all parts of the country that he will receive the Republican presidential nomination in early balloting—probably the first or second—at the Chicago convention.

The Ohio senator was in Chicago for one of the biggest political rallys in the city's history.

He believes his chief support in the South at this stage of his campaign lies in these states in the following order: Virginia, Florida, Tennessee, Texas and North Carolina — five states that Herbert Hoover carried in 1928. He says he is sure of strong Midwest support and is stronger than ever in the South where he always has had a majority of support.

He plans to enter only the Wisconsin and Ohio primaries, since the additional entrances would necessitate his being away from Washington at a time when Congress is in session.

Senator Taft sees no possibility of a coalition between the Republicans and Democrats of the South unless the Democrats walk out on the party, which he believes unlikely. In his opinion, a coalition party would not be practical.

The Ohio senator says he bases his contention that there will be a GOP victory in 1952 on the fact that there is growing opposition in the country against practically every policy of the Truman administration except its opposition to communism. He believes the basic issue before the country is the GOP program for a free economy "socialistic" trend toward more government power and more spending. He listed three points he is stressing in his speeches.

1. Need for restoring honesty and integrity in government.

2. Need for better judgment in the United States foreign policy which, he claims, brought on the Korean war unnecessarily.

3. Need for a tighter rein on government spending which, he believes, is bringing more "dangerous inflation" and tighter taxes.

SENIOR CLASS WILL PRESENT PLAY SOON

The Senior class of Tecumseh high school is presenting a play, "The Little Dog Laughed," December 6 and 7 in the Central School auditorium at 8 o'clock. The members of the cast are: Donna Burleson, Jim Hite, Caoclyn Comfort, Carl Freckleton, Nita Spangler, Beverly Hay, Alfred Born, Carol Harper, Louanna Smith,, Alice Chapman, Janet Erhart, Joan Hindes, Charles Bishop and Virginia Gregory.

Members of Cabinet

Perhaps Russia would be satisfied if America invited her ambassadors to set as members of the cabinet.

Can anybody tell us why girls with good looking figures swarm the beaches?

Cub Scout Meet Draws Big Crowd

MORE THAN 200 ATTEND PROGRAM AND AWARD COURT AT CENTRAL, MONDAY

The November meeting of Tecumseh Cub Scouts Pack No. 4, held Monday evening at Central School auditorium, was attended by some 200 Cubs, parents and friends. Den No. 2 with Mrs. Cecil Fielder as den mother, assisted by Mrs. Kenneth Rutherford, conducted the opening ceremony with the Pledge of Allegiance to the Flag and the singing of the National Anthem, accompanied by Mrs. Anderson.

The presentation of a tableau entitled, "Strong for America," written by Robert French and narrated by the Rev. B. O. Bashore, was presented with nine dens participating. "The First Thanksgiving," by Den No. 6, Mrs. Wilbur Andrews, den mother, assisted by Mrs. Fred Randall; "Winter at Valley Forge," by den No. 7, Mrs. Max Smith den mother assisted by Mrs. Albert Williams; "Westward Conquest," by den No. 6, Mrs. Ralph Helzerman den mother, assisted by Mrs. Charles Stephenson and Mrs. David Dick; "The Gettysburg Address" by Den No. 1, Mrs. Harold Hall, den mother, assisted by Mrs. Chester Beach and Mrs. John Curth with James Nighswander portraying Abraham Lincoln; "The Raising of the Flag at Iwo Jima," by den No. 6, Mrs. Clair Rozelle, den mother, assisted by Mrs. David Lock, with Jerry Butler and Richard French singing the Marine Hymn; "Strength in the Home," portrayed by Den No. 2, Mrs. Fielder assisted by Mrs. Rutherford; "Strength in the School," by Den No. 9 with Mrs. Harold Morey, Den mother, assisted by Mrs. Lester Munger; "Strength in the Church," by Den No. 8 with Mrs. Clarence Champanois assisted by Mrs. Harold Green with a solo by Michael Tucker; "Strength Through Scouting," by Den No. 3 under the direction of Mrs. Robert French, Den mother, with Sandra Hall and Janet Martin of Girl Scout Troop No. 18, Ann Cameron of Brownie Troop No. 9, Doris Oliphant of Brownie Troop No. 7 and Barry Packard of Boy Scout Troop No. 4.

Sixteen new boys were taken into the pack in a ceremony conducted by G. Maxwell Smith, cubmaster, assisted by Lawrence Holdridge, advancement chairman. Twelve of the boys are members of the newly formed Den No. 10 of Macon, with Mrs. Joseph Sheward, den mother, assisted by Mrs. William Underwood. The Macon boys are Joseph Bartenslager, Frederick and Dan Betzoldt, Robert and William Bigelow, Richard Horvath, Raymond Howell, Richard Moore, Paul Schafer, Richard Socha, Wayne Tucker, Ronald Lemerand. Also inducted were Larry Meiers, Philip Head, Dennis Harrison and Jan Kachur of Tecumseh.

The following awards were made by Cubmaster Smith: James Creger, gold and two silver arrows under his wolf badge; Ralph Helzerman, jr., one silver arrow under his wolf badge; Tod Herrick two silver arrow points under his wolf badge; John LeBarron, bear badge; Teddy Hendricks, bear badge; Sheldon Nichols, bear badge; Raymond Lasky, bear badge and gold arrow point; Max Smith, lion badge and gold arrow; Richard French, lion badge; Jerry Butler, lion badge. Webelos badges, highest award in Cub Scouting went to Richard French and Duane Locke. Graduation certificates were presented to Jerry Butler, Leo Pask, Richard French and Duane Locke, who are eleven years of age and eligible to become Boy Scouts.

Each Cub is to bring a discarded toy to his next den meeting. These toys will be given to needy children as a Cub Scout Good Will Project at Christmas time. The Cubs also were asked to bring one Christmas tree ornament to their next den meeting. These ornaments will become the property of the Pack and will be used every Christmas.

The next meeting of the Pack committee and den mothers will be held December 10 at the Baptist church when final plans will be made for the next pack meeting on December 17 in the Fellowship Center of the Presbyterian church.

Den No. 2 won the attendance award with 87% of Cubs and parents attending. The meeting closed with the Cub Scout prayer by Gary Elliott of Den No. 7.

o

Board To Handle

(Continued from page 1)

matter came to Council's attention after a committee from the Girl Scout Association asked that ownership of the cabin be decided, as well as in whom authority for maintenance, etc., was vested.

The Girl Scouts and the Community Fund showed interest in the matter when it was learned that the girls had invested nearly $600 in maintenance, most of the money the gift of the Fund.

It appears that when the cabin was built authority for control was vested in a committee made up of Jerry Spafford, E. M. Campbell and Jim Hartsell. Unofficially, the Council ruled Monday that Mr. Spafford and Mr. Campbell still should constitute the committee, although no new appointment has been given. In what group or body the title to the cabin, at the present time uninsured, rests, was not made clear.

About a dozen folk, interested in Scouting, appeared at the Council meet, Monday evening. Because Council lacked a quorum, the meeting was adjourned until Friday evening, November 23.

o

BRITTON

The annual "Friendly Service Day" was observed by the Congregational women Thursday at the church with a co-operative dinner at 12:30. Devotions of the afternoon were led by Mrs. Francis Eberhardt. A reading was by Mrs. Francis Dartt. The business meeting was conducted by Mrs. Florence Gripton, president. Election of officers was held with the following results: President, Mrs. Doris Forsythe; vice president, Mrs. Effie Gibson; secretary, Mrs. Esther Seagert; treasurer, Mrs. Margaret Spohr. The remainder of the afternoon was spent making gauze compresses for a church hospital. Used clothing was brought to this meeting to be sent to a mission field.

Pfc. Wayne C. Filter, son of Mr. and Mrs. Henry Filter of Rt. 2, has recently completed the artillery communication course at Ft. Sill, Okla. He is now serving as a radio operator with his battalion. Pfc. Filter and his wife are residing near Trenton, Ky.

The Methodist women held their second meeting to study "The Family, A Christian Concern," an approved study course, held at the home of Mrs. F. B. Clifford, Tuesday afternoon.

Mrs. Margaret Curry who has been ill at her home here is slowly improving.

Ned Gittus and Henry Mueller who have been deer hunting near Bear Lake returned home Sunday evening. Mr. Gittus shot a deer.

John Lorenz and son Wilmer have returned from near Mio each with a deer.

Hunters returning from the north are Henry Mueller and Ned Gittus home from Bear Lake with Ned getting his deer; John Lorenz and son Wilmer home from near Mio, each with a deer; W. S. Niblack also hunting near Mio, brought a deer home Monday.

The Methodist W.S.C.S. will hold a regular meeting Wednesday at the home of Mrs. Robert Gibson with a co-operative luncheon to be served at 12:30.

The Parent-Teacher Association met Monday evening with Mrs. S. Rodgers of the state health department as speaker.

The Britton Womans Club met Tuesday afternoon at the home of Mrs. Mabel Moore. After a short business session a musical program was presented by the music committee. A program related to the holiday and films were shown. Refreshments were served by the committee in charge.

A large group from the Methodist Youth Fellowship and their leader, Mrs. F. B. Clifford, enjoyed a skating party at Sand Lake, Sunday afternoon.

Mrs. Martha Brady of Ann Arbor spent Sunday with Mr. and Mrs. Edward Kanous and family.

The North East Britton Extension Club plans to meet Friday with Mrs. Irving Downing with a co-operative dinner to be served at 12:30. A lesson on "Color in the Home," will be presented by the leaders in the afternoon.

Mr. and Mrs. Forrest Barrett attended the silver wedding anniversary party honoring Mr. and Mrs. L. A. Davis near Dundee, Saturday evening.

o

SHED CATCHES FIRE

A shed on the Dale Creger property, Russell Road, caught fire Tuesday morning, causing an alarm to be sent to the department here. The blaze was quickly extinguished and damage was minor, firemen said.

o

The question yet to be determined in some European countries is whether they will to fight against Russian domination.

Fresh - Frozen Foods Are So Easy To Serve

Have you ever tried serving a dinner of fresh-frozen foods? If you haven't you're in for a surprise and a treat.

There's absolutely NO WASTE when you serve fresh-frozen foods. They are ready for the pan or the table as quickly as they are thawed. And they're so delicious—the very choicest.

Drop in next time you are downtown and inspect our frozen foods cabinet. There's just everything you and your family like—including berries, cherries, beans, corn, etc.—and they're as fresh as the day they came from the garden.

Monoxide Death Warning Issued

FORTY PEOPLE IN MICHIGAN ARE EXPECTED TO LOSE LIVES THIS WINTER

Forty Michigan people will lose their lives to carbon monoxide poisoning in the next few months unless we all give more attention to its danger, the Michigan Department of Health warned today.

Every year about this time, the colorless, odorless and tasteless gas snuffs out the life of a businessman warming up his car in a closed garage, of a sleeping family unaware of a defective furnace, of transients in a poorly ventilated tourist cabin or a young couple parked in a car with its motor running.

It takes only ten parts of carbon monoxide in ten thousand parts of air to put a person to sleep in an hour and to kill him in four hours. As little as two parts per ten thousand will cause headache, nausea and dizziness. Greater proportions cause unconsciousness and death more rapidly.

These are the precautions which you must observe to protect yourself and your loved ones from the danger of carbon monoxide, the Health Department said:

1. Make sure that all heating appliances in your home are properly vented and that the vents are open and without cracks or leaks. Have the furnace lining inspected to assure that carbon monoxide cannot leak into the jacket and heating ducts, no matter whether you heat with coal, gas or oil. Remember that where there is smoke or smell there is usually carbon monoxide, and there may be carbon monoxide where there is no smoke or smell.

2. Be sure that the carburetor on your car is properly adjusted and that the exhause system is absolutely tight. Don't warm your car up by running the engine in a closed garage. Keep a window open when you drive long distances. Close the fresh air intake in congested traffic so that exhaust fumes from the car ahead are not drawn in. If you begin to feel drowsy, dizzy or slightly nauseated while driving or riding, stop the car, get out and open all the doors. Have the car checked before you drive it again.

3. Don't take chances on "parking" in an automobile with the engine running, even with a window open.

4. When you stay in a tourist or hunting cabin, make sure that the space heater is vented and that the vent is open, and for double security, raise the window before retiring. A bird nest or leaves may clog the chimney.

5. Don't use a gas or kerosene oven or the burners on your stove to warm up the kitchen these cool mornings. Remember, too, that the snug, drowsy feeling you get when you sit by the fireplace or over the hot air register may be due to carbon monoxide.

If you work in a garage or service station where cars are repaired, be sure that any motor running inside the building is vented to the outside of the building.

Don't take any stock in "ozone generators" or like equipment for the elimination of carbon monoxide dangers.

Open all the doors of a house, cabin, garage or car thought to have carbon monoxide contaminated air. If a person has been overcome by carbon monoxide remove him at once to open air, keep him warm; and call a doctor, and while waiting, apply artificial respiration, if necessary.

Says Modern Education Has Always Faced Threats

Public education in this country has developed as the result of a continuous struggle between conflicting forces, according to Dean James B. Edmonson of the University of Michigan School of Education.

According to the dean, "There always have been threats that the programs and services of schools would be curtailed. At certain times these threats have been unusually serious."

Threats to education do, however, often have a positive value, he asserted, as they may direct attention to dificiencies and needs which, if met, would strengthen our educational system.

The viewpoint of the dean is that "while the existence of threats must be recognized, there are many more reasons for optimism than for pessimism about the future of public education in the United States.

"Our education system has grown in scope and effectiveness in spite of past threats, and will continue to do so because of the unbounded faith of the common man in the values of free public schools," Dean Edmonson stated.

However, he feels that groups outside of the schools must get more adequate inforamtion regarding the goals of American education.

Educators have a responsibility to stress the viewpoint that education is not a drain on our national income but a prudent investment in terms of preparation for successful participation in the social and economic life of American democracy, Dean Edmonson feels.

Educators also must help the citizen appreciate the fact that the public school is a necassary unifying influence in our community, state and national life, he says.

Traffic Deaths Are On Up-Swing

159 KILLED DURING MONTH OF SEPTEMBER; INJURIES ALSO JUMP

Traffic accidents in Michigan during September cost the lives of 159 persons, two more than were killed in the same month last year. Injuries and accidents also were higher, resuming the upward trend which had been halted temporarily in August.

According to the State Police monthly statistical report, the traffic toll included 4,558 persons injured in 14,096 accidents. Injuries increased 225, or five per cent, over 4,333 in the same month a year ago and accidents increased 706, or five per cent, over 13,390.

Compared with the corresponding months of the previous year, traffic deaths have increased in all months of 1951 except April and May. Likewise, with the exception of August, injuries have been up each month since last February and accidents have been higher since May of 1950.

If the trend continues the remainder of the year, the 1951 traffic toll will be the worst in Michigan history from the standpoint of total casualties.

The traffic record for the first nine months of this year shows 1,200 persons killed and 35,964 injured in 126,020 accidents. Deaths were up 77, or seven per cent, over 1,123 for the same period in 1950. Injuries increased 3,688, or 11 per cent, over 32,276 and accidents increased 15,715, or 14 per cent, over 110,305.

Travel in Michigan during August, the latest month for which figures are available, was 2.3 billion miles. This was five per cent over the 2.2 billion miles traveled in the same month last year. Mileage for the first eight months of 1951 was up nine per cent, 16 billion miles as compared with 14.6 billion. The death rate per 100 million miles of travel, however, was down two per cent, 6.44 compared with 6.60.

RAIN PUTS PAINTER OF BARN ON SPOT

Plattsmouth, Neb. — A painter from Tennessee came to grips with the law on the complaint of a Nebraska farmer. The farmer paid the painter $600 for painting a barn. A week later it rained and the barn returned to its original color.

LOCALS AND PERSONALS

Captain Gregg Aebersold of the Air Force will arrive home Thanksgiving Day to spend the week-end with his parents, Mr. and Mrs. E. J. Aebersold and brother, William, and with his wife and son, Stephen. His parents will entertain at a Thanksgiving dinner Thursday evening, Mr. and Mrs. Henry Carl Smith and sons, Capt. Gregg Aebersold and his family, and William Aebersold. Capt. Aebersold and his wife and son will return to Luke Field, Phoenix, Ariz., where he will resume his duties as a jet plane gunnery instructor.

Mr. nad Mrs. Charles Howe will spend Thanksgiving Day in Toledo with her brother and family, Mr. and Mrs. D. E. Voorhees.

Mrs. M. L. Pawson of Battle Creek and her daughter and family, Mrs. Hugh Simpson of Fenville were Sunday guests of Mr. and Mrs. Charles Howe and Mr. and Mrs. Victor Voorhees.

Mr. and Mrs. Donald VanHook will entertain at a family dinner Thanksgiving Day, Mr. and Mrs. Jerry Filter and son, David, of Toledo, Mrs. Virgil Stone of Fort Wayne, Ind., and Mrs. Alice VanHook.

Mrs. Mabel Beardsley has returned home from Bowling Green, Ohio, where she has been assisting for several weeks as house mother at Bowling Green University.

R. S. Pocklington and his mother, Mrs. Guy T. Pocklington will entertain at a Thanksgiving Day dinner, 37 guests from Brooklyn, Ypsilanti and Tecumseh.

Mrs. A. C. Hamaker accompanied her daughter-in-law, Mrs. John L. Hamaker to Ventura, Calif., where they will visit relatives. Mrs. A. C. Hamaker expects to return about December 1 and her daughter-in-law will remain for the holidays.

Mr. and Mrs. Ralph Westgate and Mr. and Mrs. Thomas Gallant and family will spend Thanksgiving Day in Toledo with Mr. and Mrs. Jack Wilson.

F. C. Dickinson and son, Frederick, are spending two weeks at their cabin at Douglas Lake, deer hunting. They were accompanied by Kenneth Herrick and Robert Todd for one week and A. W. Porter and Clarence Beach are at Douglas Lake this week.

Dr. W. S. Britton, with a group of friends from Dundee are on a hunting trip at Grand Marais.

If its news call The Herald.

Reformers are super-idealists who believe that the world could be perfect by rectifying a million or so slight faults in humans — which they take the trouble to point out.

Women From Adrian W.S.S. Guests At Program Here

The Woman's Society of Christian Service of the Tecumseh Methodist church entertained thirty-two women from the Adrian society on Wednesday afternoon in accordance with the Visitation Program of the Ann Arbor District.

The president, Mrs. Robert Bonner, presided, and opened the meeting with prayer offered by Mrs. Ronald A. Brunger. Mrs. Lenore West led the devotions and then Mrs. Wm. Phalen of Garden City, district secretary of the Missionary Education, presented the missionary needs at home and abroad, "If we are to have peace," in a very interesting manner.

The annual Thanks-offering service of the local society was conducted. Mrs. T. Rentschler, chairman of the Committee on Status of Women, briefed the history of Tecumseh, the Methodist church, and the local women's society for the benefit of the guests. A short business meeting followed.

In conclusion tea was served by Mrs. Ed Harper, chairman, Mrs. E. A. Collins, Mrs. George Wittrup, and Mrs. Rentschler. The Rev. Ronald Brunger, who started the Methodist church at Garden City, was introduced to the assembly and told briefly of his work there. Among the guests were former Tecumseh residents, Mrs. Alfred Wright, Mrs. Wm. Barnes, and Mrs. Lawrence Reeves.

The visitation program is proving to be popular among the Women's Societies in the Ann Arbor District. Tecumseh will be entertained by Morenci. Preceding the meeting Mrs. Bonner entertained Mrs. Phalen and Mrs. Stockbridge at luncheon in her home. She is a former teacher of Mrs. Phalen's son, James, who recently returned from service in Korea.

AIR FORCE TO REDUCE INFORMATION OFFICES

Washington—Because of budget cuts, the Air Force says it is reducing "greatly" and in some cases eliminating its public information offices in the field.

An Air Force spokesman said it was impossible to estimate how many persons or offices would be affected. He said the department has told all major commands of funds available to them for information purposes and will leave it to the commands to make needed cuts.

Congress voted about $10,000,000 for all public relations of the Department of Defense and the individual services. The department had asked about $15,000,000.

STATUE OF STALIN TO SOAR 230 FEET

Washington—Soviet Russia, the Communist regimes of Hungary and Czechoslovakia are planning to erect giant statues of Joseph Stalin, the "Voice of America" says.

The State Department radio said the largest will be in Russia and will "top all other statues of Stalin." More than 70 meters (about 230 feet) tall, it is to be a part of the decoration project for the Volga-Don Canal.

An overseas broadcast said the Czech statue would be 20 meters high and the Hungarian statue 30 meters.

RIDGEWAY

Mr. and Mrs. Clifford Flower of Leslie, Mary Boss of Adrian and Estella Hite were in Hillsdale Wednesday evening to attend a play at Hillsdale College.

Sunday guests of Mr. and Mrs. Will Fletcher were Mr. and Mrs. Raymond Francis and daughters of Milan. The occasion was the birthday of Mr. Francis. A large birthday cake centered the dinner table.

Mary Boss and Estella Hite spent the week-end at Leslie guests of Mr. and Mrs. Clifford Flower.

Jennings Frayer and Warren Benham are in northern Michigan on a hunting trip.

Mrs. Charles Peters and Mr. and Mrs. Clarence Clark are on a hunting trip to Oscoda.

Mr. and Mrs. Stanley Carter and family of Toledo were guests Wednesday of his parents the Rev. and Mrs. Lorne Carter.

Mr. and Mrs. Howard Landin came Friday for her parents, Mr. and Mrs. Thomas Birdsall, who returned with them to St. Clair Shores for a week's visit.

Mrs. Guy T. Pocklington spent Sunday in Ypsilanti.

Mr. and Mrs. Wayne Keith visited relatives in Metamora, Sunday.

Official board meeting at the Methodist church will be held Tuesday evening, December 4 at 8 p.m.

Mr. and Mrs. Harry Bishop of Saline visited in town, Sunday. Mrs. Bishop returned recently from a trip to England.

Mr. and Mrs. Ralph Sturtevant and family spent the past week with her mother, Mrs. John T. Foote and Mr. Foote in Florida.

Special meetings are being held in the Nazarene church each evening.

Good Breakfasts Reduce Accidents and Illness

A quick return to "family" breakfasts was urged by State Health Commissioner Albert E. Heustis.

"Far too many Michigan grown-ups are eating poor breakfasts or no breakfasts at all; far too many Michigan school children are starting their day underfed," the Commissioner said, and added:

"If your family is used to slighting its breakfast, you don't know how good and how happy you can feel, until you regularly sit down together to steaming bowls of cereal topped with fresh fruit and milk, a plate of piping buttered toast and possibly a platter of scrambled eggs with crisp bacon.

"It may mean getting up 20 minutes earlier; it may mean setting the table, getting out the skillet and box of cereal the night before, but it's well worth it. You'll feel better all day; you'll be happier, you'll get more done and you'll be less susceptible to accident or illness.

"Teachers know that the child who eats a better breakfast has a better day, is more attentive, more alert and less irritable.

"Industrial studies have shown that the worker who eats a better breakfast is a better worker, gets more done early and keeps up good production, makes fewer mistakes and is less apt to have an accident. The same thing applies to office help and to the wife in the home.

"With fall and winter coming on, when you spend more time indoors, working longer hours, come in contact with more people, chances of exposure to illness greatly increase. Bodily resistance must be kept high. One of the chief ways to build resistance to illness is to be properly nourished, and you can't be properly nourished without a good breakfast."

If its news call The Herald.

ONE HUNDREDTH FIRST YEAR — NUMBER 9 | TECUMSEH, MICHIGAN, NOVEMBER 29, 1951 | FIVE CENTS A COPY

New Downtown Parking Site

POSTOFFICE LOT ON SOUTH PEARL STREET IS MADE AVAILABLE TO THE VILLAGE

Another downtown parking lot, free to the public, may become available soon, the result of action by the U. S. Postoffice Department. Through F. E. N. Thatcher, acting postmaster, the Village Council was advised at its meeting, Friday, that the government's lot on South Pearl street would be made available to the village for parking purposes until such time as the department desired to use it. The only stipulation was that the use of the lot by the public must be without charge.

The Council accepted the government's offer and it is understood that a survey will be made soon to determine the exact boundary. Grading, fencing and marking will be the next steps and then the site will be opened for free parking. The lot is immediately south of the Hammel Building and is large enough to accommodate 30 or 40 cars. It is slightly more than a block from the downtown main street intersection.

The lot was purchased by the federal government several years ago as a site for a new postoffice building here. World War II followed soon after and because of a shortage of materials the postoffice department announced that construction could not be started. Since the end of the war, lack of federal funds delayed construction.

Two months ago the Postoffice Department leased a new building on East Logan street, built by Howard Truesdale, for local postoffice purposes. Apparently the government now feels that it will have no immediate use for the property and that it can best serve the public as a parking site.

Tecumseh has long been feeling the pinch for downtown parking and the Council was very happy to have the lot made available for such a purpose. It is known that the Council desires to make the necessary improvements as quickly as possible, but how soon will largely depend upon weather conditions.

Choristers To Sing At Hospital

CECILIAN GROUP FROM SIENA HEIGHTS ARRANGE SPECIAL PROGRAM HERE

A Christmas serenade will be given for the patients of Herrick Memorial Hospital by the Cecilian Choristers of Siena Heights College on the evening of Monday, December 17, it was announced today. The singing on the hospital lawn will precede the Christmas concert which will be presented in the Central school auditorium at 8 o'clock.

The Choristers serenaded the hospital patients on their last appearance in Tecumseh two years ago, and Miss Gertrude Spaulding, superintendent, reports that it gave real pleasure to the shut-ins and that she is gratified to hear that the visit will be made again.

The highly popular singing group of fifty voices, under the direction of Sister Marie Paul, is nationally famous for the quality of its music and the striking manner of its presentation. Tecumseh residents who heard the concert two years ago will be eager for this year's performance.

Robert Hayes, Adrian business man, and Ronald Harris, secretary of the local Chamber of Commerce, are making arrangements for the transportation and entertainment of the singers. There will be no admission charge for the concert.

JUDGE RATHBUN TALKS TO THE ROTARY CLUB

Circuit Judge G. Arthur Rathbun was the speaker at the regular dinner meeting of the Rotary Club, Tuesday evening at the Country Club. He was the guest of Herbert Dillon.

Judge Rathbun briefly reviewed some of his experiences during the 22 years that he has served as Lenawee's judge. He also indicated that he would not be a candidate for reelection when his present term of office expires.

Next Tuesday evening, "Dusty" Miller, well known Ohio humorist and newspaper publisher, will be the speaker and on December 11, Cong. Paul Shafer of Battle Creek will address a joint meeting of Rotary and Exchange.

Other guests were Clayton Goebel, Lynn Rouget, Dr. Bradstrum, Arnold Glazer and O. C. Brown of Blissfield, and Carlos Jones, Wayne Balliett, Carl Fosbender and Mr. Richardson of Tecumseh.

T. Wright McClure, 47, Buried Here, Wednesday

Graveside services were held Wednesday afternoon at 3 o'clock at Brookside cemetery with the Rev. Donald C. Wilson officiating, for T. Wright McClure. Mr. McClure's death occurred Sunday, November 25, in McGee General Hospital, Crafton, Pennsylvania, where he had been a patient for two weeks. Mr. McClure was born December 6, 1903, in Crafton and was the son of Thomas and Julia McClure.

Survivors are his wife, Marie; one son, Thomas McClure, jr., his mother, Julia McClure of Tecumseh; one brother, Donald, of Susanville, Calif., and two aunts, Mrs. Jennie Bangs and Mrs. Richard Mead, both of Tecumseh. He was preceded in death by his father and one brother, George. Funeral services were held in Crafton, Penn., Tuesday at the Hershberger Funeral Home.

Letters For Santa

SPECIAL CHILDREN'S MAIL BOX WILL MAKE ITS APPEARANCE ON SATURDAY

Santa's special mail box arrived in Tecumseh today. It was shipped from the North Pole to the Chamber of Commerce and it will be uncrated at once and put in position at the intersection of Chicago Boulevard and Evans street, probably on Saturday.

"Children who use this mail box need not place stamps on their envelopes in order to get their Christmas messages to Santa," Ronald Harris, secretary of the Chamber of Commerce, said. "This is Santa's special mail box, and every letter that is posted in the box is certain to reach St. Nick, personally."

This will be the third year that Santa has sent one of his special boxes for use in Tecumseh. And each year the number of letters that are mailed to Santa shows a marked increase.

The special mail box, decorated in Christmas colors and with a picture of Santa on it, is slightly more than three feet in height. It looks like a regulation mail box —except for the size.

Mail Carrier Hurt In Wreck

AMOS WILSON, CLINTON POSTOFFICE EMPLOYEE, PATIENT IN U. OF M. HOSPITAL

Amos Wilson, 52, Clinton rural mail carrier, was critically injured at 11:57, Tuesday morning, when the jeep he was driving and a car driven by Alex Waldon, 16, Tecumseh, crashed at the intersection of Pennington and Murphy Roads, six miles southeast of Clinton.

Mr. Wilson suffered a broken left leg, right shoulder, cracked ribs and a possible back fracture. He was removed to Herrick Memorial Hospital here for treatment and later was taken to University Hospital, Ann Arbor.

Mr. Waldon suffered neck injuries. He was treated at Herrick hospital and then released.

State police of the Clinton post said that Waldon was driving south, Wilson was going west. Vision at the intersection was blinded by a cornfield. Both cars were traveling at a speed of 30 miles an hour, they said.

STUDENT COUNCIL DANCE

Another in a series of dances, sponsored by the Student Council of the public schools, will be held Friday evening, November 30, at the Central gymnasium. Music will be furnished without charge by the Tecumseh Products Co. orchestra, and dancing will be from 9 to 12. The Products' orchestra also furnished music, without charge, for a similar dance held here on November 16.

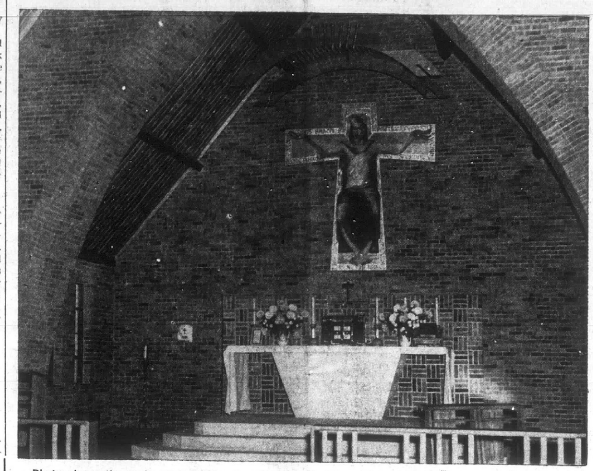

Photo shows the main altar of the new $100,000 St. Elizabeth Catholic church on North Union street, which replaces the old church on East Chicago Boulevard, outgrown by the parish. The new church has a seating capacity of 400 and it was filled pract cally to capacity on Sunday morning when the Rev. Fr. Michael Collins officiated at two masses, one at 8:30 and the other at 11 o'clock. The altar of the new church is constructed entirely of Wisconsin stone, the base weighing over three tons, and the table slab more than a ton. The church will be officially dedicated next spring when His Eminence Edward Cardinal Mooney of Detroit, will participate in the service. It will be used, however, for all services prior to the dedication, and the former church will be used as a church hall.

Farm Bureau Begins Drive

ROLL CALL MEMBERSHIP CAMPAIGN WILL BE LAUNCHED DECEMBER 3

The Lenawee County Farm Bureau roll call membership drive will start December 3. Walter Goetz of Riga is roll call chairman. He will be assisted by six area men: Marion Goodlock of Manitou Beach, Harold Culbert of Clayton, Lester Maniaschreck of Morenci, Lloyd Ruesink of Adrian, Melvin Rodeslier of Riga and Donald Gust of Ottawa Lake.

Each of the 26 community groups in the county has elected a roll call captain who will supervise the workers who canvass his territory. All of these workers and their wives will attend a potluck dinner which will be served in the Michigan Producers Dairy Company Hall on East Maumee street in Adrian at 7:30 p.m. on December 3. Workers' kits and all necessary material will be given out at this meeting. Good entertainment has been planned and Wesley Hawley, director of membership acquisition of the Lansing office of the Michigan Farm Bureau will be the speaker.

CHRISTMAS PAGEANT

A Christmas pageant under the direction of Robert Peck, music teacher, will be held in the Central school auditorium, Friday evening, December 14 at 7:30. Grades three through six with 375 pupils will take part in the pageant.

HOLIDAY BALL

Music for the "Holiday Ball," sponsored by the Herrick Memorial Hospital Auxiliary, will be furnished by the "Dur-Whipple" orchestra.

The Baptist Ladies Union will be Saturday evening, December 1, at the Tecumseh Country Club.

NOTICE

My office will be closed from Sat., Nov. 3 to Dec. 2, incl. H. H. Hammel, M. D. 11-29

TECUMSEH HIGH AGAIN ON U ACCREDITED LIST

James McDowell, public school superintendent, has been advised by the University of Michigan that Tecumseh High School has again been named to the University's accredited list for a three-year period.

Tecumseh High School has been on the University's list of accredited secondary schools continuously since 1894.

Cemetery To Be Enlarged

COUNCIL APPROVES EXPENDITURE UP TO $10,000 FOR EXPANSION PROGRAM

The board of trustees of Brookside Cemetery was empowered to proceed with the development of recently acquired lands, adjacent to the present cemetery, when the Village Council, in session Friday evening, granted permission for the use of as much as $10,000 of the cemetery's perpetual care fund to do the work. Council ruled, however, that the money should be returned to the fund through the sale of lots, plus an interest charge at the rate of four percent.

The cemetery board has been finding it difficult to develop the property because of a lack of ready cash. There is ample money in the perpetual care fund to do the work, it was pointed out. The present cemetery is very rapidly reaching its grave capacity.

Council also named Clyde I. Eckler, village engineer, as Tecumseh's administrator in its dealings with the State Highway Department in the future. A map of all of the village streets, showing distances, etc., has been requested by the state and this is being forwarded to Lansing.

Purchase of a new fire siren at a cost of $635 was approved, and a new adding machine for the village office was purchased at a price of $95.

Council also took the necessary legal steps to make possible the issuance of $285,000 worth of bonds for the construction of a new sewage treatment plant here. Approval of the bonds was given by voters at an election here last October.

Current bills were audited and ordered paid and reports of department heads and committees were read and placed on file. A resolution from the Tecumseh Ministerial Association, opposing gambling in all of its forms, in Tecumseh, also was read and filed.

Board Studies School Program

SEES NEED FOR FIVE-ROOM ADDITION AT HIGH SCHOOL; MORE LAND BOUGHT

The Board of Education, in special session, Monday evening, continued its study of the needs for the future of the Tecumseh public schools and arrived, tentatively, at this conclusion:

A five-room addition, plus a gymnasium, must be added immediately to the new $500,000 high school.

A seven-room elementary school, to accommodate rapidly increasing grade enrollment, should be completed on a site recently acquired on North Union street, not later than the fall of 1953.

Not later than 1953, another school, probably seven rooms, must be built in the western part of the district, probably on South Adrian street, to accommodate an even larger enrollment. This school, it appears, should be finished not later than the fall of 1954.

Suck a program, the board was advised, should be ample to meet the needs of the expanding community for at least seven years.

"We are facing a terrific school problem, one that has been creeping upon us for several years," James McDowell, superintendent, said today in discussing the program. "It also should be kept in mind that we are not thinking about the future growth of Tecumseh in years to come when we discuss the program. The needs are here, we have the enrollment, and we know, from the U. S. census figures, that the number of preschool age children who are not yet enrolled in school will swell the number still more."

Mr. McDowell said that Tecumseh, by next fall, would have no alternative, other than the use of the public library and the

(Continued on page 6)

COMMUNION SERVICE

The men and boys of St. Peter's church will participate in the observance of the annual Advent corporate communion of the men and boys of the Episcopal church at the late service on Sunday, December 2.

Monday Club Meets With Mrs. Will Swick

The Tecumseh Monday Club met at the home of Mrs. Will Swick, Monday, with 36 in attendance. Mrs. Swick was assisted by Mrs. Mills Swick, Mrs. Guy Pocklington and Mrs. Floyd Barrett. During the business meeting the report of the budget committee was read and accepted. Mrs. Pocklington and Mrs. E. J. Aebersold gave their reports of the District Federation meeting, held at Howell in October. Mrs. George Bunch was accepted as a new member of the club.

Mrs. J. W. Beardsley was the leader and a community sing was enjoyed by the group. Mrs. Neil Pearson showed colored slides of her flower garden and of a trip through the east this summer. Mrs. Perry Hayden gave the religious thought of the day.

The December 10 meeting will be held at the Methodist church. It will be the Christmas program. Mrs. Ronald Harris, co-chairman of the department of music and drama, will be the leader.

Future Nurses Club Is Formed

SENIOR HIGH SCHOOL GIRLS ORGANIZE UNIT WITH AID OF HOSPITAL AUXILIARY

The organization of a Future Nurses Club in the Tecumseh high school, sponsored by the Auxiliary of Herrick Memorial Hospital, has been announced by the Auxiliary Scholarship Committee Chairman, Mrs. E. C. Boss. Under the leadership of the school nurse, Miss Elesa Simonson, twelve girls who are either sophomores, juniors or seniors, have formed the club which will be affiliated with the state organization of Future Nurses Clubs, with headquarters in Detroit. The girls are planning to draft a constitution, and hope to have Mrs. Grace Wulff, head of the state organization, of Detroit, explain to them the work of the other Michigan Future Nurses Clubs. The members also hope to have national pins eventually, earning them by faithful attendance at club meetings.

There are now over 70 such clubs in Michigan which is one of the pioneer states in this movement. The first club was formed by Mrs. Wulff in 1938 when she was teaching at Cooley high in Detroit. New clubs have developed so rapidly, keeping pace with the reawakened interest in the splen-

Pfc. Voorhees Lost In Korea

LOCAL FAMILY ADVISED SON IS MISSING IN ACTION BY DEFENSE DEPARTMENT

The U. S. Department of Defense, on Monday advised Mr. and Mrs. Victor Voorhees, Rt. 2, Tecumseh, that their son, Pfc. Victor Voorhees, 23, had been missing in action in Korea since October 3. Pfc. Voorhees was a member of Company E, 5th Cavalry Regiment.

A graduate of Clinton high high school, young Voorhees entered military service on January 3, 1951. He received 13 weeks of boot training and then a furlough and shipped on May 25 for Korea. His parents received their last letter from him on September 27.

Voorhees was active as a farmer, operating his parents' farm on Pennington road, northeast of here, prior to entering the army. His father is employed at Tecumseh Products Co.

ANNUAL COOKIE SALE

Mrs. Wallace Rutherford, president of the Girl Scout Association, has announced that the Scouts are making plans for the annual cookie and calendar sale. This year, candy is being added as a special feature. The sale will be held in December, in charge of leaders from various Scout and Brownie troops.

AUXILIARY TO MEET

The Legion Auxiliary will meet in the Legion home, Monday evening, December 3. Mrs. Lloyd Bell of Saline, second district president, will be the guest of the evening. Special entertainment is being planned. Mrs. Leland Cheever is hostess chairman.

Gone deer hunting Nov. 14-29 incl. Office open for collections and refills. R. F. Helzerman, M.D. adv. 11-29

Cafeteria supper at Methodist church tonight (Thurs.). Serving at 5:30; also parcel post and bake goods sale. adv. 11-29

Traffic Crash Costs Five Lives

MISHAP IN MONROE COUNTY PRECEDED RAIN, SLEET STORM, SUNDAY EVE

A traffic accident that preceded Sunday evening's rain and sleet storm by about two hours, cost five lives in Monroe county at 4:50 p.m. Numerous other mishaps, as a result of the ice-glazed highways, were reported to state and local officers. One accident happened in Tecumseh.

The Monroe county accident happened at the Sylvania-Petersburg roads intersection, three miles east of the Lenawee county line. Killed were Howard Schumaker, 43, Dearborn; his son, Paul, 10; Ned Twining, 45, Maumee, O.; his daughter, Brabara, 18, and her grandfather, Vern McLaughlin, 66, both of Toledo. Mrs. Mildred Schumaker, 40, was critically injured and removed to a Monroe hospital.

Robert Twining of Toledo, driver of one of the ambulances that was called to the scene of the wreck, discovered upon arrival that his father, sister and grandfather had been killed. The trio were on their way to Petersburg, he said, to assist a sister to move into a new house.

State police were unable to place the blame for the crash. Troopers had been stationed at the corner for nearly two hours during the afternoon to make certain that stop signs were observed. They had left the crossing only minutes before the crash.

The drizzle and ice storm struck this section of the state about 5:30 Sunday evening and continued to hamper traffic throughout the night and early Monday morning. Numerous minor accidents were reported to police and sheriff's officers, involving property damage.

Only one mishap occurred in Tecumseh. At 6 p.m., Sunday, cars driven by Marian B. Murphy, Rt. 2 Tecumseh, and Paul H. Lauer, also of Tecumseh, collided on the bridge on M-52. Police estimated damage at $100. No one was hurt.

Head Of Legion Hits Communism

THOMAS ROUMELL, MICHIGAN COMMANDER, TALKS TO ROTARY CLUB HERE

American freedom is not free . . . it was bought and paid for in blood on Revolutionary battlefields, and we, as Americans, will lose it unless we accept the challenge that American citizenship entails, Thomas Roumell, Michigan commander of the American Legion, told Rotarians, last week, when he addressed that group following dinner at the Country Club.

Commander Roumell, a veteran of World War II, bitterly denounced the spread of communism in the United States and the public acceptance of "parlor pinks" and "fellow travelers." He named several top radio, television and movie entertainers in the "fellow travelers" group and declared that until such time as public acceptance of the "pink" class is no longer received, it will continue to increase.

His denunciation of the Alger Hiss case was costic, but he pointed out that the greatest penalty, under U. S. law, that it is possible at the present time to administer is a perjury sentence.

"In the history of this great nation, we have fought and won eight wars," Roumell said. "We have the manpower, we have the ability and the know-how to do this. However, we can continue to fight and to win wars, but what about the peace. Can we hold the peace is the great question."

Roumell pointed out that the

(Continued on page 6)

CHOIRS TO SING

The junior and senior choirs of the Baptist church are planning another musical program to be presented in the church, Sunday evening, December 9. Adults will practice Sunday afternoon at 3 p.m. and the children at 3:30.

NAME OMITTED

In the report in last week's issue of The Herald, concerning a resolution adopted by the Tecumseh Ministerial Association opposing gambling in all forms in Tecumseh, the name of the Rev. Donald Wilson, pastor of the Presbyterian church, was omitted from the list of signatures. The Rev. Mr. Wilson did sign the petition as did other members of the Association.

YULE TREES, MULTI-COLORED LIGHTS TO ANNOUNCE CHRISTMAS SEASON

Tecumseh Will Put On It's Holiday Dress, Saturday, December 1

Tecumseh will be in gala dress for the holiday season, starting Saturday, it was announced today at the Chamber of Commerce.

Ronald Harris, secretary, said that he had completed arrangements with the Village Street Department for the placing of dozens and dozens of Christmas trees in the downtown section, and, by Saturday evening, he said, thousands of multi-colored lights, hidden in the trees, will be turned on for the first time.

"We have already had several calls at the office, wanting to know how soon Tecumseh would take on its holiday dress, preparatory to our annual holiday party and the arrival of St. Nick on December 15," Mr. Harris said. "It now seems certain that the holiday lights will be turned on this week-end, giving the village that dressed-up appearance for nearly a month before Christmas."

The decorations this year, Harris said, will include two evergreen trees at every ornamental light post in the downtown area, and two larger trees at each end of the boulevard in the business section, probably at Pearl and Ottawa streets. Electricians are expected to put the multi-colored lights in place on Friday and Saturday.

"There will be no doubt but that Santa Claus and his reindeer will arrive here on Saturday evening, December 15, at 7 p.m.," Harris said. "We had our first telegram from the North Pole a week ago, announcing the date, and since that time we have been in communication with St. Nick and he has confirmed the date.

"Santa, again this year, is bringing his sleigh and eight reindeer, and he will be in Tecumseh throughout the evening of the 15th. He will have gifts for every youngster that he sees, and he wanted us to be sure to advise the children that he would have plenty of time to visit with them, and to learn just what they most desire for Christmas."

Harris stressed the fact that all youngsters in the Tecumseh trading area are welcome to attend the Santa party.

"Last year," Harris said, "nearly 2,000 boys and girls saw and met Santa in Tecumseh. We hope that an even larger group attends this year's party, and there will be gifts enough for every child."

Is There A Need For Planning?

For months on end we have been saying, editorially, that Tecumseh has many serious problems confronting it, problems that sooner or later must be solved.

In the months of October and November, it seems, two of the problems came home to roost.

In October, the property owners, by an eight-to-one majority, voted approval of a $285,000 bond issue for the installation of a sewage disposal plant and the necessary interceptor sewers.

Two weeks ago, less than a month after the approval of the bonding issue, the Board of Education let it be known that it needs $750,000 for the construction and improvement of school property in Distirct No. 7, which includes the Village of Tecumseh.

When the voters approved the sewage treatment plant bond issue they knew, full well, that Tecumseh was "over the barrel," so to speak, and that unless approval of the bonds was given the Michigan Stream Control Commission would force the issue, take the Village into court and make the building of a treatment plant mandatory. After all, Tecumseh had been promising for more than 20 years to build the plant and now, that the town is growing up, the state was running out of patience. Dumping raw sewage into the River Raisin was and is a violation of the state law.

And so last month the property owners of Tecumseh got one of the problems out of their hair by approving the mortgaging of the Village for more than a quarter of a million dollars. But that was only ONE of the problems. Now we are face-to-face with an educational problem that is nearly three times as great, financially, as the first one.

There is only one way for Tecumseh and School District No. 7 to solve the school expansion problem, if it is to be solved. The voters must give approval of another bond issue —the size still must be accurately determined—and more school building must be built and present ones expanded.

Whether we like it or not, we have a school problem, a very serious one. And as we see it it is not a problem that can be solved by merely shrugging our shoulders and saying that "George can figure it out." And what is still more it is not just a problem for those who are parents and who have children in school. It is a problem that all of us face, collectively.

Every resident of Tecumseh knows that the Village is growing steadily. All of us know that in the 10 years between 1940 and 1950 was made the most rapid growth of any community in Lenawee county. Our population gain within the corporate limits jumped 38% from 2,921 to 4,020, or 1,099. In the township we made a gain of 102%, from 469 population to 1,032, an increase of 563. There is every indication that Tecumseh will keep on growing, that our population will increase steadily and, as a result, our school enrollment will continue to grow.

However, the Board of Education is not seriously concerned at the present time about the size of Tecumseh or District No. 7 in 1960. It is thinking about the immediate, about next year and five years hence—even though there is no greater increase in population than at the present time.

The new $500,000 high school, completed three years ago and on which we still owe $90,000, already is too small. We have a graduating class this year, (12th grade), of about 60 students. But we also have a kindergarten class today of 132 students and we know that in 12 years that class will be the graduating class in high school. The Board also knows that in six years today's kindergarten class and the other classes through grade five will be in junior and senior high school. Collectively that group numbers well over 700. Today we have only a few more than 500 in the junior and senior high. Where will we find room for a 40% increase unless we expand?

The Board of Education also knows that elementary classes are growing every year. Next year's kindergarten class, for example, will number over 150, a 10% jump over this year's. Census figures already reveal this fact. How can this increase, and other increases in other grades, be handled without expansion?

These are the problems that face the Board and the residents of the district, collectively. It is a common problem and one that MUST be solved because here, in America, we do not say to our youngsters that they cannot go to school because we are unable to provide proper educational facilities.

And there are other problems that Tecumseh faces, too. There is the forseeable need for increasing the fire department, the expansion of the water department, for improved streets, curb and gutter, additional sewers, etc.

Problems—yes, Tecumseh does have many problems but they are no more numerous than in any other community that is "growing up" and expanding.

We should not expect the Board of Education or the Village Council to face these problems alone. They are problems that are common to all of us and which must be shared by all of us. We need to show greater interest in government, greater interest in our education system, and greater interest in our community. We should, each of us, be willing to help to solve our problems.

To best do this we need some long range planning, a definite schedule and a workable over-all program. To accomplish this we need leadership, clear thinking and careful research.

On whose shoulders rests the responsibility for such a planning job? Certainly, the problem does not defy solution if all of us assume a common interest.

RIDGEWAY

Mr. and Mrs. Frank Bartle of Flint spent Sunday with Mr. and Mrs. Will Fletcher.

William Miller is ill of pneumonia.

The M.Y.F. enjoyed a skating party at Sand Lake, Tuesday evening.

Mr. and Mrs. Glenn VanVleet entertained at a Thanksgiving Day dinner, relatives from Pontiac and Tecumseh.

Mr. and Mrs. J. O. Strong of Melvindale spent part of the past week here.

Miss Florine Linn who teaches in the Wayne school spent the Thanksgiving holidays with her parents, Mr. and Mrs. Elmer Linn.

Mr. and Mrs. Stanley Carter and daughters of Toledo, spent Thanksgiving with his parents, the Rev. and Mrs. Lorne Carter and daughter.

Mrs. Harry Wood spent several days last week with her daughter at Albion. Another daughter, Mrs. Belle Baker of Clayton, returned for a short visit.

Mrs. Roy Carothers spent the week-end at her home in Detroit. She is assisting in the care of her father, Smith Pocklington, who is ill.

Jerry Filter is working in Toledo. They are living in Toledo for the winter months.

Official board meeting of the Methodist church will be held Tuesday evening, December 4.

Miss Bonnie Francis of Milan spent several days recently with her grandparents, Mr. and Mrs. Will Fletcher.

Robert Hite of Hillsdale College spent Sunday with his grandmother, Mrs. Estella Hite.

Mrs. Mary Boss of Adrian spent the week-end with her sister, Mrs. Estella Hite.

Mr. and Mrs. T. M. Birdsall have returned home from a visit with relatives in Detroit and St. Clair Shores.

Mr. and Mrs. Curtiss Beach visited his sister, Mrs. Melinda Joseph in Tipton, Sunday.

Mr. and Mrs. Paul Allison and daughter, Betty and Mrs. Ella Allison of Ponitac called on friends in town, Friday.

Mrs. Estella Hite visited her sister Mrs. Mary Boss at the home of Thomas Pate in Adrian, recently.

Mr. and Mrs. William Fletcher, Mr. and Mrs. Raymond Francis and daughters of Milan and Mrs. Gertrude Houseman of Tecumseh spent Thanksgiving Day with Mr. and Mrs. Frank Bartle of Flint.

The United Workers Class party which was to have met with Mrs. Nora Atchison of Tecumseh, Tuesday evening, met at the church instead. Mrs. Atchison will entertain at a later date.

Mr. and Mrs. Julian Strong were recent guests of Mr. and Mrs. Ed Rogers of Deertield.

Mrs. Marcia Baker spent Thursday to Sunday with her daughter and husband, Mr. and Mrs. Lester McDonnell of Dearborn.

The Men's Forum will meet Tuesday evening, December 11.

Mrs. Martha Howe spent Friday with relatives in Tecumseh.

The W.S.C.S. will entertain the Deerfield society in the church Thursday, December 13.

LEAGUE TO MEET

The Westminster League of the Presbyterian church will meet Tuesday evening, December 4, at the home of Mrs. Harold Clark. This will be the annual Christmas party and the assisting hostesses will be Mrs. Elmer Wilt, Mrs. Raymond Kempf and Mrs. Stanley Kruse. Mrs. Kruse will be in charge of devotions and the program will include a "wacky auction."

Economic stabilization is as much a part of the defense program as the manufacture of munitions.

Woman's Association Holds Regular Meeting

The regular meeting of the Woman's Association of the Presbyterian church was held in the Fellowship Center, Wednesday evening, November 21, with 35 members in attendance. There were two guests, the Rev. Donald C. Wilson and Robert Ries, representatives of the session. The invocation was by Mrs. Thomas Hamilton. Mrs. Lee Purkey, chairman of the Fall Festival held in the church November 1, reported that it was a huge success and expressed her thanks to all the committees and everyone who helped in any way. Family night was observed Wednesday, November 28, in the Fellowship Center. The officers of the Woman's Association acted as hostesses.

The December meeting date has been changed to Wednesday, December 12, and will be a joint meeting with the Men's Club.

The program was in charge of Mrs. Ray Sluyter, chairman. Mrs. Dale Bowen gave a Thanksgiving reading. Mrs. Sluyter read a paper prepared by Mrs. James Barton, who was supposed to have a skit for the program, explaining her many reasons why she was not present. The Rev. Mr. Wilson showed colored slides of the booths at the Fall Festival and a film, "Seek Ye First." Mrs. Winifred Bates was in charge of devotions.

Refreshments were served by Mrs. Dale Bowen, acting chairman, in the absence of Mrs. Ralph Helzerman, and her committee.

TO ELECT OFFICERS

The Golden Rule Division of the Presbyterian church will meet Tuesday evening, December 4, at the home of Mrs. Paul Keyser. It will be the annual election of officers and the "pig and poke" party. The assisting hostesses will be Mrs. Don Heesen, Mrs. Ned Baldwin, Mrs. Ralph Helzerman and the Misses Geraldine French and Lucille Hawley.

D. A. R. TO MEET

Mrs. Louis Schneider will be hostess, Friday afternoon, December 14, to Abi Evans Chapter, D. A. R. It will be guest day. A Christmas musical program is planned.

It gives you a lot to be thankful for

Let's suppose that this is you.

The car you're riding in, as you can see, is a Buick.

But what you *can't* see is the satisfaction which being behind that wheel brings to every day in the year.

Take the feel of it — the way it goes into action when you nudge the gas treadle. Quick. Eager. Willing. No effort at all. You just swoop up to the miles per hour you want.

That's because there's a high-powered, high-compression, valve-in-head Fireball Engine under the hood that makes every drop of gas do extra duty. And it's because there's a Dynaflow Drive,* feeding that power back to the rear wheels as smoothly as cream flows from a pitcher.

Take the way it sits the road. Balanced. Poised. Sure-footed. Snug.

That's because of a long list of things that Buick engineers have done to its ride—including a torque-tube keel that keeps rear wheels tracking true—and soft coil springs that individually cushion each wheel.

Take the way it steers. Easy. Light. Firm. On a straightaway—or coming out of a curve—it seems to know what you want it to do.

That's because of something the engineers call "front-end geometry"—and because 60 steel balls roll in their own little race track to ease each turn of the wheel.

Take its room, its comfort, its smart good looks—and its price.

Any way you size it up, here's a car to make you thankful for your good judgment in picking it, against the field.

All that is needed to complete this picture is you at the wheel of a flesh-and-blood Buick—out on the road for a sample of what we've been talking about.

That's easy to arrange. Just give us a call, and we'll do the rest.

*Equipment, accessories, trim and models are subject to change without notice. *Standard on ROADMASTER, optional at extra cost on other Series.*

NO OTHER CAR PROVIDES ALL THIS:

DYNAFLOW DRIVE* • FIREBALL ENGINE
4-WHEEL COIL SPRINGING • DUAL VENTILATION
PUSH-BAR FOREFRONT • TORQUE-TUBE DRIVE
WHITE-GLOW INSTRUMENTS • DREAMLINE STYLING

The Roll Call For Membership Will Start December 3rd

Here's what . Michigan doctors prescribe to ease the cost of illness!

They prescribe BLUE CROSS - BLUE SHIELD
to protect your family against the costs of hospital and surgical care!
These health-care plans, developed by Michigan hospitals and doctors, are known, respected and welcomed in every part of Michigan!

NEARLY 2½ MILLION MEMBERS MEANS GREATER BENEFITS — MORE SECURITY!

● The last to recover from an accident or illness in your family is always your pocketbook! That's why it, too, deserves expert medical help. That's why it gets this kind of help from Michigan hospitals and doctors who pooled their intimate knowledge of your problems to set up and direct the BLUE CROSS - BLUE SHIELD health-care plans.

Benefits as high as $8,058 have been provided!

BLUE CROSS - BLUE SHIELD have provided hospital and surgical benefits totalling as much as $8,058 in a single hospital stay. There are hundreds of cases on record in which benefits have amounted to $2,000 or more.

MICHIGAN BLUE CROSS - BLUE SHIELD have paid out more than 211 million dollars in health-care benefits in the past twelve years. This fact alone is striking evidence of the service rendered by these great plans.

Blue Cross-Blue Shield have millions of friends!

BLUE CROSS - BLUE SHIELD also offer advantages that money alone cannot buy. For one thing, they are Michigan Hospitals' and Doctors' *own* health-care plans. And there are over 2,400,000 BLUE CROSS - BLUE SHIELD members in the State of Michigan.

All this simply means that BLUE CROSS - BLUE SHIELD are known and accepted in every part of Michigan. A great advantage in times of emergency . . . a great advantage at any time because it means you can get into and out of a hospital without annoying red tape, without the need for filing any claims. BLUE CROSS - BLUE SHIELD pay hospital and doctor directly.

Here's What These Plans Do!

Blue Cross Comprehensive Group Hospital Plan covers up to 120 days of hospital care in ward or semi-private room, according to the service for which you enroll. Unlike plans that pay fixed amounts for hospital care, this plan covers hospital bills IN FULL for a wide range of certificate benefits when you are admitted to a BLUE CROSS participating hospital. No cash limit for drugs, for operating room, for anesthesia, and for many other hospital services.

Blue Shield Medical-Surgical Plan pays generous stated amounts to your doctor for more than 480 medical-surgical procedures. And it pays towards your doctor's visits to the hospital in non-surgical cases.

Chances are 1 out of 4 that your family will be faced with hospital and medical bills this coming year. And with today's hospital and surgical bills often running into thousands of dollars, it's easy to see how the protection these plans provide is worth many times the little you pay.

BRITTON

Mr. and Mrs. Wayne Jackson entertained Thursday at dinner, Mr. and Mrs. Emil Wellnitz of Palmyra, Mrs. Fannie Jackson and son of Tecumseh, Mr. and Mrs. Clifford Jackson and daughters of Blissfield, Mr. and Mrs. John Becker and family, Mr. and Mrs. Donald Whelan and daughter and Jack and Jeanette Allen, all of Tipton.

Mr. and Mrs. Lenard Daykin entertained Thursday at a family dinner, Mr. and Mrs. Vern Eyler, Mr. and Mrs. Jack Barrett and Pvt. Douglas Daykin who was home for 10 days before leaving Friday for Camp Cook in California. Callers in the Daykin home were Mr. and Mrs. Lawrence Brown and family, Mr. and Mrs. Fred Bradish of Adrian, Corp. and Mrs. James Underwood, jr., of Camp LaJune, N. Carolina, Mr. and Mrs. James Underwood, sr., and Mr. and Mrs. Frank Langley of Sylvania, O., Mr. and Mrs. Carl Rieve and son of Tecumseh, Mr. and Mrs. John Underwood and Charles Barrett.

Guests Thursday in the Edward Kanous home were Rev. and Mrs. Harry Coleman and son of Dundee, Mrs. Martha Brady of Ann Arbor and Mr. and Mrs. Eugene Myers of Grand Rapids.

Mr. and Mrs. E. L. McCrate and Mrs. Kinney of Columbus Grove, O., were guests Sunday of Mrs. Flora Exelby.

Pvt. Robert Croll arrived by plane Sunday from Camp Chaffee, Arkansas, for a ten-day furlough to spend with his parents, Mr. and Mrs. Clay Croll, other relatives and friends. Sunday guests at the Croll home were Mr. and Mrs. Forrest Raymond and Mr. and Mrs. Bert Gould of Toledo, Mr. and Mrs. Claude Kitchen and son of Bowling Green, O., and Mr. and Mrs. Orson Shouten and daughters of Wayne.

Mr. and Mrs. Carl Koch, Richard and William of Flint spent Sunday at the home of her parents, Mr. and Mrs. William Dettman.

Guests Sunday at dinner in the home of Mr. and Mrs. Grover Willis were Mr. and Mrs. Bernard Reau of Deerfield, Mr. and Mrs. Robert Willis and family, Mrs. Fred Gaedt, John Willis, all of Dundee, and Miss Margarette Smith of Adrian. Afternoon callers in the same home were Mr. and Mrs. Henry Robare of Detroit, Mr. and Mrs. Calvin Rickard and family of Tecumseh, Mrs. Edna Miller and Mr. and Mrs. Fred Fewell and family of Dundee, Mr. and Mrs. Herman Marine, Mr. and Mrs. Alfred Spohr and Mr. and Willis Spohr and sons. Corp. Dale Willis left Tuesday for Battle Creek after 30 days furlough spent here with relatives and friends.

Mr. and Mrs. Mose Herford of Elkton accompanied Mr. and Mrs. Clarence Herford and Karen to Chicago for the holiday and weekend at the home of Mr. and Mrs. Vernon Herford. The group visited the National Livestock Exposition.

Mrs. Don McComb of Caro and Miss Judy Keller of Ypsilanti visited their mother and grandmother respectively, Mrs. Viola Daisher over the holiday week-end.

Mr. and Mrs. Lewis Vershum and family of Clinton have moved into the William Dettman residence which they recently purchased. Mr. and Mrs. William Dettman have moved into their new home here.

Holiday guests at dinner in the Harold Osterhout home were Mr. and Mrs. Gardner George and son of Maybee, Mr. and Msr. Harry Jewell and family, Mr. and Mrs. Richard Jewell of New Boston, Mr. and Mrs. Arthur George and family, Mr. and Mrs. Robert Bush and family of Tecumseh, Mr. and Mrs. Wendell Osterhout and family of Sand Lake, Mr. and Mrs. Francis Newell, Mrs. Florence Osterhout and Mrs. Lenora George.

Alvin Carothers, son of Mr. and Mrs. Ernest Carothers is confined to his home by illness.

Mrs. Irving Downing was host to the North East Britton Extension club Friday with a potluck dinner served at 1 o'clock. After a short business session a lesson on "Color in the Home" was presented by Mrs. Harold Prielipp. The Christmas party will be held December 28 at the home of Mrs. Fenton Barrett with 50c gifts exchanged and a potluck dinner.

Billy Bortel returned home Sunday evening from Chicago where he was on the state judging team participating with 4-H boys from other states at the International Livestock Exposition. Howard Pennington of Ridgeway, a student at Michigan State College, was the other member of the judging team. They were in Chicago Thursday till Sunday.

Head Of Legion

(Continued from page 1)

battle against the spread of communism is too great for the American Legion to wage single handed. It needs the assistance of an aroused and thinking public.

The speaker recalled a painting on display in a London gallery of Dunquerque, depicting the battle that is perhaps the most memorable of all wars. In that picture near the horizon the artist painted a sun. The picture was viewed by two of the Dunquerque heroes. They observed it for a considerable time and then one turned to the other and remarked, "It looks real, very real. But I don't detect whether the sun is setting or rising.'"

That, the commander said, may be the picture here in America, to determine whether the sun of American freedom is setting or rising. He pleaded for an alert citizenship, the exercise of the American franchise, and a citizenry capable of detecting insiduous communistic propaganda.

Roumell was born in Greece. He served in World War II as a major in the infantry and participated in the initial assault landings at Leyte and Okinawa. He entered military service in 1941 and holds the Good Conduct medal, the Bronze Star for meritorius service, Commendation Medal, Combat Infantry Badge and Presidential Unit Citations.

A Detroit lawyer, Roumell also served from 1947 to 1950 as representative of the late Sen. Arthur H. Vandenberg. He was chief counsel for the Michigan State Committee investigating loyalty of state employees and assisted in developing a constitutional amendment making subversion a crime. He was also chairman of the committee on American Citizenship for the Michigan Bar in 1950.

The commander came to Tecumseh as the guest of Vance Ogden. Other guests at the meeting included: Mel Smith, president of Clinton Rotary and Sam Leptrone, Lester Proctor, Phil Anglemyre, E. W. Dersham, Wayne Balliette and Louis Roumell, all of the Clinton club. Louis Roumell is a brother of Com. Roumell. From Blissfield, Warren Higgenboy and Jack Schwabling. From Selkirk, Mich., Ward Smith. From Tecumseh, Robert Lowe, Laine Holden, Percy Bowen, Carlos Jones, Ray Arft and Warren Peck.

Board Studies

(Continued from page 1)

churches, to accommodate the children who will be enrolling for classes in September, 1952, unless the addition to the high school can be completed before that date.

"We simply have outgrown our present facilities," McDowell said. "Our schools are crowded, and by next fall they will be crowded still more. We must make a decision now or we will find ourselves in serious difficulty."

At Monday's board meeting, representatives of the Warren S. Holmes Co., Lansing, architects and engineers, sat with the trustees in the discussion and reviewed tentative plans. This firm will, probably within a month, submit plans, specifications and cost estimates on the addition to the high school, as well as the elementary school, N. Union street.

"Until we get some figures, we will not know about the cost of the program," McDowell said. "We hope to have them before the first of the year."

Looking toward the building of the N. Union street school, the board decided to negotiate for the purchase of 11 more acres of land adjoining the site it purchased a few weeks ago from P. C. Satterthwaite. The 11-acre plot is owned by the Satterthwaite family. McDowell explained that with the purchase of the additional land it might be possible to have an entrance to the new school from both VanBuren and Democrat streets as well as Union street.

The board also empowered one of its members to negotiate for the purchase of a site for another elementary school on South Adrian street. The board felt that this school would have to be built within the next few years, and that the site should be included in the present program.

Different.

"Did you say you had two weeks off?"

"No; two off weeks."

B. & P. W. Club Holds Regular Dinner Meeting

The November meeting of the Business and Professional Woman's Club was held Monday evening, November 26, at the Presbyterian Fellowship Center. Dinner was served by the Westminster League to 46 members and two guests. Tables were attractively decorated for Thanksgiving.

Miss Mabel Lockwood presided at the business meeting and the club voted to cancel the December meeting and to send $5 to the Star Commonwealth for Boys. The club accepted with regret the resignation of Mrs. Hazel Coller as recording secretary. Mrs. Uckele, elementary school teacher, was a guest of Miss Alice Hopkins. Duane Furbush was the guest speaker for the evening.

Mrs. Maxine Runk, Juanita Moore and Mrs. Alice Everlove were accepted into membership.

Mrs. Ethel Truesdale, Mrs. Bette Williamson and Miss Alice Seger were in charge of the program. A vocal trio, Mrs. Lulu Waldron, Mrs. Jessie Shuyler and Mrs. Lillian Service, accompanied by Mrs. Katherine Hunt, sang, "Who-oo?" Mrs. Truesdale introduced Mr. Furbush who spoke to the group on, "New Books Worth Reading." He chose three books, "A President's Lady," "The Catcher in the Rye" and "Women Are Here To Stay," and gave brief reviews.

The hostesses were Mrs. Marie Greiman, Mrs. Irene Meyers Mrs. Arnetta Maves and Mrs. Arlene Gibson.

The January meeting will be held at the Fellowship Center, January 28. The program is entitled, "Home Talent." Ruth LaPrad will be in charge of devotions. Myrna Tingley, Ruby Preston and Mary Caruso are in charge of the program and the hostesses are Louise Mikesell, Nora Schultz, Margaretta Brisbin and Margaret Heimerdinger.

MUSIC CLUB MEETS

The Tecumseh Music Club held its November meeting at the home of Mrs. Thomas Gallant, Tuesday evening. The club voted to bring a 50 cent gift to the Christmas party and each member to give 50 cents toward a scholarship fund for some promising young musician in Tecumseh. After chorus practice, refreshments were served by Mrs. Gallant assisted by Mrs. Murray Day.

HAPPY HOME BUILDERS

The Happy Home Builders Class of the Baptist church will meet at the church December 3, for a potluck supper. All couples are urged to attend and bring table service, a dish to pass and milk for the children. Future Nurses

(Continued from page 1)

did opportunities open to girls trained as nurses, that Mrs. Wulff has given up her teaching in order to devote herself to the project.

The purpose of the club is to acquaint girls with nursing training, school programs and dormitory life, as well as to help them realize the many possibilities open to them in the nursing field. This knowledge will help each girl in selecting the nursing school most fitted to her individual needs. Instead of electing regular officers the club has decided to have a chairman and an advisor for each of its three committees, and a secretary. Janet Bashore heads the program committee, with Miss Simonson as advisor; Joan Hindes, chairman of project committee with Mrs. Sam Sisson, assisting; Mary Nixon, head of the Field Trips group, with Mrs. O. W. Laidlaw assisting. The club secretary is Nancy Kienitz.

Meetings of the Future Nurses Club will be held the first and third Tuesday of the month from 7:30 to 9 p.m., at the Tecumseh Public Library. Girls from high schools of the neighboring towns which Herrick hospital serves, and who may be thinking of applying for the Herrick Memorial Hospital Auxiliary Nursing Scholarship, are invited to visit club meetings.

WIT, WISDOM CLUB

The Wit and Wisdom Club will meet Monday evening, December 3, at 8 o'clock at the home of Mr. and Mrs. C. D. Branigin with Dr. and Mrs. W. H. Mast the assisting host and hostess. Mrs. Mast will be the leader.

TO MEET DEC. 6

The pBatist Ladies Union will meet Thursday afternoon at 2 o'clock, December 6, in the Baptist church. Mrs. Dean VanValkenburg will be in charge of the Christmas program.

Quality Means So Much When Prices You Pay Are High

It is no secret that the price of food—in fact the price of everything that you buy today—is high.

As we see it, there is just one way to combat high price, and that is to purchase quality—particularly in foods. When you buy quality foods, there is little or no waste. You serve and eat all that you buy.

And that is exactly the reason why we specialize in quality foods. And for that reason, we believe, our customers keep coming back for more quality products.

Why don't you join our ever-growing list of satisfied customers?

New Officers Are Named By BPCPSC At Meeting

Mrs. Luther Wood, assisted by Mrs. Glen Wilson and Mrs. Garth Hall, entertained the first meeting of the B.P.C.P.S.C. of the season, in her home, Wednesday evening. Fifteen were in attendance, including Mrs. Charles Wilson and Mrs. Dell Jenkins of Clinton, who were accepted in membership.

Mrs. A. J. Todd, president, presided at the business meeting and Mrs. Henry Kempf gave a report of the secret pals. A card was read from Mrs. Grace Coffey, who is spending some time in Detroit and who recently fell and broke her arm.

During the business meeting Mrs. Todd was re-elected as president; Mrs. Walter Hizer, vice president; Mrs. Esther Beckman, secretary and treasurer; Mrs. Hall, Sunshine chairman, and Mrs. Kempf, press correspondent. Gifts were presented to Mrs. Todd, Mrs. Beckman and Mrs. Hall. Mrs. Wood conducted several quiz games and prizes were won by Mrs. Lewis Schultz, Mrs. Kempf, Mrs. Wilson, Mrs. Paul Gieske, Mrs. John Watson and Mrs. C. A. Stauffer. Refreshments were served after the program.

The December meeting will be the annual Christmas party at the Kempf-Whelan home when gifts will be exchanged and secret pals revealed.

School Notes

By Marian Titley
Student Council Reporter

The past week, students of Tecumseh high school observed Sponge Week, sponsored by the Student Council. The girls were expected to carry out any of the courtesies normally expected of the boys.

Special days were also observed. Tuesday was "gum chewing" day, and students were allowed to chew gum in classes. Wednesday was "dress-up" day. Boys were requested to wear dress shirts, sport pants and neckties. Girls wore good dresses and hose. Thursday was "old clothes" day for both students and faculty, and old clothes were worn. Anyone who did not follow the rules was fined by the Student Council.

Friday evening the Sponge Dance was held in the high school gymnasium from nine until midnight. Music was furnished free-of-charge by the Tecumseh Products Orchestra. The girls escorted the boys to the dance. No girl was admitted without a date, and no boy with a date was admitted without a home-made corsage, furnished by the girl. Faculty members and members of the school board received invitations and acted as chaperones at the dance.

The next teen-age dance in the gym will be held Friday, November 30, from 9 to 12, sponsored by the Student Council. Music will be furnished by the Tecumseh Products Orchestra, free of charge.

o

BRITTON

Mr. and Mrs. Lee Taylor and Mr. and Mrs. George Brablec returned from hunting near Cadillac last Tuesday. George got his deer. Tony and Martin Ivan returned from hunting near Gladwin. Tony got a four-point buck. Mr. and Mrs. John Gittus returned Saturday from northern Michigan. Warren Lewis, Pirl Robinson and Lester Cox returned from upper Michigan hunting. Warren getting a deer. Charles Fairbanks also has returned with a deer.

The Congregational Joy Class meets tonight in the church for a potluck supper at 6:30. The program will include pictures shown from the Boy Scout's recent trip.

Mr. and Mrs. Frank Hoagland accompanied Mr. and Mrs. Lawrence Hoagland to Rochester recently where they visited Mr. and Mrs. A. R. Musson and family over the week-end.

Mr. and Mrs. Gerald Richards and family were holiday guests of his parents, Mr. and Mrs. G. S. Richards in Azalia.

Mr. and Mrs. Ray Covell and daughter of Plymouth spent Thanksgiving with his parents, Mr and Mrs. Byron Covell.

Mrs. Edward Kanous, Mrs. Merle Crutchfield and Mrs. Guy Siedel accompanied a group of intermediate boys and girls to Chelsea, Friday, where they visited the Chelsea Methodist Home. A large quantity of canned fruits and vegetables were taken to the home.

Out-of-town guests at dinner at the Elmer Eberhardt home were Don Judd and Mr. and Mrs. Edward Leighton and children of Tecumseh, Mrs. John Watson and Mr. and Mrs. Harley Watson and son of Adrian.

Douglas Ferman of Caro spent the week here with his parents, Mr. and Mrs. J. V. Ferman.

Mr. and Mrs. Fay Wiggins entertained at a family Thanksgiving dinner Mr. and Mrs. Richard Wiggins and Nancy of Ypsilanti and Mr. and Mrs. Robert Mayfield and children of Ann Arbor.

Mr. and Mrs. G. L. Gripton and Mr. and Mrs. Glen Gripton were Thursday guests of Mr. and Mrs. Edward Gripton in Dearborn.

Mr. and Mrs. W. S. Niblack and daughter Marcella were over the holiday guests of Mr. and Mrs. Charles Beach in Clarkston.

Mr. and Mrs. Kenneth Pawley of Oxford spent the week-end with her parents, Rev. and Mrs. E. H DuBois. Brenda and Larry Pawley returned home with their parents after several weeks stay in the DuBois home.

From where I sit ... by Joe Marsh

"Fair and Square"

We've just had a political campaign with everything from a torchlight parade to a neck-and-neck ballot box race.

Rusty Robinson, with no campaign funds, planned his Election Eve speech for the Square. Slim McCormick, who owns the Palace movie house, was finishing up his campaign in Pioneer Hall.

Then it began to rain. Rusty's political career was fizzling out in the damp when Slim showed up to say that Robinson people could meet in his theatre—for nothing. "I want to beat Rusty," Slim said, "but certainly not with rain!"

From where I sit, you've got to give Slim credit for acting on his belief that everyone has a right to be heard—just as everyone has a right to his own opinions and tastes. Maybe you like hot coffee, for instance, when you "take a break." Well, my vote goes for a refreshing glass of beer. After all, we're lucky to be living in a free country where we can have our own preferences!

Joe Marsh

Copyright, 1951, United States Brewers Foundation

Hot-Air A-Carriers Is Seen For Future

London—A strange new carrier for an atom bomb has made its appearance here.

So far, it is only an appearance on paper—in the pages of the British aviation magazine Flight. But its inventor says it could be manufactured by any country, and may even now be being made somewhere.

This new weapon is a radio-controlled, jet-heated, jet-propelled, hot-air dirigible. In other words, it is a pilotless, expendable airship kept aloft by hot air instead of helium gas, and driven at high speeds by jet or rocket motors. The designer of the British project is Capt. L. Arthur, D.F.C., of the Royal Aeronautical Society and the Royal Meteorological Society.

"Let it be clearly understood that, unlike a helium dirigible, this airship lends itself to high-speed, high-altitude work," he declares in the article in Flight.

"It could carry a bomb load; it could hover over a threatened country, or move away at high speed."

"As a 'diplomatic' weapon with atomic bomb loads, it could hardly be shot down over the country over which it hovered: the only answer would be to evacuate or submit to an awaiting army," he adds.

He then makes this statement: "It is also a possible checkmate to war as at present envisaged."

The Arthur radio-controlled hot-air jetship as envisaged in this article, which is complete with drawings and calculations, would be built of tungsten steel plating overlaid by asbestos, then covered by sheet aluminum.

It would be 240 feet long and could fly at 360 miles an hour at 50,000 feet carrying a payload of nine tons, he says, with a range of more than 4,000 miles. Or it could just hover around.

The turbojet motors would supply heat so that the ship would gain altitude, and then the same motors would supply thrust to send it along.

"Something of the kind may already have been designed," Captain Arthur declares. "In fact, I am of the opinion that some pilots have even seen such a devcle."

A hot-air ship?

Leave that the experts.

—o—

If You Work For Yourself You May Need This Book

The long-awaited pamphlet "Do You Work For Yourself?" arrived from the government printing office today, advises Sidney Laurens, manager of the Jackson office of the Social Security Administration.

Since August 1950, when the Social Security Act was amended extending coverage, we have had numerous letters and telephone inquiries from self-employed persons. In business for themselves, as sole owners or partners, they wanted to know whether we had any pamphlets explaining how the recent amendments would affect them. This new pamphlet is the answer. It explains who of the self-employed are covered, amount of net income that is taxable, how and when to report your self-employment earnings, how to become insured, and describes the various types of retirement and survivors payments.

Coverage of the self-employed became effective January 1, 1951. The self-employed are to report their earnings and pay tax with their 1951 income tax return due March 15, 1952. This new pamphlet, illustrated and in simple language, will assist you materially in preparing for your first report.

A free copy can be had by writing the Social Security Administraton, County Building, Jackson, Michigan.

THE TECUMSEH HERALD

ONE HUNDREDTH FIRST YEAR — NUMBER 10 TECUMSEH, MICHIGAN, DECEMBER 6, 1951 FIVE CENTS A COPY

Recreation's Costs Shared

VILLAGE, SCHOOL DISTRICT AND COMMUNITY FUND PARTICIPATE IN OPERATION

Tecumseh Recreation Center, the operation of which has long been a financial football to be tossed back and forth between individuals and organizations, Monday evening was given a more sound footing, economically, when the Village Council agreed to share 40% of the cost of future maintenance and operation. Also participating in the program are the Board of Education and the Community Fund. The Board also will share 40% of the cost and the Fund 20%. A similar pattern of financial responsibility is now in operation in other communities in the state, the Council was told, and is working smoothly.

The decision for a three-way sharing in the cost of operating the Center grew out of a meeting between the three participating groups and interested citizens, last Thursday evening at the offices of Fay Whelan of the Whelan Implement Co. Mr. Whelan is one of the original sponsors of the Center, has worked untiringly in its development and has given generously, financially.

It was explained that in the past the Center has operated in a hit-and-miss basis, financially. Sometimes funds have come from organizations, sometimes individuals have contributed and, of course, gate receipts at football games and other entertainments have helped to swell the treasury. However, the Center is now in need of some overhauling and repairs and a lack of funds is delaying the work. For a few years, the Community Fund has assisted in operating a summer recreation program at the field.

Under the new plan, this year's operating and maintenance cost is to be held at a $6,000 maximum. The Center will be controlled by a seven-member board, two of the group to be named by the Village, two by the School Board and one by the Community Fund. Two other members will be chosen by the board itself. Terms will be staggered. The board will submit a public statement of receipts and expenditures annually.

The solution of the Center's problems was the principal business before the council. It was agreed that the village assessor attend a meeting of assessors in Ann Arbor soon. The president and clerk were authorized to sign an agreement with the State Highway Department for the maintenance of trunk lines inside the corporation. Current bills were audited and ordered paid and reports of committee and department heads were read and placed on file.

Country School Days Are Relived By Club Members

Mr. and Mrs. C. D. Branigin entertained 30 members and guests of the Wit and Wisdom Club at their farm home, Monday evening, with Dr. and Mrs. W. H. Mast assisting. Delmar Crisp, president, presided at the business meeting. Mrs. Mast, leader, presented a program depicting the "Country School on Friday Afternoon." A quiz was held concerning early Lenawee county historical events and many points of interest were revealed concerning both the county and Tecumseh. Mr. Branigin gave a reading, "40 Years Ago." An old-fashioned spelldown was held with Dr. Mast in charge. The two captains were Mr. Crisp and Alvin Brazee, with Mr. Brazee's team victorious. Mrs. Orville Minney, a guest, outspelled all contestants.

Refreshments were served by the hosts and hostesses.

The next meeting, December 17, will be held in the Baptist church parlors with the annual Christmas dinner will be served.

Presbyterians To Hold Candle Light Service

The annual Candle Light Service of the Presbyterian church will be held Sunday, December 16, at 5 p.m. in the church. The program will consist of Christmas carols by St. Andrews choir under the direction of Robert Peck, and the Junior choir under the direction of Mrs. Sam Sisson.

NOTICE

I will be at the United Savings Bank each Saturday until March 1, 1952, for collection of township taxes, dog taxes and Farmers Mutual Fire Insurance. Will also accept payment by check or money order, mailed to my residence, 211 W. Brown street, Tecumseh. Lawrence Mohr, twp. treas. Adv. 3-52

NEW CONGRESSWOMAN . . . Rep. Vera Buchanan (D., Pa.) receives congratulatory kisses from her 20-year-old twin daughters, Jane Buchanan (left) and Mrs. William Cavacante, as granddaughter Kristie looks on. The congresswoman was sworn in to take seat of her late husband. She won the seat in a special election held recently in Pennsylvania's 33rd district. Mrs. Buchanan's membership brings the total number of women in the 82nd congress to 11.

Holiday Mail Is Piling Up

POSTOFFICE NEARLY "SNOWED UNDER" AS CHRISTMAS PACKAGES START COMING

The Tecumseh postoffice already is feeling the pinch of the Christmas mailing season as both first class mail and parcel post begins to pile up in the days before the holidays.

Mail is arriving at the rate of 80 to 100 pouches daily, it was said at the local office, and first class mail is being dispatched at the rate of more than 4,000 letters and cards every 24 hours. The latter figure probably will build up to well over 6,000 in the days immediately before Christmas. The postal employees would not even hazard a guess as to the quantity of the incoming mail.

The local office is working short-handed, despite the fact that it is now a first class office. Extra help probably will be added soon, but to do this is another problem because approval for such employment must come from Washington.

"Do your Christmas mailing early," is still a good slogan — particularly in Tecumseh. And if you think that it is not being observed, ask your mailman.

TECUMSEH MAN NAMED TO CREDIT ASSN. BOARD

At a recent meeting of the stockholders of the Southeastern Michigan Production Credit Association held in Brooklyn, the members heard a report on their association's operations.

Entertainment was provided by the Tonsil Benders, a local barbershop quartet, and Mr. Matthews, a magician, after the election of the directors in which Leland D. Bush of Tecumseh and Eugene C. Ruder of North Adams were elected for a three year period. A luncheon was served by the Parent-Teacher Association. The profits went to the Boy Scouts of Brooklyn.

INFORMATION NEEDED

F. E. N. Thatcher, acting postmaster, has requested that lodges, churches and other organizations notify his office as to the name of their secretaries, so that mail may be more rapidly dispatched. He asked that the information be furnished in writing rather than verbally.

TRAILER CAMP FIRE

The fire department was called to Paul's Trailer Camp, N. Union street, about 4:30 Sunday afternoon when a housecar occupied by George Halberstad caught fire. The interior and furnishings were badly damaged. Loss was estimated at $400.

SENIORS TO ADRIAN

Members of the Tecumseh high school senior class will go to Adrian College today for a course in government training. Several state officials will be at the College and a close-up of the functions of state government will be observed. The "government day" is an annual affair in the public schools.

Apron and Bake Sale by Lutheran Friendship Club, Saturday, Dec. 8, starting 10 a.m. at Hite's Hardware. Adv. 12-6

Herbert Richart Dies; Was Former Resident

Herbert Richart, aged 87 years, died Monday at 2:30 a.m. in Mercy Hospital, Jackson, where he was a patient one week. Mr. Richart had been in ill health for two weeks. He was born, August 17, 1864, in Tecumseh, the son of the late Israel and Julia Richart. Mr. Richart had made his home at the Odd Fellows Home in Jackson since July 30, 1933. Years ago he operated The Buggy Shop on South Pearl street in Tecumseh. In 1899 he married Harriet Castle who preceded him in death. No near relatives survive.

Funeral services were held Wednesday afternoon at 2 p.m. at the Green Funeral Home with the Rev. B. O. Bashore officiating. The I.O.O.F. Lodge No. 14 of Tecumseh was in charge of the services at the grave. Burial was in Brookside cemetery.

Mrs. Eva Knodle Slear, Former Resident, Dies

Mrs. Eva Knodle Slear, former resident of Tecumseh, died Monday at Community Hospital, Bowling Green, Ohio. Mrs. Slear was the daughter of the late James and Adelaide Rainey Elliott and a sister of J. Floyd Elliott, president of the Village of Tecumseh.

Born in Tecumseh December 29, 1878, Mrs. Slear resided here until her marriage to William C. Knodle in March of 1900. Mr. Knodle died several years ago and she later married Walter S. Slear, who passed away in 1939.

Surviving are three children, Mrs. Florence Baker of Bowling Green and Malcolm and Gainsford Knodle of Detroit, the brother, Mr. Elliott, in Tecumseh, and five grandchildren.

Funeral services will be held this afternoon in Bowling Green with burial there.

Sealed Bids Are Asked For $285,000 In Bonds

Sealed bids for the purchase of $285,000 worth of general obligation bonds of the Village of Tecumseh will be received by the village clerk here until Monday, December 17, at 7:30 p.m., the Council decided at its meeting on Monday. Advertisements for bids also were authorized.

The bonds will be dated January 1, 1952 and will be in denominations of $1,000. The interest rate must not exceed 3½%. The last of the bonds will be retirable in 1971.

Cash from the sale of the bonds will be used to build a sewage treatment plant in Tecumseh. The bonds were authorized by voters in October.

Army Services For Col. Benner

VETERAN OF THREE WARS DIES SUDDENLY AS RESULT OF HEART ATTACK

Military funeral services were held from the Everiss Funeral Home in Adrian, Monday afternoon, for Col. John Benner, 73, a veteran of three wars, who died suddenly Friday afternoon in Bixby Hospital following a heart attack. The Rev. Robert L. McCrachran officiated and burial was in Oakwood cemetery.

Col. Benner, prominent in the business life of the county for nearly half a century, was in Tecumseh on Friday when he was stricken with the heart condition. He was removed to Herrick Memorial Hospital here and, after treatment, was taken to Bixby Hospital in Adrian.

Born in Adrian in 1878, he attended the public schools and in 1900 started business as a tinsmith at Clayton. In 1903 he married Miss Gertrude Lyon of Raisin township, and in 1911 opened a hardware store in Adran with C. S. Carnahan. He sold his interest in the store in 1919 and entered the insurance business which he disposed of in 1928. Since that time he had acted as a supervisor and adjustor for an insurance company.

Col. Benner served in the Mexican border in 1916 with General John Pershing. He served in World War I overseas and as an instructor in the United States. He was recalled to service in World War II.

Surviving are his widow, his mother, Mrs. John Benner, a patient in a Hudson nursing home; four brothers, Peter and Henry of Adrian, Matthew of Dover township, and Claude of Wilmington, Del.

Local High Debate Team Wins Twice From Adrian

The Tecumseh high school Debate Club held its first in a series of debates, Monday, at Adrian high school. The topic was, "Resolved: That all American citizens should be subject to conscription for essential service in time of war." The local affirmative team debated first against Adrian's negative. Tecumseh's team was composed of Victor Everlove and Robert Hadley, debating for the first time for Tecumseh high. Adrian's negative team was Lois Nearhood and Frances McAdam. In the second debate Adrian's affirmative team, composed of Shirley Hoeft and Maralyn Southwell, opposed Nancy Klnietz and Merlyn Wagner, Tecumseh's negative team. Tecumseh won both debates.

Kirkwood Yarman is the Adrian debating coach and Duane Furbush Tecumseh coach.

HAS BARKING DOG; PAYS FINE AND COSTS

Lewis Lake, Tecumseh, pleaded guilty to maintaining a nuisance by permitting his dog to bark and to run at large, when he was arraigned in Justice Robert French's court, with Ray Arft as the defendant. He entered a not guilty plea when arraigned several days ago and the case is now awaiting trial.

ELEMENTARY STUDENTS TO PRESENT PAGEANT

A Christmas pageant will be presented in the Central school auditorium, Friday evening, December 14, at 7:30. Earl Green, elementary principal, has urged that all parents attend, inasmuch as there will be no other Christmas program by grade students. Grades three through six will participate, some 375 students taking part under the direction of Robert Peck, musical instructor.

Paul Lee Dinius, 11, Is Buried at Tipton

Paul Lee Dinius, 11 year old son of Mr. and Mrs. Lloyd H. Dinius, of Route 1, Dinius Rd., Tecumseh, died Thursday night at University hospital where he had been admitted earlier in the day. He had been in ill health the past six years and his condition was serious since last April.

Paul was born December 3, 1939 near Tecumseh. Survivors besides his parents, are two brothers, Michael, 10, and Gary, eight, his grandparents, Mr. and Mrs. Howard Mattis of Tipton and Mrs. Lulu Dinius of Tecumseh, a great-grandfather, George Mattis of Tipton and a great-grandmother, Mrs. Sarah Dinius of Adrian.

Funeral services were held Sunday afternoon at the Green Funeral Home with Dr. Arthur Jervis of Tipton, officiating. Burial was in Tipton cemetery. The bearers were

The bearers were Raymond Mattis of Adrian, Richard Mattis of Birdsall, Charles Dinius of Tecumseh and Cecil Anderson of Sand Lake. Friends and relatives attended from Lyons, Ohio, Adrian, Tecumseh, Tipton, Sand Lake, Clayton, Hudson, Clinton, Birdsall and Manitou Beach.

Seniors Stage Play, Tonight

"THE LITTLE DOG LAUGHED," TITLE OF COMEDY TO BE PRESENTED

"The Little Dog Laughed," a three act comedy, will be presented by the Senior Class of Tecumseh high school tonight, (Thursday) and Friday, December 6 and 7, in the Central Building Auditorium. Curtain time is 8 o'clock.

The story of the play deals with the Huntington family, average American parents, and their children, Laurie, a psychology student in college, and Wally, a perfectly normal high school senior.

Returning from college for the summer, Laurie tries to impress her parents with her psychological knowledge; but events backfire when she gives her Rorshroski Ink Blot Test to her mother's friends. They are so humiliated they leave the house.

For a small fee, the seniors guarantee an evening of delightful entertainment for those who attend either of the performances.

Charles A. Covell, 66 Ridgeway Resident, Dies

Charles A. Covell, aged 66 years old, died at 8 a.m., Tuesday, at Bowers Nursing Home, Adrian, where he had been a patient since July 14. He was born in Ridgeway township and spent his childhood there, moving to Detroit at an early age. Mr. Covell was married in 1911 to Miss Luella Bishop. While in Detroit he was employed by the Burroughs Adding Machine Co. He returned to Ridgeway in 1941 and worked for the Tecumseh Products Co., until his health failed.

Survivors are one son, Donald of Tecumseh; four grandchildren: one sister, Mrs. Edyth Nobles, and one brother, Leon Covell of Tecumseh. He was preceded in death by his wife and one daughter Ethel.

Funeral services will be held this afternoon (Thursday) at 2 o'clock at the Niblack Funeral Home in Britton. Burial will be in the Ridgeway cemetery.

"DUSTY" MILLER SPEAKS

"Dusty" Miller, Wilmington, O., newspaper publisher and nationally known humorist, was the guest speaker at the regular dinner meeting of the Rotary Club, Tuesday evening at the Country Club. Mr. Miller used as his subject, "Appreciation," and, in his Will Rogers' style, developed it ably. Next week, the Rotary and Exchange clubs will hold a joint meeting at the club. Congressman Paul Shafer of Battle Creek, will be the speaker.

HAZARDS OF HOME . . . Barry Bishop, 19, was one of a party of eight which climbed Mt. McKinley's 20,270 feet a few weeks ago. More recently he underwent surgery at a Denver hospital after breaking his collar bone when he fell out of bed.

Legion Plans For Yule Party

DISTRICT OFFICERS ARE GUESTS AT MEETING, HELD HERE, MONDAY EVE

The regular meeting of the Legion Auxiliary was held Monday evening in the Legion hall with some 50 members and guests in attendance. Mrs. Charles Osburn presided at the business meeting. Mrs. Luella Dell, second district president, and her secretary, Mrs. Sally McArthur, were guests and were presented with gifts by Mrs. Osburn. Mrs. Mae Harmes, of Saline, Mrs. Larry Colthurst, Mrs. Ted Golat and Mrs. Richard Drouillard were additional guests. Mrs. Almond Curtiss was accepetd as a new member. Mrs. Charles Howe received a department appointment as co-chairman of Civil Defense, by the department president, Mrs. Edith Bryant.

The annual Christmas party of the Auxiliary and Legion members and their families will be held December 20, with a potluck supper. There will be movies for the children and Santa Claus will make his appearance. Each member is asked to bring table service, rolls and a dish to pass. Meat will be furnished.

The mid-winter conference will be held December 8 and 9 in Lansing with Mr. and Mrs. Charles Osburn, Mr. and Mrs. Vern Manwaring, Mr. and Mrs. Louis Schneider and Mrs. Charles Howe attending.

For the musical part of the program, Mrs. Glenn Driscoll accompanied Kendra Ringman, Nancy Beland, Joan Johnston and Rita Crosby who presented tap dance numbers. Several humorous pantomine sketches were given by Mrs. Charles Stephenson and Mrs. James Barton.

Refreshments were served by Mrs. Leland Cheever and her committee. The speakers table was attractively decorated with red roses and white carnations.

MISSIONARY TO FORMOSA TO SPEAK HERE, SUNDAY

The Rev. and Mrs. Norman V. Cook, under appointment to Formosa for the Oriental Missionary Society, will speak and show pictures of that Island, Sunday evening at the 7:30 service of the Tecumseh Friends Church.

The Rev. Mr. Cook was a roommate of "Bill" Hayden at Taylor University, three years ago.

ARRAIGNED IN COURT

George Baughey, Tecumseh, was arraigned in Justice Robert French's court, December 1, charged with being drunk and disorderly. He drew a fine and costs amounting to $32.20. The arrest was made by local police.

Insurance policy-holders in the United States gained $9,000,000,000 in six months to a record high of $243,000,000,000. Purchases total $14,000,000,000 so far and benefit payments total more than $2,000,000,000.

Sale Of Branch School Is Urged

STATE POINTS OUT LOCAL NEEDS AFTER "ON-THE-GROUND" SURVEY

Wilfred F. Clapp, assistant superintendent of public instruction for Michigan, in a letter to James McDowell, superintendent of schools here, points out some significient facts regarding Tecumseh's school situation, following a survey he conducted here, recently.

Here are Mr. Clapp's recommendations:

I would strongly recommend that any idea of building new school facilities on the East Branch school property be abandoned and that this property be sold. My reasons for this recommendation are:

(a) The present property is entirely inadequate in size and cannot be readily expanded.

(b) The property is located on the main east-and-west street of the town, an arterial state highway. This would bring about noise interference with the school and additional traffic hazards.

The West Branch school property is not adequate for school construction. Furthermore, the West Branch school building is of such an age that its abandonment for school purposes should be scheduled early in any school program.

The site which the Board of Education has acquired off Union street appears to be fairly well located to serve this section of the town and the developing area to the north. This site, however, should definitely be expanded to the south where there seems to be rather adequate vacant land. This would presuppose placing the building at the head of Van Buren or Democrat street, or both. It is my opinion that the western part of the site as now proposed is not very useful for school purposes, although possibly it could be developed as a park and picnic area.

I would advise that District No. 5 be annexed to the Tecumseh school district. There is no doubt in my mind that the inhabitants of this district are just as much residents of Tecumseh as are any other people. Certainly a considerable portion of the elementary school problem in Tecumseh is now being caused by attendance of pupils from this rapidly growing district. It would appear that this district will have to decide whether it wishes to retain its identity and to build and operate its own school or to annex to the Tecumseh school district.

It does not appear that the present arrangement can be continued indefinitely. Assuming that such annexation takes place, I believe that another school site should be acquired somewhere in the neighborhood of Adrian street and Russell Road. I have no fixed opinion as to which side of Adrian street

(Continued on page 4)

CROP Goal Is $1,000 Locally

TECUMSEH CHURCHES MEET TUESDAY EVENING TO DISCUSS FUND RAISING

Representatives of Tecumseh's churches met at the high school, Tuesday evening, saw the CROP film, "Statesmen in Overalls," and agreed that Tecumseh should aim at raising at least $1,000 toward the Lenawee CROP budget.

Because of the lateness in starting the drive for commodities and funds of the Christian Rural Overseas Program (CROP), it was felt best that appeals should be made through the churches of the community rather than by making a personal contact.

Fr. Michael Collins, pastor of St. Elizabeth's Catholic church, in the opening remarks of the meeting, emphasized that so few act-

(Continued on Page 4)

GIVEN JAIL SENTENCE

Robert Rogers, 31, Tecumseh, drew a fine of $50, costs of $8.60 and a 15-day sentence plus six month's probation, when he was arraigned in Justice Robert French's court, November 30, charged with drunk driving. He served four days of the jail term, police said, and then was released. The arrest was made by local officers at 1:30 a.m.

SHOWS IMPROVEMENT

Mel G. Partridge of Partridge Implement Co., who suffered a heart attack last Thursday, is a patient at Herrick Memorial Hospital. Mr. Partridge's condition is improving but it is expected that he will be confined to the hospital for some time.

TECUMSEH IS IN GALA DRESS FOR THE HOLIDAY SEASON

Santa and Eight Reindeer will be Here on December Fifteenth

Last minute preparations for the arrival of Santa Claus and his reindeer—all eight of them—were being made today by Ronald Harris, secretary of the Chamber of Commerce. Santa will visit Tecumseh on Saturday, December 15, Mr. Harris said. With his gift-laden sleigh and Dancer, Prancer and all of the other deer in his team, St. Nick will spend a couple of hours or more in the downtown district, and he will have a gift for every youngster he sees.

"Each year," Mr. Harris said, "Tecumseh's Santa Claus party has been growing in size. Last year, more than 1,500 children participated. This year we expect the number to be at least 2,000. We want every child in Tecumseh and its trading area to feel free to attend."

Santa's special mail box, in which letters may be deposited for Mr. Claus at the North Pole, took up its place near the intersection of Chicago boulevard and Evans street, last Saturday. Scores of letters already have been deposited Harris said, and each of them is receiving Santa's attention.

Downtown streets are in gala dress for the Christmas season On every ornamental lamp post in the business district are evergreen trees in which are hidden hundreds and hundreds of blinking, multi-colored lights. Special trees also are located at each end of the boulevard and they, too, are decorated with colored lights.

A special feature of the Christmas season here this year will be the appearance of the Cecilian Choristers of Siena Heights College, Adrian. This group of nationally-known musicians will sing on the lawn of Herrick Memorial Hospital and give a concert at the Central School Auditorium. This event is scheduled for Monday evening, December 17, at 8 o'clock. The hospital appearance will be an hour earlier.

THE TECUMSEH HERALD

EARL L. WICKWIRE, Editor and Publisher

Lenawee county's oldest newspaper. Established in 1850. Member, Michigan Press Association.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, $2.00 per year, payable in advance. Advertising rates furnished on application.

ADVERTISING NOTICE! The Tecumseh Herald will use every effort to see that all advertising copy is correctly printed. The publishers assume no financial responsibility for typographical errors in advertisements but will gladly reprint without charge any part of an advertisement in which an error may occur.

Our Congratulations To California

During this year's legislative session, the State of California took a step which might be followed throughout the country. The California Legislature passed a law which requires that a course in the Constitution and in American history be a condition for graduation from high schools, junior colleges, state colleges and the state university.

That requirement — coming at a time when enemies within and without the nation are bent on destroying the letter and spirit of the Constitution — is a matter of utmost importance.

The Constitution is our first line of defense against tyranny and oppression. As Percy V. Long, a leading San Francisco attorney and author of "The Story of the Constitution" has written, "Under the Constitution the only power to govern is under 'rule of law,' securing to the individual the right to go and to come and to stay; to enjoy the family relations; to pursue honest industry and innocent recreation; to exercise freedom of opinion, of worship, and of speech; and the rights of private property.

"To secure these rights governments are instituted among men,' as stated in the Declaration of Independence." It was the message to the world proclaiming the American philosophy of government."

That message was never more vital to our strength and our very survival than now. There can be no question that much of the teaching in our schools, particularly in colleges, along with many of the textbooks in current use, is inimical to the Constitution and to those liberties it guarantees. California has taken a splendid step. No young person should be allowed to graduate from school or college without a thorough understanding of those eternal, living principles upon which our nation was created.

—o—

Which Costs More, Food or Taxes?

Which costs you more, your food or your taxes? Maybe you hadn't considered it before but, according to the Grocery Manufacturers of America, the American consumer now pays more in taxes than he pays for his food. In 1940, the nation spent $17,100,000,000 for food and paid $12,700,000,000 in taxes. Last year, in contrast, the food bill was $52,500,000,000 and taxes were $57,000,000,000.

This does not take into consideration the increases in taxes that have occurred during the current year, nor the additional increases which are in prospect.

Here is more proof that the tax bill is the biggest item of expense the American people have to face. Some of our taxes we pay directly, in income, property, inheritance and similar levies. Others we pay indirectly, as in the case of excise taxes and so-called "luxury" taxes. Others still are hidden in the cost of every service and article we buy. All told, taxes now consume close to one-third of the national income.

Taxation on this level destroys incentive. It discourages production and progress. There is but one solution — rigid government economy and a stop in nonessential government spending. At best, taxes must be heavy, but if the present trend continues, it will prove ruinous.

—o—

The Farmers Eye Presidential Timber

Only 21.3 per cent of the farmers and farm women said they would vote for President Truman if he were running for re-election today, according to a spot check made by Country Gentleman magazine. The national farm magazine reports that 71.4 per cent said they would not vote for Mr. Truman and 7.3 per cent were undecided.

The magazine's check was made by field correspondents in 23 states. The question asked was, "Would you vote for President Truman if he were up for re-election today?"

In the 1948 presidential election the farm vote was generally regarded as playing a decisive role in President Truman's victory.

"General Eisenhower was most frequently mentioned as the man farmers would like to see on the Republican ticket, followed closely by Taft, both being suggested several times as often as McArthur, Dewey, Warren or Stassen," the magazine said.

None of those questioned, it added, expressed doubt that Mr. Truman would run in 1952, and there was a widespread feeling that "he'll be hard to beat."

"True Charity Is Not Only To Give . . .

. . but to see that there are no needy." This statement is faithfully exemplified daily by our profession.

Regardless of financial circumstances, every family that may call us is served with dignity, consideration and care.

RIDGEWAY

Thursday evening of this week the United Workers Class is sponsoring a fish supper in the church.

Mrs. Lester McDonnell of Dearborn called in town Sunday.

Pvt. Jerry L. Collins, who is on a furlough from Bolmer-Land visited his grandmother, Mrs. Martha Howe, Monday. Friday, Pvt. Collins and his friend, Miss Betty Wheer of Dundee, visited her again. Jerry is the son of Lewis and Nellie Collins of Milan.

Miss Florine Linn and Mrs. D. W. Linn were Dundee callers, Sunday.

Mr. and Mrs. Howard Landin and son, Terry of St. Clair Shores were Saturday guests of her parents, Mr. and Mrs. T. M. Birdsall.

The Men's Forum will meet Tuesday evening, December 11, at the Curtis Beach home.

B. J. Beasley of Britton called on Elmer Linn, Saturday.

Mr. and Mrs. Forcey and daughters of Ann Arbor called at the home of Mrs. J. E. Baker, Sunday.

Mrs. Vie Mark returned Wednesday from a visit with her son Albert and wife at Ravenna, Mich.

Howard Pennington was home from East Lansing over the weekend.

Mrs. J. D. VanVleet has gone to Pontiac for the winter months with her daughter, Mrs. Paul Allison.

Mrs. Maggie Webster, Mishawaka, Indiana, is a guest of her brother, W. L. Bowen and daughter, Ruth.

Ronald Pocklington was in Chelsea on business, Thursday.

W.S.C.S. District Officer To Speak Here, Dec. 12

Mrs. Lawrence Ward of Milan, a district officer of the W. S. C. S., will be the guest speaker at the December meeting of the W. S. C. S. at the Methodist church, Wednesday, December 12. Mrs. Ward's topic will be "Offering Our Gifts."

The meeting will start at 1:30 and there will be a Christmas shower for the church kitchen. Mrs. Edward Leighton and her committee will serve a luncheon at 12 noon, the third in a series of benefit luncheons.

—o—

LOCALS AND PERSONALS

Miss Martha Hayden returned Wednesday from a visit with her sister and family, Mr. and Mrs. Ronald Wells in Lexington, Ky. She also visited friends at Asbury College, Wilmore, Ky.

Perry Hayden will be speaking three times Sunday, December 9, at the Salem Evangelical United Brethren church in Sandusky, Ohio, and will show his film, "God Is My Landlord," at the 7:30 evening service.

Rev. and Mrs. B. O. Bashore and daughter, Marcia, were in Ann Arbor, Tuesday. Marcia underwent a checkup at the University Hospital.

W. F. Morrill of Onsted is spending the winter with his daughter and family, Mr. and Mrs. Kenneth Ross.

Delay Explained.

"How long will it be before your wife makes her appearance?"

"She's upstairs making it now."

BRITTON

A former Dundee druggist, Fay C. Carney, plans to open a drug store in Britton on December 10 in the old bank building, which he purchased. Since September the building has been under general repair and remodeling. Mr. Carney, a registered pharmacist, and his wife plan to operate the store. Mr. Carney operated a drug store in Dundee from 1924 until Nov. 1949 when he sold his business to Jack Steuwe. The Britton store will have a prescription department, handle stock and poultry remedies, greeting cards, gifts, magazines and proprietory medicines.

Mrs. William Yblack visited her father, who has been ill, Thursday at the home of Mr. and Mrs. J. H. Miner in Hillsdale.

Mrs. Henry Lohr who is seriously ill was moved Friday to Herrick Memorial Hospital in Tecumseh.

The Sarah DuBois Past Noble Grand Club held its regular meeting Wednesday at the home of Mrs. Ida Miller with the annual holiday dinner served at 1 o'clock.

Mrs. Robert Gibson was host to the Methodist W.S.C.S. Wednesday with a co-operative luncheon served at noon. The afternoon devotions were led by Mrs. Merle Crutchfield. A program followed in Latin America presented by Mrs. Gerald Richards and several members assisting. The business session conducted by the president Mrs. Edward Kanous, made plans for the annual family night, December 12. The society will remember the boys in service as well as shut-ins at Christmas time. There will be no regular meeting until January. December 11 the local society is invited to Deerfield Methodist W. S. C. S. meeting as part of a visitation program.

The Methodist study group on the Christian Home plans to meet today for further study at the home of Mrs. Gerald Richards.

Born, December 3 in St. Joseph Hospital in Ann Arbor to Mr. and Mrs. Valden Bidle of Britton, a son, Jerry Dean.

Mrs. Dean Brown of near Cone was the honored guest at a cradle shower Friday evening, given by Mrs. Anna Scott in her home. Twenty-three women enjoyed games. Many lovely gifts were presented to the guest of honor. Refreshments were served by the host and Mrs. Virginia Crutchfield assisting.

Mr. and Mrs. R. B. Kanous were in Toledo, Saturday, to visit Mr. and Mrs. Clarence Kanous. Sunday Mr. and Mrs. Kanous were dinner guests of Mr. and Mrs. Paul Bailey.

George Wilson of Detroit spent the week-end in the Smith Pocklington home.

Sunday afternoon the Methodist Youth Fellowship met at the church. Plans were made at the business meeting for a hay ride December 16 with carol singing. The group will send a CARE package this year rather than exchange names. Next Sunday all members are to meet at the church for packing the treat boxes to be distributed family night, December 12 and to decorate the church. The meeting concluded with a scavanger hunt.

Mr. and Mrs. Clay Croll entertained at dinner Sunday, Mr. and Mrs. Arson Scholten and daughters of Wayne, Mrs. Helen Linn and James Taylor of Detroit and Mr. and Mrs. LaVern Russell of Sand Lake. Pvt. Robert Croll who spent 10 days here with relatives left Tuesday for Camp Chaffee, Ark.

Mr. and Mrs. Ronald Frayer have moved into the apartment at the Elwood Tucker home. Mr. and Mrs. Francis Newell who lived in the Tucker apartment have moved to Deerfield.

Mrs. Delbert Jackson accompanied by her sister left Tuesday by plane for Rochester, Minn., where Mrs. Jackson will receive treatment at the Mayo Clinic.

Mr. and Mrs. Bert Moore and granddaughter Miss Gail Ehlert of Deerfield returned home Sunday evening after spending the week-end with Mr. and Mrs. Kenneth John in Grand Rapids.

NURSES AT HOSPITAL IN REGULAR MEETING

The nurses of the Herrick Memorial Hospital staff met last week at the home of Mrs. Helen Miller in Clinton for their monthly meeting. Marian Pennington gave a report on the workshop for operating room supervisors, which she attended at Wayne University. Elesa Simonson explained how referrals are made to the Bureau of Psychological Services at the U. of M., and to the Huron Valley Child Guidance Clinic at Ypsilanti.

For fun the group improvised a "What Is Your Line," program, the prize going to Alice Williams. Plans for the Christmas party were discussed and later refreshments were served by the hostesses, Mrs. Miller and June Stoner.

Sound Advice

"How did you meet your wife, Smith?"

"Well, I happened to be on an excursion, and —

"There you are. How often have I said it's foolish to be penny wise."

No man is so stingy he will object to having others share his good opinion of himself.

(Continued from page 1)

is preferable, but I would not allow the fact that a plot of land now lies outside of the present school district boundary to prevent its being acquired for a school site. The school law does permit acquisition of school sites outside the boundary of the district.

Assuming the annexation of District 5 and the construction of a school in that area, plus the construction of an elementary school in the northwestern area, it appears that these two schools (plus the central school, plus the necessary additions to the high school plant) should meet the needs of the district fairly well. The Central school can serve the area to the east of Evans street and the "Island" area which is developing as Herrick Park.

True, this solution will require some children from the south of Chicago Boulevard to cross this street to get to the Central school, but this does not seem to be reasonably avoidable. The northwest school can serve the northwest area north of Chicago boulevard and the proposed southwestern school can serve the area west of the industrial area and south of Chicago Boulevard.

Please be assured that we will be glad to discuss these recommendations further with you and your Board of Education if desired and to try to help in any other way possible toward the solution of what I believe to be a serious housing problem.

Westminster League Holds Christmas Party

The Westminster League of the Presbyterian church held its annual Christmas party, Tuesday evening, at the home of Mrs. Harold Clark with Mrs. Elmer Wilt, Mrs. Raymond Kempf and Mrs. Stanley Kruse assisting. At the business meeting, plans were made for the annual Candle Light Service to be held at the church, Sunday, December 16, at 5 p.m. The League also plans to aid a needy family at Christmas, and names were drawn for secret pals.

Mrs. Kruse was in charge of devotions. Mrs. Clark, retiring president, was presented with a gift by Mrs. Jas. Barton and Mrs. Clark presented each of her officers with a gift. Three guests, Mrs. Robt. Peck, Mrs. John Snyder and Mrs. Herbert Cleveland, and 27 members were present.

Mrs. Barton and Mrs. Chas. Stephenson presented a comedy skit. Later, refreshments were served. The next meeting will be on January 8.

PRIZES ARE AWARDED AT CAMERA CLUB MEET

Prizes for black and white pictures and color transparencies were awarded on Monday evening when the Indian Snappers Club met at the library. In the transparency contest, first prize went to Arlie LeBaron, second to Ardis Drewyor and third to Louis Lent. In the black and white pictures, first prize went to Ardis Drewyor, second to Margaret Swift and third to Mabel Lockwood. At the conclusion of the judging, movies were shown by Claude Underwood.

CROP Goal Is

(Continued from page 1)

ually realize the terrific need in the world today. He quoted figures by a Catholic leader recently returned from West Berlin, stating that of the 2,500,000 living there, 1,000,000 are on the dole. Some 5,000 refugees are added to this number monthly. Conditions in Italy are almost unbelievable, it was said.

The Rev. A. Jeschke, pastor of Grace Lutheran church, said, "There is a purpose for which we live in this world. One phase of this certainly is to share some of our wealth with our fellow men in dire need."

Edward Escolme, Friends church pastor, led in devotions and Norman Smoll, county chairman of CROP, of Blissfield, presided. Robert Thompson of Riga, last year's chairman also was present and complimented Tecumseh in its 1950 drive.

John R. Thompson offered the facilities of the United Savings Bank as a depository for funds.

In 1950 churches here raised the following amounts: St. Elizabeth's, $257; Baptist, $101.30; Presbyterian, $353.12; Methodist, $100.64; St. Peter's, $10; Gospel Tabernacle, $31.50; Christian Science, $3.69; Grace Lutheran, $33.50; Friends, $126.72.

The committee hopes to have the fund raising completed by Christmas.

CHRISTMAS DINNER

The annual Christmas potluck dinner of the Florence Weld Mission Guild of Presbyterian church will be held Monday evening, December 10, at the home of Mrs. Harold Wilson. Mrs. Edith C. Smith is the program leader.

Past-Fifty Club Will Meet on December 13

The men and women of Tecumseh and surrounding territory who claim to be "fifty and over" are cordially invited to another meeting in the Tecumseh Methodist church on Thursday, December 13. The meeting will open with a potluck luncheon at twelve o'clock. Those who have no housekeeping facilities are invited to use the church dishes and share the expense of the incidentals. Others are to bring their own table service and food to pass. The members of the Temple Dependable Circle will act again as the hostesses.

Miss Ann Carson and Mrs. T. Rentschler are arranging a program which will be of keen interest to this age group. The committee asks that those who have started hobbies since they were fifty years of age to bring something along their line of interest for an exhibit. Also, the committee respectfully asks that those having recipes of holiday foods which were popular forty or fifty years ago to send a copy on postcard to Mrs. T. Rentschler, immediately, for use on the program.

BAPTIST UNION

The Baptist Ladies Union will meet this afternoon (Thursday) in the Baptist church with the Junior League as guests. A tea will be served after which a Christmas pageant will be presented with Mrs. Dean VanValkenburg, program leader.

LEGAL NOTICE

NOTICE OF SALE
$285,000.00
VILLAGE OF TECUMSEH, MICHIGAN

General Obligation Sewage Disposal System Bonds

Sealed Bids for the purchase of General Obligation Sewage Disposal System Bonds to be issued by the Village of Tecumseh, Lenawee County, Michigan, of the par value of $285,000.00, will be received by the undersigned in his office in the Village of Tecumseh until Monday the 17 day of December 1951 at 7:30 o'clock p.m., Eastern Standard Time, at which time and place said bids will be publicly opened and read; said bonds shall be dated as of January 1, 1952, will be coupon bonds in the denomination of $1,000.00 each, will be numbered consecutively in the direct order of their maturity from 1 to 285, inclusive, and will bear interest from their date at a rate or rates not exceeding three and one-half (3-1/2%) per cent per annum, expressed in multiples of 1/4 of 1%. Said interest will be payable on September 1, 1952, and semi-annually thereafter on March 1st and September 1st of each year, the interest rate for each coupon period on any one bond shall be at one rate only. Accrued interest to date of delivery of such bonds must be paid by the purchaser at the time of delivery.

Said bonds will mature serially as follows:

$5,000 September 1, 1952.
$10,000 September 1, 1953.
$15,000 September 1st of each of the years 1954 to 1971, inclusive.

Bonds may be registered as to principal only.

Bonds numbered 1 to 210, inclusive, maturing in the years 1952 to 1966, inclusive, shall not be subject to redemption prior to maturity.

Bonds numbered 211 to 285, inclusive, maturing in the years 1967 to 1971, inclusive, shall be subject to redemption prior to maturity at the option of the Village on any interest payment date on or after March 1, 1954, in inverse numerical order, at par and accrued interest plus a premium as follows:

$30.00 on each bond called for redemption prior to March 1, 1956;
$25.00 on each bond called for redemption on or after March 1, 1956, but prior to March 1, 1958;
$20.00 on each bond called for redemption on or after March 1, 1958, but prior to March 1, 1960;
$15.00 on each bond called for redemption on or after March 1, 1960, but prior to March 1, 1962;
$10.00 on each bond called for redemption on or after March 1, 1962, but prior to March 1, 1964;
$5.00 on each bond called for redemption on or after March 1, 1964.

Thirty (30) days' notice of the call of any bonds for redemption shall be given by publication in a newspaper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds and, in case of registered bonds, thirty (30) days' notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds. Both principal and interest to be payable at a bank or trust company to be designated by the purchaser of the bonds.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining at the rate or rates specified therein, the total dollar value of all interest on the bonds from January 1, 1952 to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Village. Each bidder shall state in his bid the interest cost to said Village, computed in the manner above specified. No proposal for the purchase of less than all of the bonds or at a price less than their par value will be considered.

The Village of Tecumseh is authorized and required by law to levy upon all the taxable property therein, such ad valorem taxes as may be necessary to pay these general obligation bonds and the interest thereon without limitation as to rate or amount. The issuance of said bonds was authorized by the electors of said Village at a special election held in said Village of Tecumseh on October 31, 1951.

A certified or cashier's check in the amount of $5,700.00, drawn upon an incorporated bank or trust company, payable to the Treasurer of said Village, must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof, approving their legality. The Village shall furnish bonds ready for execution at its expense. Bonds will be delivered at Detroit, Michigan, or at such other place as may be designated by the purchaser.

The right is reserved to reject any or all bids.

Envelopes containnig the bids shall be plainly marked "Proposal for Bonds."

Any interested bidder will be furnished, upon request, a report of the essential facts pertaining to the financial conditions of the Village. Such request should be directed to Matthew Carey, financial adviser for the Village, Box 3703 Kercheval Station, Detroit 15, Michigan, or the undersigned.

Dated: December 5, 1951.

LOCALS AND PERSONALS

Robert G. Fuller is recovering slowly from injuries suffered several weeks ago when a can of paint in a bonfire exploded, burning his left leg seriously. Mr. Fuller is confined to his home.

James McDowell, superintendent of schools, was in Ann Arbor yesterday to attend a superintendent's work shop meeting at the University of Michigan.

Dr. and Mrs. Robert J. Bowers and Mr. and Mrs. John Shannon of Battle Creek were in Detroit, Sunday, and attended a football game.

Mr. and Mrs. Darwin Smith of Canandiague, N. Y., will arrive December 15 to spend the holidays with her mother, Mrs. Percy Morgan of Macon.

Mr. and Mrs. Ernest Wright and Mrs. Marjorie McLennan of Ridgeway attended the funeral of Albert Conklin, Monday, in Detroit.

Mr. and Mrs. George Green, sr., are spending three months in Arlington, Calif., with their daughter, Mrs. R. Wayne Hundley. Mr. Hundley is in the armed services in Japan.

HERRICK MEMORIAL HOSPITAL NOTES

Born, November 27, to Mr. and Mrs. Norman Kastel of Rt. 2, Adrian, a daughter.

Born, November 29, to Mr. and Mrs. John R. Steffens of Clinton, a son.

Born, November 30, to Mr. and Mrs. Allen Luckhardt of Brooklyn, a daughter.

Born, December 1, to Mr. and Mrs. John Cousino of Petersburg, a son.

Born, December 2, to Mr. and Mrs. Harley Cherry of Adrian, a son.

Born, December 2, to Mr. and Mrs. Herbert Ayres of Rt. 1, Clinton, a son.

Born, December 3, to Mr. and Mrs. Robert Wallace of Onsted, a son.

Born, December 3, to Mr. and Mrs. William H. Pangburn of Tecumseh, a son.

Born, December 3, to Mr. and Mrs. Sidney Sinclair of Holloway, a son.

Born, December 4, to Mr. and Mrs. Robert Brazee of Tecumseh, a daughter.

Those discharged from the hospital November 28 were, Harold Richard Ruhl of Clinton, Lawrence Bater and Mrs. Leonard Harsh of Tecumseh, Robert Knudson of Britton and Mrs. George Grossman and daughter of Manchester.

Those discharged November 29 were, Dusan Cuk of Detroit and James Brandt of Tecumseh.

Those discharged November 30 were, Mrs. Stuart Watson of Tecumseh, Clinton B. Fish of Clinton and Mrs. Jesse Elizando and son of Deerfield.

Those discharged December 1 were, Janet M. Dresselhouse of Manchester, Peggy Lee Easton of Tecumseh, Norman Walz of Manchester, Mrs. Leonard Bodin of Dundee, Basil Schwab of Manchester and Mrs. Harley Mills of Clayton.

Those discharged December 3 were, Mrs. Denver Cox and son, Allen, of LaSalle, Everett McKenzie and Robert Rutherford of Tecumseh.

NEW OFFICERS CHOSEN

The Golden Rule division of the Presbyterian church met Tuesday evening at the home of Mrs. Paul Keyser. New officers were elected as follows; Mrs. Clair Rozelle, president; Mrs. Ronald Harris, vice-president; Mrs. Ned Baldwin, secretary, and Mrs. Archie Porter, treasurer. The new president appointed her committee for the installation of officers at the January 2 meeting, to be held at the home of Mrs. Frank K. Smith. Mrs. Smith and Mrs. Jessie Sluyter are the committee. Assisting will be Mrs. Dale Bowen and Mrs. Hilda Will. An exchange of gifts was enjoyed and refreshments were served by the hostesses, Mrs. Keyser, Mrs. Ralph Helzerman, Mrs. Ned Baldwin and the Misses Geraldine French and Lucille Hawley.

When you come right down to it the reckless driver is very rarely wreckless.

Monday Club To Enjoy Annual Christmas Program

The Tecumseh Monday Club will hold its annual Christmas program in the Methodist church on Monday, December 10, at 2 o'clock. The drama department with Mrs. Ronald Harris, leader, assisted by the music department, will present a drama entitled, "Why the Angels sing." Mrs. Maynard Mulvaney will be the narrator.

The hostesses are Mrs. Truman Rentschler, Mrs. Oscar Snyder, Mrs. Herbert Temple, Mrs. Harold Kelso, Mrs. L. W. Larsen and Mrs. Jennie Satterlee.

All former members of the club aer invited to be guests. A Silver Tea will be served following the program.

143 COUPLES ATTEND ANNUAL HOLIDAY BALL

"The Holiday Ball," held at the Country Club, Saturday evening, and sponsored by the Herrick Memorial Hospital Auxiliary was attended by some 143 couples. The Dur-Whipple orchestra of Jackson furnished the music for dancing. The rooms were beautifully decorated with ropes of green leaves and colored snow flakes and snow by Mrs. Donald Cobb and her committee. Mrs. Russell Carey and Mrs. Vincent Haight were general chairmen of the event.

7,495 Arrests Reported By Police During October

During October the Michigan State Police made 7,495 arrests, including 6,712 for traffic offenses, according to the monthly activity summary compiled by the department.

Total arrests were up 28 per cent over the 5,857 for October last year and arrests for traffic offenses increased 31 per cent over 5,129.

Not included in the totals were 528 juveniles taken into custody in connection with traffic and other offenses. This was a 31 per cent increase over 404 during the same period last year.

Total travel in all activities was 903,131 miles. Officeers also made 24,481 property inspections and 3,485 liquor inspections.

The East Lansing headquarters identification bureau received 7,915 sets of fingerprints during the month to bring the total on file to 3,489,304. Of this number 1,804,106 are in the criminal section and 1,685,198 in the non-criminal section.

In checking 874 sets of fingerprints in connection with applications for licenses to carry concealed weapons, 87 applicants were found to have criminal records.

CONSUMERS POWER COMPANY

WE'LL put it up to you! There must be plenty of good reasons why more people buy Chevrolets than any other car.

Here are some things to think about.

There's the way Chevrolet looks. Nice clean, curved lines—like cars in the high-price field! Chevrolet's Body by Fisher sets the pace among low-priced cars.

There's the way Chevrolet rides and handles. The smoothness and big-car comfort of Unitized Knee-Action. Bigger brakes—biggest in the field—for safer, surer stops. Finest no-shift and standard driving at lowest cost with Powerglide or Synchro-Mesh transmission.

There's the way Chevrolet saves. Chevrolet is the lowest-priced line in the field and the savings go on and on with low operating costs.

There are plenty more reasons why Chevrolet is America's favorite. Come in and let us show them to you.

Chevrolet's time-proved POWERGlide automatic transmission
Finest no-shift driving at lowest cost. Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.

COUNCIL PROCEEDINGS

VILLAGE OF TECUMSEH
COUNCIL BUILDING
November 23, 1951

Present: President Elliott, Trustees Mensing, Rohweder, Heilman, Fosbender, Porter, and Truesdale.

Absent: None.

Minutes of meeting held November 5, 1951 and November 19, 1951 read and approved.

An itemized list of bills paid November 23, 1951, is recorded in the Village Clerks Office and is open for public inspection.

Total Disbursements for the period ending November 16, 1951, $9,879.97.

Moved and supported that bills as read with the exception of Butler Motor Sales be approved.

Ayes, Mensing Rohweder, Heilman, Fosbender, Porter, and Truesdale.

Nays: None.

Moved and supported that the Herrick Memorial Hospital financial report be accepted and placed on file.

Ayes: Mensing, Rohweder, Heilman, Fosbender, Porter, and Truesdale.

Nays: None.

The following preamble and resolution was offered by Councilman Heilman, and supported by Councilman Porter:

WHEREAS, by authority of a resolution of the Village Council the following proposition was submitted to vote of the qualified electors of the Village at a special election held in said village on October 31, 1951:

Bonding Proposition

Shall the Village of Tecumseh, Lenawee County, Michigan, borrow the sum of Two Hundred Eighty-five Thousand ($285,000.00) Dollars and issue its general obligation bonds therefor, for the purpose of paying the cost of constructing improvements to the sewage disposal system of the Village, consisting of sanitary sewers and a sewage treatment plant?

AND WHEREAS, more than two-thirds (2/3) of the qualified electors of said Village voting at said election voted in favor of said proposition, and it has been duly determined by the Village Council that said proposition was carried by more than a two-thirds (2/3) vote:

THEREFORE BE IT RESOLVED THAT:

1. Bonds of the Village of Tecumseh, to be designated GENERAL OBLIGATION SEWAGE DISPOSAL SYSTEM BONDS, be issued in the aggregate principal sum of $285,000.00 for the purpose of paying the cost of constructing improvements to the sewage disposal system of the Village, consisting of sanitary sewers and a sewage treatment plant, said issue to consist of 285 bonds of $1,000 each, numbered in direct order of maturity from 1 to 285, inclusive, dated as of January 1, 1952, and payable as follows:

$5,000 September 1, 1952
$10,000 September 1, 1953.
$15,000 September 1st of each of the years 1954 to 1971, inclusive.

Said bonds shall bear interest at a rate or rates not exceeding three and one-half (3-1/2%) per cent per annum, payable on September 1, 1952, and semi-annually thereafter on March 1st and September 1st of each year, both principal and interest to be payable at a bank or trust company to be designated by the purchaser of the bonds.

Bonds numbered 1 to 210, inclusive, maturing in the years 1952 to 1966, inclusive, shall not be subject to redemption prior to maturity.

Bonds numbered 211 to 285, inclusive, maturing in the years 1967 to 1971, inclusive, shall be subject to redemption prior to maturity at the option of the Village on any interest payment date on or after March 1, 1954, in inverse numerical order, at par and accrued interest plus a premium as follows:

$30.00 on each bond called for redemption prior to March 1, 1956;
$25.00 on each bond called for redemption on or after March 1, 1956, but prior to March 1, 1958;
$20.00 on each bond called for redemption on or after March 1, 1958, but prior to March 1, 1960;
$15.00 on each bond called for redemption on or after March 1, 1960, but prior to March 1, 1962;
$10.00 on each bond called for redemption on or after March 1, 1962, but prior to March 1, 1964;
$5.00 on each bond called for redemption on or after March 1, 1964.

Thirty (30) days' notice of call of any bonds for redemption shall be given by publication in a newspaper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds and, in case of registered bonds, thirty (30) days' notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

Said bonds may be registered as to principal only in the manner and with the effect set forth on the face thereof, as hereinafter provided.

2. The President and Village Clerk sign and execute said bonds on behalf of the Village and cause the corporate seal of the Village to be affixed thereto, and that interest coupons be annexed to said bonds bearing the facsimile signature of the Village Treasurer and that said bonds when executed be delivered by the Village Treasurer to the purchaser thereof on payment of the purchase price therefor.

3. Said bonds shall be in substantially the following form:

UNITED STATES OF AMERICA
STATE OF MICHIGAN
COUNTY OF LENAWEE
VILLAGE OF TECUMSEH
GENERAL OBLIGATION SEWAGE DISPOSAL SYSTEM BOND

No..... $.....

KNOW ALL MEN BY THESE PRESENTS that the VILLAGE OF TECUMSEH, Lenawee County, Michigan, acknowledges itself to owe, and for value received hereby promises to pay to the bearer, or if registered, to the registered holder hereof, the sum of

ONE THOUSAND DOLLARS

lawful money of the United States of America, on the first day of September A.D. 19....., with interest hereon from the date hereof until paid at the rate of.....per cent per annum, payable on September 1, 1952, and semi-annually thereafter on the first day of March and September of each year, on presentation and surrender of the annexed interest coupons as they severally become due. Both principal and interest on this bond are payable in lawful money of the United States of America at..... and, for the prompt payment of this bond, both principal and interest, the full faith, credit and resources of the Village of Tecumseh are hereby irrevocably pledged.

This bond is one of a series of two hundred eighty-five (285) bonds of even date and like tenor except as to date of maturity..... aggregating the sum of $285,000.00, issued for the purpose of paying the cost of constructing improvements to the sewage disposal system of the Village, consisting of sanitary sewers and a sewage treatment plant, has been authorized by a two-thirds (2/3) vote of the qualified electors of said Village voting thereon at a special election held in said Village on October 31, 1951.

Bonds of this issue numbered 1 to 210, inclusive, maturing in the years 1952 to 1966, inclusive, shall not be subject to redemption prior to maturity.

The right is reserved of redeeming bonds of this issue numbered 211 to 285, inclusive, maturing in the years 1967 to 1971, inclusive, at the option of the Village on any interest payment date on or after March 1, 1954, in inverse numerical order, at par and accrued interest plus a premium as follows:

$30.00 on each bond called for redemption prior to March 1, 1956;
$25.00 on each bond called for redemption on or after March 1, 1956, but prior to March 1, 1958;
$20.00 on each bond called for redemption on or after March 1, 1958, but prior to March 1, 1960;
$15.00 on each bond called for redemption on or after March 1, 1960, but prior to March 1, 1962;
$10.00 on each bond called for redemption on or after March 1, 1962, but prior to March 1, 1964;
$5.00 on each bond called for redemption on or after March 1, 1964.

Thirty (30) days' notice of call of any bonds for redemption shall be given by publication in a newspaper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds and, in case of registered bonds, thirty (30) days' notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds.

This bond may be registered as to principal only on the books of the Village Treasurer of Tecumseh, Michigan, in the name of the holder, and such registration noted on the back hereof, after which no transfer shall be valid unless made on the books and noted on the back hereof in like manner, but transferability by delivery may be restored by registration to bearer. Such registration shall not affect the negotiability of the interest coupons.

This bond is payable out of the debt retirement fund of said Village of Tecumseh, and it is hereby certified and recited that all acts, conditions and things required by law precedent to and in the issuance of this bond exist and have been done and performed in regular and due time and form as required by law, and that the total indebtedness of said Village, including this bond, does not exceed any constitutional, charter or statutory limitation.

IN WITNESS WHEREOF the Village of Tecumseh, Lenawee County, Michigan, by its Village Council has caused this bond to be signed by its President and Village Clerk and its corporate seal to be affixed hereto, and the coupons hereto attached to be signed by the facsimile signature of the Village Treasurer as of the first day of January, A. D. 1952.

4. The said bonds shall not be issued until the Municipal Finance Commission of the State of Michigan shall have first issued its order granting permission to do so, as provided in Act No. 202, Public Acts of Michigan, 1943, as amended, and the Village Clerk is hereby authorized and directed to make application to said Commission for the issuance of such order.

5. All resolutions and parts of resolutions, in so far as the same may be in conflict herewith, are hereby rescinded.

Resolution Adopted By Following Vote:

Ayes: Councilmen Mensing, Rohweder, Heilman, Fosbender, Truesdale and Porter.

Nays: Councilmen, None.

RESOLVED that the Village Clerk submit to the Municipal Finance Commission for approval the form of Notice of Sale of $285,000.00 General Obligation Sewage Disposal Bonds, said Notice of Sale, after approval of the form thereof by said Municipal Finance Commission, to be published at least seven (7) days prior to the date fixed for the sale thereof in the Michigan Investor published in Detroit, Michigan, and in The Tecumseh Herald published in Tecumseh, Michigan;

RESOLVED, FURTHER, that said Notice of Sale be in substantially the following form, subject to any changes which may be required by the Municipal Finance Commission:

NOTICE OF SALE
$285,000.00
VILLAGE OF TECUMSEH,
MICHIGAN
General Obligation Sewage Disposal System Bonds

Sealed Bids for the purchase of General Obligation Sewage Disposal System Bonds to be issued by the Village of Tecumseh, Lenawee County, Michigan, of the par value of $285,000.00, will be received by the undersigned in his office in the Village of Tecumseh, until Monday the 17 day of December 1951, at 7 o'clock P.M., at which time and place said bids will be publicly opened and read; said bonds shall be dated as of January 1, 1952, will be coupon bonds in the denomination of $1,000.00 each, will be numbered consecutively in the direct order of their maturity from 1 to 285, inclusive, and will bear interest from their date at a rate or rates not exceeding three and one-half (3-1/2%) per cent per annum, expressed in multiples of 1/4 of 1%. Said interest will be payable on September 1, 1952, and semi-annually thereafter on March 1st and September 1st of each year, the interest rate for each coupon period on any one bond shall be at one rate only. Accrued interest to date of delivery of such bonds must be paid by the purchaser at the time of delivery.

Said bonds will mature serially as follows:

$5,000 September 1, 1952.
$10,000 September 1, 1953.
$15,000 September 1st of each of the years 1954 to 1971, inclusive.

Bonds numbered 1 to 210, inclusive, maturing in the years 1952 to 1966, inclusive, shall not be subject to redemption prior to maturity.

Bonds numbered 211 to 285, inclusive, maturing in the years 1967 to 1971, inclusive, shall be subject to redemption prior to maturity at the option of the Village on any interest payment date on or after March 1, 1954, in inverse numerical order, at par and accrued interest plus a premium as follows:

$30.00 on each bond called for redemption prior to March 1, 1956;
$25.00 on each bond called for redemption on or before March 1, 1956, but prior to March 1, 1958;
$20.00 on each bond called for redemption on or before March 1, 1958, but prior to March 1, 1960;
$15.00 on each bond called for redemption on or after March 1, 1960, but prior to March 1, 1962;
$10.00 on each bond called for redemption on or after March 1, 1962, but prior to March 1, 1964;
$5.00 on each bond called for redemption on or after March 1, 1964.

Thirty (30) days' notice of call of any bonds for redemption shall be given by publication in a newspaper circulated in the State of Michigan which carries, as part of its regular service, notices of sale of municipal bonds and, in case of registered bonds, thirty (30) days' notice shall be given by mail to the registered address. Bonds so called for redemption shall not bear interest after the date fixed for redemption, provided funds are on hand with the paying agent to redeem said bonds. Both principal and interest to be payable at a bank or trust company to be designated by the purchaser of the bonds.

For the purpose of awarding the bonds the interest cost of each bid will be computed by determining, at the rate or rates specified therein, the total dollar value of all interest on the bonds from (Here insert the first day of the month next following the date of the bonds whichever is later) to their maturity and deducting therefrom any premium. The bonds will be awarded to the bidder whose bid on the above computation produces the lowest interest cost to the Village. Each bidder shall state in his bid the interest cost to said Village, computed in the manner above specified. No proposal for the purchase of less than all of the bonds or at a price less than their par value will be considered.

The Village of Tecumseh is authorized and required by law to levy upon all the taxable property therein, such as valorem taxes as may be necessary to pay these general obligation bonds and the interest thereon without limitation as to rate or amount. The issuance of said bonds was authorized by the electors of said Village at a special election held in said Village of Tecumseh on October 31, 1951.

A certified or cashier's check in the amount of $5,700.00, drawn up on an incorporated bank or trust company, payable to the Treasurer of said Village, must accompany each bid as a guaranty of good faith on the part of the bidder, to be forfeited as liquidated damages if such bid is accepted and the bidder fails to take up and pay for the bonds. No interest shall be allowed on the good faith checks and checks of unsuccessful bidders will be promptly returned to each bidder's representative or by registered mail.

Bids shall be conditioned upon the unqualified opinion of Miller, Canfield, Paddock and Stone, attorneys of Detroit, Michigan, which opinion will be furnished without expense to the purchaser of the bonds prior to the delivery thereof, approving their legality. The Village shall furnish bonds ready for execution at its expense. Bonds will be delivered at Detroit, Michigan, or at such other place as may be designated by the purchaser.

The right is reserved to reject any or all bids.

Envelopes containing the bid shall be plainly marked "Proposal for Bonds."

Any interested bidder will be furnished, upon request, a report of the essential facts pertaining to the financial conditions of the Village. Such request should be directed to Matthew Carey, financial adviser for the Village, Box 3703 Kercheval Station, Detroit 15, Michigan, or the undersigned.

Robert L. Kroner,
Village Clerk.

Moved and supported that the above resolution be accepted.

Ayes: Mensing, Rohweder, Heilman, Fosbender, Porter, and Truesdale.

Nays: None.

The following preamble and resolution was offered by Councilman Rohweder and supported by Councilman Mensing.

WHEREAS the Consumer's Power Company, a corporation formed under the laws of the State of Michigan, has granted to the Village of Tecumseh an easement across certain lands owned by said Consumer's Power Company; and

WHEREAS said easement is necessary to the Village for proper installation and maintenance of the sewer system;

NOW THEREFORE BE IT RESOLVED:

That the Village of Tecumseh accepts said easement under the terms and conditions as delineated in the deeds of easement executed November 13, 1951 by the Consumer's Power Company and the Village agrees to the terms and conditions as therein set forth.

Ayes: Mensing, Rohweder, Fosbender, Heilman, Porter, and Truesdale.

Nays: None.

RESOLUTION DECLARED ADOPTED.

Dated: November 23, 1951.

Attest:

Robert L. Kroner, Clerk

Moved and supported that the Village purchase a new fire siren at a cost of $635.00.

Ayes: Mensing, Rohweder, Fosbender, Heilman, Porter, and Truesdale.

Nays: None.

Moved and supported that the Village purchase an electric adding machine at a price of $85.00 and the old machine in exchange.

Ayes: Mensing, Rohweder, Fosbender, Heilman, Porter, and Truesdale.

Nays: None.

Moved and supported that petition from the Tecumseh Ministerial Association opposing gambling in the Village be accepted and placed on file.

Ayes: Mensing, Rohweder, Fosbender, Heilman, Porter, and Truesdale.

Nays: None.

Moved and supported that the Clerk write a letter to Postmaster Fent Edwin Thatcher accepting the Post Office Department's offer of a tract of land acquired by the United States. The land will be used by the Village.

Ayes: Mensing, Rohweder, Fosbender, Heilman, Porter, and Truesdale.

Nays: None.

Moved and supported that the Village Treasure's report be accepted and placed on file.

Ayes: Mensing, Rohweder, Fosbender, Heilman, Porter, and Truesdale.

Nays: None.

The following preamble and resolution was offered by Councilman Mensing and supported by Councilman Truesdale.

WHEREAS Certain lands now owned by the Village adjacent to Brookside Cemetery are available for cemetery expansion; and

WHEREAS Brookside Cemetery is rapidly reaching capacity; and

WHEREAS the Board of Cemetery Trustees has adequate funds under its control in the nature of grants for perpetual care but has not adequate funds for the development of the aforesaid adjacent lands;

NOW THEREFORE BE IT RESOLVED THAT:

(1) The Board of Cemetery Trustees shall be and hereby are authorized to divert from the Perpetual Care Trust Fund monies not to exceed the sum of $10,000 for the purpose of surveying, platting and developing lands newly acquired for Cemetery purposes adjacent to Brookside Cemetery.

(3) Upon development of said lots in the recently acquired lands, they shall be made available for sale to the general public and the money received from the sale of said lots shall be used to repay the Trust fund of said Cemetery Association until the aforesaid amount is fully paid together with interest at 4% per annum; repayment to be made immediately upon the sale of each lot or group of lots.

Ayes: Mensing, Rohweder, Heilman, Fosbender, Porter, and Truesdale.

Nays: None.

RESOLUTION DECLARED ADOPTED.

Attest:

Robert L. Kroner, Clerk

Dated: November 23, 1951.

BE IT RESOLVED:

That the tentative system of major streets set forth on the attached map and tabulation, being streets of greatest general importance, was selected under the direction of this governing body and hereby is approved and certified to the State Highway Commissioner, and

BE IT FURTHER RESOLVED:

That the local streets indicated on the attached map are under the jurisdiction of this municipality; are exclusive of alleys, cemetery drives and minor park drives; are open and in use by the public for vehicular traffic and are certified as the local streets to the State Highway Commissioner, and

BE IT FURTHER RESOLVED:

The the governing body certifies that the mileage of the tentative system of major streets is 7.2 miles and the mileage of local streets is 7.7 miles. The sources of these mileages are a matter of record in the files in this municipality in the form of survey notes, a correct map and other type of records from which the mileage have been compiled for this certification and are available for inspection and verification.

VILLAGE OF TECUMSEH

Movie Theaters May Get Clubby

BERGAN SAYS THAT HE HAS A NOVEL IDEA TO GET 'EM OUT OF THE RED

Hollywood—Edgar Bergan came up with an idea he says will pull movie theatres out of the red. He wants to turn 'em into community hangouts.

"They could be everything from lecture halls to country clubs," the ventriloquist explained. "That way people would get into the habit of going to their local theaters."

Mr. Bergan isn't just talking through Charlie McCarthy's wooden tonsils, either. He's going to do it.

"I explained my idea to Charlie Skouras, head of the Fox chain," he said, "and he told me he'd give me one of his theaters to try it out on.

"I haven't decided which one I'll take yet. I'm considering the one in Phoenix, Ariz., or maybe Bakersfield, Calif., or Riverside, Calif., and I've got my campaign all mapped out.

"I'll look up the local theater group and have 'em put on one-act plays before the main feature. This will throw out the old double-bill system. We'll get the school glee clubs for holidays.

"I'll find the town band . . . or orchestra . . . and give concerts. One day a month I'll have the women's clubs over to see a picture and afterward I'll serve tea and crumpets in the mezzanine.

"I'll have the local movie critic to drop around and discuss the picture with the ladies.

"Another time I'll have all the photographers in town see a special picture and then hash over the cinematography in a bull session.

"I'll ask them to bring along their favoriate stills. And we'll put 'em on display in the local camera shop. Maybe even give the winner a gold pass for a year."

He's toying with the idea of having religious speakers on Sunday, too. And maybe a few lectures during the week.

"The way they run theaters now is too standardized," Mr. Bergan said. "Did you know the managers of chain houses are even told which side of the lobby they have to display their posters on?

"This is not show business. When a local boy or girl appears in a movie—they'll get top billing on my marquee.

"I'm going to run things so people will feel good about going to the theater. Ladies will get a chance to sit around afterward and show off their new hats.

"I may even have dances there. That's a good way to build up community spirit. It's not such a fantastic idea, either. You wait. I'll have that theater jumpin' before I get through."

Wider Highways

The old narrow trails where two cars could pass without colliding are being replaced with beautiful wide highways on which six or eight cars can collide at one time.

Timber Waste Must Be Ended

NEED FOR CONSERVATION OF U. S. FORESTS IS SOUNDED BY GOVERNMENT

Washington — In a new report, the United States Forest Service repeats previous warnings that the nation is not taking good enough care of its forestry resources.

The agency says progress is being made in conserving these resources but that saw timber still is not being grown as fast as it is being used.

The service says many lumber pulp and paper companies and other industrial and individual owners of forest land are doing a good job of forest management.

It adds, however, that only 8 per cent of all timber-cutting practices on private lands can be classed as good; 27 per cent as fair, and 64 per cent as poor or destructive.

"Private forest-land resources as a whole," the report declares, "are on the down grade."

The forest service says that whether the future brings another terrible war or a lasting peace, productive forest resources are one of the essentials to the progress, security and welfare of the country.

It believes much more forest land should belong to the government, with the forest service playing the role of "manager."

The forestry industry disagrees. It contends private owners are doing a better job of managing the forestry resources than the forest service says.

The agency expresses the opinion "our national security and welfare" probably will eventually require an expansion of public forest ownership.

It lists these classes of land which, in its view, should be owned by the government:

1. Lands of which the productivity is too low for private owners to be expected to hold them for timber growing. The forest service would plant and grow new trees on such land.

2. Lands so denuded as to offer no prospect of income for many decades, and with prospect of rehabilitation by private enterprise. Such land also would be reforested by the government.

3. Tracts of privately owned timberland now subject to "destructive exploitation," the liquidation of which would vitally affect the welfare of dependent communities.

"Public forests," the report says, "seem to fit into a democratic society. They are owned by the people and managed for the people."

The service also recommends greater government aid in encouraging better forest management on private lands, such as increased public aid in fire protection and disease control, increased technical assistance for forest-land owners, public aid in the development of cooperative management and marketing associations of forest owners, long-term, low-interest loans to help finance timber-growing enterprises and more research on timber growing and forest management.

State To Train Officers In Fingerprint Work

Special classes in fingerprint identification and breaking and entering investigation will be conducted by the Michigan State Police for municipal, sheriffs' and state police officers at a series of schools to be held throughout the state during December and January, it is announced by Commissioner Donald S. Leonard.

"Of all major offenses," Leonard said, "police handle more breaking and entering crimes than any other single type. Fingerprint identification is an important phase of such investigations. It is our hope that this training program will help to reduce the problem."

Methods and techniques of investigating breaking and enterings and proper handling of latent fingerprint evidence will be covered. There also will be demonstrations in the use of fingerprint cameras and other equipment, conducting interviews, searching for suspects and stolen property, and utilizing police records, identification bureaus and scientific crime and photographic laboratories.

The two-day schools are now scheduled in the eight cities where there are State Police district headquarters, but additional schools will be held in other locations if the enrollment warrants. Advance registrations of municipal and county officers indicate there will be a heavy attendance.

The schedule thus far follows: Eighth State Police district, Marquette, December 3 and 4; seventh district, Traverse City, December 6 and 7; sixth district, Rockford, December 10 and 11; fifth district, Paw Paw, December 13 and 14; fourth district, Jackson, January 7 and 8; first district, East Lansing, January 10 and 11; third district, Bay City, January 14 and 15, and second district, Detroit, January 17 and 18.

Schools in other subjects are to be held later.

Impossible.

There has been a burglary, and a detective had been sent to investigate.

"H'm," he murmured, after he had been around the house and asked a few questions. "Looks to me like an inside job. The burglar evidently knew just where to find everything."

The housekeeper shook his head. "Couldn't be," he replied. "Nobody in this house knows where to look for anything."

LOCALS AND PERSONALS

Sgt. Conrad R. Fosbender arrived home Saturday evening from Korea to spend a 30-day furlough with his parents, Mr. and Mrs. Carl Fosbender. After his furlough Sgt. Fosbender is to report to Portsmouth, Virginia.

Frank Buck has sold his home on North Pearl street, to Mr. and Mrs. William Spavin and has purchased a home in Adrian.

Mr. and Mrs. Charles Davidson of Detroit and son, Pfc. Charles Davidson, jr., of LeJune, North Carolina, who is on a 15-day furlough, spent the week-end with Mrs. Davidson's sister and husband, Mr. and Mrs. William Spreeman. Sunday they had dinner with Mrs. Davidson and Mrs. Spreeman's mother, Mrs. Charles Lister in Britton.

Rev. and Mrs. A. Jeschke and sons visited Mr. Jeschke's brother and family in Hamler, Ohio, Sunday evening.

Sunday dinner guests of Mrs. Carl Burch were Bernard Richmond and Mrs. Minnie Hague of Webster, Mich., and Mrs. Rhae Lewis of Ann Arbor. Mrs. Vera Stevens of Adrian was an afternoon caller in the Burch home. Later in the afternoon they all visited the Rev. and Mrs. Herbert Burch and family in Adrian.

Mrs. Cecil Fielder was the guest or honor Sunday evening at a surprise birthday party planned by her husband. The guests included Mr. and Mrs. William Fielder and Patty and Jim, Mr. and Mrs. Everett Fielder of Tecumseh, Mr. and Mrs. Glenn Crittenden of Macon, Mr. and Mrs. Thomas Johnston and family of Manchester, Mrs. Millard Snyder and family, and Mrs. Fielder's mother, Mrs. Roy Ellsworth of Springport, Mich. A social time was enjoyed and a large birthday cake centered the refreshment table. Mrs. Fielder was presented with gifts.

Austin Drake attended the Exposition of Chemical Industries in Grand Central Palace, New York, last week.

Mrs. Joe Springer was a guest of Mr. and Mrs. William Septrian of Detroit last week.

SMART BOY

Portland, Me. — Although he is only 15, George Joseph Wiers is a full-fledged restaurranteur. The high school sophomore operates a small restaurant on Portland's main street, having bought the store with money he had saved when he carried newspapers for four years.

Nowadays the ordinary man has to do a lot of high thinking just to get a plain living.

Born, November 22, to Mr. and Mrs. Willard Cowan, a son.

Mrs. Guy Beevers broke her right arm in a fall at her home.

—o—

AUTRIA ASKED TO END NEW MARRIAGE EDICT

Vienna—Austria's Roman Catholic hierarchy called here for revocation of a government decree requiring church marriages to be preceded by a civil ceremony. The demand was made in a statement adopted at the annual Bishops' Conference, at which Theodore Cardinal Innitzer, Archbishop of Vienna, presided.

The statement said that Minister of Justice Otto Tschadek had promised to settle this issue, but had not acted yet. The decree to which the bishops objected was one issued during the former Nazi regime.

Another demanded by the bishops was for state support of Roman Catholic schools.

—o—

These Changing Times

Kind Lady—What are you crying for, little man? What's your name? Where do you live?

Small Boy—That's what's the matter. I don't know my name or where I live. We moved yesterday and mother was married again today.

key to someone's
Merry, Merry Christmas

This is the key to many things.

It's the key to a Buick, as you may well guess.

It's the key to power that is nimble and mighty and always alert—and to miles that are wondrously smooth and supremely pleasant.

It's the key to a prized possession that will keep this Christmas joyous in memory for months and even years.

And it's the key to sparkling eyes and happy smiles and delighted surprise for that very special Someone who receives it.

Want to know why a Buick's key can work such wonders? Come in and find out firsthand.

This, we promise you, is one bit of Christmas shopping that you're going to enjoy.

When you touch off that Fireball Engine that's a high-compression valve-in-head eight—when you set that Dynaflow* pointer at "D" for "Drive"—when you lay hands on that graceful wheel, ease into motion and feed the power—you're going to feel like Santa Claus and all his reindeer as they skim through the air with the greatest of ease.

This is a great car, a great performer, and a great buy.

No need to tell you the shopping days till Christmas are getting fewer and fewer.

There's no time like now for taking steps to make this a Buick Christmas.

NO OTHER CAR PROVIDES ALL THIS:

DYNAFLOW DRIVE • FIREBALL ENGINE*
PUSH-BAR FOREFRONT • WHITE-GLOW
INSTRUMENTS • 4-WHEEL COIL SPRINGING
TORQUE-TUBE DRIVE • DUAL VENTILATION
DREAMLINE STYLING • BODY BY FISHER

When better automobiles are built BUICK will build them

*Equipment, accessories, trim and models are subject to change without notice

Red Flashers on Wreckers In Motion Is Illegal

State Police Commissioner Donald S. Leonard warns that the use of red flasher signals on wrecker trucks while enroute to or from a call is a violation of the law.

"Use of the red flasher is permissable while a wrecker is at the scene of a call because the vehicle is standing still on the highway and the blinker lights are a warning to other traffic," Leonard said. "However, the red flashers are illegal when the wrecker is going to or from the call, even though it may be hauling a car."

The commissioner stated his warning resulted from a number of complaints over use of red flashers on wreckers.

"Other drivers are confused by these lights when in motion, believing the wrecker is a police car, a fire truck or an ambulance which must be given right-of-way. The latter vehicles, of course, are entitled to use the lights on emergency runs. But becoming accustomed to seeing wreckers with the red flashers many drivers then wrongly identify an emergency car as a wrecker and fail to take heed accordingly."

Only One Mistake.

A ticket inspector entered a train. He examined several tickets, and told all of the holders that they were in the wrong train. They must, he said, change at once.

As his progress along the carriage continued, he found still more passengers who had made a mistake about the train.

Then one of them had a bright idea, and asked the ticket inspector whether he was not in the wrong train.

He was.

U. S. TO PREVIEW 2-CENT POSTAL

Washington—The public will get a preview of the new 2-cent government postal card by the middle of November.

The new card, replacing the old penny card, will go into official use Jan. 1, 1952.

However, the Post Office Department has announced it has arranged for immediate printings so the new card may be sold during the three-day national postage stamp show in New York City, starting Nov. 16. The sale is largely for the benefit of collectors.

The 2-cent card will have a rectangular red stamp showing the profile of Benjamin Franklin.

Good Reason.

A recruit reported sick and complained to the medical officer that he couldn't eat. The M. O. first inspected his teeth and tongue, then his throat and tonsils. Finding nothing wrong, he produced the lad in the stomach and back and asked him if he had any pain at all.

"No, sir," said the recruit.

"Well, I can't find anything wrong," replied the M. O. "How do you feel yourself?"

"Oh, fine, sir."

"Well, why on earth can't you eat?"

"I've lost my knife and fork."

Only

Cyril — You've got a pug nose. Do they run in your family?"

"Only in cold weather."

AUXILIARY TO MEET

Herrick Memorial Hospital Auxiliary will meet Tuesday evening, December 11, in the Fellowship Center of the Presbyterian church. Mrs. Dale Bowen is refreshment chairman and will be assisted by Mrs. David Dick, Mrs. Don Geringer, Mrs. Richard Eggleston, Mrs. Seymour Barritt and Mrs. Vern Manwaring.

Squelched.

An old gardener was somewhat bored by the persistent questions of a townsman staying at the local hostel.

One day the visitor found his victim busy planting trees and immediately asked: "What kind of trees are you planting?"

"Wooden ones," came the astonishing reply.

CLASS TO ELECT

The Semper Fidelis Class of the Methodist church will meet Sunday evening, December 9, at 8:30 at the home of Mr. and Mrs. Harry Stanifer. Mr. and Mrs. Aden Mead will be the assisting host and hostess. The annual election of officers will be held at this time.

DAUGHTER TO WED

Mrs. Julia Erhart has announced the engagement of her daughter, Janet M. Erhart, to Arthur B. Woodward, son of Mr. and Mrs. Andrew Woodward of Clinton.

Yule Concert Is Presented

COMBINED CHOIRS AND SOLOISTS JOIN IN PROGRAM AT THE BAPTIST CHURCH

A concert of Christmas music was presented Sunday evening by the music department of the Baptist church with a combined choir of 47 voices, under the direction of Mrs. Harley McConnell, with Mrs. Kenton Hunt at the organ. The church, decorated in keeping with the Christmas season, was filled to capacity.

"O Come all Ye Faithful," was sung by the choirs and congregation as the opening number. The Rev. B. O. Bashore offered the prayer. The senior choir sang, "Thy Light Is Come," and "How Beautiful Upon the Mountains." There was a solo, by Mrs. Harley McConnell, "Jesu Bambino." Two numbers, "Love Came Down at Christmas," and "What Child is This?" were by the junior choir; "No Candle was There and no Flame," was sung by the Arnold sisters and "Cantique de Noel," by the senior choir; the combined choirs sang, "Echo Carol;" "As Lately We Watched," was by a male quartette composed of C. O. Bailey, Faye Van Valkenburg, George Green and Harold Black; a solo, "Come to My Heart, Lord Jesus," was by Mrs. Lyle Grigg; "Good Will To Men," was presented by the senior choir and "Silent Night, Holy Night," by the combined choirs.

The Rev. Mr. Bashore closed the service with the benediction.

The offering went to the building fund for the erection of church school rooms.

SANTA'S HELPERS turned out in force last week to follow his orders in packaging the gifts that will be distributed at the Christmas Party here, Saturday evening. The helpers, members of the Rotary, Exchange and V. F. W., will be recognized as busy men. Fay Whelan rigged up a conveyor to speed up the work and it took less than two hours to do the packaging. Two thousand youngsters are expected at Saturday's holiday party in the downtown district, starting promptly at 7 p.m. At 6:45, Santa will be contacted by phone and over loud speakers the conversation will be heard by the assembly. Every youngster in Tecumseh and its trading area is invited to the party.

THE CECILIAN CHORISTERS of Siena Heights College, Adrian, will present a program here on Monday evening, December 17, at the Central School Auditorium, under the sponsorship of the Chamber of Commerce. The public is invited to attend. Photo shows eleven of the girls who are members of the choir that includes 60 voices. Reading left to right, Olga Valera of the Dominican Republic, Armida Garcia of Puerto Rico, Paula Harrington, Boston, Mass., Ann Mrozek, New Buffalo, Mich., Sara Baxter, Kenmore, N. Y., Catherine O'Reilly, Clinton, Joan Jaminet, Detroit, Mary Ann Legas, St. Joseph, Rita Geiger, Bronson, Margaret Carrier, Detroit, and Rosemary Zaglanicznyy of Detroit.

Night School To Meet Jan. 28

INCREASED NUMBER OF COURSES WILL BE OFFERED IF INTEREST IS SHOWN

Adult Education classes sponsored by the Tecumseh Board of Education will begin January 29, 1952, and conclude April 14. Registration will take place at Tecumseh high school in Room 12 on January 21 from 7:30 p.m. until 9:30 p.m.

Ben Standen, new Adult Education director, has announced a 14-class schedule which will be carried on if each class has sufficient number of enrollees. The potential night school schedule includes the following courses: Shop I, Shop II. Upholstering, Typing I, Typing II. Bookkeeping I, Bookkeeping II. Shorthand I, Shorthand II, American History and the U. N., Shop Mathematics, Men's Gym Class, Women's Gym Class, Chorus, and Agriculture.

An enrollment fee of $3 will be charged for which each enrollee may sign up for one or two courses.

Each course must have an enrollment of ten or more persons and will not be offered unless this minimum is met. "So bring your friends and neighbors, select the courses you would like, and have fun while learning what you want to learn," is the slogan.

More information concerning the program will be forthcoming at a later date.

John Gittus, 52, Dies; Is Buried At Ridgeway

John Gittus, aged 52 years, died suddenly at 6 a.m., Saturday, at his home a mile and half east of Britton. Mr. Gittus had been in failing health for several years. He was born in Ridgeway township and had spent his entire life in that community.

He is survived by his wife, Minnie; two sons, Wilton of Britton and Thomas of Sylvania; two daughters, Mrs. Kathryn Gibson and Mrs. Alys Miller of Britton; seven grandchildren; four brothers, Thomas of Adrian, William of Phoenix, Ariz., Lennie of Jackson, and Leon of Britton; four sisters, Mrs. Ida Underwood and Mrs. Sarah Westlow of Tecumseh, Mrs. Linnie Houston of Hudson and Mrs. Margaret Lewis of Rochester, Mich., and several nieces and nephews. He was preceded in death by his parents, Mr. and Mrs. Thomas Gittus.

Funeral services were held Monday afternoon at 2:30 at the Niblack Funeral Home in Britton. Burial was in Ridgeway cemetery.

The Rev. R. B. Clifford officiated at the service. The bearers were Ed Rodgers, Martin Ivan, Teny Ivan, Charles Benedict, Richard Bruce and John Houseman.

Indian Cagers Await Clinton

FIRST HOME BASKETBALL GAME OF THE SEASON HERE ON THURSDAY EVENING

The Tecumseh high school Indian cagers will play their first at home game of the season here, this evening, when they meet the Redskins of Clinton on the court in the Central school. The varsity game will start at 8 o'clock, the preliminary game at 7 o'clock.

The Indian team has been in practice since the close of the football season but it still is too early to predict how the quintet will operate in a full-scale game. The Redskins are age-old rivals of the Indians and a spirited contest is assured the gallery.

ANNUAL INSPECTION

The annual inspection of Adrian Commandry No. 4, preceded a dinner in the Adrian hall Friday night. About 175 sir knights and their ladies attended. Driscoll's orchestra furnished the dinner music with Mrs. Doris Day as vocalist.

The inspecting officer was Right Emminent Dewey Stearns, grand commander, of Saginaw. During the inspection the ladies were entertained at cards with prizes awarded at each table.

Draws 15-Day Jail Term After Race With Police

Calvin Rickard of Tecumseh, drew a 15-day jail sentence and was fined on two counts when he was arraigned in Justice John Lowe's court at Adrian, Saturday.

Local police say that they chased Rickard's car between here and Britton at speeds varying from 80 to 90 miles an hour. He was apprehended in Britton with state police assistance.

In court he drew a fine of $25 and costs of $8.60 on a reckless driving charge, and of $75 and $8.60 on a drunk driving charge. In addition he was sentenced to 15 days in jail.

TECUMSEH TO HEAR SANTA VIA NORTH POLE

St. Nick Coming, Saturday Nite

Santa Claus is coming to town! The Jolly Man of the Christmas season will arrive in Tecumseh on Saturday evening, December 15, promptly at 7 p.m., Ronald Harris, secretary of the Chamber of Commerce, said today.

"Final plans for Santa's visit have been completed and, regardless of the weather, he will be in Tecumseh next Saturday evening," Mr. Harris said. "He is bringing with him his sleigh and eight tiny reindeer and, in keeping with advance plans, he will distribute some 2,000 gifts that have been prepared according to his wishes."

An innovation in Tecumseh's

Traffic To Be Halted For Christmas Party

In an effort to avoid confusion and accident, the Michigan State Highway Department has approved the closing of Chicago Boulevard in the downtown district, and North Evans street, M-52, and South Evans street, to motor traffic, during the children's Christmas party here, Saturday evening.

Chief of Police Clark said today that the streets, in the business district, would be closed to traffic after 6:30 p.m., Saturday, until about 9 o'clock. Cars in the area at the time of the closing will not be moved until after the party, he said.

"We want the children to see Santa, and we don't want any accidents," the police chief said. "I feel sure that motorists will agree that the state's approval of the closing is correct—as a measure of safety."

Christmas party for the youngsters this year will be a "telephone hook-up" with Santa Claus' land. Starting at about 6:45, Harris will call Santa at the North Pole and he will talk with him and keep in touch with him during his

(Continued on page 4)

Siena Choir To Present Concert

PUBLIC INVITED TO HEAR CHORISTERS AT CENTRAL SCHOOL, MONDAY EVE

Residents of Tecumseh and vicinity will have an opportunity for a rare musical treat next Monday evening when the famed Cecilian Choristers of Siena Heights College of Adrian will present a special Christmas concert at 8 p.m. in the Central school auditorium.

This choir of sixty voices presented a similar concert in Tecumseh two years ago, and through the cooperation of the local Chamber of Commerce, Adrian business men, and the college, the choir will be able to respond to popular demand for a similar concert this year.

For this year's program the Cecilians have selected a repertoire that combines the old and the new, the traditional as well as

(Continued on Page 4)

Elementary Grades To Give Pageant, Friday

A Christmas pageant with 375 children from grades three through six taking part, will be presented in the Central building auditorium, Friday evening, December 14, at 7:30, under the direction of Robert Peck, music instructor. The cast of characters are: The narrator, Jane Colgrove; Joseph, Randall Beck; Mary, Ardith Hodge; the Angels, Diane Gove, Sandra Staulter, Linda Baldwin, Rena Truax, Sharon Muhn and Mary Freshcorn; Shepherds, Jerry Breitenwischer, Billy Ross, Ivan Halberstadt, Gerald Kruse, Richard Stephenson and Rodger Mead; the Kings, John Winkler, Garry Hall and Chummy Hartsell.

Candle Light Service, Sunday

ANNUAL PROGRAM WILL BE PRESENTED BY CHOIRS OF PRESBYTERIAN CHURCH

The annual Candle Light Service of the Presbyterian church will be presented on Sunday afternoon, December 16, at 5 o'clock with Robert Peck, director of the St. Andrews Choir, and Mrs. Sam Sisson, director of the Junior Choir, in charge.

The Junior Choir will present the first part of the program including the processional, "Hark, the Herald Angels Sing," "There's a Song in the Air," and "Away in the Manger" will be sung by Michael Tucker, Thomas Barton and Michael Green; "Sleep Holy Babe," will be by Mary Robert, Gary Abner, Marilyn Helzerman and Gary Williams. Songs by the choir include, "O Little Town of Bethlehem," "O Christmas Tree," "Deck the Halls," "Everywhere, Everywhere Christmas Tonight," and "I Wish You a Merry Christmas." The recessional will be, "O Come all Ye Faithful." Harold Clark will be in charge of the scripture reading.

St. Andrews Choir will sing "Adoramus Te," "A First Noel," will be by Mrs. Harold Clark and Garth Hall; choir, "A Joyous Christmas Song;" solo by Mrs. Wilbur Boyce, "O Holy Night;" "The Coventry Carol," and "Westminster Carol" will be sung by the choir; a solo, "What Child Is This?" will be by Mrs. Al Merz. The combined choirs will close the program with "Silent Night," and the recessional, "Joy to the World."

P.T.A. Holiday Program, Friday

GRADE YOUNGSTERS WILL TELL STORY OF CHRISTMAS AT CENTRAL PROGRAM

The annual Christmas program of the Tecumseh Parent-Teacher Association will be held on Friday evening at 7:30 in the auditorium of Central school.

The program will be in the form of a pageant, and the Christmas story will be retold in song and story by members of the music classes of Central school. The program has been planned by Robert Peck, music instructor.

A cast of 17 persons will take part in the pageant, and the singing will be done by members of the third, fourth, fifth and sixth grades and the Central School

NOTICE

I will be at the United Savings Bank each Saturday until March 1, 1952, for collection of township taxes, dog taxes and Farmers Mutual Fire Insurance. Will also accept payment by check or money order, mailed to my residence, 211 W. Brown street, Tecumseh. Lawrence Mohr, twp. treas. Adv. 3-52

Funeral Services Held For Deerfield Child

John Ford Burnor, two-and-a-half-year-old son of Mr. and Mrs. Edsel Burnor of near Deerfield, died at 4:30 p.m., Friday, at University hospital in Ann Arbor. He had been ill several months. He was born February 9, 1949 at Tecumseh.

Survivors besides his parents are his grandparents, Mr. and Mrs. Floyd Burnor of Deerfield and Mr. and Mrs. Garland Osburn of Macon; two great-grandmothers, Mrs. Charlena Burnor of Adrian and Mrs. Martha Orr Murphy of Tecumseh, and several aunts, uncles and cousins.

Funeral services were held Monday afternoon at 2 o'clock at the Valentine & McNeil Funeral Home in Deerfield. The Rev. Donald Wilson of Tecumseh Presbyterian church officiated. Burial was in Deerfield cemetery.

Cong. Paul Shafer

Shafer Urges Limit On Taxes

THIRD DISTRICT CONGRESSMAN SAYS IT'S TIME TO HALT RECKLESS SPENDING

The only way to save America from economic disaster is to put a check on government spending, Congressman Paul Shafer of Battle Creek, told a joint meeting of the Rotary and Exchange Clubs, Tuesday evening, following dinner at the Country Club.

"Congress has failed you, it has failed the people," Cong. Shafer declared. "I realize that I am a member of Congress, and have been for the past 16 years. But let me tell you this: I haven't voted for this spendthrift program, and my record will prove it. You can call me an isolationist if you want to, but I believe in protecting America. I think it would be well for us to think of the future of our own country, and stop trying to support the world."

Briefly, the Congressman reviewed the history of the income tax, first imposed upon the people in 1913. At that time Congress believed that a one per cent tax was sufficient, and was horror stricken with the thought of a five per cent tax. Today, he reminded his listeners, incomes are taxed 21 per cent and more.

"The only way to stop this taxing and spending is to limit, by constitutional amendment, the amount that Congress can tax the people," Shafer said. "Limit Congress, limit your state legislature limit all taxing bodies. This is your fight for the future of your nation and it doesn't matter what your political beliefs are." He said the an amendment is now before the states to limit taxes and has been ratified by 23 states.

Shafer struck hard at the reckless spending program that has been carried on in the nation since 1932. He declared that in the Truman administration of six and a half years, more money has been spent by Congress than in all previous history of the nation. "It's time that we started to worry a little about ourselves," he said, "and doing a little less worrying about the welfare of the world."

Hal Kelso, vice-president of Rotary, presided at the meeting along with Clarence Beach, president of Exchange. M. G. Partridge, Rotary president, who suffered a heart attack last week, still is confined to Herrick Memorial Hospital.

FINISH YOUR CHRISTMAS SHOPPING THE EASY WAY. Send a magazine. We will send an announcement. Mrs. Margaret Kidman. 215 W. Shawnee or phone 282J. adv. 12/13.

Disposal Plant Bids Are High

COUNCIL STUDIES PROJECT AFTER LOWEST BIDS EXCEED ESTIMATE BY $80,000

Bids for the construction of Tecumseh's proposed new sewage disposal plant and the necessary interceptor sewers were opened by the council at a special meeting, Monday evening. The lowest bids exceeded by nearly $80,000 the amount estimated by engineers for the project, and the $285,000 bond issue, approved by voters here in October.

E. C. Heilman, chairman of the Council's sewer committee, expressed amazement at the proposals. He said that the Council had been advised by its engineering and estimating staff that the figures they had furnished were sufficiently "cushioned" to take care of any advancement in costs in the past few months.

The construction job was broken down into sections to permit bid-

(Continued on page 4)

Chest Drive Well Over Top

TOTAL CONTRIBUTION, FINAL CANVASS SHOWS, AMOUNTED TO $8,881.62

Tecumseh exceeded its quota in the Community Fund drive by more than $700, according to figures made available following a meeting of the board of trustees on Monday evening. This year, Tecumseh's contribution amounted to $8,881.62 and the quota was $8,175. The excess amounted to $706.62.

The trustees of the Fund expressed appreciation to Ronald Harris, director of the drive, for his efforts and they also said thank you to the other workers who participated.

"Everyone connected with the drive worked without pay," a spokesman said, "and for their fine efforts they deserve a genuine thank you. Also, the people of Tecumseh deserve an expression of gratitude for their generous giving."

Checks for budgeted amounts to the several organizations participating in the Fund will be mailed out early in January, it was said.

Howard Diedrich was named as the Fund's representative on the board of control of Recreation Center.

The next meeting of the Fund board will be on January 21.

School District 5 Favors Merger

BOARD WOULD ANNEX TO TECUMSEH DIST. 7; PETITION IS LIKELY SOON

School District No. 5, immediately west of the Tecumseh School District No. 7, and which district is now sending its children to the Tecumseh Public Schools, is expected, within the next few weeks, to petition the board of School District No. 7 for annexation, making it a part of the Tecumseh district.

Announcement of such intention was made today by Wilfred Waldron, a member of the District 5 board, following a meeting of that board, Tuesday evening, with the Tecumseh board of education.

"I think that our board is in accord with such a program, and I believe that the petition will be filed very soon," Mr. Waldron said. "We realize that something must be done in our educational program, and we also know that the school taxes in District No. 5 must be advanced next year, probably six or eight mills to cover our rising costs." With such an advance in the offing, Waldron said, it would bring the tax rate in District 5 almost equal to the rate in District 7.

The procedure for annexation is

(Continued on page 5)

Boy, 15, To Face Court On Hit And Run Charge

A 15-year-old Tecumseh lad who led police a merry chase after a considerable amount of alleged reckless driving, will face Judge Williamson in the probate court at Adrian, Saturday.

The lad was apprehended here, Friday morning, after police say his car sideswiped a car owned by Tony Gasgo of the Hotel Chief. Following the accident, police say that the boy failed to stop. He told officers that he was frightened, after the wreck. He received a summons for reckless driving, and for leaving the scene of an accident. Officers also say that he had no driver's license.

IN 1941 IT WAS QUITE A JOB TO SPEND $10 FOR GROCERIES

Yes, Times Have Changed, and So Has The Price Of Food

If your favorite grocery store advertised as follows, would you hurry to shop?

"Week-end specials: One pound coffee; a two-pound loaf of bread; two pounds of ground beef and a pound of butter, all for $1.02."

Would you hurry? We'll bet that you'd have to fall in line a city block away from the store, even though you got up at 5 a.m.

But that is exactly the way the stores in Tecumseh were advertising in The Herald just 10 years ago—December, 1941. Here, for example, are some of the advertised prices:

Bread, 2 pound loaf,	10c
Coffee, pound, 20c,	3 for 58c
Butter, pound,	37c
Potatoes, peck,	35c
Lettuce, head,	8c
Pascal Celery, bunch,	13c
Grapes, 2 pounds,	19c
Corn, No. 2 cans,	3 for 25c
Peas, No. 2 cans,	2 for 19c
Salmon, pink	2 cans 35c
Salmon, red, pound can	35c
Flour, 24½ pound bag	65c
Bacon, sliced, pound	19c
Ground Beef, 2 pounds	35c
Boiled Ham, pound,	49c
Sausage, pound,	21c
Round Steak, pound,	35c
Pork Chops, pound,	23c
Smoked Picnics, pound,	22c

It may seem almost unbelievable, but those were the prices—just 10 years ago. A $5 bill bought a lot of groceries. A family of four didn't have to "pinch" to live on $10 a week or less.

But that was before inflation, high taxes, spend-thrift spending by the government and a foolish belief that we could support the world.

What does your dollar buy today by way of comparison: Well, a pound of butter and a loaf of bread would just about shoot the bill. You'd be minus the ground beef and the pound of coffee or, if you preferred coffee instead of butter, you'd be minus the butter, too.

Ten years—not very long—but it seems to have made a terrific difference in prices, don't you think?

THE TECUMSEH HERALD

EARL L. WICKWIRE, Editor and Publisher

Lenawee county's oldest newspaper. Established in 1850. Member, Michigan Press Association.

The Proof's Still In The Eating

A newspaper headline today tells you that food prices are down a fraction of a per cent over a month or a year ago. A newspaper headline tomorrow will tell you that OPS is "softening" prices, that there's going to be an increase in food costs, probably next week. The general result is confusion—there's even confusion among those whose job it is to confuse—and nobody seems to know the real truth, except the fellow who buys the food.

But its difficult to confuse the housewife and mother, the woman who is trying to live on a budget and feed a family of three or four on a given number of dollars a week. The New Dealers may think they're fooling her, but actually they are kidding themselves.

The average housewife knows, even before she goes to the store, that when she buys a pound of coffee and a loaf of bread she will be spending at least a dollar. She also knows that a pound of butter and a dozen eggs will ruin two dollars. If she includes meat in her shopping, even though its hamburg, (now called ground beef), she will be digging into her budget for another dollar, and she will freely admit that T-bones, round and sirloin steak are "out"—except on very special occasions.

We can remember when prices were lower, when so-called ground beef could be bought for nine and ten cents a pound and when a 24½ pound sack of flour cost less than 70 cents. And a fellow doesn't need to be too old to remember those days, either. Just go back 10 years or 15 years in your memory.

Those were the so-called depression days, when things were tough, when a dollar looked to be larger around than it does today, and when folk were "careful" of their money, doing their best to make "ends meet."

Now we are in inflation days, and we're doing exactly what we did a few years ago—we're being careful of our dollars, trying to make "ends meet."

Today, paychecks are large, twice or three times or more the size of the paychecks that were issued 10 or 15 years ago. But what good is the money? How much will it buy? How much can we save?

We're not thinking of "going back" to any "good old days" of 10 or 15 years ago. We're not contending that things were better when prices were lower and paychecks were smaller.

We know that such an argument today would fall on deaf ears. We know that a younger generation has come along—a generation that knows nothing about lower prices, thrift and economy. We know that this young generation will tell you that, during the depression days, things were tough, that it was hard to make "ends meet," and that they want no part of such days.

Neither do we, and we sincerely hope that they never return, but history has a strange way of repeating itself, and it may do it again.

We can't help but wonder if that is not what is happening now. We can't help but wonder, when we hear folk complain about high prices, if it is not an echo of the 1930's, when we heard folk complain about 35 cent butter, 10 cent hamburg, and 30 cent coffee. Prices, even then, were too high, they said.

In the days when $30 a week was a top salary, and when you could buy all of the food you could carry home for $7 or $8, folk said that the cost of living was out of proportion to wages. Today, when salaries average two and three times the old $30 wage, they're saying the same thing.

Someday—we don't know when—the people are going to waken up to the fact that it is not what they earn but what they spend that really counts. They're going to realize that it is not how much pay they get but what their pay will buy that means something to them.

In the depression days, folk didn't buy because they didn't have the money to spend, even though prices were low. And today, in inflation days, even though they have more money, they are still finding themselves on the short end in the market.

Economy—national, state, family or individual—is a difficult thing to understand, even though it affects all of our lives. Today, we are living in a so-called controlled economy—controlled by politicians. Weekly and monthly it is admitted that the dollar's value is shrinking.

Is it any wonder, then, that there is confusion? Is it any wonder that folk are wondering—trying to judge the present by the past and becoming skeptical about the future?

It may be 1951 but most of us are stretching our dollars, just as we did 10 or 15 years ago.

RIDGEWAY

The United Workers Class will meet at the church Tuesday night, December 18. Members will pack boxes for the shut-ins. Mrs. Hattie Wood will be in charge of devotions.

Mrs. Vie Mark spent several days with Mrs. Mildred McDonnell of Dearborn, recently.

Mrs. Mary Boss and Mrs. Stella Hite were recent visitors in Jackson.

Mr. and Mrs. Fay Stanley of Rena, Nevada, spent last week as guests of his cousin, T. M. Birdsall and Mrs. Birdsall.

Mr. and Mrs. Charles Peters accompanied by Mr. and Mrs. Clarence Clark and son, of Lenawee Road, have left for Florida to spend the winter months.

Mr. and Mrs. Dewey Sturtevant, Mr. and Mrs. T. M. Birdsall and guests, Mr. and Mrs. Fay Stanley, spent Friday in Lansing and Albion.

Mrs. Marcia Baker left today to visit her daughter and husband, Mr. and Mrs. Edward Krins of Capitola, California.

Mr. and Mrs. Ned Brown of Britton were guests Sunday of Mr. and Mrs. D. W. Linn.

Mr. and Mrs. Clyde Kelly of Manitou Beach visited Mrs. Marcia Baker and family, Sunday.

Mr. and Mrs. E. T. Pocklington spent Wednesday in Detroit.

Mr. and Mrs. Guy White of Detroit were Sunday guests of Mr. and Mrs. Elmer Pocklington.

ANNUAL SCOUT SALE

The annual cookies and calendar sale, sponsored by the Girl Scouts and the Brownies, is now in progress. Saturday, the Scouts will be in the business district. This is one of the ways in which the organization raises money for its treasury.

One Advantage

"But, madam, how could you marry a man you knew to be a burglar?"

"Well, I though he'd be so quiet about the house."

Herald classifieds pay dividends. dividends.

76 Girls At Products Enjoy Christmas Party

Seventy-six girls from the offices of the Tecumseh Products Company enjoyed their first group Christmas party last week Wednesday evening at the Tecumseh Grange hall. A chicken dinner was served by the Grange members. Tables were attractively decorated with evergreen, red candles, and Christmas ornaments.

The group went to the auditorium for the program where a large Christmas tree, the gift of R. W. Herrick, had been decorated. After a grand march, gifts were exchanged. Christmas carols were sung, and the evening was spent informally. This was the first holiday party given by the office group and it is hoped to make it an annual affair. June Welgle, JoAnn Burke and Nerissa Fosdick were in chirge of the arrangements.

BURIED AT BROOKSIDE

Funeral services for Herbert Richart, age 87 years, who died Monday, December 3, in Mercy Hospital, Jackson, were held Wednesday afternoon at 2 o'clock at the Green Funeral Home with the Rev. B. O. Bashore officiating. The bearers were Chet Richards, David Watson, Leslie Becker, Ernest Topps, Lester Tucker and Harold Jeffers, all Odd Fellow members. The lodge also was in charge of services at the grave with Gilbert Nighswander and Walter Atwell officiating. Burial was in Brookside cemetery.

Friends and relatives attended from Tecumseh and Clinton.

Could Sherman Name It?

We have no idea what Sherman would call the sort of war now going on between the United Nations and Red China.

PROGRAM REHEARSALS

The children of the Baptist Sunday School from beginners through Juniors have been asked to practice in the church, Thursday afternoon at 3:30, and Saturday afternoon at 2 o'clock, for the Christmas program.

Absent Minded

A very absent-minded comedian was sitting quietly at home, enjoying the company of his absent-minded wife.

Suddenly the wife heard footsteps.

"Good heavens, my husband," she said.

And the absent-minded comedian jumped out of the window.

BRITTON

Donald Mueller left Thursday for military training in the armed services. Mrs. Mueller will make her home with her parents, Mr. and Mrs. Percy Cadmus while her husband is away, and continue her teaching duties in the Britton school.

At the regular Rebekah meeting held last Wednesday evening, plans were made for the annual Christmas family night for December 19, with a potluck supper at 6:30, and an exchange of inexpensive gifts. The election of officers was held with the following results: Noble grand, Mrs. Fay Hindes; vice grand, Mrs. William Cundiff; recording secretary, Mrs. R. B. Kanous; financial secretary, Mrs. John Weichner; treasurer, Mrs. Andrew Crutchfield; degree captain, Mrs. Charles Fairbanks; and district deputy president, Mrs. Ida Miller.

The L. & M. County Line Extension Club will meet today (Thursday) at the home of Mrs. Stephen Ball for a regular meeting and annual Christmas party. A cooperative luncheon was served at 12:30. Mrs. Harold Prielipp from a neighboring club will present the lesson on "Christmas Candle Making." An exchange of gifts will be enjoyed, also a quantity of good used clothing will be brought to be packaged for Christmas. At the business session roll call will be answered by "My favorite Christmas cooky recipe."

Mr. and Mrs. Fred Rhora spent the week-end in Defiance, O., with her sister and husband, Mr. and Mrs. Walter Graff.

Mr. and Mrs. Donald Exelby and children and Mrs. Mary Britton of Dearborn were Saturday guests of Mr. and Mrs. Clarence Exelby.

Norbert O'Hara of Tecumseh, Miss Beverly Brown, Mr. and Mrs. Clifford Brown, Mr. and Mrs. Clyde Brown and Mrs. Mary Gobba were in Ann Arbor Sunday for a birthday dinner at the home of Mr. and Mrs. Robert Goetz honoring Mr. Goetz.

Mr. and Mrs. Forrest Barrett and Carol Ann were in Ann Arbor Sunday afternoon visiting Mrs. Valden Bidle who is a patient at St. Joseph hospital.

Herman Miller had the misfortune of breaking his right leg just above the ankle last week while helping to put up Christmas light decorations across the streets. The ladder he was on slipped and Mr. Miller fell.

Tip to motorists: Keep your tires up and your speed down.

Cub Scout Pack No. 4 Holds Christmas Party

Tecumseh Cub Scout Pack No. 4 will hold its Christmas meeting, Monday evening at 7:30 in the Fellowship Center of the Presbyterian church. The attendance award will again be presented. Five new boys joining the Cub Scouts will be received, and Santa will arrive to greet the Scouts. Members of each den are having their Christmas gifts during their den meetings.

At a committee meeting Monday evening, program plans were made for the balance of the year. The January meeting, January 21 will be inspection night with a surprise program. The February meeting will be "Blue and Gold" with a potluck supper. The March meeting will be on "Cub Scouting," and all boys who are planning to become Cub Scouts in the fall will be guests. A "Circus" is being planned for the April meeting and in May, plans are being made to spend a day at the Scout Camp at Washington Lake.

WIT AND WISDOM CLUB TO MEET MONDAY EVE

The annual Christmas party of the Wit and Wisdom Club will be held Monday evening, December 17, with a potluck supper at 6:30 in the parlors of the Baptist church. Members have been asked to bring table service and food as solicited. After the short business meeting, Mrs. Glenn VanDenbergh will be in charge of the program. The hosts and hostesses are Mr. and Mrs. VanDenbergh, Mr. and Mrs. F. E. N. Thatcher and Mr. and Mrs. F. P. Sheldon.

journey to Tecumseh.

"Santa will come by jet plane," Harris said, "and it should be remembered that jets are fast—that it doesn't take long to cover the miles. By special arrangement, our phone conversation with Santa will be amplified over a loud speaker system, so that everyone may hear. We believe that the children will be thrilled and, in addition, they will know that St. Nick is actually on his way to greet them."

Upon his arrival at the airport here, he will be met by a local delegation and brought immediately to the downtown district.

"Santa's eight reindeer are in excellent condition this year," Harris said. "He has told me that they are fat, that they are in fine 'rig' and that every youngster will want to see them. They will be harnessed to an old-fashioned sleigh, laden with gifts for every boy and girl."

Tecumseh's Christmas party for the youngsters was inaugurated several years ago by the Rotary Club. As the party has grown larger and larger, the Exchange Club and the Chamber of Commerce have joined with Rotarians in assisting with the work. Last year's party was attended by more than 1,500 youngsters and this year it is expected that 2,000 or more will participate.

"Every boy and girl in Tecumseh and in Tecumseh's trading area is welcome to attend the party," Harris said. "Santa is anxious to meet them, to learn just what they want for Christmas, and to give them one of his special pre-Christmas gifts.

The gifts that Santa will distribute here were packaged, according to his special orders, by a group of Rotarians, Exchange members and members of the V. F. W., at a work-meeting last week at the Whelan Implement Co. Some 2,000 gift boxes, containing just what youngsters like the most, were prepared.

"Santa will halt his reindeer at the main downtown intersection and he will remain in Tecumseh for two or three hours or until he has met all of the boys and girls," Harris said. He also announced that by special arrangement Santa will visit in Tecumseh each afternoon and evening next week with his reindeer.

Santa's visit here Saturday evening will be the signal for the beginning of the week-before-Christmas shopping season in Tecumseh. Starting Saturday night, stores will remain open each evening before Christmas — every evening next week and on the Monday evening before the holiday.

Tecumseh's business district is in gala dress for the holiday season. Every ornamental lamp post has been decorated with Christmas trees and, hidden in their branches are hundreds and hundreds of twinkling, multi-colored lights. Large, lighted trees also have been placed at each end of the boulevard.

Siena Choir To

(Continued from page 1)

the classical. Featured among the popular favorites are Gruber's "Silent Night," Gounod's "Nazareth," Bach's "Jesu, Joy of Man's Desiring," and Handel's "Hallelujah" from Messiah, the concluding number.

The Cecilians are going to sing at Bixby Hospital in Adrian and a few other designated spots. Then they will come to Tecumseh where they will sing briefly on Chicago Boulevard and at the Herrick Memorial Hospital. From there they will go to the Central auditorium for their performance at 8 o'clock.

In charge of transportation and arrangements from Adrian are the following Adrian business men: Mr. Robert Hayes, assisted by Bill Friedrick, Bill Yost, Frank Flory, Ed Skalla, Jerry Lane, Don Gallagher, Charles Kenny, Bob Perry, and Lou DuChane. Ronald Harris, secretary of the local Chamber of Commerce, is in charge of arrangements in Tecumseh.

Sister Marie Paul, O.P., chairman of the Music Department of Siena Heights College, is director of the Cecilians. There is no admission charge for the concert.

P.T.A. Holiday

(Continued from page 1)

Glee Club. The closing song will be by the complete assembly, numbering 375 voices.

Jim Roe, Jerry Butler and Carl Bailey will be featured as soloists in "We Three Kings of the Orient Are." The accompanist will be Barbara Hall.

Special assistance will be given by Joyce Gray, Mary Miller, Doris Smith and Lois Smith, members of the high school Girls' Chorus, and by the several teachers of grades three through six. Scenery is being handled by the art and shop departments under the direction of Miss Dorothy Burgess and Miles Runk. The scenery and lighting will be managed by a stage crew composed of Max Smith, Gary Hanna, John Browne, James Poley and Larry Graham, under the direction of Marguerite Garlick.

The program is open to the public.

Disposal Plant

(Continued from page 1)

ders to participate. The lowest combination of bids received by the Council brought the total job, as proposed, to a cost of $363,211.30. The highest bid totaled several thousand dollars more. Bids varied for the construction of the plant alone from $274,000 to $352,000. A total of 19 bids on all of the project divisions were received.

The Council has 30 days in which to consider the bids. Mr. Heilman would not hazard a guess as to what action would be taken. He said that he knew that costs had risen sharply in the past few months but he also pointed out that all of the money available for the job, as approved by voters, totals $285,000.

"We may reject all of the bids and ask the construction people to sharpen their pencils," Heilman said. "There's a wide difference between the bids. I can't understand it."

Bids for the sale of the $285,000 in bonds will be received and opened by the council at a special meeting, next Monday evening. In the meantime, Council is studying the whole project, wondering just how to proceed.

Ray Schlegel Is Named Mason's Worshipful Master

Ray G. Schlegel was elected worshipful master of Tecumseh Lodge 69, F. & A. M., at the annual meeting, Friday evening. Mr. Schlegel succeeds Ralph Westgate. Other officers chosen were, Howard Wilson, sr., senior warden; Clair Rozelle, junior warden; F. C. Dickinson, secretary; K. D. Hall, treasurer. Mr. Schlegel appointed Ernest Green as senior deacon; Jack Puffer as junior deacon; John H. Smith, tiler; Howard Wilson, jr., C. Ray Puffer, Harry Stanifer and Ogland Lay as stewards. The new officers will be installed publicly, Friday evening. The Monroe Lodge will be in charge of the ceremonies.

Those discharged from the hospital December 4 were, Mrs. Norman Kastel and daughter, Cherry, of Rt. 2, Adrian, Mrs. William K. Brown and daughter, Lorraine, of East Lansing, Mrs. Jan Kachur of Tecumseh, Robert Hammill of Onsted and Mrs. Roy Richard of Tecumseh.

Those discharged December 5 were, Mrs. Herbert Murphy, of Tecumseh, Mrs. Carl Settle of Manchester, Mrs. Nello Stevens of Deerfield and Ezra Brugger of Tipton.

Mrs. Raynor Warnick of Tecumseh and Mrs. Harold Hicks of Tecumseh were discharged December 6.

Those discharged December 7 were, Mrs. John H. Cousino and son, Paul, of Petersburg, Mrs. Herbert Ayres and son, Herbert Roy, of Clinton, Mrs. Charles Staniske of Clinton, Mrs. Allen Lockhardt and daughter of Brooklyn, and Mrs. John A. Ruesink of Tipton.

Those discharged December 8 were, Mrs. Robert E. Wallace and son, of Onsted, James W. Brady of Tecumseh, Kae Karner of Dundee, Gregory Dunny of Manchester and Mrs. Don F. Wright of Tecumseh.

Those discharged December 9 were, Mrs. John R. Steffens and son, John, of Clinton, Mrs. Harley Cherry and son of Adrian, Mrs. Elmer Kopka and son, of Tecumseh.

Those discharged December 10 were, Herman Meyers of Manchester, Mrs. Sidney Sinclare and son, Craig, of Holloway, Mrs. William H. Pangburn and son Charles, of Tecumseh, Mrs. Mary McCollum of Clinton, Mrs. Robert Brazee and daughter, Jill, of Tecumseh, and Mrs. Carl E. Wilson of Deerfield.

Lucy and Audria Schiller of Ann Arbor and M. L. Dannells were discharged December 11.

Life Memberships Are Awarded By The O. E. S.

The regular meeting of the Tecumseh chapter, O.E.S., was held Thursday evening and a life membership was presented to Mrs. Fred Sheldon. Similar memberships were delivered to Mrs. Gwendolyn Juckett, Mrs. Jennie Harkins, Mr. and Mrs. D. F. Wright, Judge and Mrs. G. A. Rathbun and Guy E. Belding, who were unable to be present. Mr. and Mrs. Lawrence Mohr, Mrs. Harry Stanifer and Mrs. Ogland Lay were accepted as new members and received the Initiatory degree.

Announcement was made of the annual Christmas party for members of the Tecumseh Lodge, F. & A. M., and members of the chapter and their families on Sunday evening in the lodge rooms for the pot luck supper. Members will bring table service, a dish to pass and rolls and milk for children.

Mrs. Henrietta Lindsley and her committee served refreshments. The hall was decorated in keeping of the Christmas season.

Thursday evening (tonight) at 7:30 the local chapter and the Golden Rod chapter, Clinton, will hold a joint school of instructions with Mrs. Ruby Kline, grand Esther, of Monroe, as instructor.

The January meeting will be an initiation.

Florence Weld Guild Elects New Officers

The Florence Weld Guild of the Presbyterian church met Monday evening with Mrs. Harold Wilson for a potluck supper at 6:30. Tables were decorated with candles, greens and candy canes. Some 25 members and guests were in attendance. Mrs. Thomas Hamilton and Mrs. David Faling assisted in serving.

Mrs. Fred Dickinson presided at the business meeting. The annual election of officers was held with Mrs. Lee Purkey named as president, Mrs. Fred Dickinson, secretary and Mrs. Lynn Harris, treasurer, all re-elected, and Miss Edith Ingersoll the new vice president.

Each member brought Christmas cookies and candy and this will be distributed to shut-in members and past members of the Guild.

Mrs. Edith C. Smith was in charge of the program. Mrs. Al Merz sang two Christmas songs and Mrs. Nina Heath and Miss Ruby Preston a duet. Each person was given five minutes to write their conception of the meaning and the rightful way to celebrate Christmas.

Royal Neighbors Name New Officers On Monday

The Royal Neighbors, Ivy Leaf chapter, met at the home of Mrs. Tillie Tuckey, Monday evening, for the annual election of officers. Mrs. Lilla Beevers was elected oracle, succeeding Mrs. Alice Colum, oracle. Mrs. Audrey Glancy was named vice oracle; Mrs. Tillie Tuckey, recorder; Mrs. Eva Beevers, receiver; Mrs. Goldie Topps, chancellor; Mrs. Margery Preston, marshall; Mrs. Minnie Tate, inner sentinel; Mrs. Jean Golat, outer sentinel; Mrs. Alice Frost, manager for three years; Dr. Rentschler, physician, and Mrs. Alice Frost, installing officer.

The annual Christmas party will be held Monday evening, December 17 at the home of Mrs. Tuckey and each member is asked to bring a 50-cent gift to exchange.

W. C. T. U. MEETS

The W. C. T. U. met Tuesday afternoon in the Friends church with 11 answering to roll call. Mrs. Ben Roberts opened the meeting with a call to worship. The subject of the program was, "Building for Total Abstenence Through World Peace." Mrs. H. H. Loveland read the scripture and Mrs. Perry Hayden led in prayer. The group sang "The Peace Hymn of the World." There were several readings by the members, including "Scotch Greetings," by Mrs. Emma Day, and "They Said It Couldn't Be Done," by Edgar Guest, read by Mrs. R. S. Moore. The sunshine offering was received. Gifts were brought for the soldiers at Percy Jones Hospital. Mrs. Jessie Brown closed the meeting with a prayer.

If its news call The Herald.

(Continued from page 3)

The January meeting will be held with Mrs. R. M. Moiles. She will be assisted by Mrs. Fred Rector.

Monday Club Enjoys Annual Holiday Program

The Tecumseh Monday Club held its annual Christmas program in the Methodist church, Monday afternoon, with 60 members and guests in attendance The parlors were decorated in keeping with the Christmas season with a Yule tree, bells and candles. The Drama and Music Department was in charge of the program, assisted by the Tecumseh Music Club, with Mrs. Ronald Harris as the program leader.

The Music Club presented, "Twelve Days of Christmas," with Mrs. Murray Day, Mrs. Robert McCoy, Mrs. T. O'Hara, Mrs. Al Merz, Mrs. Arthur Swartz, Mrs. Wilbur Boyce, Miss Martha Hayden, Mrs. Joe Rice, Mrs. John Wintersteen, Mrs. Ralph Westgate, Mrs. Perry Hayden and Mrs. Kenard Wise taking part. A scene, "Why The Angels Sing," with Mrs. Maynard Mulvaney as narrator, was dramatized by Mrs. Ronald Harris, Mrs. Robert Bonner, Janet Harris and Mary Colgrove.

After the program a silver tea was served with Mrs. Harris and Mrs. Ronald Brunger pouring. The hostesses were Mrs. T. Rentschler, Mrs. Oscar Snyder, Mrs. Herbert Temple, Mrs. Harold Kelso, Mrs. L. W. Larsen, Mrs. Jennie Satterlee and Mrs. John Wintersteen.

School District 5

(Continued from page 1)

for District 5 to petition the board of District 7 for such a program. The District 7 board then has the right to accept or reject. In the event of acceptance, the electors of District 5 then vote whether or not annexation should be approved. The voters have the final word.

James McDowell, superintendent of schools, said today that he did not know what action the board of District 7 would take in the event District 5 asked to be annexed. He said that the petition would be studied after it is received.

District 5 is now sending 99 tuition-paying students to the schools in Tecumseh. Next year, that number will increase to 119. If District 7 accepts the annexation, busses would be operated in the District 5 area, the same as at present.

The board, Tuesday night, approved a proposal for the district, the village and the Community Fund to share in the cost of operating Recreation Center. The district and the village each pay 40 per cent of the cost, the Fund 20 per cent. The 1952 ceiling on operation was fixed at $6,000.

From where I sit ... by Joe Marsh

Sign of a Nice Guy

Got so around these parts that everywhere a hunter went this fall, he came up against signs saying "PRIVATE PROPERTY, NO HUNTING, KEEP OFF." But not out at Happy Preston's place!

Happy's signs say "PRIVATE PROPERTY, GOOD HUNTING, BUT BE CAREFUL."

"Don't hunt myself," Happy says, "but there's plenty of game on my property. I tell the hunters where the best spots are—away from where I'm working and where nobody else is hunting. It works out pretty well all-around."

From where I sit, Happy has once again shown why he gets along with everyone and why everyone respects him. Happy's likes and dislikes might not be the same as his neighbors', but that doesn't stop him from *understanding*. When it comes to opinions on hunting, fishing, politics, ways of farming, or whether your favorite beverage is beer or cider, try to be like Happy and the chances are you'll be really happy!

Newly Formed Men's Club, Holds Regular Election

The newly formed Men's Club of the Methodist church held its second meeting Wednesday evening in the church with the election of officers. Robert Bonner was elected as president; Luther Wood, vice president, and Charles Schoenholtz, secretary and treasurer.

Twenty-two men attended the meeting which was preceded by a ham dinner served by the Woman's Society of Christian Service. During the business meeting, Mr. Bonner appointed a program committee consisting of Mr. Wood, Robert Hart, Earl Greene and Orval Minney; and as a committee on possible projects, Aden Mead, Paul Hadsell, Delmar Crisp and Edward Beal.

The next meeting of the club will be January 9, at which time the men will prepare their own supper with Mr. Schoenholtz, William Yeagle and Elmer Bryan in charge.

For the program the Rev. Ronald A. Brunger led the group in singing Christmas carols and read a Christmas story. Two movies, "Wings Over Alaska," and "That Boy Joe," were shown.

New Officers Chosen By Rebekah Lodge

The Rebekah lodge No. 338 held its regular meeting Friday evening with the election of officers. Mrs. Jesse Nichols was elected noble grand to succeed Mrs. Lester Tucker. Other officers named are: Mrs. Gilbert Nighswander, vice grand; Mrs. George Kopka, recording secretary; Mrs. Henry Treat, financial secretary; Mrs. Carl Glancy, treasurer; Mrs. Mabel Duncan, staff captain; Mrs. Roma Waters, trustee for two years; Mrs. Orin Beevers, trustee for three years.

The chapter rooms were draped in memory of the late Herbert Richart. Mrs. John Hull was welcomed to membership by transfer. Plans were mare for the annual Christmas party, December 18, jointly with the Theta Rho Girls. This will be a potluck supper at 6 o'clock, followed by a program and exchange of 50-cent gifts.

Friends Sunday School Yule Program, Monday

The Friends Sunday School Christmas program and family night will be held Monday evening, December 17, at 7 o'clock. Committees in charge are: Program, Mrs. Raynor VanValkenburg and Walter Welmer; treat, Mrs. George Meads and Mrs. Welmer. John Kelly, superintendent of the junior department, will be the announcer. Two Christmas movies will be shown.

Those participating in the program are: Sue Ann Hammack, Donald Baird, Carol McClure, Charles Randolph, Joyce Randolph, Carol Campbell, Leola Gove, Richard Meads, Eugene Verrier, Sharon Martin, Jane VanValkenburg, Mary Sue Gordon, Zaiga Freimanis, Philip Radant, Karen Kelley, Reudita Freimanis, Carl Runert, Marjorie VanValkenburg, Paul Gove, Jane Harsh, Linda Kelley, Sharon Muhn, Joan Robison, Ann Marie Kempf, Astrida Freimanis, Marjorie Chase, Gloria Sweet.

GARDEN CLUB TEA

The Tecumseh Garden Club will hold its annual Christmas tea, Friday, December 21 from 2:30 to 4:30 at the home of Mrs. Edward Boss. The assisting hostesses will be Mrs. L. W. Larsen, Mrs. H. Kelso, Mrs. R. J. McCoy, Mrs. W. Mast and Mrs. O. W. Laidlaw.

Kindergarten And Grade Program Are Announced

The Christmas program at the Brownville kindergarten school with Miss Margaret Heimindinger as teacher will be held Tuesday December 18, at 10 a.m., for the morning group and at 2 p.m. for the afternoon group.

The program for the West Branch kindergarten school with Mrs. Bertram Updike as teacher will be held Wednesday afternoon at 2:30 with the morning and afternoon sessions combined.

The first grade program at West Branch with Mrs. Leon VanValkenburg as teacher, will be held at 2:30 Tuesday afternoon and Miss Bertha LaPointe's second graders will have their program Wednesday afternoon at 2:30, in the first grade room.

WELCOME CLASS HOLDS ITS HOLIDAY PARTY

The Welcome Class of the Friends church met in the church basement, Saturday evennig, for a combined Thanksgiving and Christmas party. A turkey and ham dinner was served with 76 members and their families attending. The basement was decorated with colored Christmas tree lights. After the short business meeting, a songfest of Christmas carols was led by Mrs. Clarence Randolph. Charles Baird also sang a carol.

Two movies were shown, "Walt Disney," for the children, and "Love Thy Neighbor," for the older members. The hosts and hostesses were Mr. and Mrs. Rhinehart Radant, Mr. and Mrs. George Meads, Mr. and Mrs. John Kelley, Mr. and Mrs. Louis Winter and Mr. and Mrs. Marvin Johnson.

BAPTISTS LEAGUE ENJOYS A CHRISTMAS PROGRAM

The Baptist League met Monday evening at the home of Mrs. Clifford Curran with 16 attending, and with Mrs. Albert Hooton assisting. After a short business meeting, carols were sung by the group and the "love gift" was received. Mrs. Ellis Honeycutt, program leader, introduced Mrs. Mona DePuy, Mrs. Ruby Campbell and Mrs. Mae Wilson, members of the Globe Trotters Club, who gave descriptive talks on Christmas and customs in their home countries. Refreshments were served by the hostesses.

The January meeting will be held with Mrs. Delbert Tallman of Clinton with Mrs. Leslie Becker assisting.

CHILD STUDY CLUB ENJOYS BAZAAR PROGRAM

Mrs. M. R. Blanden entertained the Child Study Club in her home Monday evening with 18 in attendance. Mrs. Donald Nixon was the leader and the program, in the form of a bazaar, proved very successful. Mrs. Ben Standen was named as representative from the club on the Dental Health Committee. The children's favors were animals made from construction paper with candy inside. Mrs. Donald Cobb, Mrs. Delbert King, Mrs. Robert Reis and Mrs. Dorothy Blumerick were in charge of this feature. The assisting hostesses were Mrs. Hugh Andrews, Mrs. David Dick and Mrs. Garth Hall, 2nd grade room.

Do You Remember?

1851

The thermometer at daybreak stood at 11 below zero.

We hope our readers at a distance will not infer from our advertising columns that our dry goods merchants have left town. They are still with us.

1881

At 2 o'clock Saturday there were 189 teams on Chicago street.

J. D. Smith of Dundee has purchased the Ridgeway elevator.

Morenci Observer completes its 6th volume this week and has increased its circulation from 250 to 1125. They are planning to add a new power press.

More rain — more mud!

1891

Tecumseh Table Co. has added four new styles to their assortment.

Skating is good this week.

Haight and Caulkins is the name of the new hardware firm in Britton.

Vern Ousterhout has sold his meat market in Britton to Floyd Brown.

Married December 10, by Rev. F. E. Arnold, C. A. Satterthwaite and Alice B. Garlinghouse.

400 yards of bunting will be used to decorate the Opera House for the Christmas party.

1901

Finners Orchestra of Detroit has been engaged for the annual Christmas party in the Opera House.

Married December 11, Myrtle Olds and Ernest Eggert.

At school, Miss Hall's room is noted for pretty girls; Miss Welch-li's for order; Miss Hartbeck's for carved desks, and Prof. Kellogg's for the strap. The tallest boy in school is Sam Camburn, 6 ft. 3 in.; the shortest boy is Bertram Wood, 3 ft. 11½ in.

1911

Dr. and Mrs. P. B. Hardy sailed December 6th, and are due to arrive in New York December 19. They attended a meeting of the Consistory in the Vatican, recently when 18 new cardinals were created, three of them Americans. This is the most important papal function of the year.

Mail carriers are meeting with the worst roads ever experienced.

The Masons have opened a reading and rest room.

The township tax rate is $17 per $1,000

Floyd Bryna has purchased the cream' business of Wilford Waldron.

Picture of a man making a smart decision

HERE is a man who's been doing a lot of thinking.

Someday, he's told himself, I'm going to turn in my old car and get a new one.

And he said, still talking to himself, when I do that I'm going to size up the field—give 'em all a real going over.

You see him here at the wheel of a Buick. He hasn't bought it—yet. It's a demonstrator, and he's trying it out.

But the more he tries it, the more he knows he's been wasting a lot of time.

From the moment he looked inside, he said: Here's the room—and the comfort—and the style I've been looking for.

Then he nudged its Fireball Engine into action. It's a high-compression valve-in-head, as you probably know.

He eased out into traffic. Stopped and started for a couple of traffic lights, and said something to the effect that this Dynaflow Drive* is a honey. Why don't they all build 'em this way?

He saw a bump ahead. Place where the pavement had been torn up. Other cars were braking down to a creep to cross it. He held back—rolled right across at regular speed with barely a bobble.

It's hard to believe, he said, but what they say about Buick's ride is right.

Ten minutes later he was out on an open stretch of road. Tried an experimental push on the gas treadle. Boy—what a take-off! You couldn't want more power than that.

Ten minutes more—and he knew something else. You don't really steer a Buick. It just about steers itself. Stays right on the beam on the straightaway. Even straightens itself out after a curve.

To make a long story short—he's found out that nothing else he's tried out can hold a candle—not even a little Christmas candle—to this bonnie beauty.

Back at the Buick showroom, he's going to get one more surprise. The price of a Buick is a lot less than he'd guessed it would be.

Moral: Smart Buy's Buick—right now.

LOCALS AND PERSONALS

George Ware and son, Arthur of Woodville and Clay Center spent the week-end with Mr. and Mrs. Henry Campbell.

Mrs. Charles Howe, Mr. and Mrs. Louis Schneider, Mr. and Mrs. Charles Osburn and Mr. and Mrs. Vern Manwaring attended the mid-winter conference of the American Legion in Lansing over the week-end.

Mr. and Mrs. George Wilson of Gaylord spent the week-end here visiting relatives and friends.

Mrs. J. Fred Rector has returned after several weeks visit with relatives in Baltimore, Maryland.

Mr. and Mrs. Arthur Lewis have received word from their son, Pfc. Leon A. Lewis, in Korea, that he has been transferred from the gun artillery and is now in the office as recorder for fire directions. Pfc. Lewis arrived in Korea in September.

Mrs. A. C. Hamaker has returned from several weeks visit with relatives in California.

Ronald Henkel, son of Mr. and Mrs. Rhae Henkel and Jack Gillin, son of Mr. and Mrs. Merton Gillen, have completed their boot training at Great Lakes, Ill., and arrived home Wednesday evening for a 14-day furlough with their parents.

Sunday, December 16, Perry Hayden will be speaking at the morning and evening service of the Church of England, in Tilburg, Ontario, for the Rev. P. Downer, M.A.L.TH., and will also show his film, "God Is My Landlord."

Frank Buck has received a letter from Delores and Doris O'Neil, twins of Mr. and Mrs. James O'Neil of Houston, Texas, stating that the O'Neil's four children are "up in the air." Doris and Delores are hostesses with Continental Airlines, Arleen, with, with Eastern Airlines at Miami, Fla., and Jim also is with Eastern Airlines of Florida. The O'Neils are former residents of Tecumseh.

Mrs. Stanley Oleksy and children of Ann Arbor have returned home after spending a few days with her parents, Mr. and Mrs. Walter Pieper.

Mrs. Walter Pieper entertained recently the American Legion Auxiliary of Clinton at a potluck supper. A social time followed in observance of the annual Christmas party.

BAPTIST LADIES UNION ENJOYS YULE PROGRAM

The Baptist Women's Union, with the Baptist League as guests, met in the church parlors Thursday afternoon at 2 o'clock, for the annual Christmas program. Thirty-one were in attendance. Mrs. Ted McConnell presided at the short business meeting. Mrs. Dean Van Valkenburg, program leader, was assisted by Mrs. Naomi Williamson. Mrs. B. O. Bashore as vocalist, sang several Christmas selections during the program, including "Hymns for Christmas," "O Little Town of Bethlehem," and "Star of the East." A play entitled, "The Home Beautiful," was dramatized with Mrs. Lyle Grigg, Mrs. Lillian Owen, Mrs. Ronald VanValkenburg and Marvin Grigg, taking part.

Tea and cookies were served from a white linen covered table, with silver service and a Christmas center piece. The hostesses were Mrs. Ted McConnell, Mrs. Ira Ashley and Mrs. Jessie Arnold. Mrs. Fred Sheldon and Mrs. Ernest VanVleet poured.

"Is this a good brand of perfume?"

"That, madam, is one of our best smellers."

LEGAL NOTICE

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 30th day of November in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of GEORGE J. KEMPF, deceased.

On reading and filing the petition of Charles L. Kempf, administrator of the estate of Andrew L. Kempf, deceased former administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final administration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 31st day of December next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

BERNARD N. WILLIAMSON,
Judge of Probate.

THE TECUMSEH HERALD

ONE HUNDREDTH FIRST YEAR — NUMBER 11 | TECUMSEH, MICHIGAN, DECEMBER 13, 1951 | FIVE CENTS A COPY

Family Of Four Pays Big Taxes

AVERAGE FOR STATE OF MICHIGAN IS ESTIMATED AT ABOUT $3,096.04

BY D. HALE BRAKE
Treasurer of Michigan

How much can the camel carry? The recent tax increase voted by congress is estimated to take out of Michigan an additional $466,600,000 annually. The total state general fund budget here in Michigan for the current year is $306,000,000, so that the increase in federal taxes is $160,000,000 more than the total state appropriations from the general fund.

In the year ending June 30, 1951 the federal government collected in Michigan (this was before the increase) $4,156,021,742 which would be an average per capita cost for federal taxes of $662.26. For the same period the total of state collected taxes, including liquor revenues, was $465,265,000 of a percapita cost of $68.31. The total for local taxes was $342,117,000 or a per capita of $53.69. The federal taxes collected in Michigan were 8.24% of the total for the country although we have but 4.23% of the population.

Probably the figures as to federal taxation given above are not not quite fair because we collect here in Michigan the federal excise tax on automobiles, trucks, and many other things that are finally purchased by people living outside Michigan who actually pay the tax in the price of the merchandise. Of course, that works both ways. One who smokes cigarettes actually pays the federal tax on cigarettes, for instance, although the government may collect that tax in Kentucky or Carolina. Just how much that means per wear one can only estimate. A college professor friend of mine has made an estimate of $458.32 as the actual cost of federal government last year for each man, woman, and child in Michigan. Using that figure it still gives 79c out of each tax dollar paid by the average Michigan resident to the federal government while 11.08c is collected by the state and 9.3c is collected as local taxes. That still, however, does not give quite the correct picture because approximately two-thirds of the taxes collected by state government go back to the local units of government including the schools for use; so if we consider just what the state itself uses as state expenditures, and add state aid to the money raised by local units of government we have about this situation: that 79c out of every tax dollar paid by the ordinary Michigan person goes to the federal government, between 3 and 4c out of each such tax dollar is actually used by the state, and between 17c and 18c out of each tax dollar is used by local government including the public schools.

If we use the figure for federal taxes of actual collections in the state and add state and local taxes, we have an average tax load for every man, woman, and child in the state of $774.26 or an average load for a family of four people of $3,096.04.

DEPENDABLE CIRCLE

The Temple Dependable Circle of the Methodist church will meet at the home of Mrs. Carl Burch, 201 W. Shawnee street, Wednesday afternoon, December 19, at 2 o'clock.

Heavy Holiday Traffic Toll Likely In State

Holiday accidents this year will contribute to the worst traffic toll of any year in Michigan history, according to Sergeant O. H. Bartell, of the Clinton post of the Michigan State Police.

"The total number of accidents and the combined total of deaths and injuries are reaching new peaks," Sgt. Bartell said. "The toll will be materially increased during the holidays unless drivers and pedestrians alike make greater efforts to practice safety.

"December is supposed to be the happiest month of the year, but instead it is the deadliest. Last December 153 persons died in Michigan traffic accidents, 44 of them during the Christmas week-end.

"It is also feared that during December of this year there will occur somewhere in the nation the one millionth death in American traffic since records were first started. It could happen in Michigan.

"Longer periods of darkness and adverse weather conditions make traffic more hazardous at this time of year. During the holiday season traffic increases and many persons become so absorbed in the Christmas rush they grow careless.

"There is nothing we can do to prevent darkness and bad weather, but we can avoid carelessness if we try. Let's all be especially alert and avoid having that millionth death occur in Michigan. And finally, why spoil Christmas with a needless tragedy."

Don't expect too much from the man who talks about what he did instead of what he's doing.

GUEST DAY PLANNED BY TECUMSEH D. A. R.

Guest Day will be observed by Abi Evans chapter, D. A. R., Friday afternoon at 2 o'clock at the home of Mrs. Louis Schneider on South Union street, with Mrs. Frank Bates, Mrs. R. S. Moore, Mrs. George Elliott, Mrs. Roy Whiting, Mrs. Horace Loveland, Mrs. Ida Spencer, Mrs. Howard Wilson and Mrs. Neil Pearson as the co-hostesses. Mrs. Arthur Brown will be the leader. Christmas music for the program is being arranged by Mrs. Francis Stone.

MASONIC PARTY

The Eastern Stars and Masons will hold their annual joint Christmas party, Sunday evening, December 16, in the lodge hall with a 5:30 potluck supper for the members and their families. Members are asked to bring table service, a dish to pass, and rolls and milk for children. Coffee will be furnished.

Satisfied With Imitations

Wealth may not bring true happiness, but there are some folks who would be satisfied with good imitations.

MISCELLANEOUS SHOWER

Mr. and Mrs. George McKendry and Mr. and Mrs. Vearl Osburn were hosts and hostesses at a miscellaneous shower Saturday evening at the Tipton Grange Hall, honoring Mr. and Mrs. Robert McKee, Jr., who were recently married, A potluck dinner preceded the shower and the evening was spent socially. Christmas carols were sung by the group.

The tables were decorated with Santa Claus, evergreens and candles. Mr. and Mrs. McKee received a large shower of gifts on a lace covered table.

Seventy-five attended from Detroit, Manchester, Adrian, Tipton, Britton and Tecumseh.

Home Fires Are On The Increase

MORE CARE IS NEEDED FOR SAFETY SAKE; ELEVEN PERSONS HAVE DIED

An alarming number of home fires occurring throughout the state in recent weeks has brought a safety warning from State Police Commissioner Donald S. Leonard, who is also state fire marshal.

"During the first week-end in November eleven persons perished in home fires in Michigan," Leonard said. "There also have been many other such fires recently which fortunately involved no deaths, but nevertheless were costly to the families concerned.

"Most home fires are the result of oversight or carelessness. Defective heating equipment is a leading cause. Faulty electrical wiring, misuse of flammable equipment and carelessness when smoking or lighting matches are also high on the list.

"The principal cause of deaths in home fires is the use of kerosene or other flammable liquids to start fires in stoves and furnaces. The practice continues despite the numerous examples of its great danger.

"Accumulations of rubbish and other forms of neglect also contribute their share to the fire toll. The sad part is that many home fires not only leave familes without shelter of their own, but also destitute.

"Fire safety in the home is a responsibility that should not be ignored. Defective heating equipment and electric wiring should be repaired without delay and all other safety precautions observed. It is too late to think of preventive measures when the house is gone."

ALL-CHURCH PARTY

The Sunday School Christmas program and party of the Baptist church will be held Wednesday, December 19, at 7:30 in the church. This is an all-church party.

Two High School Parties Here, Friday, Saturday

The Tecumseh Products Company's orchestra will furnish music for the Senior high school's annual Christmas party, to be staged Friday evening in t ehgymnasium of the Central school. Dancing will be from 9 till 1.

Saturday evening, the Junior high school will hold its Christmas party in the same place, from 7:30 till 11 o'clock. Driscoll's orchestra will furnish music and there will be games and refreshments.

Teachers will act as chaperones at both parties.

PRE-CHRISTMAS PARTY ENJOYED BY LUTHERANS

The members and their families of the Lutheran Ladies Friendship Club held a Christmas party and potluck supper in the church basement, Wednesday evening. After the supper, children of the Saturday afternoon School sang several songs, assisted by the Rev. A. Jeschke on his accordion. For closing number, Carol and Virginia Greiman and Nancy Dinse sang, "A Tender Piecrust."

Mrs. Paul Maves, president, presided at a short business meeting. The January 2 meeting will be the election of officers. The church basement was attractively decorated in keeping with Christmas, with Mrs. Harvey Dinse and Mrs. Bert Filter in charge.

OBSERVE ANNIVERSARY

Mr. and Mrs. Harry Bridges of North McKenzie street, Adrian, entertained members of the Tecumseh Products tool room in their home, Saturday evening, in observance of their 37th wedding anniversary. The large table was attractively decorated in keeping with the Christmas season. Twenty-two members and their wives enjoyed a potluck supper. An anniversary cake centered the table. Mr. and Mrs. Bridges were presented with a gift from the group. The evening was spent socially.

LEGAL NOTICE

Order for Publication—
Appointment of Trustee.
STATE OF MICHIGAN.

THE PROBATE COURT FOR THE COUNTY OF LENAWEE.

At a session of said court, held at the probate office, in the City of Adrian, in said county, on the 7th day of December A. D. 1951.

Present: HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of EMMA VAN DUSEN, Deceased.

Wilfred Tom Wilson, one of the beneficiaries of said estate having filed in said court his petition praying that Jack I. Hanna or some suitable person be appointed co trustee of said trust estate in the place and stead of William J. Hanna now deceased;

It is ordered, that Monday the 7th day of January A. D. 1952, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition;

It is further ordered, that public notice thereof be given by publication of a copy of this order, for three consecutive weeks previous to said day of hearing, in The Tecumseh Herald a newspaper printed and circulating in said county.

GIFTS

with a useful future for the home

THAT EVERY MEMBER OF THE FAMILY CAN USE AND ENJOY!

For gifts that every member of the family can enjoy — gifts for Dad and Mother, Sister and Brother, there's nowhere that you'll find a wider selection than at Baldwin's Hardware. Whether your gift be a toy, a sled, a new range for the kitchen, or a new set of china for the dining room, you'll make no mistake by coming here to make your selection. Truly, BALDWIN'S is Santa's headquarters for practical, worthwhile gifts that last, and last and last.

Electrical Appliances

If it is an electrical appliance of some kind that you are thinking of giving, drop in to see our wide selection. All appliances in our store carry the tags of nationally famous makers — assuring you of the quality that you desire, and the satisfaction that is certain.

Toys And Games

Whether your gift is for Brother or Sister, we've got toys and games to suit them all. Dolls, doll houses, mechanical games of all kinds, including beautiful erector sets, and dozens and dozens of mechanical, moving toys that are certain to fascinate any youngster. We believe that our toy department this year is more complete than in many, many previous seasons.

Cutlery - Housewares

Something for the kitchen — knives, kitchen utensils, sparkling, long-wearing aluminum pots, pans and roasters . . . yes we have them all and in a wide assortment. Every Mother is bound to be pleased with a gift for her kitchen, and our Housewares Department is the place for you to make your selection. Drop in, if such a gift will please somebody on your shipping list.

Wheel Goods - Bicycles

Wheel Goods — what a stock we have, all by famous makers. Roadmaster bicycles, of course, head the list that every boy and girl hands in for the Christmas season. And you'll make no mistake by buying a Roadmaster. Of course we have other wheel goods, including tricycles, doll carriages, wagons, etc., etc.

China And Pottery

China, glassware, pottery—you've never seen a more beautiful selection than we are showing this Christmas Season. Syracuse China—beautiful patterns that any woman would be proud to have on her table. In glassware and pottery our selection is wide and varied, and in all price ranges. You just can't miss filling your list if you shop in this department.

Stoves-Washers-Dryers

Stoves, washers and dryers — if you're thinking on the more practical side of Christmas shopping — are offered by us in a wide range of prices and styles. Every appliance carries the trademark of well-known makers, assuring you of long-lasting satisfaction and service. You'll make no mistake by choosing such a practical gift from our store.

Tools - Power Tools

Dad or Brother want tools — tools for the home workshop, tools to make the family maintenance job a little easier and more delightful. We have almost every tool you might ask for, including power tools of all kinds. And you may be certain that when you buy our quality brand tools the satisfaction will not only be complete, but long lasting.

Guns - Sporting Goods

If there's a Sportman on your list, drop in and select a gun that is sure to please him. We have them, from .22's to the long-range, hard-hitting deer rifles. And, in addition, we have the ammunition and the other accessories so necessary for the hunter's complete satisfaction. For quality merchandise for that Sportsman's on your list, you can shop here with confidence.

COUNCIL PROCEEDINGS

VILLAGE OF TECUMSEH
COUNCIL BUILDING
December 3, 1951

Present: President Elliott, Trustees Mensing, Rohweder, Heilman, Truesdale and Porter.
Absent: Fosbender.
Minutes of meeting held November 23, 1951, read and approved.
Moved and supported that an amendment be made to the resolution for the development of Cemetery lands be changed to read as follows:
(2) Upon the development of said lots in the recently acquired lands, they shall be made available for sale to the general public and one-half of the money received from the sale of said lots shall be used to repay the Trust fund of said Cemetery Association until the aforesaid amount is fully paid together with interest at 1% per annum; repayment to be made immediately upon the sale of each lot or group of lots.
Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.
Nays: None.
An itemized list of bills paid December 3, 1951, is recorded in the Village Clerk's Office and is open for public inspection.
Total Disbursements for the period ending November 30, 1951, $5,882.36.
Moved and supported that bills as read be approved and orders be drawn up for the same.
Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.
Nays: None.
Moved and supported that Police report be accepted and placed on file.
Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.
Nays: None.
Moved and supported that Engineer's report be accepted and placed on file.
Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.
Nays: None.
Moved and supported that Mrs. Carl Burch be permitted to operate a "Little Tots Gift Shop" in her home at 201 W. Shawnee St.
Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.
Nays: None.
RESOLVED THAT INASMUCH AS THE TECUMSEH RECREATION FIELD was purchased through popular subscription and deeded to Tecumseh District No. 7 to be used as a recreational area for adults as well as children; as there are insufficient funds to operate and maintain the field; as there are picnics, community projects, school athletics, organized adult league play and summer recreation activities on the field; we the Village of Tecumseh shall cooperate as a unit (Village Council, Tecumseh District No. 7 Board of Education, and the Community Fund Organization) to support said field; this support to consist of the following divisions: Tecumseh District No. 7, 40%; Village of Tecumseh, 40%; and Community Fund, 20%. We feel that this is an equitable distribution of the costs since, according to the State Surveys studied the 40%, 40% and 20% plan as indicated above was predominately used throughout the state.
Further: that the following or similar Resolution creating a seven member Board of Control of the "Community Recreation Center" be adopted:-
A RESOLUTION CREATING A SEVEN MEMBER BOARD OF CONTROL OF THE "COMMUNITY RECREATION CENTER."
FIXING THEIR TERMS OF OFFICE AND PRESCRIBING THEIR POWERS AND DUTIES.
BOARD OF CONTROL. That the Board of Education and Village Council shall appoint two (2) members each for the respective terms of 1 for 2 years and 1 for 1 year, and the Community Fund 1 each year, and that each year thereafter these organizations shall appoint 1 each for a period of 2 years, unless sooner removed for cause. In addition to the above, this Board shall elect two citizens of the Community who are not members of these respective groups to hold office for one year. Said Board shall serve without compensation.
ORGANIZATION OF BOARD TREASURER'S BOND. The several persons herein appointed shall constitute the Board of Control of the Community Recreation Center and shall organize by electing one of their number a Chairman, a Vice-Chairman and a Secretary and Treasurer.
POWER OF BOARD. Said Board of Control is hereby vested with power and authority necessary for the care, management and preservation of the athletic property and to make all requisite rule and bylaws to carry into effect the powers herein vested.
POWER TO RECEIVE MONIES AND PROPERTY IN TRUST. The Bord of Control created under this resolution shall have power to receive in trust, monies or property by way of gifts, grants, devises or bequests for recreational purposes. All monies and property which may be received by said Board of Control by way of gifts, grants, devises or bequests for recreational purposes, shall be held in trust by said Board of Control subject to the terms and conditions on which the same may be given, granted, devised or bequeathed and the same shall constitute a Trust Fund, and if in money, shall, unless otherwise expressed by those making such gifts, grants, devises or bequests, be invested in a permanent fund in good sound securities by the Board of Control and the interest or income therefrom after fulfillment of such conditions expressed, to be used in operating and/or improving the athletic field under the control of said Board.
DISPOSITION OF GIFTS, ETC: All monies, including gate receipts, received by said Board except gifts, grants, devises and bequests received in accordance with Sec. 4, shall be deposited in the Bank in a fund known as "Community Recreation Center" Fund and said Board shall have authority to pay out of such fund by checks signed by the Secretary and Countersigned by the Chairman.
APPOINTMENTS AND REPORTS. The regular appointments to the Board of Control shall be made at the regular annual school meeting.
All vacancies on the Board of Control shall be filled as soon as practical by the organization which made the original appointment.
On or before July 1st each year the Board of Control shall make a report in detail to the public. Said report to cover finances and activities of the Board of Control during the fiscal year and to be published in the local paper.
The yearly budget of the Community Recreation Center is to be submitted to the Village Council for approval. The budget for the year 1952 shall not exceed $5,000.00.
Moved and supported that the above resolution be adopted.
Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.
Nays: None.
Moved and supported that the Village Assessor be permitted to attend the Assessors School in Ann Arbor.
Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.
Nays: None.
Resolved that the President and Clerk be authorized to sign the State Highway Maintenance Contract for the Village to maintain M-50 and M-52 within the corporate limits of the Village.
Moved and supported the above resolution be adopted.
Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.
Nays: None.
On motion Council adjourned.

Churches Ready For Christmas

STORY OF THE BIRTH OF CHRIST WILL BE TOLD IN SONG, PLAYS AND SERMONS

The several churches in Tecumseh will observe the Christmas week this year by presenting programs in story and song and with appropriate services on Sunday and on Christmas Day.

A Christmas eve midnight service at St. Peter's Episcopal church will be preceded by a carol sing, under the direction of Dr. James H. Spencer. The choir will sing Adam's, "O Holy Night," and "Sing, O Sing This Morn," as an offertory. The musical setting of the communion service will be by Dr. Spencer, organist and choir director. On Christmas Day, there will be two celebrations of Holy Communion, one at 7 and the other at 10 a.m. There also will be a midnight Eucharist on New Year's Eve at 11:30, and Holy Communion will be celebrated again on New Year's Day at noon. The annual Christmas dinner and party of St. Peter's school was held Tuesday evening.

A midnight Mass will be held on Christmas eve at St. Elizabeth's new Catholic church on North Union street. The mass will be sung by the mens' choir under the direction of Wallace B. Whiting with Mrs. Richard Jennings at the console of the new Casavant organ from Quebec, Canada. Mrs. Jennings will play familiar Christmas hymns before the mass. The choir will sing "Adeste Fidelis" at the offertory of the mass and Mr. Whiting will sing a solo at communion time. Masses on Christmas Day will be at 8:30 and 11 a.m.

Church school exercises of Grace Lutheran church will be held on Christmas eve, at 8 o'clock. "Christmas Evening in Song and Verse" will be presented through the combined efforts of the Sunday school, the Saturday school and the Sunday school staff, consisting of Miss Alma Soncrant, seniors, Miss Ann Berbauer, intermediates, Merlyn Wagner, junior A's, Joyce Bohnenstell, junior B's, Mrs. A. Jeschke, primary, Mrs. Charles Frost, beginners, Mrs. Harvey Dinse, secretary, and Mrs. Bert Fliter, cradle roll. The program will introduce Yuletide selections by the Rev. A. Jeschke for the first time. The Rev. Mr. Jeschke will give the closing remarks which will be followed by the distribution of gifts from the Christmas tree. The decorations of the church and the tree were by Otto Teske and the church council. Christmas Day services will be held at 10 a.m., and Holy Communion will be celebrated at the Sunday morning service at 10:30.

Saturday evening at 8 o'clock the youth of the Baptist, Methodist and Presbyterian churches will present their Christmas program of music in the Fellowship Center of the Presbyterian church. This will be a benefit for CROP and a special offering will be received.

Sunday morning at the Presbyterian church, the Rev. Donald C. Wilson will return from Detroit for the morning worship service which will include an adaptation of Henry VanDyke's, "The Story of the Other Wise Man." Christmas eve communion services will begin at 11 p.m. All members of the church are invited to prepare fo Christmas Day by being in their

(Continued on page 6)

Mrs. Emily Fluhrer, 79, Will Be Buried Today

Mrs. Emily Fluhrer, aged 79 years, died at 7 a.m., Monday, at the home of her daughter, Mrs. Clarence Hunt, northeast of Tecumseh. Mrs. Fluhrer had been in failing health for the last two years. She was a member of the Presbyterian church of Palmyra, a life member of the O. E. S. of Palmyra, and a member of the Tecumseh Homemakers Extension Club.

Survivors, besides her two daughters, Mrs. Edith Hunt of Tecumseh and Mrs. Mabel Lewis of Britton, are four grandchildren, six great-grandchildren; three sisters, Mrs. Jessie Armstrong of Cincinnati, Mrs. Lulu Hayes of Lapeer and Mrs. Edith Wood of East Tawas; one brother, Ernest Parry of Dearborn, and several nieces and nephews. She was preceded in death by her husband, George, in 1937; a sister, Mrs. Edna Garvey and one son, Frank.

Funeral services will be held this afternoon (Thursday) at 2:30 at the Palmyra Presbyterian church. The Rev. Edward Escolme of Tecumseh will officiate. Burial will be in Palmyra cemetery.

The Greenwald Laundry will be closed Dec. 24 thru 29. Office will be open daily 2-4 p.m., Dec. 26 thru 29 for your convenience. adv. 12-20

New Year's Eve Party Is Planned At Country Club

The annual New Year's Eve party at the Tecumseh Country Club will be held Monday evening, December 31. Dancing will be from 10 p.m. to 3:30 a.m. A buffet lunch will be served from 1:30 to 3:30 a.m. The committee in charge is composed of Mr. and Mrs. Joseph Lane, Clinton, phone 226F4, Mr. and Mrs. Paul Dunham, Clinton, phone 119F3, Mrs. June Green, Tecumseh, phone 151, Mr. and Mrs. Donald Nixon, phone 92W and Mr. and Mrs. Orville Laidlaw, phone 82.

Guests are invited and reservations are to be made not later than Wednesday, December 26.

Cub Scouts Give Toys To Needy

ANNUAL CHRISTMAS PARTY WITH AWARDS IS HELD ON MONDAY EVENING

The December meeting of Cub Scout Pack Number 4 was held Monday evening at the Presbyterian church Fellowship Center. With Mrs. Lester Munger accompanying at the piano, the Cubs marched in singing "Jingle Bells." Gifts for their parents made by the Cubs in Den meetings, were placed around the Christmas tree.

A Good Will Ceremony telling of the Pack's Good Will Project was conducted by Den Number 6 under the direction of Mrs. Clair Rozelle, assisted by Mrs. David Locke. The toys which the Cubs contributed in their Den meetings were given to the Kiwanis Club of Adrian for repair and distribution to needy families. However, many of the toys were in such good condition that no repairs were necessary.

Den Number 6 also presented a check to the Pack treasurer, Virgil Tucker, to be used to purchase a den flag for each of the other nine dens. The boys of the den earned the money by work on a paper project in partial fulfillment of the requirements for the Webelos rank. As the boys are all graduating into Scouting, Den Number 6 is being disbanded, and Cubmaster G. Maxwell Smith thanked Mrs. Rozelle for her two and one-half years work as a den mother, and Mrs. Locke, who has assisted for a year and a half.

Five new cubs, John Britton, David Brooks, Pat Holdridge, Larry Titley and Billy Truesdale joined the Pack in a ceremony conducted by Cubmaster Smith assisted by Lawrence Holdridge, Advancement Chairman.

Hundreds of Children Greet Santa and Reindeer

Although temperatures were well below the zero mark Saturday evening, Santa Claus and his "eight tiny reindeer" arrived on schedule in Tecumseh at 7 p.m., and they were greeted by several hundred children and their parents.

"My guess would be that only about 1,000 youngsters were out to meet Santa, Saturday night," Ron Harris, secretary of the Chamber of Commerce, said." It was bitter cold, about three or four below zero, and there was a stiff wind, that cut down our crowd. However, the kiddies who were there were happy, and Santa greeted each of them personally with a gift."

The annual Christmas party for the youngsters was inaugurated here several years ago by the Rotary Club. This year, and in years past, the club is assisted by the V. F. W., the Community Fund, the Chamber and the Exchange Club.

RIGHT LEG BROKEN

Thelma Phillips, 20, Tecumseh, was removed to Herrick Memorial Hospital, Monday night, by ambulance. She had slipped in the snow on Cummins street, and fractured her right leg.

Folk Past Fifty Enjoy Luncheon

OLD-TIME SETTING USED, WITH CASTORS AND TOOTHPICKS DECORATING TABLES

Colored tablecloths, oil lamps, castors that not only held pickle jars and tongs but toothpicks as well, and celery dishes filled with long leafy stalks centered the tables in the Social Room of the Methodist church here, Thursday, when some 50 members of the Fifty Year Club assembled for its second potluck luncheon. Miss Ann Carson and Mrs. T. Rentschler, assisted by Mrs. Geo. Wittrup, Mrs. Mertle Waring and Mrs. J. Floyd Elliott turned to the days gone by for the theme of the program, which was built around Tecumseh when it was strictly an agricultural community.

Mrs. Jeanie Satterlee, dressed in beautiful clothing that she had made long years ago, greeted the guests as they arrived. The members then found their places at the tables where plates were turned upside down, hiding the knives and forks. There was lively conversation about "way back when," before the luncheon. The rooms were gaily decorated in keeping with the Christmas season, this having been done by the Temple Dependable Circle.

The following program was presented with the members of the

(Continued on page 8)

VILLAGE COUNCIL MEETS

The Village Council met in special session on Monday evening and, after accepting a bid for the purchase of $285,000 in general obligation bonds for the building of a sewage disposal plant, continued its work of transacting routine business. A special ordinance to control the disposition of storm sewer water was enacted and reports of departments of the village were read and approved.

FIREMEN ARE CALLED

Firemen were called to the home of Frank Gray, Pearl and Pottawatamie streets, at 4:15 Tuesday afternoon, when grease boiled over on an electric range, causing alarm. There was no damage. Mr. Gray is a member of the Tecumseh fire department and responded to the alarm from his work.

Louis G. Caldwell, 60, Is Buried Here, Friday

Louis G. Caldwell, an attorney, aged 60 years, died Tuesday night in Washington, D. C., of a heart attack. Mr. Caldwell was a partner in the Chicago firm of Kirkland, Flemi g, Green, Martin and Ellis. He was the son of Mrs. J. D. Caldwell of Oak Park, Ill., and the late Mr. Caldwell, descendants of a pioneer family which took up 360 acres of land between Tecumseh and Adrian from the government in 1824. The land was sold in 1946 by N. L. Cook of Dearborn, a brother of Mrs. J. D. Caldwell, who was the last member of the family to have ownership. It was in the Caldwell family for 122 years.

Mr. Caldwell was widely known as an authority on communications and administrative law. He was vice president of the American section of the International Commission on Communication, and was general counsel of the Federal Radio Commission in 1928 and 1929. At the time of his death he was chief counsel of the Washington Times-Herald.

Survivors besides his mother, are a daughter, Mrs. G. K. Brobeck, Jr., of Holyoke, Mass., whose husband is a captain with the army in Germany; and a sister, Mrs. Margaret Dall of Libertyville, Ill. A brother, Edward of Chicago, was buried in Brookside cemetery, October 18, 1951.

The body arrived at the Green Funeral Home Friday morning. Burial was in Brookside cemetery where private services were held with the Rev. B. O. Bashore officiating. Relatives attended from Holyoke, Mass., Washington, D. C., Oak Park and Libertyville, Ill., and Dearborn, Mich.

REV. EDWARD ESCOLME ROTARY CLUB SPEAKER

The Rev. Edward Escolme, pastor of the Friends church, was the guest speaker at the regular dinner meeting of the Rotary Club Tuesday evening at the Country Club. The Rev. Mr. Escolme used as his subject, "What is Christmas?" He retold the story of the birth of Christ. His talk was greatly enjoyed.

There will be no meeting of the Rotary Club here over the Christmas and New Year's holidays. The next regular meeting will be on January 8.

Church Groups Name Officers

PRESBYTERIAN MEN'S CLUB, WOMEN'S ASSOCIATION HOLD ANNUAL MEETINGS

A joint meeting of the Presbyterian Men's Club and Women's Association was held in the Fellowship Center of the church last week Wednesday evening with 125 in attendance. The men were in charge of the program, and F. C. Dickinson, assisted by Garth Hall, led the group in singing. A male quartet composed of Al Williams, Arthur Swarts, Mr. Dickinson and Mr. Hall sang three numbers. Mrs. A. W. Merz sang, "Gesu Bambino," and "The Virgin's Slumber Song," accompanied by Mrs. Dickinson.

The Rev. D. C. Wilson and family were the honored guests. They were presented with a substantial purse from the groups by J. W. Spafford. The Rev. Mr. Wilson read a letter from F. K. Smith of Tresco, Inc., presenting the gift of a chill chest to the Presbyterian Camp at Greenville. In closing the quartet sang, "Lead Thou Me On," dedicating the number to the Wilsons.

Each organization held separate business sessions. The Men's Club elected new officers and Clair Rozelle was named president to succeed Robert Reis. Other officers

(Continued on page 8)

INFANT SON DIES

Private funeral services were to be held today for Baby Humble, infant son of Mr. and Mrs. Franklin Humble of Richland Center, Wisconsin, who died at birth, Tuesday. Survivors besides the parents, are a sister, Kristine; grandparents, Mr. and Mrs. Victor Humble of Tecumseh, and Mr. and Mrs. Carl Koch of Rt. 1, Viola, Wisconsin, a great-grandfather, Frank Wimmer of Marion, Indiana, and several aunts, uncles and cousins. Mr. and Mrs. Humble were former residents of Tecumseh and moved from Indiana to Richland Center, Wisconsin, Saturday.

CAR OVERTURNS

Mrs. Olin Freed of the Country Club, escaped injury, Friday at 3:50 p.m., when she lost control of her car on the ice and it overturned on North Maumee street. Police estimated the damage at $100.

Products Employees Get Turkeys, Fruit For Xmas

Two thousand and fifty-three turkeys and 266 baskets of fruit will be distributed this year to employees of the Tecumseh Products Company as the firm's gift to its "family" at Christmas time. All employees who have dependants will receive turkeys, and those without dependants will get baskets of fruit.

The gifts will be distributed beginning at 11 a.m., on Monday, December 24, at the plant.

The turkey and fruit gift program for employees is an annual affair with the Products company at the Christmas season.

Disposal Plant Bonds Are Sold

VILLAGE PLEASED WITH LOW INTEREST RATE OF 1.9 ON $285,000 ISSUE

The $285,00 general obligation bond issue, authorized here last October by the electors for the building of a sewage disposal plant, was sold on Monday evening to the First Michigan Corporation of Detroit. The bonds carry an interest rate of 1.9%.

"We were very much pleased with the low rate of interest on the bonds," E. C. Heilman, chairman of the Council's sewer committee, said today. Mr. Heilman said that four bids for the purchase of the issue were received, and highest bid being 2.8%.

Now that the village has the money to spend to build the sewage disposal plant, it still remains a problem as to how to accomplish the work. The Michigan Stream Control Commission has ordered the plant's construction, the village is willing to proceed with the program but bids from contractors opened a week ago, exceeded by about $80,000 the estimate of engineers and the amount of the bond issue.

Mr. Heilman indicated that the high bids of the contractors were not yet worrying the village too much.

"We will reinvest the money from the sale of the bonds, (this will be on January 1), at a profit," Heilman said, "and we will mark time for a little while until we get the program figured out. I feel certain that the bidders were protecting themselves against further inflation, and that the estimate of our engineers was correct. As soon as we are certain of this, we may build the plant ourselves. This can be done by sub-contracting some of the work, and I feel that we can, at the same time, save ourselves some money."

Heilman said that the Council plans to study the bids more carefully, and to meet with its engineering firm right after Christmas.

"We should be able to come up with a solution to our problem soon after the first of the year," he said.

Christmas Musical Is Enjoyed By The D.A.R.

Abi Evans chapter, D. A. R., observed Guest Day Friday at the home of Mrs. Louis S. Schneider, South Union street. The rooms were decorated in keeping with the Christmas season.

Mrs. Arthur Brown was the leader and Mrs. Francis Stone, in charge of the Christmas music, was assisted by the Tecumseh Music Club chorus which presented a Christmas musical. Mrs. Stone gave a brief history of each song before it was presented. The chorus was composed of Mrs. R. S. Moore, Miss Martha Hayden, Mrs. Joe Rice, Mrs. Robert McCoy, Mrs. Thomas O'Hara, Mrs. Nina Heath, Mrs. Wilbur Boyce, Mrs. Kennard Wise and Mrs. Arthur Swartz. Carols were sung, accompanied by Mrs. W. G. Waldron. Karen Robison sang, "Away in a Manger," accompanied by her grandmother, Mrs. Stone. Mrs. Boyce gave an interesting report of Handel's "Messiah," presented recently at Hill Auditorium in Ann Arbor.

Mrs. F. C. Dickinson reported that three high school students will be chosen as "Good Citizenship Girls" in January. Mrs. Burtsel Claus presided at the business meeting and Mrs. Stone acted as chaplain.

After the meeting tea was served from a lace covered table. Lighted candles served a Christmas centerpiece. Mrs. Dickinson and Mrs. Stone poured. The assisting co-hostesses were Mrs. Frank Bates, Mrs. R. S. Moore, Mrs. George Elliott, Mrs. Roy Whiting, Mrs. Horace Loveland, Mrs. Ida Spencer, Mrs. Neil Pearson and Mrs. Howard Wilson.

The next meeting will be "Michigan Day," January 11, at the home of Mrs. Kenneth Hall. There will be an election of officers.

Shopping Brisk Despite Weather

SNOW, BELOW ZERO TEMPERATURES STEP-UP CHRISTMAS BUYING IN THE STORES

Although Southern Michigan experienced its coldest weather of the winter over the week-end, with the mercury sinking in some areas to 15 degrees below zero, Tecumseh merchants said that shopping on Saturday night was brisk and that it has continued that way this week.

"The snow and cold of

Stores Open Evenings To Assist Shoppers

To accommodate last-minute shoppers and those who find it difficult to visit the stores during the daytime, stores in the downtown district of Tecumseh will be open each night this week until 9 p.m., and next Monday night, Christmas eve, until 6 p.m., the Chamber of Commerce said today.

"Shopping is brisk, and Tecumseh stores are prepared for it," Ron Harris, Chamber of Commerce secretary, said. "There is a wide and varied selection of merchandise in all of the stores, and customers are finding it easy to fill their Christmas gift lists."

Friday and Saturday night, and Monday's and Tuesday's cold and snow really caused a sharp step-up in Christmas shopping," one merchant said today. "If the buying continues from now until Christmas as it has for the past few days, this year's spending will equal if not exceed that of a year ago," he said.

The snowstorm—about five inches of the white stuff fell—began on Friday and continued throughout most of the day. Temperatures Friday night were low but the real lows were reached on Saturday and Sunday nights when readings of 14 and 15 below zero were recorded.

Tuesday, another seven inches of snow fell, but temperatures moderated. Garages and plumbers reported land office business, as cars stalled and water pipes froze.

Indians Humble Hudson, 42-34

TECUMSEH HIGH CAGERS WIN THIRD STRAIGHT GAME; REST UNTIL JAN. 4

The Tecumseh high school Indian cagers won their third straight victory of the season at Hudson, Tuesday evening, by defeating the varsity squad there by a score of 42 to 34. It was a tough contest for the Indians and it was not until the last quarter of the game that Tecumseh wrapped up the win.

The cage team, because of the holiday vacation, rests until January 4 when they travel to Pittsford for a game.

The Indians were successful in the first two high school cage games that they played this season, winning first from Morenci by a score of 52 to 41, and last Thursday night from Clinton by a 65 to 18 score. The Clinton game was

(Continued on page 7)

Cecilian Choristers In Concert at Auditorium

The Cecilian Choristers of Siena Heights College, Adrian, presented a Christmas concert at Central School Auditorium here, Monday evening. Freezing temperatures and the snow, plus a multitude of other pre-holiday meetings, reduced the attendance, Ron Harris, secretary of the Chamber of Commerce, said. Approximately 100 persons heard the concert.

Although the crowd was small, the Choristers were well received and won round after round of applause. Prior to the school program, the Cecilians, numbering about 60, sang on the lawn of Herrick Memorial Hospital, for the benefit of the patients.

After the concert, the girls were guests of the Altar Society of St. Elizabeth's Catholic church, at a reception in the church house on East Chicago boulevard. Light refreshments were served.

The concert was sponsored by the Chamber. The Choristers were brought to Tecumseh by a group of Adrian businessmen.

NOTICE

I will be at the United Savings Bank each Saturday until March 1, 1952, for collection of township taxes, dog taxes and Farmers Mutual Fire Insurance. Will also accept payment by check or money order, mailed to my residence, 211 W. Brown street, Tecumseh. Lawrence Mohr, twp. treas. Adv. 3-52

LETTERS TO SANTA SHOW THAT YOUNGSTERS ARE ANXIOUS FOR CHRISTMAS

Take Care of Korean Kiddies, Local Child Writes To St. Nick

Tecumseh children, perhaps, do think first about themselves and their immediate families at Christmas time but a review of the letters that they have mailed to Santa Claus this year also shows that their hearts go out, too, to the kiddies in the war-torn lands.

Letters mailed in Santa's special box in the downtown area, and handled through the Chamber of Commerce, disclosed many interesting things, and a multitude of wants by the local children. A few of the letters, read before forwarding to the North Pole, are as follows:

Dear Santa—I want a accordine and a cowgirl suit, doll, and buggy. Sharon.

Dear Santa Claus—Penny wanta set of dishes and a doll, coloring book and a puzzle and bathinette, skating doll. Philip wants a thousand dollars. Scout suit, tie and book and drums, Bible, candy. Shirley wants doll cut-outs, records, Bible. Thank you, Shirley, Philip and Penny.

* * *

Dear Santa—I want a suit like Aunt Earma, a playhouse, nurse set, dishes that has silver on, some kicks and stuff. Love, Wilma.

* * *

Santa Claus—Santa we have ben good and bad, ples bring us some toys. We'll leve you some cooks, popcorn and sanwich and a gras of milk and surprise. We will be good boys. Sind, Ronald and John.

Dear Santa—My name is Carol Marie. I want a rekerd player, can I have it? and my sister wants a doll and her name is Virginia Sue. and I have a brother his name is Gordon and he wants a football helmet, shoulder pads and a cowboy outfit. Have you some helpers? What's their names? Goodby. Carol.

* * *

Dear Santa—I would like a train, gas station, bow and arrows, drum, rocking horse, bingbong gun, cars. Dear Santa thank you very mush. Love, Dick H.

* * *

Dear Santa—I wan ta formula set. How-di-doodle puppet. From Jane.

The Political Pot Is Starting To Boil

"Senator Robert A. Taft is as confident a candidate for nomination and election to the presidency as experienced observers have seen since the early Roosevelt campaigns," writes Doris Fleeson in one of her Washington columns. "The Senator's attitude shows that he believes what his managers contend: That he is far out in front of his rivals for the Republican nomination and that the Truman administration, largely because of the tax scandals, is in real trouble."

The Ohio solon's faith in his own destiny, at least so far as gaining the nomination is concerned, is certainly justified. No other candidate, actual or potential, has anything remotely resembling Taft's efficient and politically-astute organization. No one else has done so much solid groundwork, or has made himself so clear on the major issues which will control state delegations at the G.O.P. convention.

That General Eisenhower has been a disappointment to his followers, goes without saying. To quote Miss Fleeson again, "So far the Eisenhower campaign is not off the ground; perhaps it cannot get off until the General makes some overt move to encourage his supporters. Right now it has produced more personal publicity for its managers than anything else; something is lacking to give it momentum and bite." The General's position grows more and more equivocal as time goes on. He has steadfastly refused to commit himself politically, which is certainly understandable in the light of his present position. Yet his statements have been so phrased that his backers still have logical grounds to hope that he will be available for the race after all. In any event, it is clear that he cannot wait much longer if he wants to be summoned; before much more time passes Taft could be in control of enough votes to make an Eisenhower nomination unlikely.

The formal entry of Governor Warren into the tussle was not unexpected. The Governor has been a tremendous votegetter in his own state of California—in the last campaign he won so handily as to make it virtually no contest. He is a middle of the roader—what some call a "New Deal Republican." He is strongly opposed to Taft, and his declaration is in part based on a "Stop Taft" philosophy. At the same time, he could very well be tapped for the candidacy if the Taft and Eisenhower forces deadlocked and prevented the nomination of either man. This isn't likely now, but it is a far cry from the impossible.

Once more, reports are making the rounds that President Truman has definitely decided not to run, and will so state around the first of the year. His choice for the Democratic nomination, the reports continue, is Chief Justice Vinson. Fly in this ointment is that many influential Democrats are very sold to the Vinson idea. Aother fly is that Justice Vinson may be well satisfied with his lifetime position as chief of the highest tribunal in the land, and so may not want to take the unpredictable political wars.

Just what the future holds, then, for the United States in the way of a president after January, 1953, will be determined by the people—after the conventions get through playing politics during the coming summer.

We doubt very, very much if the Democratic partly could afford to turn its back on Mr. Truman—should he decide to again seek re-election. Mr. Truman after all, is President of the United States and he was elected as a Democrat. He won his last election almost single handed, after a major portion of his party supporters had given up the cause as lost. Mr. Truman is a clever politician, he knows how to play party politics, and he knows how to play boss politics. He has a winning smile, a personality that attracts people and, greatest of all, a purse that is filled with billions of dollars that Congress has voted to spend in an election year.

Undoubtedly the voice of money—vote-buying money—will play an important part in the campaign in 1952. There will be millions spent on both sides of the fence in an effort to win the election. But it should be remembered by the politicians, particularly the Republicans, that it is difficult to unseat a man who is in office.

We sincerely hope that the election of next year will be different, from the voters' standpoint, than was the one of four years ago when Mr. Truman was elected by a minority vote. Less than 49 per cent of the eligible voters cast their ballots in that election. Such apathy is a fine way to lose an election—either by the Democrats or the Republicans—and it is also a fine way to lose the freedom that is guaranteed to Americans under the Constitution. All of us should remember that our freedom is not God-given, and that our right to vote is our greatest privilege.

And the angel said unto them, "Fear not: for behold, I bring you tidings of great joy, which shall be to all people. For unto you is born this day in the city of David a Saviour, which is Christ the Lord."

Luke 2: 10-11

RIDGEWAY

Mr. and Mrs. Lester Edelbrook were Detroit visitors Saturday.

Mr. and Mrs. Edward Heldeman of Royal Oak were guests Sunday of Mr. and Mrs. Clifford Southard and daughters.

Robert Hite is in Hillsdale hospital where he underwent surgery, Friday.

Friends have received word of the death of William F. Millar of Detroit. Mrs. Millar was the former Mae Culbertson of Ridgeway.

Mr. and Mrs. Harry Bishop of Saline spent Sunday in town.

Mr. and Mrs. William Birdsall of Scipio Center, N.Y., were guests over the week-end of Mrs. Emma Friedlander.

Mrs. Cyrus J. Underwood, who fell in the home of her daughter, Mrs. Eula Avery in Ann Arbor and fractured her hip was moved to St. Joseph hospital. Her room number is 477.

Several from here will attend the funeral of Mrs. Emma Fluhrer, Thursday, in Palmyra.

Mr. and Mrs. D. W. Linn were Jackson visitors, Saturday.

Mrs. Estell Hite and Mrs. Mary Boss were Hillsdale visitors, Saturday.

Miss Donna Francis of Milan visited her grandparents, Mr. and Mrs. Will Fletcher over the week-end.

Mr. and Mrs. Julian Strong of Melvindale spent Sunday at their home here and attended the funeral of her uncle, Smith Pocklington.

The Woman's Society of Christian Service met at the church Thursday afternoon at two o'clock with the ladies of the Deerfield society as guests. At the tea, small tables were arranged by the hostesses, Mrs. Lorne Carter and the Misses Lulu and Julia Gilmore. A short business meeting was in charge of Mrs. Donelda Robison, president. Mrs. Edith Southard presented the following program: the ladies chorus, under the direction of Mrs. Thomas Birdsall, sang, "I Belong to the King." "Away in a Manger" was sung by Karen Robison. Mrs. Albert Frank of Peek Michigan, was the guest speaker. Mrs. Warren Benham closed the program with two vocal solos, "The Christmas Glory Song," and "White Christmas."

Board Members Renamed By Conservation League

At a recent meeting of the Tecumseh Conservation League, held in the V. F. W. hall, board members of the organization were re-elected with the exception of Walter Craig who resigned, and was replaced by Sam Shervino. The executive board now is made up of Roger Smith, Vic Humble, Roy Dahlke, Howard Diedrich, Jack Curtiss, Robert Laidlaw, James Mason, Richard Butler and Mr. Shervino.

The next board meeting will be held on January 2 when officers will be elected. Darwin Creger, club editor, now has two assistants, Ronald Gurtzweiler and James Smith.

Awards were made for the fishing contest which ended November 1. Jim Dahlke won $15 for his 5¼ pound walleyed pike, the largest and only entry in the pike class. No entries were received in the bass and perch classes.

Colored movies on conservation in Michigan were shown and later refreshments of barbecued venison, potato chips, cookies and coffee were served. The venison was donated by Roy Dahlke.

A meeting of District No. 2 was held at Temperance recently to elect new officers. Roger Smith was named as vice chairman of the district and Darwin Creger was named to the MUCC board. A meeting of the board was held in Detroit recently and Mr. Smith and Mr. Creger were in attendance.

General Telephone System

James Mason portrays the title role in "The Desert Fox" the historically factual drama of Field Marshal Rommel, Tues., Wed., Thurs., Dec. 25, 26, 27 at the Strand Theatre.

LOCALS AND PERSONALS

Sunday morning, December 23, Perry Hayden will speak at the services at the three Methodist churches in Concord, Hanover and Horton, Michigan, in charge of Rev. Harold Arman. In the evening he will show his film at the Concord church.

Robert Bailey will arrive home Saturday from Sault Ste. Marie, to spend the holidays with his parents, Mr. and Mrs. Clyde Bailey.

Cadet Kent Davison will arrive home Friday from Howe Military Academy for the holidays with his parents, Mr. and Mrs. Kenneth Davison. He will return January 6 to the Academy.

Staff Sgt. Stanley Frost arrived home Saturday morning after three years service in Germany and has received his discharge papers. He is at the home of his parents Mr. and Mrs. Carroll Frost and with his wife.

Rev. and Mrs. Herbert Burch and family of Adrian spent Sunday afternoon with his mother, Mrs. Carl Burch.

Mr. and Mrs. Leland Cheever attended the funeral of Mrs. Cheever's uncle, Smith Pocklington, Sunday afternoon, in Britton.

Mr. and Mrs. Lisle Morse and daughter, Nancy, and Mrs. Orville Morse of Ann Arbor, were weekend guests of Mrs. Tillie Tuckey and daughter Miss Nerissa Fosdick.

Mrs. Eva VanVleet has gone to Pontiac to spend the winter with her son and wife, Mr. and Mrs. Paul Allison.

David William, infant son of Dr. and Mrs. Robert Laidlaw, was baptized Sunday morning in St. Elizabeth Catholic church by Father Michael Collins. This was the first baptism in the new church. The sponsors were Mrs. Howard Mehaffey of Ann Arbor and Dr. Robert Murray by proxy, who is in Pearl Harbor. Dr. Robert Bowers represented Dr. Murray. Dr. and Mrs. Laidlaw entertained at dinner preceding the baptism, Dr. and Mrs. Mehaffey and son, Mr. and Mrs. O. W. Laidlaw and Dr. and Mrs. Bowers.

P.E.O. MEMBERS HEAR OF CONDITIONS IN JAPAN

Miss Mary McWilliams was host to chapter AJ, P.E.O., in her home Tuesday evening, December 11, when Miss Margaret Osgood, of Adrian, recently returned from three years in Japan, was the guest. She is a former member of the chapter in Philadelphia, Pennsylvania. Miss Osgood entertained the 35 members and guests with a vivid description of her work in Japan, which included setting up schools for soldiers and for officers' children. She also did much personal work among the families of married soldiers at the four military camps where she was employed. Japan was described as extremely crowded, with more than ten times as much population to the square mile as in the United States. The inhabitants are intelligent and capable and very anti-Communist. She also exhibited many objects of art which she brought home from Japan.

Miss Osgood was dean of women of Temple University. Mrs. E. T. Armstrong, Adrian, Mrs. O. G. Barnett of Morenci, and Mrs. Fred Morse, Adrian, affiliated members were guests. Refreshments were served by the hostess.

ADVANCED FIRST AID CLASS TO BE FORMED

S. R. Rost, chairman of first aid for the Lenawee county chapter, American Red Cross, announces that an advanced first aid class will be held shortly after the first of January. Any person who holds a standard certificate is eligible, and registrations should be made at the Red Cross Chapter House, 157 East Maumee street, Adrian. It is very important that registrations be made as soon as possible, so that a central location for the class can be planned.

Don't Let Illness Mar Your Holiday

SHOP LEISURELY, DON'T GET TIRED, PROTECT YOUR HEALTH

For holiday health and happiness, do your Christmas shopping leisurely, the Michigan Department of Health urged today.

More colds and accidents occur during December than in any other month.

One of the surest ways to catch cold is to mill around in coughing crowds in stores until you're overheated and all tired out and then go out into stormy weather, get your head and feet wet and yourself thoroughly chilled.

One of the surest ways to get hurt is to shop until you're worn out, load yourself with packages so that your vision is obscured and both hands full and then hurry down stairs, rush through downtown traffic, run for a bus or try to keep your balance on icy walks.

Wear sensible comfortable clothes, shoes and boots while shopping. Carry all your bundles in a shopping bag or basket or have them delivered. Cross streets at intersections only and with the light. Don't enter a street from between parked cars. Look before you step out from behind or in front of a bus or automobile.

Quit shopping before you are tired or irritated. It's the preoccupied, weary person or the one who has just had a couple of cocktails to freshen up to whom the accident occurs.

It is healthier and safer to make many short shopping trips rather than a few day-long ones. Plan special shopping trips for the children.

If you must drive in shopping areas, be sure that all your car lights, windshield wipers, defrosters and brakes are in the best working order. Keep an ice-scraper in the glove compartment. Slow down well in advance of intersections. Be especially careful at dusk or during evening shopping hours. Watch out for unwary pedestrian.

Don't let sickness, or accident to yourself or another, spoil your holiday.

CHRISTMAS PARTY

Miss Myrtle Mattis entertained 22 telephone operators of the Michigan Associated office at a Christmas party in her home, Friday evening. Games were enjoyed with an exchange of gifts from under a decorated Yule tree. The rooms were decorated in keeping with the Christmas season and refreshments were served from a table covered with a hand croqueted cloth and centered with a miniature tree and lighted candles.

CHRISTMAS TEA

The annual Christmas tea of the Tecumseh Garden Club will be held Friday afternoon from 2:30 to 4:30 at the home of Mrs. Edward Boss on West Pottawatamie street. The assisting hostesses are Mrs. L. W. Larsen, Mr. H. Kelso, Mrs. R. J. McCoy, Mrs. W. Mast and Mrs. O. W. Laidaw.

If its news call The Herald.

Take Care

(Continued from page 1)

Dear Santa—Please may I have a doll for Christmas? Also some doll furniture. If you have any extra toys I would like a toy stove too, and a record player. My little sister would like a rubber ball, a nice doll that will not break, a nice doll stroller would be nice too. Pease come and visit us before Christmas. We are good little girls most of the time. We love you—Sheila Kay and Beth Anne.

* * *

Dear Santa Claus—How are you? I am fine. For Xmas I want a baton, a Cinderlela wrist watch, a headlight. Sheila Rae.

* * *

Dear Santa—I would like a army shirt and pants and I would like a signal set and a black cowboy hat. I want them because every time my friends do something I havent got anything play with so do you see why I want them.
Thomas Paul

* * *

Dear Santa Claus—My name is Billy and I have a sister named Patricia. We have been good children this year. I would like a remote control car, a gun and holster set, typewriter, house building blocks and Patricia would like a iron and a dolly with real hair and a bathinette. I am seven and Patricia is four. I hope you like the cherry pie we leave for you every Christmas. Merry Christmas, Billy and Patricia.

* * *

Dear Santa—I want a moulding set and a army set for Christmas. A Merry Chrishmas an Happy New to you and your Evel's. Your truly, Donald Lee.

* * *

Dear Santa—How are you? I am fine. I would like a nurse set and a ket. Boingo, monopoly games. If you have a cowboy suit for my sister. And a hoppy horse for Tommy. Lots of love, Sharon Lee, Good by, see you next year.

* * *

Dear Mr. and Mrs. Claus—I have been a good little girl. I want a Toni doll and a cowgirl suit with all the works, rope hat and everything. I want a clay kit to make things out of. Read this song I wrote for you. Santa you are jolly, With your great big bag. Santa you are jolly. I want a toy wheel barrow. Dianne. Santa up on the housetop watch out for the T.V. aerial.

Dear Santa—How are you and Mrs. Santa? We are all pritty good here, except Petunia and she is lost. We looked everywhere and can not find her. I am trying to be a good boy and have started to go to Sunday School and like it fine. Anything you can bring to me will be fine. These are the things I like best in the stor windows: drum set, pingpong gun, electric train, boxing gloves and a car and truck. Please, Santa try to find all the children in Korea, they had to leave there homes and we feel so sorry for them and want them to have a Christmas just the same! Merry Christmas, Bobby.

WIT AND WISDOM CLUB ENJOYS YULE PROGRAM

The Wit and Wisdom Club held its annual Christmas party in the Baptist church parlors Monday evening, with a potluck supper at 6:30. Some 40 members and guests enjoyed the dinner. The tables were decorated with frosted cones, candles and yuletide greens. The host and hostesses were Mr. and Mrs. Glenn VanDenbergh, Mr. and Mrs. F. E. N. Thatcher and Mr. and Mrs. F. P. Sheldon.

After the dinner Mr. VanDenbergh led the group in the singing of Christmas carols. Miss Ardis Drewyor, accompanied by Mrs. Herbert Dillon, entertained with two whistling solos, "O Holy Night," and "White Christmas." Mrs. Fred Dickinson gave a reading, "Christmas Every Day." After the program a carol was sung and white elephant gifts were exchanged.

The January 7 meeting will be held at the home of Mr. and Mrs. O. W. Laidlaw, assisted by Dr. and Mrs. H. H. Loveland. Faye VanValkenburg will be in charge of the program and the topic will be "Explorers."

MARRIED IN ANGOLA

Mr. and Mrs. A. L. VanWinkle of Ann Arbor, sister of the groom, announce the marriage of their daughter, Marilyn, to Ronald Rossman, son of Mr. and Mrs. C. C. Rossman of Lansing. The wedding took place at the Chapel in the Gardens at Angola, Indiana, on December 1, 1951. They were attended by Mr. and Mrs. Robert Nixon.

Marilyn attends Michigan State College and will graduate in March. She is a member of Delta Zeta Sorority. Mr. Rossman is a graduate of Michigan State College, class of 1950. He is affiliated with the Delta Sigma Phi fraternity. They will make their home in Lansing after the holidays.

LOCALS AND PERSONALS

Rev. Donald C. Wilson and family are spending several days in Detroit with relatives. He will return December 23 for the Sunday morning service at the Presbyterian church. The Wilsons will sail December 29 for Edinborough, Scotland, where he will spend a year at Edinborough University.

Merry Christmas

Churches Ready

(Continued from page 1)

places for the communion service. At this time the session has authorized a special offering to go toward the church's share of the CROP quota.

The annual Christmas program of the Tecumseh Friends church school was held Monday evening. The committee in charge included Mrs. Raynor VanValkenburg and Walter Weimer. John Kelley, superintendent of the junior department, was the announcer. Christmas carols were sung by the group and there was an accordion solo by Paul Gove. Others taking part were Sue Ann Hammack, Donald Baird, Charles Randolph, Carol Campbell, Joyce Randolph, Judy Weimer, Georgia Meads, Carol McClure, Mary Gordon, Richard Meads, Eugene Verrier, Sharon Martin, Jane VanValkenburg, Ziga Fremanis, Karen Kelly, Rudida Fremanis, Marjorie VanValkenburg, Jane Harsh, Linda Kelly, Peggy Robinette, Sharon Muhn, Joan Robinson, Ann Kempf, Astride Fremanis, Marjorie Chase, Gloria Sweet, Brenda Hannah and Philip Radant. The Rev. Edward Escolme showed two Christmas movies. After the program candy canes and pencils were distributed, and light refreshments served. Members of the Cradle Roll had their Christmas program in Escolme Parlors of the church on Tuesday evening.

Sunday, special Christmas services will be held at the Friends church both morning and evening, with special music by the choir.

The Baptist church school Christmas program was presented Wednesday evening with Mrs. Kenton Hunt, organist, opening the program with Christmas carols. The presentation and dedication of White Christmas Gifts was by the Rev. B. O. Bashore. The beginners department with Mrs. Anna Grigg, teacher, opened the program with songs; kindergarten I Mrs. Cecil Fielder, teacher, with a tableau; recitations were by the kindergarten and primary groups, Mrs. Harold Harper and Mrs. Donald Creger, teachers, and there was a playlet by the primary group, with Mrs. Harold Davidson, teacher. Songs and drills were by the primary class, Mrs. Bashore, teacher, and Nancy Smith gave a recitation. The juniors sang three numbers with Richard French, soloist. Mrs. Faye VanValkenburg, Mrs Llewellyn Sisson and J. D. Cook are teachers of the junior classes II, III and Intermediate.

Sunday evening, December 16, a Christmas program was presented at the Methodist church. Mrs. Arthur Swartz, music director, sang a solo and three Christmas stories were told by the Rev. Ronald Brunger. Mrs. Maynard Mulvany gave a reading.

The Methodist's Christmas service will be held at 11 a.m., on Sunday, the junior choir, and the Wesleyan Singers will sing. The sermon subject will be, "Good Tidings of Great Joy."

The Christmas story will be told through song, recitation, drama, fellowship and fun in the sanctuary of the Tecumseh Methodist church next Sunday evening by the Church School. The parents are asked to have the children in their class rooms at six-thirty o'clock. There will be fifteen minutes of Christmas music in the sanctuary for the pleasure of the congregation at six-forty-five and then, promptly at seven, there will be a processional of the little children, their teachers, and all who will appear on the program including the three choirs, namely, the Juniors, the Wesleyan Singers and the Chancel Choir.

The program will be given in three parts. The first will be devoted to songs and recitations within the realm of the beginners, kindergarten, and primary groups under the direction of Mrs. T. Rentschler, Mrs. Clifford Deaner, Mrs. Victor Peterson, Mrs. Richard Beemer, Mrs. Francis Packard, Mrs. Jay Callihan, Mrs. Herbert McClure, and Miss Bertha LaPointe.

The second part will be the worship service when the Christmas story will be read from the Bible and then interpreted through a play, "The Child Face of a Star," which will be given by the Junior and Intermediate departments assisted by the choirs with Mrs. Albert Schwartz directing the music and Mrs. George Anderson in charge of the play. Other teachers in those departments are Paul Hadsell, Mrs. John Cameron, Mrs. Robert Bonner and Aden Mead.

The third part will be fellowship and fun around the lighted tree. The congregation will sing familiar carols and a visit from Santa Claus is anticipated. The invocation and benediction will be given by Rev. Ronald A. Brunger and some of the youth will act as ushers. The church board of education with Mrs. Lenore West as church school superintendent cordially invites all who are interested to attend this program.

The Methodist Children's Home at Redford, Michigan, will be remembered through the special offering.

A&P

A Merry Christmas
From All Of Us To All Of You

At this season of the year, this is our sincere wish for everyone. May you have a Merry Christmas, the happy companionship of loved ones, the warm fellowship and understanding of friends. May the New Year hold for you a full measure of happiness.

Indians Humble

(Continued from page 1)

the first contest on the local court.

The battle with the neighboring Redmen was lopsided throughout and at halftime the board read 34 to 17 in favor of Tecumseh. John Sisson was the high scoring man, running up 23 points.

It was Clinton's second loss in two starts in the LCAA race. However, the Clinton reserves won their game, 36 to 32.

In the opening game of the season, Tecumseh traveled to Morenci on December 12 and won from the Bulldogs, 52 to 41. Both teams scored 11 points in the first quarter but in the second period the Indians chalked up 13 points to Morenci's eight. In the first stanza of the second quarter, despite a desperate try by the Bulldogs, Tecumseh marked up another 17 points to their opponents' eight. In the last quarter, the Indians scored 11 points while Morenci, in a final rally, chalked up 14 markers.

The reserve game went to Morenci, 50 to 30.

The Indians will play their next home game of the season here on January 8, Tuesday following the regular Christmas-New Year recess.

HERRICK MEMORIAL HOSPITAL NOTES

Born, December 13, to Mr. and Mrs. Homer Dermyer of Tecumseh, a daughter.

Born, December 14, to Mr. and Mrs. Edwin R. Gove of Tecumseh, a daughter.

Born, December 15, to Mr. and Mrs. Donald Brazee of Tecumseh, a daughter.

Born, December 18, to Mr. and Mrs. Darwin Harvey of Tecumseh, a son.

Those discharged from the hospital December 12 were, Mrs. William H. Williams of Tecumseh, Mrs. Gayle Fisher and son Thomas of Tecumseh, Harry Walker of Ann Arbor and Mrs. Carl Henning of Britton.

Those discharged December 13 were, Lester Reed of Tecumseh, Valentine Prochaska of Deerfield, and Mrs. Homer Walter of Manchester.

Mrs. Peter Knight and daughter of Tecumseh and Josephine Hough of Manchester were discharged December 15.

Those discharger December 16 were, Mrs. Joseph Metzger of Tipton and Larenzo Reynolds of Detroit. Gregg Hensen of Tecumseh was discharged December 17.

LOCALS AND PERSONALS

Sgt. and Mrs. Dean Skinner are spending 15 days with his parents, Mr. and Mrs. Verdi Skinner. Sgt. Skinner has completed his schooling at Fort Benning, Ga., and will return to his former station at Sault Ste. Marie.

Mr. and Mrs. Don Norris and family have moved to the Robert Martin house on Mill street.

Avoid Tragedy Over Christmas

STATE POLICE WARN THAT HOLIDAYS ARE MOST DANGEROUS SEASON OF THE YEAR

The twin evils of the holiday season—traffic accidents and fires—have brought a plea for safety from State Police Commissioner Donald S. Leonard, who is also state fire marshal.

"Carelessness brings tragedy into many homes during the holidays," Leonard said. "A pall is cast over what is supposed to be the happiest time of the year."

Leonard pointed out that Michigan is now completing the worst traffic year in its history and December is the deadliest month of all.

"Last year," he said, "153 persons were killed in Michigan traffic in December and 44 of them died during the Christmas weekend. This year we have the grim reminder that the one millionth American traffic death will occur probably December 22 or shortly thereafter. Let's hope it does not happen in Michigan.

"It is too late to save 1951 from becoming the tragic year that it is destined to be in our state's traffic history, but it is not too late to save many lives and prevent many injuries. All that is needed is for drivers and pedestrians to observe the safety precautions that they should—and then they should continue to observe them so that 1952 will be a better year."

Leonard said each holiday season is always marked by a number of fires also due to carelessness.

"Lack of caution when decorating a Christmas tree often cancels a much anticipated visit from Santo Claus and instead a fire truck arrives," the commissioner stated.

"Check electric tree lights carefully for loose connections, frayed wires and broken sockets. Be sure circuits furnishing current are not overloaded. If the needles near one of the bulbs turn brown, change the location of the bulb. Always turn off the lights when going to bed or leaving the house. Candles, of course, should never be used.

"Take every safety measure that you can throughout the entire house. Make your home happy and bright for the holidays, but not bright from the light of a destructive fire."

MARRIED IN ANGOLA

Mr. and Mrs. Glenn Pennington announce their marriage which took place in The Chapel in the Garden in Angola, Indiana, at 11 o'clock Saturday morning, December 15. The Rev. Glenn Utterback performed the double ring ceremony.

Mrs. Pennington was the former Edna Swick. She chose as her attendant, her daughter, Miss Jeanne Swick of Detroit. Joseph Castello of Detroit assisted Mr. Pennington as best man.

The bride's gown was of mauve crepe with black accessories. Her corsage was a white orchid. Miss Swick's gown was light blue faille and she also wore black accessories. Her corsage was pink carnations.

Mr. and Mrs. Pennington are both employed at Ford Motor Company, Manchester. They will reside in Tecumseh at 207 W. Killbuck street.

Church Groups

(Continued from page 1)

elected were Dr. Wesley H. Mast, vice president; F. C. Dickinson, secretary, and LeRoy Titley, treasurer. These new officers will be installed at the meeting January 23, when committee appointments will be made and the year's plans discussed. Letters were read from Charles Kemp, who is in Florida for the winter, and from Richard Purkey, stationed in Korea. The service men's committee reported on preliminary plans for sponsoring the Red Cross Mobile Blood Unit when it visits Tecumseh in January to take blood donations for service men in Korea.

Honorary memberships for 1952 were presented to Mr. Wilson, pastor of the church, and the Rev. Garner S. Odell, director of Christian Education of the Synod of Michigan, in recognition of their work. Mr. Odell was unable to be present because of weather conditions.

Mr. Rozelle reported 52 charter members in the Tecumseh chapter of the National Council of Presbyterian Men. Charter memberships will be available until December 31 from Mr. Rozelle, Mr. Titley and E. C. Brandt.

Mrs. Frank Smith, president of the Women's Association, presided at the business meeting and Mrs. John Saling was in charge of devotions. Honorary memberships were presented to Miss Edith Ingersoll, for national missions, and to Miss Rebecca Preston, for foreign mission services.

The Association held an election of offices and the following were re-elected: Mrs. Smith, president; Mrs. Ray Sluyter, first vice, and Mrs. M. R. Blanden, second vice president; Mrs. Wellington Wotring, secretary, and Mrs. E. E. Davis, treasurer. Mrs. Albert Bagshaw was elected corresponding secretary, Mrs. Frederick Dickinson having resigned.

At the close of the evening the two groups met for refreshments, served by Mrs. Walter Pfaus and her committee.

(Continued from page 1)

group participating: a reading, "The Countin," by James Russell Lowell was given by Mrs. Fred Sheldon; "Grandpa Brown and His Thermometer," and "The Family Pocketbook," poetry written and read by Miss Clara Waldron; "Christmas," written and read by Elmer Pocklington; a musical reading "Under the Mistletoe," by Mrs. R. S. Moore accompanied by Mrs. Wilfred Waldron; Elmer Pocklington gave a short talk on the relations of the Indians and the early settlers in this section of Lenawee county; Miss Edith Ingersoll spoke briefly about "The Contributions of the Past Toward the Good of Today" emphasizing two things, namely, education for the many rather than the few and more friendly relations among the churches promoted through several union services during the year. Three exhibits of interests developed in later years were shown—hand weaving by Mrs. Fred Rector, pastel painting by Miss Clara Waldron, and a book of poetry by Elmer Pocklington. Mrs. Bert Kopke who has been giving readings in recent years only entertained with one on "Hard Times."

The group decided to meet again on the third Thursday in January with a potluck luncheon in the Tecumseh Methodist church at twelve o'clock. Miss Lillian Cannon, Miss Ann Carson, and Mrs. Fred Rector will plan the program. All men and women over fifty years of age are invited to attend these meetings.

Having the right-of-way at an intersection won't help much after the undertaker takes over.

Church Benefit Luncheon Is Served By W.S.C.S.

Mrs. Edward Leighton, Mrs. Mertie Waring, Mrs. Walter Hizer, Mrs. Don Cleveland, Mrs. Carl Burch, and Mrs. George Blanchard served a benefit luncheon to the members and friends of the Woman's Society of Christian Service in the Social Room of the Tecumseh Methodist church last week. Records of Christmas music was played during the luncheon.

The president, Mrs. Robert Bonner, presided over the business meeting when reports of the officers and secretaries were heard. Mrs. E. A. Collins led the devotions and Mrs. Lawrence Ward of Milan led the singing of Christmas carols and then interpreted the meaning of "Gold, Frankincense, and Myrrh," the gifts of the wise men, as applied to our everyday lives. Mrs. Ward will be remembered in this community as Irma Herman, one of the Joy-Bringers who used to present musical programs at the Friends church.

Instead of the members exchanging gifts, they brought needed things for the church, one being a new coffee urn given by the Guild Circle and the others being individual gifts. In conclusion the members wrote a chain letter to Mrs. Norman MacNaughton who is at present with her sister-in-law at 3588 38th Avenue, W, Van Couver 13, B. C., Canada.

LOCALS AND PERSONALS

Sgt. and Mrs. Donald Everhart returned to Vallejo, Calif., Tuesday after spending a ten-day furlough with his parents, Mr. and Mrs. Howard Everhart and other relatives in Toledo. Saturday, Mr. and Mrs. Everhart, their son and wife and Mrs. Jessie Brown were guests of Mrs. Everhart's sister and family, the E. L. Martins of Jackson. A pre-Christmas dinner was enjoyed with an exchange of gifts.

CARS ARE DAMAGED

Four automobiles were damaged in two accidents here, Friday and Sunday, due to the slippery condition of the pavements. A car driven by Bert Folk hit a parked car owned by Donald Boomer on E. Chicago, Friday, causing $200 damage. Cars driven by Larry Coscarelle, Tecumseh, and Elwin Bugbee, R. D., Clinton, collided on W. Chicago boulevard, Sunday. Police estimated damage at $150.

Hall-Slater Christmas Party Here This Evening

The regular meeting of the V. F. W. Auxiliary was held Thursday evening in the hall. Plans were completed for the annual Christmas party for members of Hall-Slater Post and Auxiliary and their families, this evening.

Mrs. Harlan Boyes, rehabilitation committee, reported that a Thanksgiving basket was sent to a family locally, Mrs. Boyes also gave her report of the area meeting at Dundee, December 5. The Auxiliary voted $10 to the Cancer Research Fund, $5 to the National Home, for Christmas seals, and to buy Christmas toys for children of two families. They will also furnish the treat of ice cream and cookies for Girl Scout Troop 15, sponsored by the Auxiliary, for their Christmas party to be held at the Scout Cabin, Thursday evening.

After the meeting refreshments were served by Mrs. Ben Hammack, Mrs. Russell Hall and Mrs. Robert Heavener.

Our heartiest wishes for a grand holiday season

HOLLOWAY

Felton—Marine

Mr. and Mrs. John Marine of Holloway announce the wedding of their daughter Marilyn to James Felton, son of Mr. and Mrs. Harry Felton of Parsons, West. Va. The wedding was solemnized December 8 in Auburn, Ind., by the Rev. Trout, pastor of the St. Mark's Lutheran church. The wedding couple were attended by the groom's sister and husband, Mr. and Mrs. Wayne Hebb of Tecumseh with whom the groom had been making his home. The bride was attractive in a two-piece knit suit of purple with black accessories and wore a corsage of lemon colored roses. Mrs. Hebb chose a navy blue crepe with navy accessories.

The bride graduated from Adrian high school in the class of 1950 and is employed at the Michigan Associated Telephone Company in Holloway and the groom graduated from the high school in Parsons, West. Va. in the class of 1950 and has been employed in Tecumseh. A reception was held in the home of the bride's parents in Holloway, Sunday evening, for 40 guests who were from Adrian, Deerfield, Tecumseh, Blissfield and Holloway.

Mr. Felton reported the following Monday morning to the Great Lakes Naval Training Camp in Ill. Mrs. Felton will remain with her parents for the present.

Church News: Holloway Presbyterian Church. Dr. Thomas Rogers, acting pastor. Morning worhsip at 10 a.m.; Sunday School at 11 a.m.

Pfc. Tom Mitchell has notified his parents, Mr. and Mrs. Hugh Mitchell that he landed safely in Fuchu, Japan. He left California aboard the U.S.S. Randall.

Seaman James Felton has notified his wife in Holloway that he will be stationed at Great Lakes Naval Training Camp in Illinois.

Mrs. Carl Wilson of Deerfield is recovering from a recent operation at the home of Mr. and Mrs. John Marine in Holloway.

A public card party was held Saturday evening at the Holloway fire hall.

The Ladies Aid of the Holloway Presbyterian church met Thursday with Mrs. M. T. Fairbanks. Devotions were conducted by Mrs. Laura Stradling and the refreshment committee included Mrs. Rolland Fairbanks, Mrs. Bertine Comfort, Mrs. Gerald Fairbanks and Mrs. Ida Grindstaff. There was a 25c gift exchange.

The Holloway Homemakers 4-H Club met Thursday evening with Mrs. James Mitchell. It was a Christmas party with exchange of gifts.

The Raisin Sewing Circle met recently with Mrs. August Marks with a potluck dinner served to 24 members and three visitors. The table was decorated in keeping with the Christmas season. A social afternoon followed with the revealing of secret sisters and exchange of gifts. The next meeting will be held with Mrs. Dale Mitchell and a box will be packed to send to Pfc. Tom Mitchell in Japan.

Miss Jane Gritzmaker entertained in her home recently 20 guests honoring Miss Elaine Kirk who will become the bride of Donald Phillips on December 27. A scrap book was made and presented to the bride-elect and prizes were won by Miss Marjorie Ott. Miss Patty Hammack of Tecumesh acted as co-hostess to Miss Gritzmaker. Refreshments were served to guests from Adrian, Tecumseh and Ypsilanti.

Mr. and Mrs. Hugh Mitchell and son Ted entertained 20 supper guests recently in their home honoring Mrs. Sam Mitchell who was celebrating her birthday. Guests were Mr. and Mrs. James Derby of Adrian, Mr. and Mrs. Milton Opel and sons, Mr. and Mrs. Ed Mitchell and daughter, Miss Ruth Procknow of Wellsville, Mr. and Mrs. James Mitchell and son and Mr. and Mrs. Sam Mitchell and family of Adrian. The honored guest received gifts.

Mr. and Mrs. Ned Comfort of Bradenton, Fla., have named their infant son, Elwood Mark. Mr. Comfort is the son of Mrs. Bertine Comfort.

Born to Mr. and Mrs. Sidney Sinclair in Herrick Memorial Hospital in Tecumseh, a son.

Aliens Must Register, Local Postmaster Warns

Aliens within the United States must submit current address reports through any U. S. Postoffice during the period, January 1 to 11, F. E. N. Thatcher, acting postmaster here, said today. Under the amended law, any alien residing in the U. S. on the first day of next year, except one in an authorized temporary status, must notify the Commissioner of Immigration and Naturalization at Washington of his current address within 10 days, and during the same period in each succeeding year.

Mr. Thatcher said that forms for making the report will be available at the local postoffice on the first of the new year. Those who need not make such reports are aliens temporarily admitted to the U. S., and who have not overstayed their period of admission, and students whose period of admission has not yet expired and who have not violated any of the conditions of their admission.

Failure to comply with the federal law, the postmaster warned, subjects the aliens, upon conviction, to fines or imprisonment or both.

Her Health in the Scale

"Your wife needs a change," said the doctor. "Salt air will cure her."

The next time he called, he found the Scotchman sitting at the bedside fanning his wife with a salt herring.

ing those people easy with whom we converse.

Chief of Police Urges Extreme Care In Driving

The one millionth traffic fatality in the State of Michigan is expected to occur on Friday, December 21, according to figures released by the Michigan State Police.

Chief of Police M. E. Clark urged extreme care locally in driving, declaring today that Tecumseh has been relatively free of traffic mishaps during the past months. The last mishap that involved serious personal injury occurred here on August 20, he said.

"Let's see if we can't maintain our safe-driving record throughout the balance of the year," the Chief commented.

LEGAL NOTICE

Order for Publication—
Appointment of Trustee.

STATE OF MICHIGAN,
THE PROBATE COURT FOR THE COUNTY OF LENAWEE.

At a session of said court, held at the probate office, in the City of Adrian, in said county, on the 7th day of December A. D. 1951.

Present: HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of EMMA VAN DUSEN, Deceased.

Wilfred Tom Wilson, one of the beneficiaries of said estate having filed in said court his petition praying that Jack I. Hanna or some suitable person be appointed co-trustee of said trust estate in the place and stead of William J. Hanna now deceased;

It is ordered, that Monday the 7th day of January A. D. 1952, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition;

It is further ordered, that public notice thereof be given by publication of a copy of this order, for three consecutive weeks previous to said day of hearing, in The Tecumseh Herald a newspaper printed and circulating in said county.

BERNARD N. WILLIAMSON,
Judge of Probate.

STATE OF MICHIGAN,
County of Lenawee.—ss.
Probate Court for said County.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrian, on the 30th day of November in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of GEORGE J. KEMPF, deceased.

On reading and filing the petition of Charles L. Kempf, administrator of the estate of Andrew L. Kempf, deceased former administrator upon the estate of said deceased, alleging that the funeral expenses and debts of said deceased, and the expenses of administration thus far incurred, have been fully paid, and praying that his final admininstration account may be allowed and for such other order and decree as to this court shall seem proper.

It is ordered, That Monday, the 31st day of December next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

It is ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks, previous to said day of hearing.

Hazel D. Gregg, Probate Register Dec. 20

Smith Pocklington, 78, Ridgeway Farmer, Dies

Smith Pocklington, aged 78 years, died last week Tuesday afternoon on the family farm a half-mile west and a quarter mile south of Britton. It was the same farm on which Mr. Pocklington was born. He had been in failing health for the last six years.

Before ill health forced him to retire, Mr. Pocklington was active in many organizations. When his health failed he was forced to give up most affiliations but retained his membership in the Britton Odd Fellow Lodge.

Survivors besides his wife, Marie, are a daughter, Mrs. Sadie Carothers of Detroit, who has been caring for her father the past two months; a granddaughter, Kay Lynne, also of Detroit; two step-daughters, Mrs. Mary Rice of Battle Creek, and Mrs. Vera Passow of Ann Arbor; six step-grandchildren and five step-great-grandchildren; a brother, Albert, of Onsted; a niece, Mrs. Estella Strong of Melvindale and one step-niece, Mrs. Elsie Cheever of Tecumseh. Also surviving Mr. Pocklington is Newell Brown of Washington, D. C., who had made his home with the family since a child. He is now in the Navy. Mr. Pocklington was preceded in death by a brother, Lafayette; a half-sister, Mary Jane; a step-daughter, Lila Wilson and a step-grandson.

Funeral services were held Sunday afternoon at the Niblack Funeral Home in Britton. Burial was in Ridgeway cemetery.

Ben J. Beasley, assisted by the Rev. Lorne Carter, officiated. An I.O.O.F. service was held. The bearers were Clarence Wagner, George Forsythe, Walter Bird, Jr., Dewey Sturtevant, Ray Suydam and Leonard Exelby.

Cub Scouts Give

(Continued from page 1)

The following awards were made: Thomas Underwood, Clarence Champanois, Michael Tucker, Michael Green and Thomas Barton, Wolf badges; James Dahlke, Wolf badge with gold and two silver arrows; Gary Mueller, gold arrow for Wolf rank; Richard Holdridge, gold and one silver arrow for Wolf rank; Gary Elliott, David Champanois, Gordon Greiman, Ronald Butler, Lion badges; David Holden, Lion badge, gold and 6 silver arrows; Max Smith, two silver arrows for Lion rank.

Den Number 10 under the direction of Mrs. Joseph Sheward, assisted by Mrs. William Underwood sang, "Silent Night," accompanied by Billy Neal. Bobby Neal and Richard Socha of Den Number 10 sang "Frosty the Snow Man," while Joseph Bartenslager portrayed Frosty.

Webelos badges, highest award in Cub Scouting, were presented to Eddie Rozelle and Max Smith. Both boys also received Certificates of Graduation from Cubbing into Boy Scout Troop Number 4.

Bruce Packard and Louis Vargo of Troop Number 4 were presented with warrants to serve as Den Chiefs of Den Number 1 and Den Number 8 respectively. Both boys also assisting with Den Number 2. Service stars for a year's den chief service were awarded to James Dewey, Louis Vargo and Gary Cameron of Troop Number 4 and Harold Robinson of Troop Number 73 who are serving their second year as den chiefs and to Bruce Packard of Troop 4 who is serving his third year.

Lawrence Holdridge, advancement chairman, who was celebrating his birthday, was presented with a Cub Scout pen and pencil set on behalf of the pack by Cubmaster Smith. Mr. Holdridge is working as a member of the pack committee for the fourth year.

The honor den pennant was awarded to Den Number 1 directed by Mrs. Harold Hall, assisted by Mrs. Chester Beach and Mrs. John Curth. The Den had 95% of its Cubs and parents present at the pack meeting.

The evening was climaxed by the arrival of Santa Claus, and the distribution of gifts to parents by the den chiefs and denners followed by the closing in which Gary Hall of Den Number 1 presented the prayer of thankfulness.

There will be no regular den meetings until after the holidays. The den mothers will meet at 1 p.m. on January 8 at the home of Mrs. Wilbur Andrews. The monthly planning meeting for den mothers and assistants and pack committeemen will be held at 7:00 p.m. January 14 at the Baptist church and the next pack meeting will be on January 21 at the Baptist church.

CANDLE LIGHT SERVICE ATTRACTS BIG CROWD

The annual Candle Light Service was presented in the Presbyterian church Sunday afternoon, December 16, at 5 o'clock before a capacity crowd. The church was lighted by candle light and two decorated Christmas trees. Christmas carols by the junior choir under the direction of Mrs. Sam Sisson, and the St. Andrew's choir, under the direction of Robert Peck, were well received by the audience.

LEGAL NOTICE

Order of Hearing

STATE OF MICHIGAN,
County of Lenawee.—ss.

At a session of the Probate Court for said county, held at the Probate Office in the City of Adrian, on the 10th day of December, in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of ROBERT LEE NEAL and WILLIAM EARL NEAL, Minors.

On reading and filing the petition duly verified, of Erma I. Sheward alleging that she is the paternal grandmother of said children and praying for reasons therein contained that she be appointed guardian of the person and estate of said children.

It is Ordered, That Monday, the 7th day of January next, at ten o'clock in the forenoon, be assigned for the hearing of said petition.

It is Further Ordered, That a copy of this order be published in The Tecumseh Herald, a newspaper printed and circulating in said County of Lenawee for three consecutive weeks previous to said day of hearing, and that Robert Neal, father, and Ruby Neal Schmidt, mother of said children, appear in court and show cause if any there be why the petition of said Erma I. Sheward should not be granted.

It is Further Ordered that notice thereof be served upon Ruby Neal Schmidt, mother of said children, at least fourteen days previous to said date of hearing by registered mail addressed to her last known post office address with postage fully prepaid.

BERNARD N. WILLIAMSON,
Judge of Probate.

THE TECUMSEH HERALD

ONE HUNDREDTH FIRST YEAR — NUMBER 21 | TECUMSEH, MICHIGAN, DECEMBER 27, 1951 | FIVE CENTS A COPY

HAPPY NEW YEAR

Husband Is Held In Yule Death

CHARLES E. SEITZ, JR., JAILED IN $20,000 BOND FOR WIFE'S MURDER

Charles E. Seitz, jr., aged 28 years, is being held at the county jail in Adrian in default of $20,000 bail, charged with the Christmas night murder of his wife, Donna, 24, in their home at 106 Muscody street, here. Mr. Seitz was arraigned in Justice John Lowe's court in Adrian, Wednesday morning. He stood mute and a not guilty plea was entered and his examination date was set for January 3. He was represented by Attorney Paul Betz. Complaint in the case was signed by M. E. Clark, Tecumseh chief of police.

The shooting, according to police, occurred shortly after 11 p. m., Tuesday evening, after the family had enjoyed a Christmas day party at the home of his parents, Mr. and Mrs. Charles A. Seitz on East Logan street. Also, officers said, the Seitz had entertained company in their home Christmas night, after they had returned from his parents' home.

The murder was the result of a family quarrel, Rex Martin, prosecuting attorney, said. He reconstructed the circumstances prior to the murder in this way: After the family gathering in the afternoon, the Seitz returned to their home and in the evening entertain-

(Continued on page 4)

School Merger Is Considered

DISTRICT NO. 5 EXPECTED TO PROCEED WITH PROGRAM OF CONSOLIDATION

Plans for the consolidation of School District No. 5 with the Tecumseh School District No. 7, immediately following the New Year's holiday, will be continued, it was indicated today. How quickly the merger might be completed, if both districts are willing, has not been announced.

Discussion of the merger was heard two weeks ago when the members of the board of District No. 5, met with the Board of Education of the Tecumseh Public Schools. District No. 5 is located immediately west of the Tecumseh district and extends westward to Billington's Corners.

At the present time, District 5 is sending 99 children to the public schools here on a tuition-paying basis. The district does not operate a school of its own, and the students are brought to the local schools in buses. Tecumseh Acres, one of the village's new subdivisions, is in District 5, and it is from that area that a majority of the students are coming.

(Continued on page 4)

RETURN TO HOMES

Mel G. Partridge and Donald F. Wright, local business men, who had been patients in Herrick Memorial Hospital for several weeks, were removed to their homes here the day before Christmas.

LEG IS BROKEN

Mrs. Ernest Gregory, a clerk in Van's Pastry Shop, fell in the business district Saturday evening on her way home from work, and suffered a double fracture on her left leg just below the knee. Mrs. Gregory was moved to Herrick Memorial Hospital where she underwent surgery, Wednesday.

NOTICE

I will be at the United Savings Bank each Saturday until March 1, 1952, for collection of township taxes, dog taxes and Farmers Mutual Fire Insurance. Will also accept payment by check or money order, mailed to my residence, 211 W. Brown street, Tecumseh. Lawrence Mohr, twp. treas. Adv. 3-52

Tecumseh Gets Thanks For Aid In Polio Fight

Paul Ahleman, chairman of the Lenawee county chapter, National Foundation for Infantile Paralysis, has announced that there has been four cases of infantile paralysis in Lenawee county since January first. The local chapter in Tecumseh, because of the public's fine support of the March of Dimes, last January, has been able to assist in providing care for these and 71 other victims stricken before 1951 in the amount of $52,856.72.

Mr. Ahleman expressed thanks for all who helped in any way for making it possible to continue the fight against the paralysis in the research laboratory, the classroom and the hospital ward. The citizens of Lenawee county have every right to be proud of themselves in this great cause, he said.

Slippery Roads Cause Mishaps

FOUR ACCIDENTS INVOLVING PROPERTY DAMAGE REPORTED TO POLICE

Icy, slippery streets, following last week's snowstorms, were blamed for four property damage accidents by the police. Damage in the four mishaps, officers said, totaled less than $1,000.

The most serious accident happened last Thursday at 11:10 p.m., at West Chicago boulevard and Malden Lane when a car driven by Marvin C. Higgins went out of control and crashed into an ornamental lamp post. Damage to the car was estimated at $150. The lamp post was snapped off and boulevard lights were out of commission for the remainder of the night.

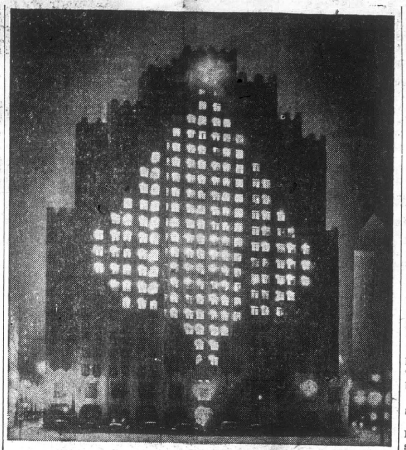
Friday, at Pearl and Pottawatamie streets, cars driven by Robert Meads and Edwin Gove, both of Tecumseh, collided on the ice. damage was estimated at $250.

Saturday at 3:53 p.m., a parked car owned by Alfred Schwede of Tecumseh was struck by a car driven by Charles Patterson of Manchester. The mishap occurred on W. Chicago boulevard. Damage was estimated at $50.

Monday, at 12:30 p.m., cars driven by Clarence Marsh, Morenci, and Norris Morehouse, Tecumseh, collided at Pearl and Kilbuck streets. Damage was estimated by police at $100.

Chief of Police M. E. Clark said that there were many other minor mishaps throughout the village, but in none of them was there property damage or personal injury. Drivers, in the main, the chief said, used extreme caution because of the ice and snow.

DR. ARTHUR H. BROWN'S office will be open at usual hours on Monday, January 7. 1-3



YULETIDE TRADITION . . . Again this Christmas season, as it has annually since 1929 with the exception of the years of World War II, the Missouri Pacific railroad lighted the world's largest Christmas tree. The front of the 22-story general office building in St. Louis, which fronts on Civic Plaza, gives the unique effect of a huge Christmas tree through the turning on of certain lights in certain offices in the large building.

New Year's Party To Be Held At Country Club

Invited guests will be welcome at the annual New Year's eve party at the Tecumseh Country Club, to be held Monday evening, December 31 from 10 p.m., to 3:30 a.m. A buffet luncheon will be served from 1:30 to 3:30. Reservations were necessary not later than Wednesday.

The committee in charge of the party is made up of Mr. and Mrs. Joseph Lane, and Mr. and Mrs. Paul Dunham of Clinton. Mrs. June Green, Mr. and Mrs. Donald Nixon and Mr. and Mrs. Orville Laidlaw of Tecumseh.

Local Resident Burned In Home Gas Explosion

Ronald Brown, 22, of 218 East Kilbuck street, suffered burns about his face and hands, last Thursday afternoon when he was the victim of a gas explosion in his home. Firemen, who were called, said that Brown was attempting to change a connection on a bottled gas stove, without shutting off the gas, when the explosion occurred.

Mr. Brown was removed to Herrick Memorial Hospital for treatment and was a patient there until Saturday. The Brown house was damaged very little by the fire, it was said.

Red Cross Bloodmobile Coming Here, January 21

Mrs. Vincent Haight and Mrs. L. W. Larsen, co-chairmen of the local Red Cross, have announced today that January 21, 1952, has been set as the date for the Red Cross Mobile Blood Unit to visit Tecumseh. Residents who can are asked to donate one pint of blood each for the service men in Korea.

Volunteer cards will be available for distribution at the January meeting of many local organizations.

CASH FOR EMPLOYEES

A total of $16,743 in cash Christmas gifts were distributed to employees of the Kroger company in this area, Carl Fuller, Toledo branch manager announced today.

Approximately 23,000 store, warehouse, office and manufacturing plant employees of the retail food company in 19 southern and midwestern states received the cash Christmas gifts.

The checks with a Christmas message from Joseph B. Hall, Kroger president, went to every employee with six months or more service with the exception of those who participate in a company incentive plan. Incentive plan checks will be distributed early in 1952.

CONVEYOR IS DAMAGED

A conveyor line at the Tecumseh Products Co., caught fire, last week Wednesday at 5:20 p.m., causing some damage. The local department responded to the call.

ST. LAWRENCE WATERWAY, BETTER ROADS "MUSTS" FOR THE NEW YEAR

Gov. Williams Sees Serious Problems Facing State In Year 1952

By G. Mennen Williams
Governor of Michigan

LANSING—The year 1952 will be a year of decision for Michigan. We face very serious problems. Upon the solution of those problems will depend the future prosperity and happiness of our people.

At the same time we have a great opportunity. If we meet our problems with courage and good will, we can build here in these two peninsulas, a standard of living which will surpass anything the human race has ever experienced.

* * *

BUILD MICHIGAN: If I have anything to say about it, 1952 will be a year of building.

I don't mean only physical building of brick and stone. Our state needs plenty of these if we are to meet the growing problems of our population which has expanded by more than 21 percent in the last ten years. And we have a gigantic construction program under way.

But physical buildings are not enough. We need to build our public services, such as our state police. We need to build our legislation to fit the problems of a new day. We need to build our educational system so it will, in turn, build better standards of citizenship among our children. We need to build our defenses against enemy attack—our civil defense system, our industrial productive capacity, and our will to defend our liberties.

In all these ways, and many others, 1952 must be a year of building Michigan.

* * *

SEAWAY: Typical of the huge problems we face is the St. Lawrence Seaway. We must build the Seaway. If it is not built, we run a serious risk that our great centers at the foot of the Lakes may no longer be the center of American industrial production. We may very well see a shift of industry from the Great Lakes area to the Eastern seaboard, closer to the new sources of iron ore in Labrador and Venezuela.

If, on the other hand, the Seaway is built, ocean vessels carrying iron ore and every other product of world trade, can come directly to our Michigan ports. So the Seaway is very definitely a part of our program to build Michigan for the future.

* * *

OTHER PLANS: During 1952 we must carry our great mental hospital construction program forward without delay. We must build our tuberculosis sanatorium system to meet our expanded needs. We must go as far as we can, in view of material shortages, to build the Mackinac Bridge. We must build our educational system so our children will have at least as good an opportunity as our fathers provided for us.

And I intend to make it my business to see (inosfar as I can) that roads are built with the extra millions which are flowing into the highway fund from the increased gas tax.

* * *

FINANCES: To build Michigan, we will have to get the red ink out of our state treasury. Some years ago the people decided that 7$ cents of every dlolar collected in sales tax should be turned back to local community purposes, particularly to the schools.

The Legislature has never faced up to the problem which this decision created. It has continued to appropriate more money than we take in, and has failed to provide additional revenues to meet its authorized expenditures.

As a result, the Auditor General says our State General Fund is now more than $41 million in the red, and going deeper in the hole every day.

* * *

LOCAL AIDS: Last week I sent a special message to every member of the Legislature. I pointed out that the State will have to spend, for the benefit of local communities, nearly $22 million dollars more during the next fiscal year. Most of this added cost (about $18 million) results from the automatic operation of the Sales Tax Diversion amendment, and neither the Governor nor the Legislature can do anything about it. It's an automatic provision written into the State Constitution by the people themselves.

All of this means that 1952 will be a year of decision for the Legislature. It will not be able to delay balancing the budget any longer. In 1952, for the fourth consecutive year, I will recommend that the budget be balanced and the state put on a pay-as-you-go basis.

I hope this time we can all get together on a workable solution—that means one which will NOT involve new taxes on consumers.

* * *

HAPPY NEW YEAR: On behalf of all your public servants in the state government, I want to wish you a very happy and prosperous New Year. May 1952 bring you and your family all the good things of life!

21 Students On "A" Honor Roll

FOUR OF THE NUMBER ARE SENIORS; LONG LIST NAMED TO "B" HONOR ROLL

Only 21 students in the Tecumseh public schools, grades seven through 12, found their names on the "A" honor roll, according to a release made today at the offices of Neville Hart, principal. There was a long list of "B" students, however.

The "A" roll lists these students: 12 grade: James Breitenwischer, Robert Kruger, Nita Spangler and Richard Whelan. 11th grade: Irma Brollier, Diane Dillon, Lorissa Peotter, Joan Pfaus and Marian Titley. 10th grade: Marie Boyce, Grace Moore, Mary Nixon, Patsy Purcell and Tom Will. 9th grade: Philip Young. 8th grade: Betty Day, Shirley Larned and Beverly McClain. 7th grade: John Naser, Nicky Toubog and Judy Whiting.

The "B" grade students, by grades, follows:

12th grade—Sally Bale, Ileen Beach, Alfred Born, Donna Burleson, Nadine Carney, Alice Chapman, Janet Erhart, Car Freckleston, Ruth Goodacre, Robert Hall, Barbara Handy, Larry Hart, Beverly Hay, Ruth Havens, Joan Hindes, Joan Judd, Fred Long, Robert Marsh, Marjorie Martin, Beverly McLaury, Truley Ogden, Jennie

(Continued on page 5)

No Need For Dreaming About White Christmas

Folk in Tecumseh and Lenawee county didn't need to dream about a white Christmas.

It was white, because a seven-inch blanket of snow fell over southern Michigan, Christmas eve, and as result of drifts, roads, during the early morning hours of Christmas day, were next to impassable. Plows, by noon time, had opened a path in most of the main trunk lines, and in the village a similar procedure was followed. However, traffic was practically at a standstill on the holiday, except for a few brave folk who, with tires well chained, ventured forth.

A majority of the residents here spent most of the day shoveling out from under the snowfall. Appetites were large but not large enough to consume all of the goodies that had been prepared for relatives and friends who were unable to come.

The result: Many folk in Tecumseh will be eating left-overs for some time, and many others will be receiving belated Christmas gifts.

SCHOOL OPENS WEDNESDAY

The Tecumseh public schools will reconvene, after the Christmas - New Year's holidays, on Wednesday, January 2.

Ronald Harris

Harris Quits Chamber Post

SECRETARY OF C. OF C. HERE FOR FOUR YEARS TO ENTER PERSONNEL WORK

Ronald Harris, secretary of the Chamber of Commerce here, announced on Wednesday that he has resigned his office, effective January 1. Mr. Harris will enter public relations and personnel work in Michigan, but he said that the announcement regarding his new position would be made by his employer, probably soon after the first of the year.

Harris came to Tecumseh as secretary of the Chamber in November, four years ago. Prior to coming here, he was secretary of the Chamber in Cadillac for four years and before that, for 18 years, he was a secondary teacher in the Cadillac public schools. He is a graduate of Alma College.

Harris will enter upon his new duties in January. He said, however, that his family would remain here for a few weeks, before moving to their new home.

William F. Wright, president of the Chamber here, said that the board accepted Harris' resignation with regrets. He said that the board would meet soon after New Year's to decide on a program for 1952.

Tecumseh, Ont., Brings Surprise Greeting, Sunday

The Village of Tecumseh received a holiday greeting from its namesake, Tecumseh, Ontario, Canada, Sunday evening, when Mayor Tom Scott and Councilman H. T. Reaume and their wives paid a surprise visit to this village. They brought with them a framed hand-painted greeting, and presented it to Mayor J. Floyd Elliott and Ron Harris, secretary of the Chamber of Commerce.

The Ontario party was welcomed by Mayor Elliott, Mr. Harris and his wife, Mr. and Mrs. Clarence Beach, and J. H. Rohwede, Archie Porter and Howard Truesdale, members of the council. Dinner at 7:30 was served at the Country Club.

Earlier in the week, Mr. Harris had dispatched a greeting card, designed by Earl Bryan, local artist, to the Ontario town. Signatures on the Tecumseh, Michigan, card included the Village Council, the Chamber of Commerce, the Y. F. W., and Rotary and Exchange Clubs.

BURIED IN PALMYRA

Funeral services for Mrs. Emily Fluhrer, who died Monday, December 17, at the home of her daughter, Mrs. Clarence Hunt, were held Thursday afternoon at 2:30 in the Palmyra Presbyterian church. Mrs. Frances Fry was the soloist. The Rev. Edward Esocime officiated and burial was in Palmyra cemetery. The bearers were Charles Allen, Thomas and Herbert Murphy, Glenn Simmerson, Roscoe Hewlett and Leonard Langthorne.

NO ROTARY MEETINGS

Because New Year's Day next week is on Tuesday, the regular Tuesday dinner meeting of the Rotary Club has been cancelled. No meeting was held this week because Tuesday was Christmas Day. The next regular meeting of the club will be on Tuesday, January 8.

Town May Build Disposal Plant

HIGH BIDS BY CONTRACTORS MAY FORCE VILLAGE TO DO THE JOB ITSELF

High bids on the part of contractors for the building of Tecumseh's proposed new sewage disposal plant may force the village to attempt to do the job "on its own," in an effort to avoid the inflationary trend, it was learned today. A meeting of the members of the Council with architects and engineers probably will be held soon after the first of the year, when a decision will be reached.

Consulting engineers, hired by the village, originally estimated the cost of the proposed new plant and the necessary interceptor sewers at $285,000. It was on this basis that voters, in October, approved a bond issue in a similar amount. The issue was sold a week ago at a interest rate of 1.9%

The actual transfer of the bonds will come on New Year's day and, according to E. C. Hellman, chairman of the Council's sewer committee, the money will be invested by the village at an interest rate equal to or higher than the one that Tecumseh is paying. Short-term bonds will be bought, so that the money will be available as soon as a decision on construction plans can be reached.

It is understood that some members of the council are of the opinion that bids received here, two weeks ago for the construction

(Continued on page four)

Indians Ready For Pittsford

WILL TRAVEL THERE FOR OPENER AFTER HOLIDAY; PLAY BLISSFIELD, JAN. 8

The Tecumseh high school cage team, after winning three games in a row, will travel to Pittsford for the first court game after the Christmas-New Year holiday, on January 4. The Pittsford tilt should not give Coach Runk's men too much difficulty, unless the long rest has slowed them up. However, a win is expected.

The next home game of the season is on Tuesday evening, January 8, when the Indians tangle with the Blissfield cagers. Blissfield is reported to have a fast team this year and may give Tecumseh some difficulty. However, with the advantage of a home court, the Runkmen are expected to chalk up a victory.

The Indians won their third straight game of the season last week Tuesday by defeating Hudson on its own floor, 42 to 34. It was a fast game—Hudson has a good team—but the Indians turned the tilt into victory in the last few minutes of play.

Previously this year, Tecumseh has defeated Clinton and Morenci. The Morenci score was 52 to 41, and the Clinton contest, 65 to 18.

Followers of the game here predict a pennant win this season for the Indians. Tecumseh has always produced a fast cage team, they say, and this year's players are no exception.

Gets Jail Term

CHRISTMAS EVE DRUNK DRIVER SENTENCED TO 10 DAYS IN COUNTY JAIL

Ernest LeBarron, So. Adrian street, was sentenced to spend 10 days in the county jail in Adrian, and to pay a fine of $50 and costs of $8.60, Wednesday morning, when he was arraigned before Justice Robert French, charged with drunk driving.

Police arrested LeBarron about 9 p.m., Christmas eve, following an accident on West Pottawatamie street, in the 200 block. Officers say that LeBarron's car struck two parked cars, owned by Tom and Norbert O'Hara. Damage to the O'Hara cars amounted to about $700 and to LeBarron's car about $300.

Albert Barnes, jr., a passenger in LeBarron's car, suffered cuts to his head and arms and was removed to Herrick Memorial Hospital for treatment.

THE TECUMSEH HERALD

EARL L. WICKWIRE, Editor and Publisher

Lenawee county's oldest newspaper. Established in 1850. Member, Michigan Press Association.

Published every Thursday morning. Offices at 127 West Chicago Boulevard, Tecumseh, Michigan. Telephone 476. Entered at the Post Office at Tecumseh, Michigan, as second class matter. Subscription rates, $2.00 per year, payable in advance. Advertising rates furnished on application.

ADVERTISING NOTICE! The Tecumseh Herald will use every effort to see that all advertising copy is correctly printed. The publishers assume no financial responsibility for typographical errors in advertisements but will gladly reprint without charge any part of an advertisement in which an error may occur.

Happy With Lenawee's Road Maintenance?

The Lenawee County Board of Supervisors, at its January session, probably will be hearing complaints by the dozens regarding the winter maintenance job that the County Road Commission has been doing on some of the Lenawee highways, particularly county roads. Not by any stretch of the imagination could the job be called good, and in some instances it appears that no effort was made on the Commission's part to open even a "cow path" through the snow for the convenience of motorists.

If the Supervisors receive a grist of complaints, we already can anticipate the Commission's answer. It will be the same as the one we have heard in years past, and probably will be hearing for years in the future unless some change is made in the Commission's personnel. Each year, when the county experiences a heavy snowfall, or two or three snowstorms within a week or 10 days, the Commission jumps to its own defense by pleading a lack of finances, inadequate equipments, or a lack of manpower.

Our memory fails to record an instance when the County Road Commission was "set" for anything. In the winter time, when snow, sleet and ice are a problem, the Commission always has an excuse for a poor maintenance job. Summer and Fall, when roads are filled with holes and traffic is heavy, there are still more excuses. And, as a result of the excuses, Lenawee county motorists are forced to "enjoy" the poorest highway system in Southern Michigan.

Should some readers doubt the truth of the statement, we'd invite them to get into their car now or at any other time, and drive the highways outside Lenawee county. We did that, just a week ago, and it was possible to tell, from the maintenance job that had been done, when we left Lenawee county and entered the adjoining ones.

We realize that we are in a period of inflation, that the dollar doesn't go as far as it did five or 10 years ago, to be sure. But we also realize that other Road Commissions in other counties are up against a similar condition, and that their dollars have to be stretched, too. The thing we can not understand is why other counties can do a better job with a dollar than we can do here in Lenawee county.

We have been of the opinion for some time that the Lenawee County Commission has a lack of knowledge of road building and road maintenance. We have been forced to arrive at the conclusion by years of observation.

Building and maintaining the roads in Lenawee county is a big job. It is a job that involves the spending of hundreds of thousands of dollars of the taxpayers' money, for which the taxpayers are entitled to the best possible roads, both winter and summer, that these dollars will buy. Frankly, we do not feel that we are getting our dollar's worth at the present time.

We very much doubt that Lenawee's road system will be greatly improved until such time as a competent, full-time, engineer-manager is on the job to supervise the work. He must be an efficient man, a man who has the know-how, and a man who can stretch dollars. We do not mean that he should be a penny-pincher, but rather that he should know when, how and where to spend the taxpayers' money. Pouring thousands of dollars into a repair job, when conditions actually call for a piece of new construction, is, in our opinion, just as wasteful as pouring the cash down the drain.

We understand that the Lenawee County Board of Supervisors has little or no control over the Lenawee Road Commission. The Supervisors have the power to suggest, but when it comes to the actual "say so" the Commission is all powerful. It receives its authority under an act of the Michigan Legislature. However, the Board of Supervisors cannot duck all of the responsibility because it is the Board of Supervisors who names the members of the Commission. We have never heard of a board or a commission that is more powerful than the body that created it.

Seriously, we think that it is time that the Supervisors demanded that the Commission name an engineer to supervise the job of building and maintaining Lenawee roads. Perhaps the Commission thinks that such an act is unnecessary, but conditions indicate otherwise. After all, the Supervisors are responsible to the people, and it is the Supervisors who created the Commission's personnel.

In our humble judgment, then, the quickest way to action is for the people to demand that their Supervisors "take the bull by the horns."

Dollars in Lenawee county should buy just as good roads as they do in other counties. And dollars, too, should remove just as much snow here as they do in Branch, Hillsdale or Washtenaw counties.

BRITTON

The elementary grades of the Britton-Macon school presented their Christmas program last Thursday afternoon in the school gymnasium. The junior and senior high program was presented at 8 p.m. Friday in the gymnasium under the direction of music teacher, Richard Lower.

The Methodist church held its annual Christmas family night with a co-operative supper served at 7 o'clock. The program featured the Christmas story, customs of many lands and carols for group singing, all on film. Gift exchange was enjoyed after arrival of Santa who treated all the children.

The Congregational church events of the week include the Christian Duets with a Christmas party held at the home of Mr. and Mrs. Douglas Palmer. Thursday the Dorcas class held a 1 o'clock luncheon and program at the home of Mrs. Willis Palmer. The annual Christmas family night was held Thursday evening with a potluck supper at 7 o'clock for all members and friends of the church.

Mrs. E. H. DuBois has returned home from spending a week with her daughter and family, Mr. and Mrs. Charles Hamilton in Lenard.

Edward Gripton and son of Dearborn were recent guests of Mr. and Mrs. G. L. Gripton.

Mr. and Mrs. Ivan McCarbery and children of Dearborn were dinner guests recently of Mr. and Mrs. Robert McCarbery.

Mr. and Mrs. Chet Godzina and children and Mr. and Mrs. Henry Filter were recent dinner guests of Mr. and Mrs. Warren Filter in Tecumseh. The occasion marked Mrs. Henry Filter's birthday anniversary.

4-H SERVICE CLUB PARTY

The Lenawee County 4-H Service Club held their annual Christmas Party Wednesday, December 26, at the Tecumseh Grange Hall. The party is open to all 4-H and FFA members and parents. Square dancing was from 8:30 p.m. to 1:00 a.m. Refreshments were served. This party was welcome home Lenawee county 4-H members who are in college.

PASTOR'S CONFERENCE

ANN ARBOR—The Thirteenth Annual Michigan Pastor's Conference will be held at the University of Michigan on January 21, 22 and 23.

The conference is open to laymen as well as the clergy and persons interested in religious education. It is sponsored by the Michigan Council of Churches and the University's Extension Service.

Herald classifieds pay dividends dividends.

LOCALS AND PERSONALS

Sunday, Mr. and Mrs. C. W. Gilman entertained at a family Christmas party, Mr. and Mrs. Ben Waltz of Ann Arbor, Mr. and Mrs. Fred Brown and family of Saline, Mr. and Mrs. Lauren Kennedy of Ypsilanti, Mrs. Hazel Brown and family of Milan, and Mr. and Mrs. Roger Ely. After the dinner gifts were exchanged.

Frank Buck spent Sunday with his son and wife, Mr. and Mrs. James Buck of Toledo.

Mr. and Mrs. L. E. Brown are spending two months in California with their daughters, Mrs. James Murray and family in Los Angeles, and Mrs. A. F. Dolan and family in Seattle, Wash.

Mr. and Mrs. Don Goddard have returned to their home at Houghton Lake after visiting Mr. and Mrs. Duane Service and other friends here.

Mr. and Mrs. Rhae Henkel entertained at an open house last Tuesday honoring their son, Ronald Henkel and Jack Gillen, who have been on a 10-day furlough with their parents, Mr. and Mrs. Henkel and Mr. and Mrs. Merton Gillen. The boys left Wednesday for Great Lakes and will be transferred to a new location.

Mr. and Mrs. Roger Ely of Cleveland have been spending a few days with her parents, Mr. and Mrs. Clarence Gilman. Saturday they visited his parents, Dr. and Mrs. G. C. Ely of Montpelier, Ohio. Richard Ely of Indiantown Gap, Penn., and Miss Pat Hammack of Tecumseh are guests of the Elys. Mr. and Mrs. Gilman and their daughter and husband were Christmas guests of the Elys in Montpelier.

Miss Marjorie Wickwire, a teacher in the Blissfield elementary schools, is spending the holidays with her parents, Mr. and Mrs. Earl Wickwire.

Clark Gable and Maria Elena Marques are teamed in MGM's outdoor technicolor adventure, "Across the Wide Missouri," John Hodiak and Ricardo Montalbon co-star. Sun., Mon., Dec. 30, 31 at the Strand Theatre.

Miss Elizabeth Escolme arrived home Saturday from Cleveland to spend the holidays with her parents, the Rev. and Mrs. Edward Escolme. Miss Escolme will resume her teaching duties the first of the year.

Miss Jolene Barron of Michigan State College, is spending the holidays with her parents, Mr. and Mrs. Keith Barron and is assisting in the Wade Jones Insurance Agency during the holidays.

Mr. and Mrs. Leon VanValkenburg of Tecumseh and Mr. and Mrs. Percy VanValkenburg of Adrian left Thursday for a few days vacation in Florida.

Mr. and Mrs. Paul Wolf were in Indianapolis, Ind., over the week-end where Mr. Wolf spoke at the Adventist church concerning his trip to the Adventist Youth convention in Paris, France, last July.

Mr. and Mrs. F. K. Dawson of Arlington, Virginia, have been guests of Mr. and Mrs. Yale Kerby. Mrs. Kenneth Dawson and daughter, Audrea, of Galena, Ill., were week-end guests of her parents. Sunday, Mr. and Mrs. Kerby, their son, Yale, Mr. and Mrs. Dawson, Mrs. Kenneth Dawson and daughter, were in Chicago with Mr. and Mrs. Max Koblish. Kenneth Dawson of Galene joined his family there. Mrs. Koblish is a sister of Mrs. F. K. Dawson.

Mr. and Mrs. Gordon Pearson of Mount Clair, N. Y., spent last week with his parents, Mr. and Mrs. Neil Pearson. Gordon will leave January 2, for Great Lakes where he has joined active Naval Reserves for two years. His wife will remain with her parents, Mr. and Mrs. Bert Mack in Detroit, for the present.

Pfc. Frances Rangel, of the army air force in Wyoming, arrived home Monday for a ten-day furlough with her mother, Mrs. Florencia Rangel and her sister, Mrs. A. P. Lopez. Pfc. Rangel is to report to the Sewart Air Force Base in Tennessee after the Christmas holidays.

Mr. and Mrs. Raymond Kempf entertained in their home Sunday evening at a pre-Christmas dinner and exchange of gifts the Kempf families including, Mr. and Mrs. Norman Kempf, Mrs. Henry Kempf and daughter and son, Miss Mertie and Winifred, and Mr. and Mrs. Henry Kempf.

LEGAL NOTICE

Order of Hearing

STATE OF MICHIGAN,
County of Lenawee.—ss.

At a session of the Probate Court for said county, held at the Probate Office in the City of Adrian, on the 10th day of December, in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of ROBERT LEE NEAL and WILLIAM EARL NEAL, Minors.

On reading and filing the petition duly verified, of Erma I. Sheward alleging that she is the paternal grandmother of said children and praying for reasons therein contained that she be appointed guardian of the person and estate of said children.

It Is Ordered, That Monday, the 7th day of January next, at ten o'clock in the forenoon, be assigned for the hearing of said petition.

It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald, a newspaper printed and circulating in said County of Lenawee for three consecutive weeks previous to said day of hearing, and that Robert Neal, father, and Ruby Neal Schmidt, mother of said children, appear in court and show cause if any there be why the petition of said Erma I. Sheward should not be granted.

It is Further Ordered that notice thereof be served upon Ruby Neal Schmidt, mother of said children, at least fourteen days previous to said date of hearing by registered mail addressed to her last known post office address with postage fully prepaid.

BERNARD N. WILLIAMSON,
Judge of Probate.

Being Ahead Is An Old Hayden Habit

Through the years Hayden's have introduced many advances and services for the farmers of Lenawee County.

Paper Bags are just one example. Yes, 50 lb. paper bags for poultry and stock feeds have made chores much easier—the children can now handle chicken feeding.

Constant advancement in all feeds—being one of the first to include Vitamin B 12 and antibiotics—is indelibly a part of the Hayden record. Hayden's patrons have benefitted and prospered thereby. Hayden's are open 6 days a week—closed Sundays.

HOLLOWAY

Miss Ruth Gallaway of Dallas, Texas is spending the holidays with her parents Mr. and Mrs. Lawrence Gallaway.

Mr. and Mrs. Floyd Graham and son Paul entertained Tuesday at a Christmas dinner with Mr. and Mrs. Floyd Graham, jr. and family of Tecumseh, Mr. and Mrs. Robert Graham and daughter of Adrian and Mr. and Mrs. Clifford Graham of Monroe. Sunday they were all guests of Mr. and Mrs. Clarence Graham of Britton.

Mr. and Mrs. Matt Lunn and family accompanied Mr. and Mrs. Eryl Rainey and daughter of Detroit to Florida where they will spend a few days enjoying the sunshine.

Pvt. Lyle Harper and Pvt. Ronald Harper both of Fort Leonard Wood, Mo., Mrs. Lyle Harper of Metamora, Mr. and Mrs. Dean Schnierla of South Bend, Mrs. Charles Schultz of Dundee, Mr. and Mrs. Harold Richardson and family of Tecumseh and Mr. and Mrs. Glenn Harrison and family of Clinton were Christmas Day guests of Mr. and Mrs. Elmer Harper. Lyle and Ronald will remain for a 10-day furlough.

Miss Mildred Mitchell of Cleveland is visiting with her parents, Mr. and Mrs. John Mitchell and family.

Mr. and Mrs. Carl Gritzmaker and daughter Jane entertained Christmas Day, Mr. and Mrs. Ray Kohler of Monroe and Earl Bennington and family of Holloway. Mrs. Bennington is confined to her home with the mumps. Jane Gritzmaker will return to Ypsilanti after the holidays.

Mr. and Mrs. John Gritzmaker left Saturday morning to spend the holidays with their son and wife, Second Lt. Max and Mrs. Gritzmaker of Mulvane, Kansas.

Mr. and Mrs. Allen Blouch and children of Elk Rapids are visiting friends in and around Holloway during the holidays.

Pfc. Thomas Mitchell is now stationed at the Air Base in Tunsun, Korea.

Mr. and Mrs. Robert DeGroot entertained in their home Friday evening honoring Mr. and Mrs. Richard Calkins and son of Milwaukee, Wisc., Mr. and Mrs. Edw. Calkins of Adrian, Mr. and Mrs. Warren Reed and Mr. and Mrs. Jack Ehlert and family of Palmyra.

Mr. and Mrs. Marshall Drouillard had as their Sunday dinner guests Mr. and Mrs. Guy Phipps and children of Sand Creek and Mr. and Mrs. Harold Miller of Adrian. In the afternoon Mr. Drouillard who has been ill for some time was pleasantly surprised when Mr. and Mrs. Richard Drouillard and daughter and Mrs. Ted Golat and family of Tecumseh, Mr. and Mrs. Frances Sautter and family of Deerfield, Mr. and Mrs. Richard Woller and family and Mrs. Earl Ruttkosky of Adrian came bringing fruit and gifts to him to celebrate Christmas.

Mr. and Mrs. Edward Mitchell and daughter Molly were Sunday guests of Mr. and Mrs. Elmer Struyk of Port Huron.

Mr. and Mrs. Alton Wellnitz and children celebrated Christmas on Sunday with Mrs. S. E. Beaverson of Holgate, Ohio.

Mrs. Virgil Lowery and son Darrell and Mrs. Robert Betz and son Gary celebrated Christmas Sunday in the home of Mrs. Grace Stutzman of near Metamora.

Mr. and Mrs. Claude Walters celebrated Christmas Sunday in their home with dinner for Mr. and Mrs. Herman Happel and children of Saline, Mr. and Mrs. Joe Walters and children and Mr. and Mrs. Norman Kastel of Riga.

Mr. and Mrs. S. J. Forsyth of Detroit are visiting for a few days with Mr. and Mrs. Clark Sinclair.

Dr. J. J. Canfield of Middletown, Ohio, came the last of the week to the home of his daughter and husband, Mr. and Mrs. Sidney Sinclair. Mrs. Canfield who has been here for the past two weeks with her daughter and infant son Craig Canfield returned home with him.

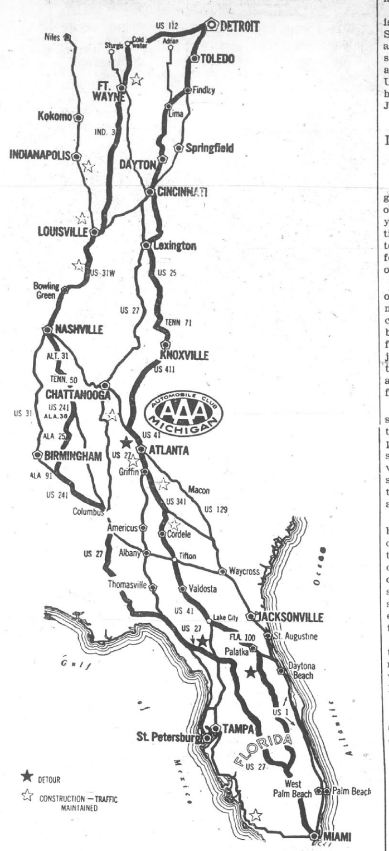
Sunday afternoon callers in the home of Mr. and Mrs. Ken Kopke were Mr. and Mrs. Joe Glenn and children of Wayne.

Mr. and Mrs. Paul Kopke and children and Harry Edwards celebrated their Christmas Sunday in the home of Mr. and Mrs. Wilson Edwards in Toledo.

PLAN EXPLORER TROOP

Alvin Jones, Scout executive of Wolverine Council of Monroe, will be at the Scout Cabin here Wednesday evening, January 2, at 7:30 to explain and help to form an Explorer group troop. All Boy Scouts and boys interested in being Scouts, and who are 14 years old or older, and who are interested in forming an explorer troop are asked to attend. Parents also are urged to accompany the boys.

Thinking About Florida?



Husband

(Continued from page 1)

eed some friends. After they had gone, Mrs. Seitz is said to have advised her husband that she intended to divorce him, and that she would have the custody of their three children. She invited him to get out and to stay out of the home, Seitz told the prosecutor.

According to Seitz's story to Mr. Martin, he went into his bedroom, changed his clothes and then picked up a Sportsman's deer rifle. He fired a bullet through his wife's chest as she was sitting in a chair. Death was almost instantaneous.

After the shooting, Seitz is said to have gone to the home of Wm. Pangborn, (they lived in a garage-house at the rear of the Seitz home), and told them that someone had shot his wife. He asked that they call the police. He said that he had just returned home and had found his wife dead.

Officers, however, reconstructed the story in this way: They say that after Seitz shot his wife he got into his car, taking the gun. This he threw into the River Raisin, near the cement bridge on M-50, and then returned to his home.

The Seitz three children, Charles Lee, 5, Sherry, 4, and Denise, 7 months, were asleep in the house when the shooting occurred.

Seitz was arrested by police in his home, after he had disposed of the gun.

Seitz maintained his innocence after his arrest, Prosecutor Martin said, even after several hours of questioning at the jail. However, at about 6 a.m., Wednesday morning, Martin said, Seitz made a complete confession.

The prosecutor said that according to Seitz's story, he and his wife have quarreled for some time. He told officers after making the confession, according to Martin, that he was confused, that he didn't know why he did it. However, the prosecutor said that Seitz, although feeling sorry, said that he believed that his wife "received what she deserved."

The Seitz's three children are at the home of his parents here.

Seitz, until about a month ago, was employed by his father as a plumber in the firm of C. A. Seitz. In November he and Oliver Heberline opened an automobile body repair shop on US-112, just west of Clinton.

Mrs. Seitz's body was removed to the Collins Funeral Home where an autopsy was performed on Wednesday by a Jackson pathologist. Coroner Ed M. Braun of Adrian was called.

Funeral services will be held from the Collins Home on Saturday at 2:30 p.m. with the Rev. Edward Escolme officiating. Burial will be in Brookside cemetery.

Mrs. Seitz, formerly of Adrian, is a daughter of Mrs. Alta Becker Starkey Hendrickson of Adrian and H. Russell Starkey of Tecumseh. Surviving besides the parents are a brother, Russell, jr., with the U. S. Army in Alaska, and three half sisters, Linda, Jean and Jeanette Starkey.

Discarded Yule Trees Can Benefit The Birds

Your Christmas tree can go on giving service in the true spirit of joy and generosity long after you have demoted it from its station in the living room, according to George M. Sutton, associate professor of zoology at the University of Michigan.

This year, when the holiday is over and the tree is shedding its needles, why not encourage the children to carry it out to the back yard and decorate it with food for the birds? They will enjoy the pure fun of passing on their Christmas riches to the birds at a time when it is especially hard for the birds to procure food.

Of course, you may prefer to stage the birds' Christmas simultaneously with your own. A tree purchased for the birds at the same time you buy the family tree will last throughout the Christmas season. Or you may prefer simply to decorate a small fir tree or bush already planted in your yard.

For ring-necked pheasants and bobwhites a complete corn cob can be placed on the ground or on the lower branches. Cracked nuts, crumbs and peanuts can be placed on small trays and suspended from strings or wires. Wiring, however, should be solid as many birds are easily frightened by objects that tremble.

And when you choose the position of the gift tree, be sure it is not recessed in shrubbery from which marauding cats might creep, Professor Sutton reminds.

School Merger

(Continued from page 1)

Thought of the consolidation came about when James McDowell, superintendent of schools here, let it be known that Tecumseh must enter upon a new building program in the schools if it is to house all of the children who will be knocking at the doors next September for education. At the present time, the schools are crowded to capacity, particularly in the elementary division. Already there is discussion of building a new elementary school on recently purchased property on N. Union street, and the board is looking forward to building another building on S. Adrian street, to accommodate children from that area. An addition of four or five rooms to the new $500,000 high school also is being talked about.

It is expected that as soon as the holiday season passes, the Tecumseh board of education will formulate a building program sufficient to care for the needs of local children for the next six or seven years. Also, at the same time further conferences will be held with the officials of District No. 5 regarding their plans for the merger.

Should the board of District 5 decide upon the merger, and the board of District No. 7 agrees, then, it is understood, the proposal must be submitted to the voters of District 5 for approval. It is not necessary, however, for the voters of District 7 to agree. Action on District 7's part can be taken by the board of education.

FIRE DESTROYS HOME OF FAMILY IN LESLIE

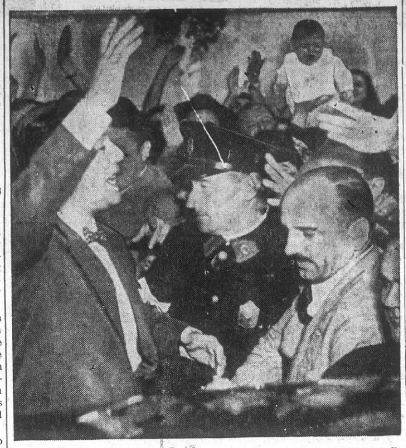
Mrs. Rose Service was notified Saturday that the home of her daughter and husband, Mr. and Mrs. Neil VanRiper at Leslie, was completely destroyed by fire, Friday afternoon, while the family was away. A son, Larry, had returned from school earlier but was at a neighbor's house when the fire was discovered by the older children who were returning from school. The house and contents were a complete loss. Damage was estimated at $10,000, partly covered by insurance.

Mrs. VanRiper was the former Dorothy Service. They have six children, ranging from 10 to 19 years of age. The family lost most all of their clothing. They arrived at the home of her mother here, Sunday.

The woman whose hair is turning gray will be careful in her choice of colors. Darker shades of the colors that have formerly been becoming should be tried.

When the hair becomes entirely white, lighter shades may be worn and many colors which were trying in youth will be found to be most flattering.

Never seem wiser or more learned than the people you are with. —Lord Chesterfield.



SOUR NOTE IN PERON OVATION . . . In Buenos Aires, a very small fry dissenter in background injects a loud and sour note into the festivities as Peron admirers cheer the Argentine president after his election. The infant obviously isn't one bit impressed with the fact that Juan Peron has been returned to office for another six-year term. The Radical party in Argentina said that many of the vote totals announced in the recent election were incorrect and filed protests.

Town May Build

(Continued from page 1)

of the disposal plant can be "shaved down" if the village decides to do its own work. The lowest bid received for the job was about $60,000 higher than the engineers' estimate.

Discussing the contractors' bids, Mr. Heilman said that he believed that the bidders were protecting themselves against further inflation and rising costs of both labor and materials. However, he declared that the village's engineering firm, in preparing the estimates, had allowed for that emergency, and that he could not see any reason for the great variance in the bids that were received.

Heilman indicated that the village might attempt the job itself, and sub-contract a part of the labor. In doing this, the village believes that it can save itself a considerable sum.

Just what action will be taken remains, however, to be seen following the conferences with engineers after the first of the year. Nevertheless, it is very unlikely that the Council will consider boosting the cost of the construction to amounts that contractors already have indicated.

There are so many persons writing "authoritative" dope for the newspapers that commenting columns are getting to be as worthless as casual conversation.

LEGAL NOTICE

Order of Hearing — Probate of Will

STATE OF MICHIGAN, County of Lenawee.—ss.

Probate Court for the County of Lenawee.

At a session of the probate court for the county of Lenawee, holden at the probate office, in the city of Adrain, on the 24th day of December in the year one thousand nine hundred and fifty-one.

Present, HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of CLINTON B. FISK, Deceased.

On reading and filing the petition, duly verified, of Otto B. Feldkamp, praying that an instrument in writing purporting to be the last will and testament of said deceased, may be duly proved and admitted to probate, and that administration of said estate may be granted to petitioner, the executor named in said instrument, or to some other suitable person.

It Is Ordered, That Monday, the 21st day of January next, at nine o'clock in the forenoon, be assigned for the hearing of said petition.

And It Is Further Ordered, That a copy of this order be published in The Tecumseh Herald a newspaper printed and circulating in said county of Lenawee, for three consecutive weeks previous to said day of hearing.

BERNARD N. WILLIAMSON
Judge of Probate.

Routes Good To Sunshine State

AUTO CLUB, HOWEVER, WARNS OF "SQUEEZE" BY GAMBLING JOINTS

There's good news for Michigan's Florida-bound motorists this season—and a warning, too.

Aside from minor detours, all Florida routes will be free of major construction activity all winter, says Harry N. Rogan, travel manager of Automobile Club of Michigan.

The warning, as Rogan puts it, is this: "Don't let southern citrus juice stands which front for illegal gambling operations put the 'squeeze' on you."

Auto Club has received a number of complaints from members citing these tourist-traps. The "squeeze" always starts with an offer of a second drink of juice free—followed by an invitation into the back room where they're rolling the dice "just for fun."

A score of different routes into the Sunshine State are in good shape. The ever-popular "direct connection," which includes 100 miles and scenic mountainous driving, runs through Cincinnati, Ohio; Lexington, Ky.; Knoxville, Tenn.; Atlanta, Ga.; and Lake City, Fla.

The western route, which is gaining rapidly in popularity, includes no mountainous driving and thus if favored when roads are icy. It is about 100 miles longer than the direct connection, but is only 35 minutes longer in actual behind-the-wheel time, say Auto Club road reporters. It runs through Fort Wayne, Ind.; Louisville, Ky.; Nashville, Tenn.; and Columbus, Ga.

Either route takes Michiganians to Miami in four days, St. Petersburg and Tampa in three and one-half days and Jacksonville in three days at a driving rate of 375 miles per day.

Accommodations in Florida vary more widely in price than ever before, says Rogan, due to the completion of thousands of new rooms in tourist courts, hotels, resorts, and motels during the past year. Older accommodations in some cases will be slightly lower in price than last year. The newest places will be more expensive. Seaside rooms for two will cost from $80 to $130 per week during the season, while cities not on the ocean offer apartments and houses for $80 to $150 per month. "The sun shines just as regularly inland as it does on the ocean," says Rogan, "and economy-minded folks will do well to remember there's usually a swimming pool in Florida's inland cities."

A family of four planning a fast drive to Miami and return will find their round-trip traveling expenses, including car, meals and overnight accommodations, will cost about $236.60. A couple driving to St. Petersburg or Tampa and return will spend about $162.50 on the road. And a couple visiting Jacksonville will spend about $129. These costs are "on-the-road" expenses only, Rogan points out, and do not include expenses of staying in Florida.

Speed traps are on the wane in the southland, but Rogan warns against the occasional one that pops up each winter. Easiest way to guard against traffic tickets is to observe the following "open highway" speed laws: Ohio, Indiana and Georgia: 50 mph; Kentucky and Florida: 60 mph in daytime, 50 mph at night; Tennessee: stated only as "reasonable and proper."

LOCALS AND PERSONALS

Sgt. John H. Kopka arrived home Sunday morning after serving two years overseas, 15 months in Korea. He will spend several weeks leave with his parents, Mr. and Mrs. John Kopka. January 29, Sgt. Kopka is to report to Presque Isle, Maine.

Mr. and Mrs. Robert McKee have purchased the house of Mrs. Hazel Coller on North VanBuren street.

Miss Margaret VanDenbergh of Grand Rapids is spending the holidays with her parents, Mr. and Mrs. Glenn VanDenbergh.

Mr. and Mrs. Edward Leighton have received word of the birth of a son, Thursday, December 20, to Mr. and Mrs. Larry Kendall of Allen Park, in Wyandotte hospital. Mrs. Kendall is the former Jane Leighton.

The condition of Amos Wilson, who was seriously injured in an automobile accident several weeks ago on the corner of Murphy and Pennington roads, continues to show much improvement. The Rev. and Mrs. Edward Escolme called on Mr. Wilson Saturday in University hospital. Lynn Wilson, son of Amos Wilson, arrived home Thursday from Germany.

Mrs. Charles Mosher and daughter, Janice, of Cleveland, spent Saturday and Sunday with her parents, Mr. and Mrs. Carl Cox and Miss Mabel Lockwood.

Mr. and Mrs. John DeFoe of Memphis, Tenn., spent the holidays here with her mother, Mrs. Earl Lindsley, and also visited her sister, Mrs. Jack Harrison and Mr. Harrison in Clinton.

Chief of Police and Mrs. M. E. Clark and their daughter spent the Christmas holiday in Lansing and Jackson with their parents.

Mrs. and Mrs. Paul Maves and sons, Douglas and Kenneth spent Christmas Day in Detroit with Mrs. Maves brother and family, Mr. and Mrs. Wilfred Stoscup.

Mr. and Mrs. Tracy Arnold and daughter of Port Wentworth, Ga., are spending the holidays with their parents, Mr. and Mrs. Thomas Hamilton and Mr. and Mrs. Frank Arnold.

Christmas Day guests of Mr. and Mrs. Carl Glancy were Mr. and Mrs. Donald Rutledge and son Gary of Toledo, Mr. and Mrs. Frank Creger and son, Jimmy, and Leslie McNair and Duane Fosbush of Adrian.

Mr. and Mrs. William Keifer of Rockford, Ill., will return home Friday after spending a week with her mother, Mrs. Karl Schneider.

Mr. and Mrs. Donald Filter and children of Celina, Ohio, spent Christmas with their parents, Mr. and Mrs. Bert Filter and Mr. and Mrs. Harold Anderson.

Kenneth Maves of Western State College, Kalamazoo, is spending the Christmas holidays with his parents, Mr. and Mrs. Paul Maves. Pvt. Donald Maves called his parents early Christmas morning from Seattle, Washington.

Mr. and Mrs. Louis Schneider entertained at a pre-Christmas dinner Sunday, Mrs. Karl Schneider and son, Karl, Miss Eileen Lewis of Ann Arbor, Mr. and Mrs. William Keifer of Rockford, Ill., and Mr. and Mrs. Louis Schneider and daughter, Connie Lee. Christmas Day dinner guests of the Schneiders were Mr. and Mrs. Jack Osburn and family, Mr. and Mrs. Charles Osburn and family, Mr. and Mrs. Jim Osburn and son, Mrs. Purnell Osburn, Mr. and Mrs. Carl Kennel and family, Mrs. Guy T. Pocklington and son, Ronald, and Mr. and Mrs. Joseph Russell of Brooklyn.

Feud Delayed State's Admission To Union

(EDITOR'S NOTE: Today's newspaper readers accept on-the-spot accounts of events as commonplace. This hasn't always been true. In the story below, the action of the convention which cleared the way for Michigan's admission as a state, is reported in modern newspaper style. This is another in a series of such stories based on eye-witness accounts in books and other material in the Michigan Historical Collections at the University of Michigan).

ANN ARBOR, Dec. 15, 1836 — Michigan's feud with Congress and the State of Ohio appeared to be ended today.

Although the Whigs are charging that the action was illegal, a convention assembled in the court house here has approved acceptance of the boundary prescribed by Congress as a requirement for admission to the Union.

The resolution was approved unanimously thus reversing the action taken in a convention here on Sept. 26-30 which refused to accept the conditions imposed by Congress in its act of June 15, 1836 which limited Michigan to the boundaries "prescribed by Congress and none other."

The latest action means that Michigan now accepts a boundary line with Ohio based on a direct line drawn from the southern extremity of Lake Michigan to the most northerly cape of the Maumee (Miami) Bay. In exchange for the surrender of a narrow strip of land to Ohio, Michigan will receive a vast wilderness area lying across the Straits of Mackinac and extending west along the south shore of Lake Michigan to the Menominee River. This area has been taken from the Wisconsin Territory.

George W. Jewett and Samuel Denton of Washtenaw County were designated as a committee to see that copies of the preamble and resolution adopted by the convention as well as a letter signed by John R. Williams of Detroit, president of the convention, reach President Andrew Jackson.

The president has been empowered to issue a proclamation admitting Michigan to the Union, but he may prefer to return the matter to Congress which is now in session.

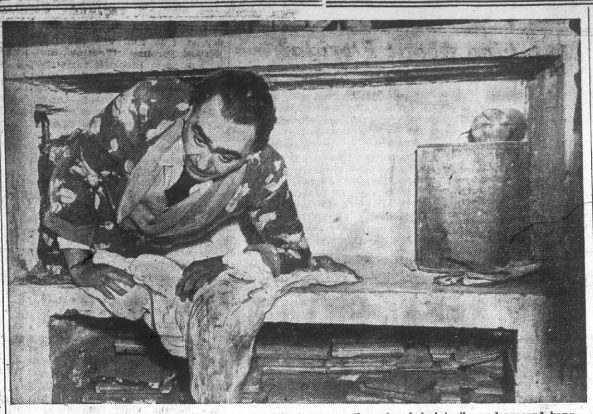
The "Convention of Assent" here has been called a "frostbitten convention" because of cold weather and bad roads. Despite the elements, delegates from eighteen of Michigan's twenty-two counties were present. Michilimackinac, Chippewa, Macomb and Monroe were not represented.

Whig charges that the convention is illegal are based on their claim that the county conventions held to nominate delegates were little more than Democratic party caucuses. The party may not take any action since most political observers feel that the public has become tired of the unrest and indecision which have prevailed regarding Michigan's admission as a state. For this reason, it is expected the convention's action will meet with general approval.

Michigan has been anticipating admission as a state since the state Constitution was adopted in 1835 and two senators, Lucius Lyon and John Norvell, and one representative, Isaac E. Crary, have been waiting in Washington for months to assume their posts.

Delay was caused by the bitter but bloodless dispute with Ohio over the boundary with Michigan. Michigan was further aroused when Congress stipulated that it must accept the boundary as prescribed or give up hope of becoming a state.

This was the issue which caused the September convention to vote against submitting. Even the resolution just adopted contains a protest stating that "this convention are of the opinion that the Congress of the United States had no constitutional right to require the assent (to the prescribed boundary) as a condition preliminary to the admission of the state into the Union."



SPY RING SMASHED IN GREECE . . . An investigator comes through a hole into the underground hangout of a Communist spy at Glyfada, Greece. The hideout was discovered by helicopter crewmen of the U.S. eighth fleet who were dispaiched over a suspected area. The Red operator of two powerful transmitters was trapped in the vault and refused to emerge. He shot himself as officials finally entered the hideout after lifting a marble slab. Police confiscated considerable amounts of Communist documents which the operator had not burned. Glyfada is a seaside suburb of Athens. The fleet was visiting Greek waters.

BRITTON

Mr. and Mrs. Richard Lower plan to visit relatives in Ohio over the holidays.

Mr. and Mrs. Ernest Palmer entertained Sunday at a holiday dinner their son and wife, Mr. and Mrs. Paul Palmer of Toledo.

Mr. and Mrs. Earl Murphy of Tecumseh and Mr. and Mrs. Alexander Gibson attended the Murphy Densmore wedding in Mason Sunday afternoon.

Robert Croll of Camp Chaffee Ark., is spending his holida leave with his parents, Mr. and Mrs. Clay Croll.

Mrs. Henry Brown and infant son returned home from St. Joseph hospital in Ann Arbor, Saturday.

The North East Britton Extension Club plan for their holiday party Friday, Dec. 28, with a pot-luck dinner at 12:30 at the home of Mrs. Fenton Barrett. There will be games and a gift exchange.

The Congregational Baraca Philathea Class plan for their annual Christmas party Sunday evening, Dec. 30, at the home of Mr. and Mrs. Ford Exelby. A potluck supper at 7 o'clock will be followed by a gift exchange.

GUILD YULE PARTY

Mrs. Winthrop Winfield entertained the Methodist Guild in her home recently for its annual Christmas party. Mrs. Willis Porter was in charge of devotions. The Christmas story from St. Luke was given by Mrs. Clifford Deaner. Mrs. Roma Waters accompanied the group in singing Christmas carols. After the program gifts were exchanged from the decorated Yule tree and the hostess, assisted by Miss Arlene Sherman, Mrs. Carson House, Mrs. Harry Stanifer and Mrs. Arthur Crawford, served refreshments.

HERRICK MEMORIAL HOSPITAL NOTES

Born, December 18, to Mr. and Mrs. Gerald Miller of Ridgeway, a daughter.

Born, December 20, to Mr. and Mrs. William A. Caulkins of Tecumseh, a son.

Born, December 20, to Mr. and Mrs. Dorman Edwards of Saline, a daughter.

Born, December 21, to Mr. and Mrs. James H. Lamb of Tecumseh, a son.

Born, December 21, to Mr. and Mrs. Vernon Irelan of Saline, a daughter.

Born, December 21, to Mr. and Mrs. Gordon Barrett of Britton, a daughter.

Those discharged from the hospital December 18 were, Mrs. Bert H. Folk of Tecumseh and Mrs. Homer Dermyer and daughter, Frances, of Tecumseh.

Those discharged December 19 were, George W. Blalock of Manchester, Mrs. Richard Close, Mrs. Harvey Wilson and Mrs. Ferris Cleveland, all of Tecumseh, Mrs. L. McKeever of Manchester.

Janice Hopkins of Tecumseh, Elmer Abshire of Tecumseh and William A. Miller of Brooklyn were discharged, December 20.

Mrs. Lyle Cubberly of Tecumseh and Mrs. Edwin R. Gove and daughter of Tecumseh were discharged December 21.

Those discharged December 21 were, Mrs. Arlo Houghton of Manchester, Mrs. Rudolph Forstner of Ridgeway and Roland Brown of Tecumseh.

Those discharged December 22 were, Mrs. Donald Brazee and daughter of Tecumseh, Gary Spreeman of Britton, Earl W. Treat of Manchester and Mrs. Anna La Pointe.

Mrs. Gerald Miller and daughter of Ridgeway and Mrs. Thomas Hicks of Tecumseh were discharged December 23.

PLEASURE-PACKED PROGRAM PLANNED FOR FARM FAMILIES

To Be Guests of Hoyt E. Whelan Co., Local John Deere Implement Dealer on John Deere Day, January 8

No less than six brand-new movies are on the program for the annual John Deere Day show to be held for farmers and their families on Tuesday, Jan. 8, at the Strand Theatre, according to Fay Whelan, local John Deere dealer and sponsor of the affair. Farmers who have not yet received their tickets, reminds Mr. Whelan, may obtain them by calling for them at the Whelan store on W. Logan street.

The feature picture, "Galahad Jones," features Richard Crane, Marjorie Lord, Elizabeth Patterson, Jonathan Hale, Ed Brophy, and four other Hollywood personalities. The story centers around a farmer's son, recently graduated from law school, who thwarts the efforts of a big-time crook to profit from his political connections. It is a present-day problem picture with a moral and plenty of laughs.

Leading the pack of five more applause-winning films is "The Big Payoff," featuring Tom Gordon who, along with his typical American family, has won so many friends in previous John Deere pictures. The four films that complete the parade of entertainment offer something new and different in dealing with subjects close to the hearts of today's farmers.

"Those who attend this year's John Deere Day," says Mr. Whelan, "have a real treat in store for them, a day so packed with entertainment for the entire family that they will remember it with pleasure for months to come. Dont miss it! Get your tickets on your very next trip to town!"

There also will be a mill demonstration, weather permitting.

Feeding Trays Attract Birds

PROPER CARE OF FEATHERED PETS CAN BRIGHTEN YOUR WINTER GARDEN

Many birds, discouragingly shy at most seasons, may be lured to your feeding trays, tempted to stay longer, and to return again and again to brighten your sober winter garden, Prof. George M. Sutton, associate professor of zoology at the University of Michigan, says.

Of particular interest to operators of feeding stations and to bird watchers this fall has been the arrival, probably due to food shortage in the north, of the evening grosbeck, a large finch. The colorful yellow, black and white bird can be tempted to box elder seeds.

Also in evidence in Michigan is another Northern finch, the rare Pine grosbeck, Professor Sutton says. Several small flocks have been reported recently in various places in the Lower Peninsula. The bird is about the size of a robin, rose-red all over except for wings and tail which are black with white edges. The female is grey with rose on crown and lower back. The bird, which is remarkably tame, especially likes the red haw (hawthorne berry), snowberries, or any winter fruit seeds.

Since the acorn crop is good this year, certain woodpeckers that ordinarily do not winter here, among them the red-headed woodpecker, may be counted on to stay for the winter. Downy and hairy woodpeckers are always attracted by suet tacked up on a tree trunk or put in wire containers to keep squirrels from carrying it away.

Pacan bits, now on the market, are especially popular with many birds, as are sunflower seeds. These latted will have a special appeal to the birds if they are left in the flower-head, which may be tacked up in a conspicuous spot in your garden.

But remember, the University ornithologist warns, when you put out special food supplies of suet and seed, you are creating an artificial situation and in fairness to the birds you should continue the practice through the winter. Birds will come to rely on obtaining their daily rations from your feeding station, and some of them may fly considerable distances to get the food you put out.

Absence of food at critical periods, such as the duration of an ice storm, when the birds are unable to procure food through the ice, may have severe consequences. Since birds have a very high rate of metabolism, their reserve of energy is quickly spent, and they freeze to death easily if undernourished.

16,000 Home Fires Last Year Cost Residents, $9,000,000

Fires took the lives of 257 Michigan people last year.

Five times as many died from fires in their own homes as from fires in public buildings or other outside fire. The greatest number of those who died in home fires were the very young or the aging —children under five or people over 65.

The 16,000 home fires in Michigan last year cost Michigan people well over $9,000,000 in dwellings and furnishings destroyed, in addition to the terrific cost of hospitalization, doctor bills, rehabilitation, loss of time and the loss of irreplacable lives, the Department said.

The majority of Michigan's home fires are preventable. Four cases are responsible for most of them: (1) defective or overheated cooking or heating equipment, chimney or stovepipe; (2) careless handling of a cigarette or matches; (3) defective or misused electrical appliances and "temporary" or amateur wiring; and (4) careless burning of rubbish or bonfires.

Home fire prevention is the responsibility of each individual family, the Health Department said.

Residents are urged to eliminate or correct the defective heating or cooking equipment and wiring in homes, to get a safe rubbish burner and fire extinguisher, and to change those careless habits which mean fiery death to members of your family.

Tragic experience has shown that it is the fire hazard which you know exists that may take the life of, or maim for a lifetime, your child, your parent, your spouse or yourself.

DAUGHTER TO WED

Mr. and Mrs. R. T. Davis of Tecumseh announce the engagement of their daughter, Patricia Jean, to Jack Houghtaling of Addison. Patricia is a graduate of Charlevoix high school and North Central School of Practical Nursing, Traverse City. Mr. Houghtaling is the son of Mr. and Mrs. Reual Houghtaling and a graduate of Addison high school and Pine Lake Trade School. The young couple plan on a summer wedding.

RIDGEWAY

Mr. and Mrs. Clifford Flower called on her brother, Charles Hindes, Monday, and then visited her sisters Estella Hite and Mary Boss, leaving Wednesday for Essadrilo, Calif., to spend the winter months.

Robert Hite has been transferred to the veterans hospital in Dearborn.

Mr. and Mrs. William Spreeman were Detroit visitors Saturday.

Mr. and Mrs. C. H. Beach visited his sister, Mrs. Malinda Joseph in Tipton, Sunday.

Mary Boss left Sunday for Grand Rapids for a two weeks visit with her son, Ralph Marks, and family.

Mr. and Mrs. Howard Landin and son, Terry, of St. Clair Shores spent Sunday with Mr. and Mrs. T. M. Birdsall.

Harley Slick is in a trip to Florida.

Mr. and Mrs. John Howe of Hudson were dinner guests of his mother, Mrs. Martha Howe, Sunday.

Sunday, Holy Communion will be celebrated at the Methodist church.

Miss Florine Linn of the Wayne schools is spending the holidays with her parents, Mr. and Mrs. Elmer Linn.

Ronald Pocklington and his mother, Mrs. Guy T. Pocklington, spent Tuesday evening with Mr. and Mrs. Lawrence Gray and sons at Ypsilanti.

Miss Josephine Carter is home from Monroe for the holiday vacation.

The Misses Lulu and Julia Gilmore spent Christmas at the Wilbur Boyce home near Tecumseh.

DUTCH QUEEN LIFTS REFUGEE APPEAL

Washington — Queen Juliana of the Netherlands has appealed to President Truman to take the initiative for a "new approach" to the world refugee problem.

In a letter presented to the President by Dr. J. H. VanRoijen, Netherlands ambassador, the Queen said "assimilation of refugees" must be the aim.

The ambassador said the President read the letter and said he would give it serious study. He added he was encouraged by the "favorable reaction" of the President.

Wise.

Do You Remember?

1851

Married December 25, by L. G. Sholes, Esq., Joel White and Louisa Van Camp.

Markets—wheat, 54c bu.; corn, 37½c; oats, 18½c; eggs, 12½c; butter, 12½c; cheese, 7c; potatoes, 37c; hay, $5 per ton; beef, $2.50 per cwt.; pork, $3.50 cwt.

1881

Water in the creek bottoms west of here was never higher than last week, but no material damage to highways or bridges is reported.

Real estate transfers—Orson E. Sutton and J. B. Swan, land in Tecumseh village, $750.

Charles T. Cummins has concluded to remain in Tecumseh and run the carriage factory on Railroad street.

Married at the Methodist parsonage at Saline, December 26, Frank Thomas of Macon and Ettie E. Parkhurst of Saline.

1891

Married December 29, Eva Putnam of Tyron, N. Y., and Thomas Florance of Ridgeway.

Albert Boyce of Detroit was here to witness the Christmas party.

A slight snowstorm Tuesday followed the cold wave on Saturday.

W. F. Clark of Ridgeway and Mary Brewster of Clinton were married Thursday, December 24, by the groom's father, Rev. W. J. Clark.

1901

At a baby show held in Clinton Saturday, the prize babies were: the daughter of Mr. and Mrs. A. C. Smith and the son of Mr. and Mrs. Fred Koernig.

W. W. Hunt left today for Brant, Col., to accept his appointment as deputy sheriff.

Married, December 25, at Tipton, Ella Munger and George Lewis Wood of Frankfort.

Jennie Middlebrook and George VanAtta were married in Lima, O., December 30.

Maude Howell and Frank Day were married December 24, at the home of her parents in Macon, by the Rev. H. H. Colvin.

The 17th annual Christmas party will be held at the Sutton Opera House.

1911

John Lowry was injured at Brewer's, Wednesday, while working on a lathe.

Dr. and Mrs. P. B. Hardy arrived home Thursday night from Europe and were four days late, owing to severe storms.

1921

A city league of bowlers has been organized to bowl at the Smoke House alleys.

Mr. and Mrs. George Isaacson have purchased the Boyd property on West Logan street.

Mr. and Mrs. Everett Exelby celebrated their 21st wedding anniversary, Tuesday.

Mr. and Mrs. Leonard Exelby will celebrate their 16th wedding anniversary, Monday.

Born, December 23, to Mr. and Mrs. L. C. Harrington, a daughter.

The new Chevrolet is here, $945 delivered.

Mrs. Lee McConnell suffered a broken arm in an automobile accident Sunday.

1931

The Cyclone Fence Factory is operating night and day with 50 men and women on the pay roll.

Tecumseh Almoner Circle entertained 96 children at a Christmas party in the high school gymnasium.

Mr. and Mrs. Edward Harper are moving from Saline to Brooklyn where he will be employed at the Ford garage recently purchased by Clyde Gamboe.

Elizabeth Sidney and Everett Grout of Saline were married December 21 at the former's home near Adrian.

George E. Wilson of Tecumseh and Mildred Raymond of Adrian were married Sunday, December 21, in Angola, Indiana.

Mr. and Mrs. W. B. Swick of Britton will entertain the Wiggins family, numbering 50, for their annual "Frumenty" supper, this evening.

1936

Married, December 24, Ruth LaBounty and Raymond Puffer, both of Tecumseh.

Marguerite Smith, daughter of Mr. and Mrs. Floyd Smith and John Grover VanVleet of Dundee were married Decmeber 24, in LaGrange, Indiana.

Mrs. Grace Coffey will receive a ton of free coal, having won the rebus contest conducted by Hayden Fuel and Supply Company.

Mr. and Mrs. Robert Quackenbush celebrated their 50th wedding anniversary December 13.

Otto Faust of Britton and Charlotte Williams of Palmyra were married December 16, by Dr. H. K. Fox in Adrian.

Born, December 20, to Mr. and Mrs. Clayton Covell, a son.

1941

Mrs. Lillian Hoagland brings us forsythia in bloom on December 22. Rather unusual in Michigan.

Four sheep owned by C. N. Easton, on the Ternes farms were seriously injured by dogs and had to be killed.

C. H. Kemp who is spending the winter in Eustis, Fla., was a guest of honor at the Tourist Club in observance of his 83rd birthday.

Wesley Proctor of Tecumseh and Virginia Kulenkamp of Manchester were married December 16, at the Methodist church in Manchester.

Born, December 18, to Mr. and Mrs. Lyle Calhoun, a daughter.

Born, December 20, to Mr. and Mrs. Walter Dunbar, a daughter.

Born, December 16, to Mr. and Mrs. Ralph Sturtevant of Adrian, a son.

John McColl has been named as a member of the jury for January.

1946

Mr. and Mrs. Arthur L. Dove celebrated their 50th wedding anniversary Sunday at their home near Tipton with open house.

Dolores Bly of Clinton and Earl Cook of Tecumseh were married December 14, in Clinton, by the Rev. C. E. Foltz.

Mrs. Ed Swift was elected most excellent chief of Josephine H. Hall Temple, Pythian Sisters, succeeding Mrs. Henry F. Kempf.

Sixteen thousand pounds of turkeys (eight tons) and some 400 baskets of fruits, were gifts from Tecumseh Products to employees.

Robert Moore, jr., has arrived home from Kentucky Military Institute to spend the holidays with his parents, Mr. and Mrs. R. H. Moore.

Born, December 15, to Mr. and Mrs. Edward Blatchford of Clinton, a daughter.

Born, December 17, to Mr. and Mrs. Forrest Petee, a daughter.

Born, December 14, to Mr. and Mrs. Thomas Hartley, a son.

New Conservation Club To Be Formed At Hudson

The Tecumseh Conservation League announces the forming of another new Conservation Club in Hudson.

Plans have been made for the new club to organize January 11, at the Oddfellows Hall in Hudson. All persons interested in joining the club and who live in the area are cordially invited, also any members from other clubs are invited to help this new club off to a good start.

This club will belong in the Second M.U.C.C. district as soon as it joins M.U.C.C.

Darwin Creger, new member on M.U.C.C. board of directors, Roger Smith, vice chairman of District No. two, a new-comer, and Cliff Krohn, district representative of No. two district will be present to help get the new club under way.

Miss Ingersoll Hostess To The Music Club

Miss Edith Ingersoll entertained the Tecumseh Music Club in her home last Tuesday evening for its annual Cristmas party. The presentation of the Christmas story with Mrs. Joe Rice as narrator, was taken from St. Matthew and St. Luke, and traditional Christmas carols were sung. The soloists were Mrs. Murray Day, Mrs. Arthur Swarts, Mrs. Maynard Mulvaney and Mrs. Thomas Gallant. Vocal duets were by the Misses Martha and Betty Hayden; trio selections by Mrs. Nina Heath, Mrs. Robert McCoy and Mrs. Wilfred Waldron.

During the social hour gifts were exchanged and refreshments served by the hostess assisted by Mrs. Herbert Dillon and Mrs. Perry Hayden. The rooms were decorated in keeping with the Christmas season.

LEGAL NOTICE

Order for Publication—
Appointment of Trustee.
STATE OF MICHIGAN,

THE PROBATE COURT FOR THE COUNTY OF LENAWEE.

At a session of said court, held at the probate office, in the City of Adrian, in said county, on the 7th day of December A. D. 1951.

Present: HON. BERNARD N. WILLIAMSON, Judge of Probate.

In the matter of the estate of EMMA VAN DUSEN, Deceased.

Wilfred Tom Wilson, one of the beneficiaries of said estate having filed in said court his petition praying that Jack I. Hanna or some suitable person be appointed co-trustee of said trust estate in the place and stead of William J. Hanna new deceased;

It is ordered, that Monday the 7th day of January A. D. 1952, at ten o'clock in the forenoon, at said probate office, be and is hereby appointed for hearing said petition;

It is further ordered, that public notice thereof be given by publication of a copy of this order, for three consecutive weeks previous to said day of hearing, in The Tecumseh Herald a newspaper printed and circulating in said county.

BERNARD N. WILLIAMSON,
Judge of Probate.

A true copy.
Hazel D. Gregg, Register of Probate. Dec. 27

COUNCIL PROCEEDINGS

VILLAGE OF TECUMSEH
COUNCIL BUILDING
December 17, 1951

Present: President Elliott, Trustees Mensing, Rohweder, Heilman, Truesdale, Porter.

Absent: Fosbender.

Minutes of meeting held December 3, 1951 and special meetings held December 10, 1951 and December 13, 1951 read and approved.

The following preamble and resolution was offered by Councilman Heilman and supported by Councilman Mensing.

WHEREAS, December 17, 1951 at 7:30 o'clock p.m., has been fixed as the time for opening bids for the purchase of Two Hundred Eighty-five Thousand ($285,000) Dollars General Obligation Sewer Bonds of the Village;

AND WHEREAS, said bids have been opened and publicly read;

AND WHEREAS, the bid of First of Michigan Corporation, at the following interest rates for the following maturities and with a premium of Seventy-nine and 80/-100 Dollars:

MATURITIES	INTEREST RATE
1952/1962	1 3/4%
1963/1971	2 %

has been determined to produce the lowest interest cost to the Village.

NOW THEREFORE BE IT RESOLVED THAT:

1. The bid of First of Michigan Corporation with the above interest rates and premium be and the same hereby is accepted and the bonds are awarded to said bidder.

2. The good faith checks of the unsuccessful bidders shall be returned to each bidder's representative present upon proper receipt, or shall be returned by registered mail.

3. All resolutions and parts of resolutions insofar as the same conflict with the provisions of this resolution be and the same hereby are rescinded.

Ayes: Mensing, Rohweder, Heilman, Truesdale, Porter.

Nays: None.

MOTION DECLARED ADOPTED:

An itemized list of bills paid December 17, 1951, is recorded in the Village Clerk's Office and is open for public inspection.

Total disbursements for the period ending December 14, 1951, $10,442.06.

Moved and supported that bills as read be approved and orders be drawn up for the same.

Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.

Nays: None.

Moved and supported that Kenneth Davidson be instructed to audit the Herrick Memorial Hospital books.

Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.

Nays: None.

Moved and supported that Herrick Memorial Hospital report be accepted.

Ayes: Mensing, Rohweder, Heilman, Truesdale and Porter.

Nays: None.

The following ordinance was offered by Councilman Rohweder and supported by Councilman Heilman.

Sec. 4.301. No person shall discharge or cause to be discharged any storm water, surface water, ground water, roof runoff, subsurface drainage, cooling water or unpolluted industrial process waters to any sanitary sewer.

Sec. 4.302. Storm water and all other unpolluted drainage shall be discharged to such sewers as are specifically designated as combined sewers or storm sewers or to a natural outlet approved by the Village Council or the State Water Resources Commission (hereinafter referred to as the SWRC). Industrial cooling water or unpolluted process waters may be discharged, upon approval of the Village Council, to a storm sewer, combined sewer or natural outlet.

Sec. 4.303. Except as hereinafter provided, no person shall discharge or cause to be discharged any of the following described waters or wastes to any public sewer.

(a) Any liquid or vapor having a temperature higher than 150 degrees F.

(b) Any water or waste which may contain more than 100 parts per million by weight, or fat, oil or grease.

(c) Any gasoline, benzene, naptha, fuel oil, or other flammable or explosive liquid, solid or gas.

(d) Any garbage which has not been properly shredded.

(e) Any ashes, cinders, sand, mud, straw, shavings, metal, glass, rags, feathers, tar, plastics, wood, wood pulp, paunch manure, or any other solid or viscous substance capable of causing obstruction to the flow in sewers or other interference with the proper operation of the sewage works.

(f) Any waters or wastes having a pH lower than 5.5 or higher than 10.5 or having any other corrosive property capable of causing damage or hazards to the structures, equipment and personnel of the sewage works.

(g) Any waters or wastes containing a toxic or poisonous substance in sufficient quantity to injure or interfere with any sewage treatment process, constitute a hazard to humans or animals, fish or acquatic life or create any hazard in the receiving waters of the sewage treatment plant.

(h) Any waters or wastes containing suspended solids of such character and quantity that unusual attention or expense is required to handle such materials in the sewers and at the sewage disposal plant.

(i) Any noxious or malodorous gas or substance capable of creating a public nuisance.

Sec. 4.304. Grease, oil and sand intercepters shall be provided when, in the opinion of the Village Council or the SWRC, they are necessary for the proper handling of liquid wastes containing grease in excessive amounts, or any inflammable wastes, sand, or other harmful ingredients except that such intercepters shall not be required for private living quarters or dwelling units. All intercepters shall be of a type and capacity approved by the Village Council or the SWRC and shall be located as to be readily accessible for cleaning and inspection.

Grease and oil intercepters shall be constructed of impervious material capable of withstanding abrupt and extreme changes in temperature. They shall be substantially constructed, water tight and equipped with easily removable covers which when bolted in place shall be gas tight and water tight.

Sec. 4.305. Where installed, all grease, oil and sand intercepters shall be maintained by the owner at his expense, in continuously efficient operation at all times.

Sec. 4.306. The admission into the public sewers of any waters or wastes having (a) 5 day Bio Chemical Oxygen demand (hereinafter referred to as the BOD) greater than 300 parts per million by weight, or (b) containing more than 350 parts per million by weight of suspended solids of (c) containing any quantity of substance having the characteristics described in Section 4.303 or (d) having a daily average flow greater than two (2%) percent of the average daily sewage flow of the Village of Tecumseh, shall be subject to the review and approval of the Village Council of the Village of Tecumseh or of the SWRC. Where necessary in the opinion of the Village Council or the SWRC, the owner shall provide, at his expense, such preliminary treatment as may be necessary to (a) reduce the BOD to 300 parts per million and the suspended solids to 350 parts per million by weight, or (b) reduce objectionable characteristics or constituents to within the maximum limits provided for in Section 4.303, or (c) control the quantities and rates of discharge of such waters or wastes. Plans, specifications and any other pertinent information relating to proposed preliminary treatment facilities shall be submitted for approval of the Village Council and of the SWRC of the State of Michigan and no construction of such facilities shall be commenced until said approvals are obtained in writing.

Sec. 4.307. Where preliminary treatment facilities are provided for any waters or wastes, they shall be maintained in satisfactory and effective operation by the owner at his expense.

Sec. 4.308. When required by the Village Council or the SWRC, the owner of any property served by a building sewer carrying industrial wastes shall install a suitable control manhole in the building sewer to facilitate observation, sampling and measurement of wastes. Such manhole, when required, shall be accessible and safely located, and shall be constructed in accordance with plans approved by the Village Council. The manhole shall be installed by the owner at his expense and shall be maintained by him so as to be safe and accessible at all times.

Sec. 4.309. All measurements, tests, and analyses of the characteristics of waters and wastes to which reference is made in 4.303 and 4.306 shall be determined in accordance with "Standard Methods for the Examination of Water and Sewage" and shall be determined at the control manhole provided for in Section 4.308, or upon suitable samples taken at said control manhole. In the event that no special manhole has been required, the control manhole shall be considered to be the nearest downstream manhole in the public sewer to the point at which the building sewer is connected.

Sec. 4.310. No statement contained in this article shall be construed as preventing any special agreement or arrangement between the Village of Tecumseh and any industrial concern whereby an industrial waste of unusual strength or character may be accepted by said Village of Tecumseh for treatment, subject to the payment therefor by the industrial concern.

Sec. 4.311. No authorized person shall maliciously, willfully or negligently break, damage, destroy, uncover, deface or tamper with any structure appurtenance or equipment which is a part of the municipal sewage works. Any person violating this provision shall be subject to immediate arrest upon charge of disorderly conduct where the damage amounts to less than $50.00 and if the damage amounts to more than $50.00 then said charge shall be Malicious destruction of Property.

Sec. 4.312. POWERS AND AUTHORITY OF INSPECTORS. The Village Council of the said Village of Tecumseh and other duly authorized employee of the said Village, and agents of the SWRC bearing proper credentials and identification shall be permitted to enter upon all properties for the purpose of inspection, observation, measurement, sampling, and testing, in accordance with the provisions of this ordinance at any time during reasonable or usual business hours.

Sec. 4.313. PENALTIES. Any person found to be violating any provision of this ordinance except Section 4.311 shall be served by the said Village of Tecumseh with written notice stating the nature of such violation and providing a reasonable time limit for the satisfactory correction thereof. The offender shall, within the period of time stated in such notice, permanently cease all violations.

Sec. 4.314. Any person who shall continue any violation beyond the time limit provided for in Section 4.313 shall be guilty of a misdemeanor and upon conviction thereof shall be fined not less than $25.00 nor more than $100.00 and the costs of prosecution, or by imprisonment not more than 90 days, or both such fine and imprisonment in the discretion of the Court. Each day or fraction of a day in which such violation shall continue shall be deemed a separate offense.

Sec. 4.315. Any person violating any of the provisions of this ordinance shall become liable to the Village of Tecumseh for any expense, loss, or damage occasioned to the Village of Tecumseh by reason of such violation.

Sec. 4.316. ORDINANCE IN FORCE. This ordinance shall be in full force and effect from and after the 17th day of December 1951 A.D.

Ayes: Mensing, Rohweder, Heilman, Truesdale, Porter.

Nays: None.

Ordinance declared adopted.

Attest:
Robert L. Kroner, Clerk

Dated: December 17, 1951.

Moved and supported that communication from Michigan Good Roads Federation be tabled.

Ayes: Mensing, Rohweder, Heilman, Truesdale, Porter.

Nays: None.

Moved and supported that the Clerk be authorized to trade our present police radio set up for two mobile radio sets. The mobile sets will be in direct contact with the Sheriff's Department.

Ayes: Mensing, Rohweder, Heilman, Truesdale, Porter.

Nays: None.

On motion Council adjourned.

J. Floyd Elliott, President
Robert L. Kroner, Clerk

VILLAGE OF TECUMSEH
COUNCIL BUILDING
SPECIAL MEETING
December 13, 1951

Present: President Elliott, Trustees Rohweder, Heilman, Fosbender, Truesdale.

Absent: Porter, Mensing.

President Elliott called this special meeting for the consideration of the Sewage Disposal Plant Bids.

After considerable discussion, it was decided to have the Consulting Engineers develop complete details of construction based on local labor and material costs.

On motion Council adjourned.

J. Floyd Elliott, President
Robert L. Kroner, Clerk

VILLAGE OF TECUMSEH
COUNCIL BUILDING
SPECIAL MEETING
December 10, 1951

Present: President Elliott, Trustees Mensing, Rohweder, Heilman, Truesdale, Porter, Fosbender.

Absent: None.

Moved by Mensing second by Porter that bids received this evening for contracts No. 1 and 2 for sewers and sewage disposal plant be referred to the sewer committee and our consulting engineers, Drury, McNamee, and Porter.

Ayes: Mensing, Rohweder, Heilman, Truesdale, Porter, Fosbender.

Nays: None.

On motion Council adjourned.

J. Floyd Elliott, President
Robert L. Kroner, Clerk

CARD OF THANKS

We sincerely thank the neighbors and friends for their thoughtful assistance and beautiful floral tributes during the recent illness and death of our mother, Mrs. Emily Fluhrer. We especially thank Rev. Escolme for his comforting words. Also the Lenawee County Road Commission for all that they did in our behalf.

Mrs. Edith Hunt and
Mrs. Mable Lewis.

CARD OF THANKS

We wish to express our sincere thanks to our relatives, friends, and neighbors for their expressions of sympathy during the illness and passing of our son. Especially do we wish to thank the Rev. Donald Wilson for his words of comfort, the donors of flowers and food and the pall bearers.

Mr. and Mrs. Edsel Burner.
